

## PART 1

Jimmy struggled to keep the car straight as the snow pounded the windshield! He was driving straight towards the wind and the snow was so thick that it looked like there was no road in front of him! He turned the windshield wipers up to the maximum setting just as a bright pair of headlights appeared in the horizon! They came so quickly as a truck rushed through the snow almost crashing right into him!

Jimmy swerved the car to the left just nearly dodging the truck and then swerved right! The back of the car swung back and forth for a few seconds as he got back on the road and slowed down holding his chest! His heart was pounding so hard that it felt like it may pop right out!

BBBBBBBBBBBBBBBBBBBBVFFFFFFFFFFFFFFRTTTTTTTTTTTT

Jimmy looked to his right at Gwen, sound asleep in the passenger seat! She had her legs tucked up with her knees by her chest and her big ass aimed in Jimmy's direction! It took seconds for the odor to fill the car, the unmistakable smell of broccoli and cheese! Jimmy's eyes watered as he felt his throat begin to close! He quickly reached for the window and lowered it a crack letting a sharp harsh wind blow into the car! It was so cold!

He started to shiver as Gwen shifted in her sleep and groaned!

"Close the window" she mumbled half asleep...

Jimmy closed the window and took a deep breath, his heart was still pounding and the smell of broccoli beef and cheese was still thick in the air!

VVVVVVVRT

Gwen raised her hips and leaned further into the window as a short sharp fart blew from her big ass! The wet sound made a shiver run down Jimmy's spine, he knew as soon as they arrived, she would be expecting a cleaning. He looked down to the wedding ring on his finger and wondered if he had made a mistake... for the past five years, Jimmy had been consuming Gwen's feces! The task never got any easier!

Because of the traumatic events he suffered in Firavahana, His stomach had developed a disease with no cure! He had to ingest feces every 72 hours now, or his body would shut down! Gwen, at first, seemed to treat it as it was, like a medical condition, but over the years, she started using him more, and more, until it became a daily thing! Jimmy would constantly try to slow things down but she would always insist, if he ate it daily it would be easier on his stomach and taste buds! He had no idea how it would make things easier!

Jimmy knew, without Gwen, he would need to go to a hospital for his feedings, every three days, a random nurse, but surely that was better! He debated while fingering his wedding ring and looking out into the snowy landscape! After this trip, when they got back, Jimmy was going to tell her... He was going to break things off with Gwen!

It was over two hours of driving through the intense snow storm until they finally arrived at Mount Mansfield! The largest Mountain in all of Vermont! The ski resort opened in a few days so they were going to have the place all to themselves! Well, relatively. Alexa's family owned the Mountain and the Resort, so she had gotten the biggest and fanciest lodge available! It was built into the side of the mountain and had access to the ski routes right from the front door! Alexa never stopped bragging about it! This was the first time Gwen or Jimmy had seen it though!

BBFRRSPPRPPT

A very wet and violet fart woke Gwen from her sleep as she yawned and sat upright in the seat! Immediately she ruffled her nose and let out a gag as she cracked the window!

"How long was I out?" She asked in a sleepy tone while yawning!

"The whole ride! We're here!" Jimmy said with relief, he was happy to get out of the car! The smell was unbearable!

Jimmy drove around the mountain following the route Alexa had texted to them! Suddenly they saw the cabin through the snow! It was enormous! The massive wooden log lodge was two stories with a massive balcony on the top second floor creating an overhanging porch out front! Through the snow both Jimmy and Gwen could see everyone had already arrived! There was a big fire burning in the fireplace as everyone sat around talking!

There was Alexa, and her younger sister Brianna who had just turned 18! She was kind of a pain in the ass and Alexa hated when she tagged along! Neither Jimmy or Gwen knew she was coming! She looked just like alexa but with a bit extra baby fat and a TON more attitude! She was a real handful and terrible to deal with!

Sitting across from them on the other couch was Scott and his girlfriend Kaylee. Scott was an old friend of Jimmy's from high school! He was in the army so they hardly saw each other now but when they did it was always a good time! Scott was tall, ripped, a total alpha male! Kaylee was a friend of Gwens, a total sweetheart! She would blush at even the slightest mention of privates, she's so prude! She has curly brown hair and a curvy body but only in the right places! Guys always chased her but she never knew how to handle it, she is still a virgin but Gwen made Jimmy promise not to say anything ever!

Sitting on the floor by the fire were two more girls, they had a bong they were passing back and forth, Jimmy didn't know them, but Gwen had told him all about them! Lana and Michelle! The two of them looked like blonde barbie dolls! They were both twins and came from the same

group as Alexa, the extreme rich and wealthy. Gwen had only met them a handful of times, but she had warned Jimmy, they are extreme bitches!

Jimmy was a bit worried, so many terrible women were around, hopefully him and Scott could escape and go snowboarding together! It would be nice to ditch the women for a day or two!

Gwen jumped out of the car and didn't even offer to help with the bags! She pushed her way through the harsh blowing snow while holding a hand in front of her face! Jimmy watched her enter the cabin and kick the door closed behind her as he let out a moan! He had no idea how he was gonna tell her...

Jimmy gathered both their bags and snowboards while the snow blew at him! It was so harsh and powerful that a few times it almost knocked him over! When he had both their board and bags on his shoulders, he locked the car and slowly wobbled to the lodge! Jimmy kicked open the front door and entered sideways, dropping everything on the floor!

"JIM!" Scott yelled as he jumped up and ran over with a cold beer in hand!

"How are you doing man?!?!?" He asked with excitement as Jimmy kicked the door closed and breathed deeply! It was so warm in the cabin!

"Cold!" Jimmy said while dropping his coat and scarf!

"OH here!" Scott ran to the cooler and tossed a cold beer can to Jimmy!

"I said I was cold dude!" Jimmy laughed!

"This place is MASSIVE!" Gwen said with a smile as she hugged Alexa! Lana and Michelle began laughing about something quietly as they whispered to one another. Both of the blondes were wearing matching silk pink pajamas.

"Let me give you the tour!" Alexa grabbed Gwen's hand and rushed off up stairs!

"How was the drive!?" Scott asked as Jimmy took off his shoes and cracked the beer!

"Ah, long, windy, deadly, almost got hit by a huge 18 wheeler! Other than that! Great! When did you get in?"

"Hahaha just about half an hour ago! Hey" Scott leaned in and cupped a hand over his mouth.

"Let's get up an hour early and take off, ditch the girls, i need a day!" He said with a laugh as he pulled a big bag of weed from his pocket!

"Damn I was thinking the same thing" Jimmy laughed!

“What are you two planning?” Kaylee asked from the couch as Scott headed back to sit with her!

“Nothing, just boy stuff!” He said as he threw an arm around her and kissed her! She blushed and pushed him away while mumbling something about not kissing in public!

“OOOOOOooohhhhhh JIMMMMMYYYYY” Gwen called from the top of the stairs! The stairs ran up and around in a big balcony that overlooked the main entrance and sitting area! It gave the lodge a huge open feel!

Jimmy looked up to see her and Alexa looking down on everyone!

“Your presence is requested in the bedrooms!” Alexa said with a grin...

Jimmy got up and began heading upstairs as his wife and Alexa laughed with one another! The top floor had a library to the left with another fireplace and then a long hallway to the right with multiple bedrooms! As soon as Jimmy reached the top of the stairs, Gwen took his hand and began leading him!

“Alexa gave us the master bedroom, since, were the only married couple and all! Isn’t she sweet” Gwen looked back and smiled at Jimmy as she dragged him into the bedroom! Alexa followed them and closed the door behind him, locking it!

Jimmy did a 360 checking out the room, it was massive, the walls all made of wooden logs. There was a door leading out to the balcony that overlooked the front and the ski hills. The bed was king size, truly huge, the sheets were puffy and looked very comfortable! In the corner was another fireplace, fresh and burning with a pile of wood next to it.

“This is beautiful” Jimmy said with a smile as both women laughed..

“Can we get down to business, i don’t know how much longer i can hold it in!” Alexa said with a bit of a rushed tone, she had a slight bit of attitude in her voice! Jimmy looked back to see her holding her stomach with both hands! She had on a sweater with tight black leggings that accentuated her hips and massive ass!

Jimmy looked to Gwen with confusion and worry as she shrugged and laughed!

“I promised she could use you at least once! It’s not a big deal, like, i do it every day right?” Gwen blushed.

“TWICE! You said Twice!” Alexia butted in!

“Yea, sorry, i meant twice” Gwen said with a smile as Jimmy sunk down inside!

“You may wanna let the room air out” he could hear her say as the bathroom door slammed closed!

Jimmy swallowed again, the shit was so thick and earthy! He could feel the grit and vegetables in it, truly it tasted like what he imagined cow manure would be like! This brought him back, right back to Firavahana! His entire body began to shake as he forced down another mouthful of the foul shit! He could hear gunfire as he saw Alexa's fat ass coming towards him! His throat closed with shit inside as he choked and inhaled it into his lungs!

