

Big Sis's Lesson

A Short Comic

One morning, while Gohan was taking a break from training to catch up on his studies, Zangya and Goten were having a one-on-one training session together. It was here where the young Saiyan's interest in his adopted older sister became piqued.

Wow.

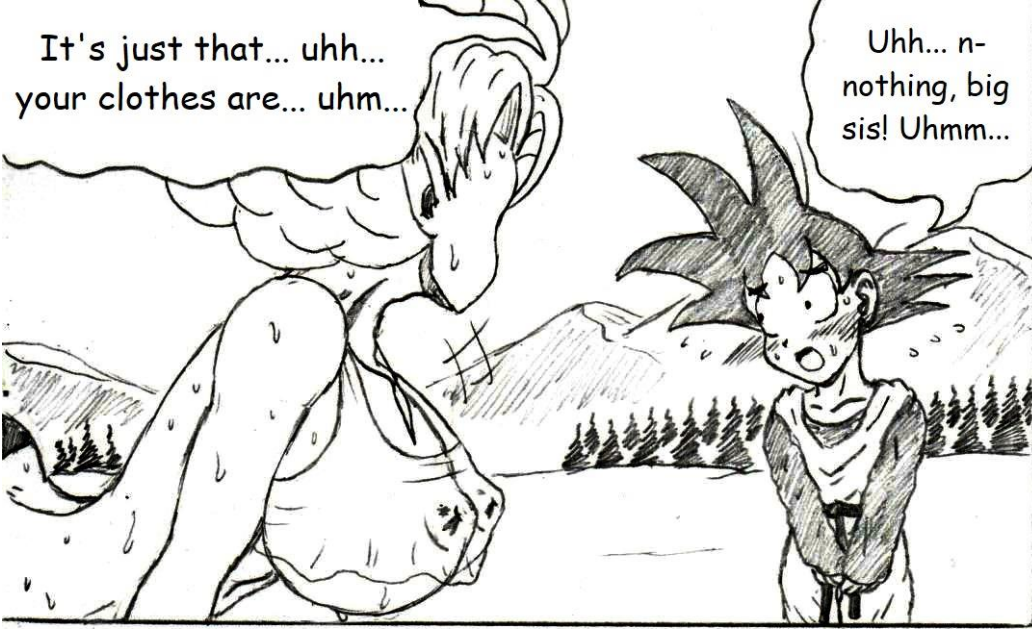

BOUNCE!

Man. I'm so hot right now.

Jiggle!

It's just that... uhh... your clothes are... uhm...

Uhh... n-nothing, big sis! Uhhh...

What's wrong, lil bro?

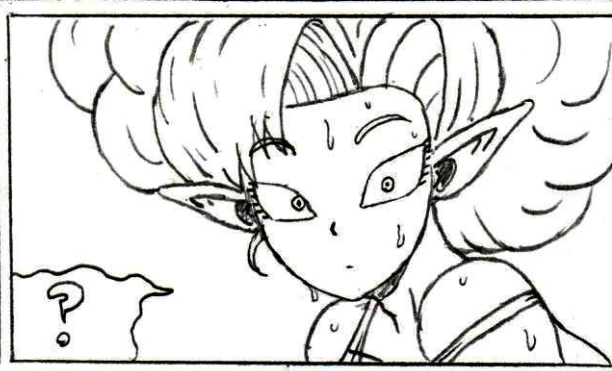

Hm?

So you're having that problem?

Oh?

Would you... like me to help you out Goten?

Y-Yes, please...

Is your thing hard right now?

Y-Yeah.

Heh. I take it you like looking at my body?

Y-Yeah. You look really nice, sis. Especially your butt.

Fufu. My... you little flirt.

Well then. Let's go into the woods.

We can have our fun in there.

You're lucky. Only your big brother has ever seen me naked before.

So... what do you think?

