"Ah.. That was too close..!!"

"Uwoah.. A scary aura from her."

"What is she doing over there?"

"Finally..
She left."

What are you looking at? It would be serious if she caught me!

Hah.. I'm all sweat..
It's hot, and have to
hide from someone.

O-Of course I'm scare.
I'm not a fighting type
vampire, okay?

"Ugh.. Can't believe I did this for blood."

"Ah right.. What did that maid do at the desk..?"

A letter from Max..
Jannie's lover..
Sent from the frontline..

Oh..? He said the war is getting rough.. That he couldn't come home now..

He has hope.. in the letters that Jannie sent to him. Wish someday he could met her again..

Wait.. If he can
still write letter to
her, then..

Look like my job
here is done..

Alright! Case close!
You paid me what
you promised. End
of story!

Hey.. Want to piss
me off or what?

END?

If the war is getting rough.. do we have time to write and send letter home?

I see you there have
the same thought
with me, right?

But.. if you wanted
me to dig in.. hm..
a little extra..

Hehe, I knew I could trust you. 5 more packs, agree? Okay!

Back into Jannie's auntie skin..

Oh.. I have to get out the here, before she woke up.

The next day..

Morning to you,
Rosita.

Ah, good morning, June. Is there anything I could help?

It's okay, I just finished tidy the guest bedroom.

I see. Do we have someone today?

Him? He will sleep here tonight?

Well, it's the boy who is going to marry our Jannie?

I think so, said he wanted to know Jannie better..

J-June.. Is that
the guy..?

It's him..

Oh, excuse
me, ladies..

I'm looking for Jannie.. Do you know where she is?

Ah yes, she still
in her room, sir..

Okay, thanks!
Also, you two
looks great today!

Hyyaaa...!! Did he just said that!?

I-I'm looking great today..

Well, we still
have a lot that
need to be done.

So get back to work right now, got it?

Ugh.. She still
as hard as a rock..

E-Eh..?
She was?

I heard Marie used
to be in the army..

Oh? Do you know
something more
about that head maid?

W-Welcome..
Madam..

W-We didn't say
anything.. at all..

It's alright, no
rush. Also, June,
clean my room next.

Jannie, I would like to ask..

I already told you, I'm not interest!

H-Hey.. Just a bit eating out..
Nothing serious..

I'm sorry, but
I already occupied..

Morning to
you, auntie.

H-Hey! Just
hear me out, Jannie!

"H-Huh..? Was I
in their way? Is
this some kind
of drama..?"

Madam, I finished cleaning your room.

You did it good,
thank you, June.

N-No.. It's my duty..
My first time.. to get
your compliment..