Jimmy shook his head and came back to reality as he swallowed again and again! He was about to pass out when he finally got the last bit down! A massive heap of toilet paper sat over his mouth now, clogged in the funnel and keeping the odor fresh! The paper was stained with her shit but Jimmy's tongue couldn't reach it!

The bathroom door opened as Gwen entered... Jimmy's heart began to race, he prayed she would release him, this was too much, he couldn't eat the shit of two women back to back! Without even looking down at him, she began removing her tight dark red leggings! Her fat all too familiar ass popped out as she rubbed her stomach and groaned lightly.

“Mppppph mppppph” Jimmy moaned as she looked back and smiled..

“Calm down, i know you're hungry” She laughed as she totally misread the message!

Jimmy watched his wife's fat ass come down to the seat as she smiled and wiggled back and forth getting comfortable! Ever since they had gotten married, she stopped taking care of her privates, she had developed a large dirty blonde bush and an ass crack full of hair! It was stained with the scent of her farts from the long car ride and Jimmy instantly began gagging!

Her pussy lips parted as a thick stream of dark yellow piss splashed out! It rained down the funnel pushing all of Alexa's paper into his mouth at once! His eyes went wide, it felt like a clog in his throat!

Jimmy began to thrash as the wet wad of toilet paper accumulated at the back of his throat! He prayed it with his tongue, flexing his throat and trying to get it down! Gwen grunted as her piss continued to splash down, her anus ripped open as a complete liquid load of shit dropped down! It sprayed from her asshole like a water hose as Jimmy cried watching the yellow piss mix with the shit and turn dark brown! The hose was filled to the top as she blasted ass filling the bowl above him with hot soupy diarrhea!

“Oh god, my stomach” Gwen groaned as the shit became more and more liquidy, almost bile in consistency!

The thick wad of toilet paper sunk down Jimmy's throat as Diarrhea replaced it, packing his mouth full and puffing out his cheeks! Jimmy choked as her shit sprayed from his nose and began filling his lungs! It was so sour, like drinking a sweet and sour soup that had gone wrong and been mixed with urine! It was literally burning off the skin inside his mouth as he swallowed over and over trying to keep up!

Gwen grunted and let one last bit loose before wiping and leaving the bathroom similar to Alexa, she never looked back! Jimmy knew right then and there that he was making the right decision! Gwen used to care about him, but it was apparent that feeling was gone! This situation couldn't be any more of a wake up call!

Jimmy struggled to swallow the shit, gulping down more and more before heaving and sucking in fresh air! He screamed out into the funnel begging for release as Alexa walked in and laughed...

"Gawd, you stink, take a shower" She used her foot to undo the hand cuffs and then left, leaving Jimmy to clean up the mess.

Jimmy puked for an hour, filling the actual toilet with mouthfuls of hot shit! The worst was when the large wad of toilet paper came back up, it felt like he was coughing up his heart! When he was finally empty, he sat in the shower crying and letting the feces wash from his body! He loved Gwen, but he never wanted to see her again!

Jimmy got dressed into his sweatpants and a t-shirt before heading downstairs! Everyone was sitting by the fire and eating popcorn with glasses of fresh cocoa! Gwen smiled at Jimmy and patted the couch beside her! There was a glass waiting for him and still steaming at the table next to his seat.

"Jeez, you shower longer than Kaylee!" Scott laughed

"Yea, sorry, i felt a bit sick!" Jimmy apologized to everyone.

"You better not have used all the hot water!!!" Lana said in a very bitchy tone, she hadn't even introduced herself to Jimmy yet...

"There's lots of hot water don't worry!" Alexa relaxed her friends.

"I'm Jimmy, by the way" Jimmy said with a smile as he waved to Lana and Michelle, they both watched him wave and said nothing...

"So back to the question at hand! Which one of you men are gonna sacrifice yourselves if a murderer starts hunting us during the night!" Gwen asked with a giggle!

“You know it’s not just horror movies that start like this! Also pornos!” Scott joked as Jimmy laughed and Kaylee hit him again!

“No one has to sacrifice anyone, i have this baby to protect us!” Scott pulled out a handgun from his bag as everyone looked in silence!

“Don’t worry, i have a license for it!” He reassured everyone!

“Wow, cool!” Jimmy said with bright eyes!

“LET ME TRY IT!” Brianna stood up and walked over trying to take it from Scott’s hands! He pulled it away and held it back!

“No, it’s not a toy!” He said responsibly

“Come on, it’s not a big deal, like, we’re the only ones on this mountain! No one knows we’re here! We won’t get in trouble!” Brianna asked again...

“No, sorry!” Scott said again..

“I’ll literally just shoot it out the front door once, pleaseeeeeeeeeee” Brianna begged like a little kid as Scott looked to Alexa for her permission. Alexa shrugged her shoulders nonchalantly.

“I don’t care” Said Alexa with a laugh...

Scott looked a bit nervous as he walked to the front door of the cabin and waved Brianna over!

“YES!” She said excitedly as she rushed over!

“Okay, i’m gonna take off the safety, hold it with both hands and point straight out the front door, right at that big snow pile over there! And shoot once” Scott pointed as he handed the gun to Brianna.

Brianna grabbed the gun and aimed it, she unloaded the gun firing all six shots into the snow as she cheered at the top of her lungs!

“THAT WAS AWESOME!” She shouted as Scott grabbed the gun back!

“I SAID ONCE!” Scott yelled at the 18 year old as there was a massive ear shattering explosion! All of the women screamed and ducked down as Jimmy and Scott looked to one another with worry!

There was a roaring rumble as the floor began to shake! The entire lodge began to rumble as Scott screamed!

“AVALANCHE! EVERYONE DOWN!”

Everyone hit the floor as the rumbling got louder and crashed into the roof of the lodge! All at once the lights went out and the fires went dim as the roof cracked loud! The windows all turned pure white as the entire place shook! Everything fell from the shelves and the women could be heard crying beneath the noise! It lasted only twenty seconds but felt like a lifetime! When the commotion was done, it was almost pitch black inside!

“IS EVERYONE OKAY!” Scott yelled

Jimmy grabbed the flashlight in his bag and turned it on as everyone regrouped! All of the women were panting and crying, Jimmy and Scott both felt the same but tried not to show it! Gwen ran to Jimmy and physically put his arms around her while hugging him, he was shocked, she was never like this anymore! It must have been the fear!

“Hey man, give me that, i'm gonna go check upstairs!” Scott grabbed the flashlight and took off running upstairs!

“What are we gonna do? What are we gonna do?” Brianna asked while crying and hyperventilating!

“Don't worry, someone will come rescue us!” Gwen reassured her!

“NO ONE KNOWS WERE HERE!” Brianna cried as they all went silent...

Scott appeared at the top of the stairs, everyone looked up to him...

“There's good news, and bad news.... Good news, the roof held up, there's no cracks, so hopefully it won't collapse! The bad news though.... All the windows are snowed in, it looks like we're trapped ....”

## PART 2

Everyone was in a sheer panic! Alexa, Lana and Michelle were all at the verge of breaking down in the darkness as Jimmy and Gwen rushed to light a few candles! Luckily there were a bunch around the room! Alexa, in a panic, rushed to the fireplace and lit it up as Scott yelled to her!

“NO DON'T!!” The fire flared up in the fireplace as the smoke filled the stack! With the top blocked with snow, the entire cabin began filling with black smoke! Scott rushed over and tossed a blanket on the flames extinguishing them!

“We can’t light any fires! It’s gonna burn up all the air and we don’t know how long we could be here!!!” Scott warned!

Even with the candles it was still incredibly dark! Scott walked back to Kaylee and put his arm around her trying to calm her, she was whimpering and crying from all the stress!

“DID YOU NOT TELL YOUR PARENTS WE WERE USING THE CABIN?” Lana screamed at Brianna!

“THEY WOULD HAVE SAID NO!” Brianna screamed as Alexa stomped over and grabbed her by the arm!

“THIS IS ALL YOUR FAULT!” Alexa screamed!

“WE’RE GONNA DIE DOWN HERE!” Kaylee screamed as she burst into tears!

“HEY! EVERYONE STOP IT!” Scott yelled, silencing everyone...

“This is bad, i’m not gonna lie or pretend it’s all fine, but people have survived much worse! Alexa... when does the ski resort open up to the public?” he asked as she thought for a second...

“Thursday, so 6 days...”

“Okay, so given the six days, the resort opens, 1 day for them to discover the collapse, and then two to three days to rescue us” Scott did some math out loud as.

“WE’RE GONNA BE HERE TEN DAYS???” Michelle screamed in a panic!

