

FULLY GROWN, BREAST FLESH SWOLLEN TO NEAR BURSTING. CULTIVATED TO UNSEEN HEIGHTS OF INHUMAN PROPORTIONS. PRODDED, PLUGGED, STUFFED, AND STIMULATED ENDLESSLY, FABPHARMA'S FIRST FULL-TIME NEREIDYL PRODUCTION BIO-UNIT IS FULLY OPERATIONAL...

MMMH!!

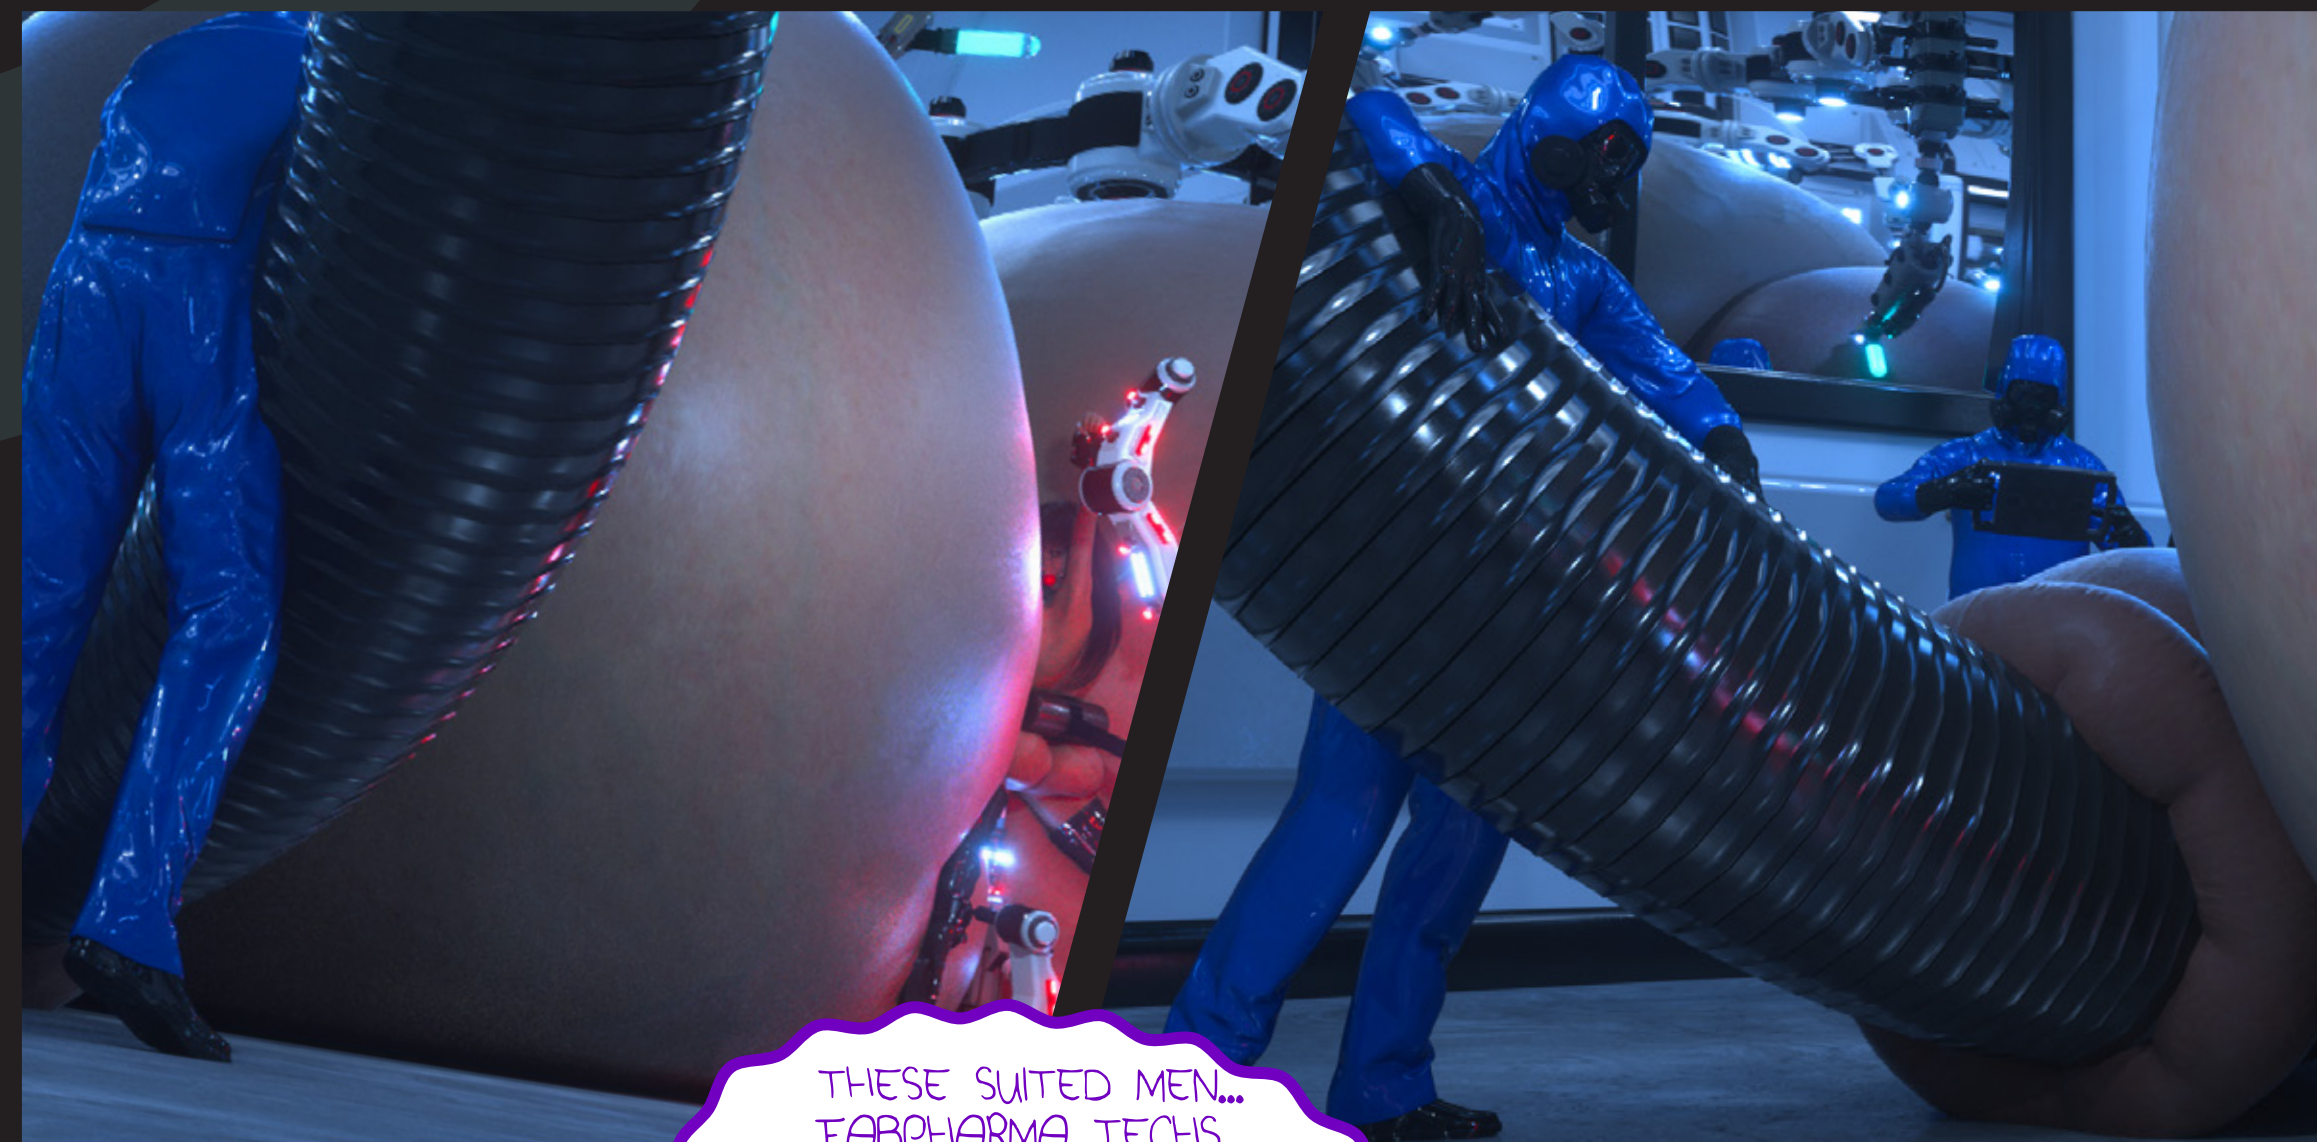

IT'S BEEN... DAYS...  
LOOK AT ME... NOW.