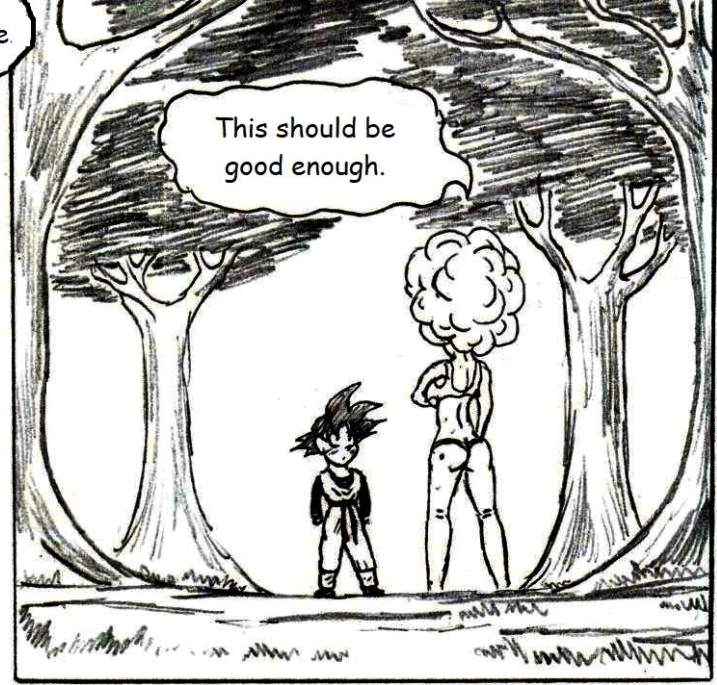

JIGGLE!

BWO!

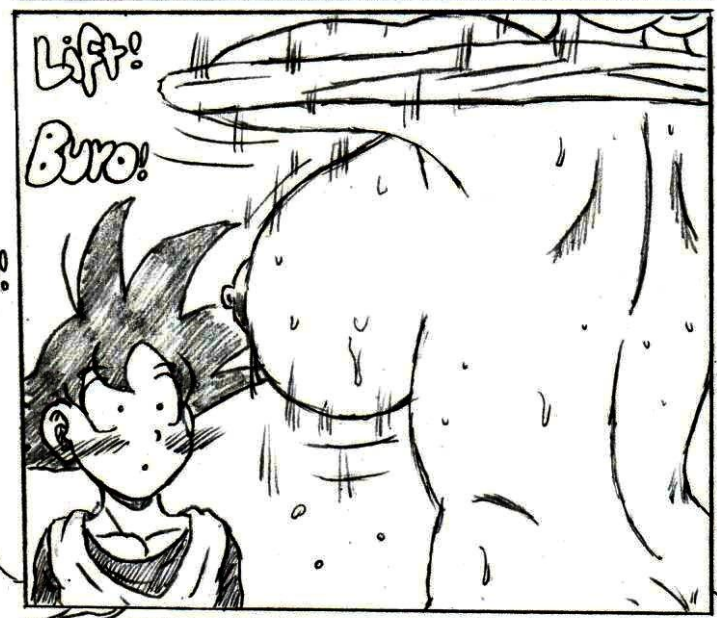

Want to try doing some of the same fun stuff he does with me?

Tp!

Y-Yeah.