“Well, 10 if we’re lucky, it could be longer, we need to prepare for the worst! We planned to stay for three days, so we need to manage and dive up all the food! Lucky, the snow, we can melt and we won’t run out of water!” Scott said, still thinking out loud as all the women began to panic!

“Okay, Jimmy and I will head upstairs, and begin trying to dig a hole diagonally upwards from one of the bedroom windows! If we are lucky, the avalanche wasn’t that intense and we can get out soon! In the meantime, I want all of you to stay here and begin going through all the food! Organize it, and group it. That includes drinks and water! We need to plan everything carefully if we want to survive!” Scott instructed.

Jimmy had already begun putting on his jacket, gloves and boots when Scott did the same. Both of them went upstairs and picked the master bedroom to dig out from, it had the largest windows with access to the front balcony! Scott held the window and looked back to Jimmy...

“You ready?” he asked with a laugh...

“Hit it!” Jimmy joked as he opened the window and a MASSIVE pile of snow flooded the area in front of the window! Instantly they both felt the cold as Scott ran back and slammed the bedroom door... Jimmy looked back with confusion as Scott answered...

“We gotta conserve heat” he said wisely..

“Okay, how do we do this?” Jimmy asked...

“Let’s just go at it!” Scott said as he began digging into the compacted fresh snow pulling it into the room! Jimmy did the same and within minutes they were both sweating!

It took only an hour for them to dig a small hole that went upwards from the window, it was big enough for one person to fit so Scott crawled ahead digging the snow and pushing it between his legs to Jimmy who pushed it back and into the room where he piled it out of the way!

Kaylee, Alexa, Lana, Michelle, Gwen and Brianna all stood around the kitchen counter taking out and categorizing all the food like Scott had asked! When they began piling everything up, it became apparent that everyone brought mostly junk food and snacks! There was Chocolate, Marshmallows, Graham crackers, a ton of candy, 2 bottles of rum, 1 bottle of vodka, and a bag of croissants that were freshly baked by Gwen at home. In the fridge was a large pack of 18 eggs, three packs of bacon, a loaf of bread and a large 2L carton of orange juice. The freezer had three large meat lovers frozen pizzas.

“Is this really all the food?” Gwen asked with worry...

“I thought we could go shopping in town, and order some pizza in at night or something like that!” Alexa said while shrugging her shoulders..

Brianna reached to the center of the kitchen counter and grabbed a Hershey's chocolate bar unwrapping it and taking a huge bite! Everyone watched as Michelle shouted!

“HEY! WE’RE SUPPOSED TO CONSERVE THE FOOD!” Michelle yelled as she grabbed the chocolate bar from her hands!

Gwen grabbed the chocolate bar from Michelle and began breaking it up into pieces handing one to each of the women!

“You both need to relax! We won’t survive this if we are all at each other's throats!” Gwen said in a calm tone even though she was also panicked.

“How are we gonna last 10 days with this amount of food? And splitting it up between 8 people! It’s not enough...” Kaylee sounded like she was about to cry...

“Well, 7 people...” Gwen said while deep in thought with one hand to her chin... everyone looked to her in confusion as Alexa began to laugh realizing what she had meant, only the two of them knew the secret.

Jimmy and Scott were both sweating and breathing heavily as they dug further and further! Eventually they had both ditched the jackets, it was freezing but they were sweating so much that the cold felt nice! They had gotten into a pace where neither needed to communicate, working in tandem they dug and transported the snow back down the tunnel! Scott began gasping with joy and screaming as his hands broke through the surface! He poked his head out through the snow for only a moment before a fierce blizzard stung his face!

“GO BACK, GO BACK!” He screamed to Jimmy who crawled backwards and out of the long tunnel! Scott crawled out too and then took a deep breath!

“It’s bad out there...”

“How bad?” Jimmy asked...

“Let’s go see” he said while donning his jacket, Jimmy did the same with gloves and a scarf! They both grabbed their snowboarding goggles to shield their eyes from the snow and then crawled back out from the tunnel. Both of them stood there in shock... The avalanche was so deep that it had buried all the cars, the main ski lodge and most of the lifts, it was all... gone... it was like there was never even a resort here...

All of the women looked up to the stairs as Jimmy and Scott came down brushing snow off their shoulders! Kaylee ran to Scott and helped him with his jacket before hugging him, Gwen ran up to Jimmy and simply asked...

“Well???” she asked impatiently, Jimmy was out of breath still so Scott answered her...

“It’s not good, the place is totally covered, that includes all the cars!” All of the women gasped and Brianna began crying a bit!

“Listen, i have a plan...” Scott said in an alpha dominant attitude as he gained control of the room.

“The closest town is about three hours drive, in this weather and conditions, I should be able to walk there in about five days. Then I can be back within twenty four hours with a rescue crew!” Scott said as Kaylee gasped and grabbed him!

“PLEASE, DON’T GO BABE!” She whined as he hugged her and rubbed her back...

“Don’t worry, Jimmy will be here to look after you all, right?” he asked as Jimmy nodded

“Right,” he answered very unsure of himself...

“I’m gonna take a bag of some supplies, and i’ll be back before you all know it, just stay calm and everything is gonna be okay!” Scott assured them all.

Everyone watched as Scott got ready to leave! Jimmy gave him his gloves and scarf and he packed a bunch of food, mainly candy and chocolate to keep his sugar levels high and a bunch of croissants to fill his stomach with carbs! He was gonna need to eat snow for water because they had none! He had taken a lot of food but no one said anything as their survival was hanging on the hope of him reaching civilization in time!

They all headed up to the master bedroom where he waved goodbye and then hugged and kissed Kaylee. She was really torn up and worried, Jimmy could see she was clinging to his jacket and didn’t want to let go. Jimmy and Scott locked eyes and nodded to one another as Scott made his way up the long thin tunnel they had dug in the snow! Kaylee watched him go through the window before Alexa closed it from the cold coming in!

Jimmy suddenly got a shiver that ran down his spine and it wasn’t from the cold. He was alone now, not alone, but alone in the sense that he was the only guy. He was with six women, all of them stressed and in a panic! They wouldn’t be thinking rationally and this was just the beginning. Flashbacks of Firavahana began rushing to his head as Gwen touched his back and he jumped!

“You alright?” she asked...

“Yea, just, had a bad thought” Jimmy replied...

It had been less than thirty minutes since Scott left, everyone was sitting in the main area in the candle light as Kaylee paced back and forth nervously! Her stomach was growling in a watery liquid manner and her feet scampered on the floor as Lana groaned heavily!

“Would you cut it out?!?!” Lana asked in a bitchy tone as Kaylee let out a whimper..

“I’m just, just, so worried... about Scott” she said with a snuffle as everyone sat in silence...

“I’m sure he will be fine, don’t worry!” Gwen reassured her...

“I’m just gonna go check, make sure he got out okay!” Kaylee said in a rush as she began putting on her Pink parka with fur around the hood rim! Gwen rushed over to stop her!

“It’s a blizzard out there, stay here and conserve your energy!” Gwen tried to stop her!

"I just wanna go out and make sure he got out and is on his way okay, after i get outside i'll come right back!" Kaylee said in a rushed tone trying to run up the stairs as Gwen grabbed her arm and stopped her again!

"Jimmy!!!! Would you go with her??? Please??" Gwen asked in a tone that was more of a demand than a request... Jimmy got up and put on his coat as Kaylee took off up the stairs like a bullet! She had a really big fat ass and it wriggled in her tight black yoga pants!

Jimmy chased after her and into the master bedroom as she jogged in her winter boots!

"Kaylee! Slow down!!!!" Jimmy yelled as he entered the master bedroom and closed the door behind him to conserve the heat! Kaylee had already begun trying to climb into the tunnel they had dug! Jimmy could see her big fat bum jiggling back and forth as she squeezed into it!

He rushed over and crawled in behind her. Kaylee was not fat by any means, but she had a huge behind, much bigger than normal for a girl of her size! Jimmy could see that she was struggling to get up through the tunnel that Scott and Jimmy had made, their hips were much smaller than hers! She grunted and crawled as her cheeks wriggled and jiggled back and forth inches from Jimmy's face!

"Slow down Kaylee!!!! Just relax!" Jimmy shouted from behind her!

The tunnel was dug upwards, when it was first dug the snow was fresh and easy to climb, but now as it sat, the surface had begun to harden and turn to ice! Jimmy noticed it was much more slippery just as Kaylee gasped and came SLIDING BACKWARDS! Jimmy looked up just in time for her extremely fat cheeks to CRASH into his face! He saw stars for a moment as a thick eggy aroma took over his senses! It was pungent and thick! Kaylee whimpered and apologized as she began frantically trying to crawl forward.

"I'm sorry!" she whimpered a bit and cried as she tried to climb forward again! Jimmy was gasping for air and rubbing his nose as he watched!