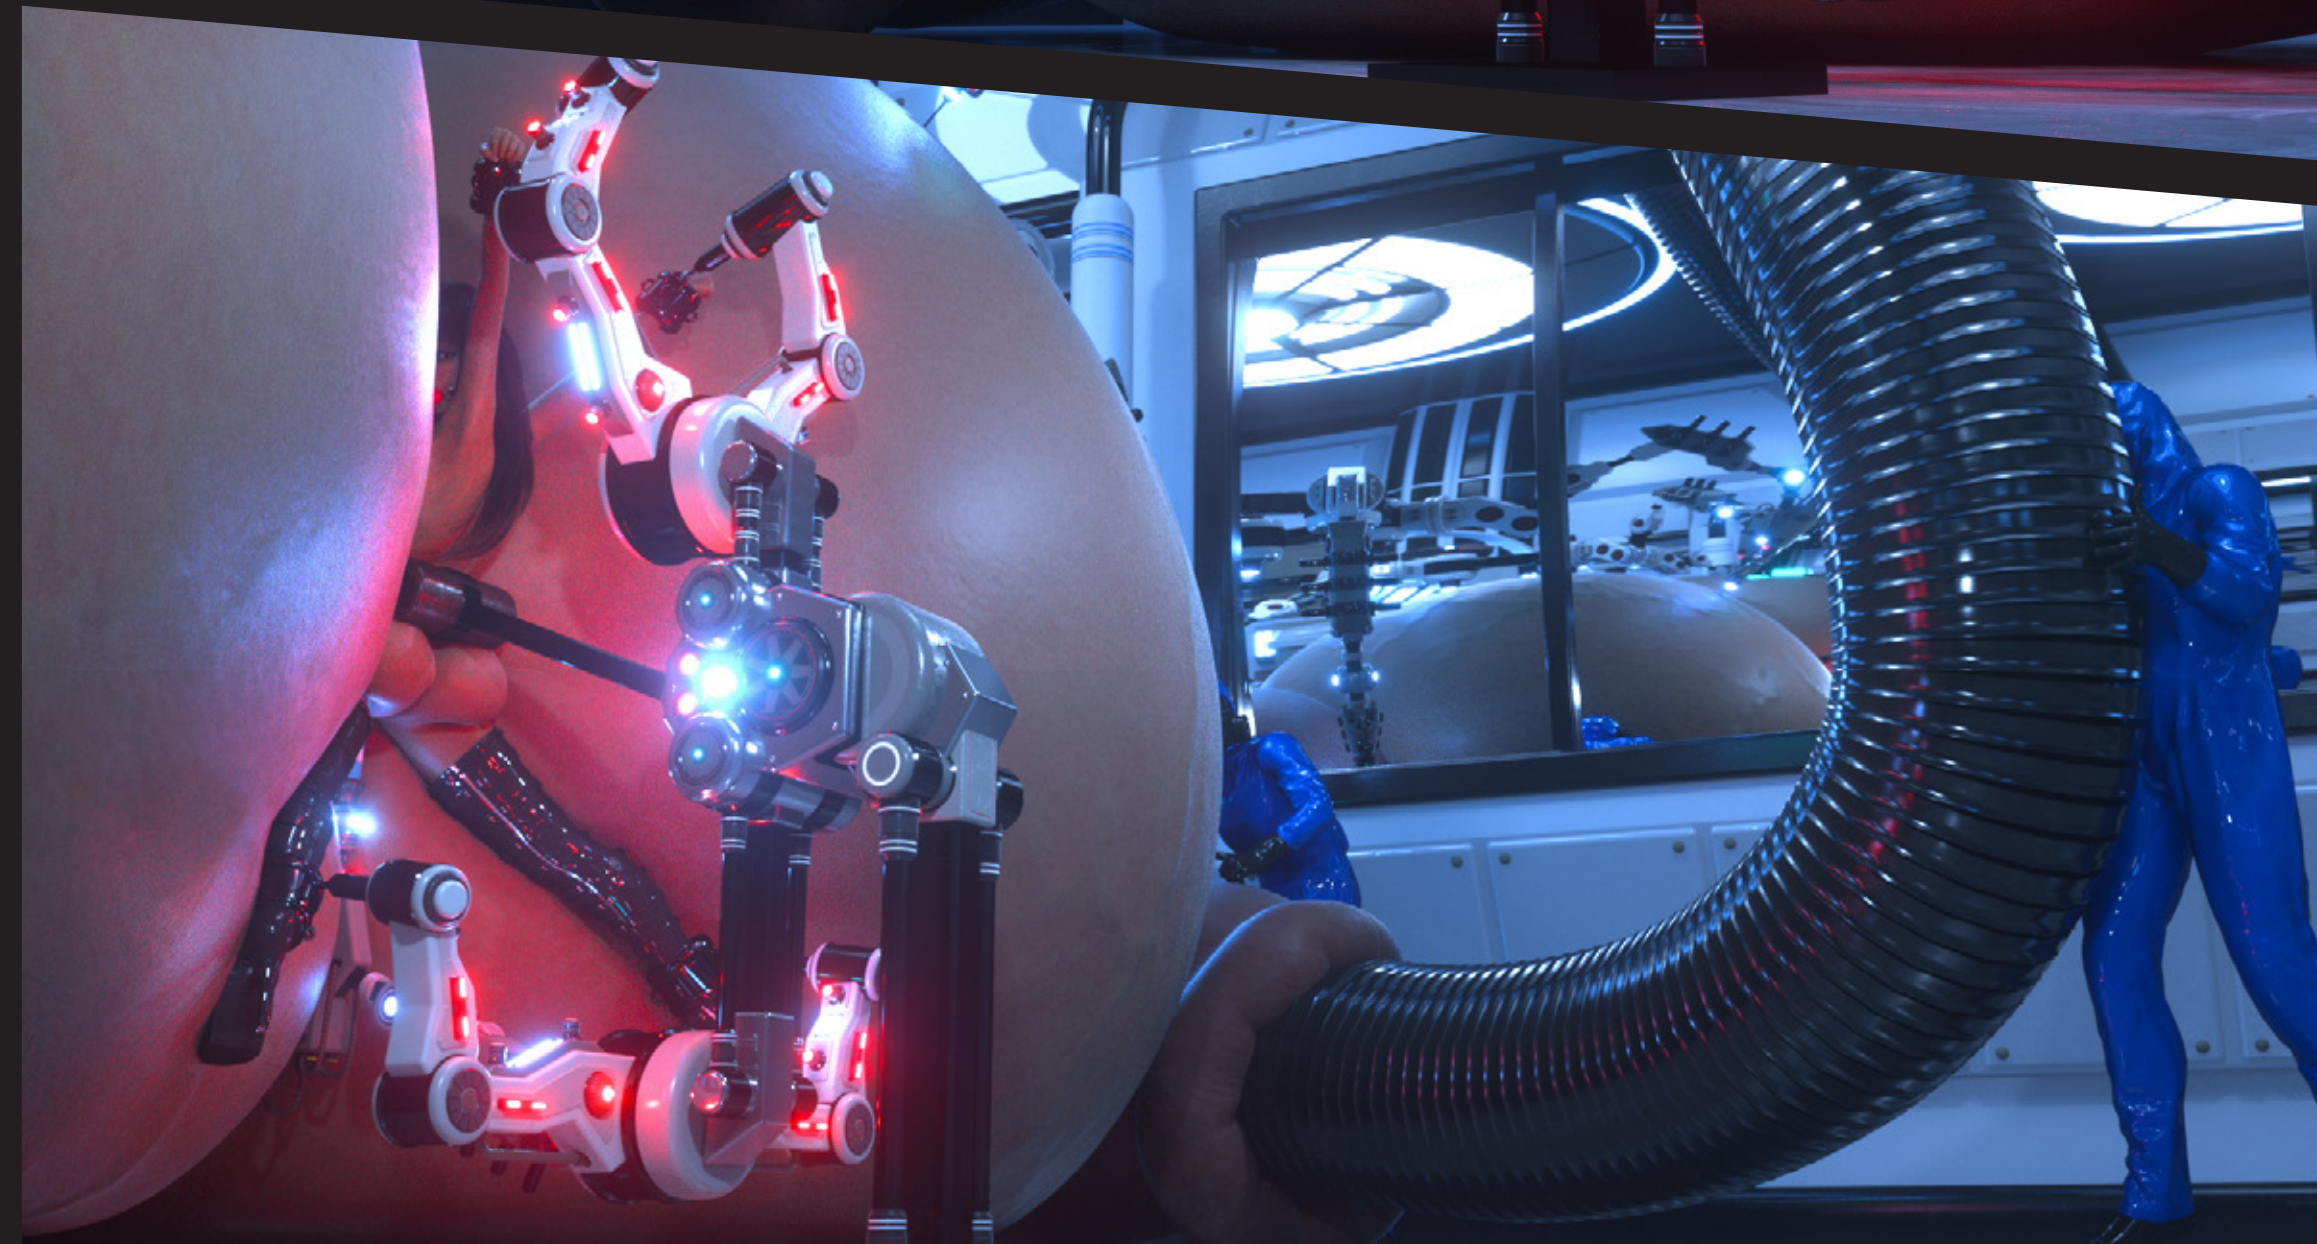

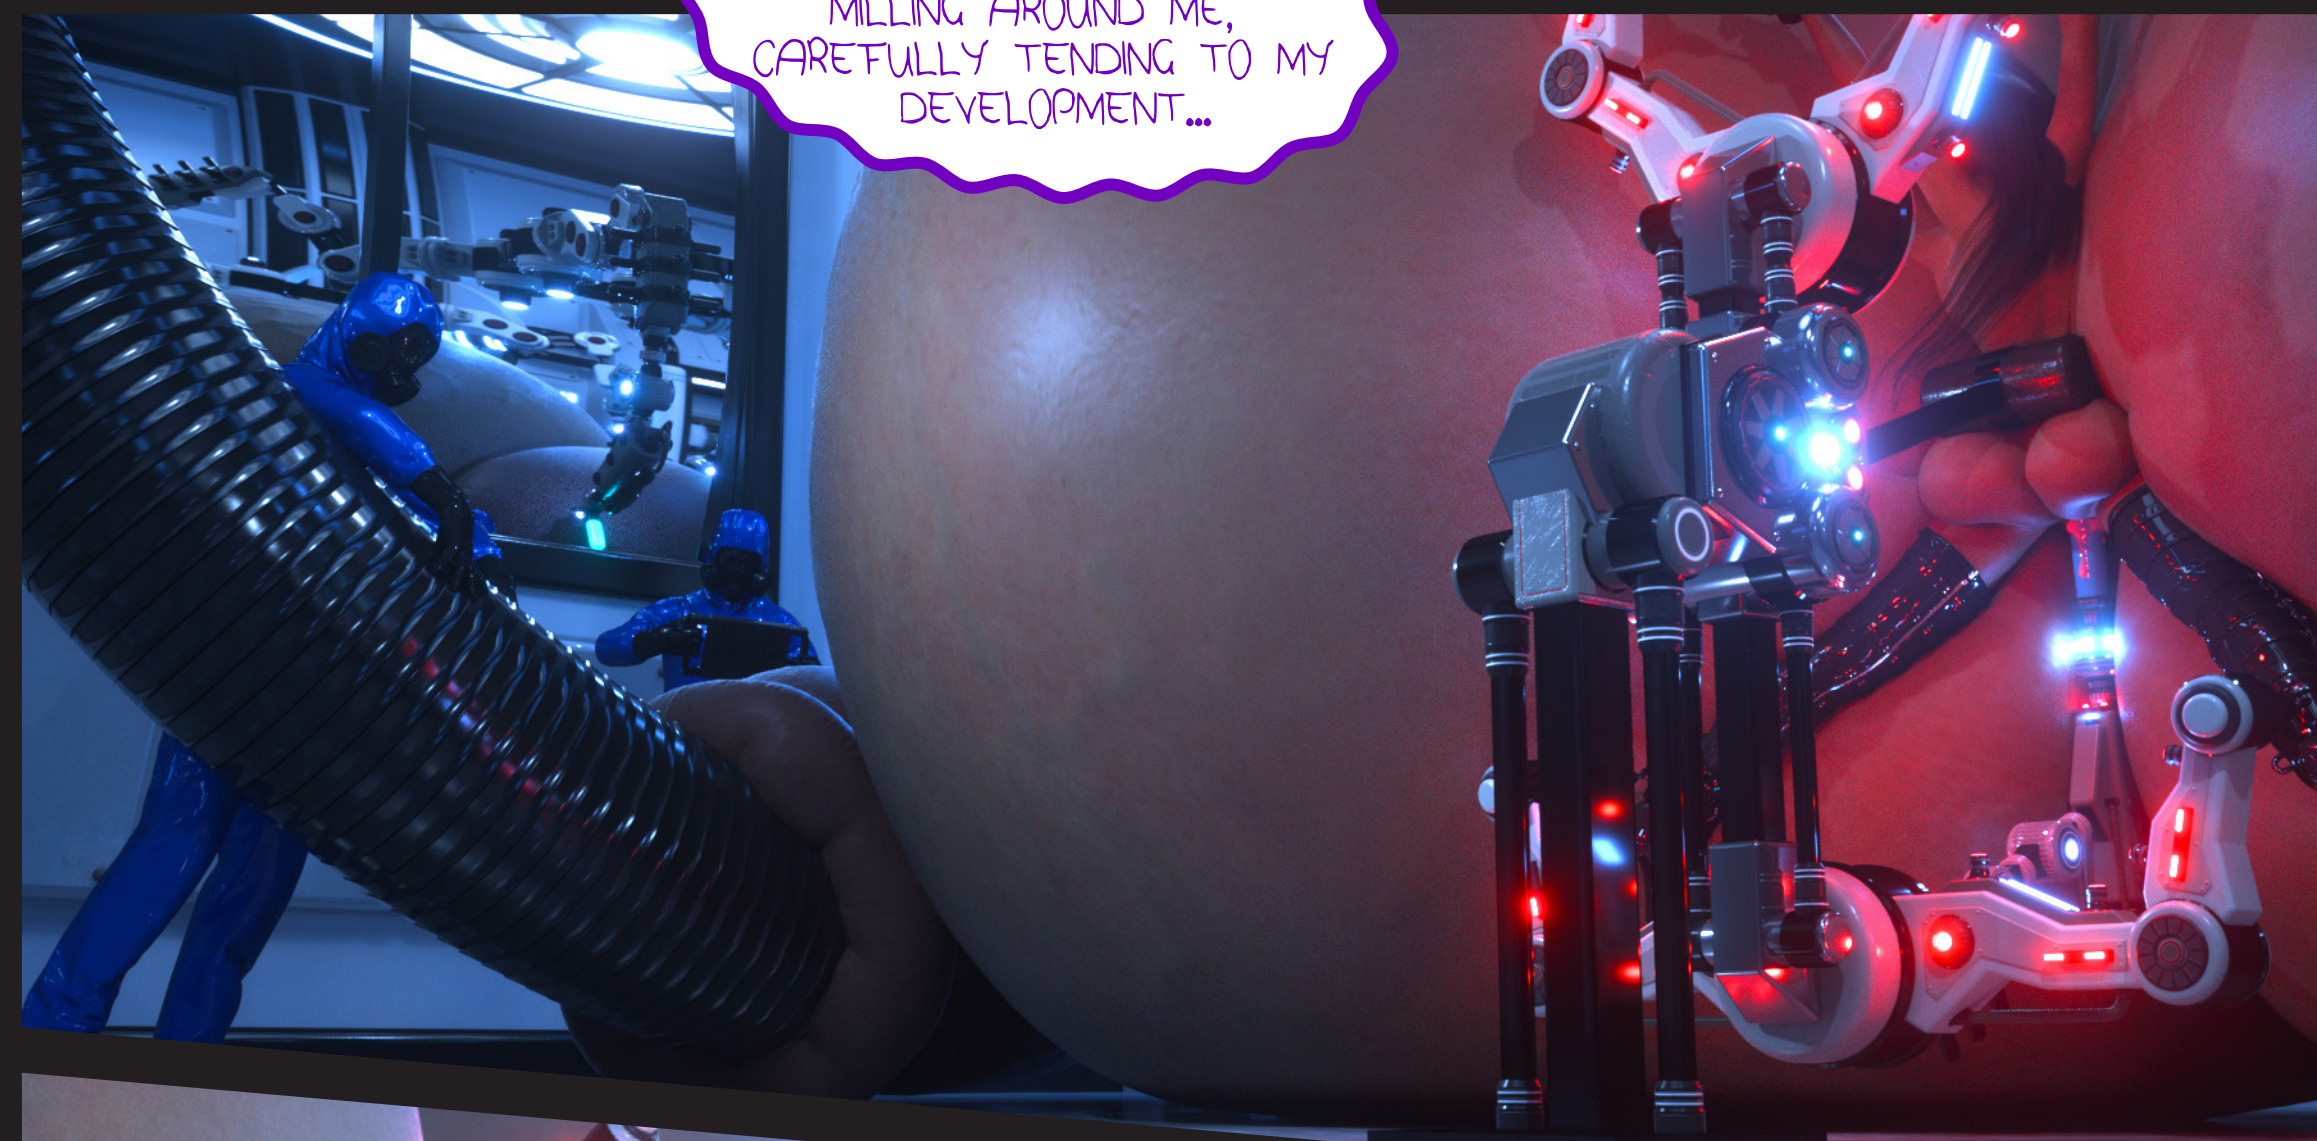

AM... AM I...  
DREAMING?

THESE SUITED MEN...  
FABPHARMA TECHS...  
MILLING AROUND ME,  
CAREFULLY TENDING TO MY  
DEVELOPMENT...

SO HARD TO THINK...  
SOMEWHERE ALONG MY MASSIVE,  
TRANSFORMED TITS...  
THEY KEEP INJECTING ME...  
MORE SERUM... MORE...

THE MACHINES... THIS ROD IN MY  
PUSSY PUMPING IN AND OUT  
OF ME!

MY INSIDES ARE ON FIRE... I... I...  
I CAN'T STOP MYSELF  
FROM WANTING... MORE...

THIS URGE...  
IT'S UNSTOPPABLE AND...  
AND... OH GOD...

NGGH!??!

UNNGHH!?!  
I... I FEEL IT... IT'S COMING!  
I'M CUMMING... AGAIN!

GRRROOOOAAANN...  
NNNGGGHHHH

MY NIPPLES...  
THEY FEEL SO TIGHT... SWELLING!

THE HOSES... THEY'RE SUCKING SO HARD!

I-I CAN'T STOP **GROWING,**  
SWELLING... CAN'T ... **STOP...**