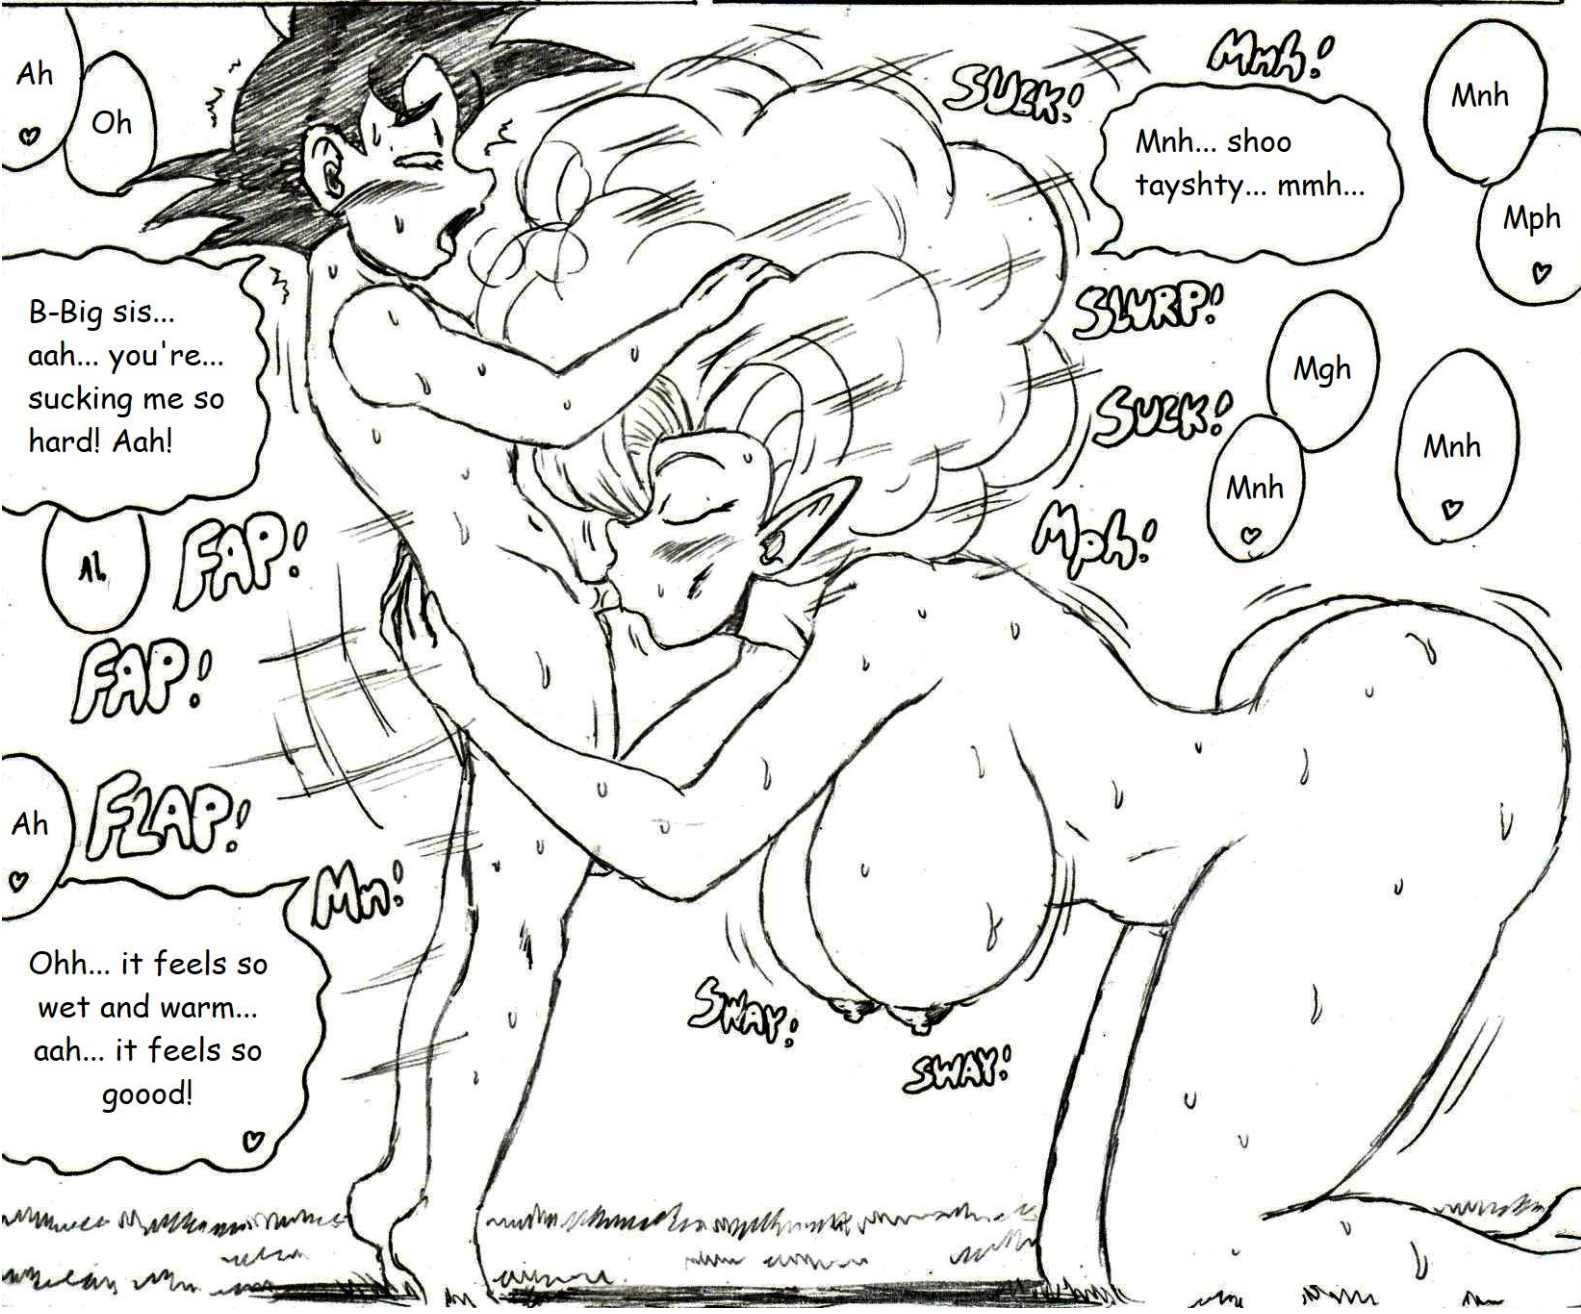

Uhm... i-is this okay?

Mnh. It sure is. And best of all... you're nice

Hey! That wasn't bad at all, little bro. For a virgin, you managed to hold out for a good, long hour. But you'll need a whole lot more training and experience if you want to become a sex God like your older brother.

Uwaa... r-right.
Man... I'm worn out...

WOBBLE!