The tunnel got thinner near the end and her hips were totally jammed! She couldn't get through and Jimmy knew she wasn't going to any time soon! Her legs kicked and her fat ass jiggled wildly! Jimmy could see her red thong bunched up at the top of her ass through her pants! It disappeared as it traveled down between her thick cheeks! The pants were so thin and totally see through! Kaylee let out a cry as she lost her grip and came sliding down again! Jimmy put his hands up but she crashed into him so hard, her weight pushed his arms back as her ass engulfed his face again! Jimmy's nose pressed deeply into the crack of her thin yoga pants, he could feel her anus pushing on his nostrils beneath the fabric as she groaned and let out a cry!

SPPPpprrpppv vvvvvvvvvvvvvrtpppprttttt

The fart reeked of eggs and sugar, the smell was so strong and wet, like she was holding in a shit! Immediately Jimmy felt his head spinning as he choked and coughed in her ass! Each thrust of his face caused her cheeks to jiggle and slap him! Kaylee crawled forward quick and only got a foot or two before sliding and crashing into Jimmy's face again! She quickly crawled back up the tunnel to the place where she was lodged and began trying to squeeze through again!

Jimmy could feel the odor on his nose, it was so thick, he had to wipe his face a few times with his sleeve before he could even breathe normally again! When he looked up Kaylee was stuck, her legs flailing as she tried to push through! He was about to call her back, tell her this was hopeless when she cut him off.

"Please!!!!..JIMMY, PUSH ME!" Kaylee spoke at first but then yelled as she kicked her legs.

Jimmy wanted to turn back but was too submissive to say no, and he wanted to keep the women happy, Kaylee, Gwen, and especially Alexa. He crawled up the tunnel until Kaylee's big fat ass was inches from his face! Her legs were still kicking as she tried to push through and Jimmy grabbed her calves stopping her, she had almost kicked him multiple times! He began pushing on the soles of her snow boots with his hands as her big ass jiggled in front of him! It was over a foot from his face but he could still smell the strong earthy unwashed odor! Jimmy let out a gag just as his hands slipped!

His face fell forward and he crashed face first into her pungent ass crack! Jimmy blushed and let out a small dry heave while pushing himself back up!

"Im' sorry!" He apologized to Kaylee as she kicked her thick legs a bit!

"That almost worked! PUSH ON MY BUTT, DO IT!" Kaylee shouted and thrust her legs almost kicking Jimmy again as he held down her calves...

Jimmy stared at Kaylee's big ass, Scott was one of his best friends and he didn't want to put his hands on her ass, but then again she did ask him too, and Jimmy did want this experience to end as soon as possible, her ass stunk like fucking shit! Slowly Jimmy took off both his gloves and reached forward, his bare hands sinking into each fat cheek! He pushed hard as her cheeks spread under the thin yoga pants and she began wiggling, inching through the hole! Jimmy pushed harder as her cheeks spread further!

SPPPRBBFRT bbbbfBFBBBBBBBBBBBBBBBBBBBBBBBBBFRTTTTTT

The spreading of her cheeks had allowed her anus to open up and release an atomic bomb like fart just at the same time as Jimmy's hand slipped! His nose crashed deep into her thick and warm ass crack as the burning gas rushed out and right up his nose! He could feel Kaylee gasping and crying under the sharp vibrations of her anus between her sweaty cheeks! Jimmy reached up and grabbed each cheek, her anus was still spraying gas and destroying his face

when he pushed hard! Jimmy was trying to lift himself out of her ass but simultaneously from the force Kaylee POPPED through the hole and outside into the snow! She climbed forward and Jimmy watched, he swore through his watery eyes he could see a deep dark stain in her crack!

Slowly Jimmy crawled out of the tunnel and up out of the snow into the cold, he was thankful for the fresh air that washed the odor of Kaylee's ass from his face and lungs! Kaylee looked back and forth into the blizzard as Jimmy walked up beside her!

"I'M SURE HE'S FINE, LET'S GO BACK INSIDE!" Jimmy yelled over the raging blizzard!

"EWWWWWWWWW"

Alexa, Gwen, Brianna, and Lana all looked up and ran towards the sound of Michelle screaming in disgust! All of the women gathered in the bathroom door looking down at the toilet as Michelle held her nose and gagged!

"WHAT IS THAT?????" Michelle screamed!

The toilet bowl was full to the brim with thick brown sludge that was bubbling and popping, it looked alive and smelled like pure death! All of the women rushed out of the bathroom and slammed the door as Alexa gasped and caught her breath!

"Oh god, the septic tank, the avalanche must have caused it to overflow!" She said with worry!

The women rushed around the massive cottage in a group checking all four bathrooms and seeing they were all in the exact same condition! They were all thinking it but Brianna was the one to shout it out!

"WHERE ARE WE SUPPOSED TO GO TO THE BATHROOM!" She said with a small cry.

Lana and Michelle were both beginning to panic from the same idea of shitting in something other than a toilet, the mess, the smell, it was going to be terrible! Gwen watched as Alexa dragged Brianna to the other side of the room and began whispering to her. Brianna's eyes went from teary and worried to curious. Her mouth turned to a smile as she began to laugh!

"NO WAY!" Brianna giggled as Alexa smiled and whispered to her again... Gwen walked over and interrupted them..

"You're not doing what I think you're doing? Right?" Gwen asked with some attitude as Alexa smiled...

"You're the one who said earlier, we could save food if he did his thing!" Alexa said as Brianna giggled from the innuendo.

“Yea, but I meant for just me and maybe you, not your sister!” Gwen said in defiance.

“If he’s gonna be surviving on just the excess food, then he is going to need more than two meals a day! Brianna is family, and plus, she has already done this before! We will keep it between the three of us! I don;t wanna share, believe me!” Alexa smiled as Gwen groaned a little...

Gwen knew she was right, she only went once a day and she was going to need to feed Jimmy more than just a single meal. The three of them, that would be alot for him, but it was only a few days. Gwen was hesitant, but finally agreed!

“Fine, but... Keep this between us! Do not tell Kaylee Lana or Michelle!” Gwen warned...

“What are you three whispering about??” Lana asked

“Nooooooooothing” Brianna said with a smile, she was a terrible actress.

Ten minutes later, Jimmy and Kaylee came back down, both of them covered in snow! They took off their jackets and boots, leaving the clothes by the front door as Kaylee threw herself onto the couch face first! Her big ass jiggled as she hit the cushions!

“How bad is it out there?” Gwen asked..

“Still bad” Jimmy said as he rubbed his chest and sides trying to warm himself...

“The toilets are all backed up, the septic tank overflowed! So all the toilets are out of commission!” Gwen said to Jimmy as he felt a massive lump form in his throat! His stomach began to twist as he looked around the dark room illuminated only by candle light! He got flashes of all the women using his mouth and he let out a small whimper! All of the girls laughed!

“What the fuck was that?” Michelle asked with a grin as Jimmy swallowed and breathed deep

“Nothing, just, i ummm” he stammered nervously...

“Me and Michelle are using the front hall closet as our outhouse, no one else is allowed to use it!!!” Lana said in a bitchy tone as Kaylee began to whimper a bit holding her stomach...

“Where am i supposed to go?” Kaylee asked... No one answered her...

“Excuse me?” Brianna asked with a big grin as she took Jimmy’s hand.

“Sorry to bother you Jimmy, but, could you help me with something upstairs in my room? The windows are broken and i need someone to help me clean up the glass!” She asked like a damsel in distress. Jimmy looked to Gwen but she had a careless look on her face.

“Uhhh, sure” He replied as Brianna began walking up stairs and pulling him behind her, still holding his hand.

Brianna had on a tight pair of gray yoga pants and her ass looked incredible! Her fluffy pink sweater was cut off at her waist showing her entire toned ass and it was hard to look away from! Each step she took caused her cheeks to bubble and round out ending with a jiggle as her foot hit the stair steps. Jimmy tried not to look but it was so difficult! They reached the top and entered her bedroom, the window was fine! Jimmy looked in confusion as Brianna closed the door and locked it.

“Finally, my stomach is killing me!” She complained as Jimmy looked back to her....

“What’s going on?” Jimmy asked nervously...

Brianna smiled and said nothing as she blocked the door and lifted one leg! There was a soft hissing that lasted about ten seconds. Jimmy’s eyes began to water as the thick beefy onion odor consumed the tiny space! It was so thick and foul, he could taste it on the tip of his tongue! Brianna began to laugh from his reaction as she took a step closer and grabbed the collar of his shirt! She was short and looked up at him!

“You smell that? It’s Dinner time!” She said with a laugh as Jimmy took a step back and knocked her hand off of his shirt!

“No! Gwen would never!” Jimmy said while sweating bullets...