THIS... THIS IS WHAT I'VE BECOME♥♥

WELL, NOW, I HAVE TO SAY I'M IMPRESSED.  
OUR FIRST FULL-TIME BIO-PRODUCTION UNIT,  
OUTSTANDING!

ALICE, I HEARD YOU USED MISS ARIELLO  
TO FINISH TRIGGERING SADIE'S DEVELOPMENT, QUITE INGENUOUS!

MUM!  
WISH I DIDN'T HAVE TO LEAVE  
HER WITH THESE TECHS, THOUGH.  
LIFE AS A SERUM COW SEEMS  
SO... BORING.

PERHAPS SO, DEAR ALICE,  
BUT SHE WILL PROVE TO BE INVALUABLE  
TO OUR WORK MOVING FORWARD.

WE'LL FIND SOMETHING ELSE  
TO KEEP YOU ENTERTAINED, DON'T WORRY.

OH, MORE SERUM COWS?

AMONG OTHER THINGS, BUT WE WILL DISCUSS THAT LATER.

FOR NOW, I'D JUST LIKE TO CONGRATULATE YOU, MY DEAR. YOUR INPUT ON THE NEREIDYL PROJECT HAS BEEN INVALUABLE, TO SAY THE LEAST.

INVALUABLE, OR RECKLESS? THIS COULD HAVE ENDED IN DISASTER COUNTLESS TIMES.

DO I SENSE SOME HOSTILITY IN YOUR TONE, DR. KRIEGER?

