

**The tools you need to turn children into masturbators...  
Looks like the cardboard I sent you has arrived.**

**Well...  
Let's start the process of rebuilding our poor Naval District.**

I'll tell you later.

But first,  
I'm going to shoot  
a video to introduce  
it to our customers.  
Do as I taught you.

Sir...I've lined  
them up  
as you asked...  
Tools...

That's  
a lot of tools.  
How do you  
use them?

In a  
Line...

Yes, sir,  
I'll be a masturbator  
with the commander's  
phimosis cock.  
I'm Etorofu,  
the first ship of the  
Etorofu-class escort ship...!

Yes, sir!  
Middle-aged cock slut slave!  
I'm Matsuwa,  
the second ship of the  
Etorofu-class escort ship...!  
I'm a virgin in both  
pussy and anus!  
Please enjoy the anal rape!

**Many of the other girls in the Naval District were knowledgeable, so they could have sex....**

**These girls don't have any sexual knowledge, so that's not going to happen.  
(Some of them like to watch girls being forcibly raped, but...)**

**Let's educate them on simple sexual knowledge first, and then we'll rape them.**

**Etorofu... this girl seems sturdy enough to have sex with. I'll let her deal with customers who just want to have sex with little girls. The footage of her losing her virginity at this age is priceless.**

**Matsuwa... she's a crybaby, even smaller than the little Etorofu. I'll just develop anal sex and auction off the virginity.**

Make the dick feel good  
and get paid for it.  
It's your only job.

This is a  
man's dick.

You should be honored.  
You are the youngest in the  
Japanese Naval District.  
It's rare for a young child  
to get this job.

Ta-

Yes, sir.  
Please teach  
e how to  
feel good.

There are  
many ways...  
First of all,  
try touching it.  
If you can make  
it feel good,  
my dick will  
get bigger.

Well...?

Commander's  
phimosis cock...  
It's so hot  
and jumpy...

How's that?

It feels  
like rubber.

Oh...!  
You've mastered  
the use of lewd words...  
You're quite talented.

If it wasn't  
the fleet girls,  
it would be the  
little preschoolers.  
They're staring at a  
middle-aged man's cock  
with curiosity...  
and playing with it.  
I never had a taste  
for little girls, but...  
Parental love and  
a sense of immorality  
combined...

It was proof  
that Matsuwa's  
lewd words made  
me feel good.

Ohh..

There's a hole  
at the end...  
It's bigger than  
our weapon...

Wow!!

You grew  
a bone!?

There are other things  
that make you feel good,  
like sucking, licking,  
saying naughty words,  
and seeing a girl naked.

The military police will take you away!

A man's cock  
can make a woman  
feel good too.  
I'll be even more  
thrilled when  
you peel off the tip.

**There are many things we don't know about the fleet girls, but there are some things we do know at this point.**

**For some reason, they have a very good chemistry with the people who are their superiors.**

**They obey orders, are not afraid of combat, and are sexually active... It's not uncommon to hear that a commander and a fleet girls have been having intercourse all the time.**

**Of course, it varies from person to person, but it seems that the chemistry between them deepens depending on the sexual desire of the superior officer. These girls seem to be the best of both worlds.**

Be more dirty and beg for sex!

brrr...  
Why did I...?  
I can't resist the commander's big cock!

What?  
...What?  
Why did I pee..?

Even if you have no sexual knowledge,  
you can't resist your instincts...  
Any infant is capable of a pleasurable sexual act.  
That's what fleet girls are for.
