

Chapter 6

It's your fault

So these are the changes Naomi was talking about.

What changes?

Naomi said that Mutsumi-chan's wish is not ready yet and there will be more changes to fulfill it.

Interesting.

What do you think will be the next changes.

Maybe his breasts will grow. hehe.

I wonder how long he could keep it hidden. hehe

Maybe they have already grown, but he hides it from us. hehe.

I don't know, but I'm going to ask something Midori, I'll be right back.

Sure.

Yes, which is a pity because I was hoping to talk for a while.

Oh, I can see Mutsumi-chan fell asleep.

Tell me are you still piercing ears?

Yes, and what, you would like to pierce your ears.

How do you feel about this, Mutsumi-chan?

I think so. hehe

Maybe another time, but I'm sure Mutsumi-chan would look great with earrings.

She does not protest, so she probably agreed. hehe

Some time later...

Who is this girl?

Done, and how do you like it?

Hehe. It's you Mutsumi-chan. What, you can't believe how great you look right now.

I knew you'd be shocked to see it.

The earrings are a little bonus.

As for your hair, use a hair dye for the future, not a color shampoo.

What!!!? It is impossible.

I look like a girl. And what happened to my hair, wait, are they earrings?

Shocked

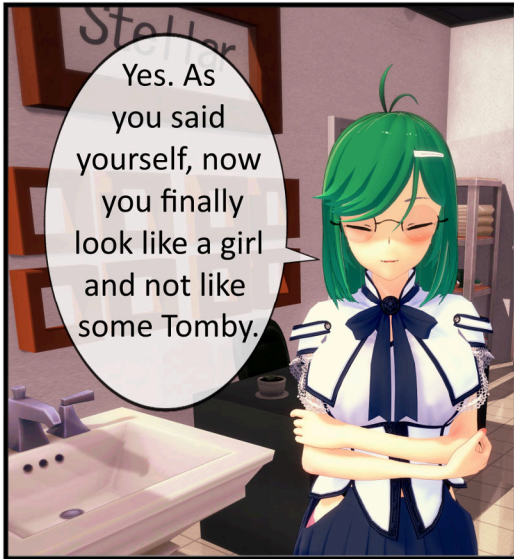

What?!

Though I don't know why you dyed your hair. this color suits you better

It must be the changes that this girl was talking about.

Really?

Of course it's me,
and who were you
expecting?

I really didn't
recognize you.

Me too.

I'm not
surprised. I also
did not recognize
myself.

Hmm?
In fact.

Mutsumi-chan's
chest seems
different.

I think
his breasts
really started
to grow.

After returning home....

You look great,
Mutsumi-chan.

Mutsumi-chan,
is that really you?
Unbelievable!

It's hard
to believe it's
really you.

Our ugly duckling
turned into a beautiful
swan. hehe.

But there is
nothing to be
ashamed of.

You look really
great now.

embarrassed

Please stop,
it's embarrassing.

Did
his breasts
really grow?

Some time later, in
Mutsumi-chan's room ...

However,
I was wrong.
It can always
be worse.

And it's
all because of one
stupid wish.

I shouldn't
have made fun
of that girl then.

But who would
know she was telling
the truth

I missed a
life chance.

It's a pity,
I could have had
everything and
I have to pretend
to be a girl
instead.

Well, man learns
from mistakes.

Maybe it's
some kind of allergy? Hope
he'll give me some ointment
or something for that.

Anyway, I have to
see the doctor tomorrow
because the feeling in my
nipples is killing me.

In the night...

ZZZZ

Mutsumi-chan,
Are you sleeping?

Great,
as I thought,
Mutsumi-chan
is already
asleep.

Okay, now
I need to be
quiet.

ZZZZ

I just hope he
doesn't suddenly
wake up.

I'm sorry,
Mutsumi-chan,
but I need to
know that.

ZZZZ

I'm terribly nervous, maybe I shouldn't be doing this after all?

After all, what if he suddenly wakes up or someone comes in here?

But I need to know that!

Ymmm ... I just took a peek, no one will find out.

Besides, this is our home, I have the right to do what I want in it, right?