I WOULD FIGURE YOU'D BE THE FIRST TO CONGRATULATE ALICE ON HER ACHIEVEMENTS!

IF YOU CONSIDER CARELESS APPLICATION OF YEARS OF RESEARCH WORTHY OF PRAISE...

FRANKLY, THE FACT YOU'VE ALLOWED THE BOARD TO PUSH MISS RAMIREZ TO SUCH LIMITS IS SHAMEFUL.

SHE WAS LOYAL TO YOU FOR YEARS, NICHOLAS, DESPITE EVERYTHING...

THERE'S NO NEED TO BE SO DRAMATIC, DOCTOR. MY DEAR SADIE JUST HAPPENED TO BE... AN APPROPRIATE CHOICE.

AND, I MIGHT ADD, SHE PERFORMED WONDERFULLY! A PERFECT PET THROUGH AND THROUGH!

ARE WE ALL JUST PAWNS IN YOUR GRAND PLAN?

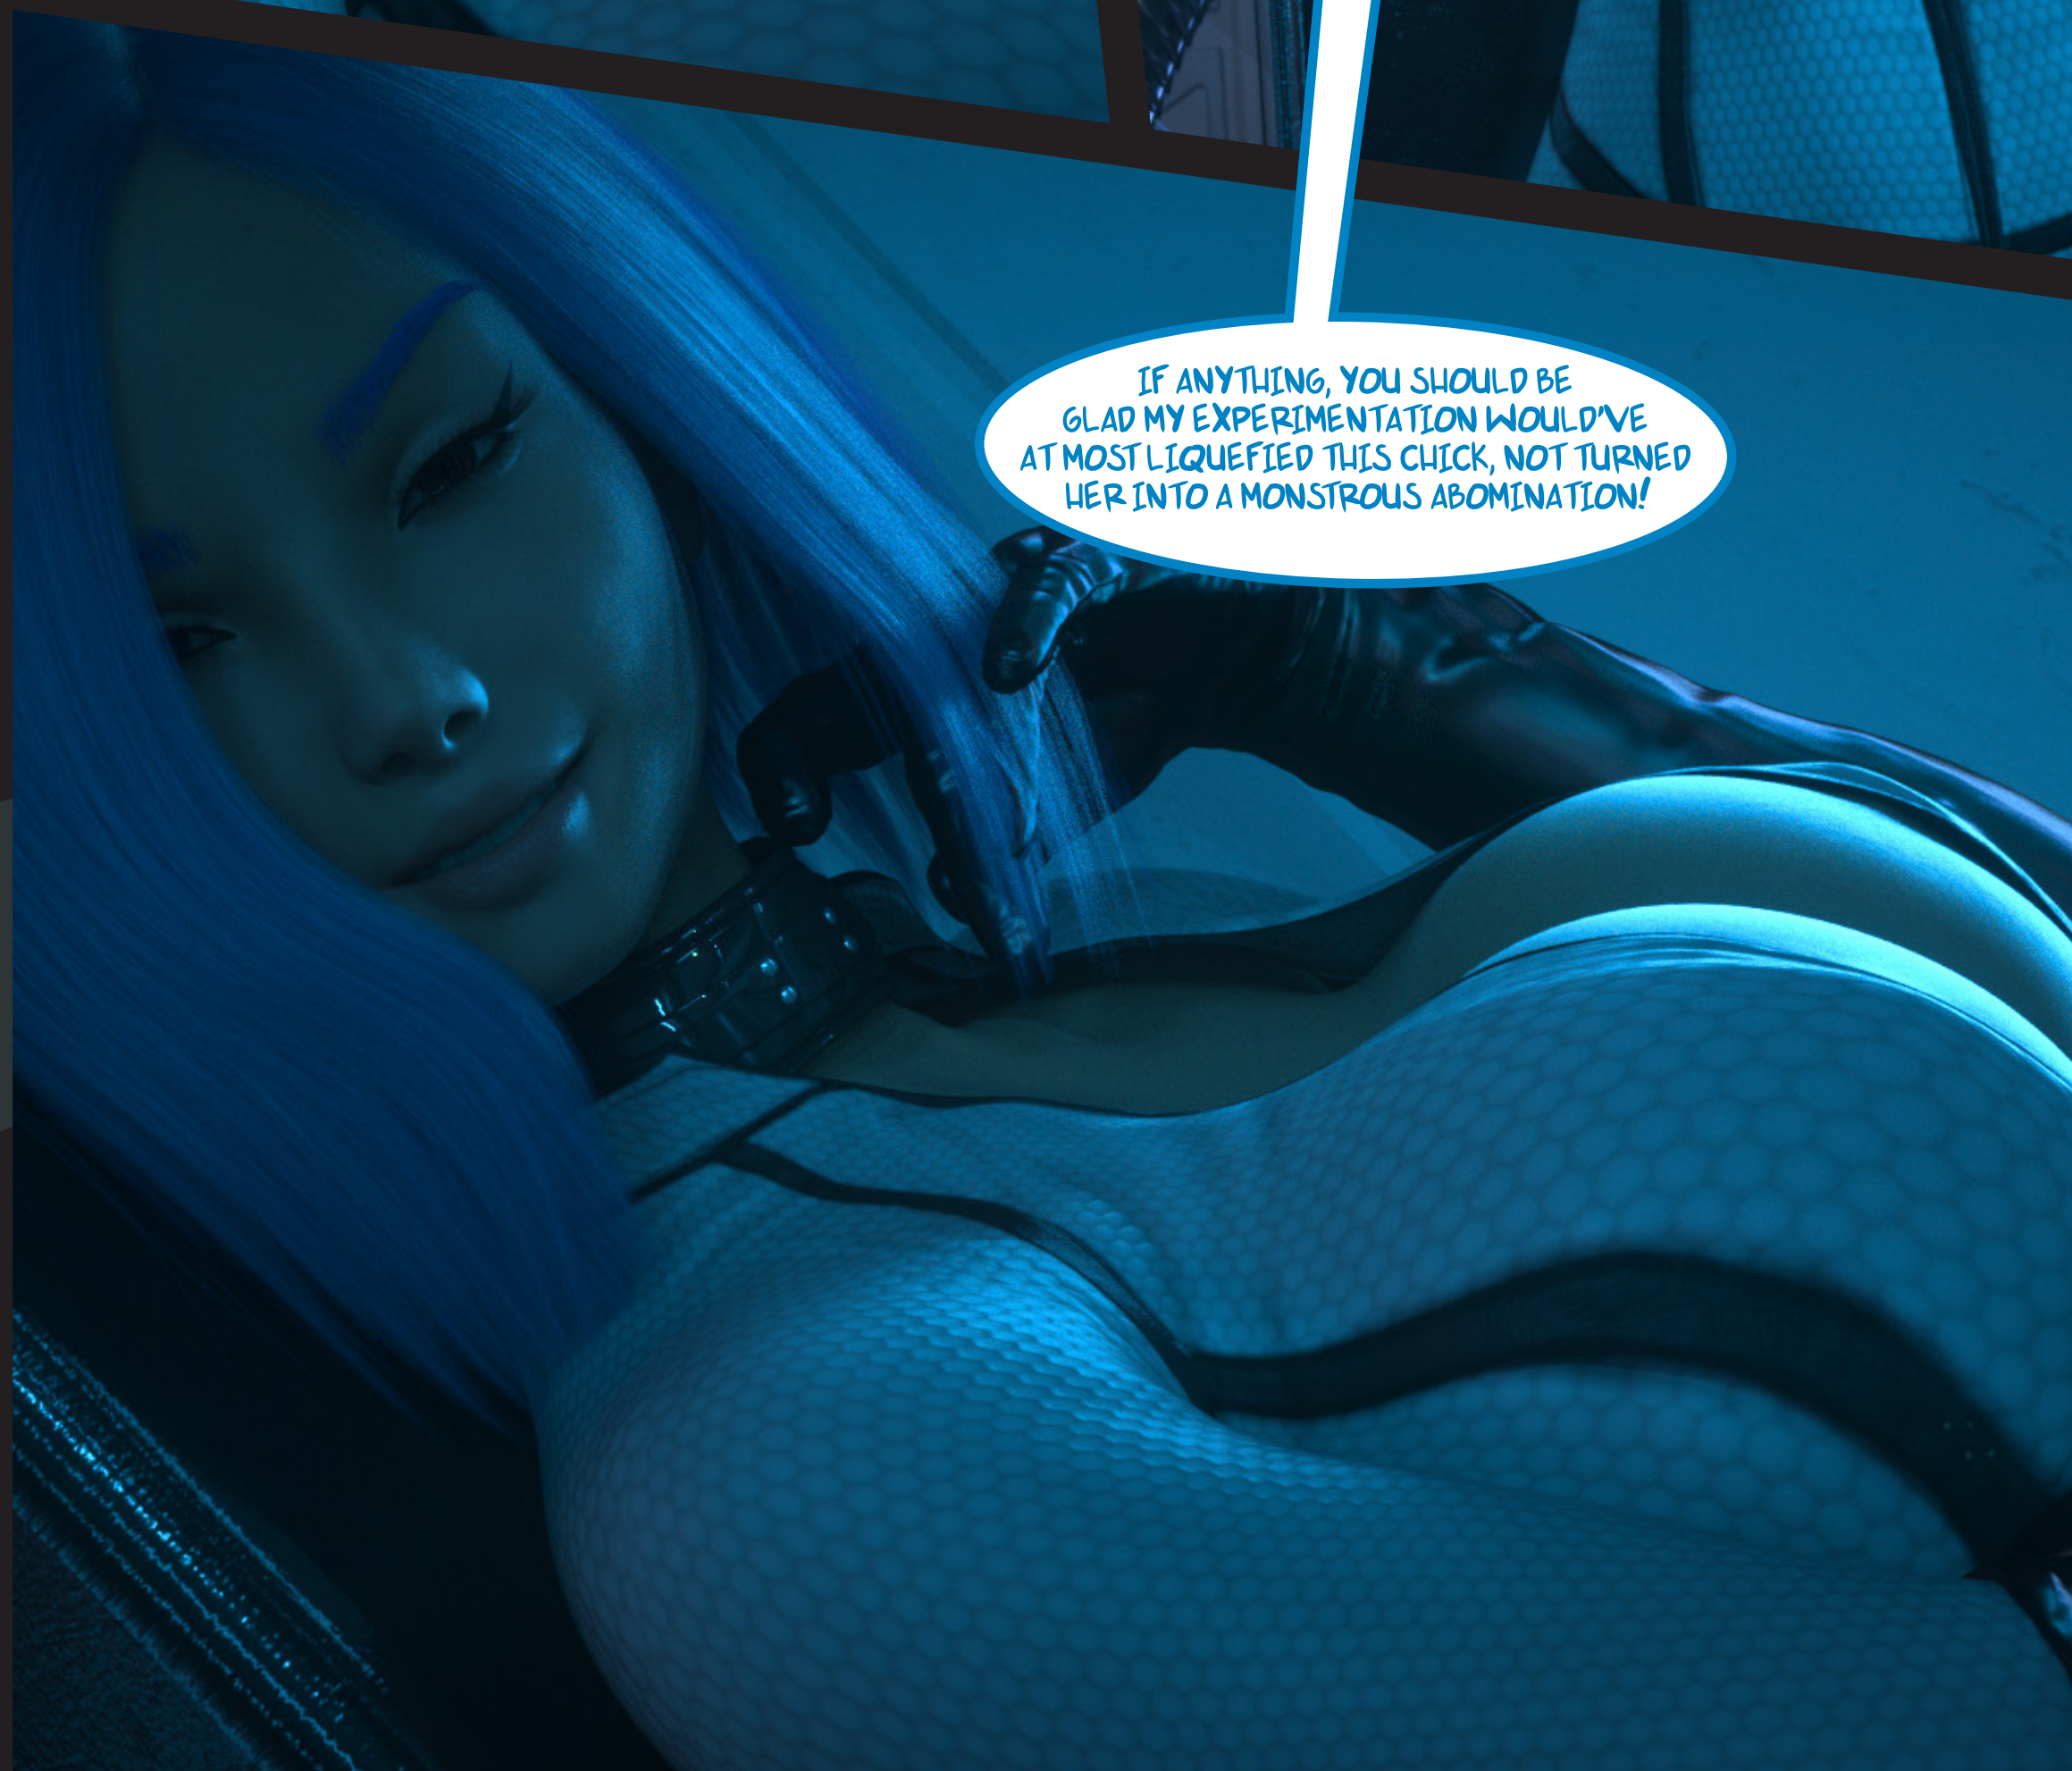

HONESTLY...

GROWING A CONSCIENCE AFTER ALL THESE YEARS, DOC? THIS IS PROGRESS, RIGHT?

BESIDES, I DON'T SEE WHY YOU'RE SO PREOCCUPIED OVER THIS PARTICULAR PIECE OF MEAT, LIKE YOU HAVEN'T HAD YOUR SHARE OF FAILED GUINEA PIGS

IF ANYTHING, YOU SHOULD BE GLAD MY EXPERIMENTATION WOULD'VE AT MOST LIQUEFIED THIS CHICK, NOT TURNED HER INTO A MONSTROUS ABOMINATION!

YOU HAVE SOME GALL TO TALK TO ME ABOUT ABOMINATIONS... ALICE.

FURTHERMORE...

THESE "FAILED" EXPERIMENTS HAVE BECOME THE FOUNDATION OF THE RESEARCH YOU NOW CARELESSLY TOY WITH.