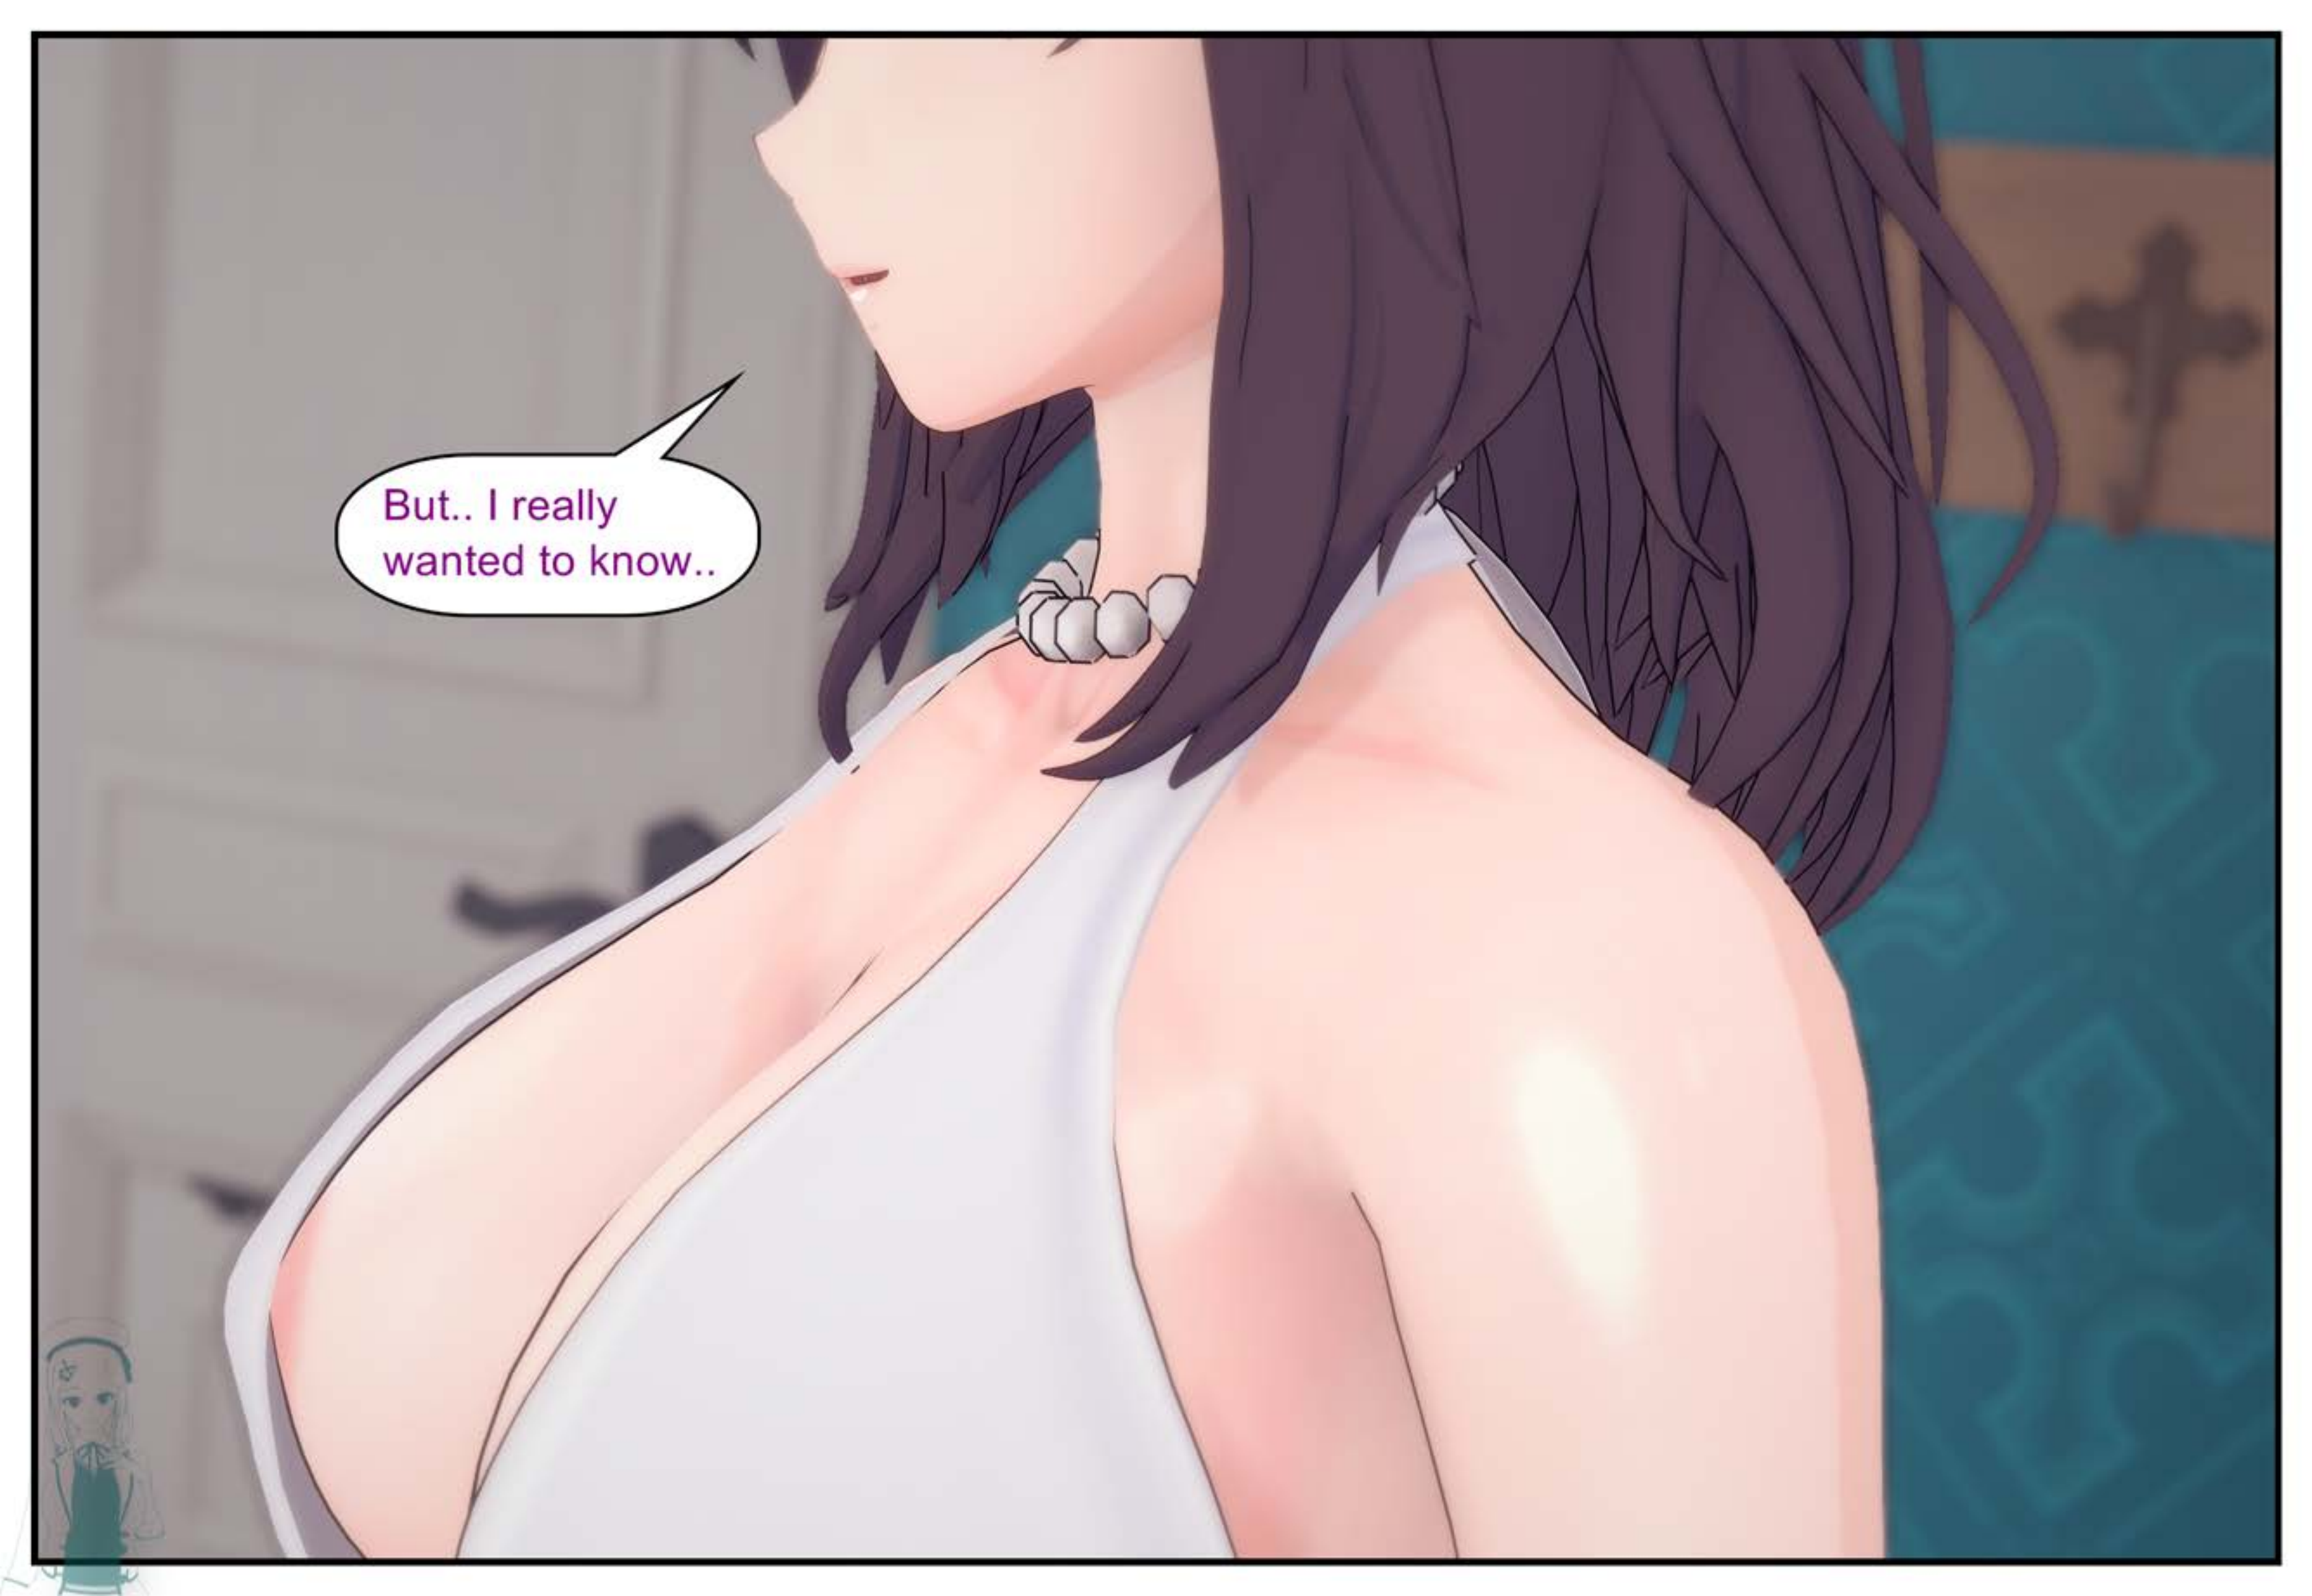

About our head
maid.. I hope
you forget.. what
I said..

T-Thank you..
very much!!

I won't.

But.. I really
wanted to know..

I'm asking you
to tell me, June.

About that head
maid, Marie..

Marie.. was in the army.. She has been.. to the frontline..

Continue..

I heard.. she was injured.. and our Master offer her.. as a maid here.

She didn't talk much..
about the time at the
frontline.. I'm.. sorry..

"That voice..
Jannie's father."

June! Are you
in there! It's time!

"I can't let that old man see.."

"Tell him to wait.."

Please wait..
I'm changing..

Slurp.. Slurp..
Uck.. Gulp.. Slurp..