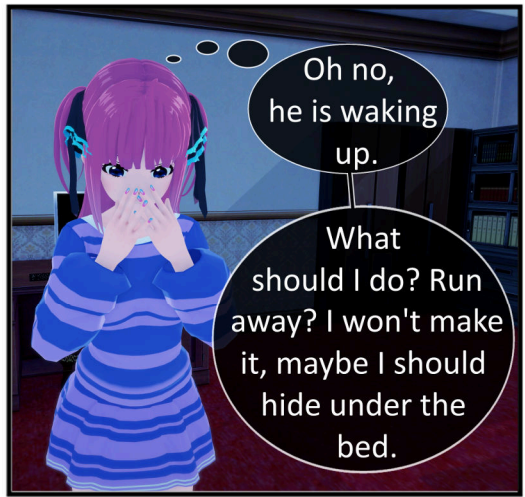

hmm?

It's hard to believe it's really him.

I hesitate a little, but now there's no turning back, I have to do it.

Please don't wake up.

Okay, now
the moment o
f truth.

Amazing.

Shocked

So that's true,
his breasts really
started to grow.

I wonder
if they will be the
same as ours.

Unbelievable.
Mutsumi-chan's
breasts are really
starting to grow.

Probably so.

In the meantime...

Rena, is that you?

Hi,
it's been a
long time.
hehe

What's up?

It's really
you, I'm so
glad to see
you again.

There are
so many things
I would like to
ask you.

I don't know
where to start.

I am also glad to see you again.

I can see you've changed a lot since our last meeting. hehe

What do you mean?

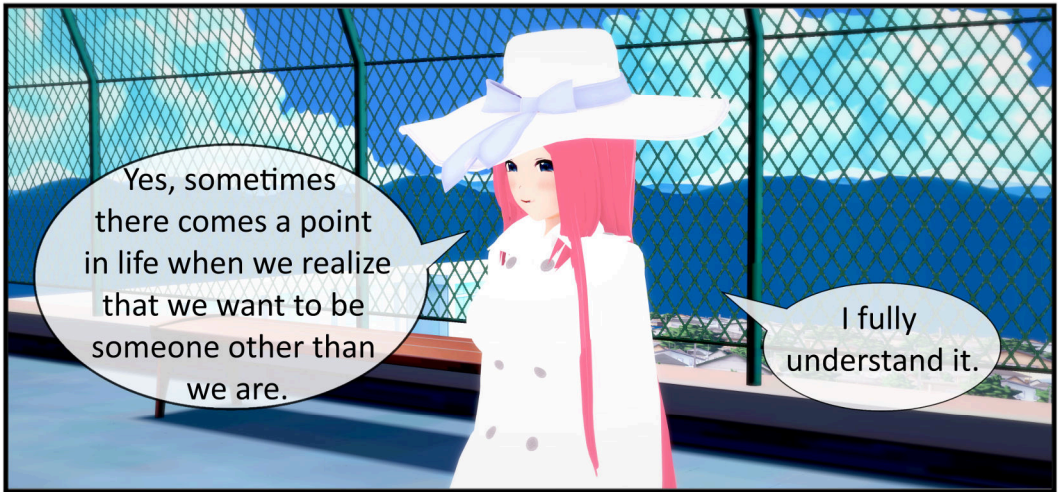

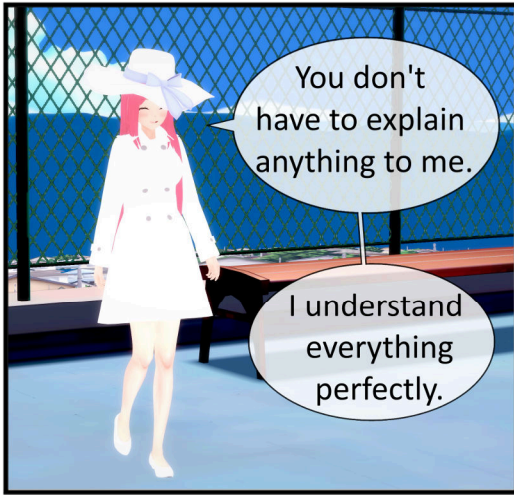

For example, your new outfit is cute.

What?!
Rena, it's not what you think.

Shocked

I can explain it all to you.