UGH, ALWAYS SO UPTIGHT! YOU ACT LIKE THE BOARD ISN'T POSITIVELY GIDDY ABOUT THE POSSIBILITIES I'VE SHOWN THEM!

ENOUGH!

ALICE, CAN YOU AT LEAST 'TRY' TO BE A GOOD GIRL WITH DR. KRIEGER? I NEED THE TWO OF YOU WORKING TOGETHER, NOT AGAINST EACH OTHER.

...WHATEVER. CAN I GO NOW? I'VE GOT SOME NOTES I NEED TO GO OVER.

OH, MUST YOU DO IT NOW? I WANT YOU BY MY SIDE WHEN I PRESENT THE BIO-UNIT'S DEVELOPMENT TO THE BOARD.

YEAH, SURE. I WON'T BE LONG.

YOU WILL BE SHARING THOSE NOTES WITH ME LATER, ALICE. IF WE ARE TO MOVE FORWARD PROPERLY I WILL NEED TO REVIEW ANY FINDINGS YOU HAVEN'T BRIEFED ME ON YET.

YEAH, YEAH, LATER.

NICHOLAS, SURELY YOU CAN SEE SHE IS GETTING OUT OF HAND, CAN YOU NOT?

OH, NOT AT ALL! IT'S ALL VERY AMUSING, TO BE HONEST.

YOU DO NOT SEE THE DANGER IN LETTING HER HAVE FREE REIGN OF THE FACILITY?? SHE HAS QUITE LITERALLY SLAUGHTERED SOME OF MY STAFF OVER THE MOST TRIVIAL MISSTEPS.

WELL, THAT'S WHERE YOU AND I DISAGREE. I THINK SHE IS DOING A WONDERFUL JOB PUSHING US FORWARD, THAT ALONE SHOULD GRANT HER SOME LEEWAY. AS FOR YOUR STAFF, IT'S 'YOUR' RESPONSIBILITY TO MAKE SURE THEY DO NOT DISTURB HER.

SO YOU WOULD HAVE HER RUN RAMPANT IN OUR FACILITIES AS WHAT, SOME SORT OF TWISTED EXPERIMENT?