“Gwen said that you are gonna serve me, Alexa AND her... until we get rescued! That’s gonna cut down on the food we have to divide up and it solves the bathroom issue for we lucky three! Isn’t she sweet?” Brianna asked as she stopped forward and pushed Jimmy hard! He fell back hard and hit his head hard on the floor! WHACK!

Jimmy’s head was spinning, when he finally gained his vision back, all he could see was too thick pale white milky ass cheeks jiggling above him! Brianna began squatting as Jimmy reached up to stop her, she was tiny and bubbly, not big at all, but from his position it was almost impossible to lift her weight! Her cheeks came down fast and landed in his hands pinning his elbows to the wooden floor!

“Let’s see if you can eat shit better than that African Alexa had brought home with her! She says it was my fault he died, but i think his stomach was just too small!” Brianna explained as she positioned her hairless pink asshole over Jimmy’s nose! He could smell the bitter onion scented shit and gagged as she began filling his mouth with piss! It was disgustingly salty and very bitter, each swallow was pure torture! Jimmy’s eyes watered as she moaned in relief and let her urine flow at full blast! He could feel her anus pulsing on his nose for a moment as it pushed out wide!

Brianna moaned as a sharp wet fart blew from her anus and splattered out of Jimmy's nose in her ass crack! She looked back over her shoulder and laughed at the sorry look of his face when she heard a sharp gasp!

"AHHHHH, WHAT ARE YOU DOING!?!?!?"

Brianna looked to the door to see Kaylee standing in shock with both hands cupped over her mouth! Her poor prude brain was trying to comprehend what she was seeing! She had just been looking for somewhere to use the bathroom...

### PART 3

Jimmy was in a state of shock as Brianna sat heavily on his face! Her shit was over spilling from the sides of his lips and flowing from his nose! The shit was so soft and hot, it came out of her ass in thick logs but quickly turned to a volcanic mush! He could hear a gasp as Brianna froze and sat upright pushing his shit covered nose deep into her ass crack!

"WHAT ARE YOU DOING!" Kaylee screamed!

Gwen and Alexia rushed to the door of the room, quickly taking Kaylee and pulling her aside as they closed the door! She was stuttering, completely unable to process what she had just seen! They dragged her into one of the bedrooms and quickly closed the door so Lana and Michelle would not hear!

"WHAT! WHAT.. WHAT WAS SHE DOING!" Kaylee screamed as Gwen held herself back from throwing a hand over Kaylee's mouth!

"Listen... Kaylee!" Alexia tried to get her attention but she was frantic!

"WHY WAS SHE DOING THAT TO HIM???" Kaylee screamed as she began to cry!!

"KAYLEE! SHUT UP!" Gwen said loudly, Kaylee went silent except for a few light whimpers as she cried under her breath..

"Listen... years ago, Alexia brought Jimmy and I on a trip to Africa, when we were there, we were forced into slavery..and Jimmy"

"Slavery?" Kaylee asked as she interrupted Gwen...

“There was a revolt, we were caught in the middle... Jimmy caught a disease, it’s incurable, he needs to eat feces every three days, or he can get incredibly sick and die!” Gwen explained as Kaylee tried to process the information...

“He...he.... He eats your poo?” Kaylee asked while blushing and using the back of her hand to wipe her nose!

“Yea! It’s not a big deal, he’s eaten mine too!” Alexia said with a big smile...

“Listen, me Alexia and Brianna are gonna be using him until we are out of this situation, the toilets backing up, it’s gross, it’s much more sanitary if we use his mouth!” Gwen explained as Kaylee listened...

“We can’t have Lana and Michelle finding out, they can use the backed up overflowing sewage toilets!” Alexia added in!

“So you can’t say anything! Understand!?” Gwen asked....

Kaylee nodded as Gwen and Alexia looked to one another, they were about to go check on Brianna when Kaylee stopped them...

“Could i try?” she asked while blushing...

Jimmy was about to pass out! Desperately he reached up grabbing briannas soft fat ass cheeks and squeezing them! He pushed with all his strength trying to lift! Brianna began to rise up as he pushed harder and harder! She began to laugh a very evil giggle!

Jimmy got her high enough off of his face where he could see her dirty pink anus puckering and winking at him! Her entire weight was supported in his hands as his arms shook like twigs! Brianna began to laugh a bit harder as her anus puckered up tight!

“You ready, deep breath loser!!!!” She spat out as a rancid post shit fart washed over Jimmy’s face!

bbbbbbbbbbVVVvfrrrrrrrrrrrrrrrrrttsppprrttt

With his mouth stuffed with soft shit, he was forced to inhale it through his nose! The smell was deep and bitter, like old chinese food! His arms collapsed as Brianna came down hard, she let her full weight fall to his face as her wet dirty cheeks clapped onto his head! She could hear him scream under her ass, the vibrations sent electric tingles through her pussy and abdomen!

Jimmy was at his limit! He could feel her shit packing his entire body! Brianna was such a tiny girl, such a little thing, but she had easily shit enough for an entire family! It was like she hadn’t gone in a week! She pushed her hands off his stomach and stood up, her dirty ass jiggling

above him! Jimmy instantly rolled onto his side holding his bloated and aching stomach! It felt like he was going to explode!

Brianna began wiping her ass and dropping the dirty paper onto the side of his face! Jimmy wanted to knock them off but he felt so sick, he needed both arms around his aching stomach! A sticky wad of toilet paper fell and stuck to his cheek as Brianna pulled her pants back up.

“Don’t get too comfortable! I’ve had a stomach ache lately, so i’ll be back in a few hours!” Brianna smiled down at him and then spat onto the floor by his face...

“Gawd, you're pathetic, if only you could see yourself...” she stepped over his body and to the door, just as she opened it to head out she bumped into Gwen, Alexia and Kaylee..

“Eww, Bri, can you crack a window, we all need to share him you know!” Alexia fanned her nose and backed up...

“How the hell am I supposed to open the window?” Brianna asked as she pointed, it was completely covered with snow...Alexia realized her mistake but said nothing...

“Excuse me ladies” Brianna pushed her way by while fanning her nose, desperate to get out of the disgusting smelling bedroom...

Gwen, Kaylee and Alexis all walked in and closed the door quietly behind them. Alexia walked quickly back to Jimmy and brought back her foot, swinging it hard down and into his ribs! Everyone could hear the sharp crack as Jimmy let out a breathless cry!

“ALEXIA!!!” Gwen yelled!!!

“LOOK AT THIS PLACE, AND YOURSELF! IT’S DISGUSTING IN HERE! CLEAN YOURSELF UP NOW!” Alexia brought back her foot to kick again but Gwen grabbed her pulling her off balance and stopping her!

“What are you doing!!!! Stop it!!!!” Gwen demanded!

Jimmy began gathering the dirty toilet paper as he cried on the floor. Right after he immediately took off his shirt and used it to clean his face as best he could and then the floor! The smell got way better, Gwen and Alexia continued to argue as Kaylee stood there watching.

“We could be here awhile!!! Are you gonna come clean up everyone's shit?” Alexia asked with attitude, Gwen did not answer...

“Exactly, we need to teach this toilet his place until we’re rescued!” Alexia said while placing her hands on her hips...

"It's just, he's still my husband, so take it easy, he's doing this for us!" Gwen reminded her, Alexia did not answer, she walked forward and looked down to Jimmy...

"Listen up shit disposal! Kaylee here, she has a sensitive nose, so since the toilets are all backed up, you're gonna be taking care of her waste as well! Understood?" Alexia stepped forward placing the toes of her winter boots on Jimmy's fingers. Kaylee began to giggle as Jimmy looked up to her, Scott was his best friend, he had spent so much time with him and Kaylee, he could never imagine her doing this sort of thing!

"Please... Gwen... Alexia, i'm so full, i feel sick.... I... I..." Before Jimmy could finish, Alexia began increasing the weight of her foot and crushing his fingers! All of the women could hear his bones cracking as Jimmy began gasping silently!

"I wasn't asking, I was telling you!" Alexia stepped hard and then lifted her foot walking away and taking Gwen's arm.

"Let's give Kaylee some privacy shall we?" Alexia said with a smile.. Jimmy could see Gwen was apprehensive, but they both left, closing the door behind them.

Jimmy looked up Kaylee's thick legs, she was biting her bottom lip, her eyes had a look of anticipation.

"Kaylee, please... don't do this, you don't have to do this!" He begged as Brianna's shit fought to come back up his throat! He could still feel it pushing at the sides of his stomach, the flavor was so sour!

Kaylee said nothing, she just turned around and began pulling down her leggings. Her brown hair swayed back and forth as she struggled to get out of her yoga pants! As each massive cheek came out, Jimmy realized how much the pants held them into shape! Each cheek was so big, so fat, full of cellulite! Scott had told Jimmy multiple times he hated being Facesat, not he knew why, that ass could suffocate any man!