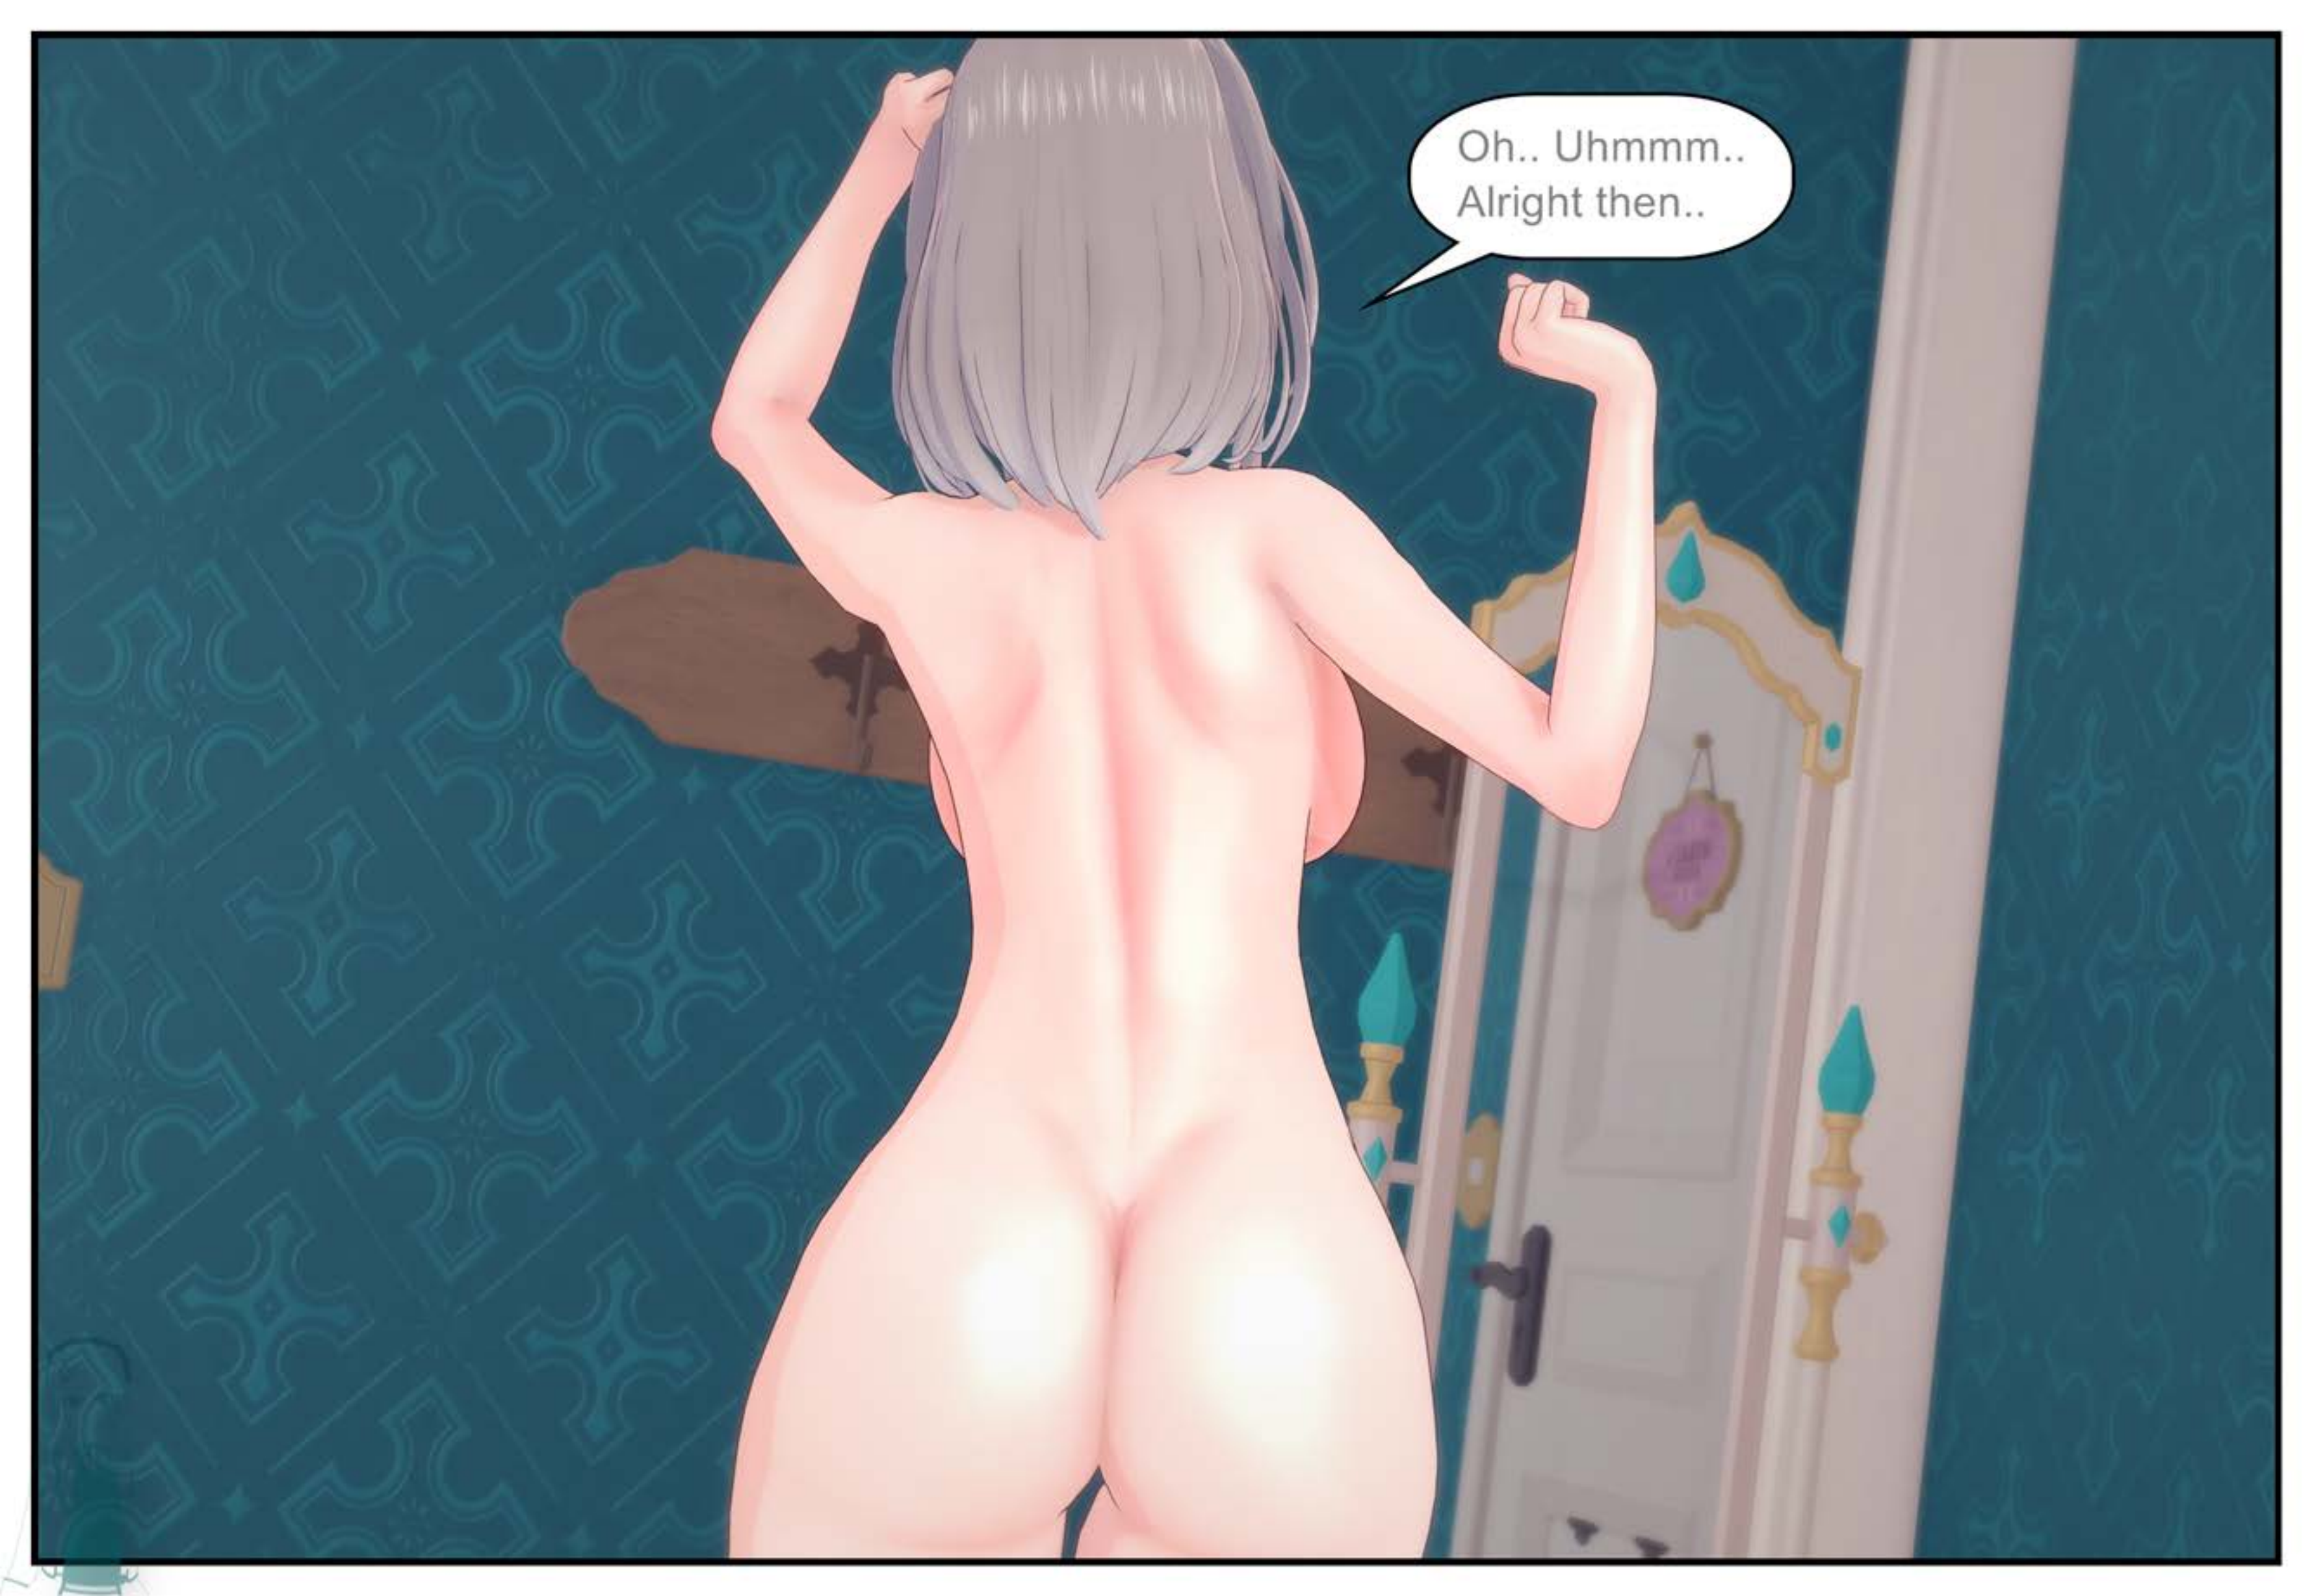

Oh.. Uhhmm..
Alright then..

Well, do I
look good?

"I need to hide this skin before invite him in.."

Took you
long enough.

I'm really sorry,
Master..

By the way.. I wonder if you could tell me a bit about Marie..?

I came here for your service, not doing your favor.

"Tch.. What an old man.."

some skills of
doing this.."

"Ah.. This will
take time.."

"Fine then, I will
do whatever for those
packs of blood."