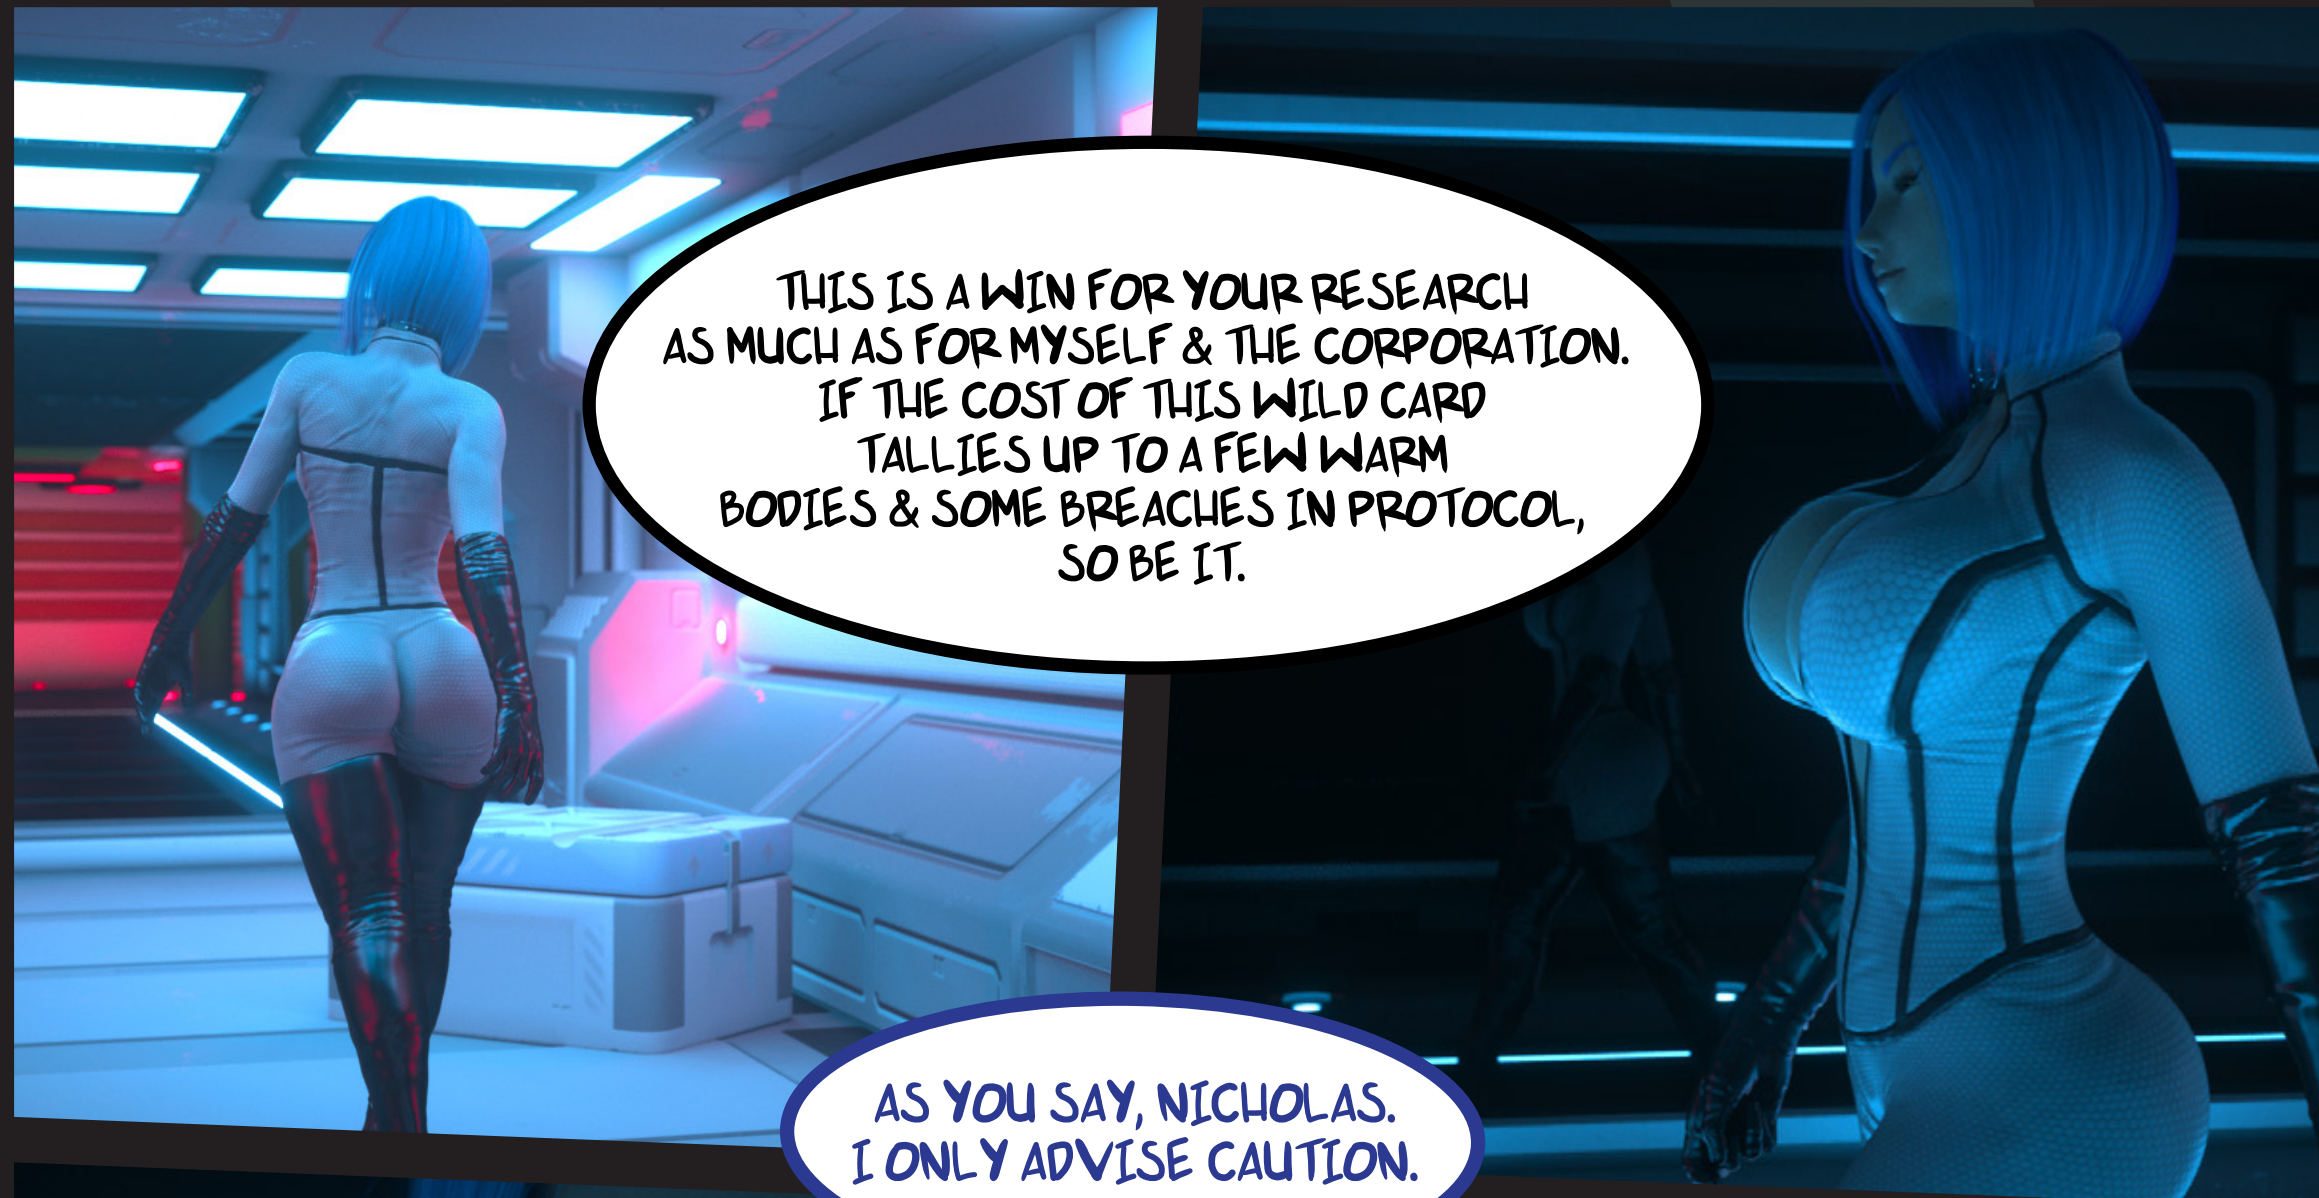

HEH, WELL... IT WOULD CERTAINLY NOT BE OUR FIRST!

I WILL ADMIT, HER CAPABILITIES AND INSIGHT ARE... UNCANNY, TO SAY THE LEAST. SHE COULD BARELY READ OR WRITE, LET ALONE SPEAK, A YEAR AGO, AND LOOK AT HER NOW!

ALL THANKS TO YOUR OWN EFFORTS, I MIGHT ADD, DEAR DOCTOR. AND THIS IS EXACTLY WHY IT'S BETTER TO KEEP HER OCCUPIED, DON'T YOU THINK?

SHE'S ALMOST SINGLE-HANDEDLY ADVANCED OUR TIME TABLES FOR LAUNCHING THE FINALIZED NEREIDYL LINE BY WHAT, A DECADE? SURELY YOU CAN SEE PAST YOUR DIFFERENCES AND APPRECIATE THAT, CAN YOU NOT?