Jimmy trembled as she walked over, stepping over his body with her back to him! She looked over her shoulder, backing up as each cheek wobbled wildly! Her legs were so thick, like tree trunks! Slowly she began to bend as Jimmy reached up trying to block her! He pressed his palms to the fat on each cheek as his hands sunk in! The weight became too much as his elbows bent as Kaylee came down on his chest! She looked back and began hopping backwards taking small steps while squatting! Jimmy wanted to cry as each cheek slowly crept over his face pushing his nose deep between them! As her ass came over him, he quickly realized he wouldn't be able to breath at all! His nose was completely encased in her fat crack! There was a salty musty smell that stunk horribly!

BRBTBRBTBRBTBRBTBRBTBRBTBRBTBRBTBRBT

A sharp and very messy fart splattered from her ass making her cheeks vibrate and wobble! Kaylee leaned over and grabbed her stomach while groaning in pain lightly! She began to cry and sniffle a little bit as Jimmy looked up...

"I can't believe you would do this, for all those women, and not me! Scott told me you and Gwen were having relationship troubles, now I know why!" Kaylee shook her head...

"You have no idea how to treat a lady" Kaylee began heading to the door...

"Where are you going?" Jimmy asked...

"To get Alexia and Gwen!" Kaylee said in a rude and sharp tone, Jimmy could feel his heart jump! He knew if they had to come up here it would be Hell to pay, Alexia had such a temper, she could kill him! Jimmy quickly scrambled over to the bed and sat on the floor leaning his head back onto the mattress. He could already feel his stomach churning, still full of brianna's soft shit, he had no idea how he was going to do this!

Kaylee looked back and approached him with a smile, her attitude had done a complete 180, almost like she hadn't been upset at all. Jimmy was shaking as she walking towards him, she gathered her wavy brown hair and put it into a ponytail with a headband before turning to show off her massive ass!

Slowly she stepped back until she was right above him, her massive cheeks inches from Jimmy's face! She reached back and spread her cheeks, the same as before, but this time Jimmy let out a breathless gasp, his jaw dropped in shock! Her anus was caked in sticky wet shit! It was dark yellow and light brown with a sharp cheddar odor! He could feel his skin burning from the scent as his eyes began to water!

Kaylee gave him no time to react as she bent down and sat on his face, her asshole landing right into his open mouth! Jimmy could feel the bitter wet feces on his tongue as her weight forced him into the mattress! Kaylee was not fat, but she was so fucking heavy! He could not breath as all and it felt like she was going to push him right through the fucking bed!

Kaylee shifted back and forth, spreading her cheeks wider and getting comfortable as Jimmy cried under her! He reached up, trying to lift her a bit but it was impossible! He could feel her massive asshole spreading in his mouth, it was so fucking wide that it stretched his lips!

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBSPPPFRRBBBBBBBBBBBBBBBBBBBBBBFSPPPRTTTTT  
PPpspprrttttt

The fart that Kaylee released into his throat was monstrous in its size and power! He could feel it vibrating the sides of his throat as it rocketed down into his lungs! The flavor hit him instantly sharp cheddar cheese mixed with the bitter burning flavor of feces! It was fucking foul beyond

belife! Jimmy choked hard, the gas shooting out of his nose as her ass cheeks vibrated. The gas forced its way out from her crack making a sputtering noise that caused her to giggle!

“I have no idea how you could do this, does it taste bad?” she asked very innocently and casually, almost expecting Jimmy to answer!

If he could have thrown her off of him right then he would have! The taste was beyond anything he had ever been through! Kaylee began grunting as he cried! Her ass was so heavy he was powerless to do anything, even if he wanted to, he was trapped! Desperately he reached up and held onto her thighs.

Kaylee’s anus began to spread as she grunted! Jimmy could feel it, the thick hard head of the shit coming out! It was rocky and felt like it was made of marbles pressed together into a giant log! Slowly it came out further, and further! Jimmy;s eyes went wide as he realized how large it was! The fucking thing was like a large loaf of french bread! Kaylee grunted and pushed as it stretched her anus wide forcing Jimmy’s mouth as wide as it could go. He could feel the skin on his lips cracking from the pressure!

The massive shit reached his throat and then stopped, it was too big, it would never fit! Jimmy cried as the massive loaf sat on his tongue, the flavor was horrific, so thick so meaty, so cheesy, he would have puked if her massive turd wasn't pressed to his esophagus!

Kaylee began grunting, flexing and pushing, flexing and pushing! Jimmy could feel the pressure in his mouth increasing to a painful level! He grabbed her thighs and squeezed as she took his wrists and held them down to the mattress!

Jimmy would have screamed if his throat was not completely blocked! Kaylee’s massive thick rocky turd began to push hard, forcing its way into Jimmy’s throat! He could feel his muscles popping and stretching as the shit forced its way down into him in one giant piece! Once it had passed through the shit began to flow seamlessly! Kaylee groaned in relief as the massive turd snaked into Jimmy’s body!

The feeling was sickening, he was powerless as he lay there, his mouth like an extension of her digestive system as her shit flowed down! The turd had to be at least two feet long! He could feel the heat of the thick monster in his stomach and it was still coming out from her anus! Suddenly her asshole snapped closed as the shit rushed out and moved down his throat quickly! The bottom was pulled by the weight of the top half!

BBBFFFFFFFFFFFFFFFFPPRTTTTTT

Jimmy’s throat began forming back to its regular size as his muscles popped back into shape, the feeling was so painful! He could feel Kaylee’s ten pound shit curled in his stomach like a fucking anaconda snake! Before he could even recover, she let loose, her anus blasting him

with a deep foghorn sounding fart! It filled his lungs to the limit as the rest forced its way out of his nose!

Kaylee got up slowly and looked around, she found the toilet paper roll and began wiping! Jimmy had not moved, he was sitting with his back to the bed and his head back facing the Ceiling! The area around his face on the bed was indented with the shape of Kaylee's ass! His lips were ripped and bleeding, covered in a thick coating of brown shit, his eyes deep and red! He looked like a zombie!

"Thanks Jimmy, that was much better than using the toilet, I can't imagine having to go above a full bowl of septic sewage!" Kaylee said with a smile as she headed for the door, she had never even stopped to see if Jimmy was okay.

"Oh, by the way" Kaylee stopped and looked back at him from the door.

"I usually go twice a day, so i'll need to go again before bed!" Kaylee smiled and closed the bedroom door! Jimmy rolled onto his side and let out a whaling cry! His stomach felt like it was about to tear right open!

Alexa and Gwen were heading down the stairs, they barely reached the bottom when they smelled it! Both of them rushed to the kitchen to find Lana and Michelle cooking smores on the gas stove, using the flame to light the fire! The food packages were all ripped open in an incredibly rough manner!

"LANA! MICHELLE!" Gwen rushed forward as Alexia followed! As they got closer they could see there was a Pizza in the oven too.

"We're supposed to conserve the food!!!!" Alexia said with some attitude!

"Yea! And this is dinner! There's like 6 of us, we have to eat something!!!" Lana said back with a smile, she clearly did not care!

"Well, she has a point!" Alexia said to Gwen before loading up a smore herself and using a fork to roast the marshmallow!

Gwen wanted to stop them, she wanted to conserve the food, but she also was hungry and wanted her share, she quickly began making a s'more for herself too! All of the four women stood by the over making s'more after smore in silence, stuffing their faces and eating in hunger until the entire package was done! The pizza was almost done cooking but still needed another ten minutes or so in the oven, all of their stomachs were growling with hunger!

"WOW, that was sooooo different!" Kaylee said with a smile as she walked around the corner into the kitchen! She stopped with a shocked look on her face seeing Lana and Michelle there..

“What, using a dirty overflowing toilet?” Michelle asked with a bit of attitude...

“Oh, uhmm... i uhhhhhhhh” Kaylee stood there as Gwen and Alexia both blushed waiting for Kaylee to say something! Lana broke the silence as she walked to the stairs..

“I have to use the bathroom, the S’mores are going right through me!”

“YOU GUYS MADE S’MORES!!!” Kayless yelled in disappointment!

“Which bathroom were you three using? I don’t wanna smell your shit!” Lana said with some attitude as all three of them answered at the same time..

“The master Bathroom! The guest Bathroom!” Gwen and Kaylee answered simultaneously as Brianna began laughing, she was laying on the couch reading a magazine.

Michelle looked at them a bit strangely before heading upstairs.. She was barely gone for thirty seconds before she came back down holding her nose!

“That was quick!” Brianna laughed...

“Oh god, I'm gonna puke! That’s so gross! The toilets are disgusting! How the hell did you two use that!” Michelle began dry heaving as she fanned her face!

None of them answered, not sure what to say...

“Where are you gonna go?” Lana asked..