Weird, have you always been so short? You seemed taller last time

Besides, can I see well? Do you have painted nails?

No, you just thought.

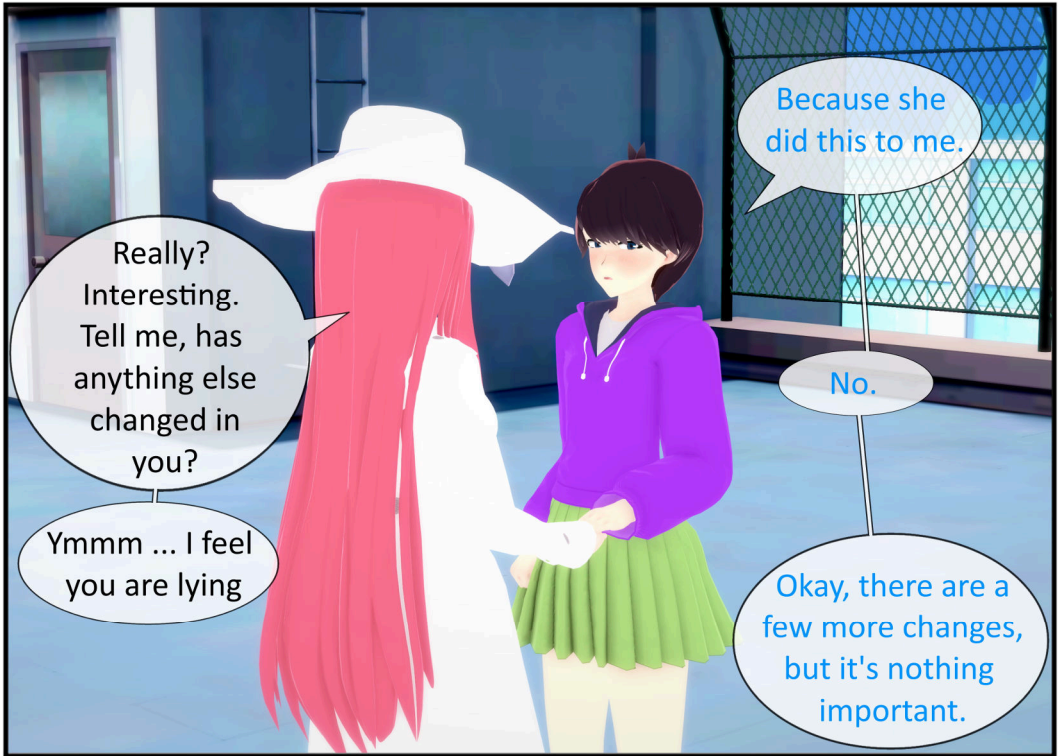

Don't pretend, I know what I saw, show me.

* Sigh * Okay, just don't laugh.

Wow, they look just like Nino's.

Really?
Interesting.
Tell me, has
anything else
changed in
you?

Ymmm ... I feel
you are lying

Because she
did this to me.

No.

Okay, there are a
few more changes,
but it's nothing
important.

My hair has
changed color and
my face looks more
girly.

Besides,
there are
no more
changes.

What about
that?

HNG!

That's
nothing.

Just
because you
don't accept
something
doesn't mean
it doesn't
exist.

Reality...

What a sweet squeak. Mutsumi-chan.

I guess you're really slowly becoming a girl. hehe

I don't know why, but I like it.

Dream.

It's really nothing, it's just some allergy.

NGH!

Is it really me moaning that?

Really, it sounds like something else to me. hehe

You know very well what that feeling is and you know what it means, right?

Yes, I know perfectly well what that means, but I can't admit it.

Why do you not accept it?

Cause I can not!

HNG!

Why? After all, it would make everything easier.

So why do you look like a girl?

What wish?

Yes, but I don't want to be a girl!

NGH!

It's not my fault, it's all because of that wish.

I wish I was one of the girls.

Meanwhile...

All these sounds make me horny myself

HA

AH

HNYAA

And the feeling of his ... things rubbing against mine doesn't help at all.

Maybe all of this wasn't a good idea after all.

* Sigh *
Mutsumi-chan
why is it you

...making my
heart beat
like crazy?