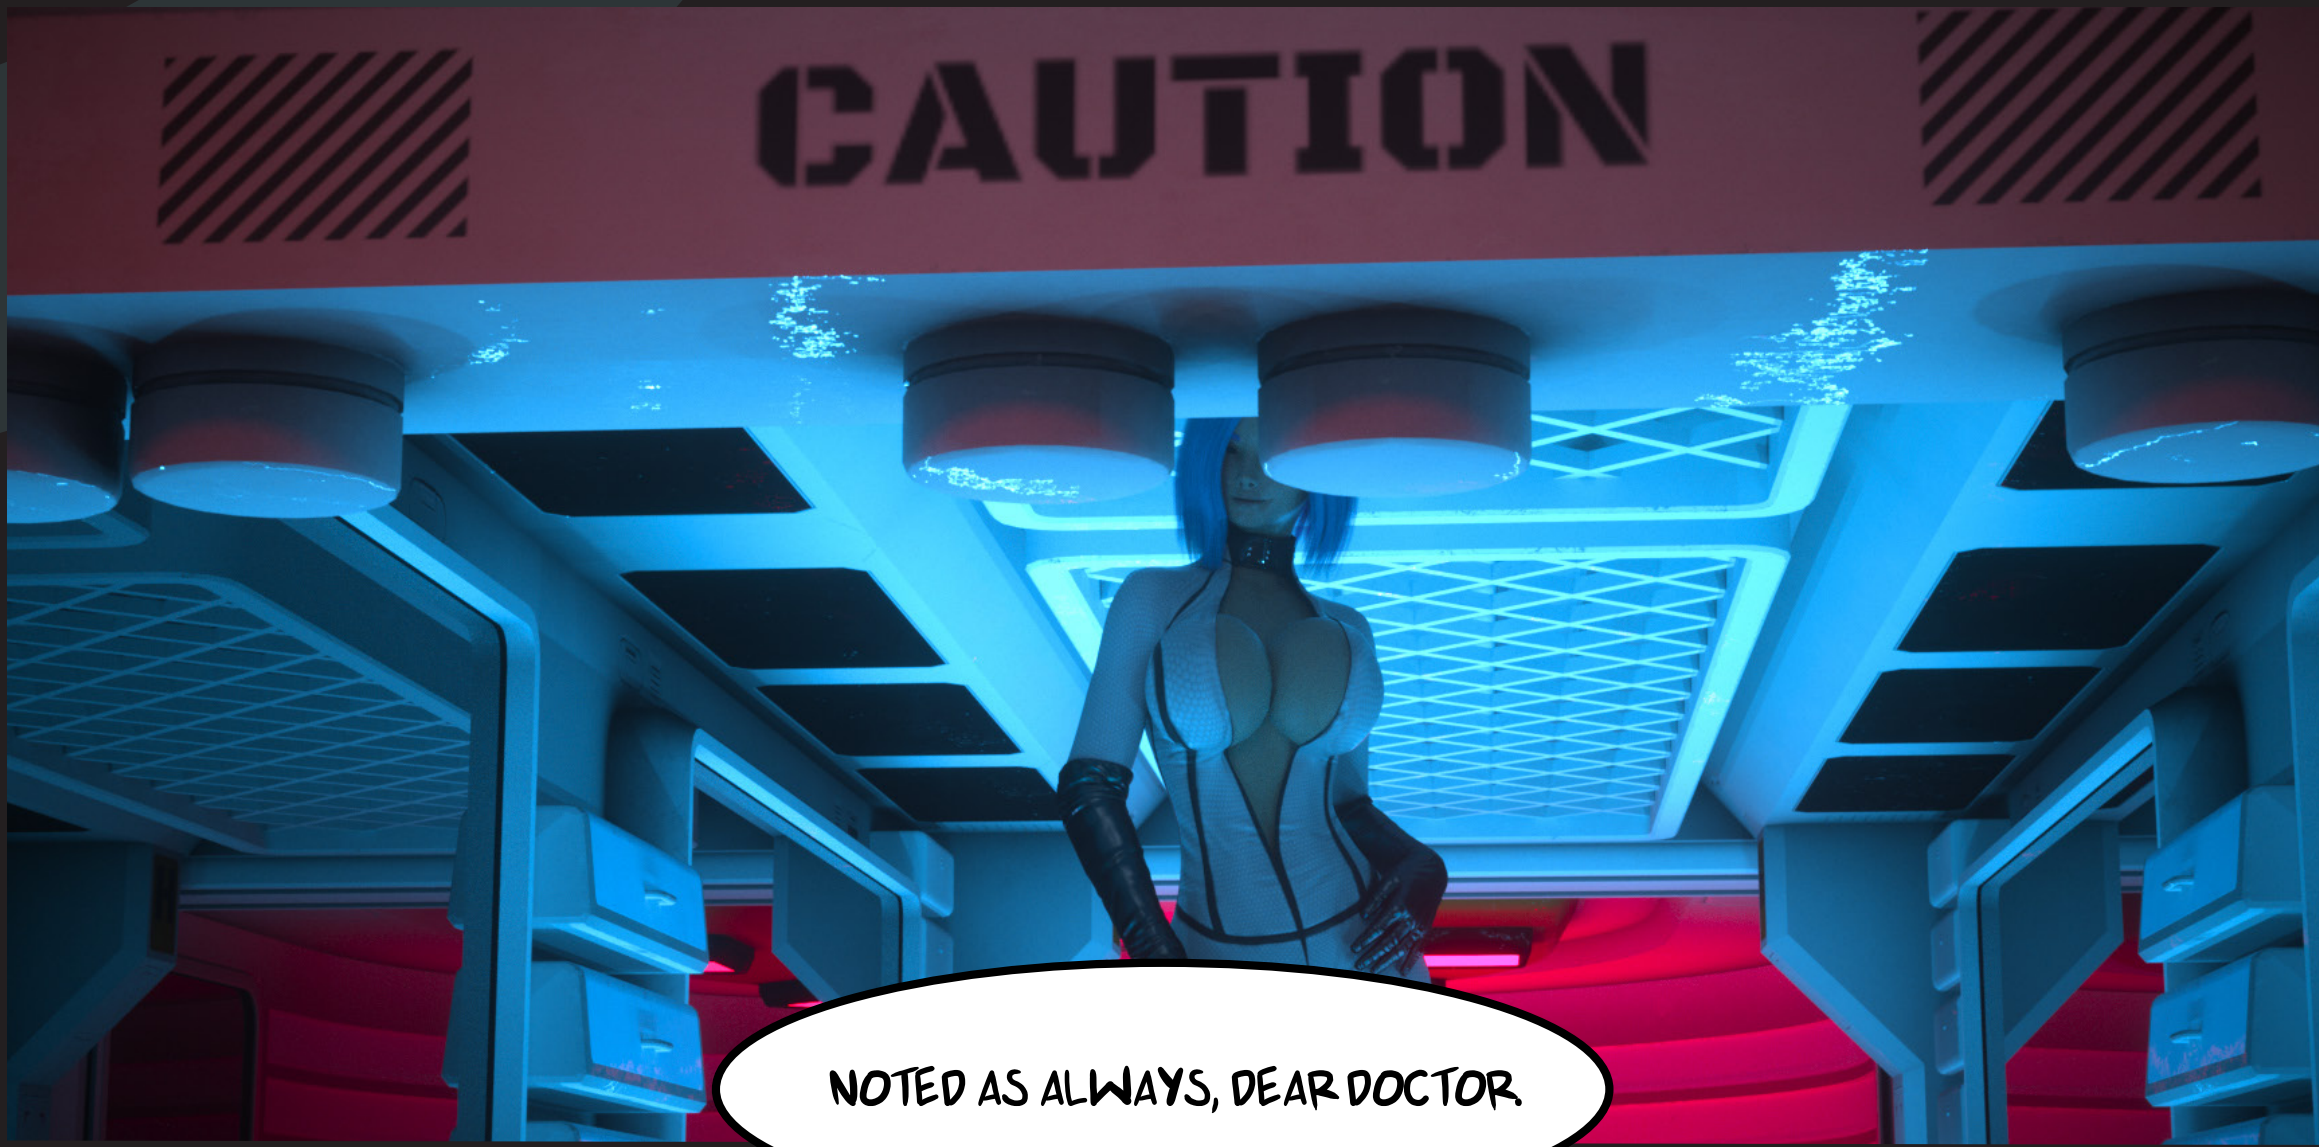

THIS IS A WIN FOR YOUR RESEARCH AS MUCH AS FOR MYSELF & THE CORPORATION. IF THE COST OF THIS WILD CARD TALLIES UP TO A FEW WARM BODIES & SOME BREACHES IN PROTOCOL, SO BE IT.

AS YOU SAY, NICHOLAS. I ONLY ADVISE CAUTION.

A WILD CARD IS PUTTING IT LIGHTLY. TO THIS DAY I AM STILL ATTEMPTING TO DECIPHER WHO, OR WHAT, WE ARE DEALING WITH, EXACTLY.

NOTED AS ALWAYS, DEAR DOCTOR.

BESIDES, IF SHE DOES BECOME TOO MUCH OF A NUISANCE, WE ALREADY HAVE COUNTERMEASURES TO DEAL WITH HER.

SHOULD PUSH COME TO SHOVE, I WILL HAPPILY BREAK HER MYSELF.

FOR NOW, JUST LET HER HAVE HER FUN. WE WILL BE THE ONES REAPING THE REWARDS, AFTER ALL...

WELL HELLO AGAIN, SWEETY... YOU'RE UP, THAT'S GOOD.