“I'm gonna hold it” Michelle said with a groan, her face was red and it was clear she was in a bit of pain! Even when she had recovered from the smell she continued to fan herself! Her blonde hair was a bit wet from how sweaty she was!

DING!

“Perfect, Dinner’s ready! Does someone wanna go grab Jimmy?” Lana asked...

“Naw, he’s probably full!” Brianna said with a shit eating grin as Alexia and Gwen shot her dirty looks. All of the women grabbed plates and drinks and began digging into the extra large extra cheesy meat lovers pizza!

## PART 4

All of the women were sitting around the kitchen table illuminated by candle light and eating a large pizza when Jimmy came walking down. All the women turned to him for a second but Lana was the only one to comment on it...

"Geez, Jim, you look like shit!" she said with a look of concern...

"Look like shit?" Michelle said rudely while fanning her nose...

Jimmy began to blush, clearly he hadn't cleaned his mouth well enough! All he had was mouthwash, there was no running water since the avalanche so cleaning up was almost impossible. He turned away and was about to head back upstairs when Lana poked up again...

"Hey Jim, you should eat something!" She said while pointing to the last piece of pizza sitting in the center of the table.

Jimmy turned and looked at the piece of Pizza, truly it looked incredible and he could really use some actual food. He was about to take a step forward towards the table and thank Lana but Kailee interrupted!

"Jimmy is full, trust me!" she smiled and grabbed the last slice as Brianna began laughing. Alexia kicked her younger sister in the shin under the table trying to silence her without making a scene, but all hopes of that flew out the window when Brianna turned to her sister in a rage!

**"WHAT THE FUCK! DON'T KICK ME YOU SLUT BAG!"** Brianna shouted in a half serious tone, it was clear she was just being a brat!

"Brianna! Keep your mouth shut!" Alexia said with clenched teeth.

"What are you two keeping such a secret huh?" Michelle asked with a grin...

"You're not holding out on us are you?" Lana looked around the table at everyone, Kailee had a terrible poker face and was looking up at the roof trying not to make eye contact.

"Ugh, my stomach is killing me! Did you two cook that pizza well enough? It tasted raw in the center!" Gwen said with a groan while rubbing her stomach.

"How the hell should I know, I've never used an oven before!" Lana smiled and giggled!

"Yes we have chefs that do that for us!" Michelle chimed in!

"Oohughhh" Jimmy groaned loud and held his stomach with one hand while leaning on the wall! He could feel the massive amount of shit from Brianna and Kailee brewing inside of his stomach! Brianna's shit was so foul and sour, and Kailee shit so much, like a fucking cow! Both of them are terrible in their own way! He could feel the hot mess gurgling and bubbling, trying to

digest, it felt like fire moving through him! Suddenly Jimmy collapsed to his hands and knees while gasping for air. All of the women looked but only Gwen got up and ran over to him.

“Jimmy! Are you okay?” she asked with concern...

“My stomach, it burns!” Jimmy cried while holding his sides with both hands, he was bloated and very pale!

“Comon, let’s get you up stairs so you can rest,” Gwen said while taking Jimmy’s arm and throwing it over her shoulder, slowly helping him up the stairs and down the hallway.

Jimmy tried turning into the bedroom Gwen was sleeping in but she pulled him past the doorway and into a small room that was a study / home library. It had two leather chairs, a few bookshelves lining the walls and a fireplace that was filled with piled in snow!

“What are we doing here?” Jimmy groaned in confusion...

“Lay down! On the floor!” gwen pointed to the center of the room, there was a large persian rug covering most of the wooden floor.

“But...” Jimmy cried as Gwen interrupted him!

“You stink! I’m not letting you sleep in the bed! Then where am I supposed to sleep?! Huh? Lay down, and you’re lucky you have a rug under you and you’re not sleeping on the wooden floor!” Gwen said with a small laugh of disbelief as Jimmy slowly got onto the floor and curled into a ball, he was still in terrible pain!

“Perfect, see!?! You’re fine right here! You know, if i wasn’t here, those women down there, they would eat you alive! you ‘ll never find someone else like me! I hope you know that!” Gwen said almost as if it was a threat and then walked out gently closing the door behind her.

As soon as the door closed, Jimmy felt a pressure in his chest as a hot ball of methane in the form of a burp came up! The anal fumes exploded from his mouth in a loud belch followed by one of the most **RANCID** odors he had ever smelled, it was even worse then the shit he had just consumed! He could smell the combined odors of Kailee and Brianna, Jimmy felt his eyes begin to roll into the back of his head as he choked and gagged hard!

“I’m just saying, if we were gonna be trapped here with anyone, wouldn’t you rather Scott then Jimmy? I mean the guys fucking useless!” Michelle said with a snicker, everyone began shushing one another as Gwen approached the dining room table and took a seat..

“What’s so funny!” Gwen asked!

“Oh, nothing, how’s Jim doing?” Lana asked

"He'll survive!" Gwen said casually as she began sipping her drink..

"God, it's freezing here!" Brianna complained as she did up her jacket!

"Yea the place is submerged in ice and snow numb nuts!" Alexia snapped back at her younger sis.

"Do you think Scott is okay?" Kailee asked...

"I'm sure he is fine! Hopefully help is on the way right now!" Gwen smiled trying to reassure her!

"If Scott takes too long, Jimmy is gonna be totally fucked!" Brianna laughed a little as Alexia kicked her lightly again, it was only then she realized what she had said..

There was a slight pause and silence until Gwen broke it...

"Scott should be in town by tomorrow, and then help should be on the way! We should be out of here in less then a day or two, so let's all just relax and try to take it easy!" She smiled as everyone took a breath of relief! Everyone was hiding it but they all felt nervous and scared from the current situation!

"That's good, I don't know how much longer i can take it here!" Michelle groaned and held her stomach as it bubbled loud enough for the whole table to hear...

Gwen yawned loud and raised her arms high up before standing and pushing her chair away!

"I'm gonna head to sleep! I'll see you ladies in the morning!" Gwen smiled and began walking upstairs.

"Yea me too! This place is boring as fuck with no electricity!" Alexia said while jogging for a sec to get beside Gwen. The two of them entered the master bedroom upstairs and closed the door behind them.

"Oh my god! What's that smell!" Kailee whined in a high pitched noise while covering her nose and fanning the air in front of her! Less then a second later, Brianna, Michelle and Lana all began reacting similarly!

"Ugh it smells like something died!!!" Brianna cried while laughing a bit!

"Michelle! That's so gross!" Lana complained while fanning the air towards her!

Brianna and Kailee both looked to the stunning thin blonde with shock, they had never smelled anything so foul and it was shocking to find out she was the cause of it all! Michelle began blushing as she smiled and gagged, fanning the air in front of her!

"I told you i had a stomach ache!" Michelle smiled a bit through her choking...

"Ugh, my head is spinning!" Kailee complained as they all laughed!

"I'm gonna go to bed!" Kailee got up and walked to the front door locking it before heading to the stairs...

"Did you just lock the door!?" Brianna asked with a huge grin...

"Uhm, yea why?" Kailee asked while looking over to the door, it took a moment for her to connect the dots as she suddenly began blushing. As she realized that they were snowed in she looked down at her feet and got quiet!

"It's just a habit!" she tried to defend herself as the other three girls laughed..

Jimmy stirred on the floor in pain, his stomach felt like it was carrying a hot ball of iron! He could still smell the odor of feces, it was all around him like a mist! The feeling of being trapped underground in a cabin with six women, most of them desperate to use his mouth as a toilet, it was too much to handle! Each creak and crack of the floorboards sent shivers down his spine, he could picture the different asses of Gwen, Alexia, Brianna and Kailee, any one of them could come in to use him at any moment! He actually began to cry thinking of it, there was no way he could eat that much shit and piss...

Just as he was lamenting his fate, the door slowly opened! Jimmy looked up in horror to see Kailee standing in the doorway! She had her hands behind her back and stood on her tippy toes for a moment! The candle light from the hallway behind her caused her large curvy shadow to creep across the floor over Jimmy's shivering body!

"Heya!" she smiled and stepped in while gently closing the door behind her! She turned the doorknob before closing it trying to be as silent as possible!

"Please... Kailee... i feel so sick!" Jimmy cried on the floor as he held his stomach in pain,he could still feel one of kailee's thick turds pressing at the base of his throat!

"Ah!" Kailee covered her mouth a bit shocked... it looked like she was offended!

"How rude!!!" Kailee cried out a bit while gasping...

"But... I?" Jimmy tried to speak but she quickly interrupted!

“You and Scott have been best friends for how long? He asked you to look after me! Gwen and Alexia told me about everything, how you have to eat poop now! The toilets here are literally packed to the rim with sewage! You expect me to use one of those bacteria infected messes when you have a perfectly good mouth?” Kailee said with an offended look on her face!

“But Kailee! I only eat it once every few days! This is too much!” Jimmy cried and backed up a bit across the room on his butt.