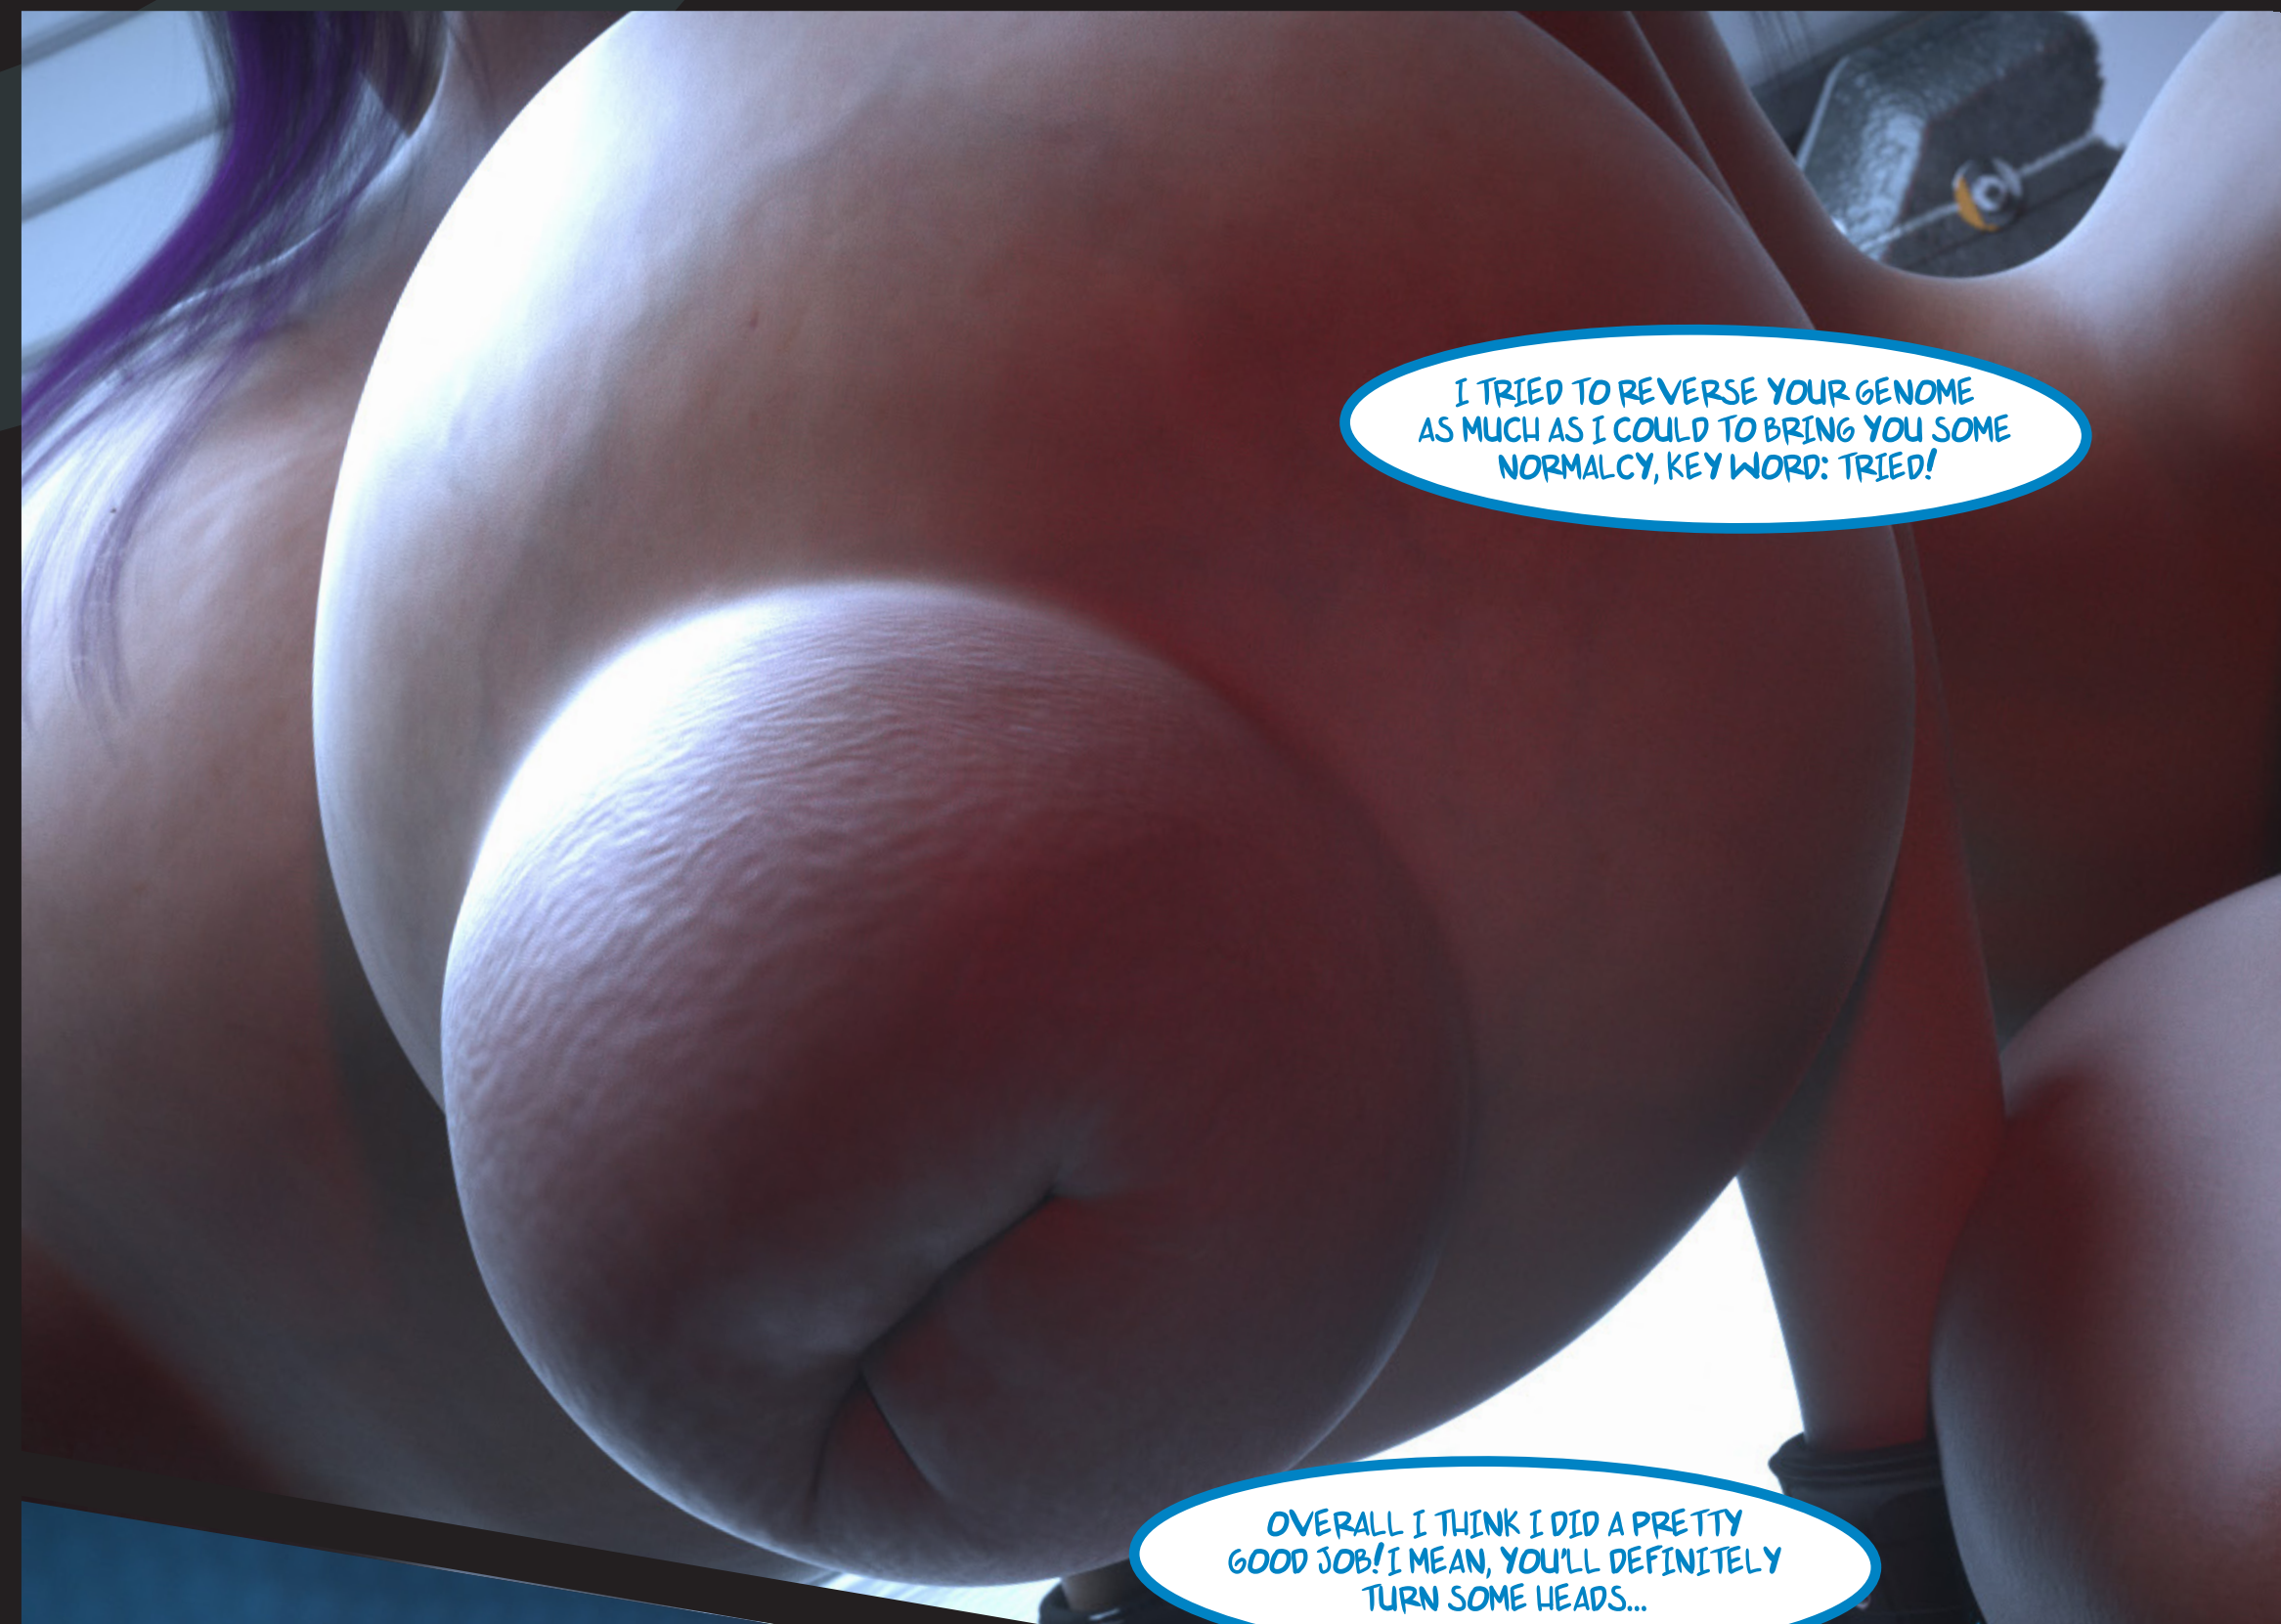

YOU'RE PROBABLY A LITTLE OUT OF IT STILL, BUT I'M GLAD TO SEE YOU COMING TO!

WHA-

YEAH, I'VE KEPT YOU IN A COMA FOR A WHILE NOW... SORRY ABOUT THAT, I GUESS.

I TRIED TO REVERSE YOUR GENOME AS MUCH AS I COULD TO BRING YOU SOME NORMALCY, KEY WORD: TRIED!

OVERALL I THINK I DID A PRETTY GOOD JOB! I MEAN, YOU'LL DEFINITELY TURN SOME HEADS...

BUT IT WAS EITHER THAT OR BEING TURNED INTO A SERUM COW,

SERUM COW... A BIO-UNIT? BUT, MR. MONTGOMERY WOULD NEVER...

ALLOW IT? THINK HE'D PROTECT YOU, KEEP YOU FOR HIMSELF? HARDLY.

... OH.

YEAH. BELIEVE ME I WAS SURPRISED TOO.

THANK YOU... I THINK...

SO, GOOD NEWS. THE BOARD HAS NO IDEA I SWITCHED YOU WITH A CLONE MONTHS AGO!

BAD NEWS IS YOU'RE STUCK WITH ME UNTIL I FIGURE OUT WHAT TO DO WITH YOU!

YOU... CLONED ME?!?

OH, DON'T GET ME WRONG! IT WAS FUN TRANSFORMING YOUR REPLICA INTO A MASSIVE MOUNTAIN OF TITFLESH, BUT...

YOU PROBABLY DESERVE BETTER.

SO... W-WHAT ARE YOU GOING TO DO WITH ME?

...

EH, I'LL THINK OF SOMETHING. YOU 'ARE' STILL QUITE A LITTLE FREAK, AFTER ALL! FOR NOW THOUGH, BETTER KEEP YOU OUT OF SIGHT.

\*GIGGLES\*  
DON'T WORRY,  
I WON'T BITE!

UNLESS YOU'RE INTO THAT, ANYWAY ♡

UHM...

CAN I...

GET SOME CLOTHES, AT LEAST?

END

FOR NOW, ANYWAY!