“Ugh, Scott will be back soon! I sure a day or two won’t kill you!” Kailee smiled with a very cute innocent look as she began taking off her pants!

Jimmy cried as she pulled her pants down to her knees and turned around, her ass was so fucking big! Instinctively he began backing up until he hit the wall, Kailee looked back behind her and slowly stepped back, waddling as her fat naked ass cheeks jiggled like water!

This whole trip was a mistake! He should have broken things off with Gwen weeks ago! Kailee was on top of him now, squatting as Jimmy sunk to the floor on his back looking up in horror! She looked back down at him and groaned a bit, it was clear she was struggling squatting.

“Make a seat for my ass with your hands!” She commanded as Jimmy immediately complied!

He raised his arms with his elbows pressed to the wooden floor and his palms under each ass cheek! Kailee immediately let go of her entire weight settling down hard! Jimmy began to panic! She was way too heavy! His hands sunk into each ass cheek while his arms shook like fragile twigs!

“Mmm that’s comfortable, now open up!” Kailee giggled as Jimmy slowly opened his mouth wide! Kailee was hovering barely an inch over his face and he could feel the heat from her body! The odor from her unwashed sweaty ass crack was so strong and it wasn’t even completely spread!

A thick burning stream of piss hit Jimmy’s tongue and danced across it pooling up in the back of his throat! He took one large gulp and choked hard as she filled his mouth to the brim instantaneously! The flow was so strong and way too fast, Kailee had no experience using a toilet slave and didn’t know to control her stream!

Jimmy was choking, gulping and sucking down her hot piss as quick as he could, his only saving grace was the fact that her piss was a bit diluted, thankfully it wasn’t horribly rancid! Suddenly his arms gave way and went limp as she collapsed onto him! Her big ass came down hard as she made no effort to break her own fall! There was a sharp crack as his head crashed into the wooden floor under her, she never stopped urinating though!

**BBFRRTTT!**

“Ooh!” Kailee said in surprise as she looked over her shoulder trying to see if Jimmy was okay, but his face was completely buried under her ass cheeks! She had to fan her nose a bit from the odor of her gas, it was foul but pizza always did that to her! Her urine stream was still going strong and Jimmy was struggling to keep up! Suddenly her thighs began to get wet as piss started pooling on the floor under her!

“**HEY!! STOP IT!**” Kailee smacked Jimmy’s chest hard with both hands while whining!

The fart was so rancid! Her cheeks came down so hard almost obliterating his head, and then seconds later she unloaded, her anus blowing a foul pizza loaded fart right down his nose! He could barely contain the methane as her urine continued to fill his mouth and throat!

Kailee looked down and smiled, she placed both hands on Jimmy’s bloated stomach and pushed to raise herself! The moment she began applying pressure, Jimmy cried out in pain so loud that people on the other side of the mountain could hear!

“Look at the mess you made!” Kailee grinned and then kicked Jimmy lightly and playfully! She was having way too much fun with this...

Jimmy was still choking on her piss and gas, the smell was so intense and fresh, the bitter smell too strong, he couldn’t stop coughing!

“You’re lucky I only had to go number 1, but don’t worry, i’ll have some left over pizza ready for you in the early morning! I’m an early riser, so i’ll be up before anyone else!” Kailee turned around and began struggling to get her pants up over her massive ass cheeks. Suddenly she stopped and looked back to Jimmy with a cruel but cute smile...

“Do you wanna kiss me goodnight?” Kailee asked as Jimmy continued to choke... Kailee frowned a bit..

“Get up here and kiss my ass right now! Or else i’ll sit on your face and read for an hour!” she said while Jimmy clamored to his hands and knees! It made Kailee giggle!

“There we go! Now one on each cheek!” Kailee commanded.

Jimmy’s head was still spinning from the lack of oxygen! He could feel Kailee’s piss in the bottom of his throat sloshing around from the lack of room in his stomach! With his hands on the floor keeping himself up he pressed his face to her ass cheeks kissing each one softly!

“Mmm perfect, now right in the middle! Spread my butt wide!” Kailee commanded as she bent over slightly, it did little to help spread the fat cheeks though.

his tongue and filling his mouth in less than five seconds! It coiled out so fast, like a mushy silly string!

Jimmy opened his eyes wide and choked hard as her shit filled his nose. it was so foul! It came out in a rope like shape and instantly broke down to a mushy diarrhea! Lana moaned loudly above him before letting another mouthful loose not waiting for Jimmy to swallow the first! His eyes nearly bulged from their sockets when her feces began forcing it;s way down inside of him! Jimmy knew from previous experience if he choked it would be hell, but he couldn't help it! his lungs puckered as he sucked in hard and gasped, pulling her feces into his chest as he gagged and coughed hard under her!

Jimmy's hands were trembling! He felt like he was on the verge of passing out! Lana sat on him with all of her lightweight and continued to carelessly pump out shit forcing it down his sore and battered throat! He reached up, desperately grabbing her soft ass cheeks and trying to lift her off as she threw his arms down and easily held him still..

"Don't touch me you pig!" Lana said with a grin as she pushed and unloaded another mouthful!

**"HOLY FUCK!** How much shit is in this tiny bitch!" Jimmy cried in his head as she released another and another and another mouthful after mouthful, each getting progressively more liquidy than the last! It was almost like she hadn't shit in days!!!

Lana finally stepped off of Jimmy and then squatted by his left leg using the fabric of her pants to clean her filthy soiled anus. Michelle watched with a huge grin on her face as her sister finished up wiping and cleaning her ass.

Jimmy lay there, his mouth filled to the brim with feces! He was in such shock from the massive amounts of shit that Lana had been emptying that he didn't even notice she had peed! His chest was soaked in her tangy smelly urine! His stomach and throat were so full that he couldn't even swallow, the foul wet feces just sat in his mouth like a bowl of soft serve ice cream that was melting, dripping down his cheeks!

"Ugh, swallow that!" Lana commanded as Jimmy cried, his mouth was full and he was unable to explain how full he was! The fumes from her shit was wafting past his nose, it was so strong that his vision began to go hazy! He could feel her hot feces all throughout his body, in his throat, filling his lungs, she had destroyed him!

**"SWALLOW IT!!"** Lana demanded as Jimmy cried unable too..

Lana brought her foot up and **SLAMMED** it down onto his bloated stomach with all of her weight! Jimmy felt the pressure as he choked and gasped! He felt the surge of pain as everything came up, his mouth popped like a fountain and sprayed liquid feces up into the air spackling the bookshelf behind him in wet shit!

Instantly Jimmy began gasping, his airway now free! He rolled over and began crying out in pain as feces dripped from his lips!

“That was disgusting!” Michelle complained and groaned holding her stomach...

“Hurry up so we can get out of here, it fucking stinks!” Lana pushed her sister to use Jimmy as he lay there, too wounded to move or speak!

Jimmy could barely see through his eyes as Michelle approached! She looked identical to Lana with the exception of her clothing! She pulled down her leggings and put one foot on either side of Jimmy’s head, squatting a few inches above him and not touching his face due to the mess! Jimmy could smell the sour wet odor of her ass, her farts were so fresh, it had left a stink between her cheeks that caused his eyes to water heavily!

There was a soft hissing like a snake, the odor was burning hot, so bad that Jimmy thought he was going to die! How was this possible, these two women were so hot, fucking goddesses, how could their shit and farts be so foul?!?! The soft hissing ended and her anus flung loose, **BLASTING** Jimmy’s face over and over with blasts of pure liquid diarrhea! It was a thick dark brown almost black and smelled so sour and thick, like pure death!

Jimmy gasped and raised his hands making a bowl above his face that Michelle filled in seconds! The hot black brownish feces began spilling over his hands, covering his already smothered face! Lana ran to the door covering her mouth and nose as she watched! Jimmy’s head could not be seen! It looked like he had been submerged in a thick mud!

“Ahhhhhhh oh god, it burns!” Michelle cried as her diarrhea flowed out, it was like shotgun blasts from a super soaker, exploding from her anus and spraying Jimmy across every inch of his face!

Eventually Jimmy had to open his mouth, his nose was covered and he needed air! As soon as he did, Michelle filled his lips! The shit tasted like tar, it was so thick and sticky, there was a burning chemical flavor to it mixed under the dirt like flavor and Jimmy knew this would kill him. These two women were gonna end him!

At some point during the torture Jimmy had passed out, he woke up gasping and choking as he spewed the black tar-like shit from his mouth, rolling onto his side and crying! He could feel his stomach pulsing, pounding, like it was about to split open! Looking down his body he could see that Michelle had used his shirt as toilet paper, there were black smears all down his chest! He rolled onto his stomach, remembering what Kailee had told him about digestion, and then began to cry! It would be morning soon and that would bring a whole new day of horrors!
