Looks like they're gone for the day. This should be a quick smash and grab then.

One good swing and...
We bypass the door alarm.
Thank god it wasn't

XXXXMILK

A woman with short, straight purple hair is shown from the chest up. She is wearing a black, ruffled, low-cut top with two large silver buckles at the waist. She has a thoughtful expression, with her right hand resting on her chin. The background is a brightly lit sex shop with purple walls, shelves of products, and mannequins in various outfits. Signs in the background include "SM - B", "LATEX", "CABINETS", "SHE'S SEXY", "LIPS - COSTUMES", "LIPS - BLACK", and "LIPS".

Oh My Goddess! Is someone breaking into my store? Who would be foolish enough to break into a sex shop owned by me?

That someone needs to pay for that, and I have just the punishment for them

You broke my window to get into my store?! What were you thinking?! The door was unlocked, for Goddess sake!

Doh!
Never mind that.
Where do you keep the cash?!

What do you mean lady? What are you talking about?

Cash? Is that all you really want, with all this standing in front of you?

Oh just call me Allura,
and I think you know
exactly what I'm offering
here, young man.

Why miss Robertson,
are you trying to
seduce me?

HOLY SHIT!!! This isn't
happening! Things like this only
happen in the Penthouse forum!

Ooo! Looks like someone is glad to see me. Does big Johnny wanna come out to play?

Whoa! All she did was touch my cock and it got rock hard like magic!"

The name is Chris, and you, dear slut, now have my undivided attention.

Okay Mr. Chris. You are dealing with a demon of lust, and I am about to ROCK your world. I put the suck in succubus.

Now to drain this asshole
of every drop of his manhood.
Break my window and steal from
me will you? You will pay
for that!

DAMN! She's got
skills! Deep throating
me right off the bat?!

"MMmmphmm!"

OMG! She's goood! Cupping my balls and everything? I'm cumming already? That's crazy! Looks like she's sucking me off too. What a SLUT! That's right. Swallow it all you pink haired bimbo!

Mmmm slurp! Mmmm

OH MY GOD!!!
It's been 20 minutes! How
are you still getting me to cum
so hard?! I need to pull out, slut,
before I collapse!

No way am I
letting this ass-hat
escape now.

SLURRRP

That was so intense....Wait a minute, WHAT HAPPENED TO MY HUGE COCK?!!

Oh. You wanna see what's left of your tiny, little weenie?.

Mupgmm!

Lets get rid of that pesky shirt, so you can get a better look at the pathetic thing now!

It's the size of a pencil, and yet I can't stop cumming, and jerking myself off. I'm getting even hornier with every stroke, and I can't stop myself!

That's not cum. That's your male essence, and your breasts are starting to come in nicely.

That's right, sweetie.
Not only a woman, but a sex
object for men. Once that last
drop squirts out, we will dig
in deep to make you a
brand new pussy..

BREASTS?!
But I don't want to be
a woman!

Ah. The last drop of manhood. Say goodbye to being a man.....or a person for that matter. My venom will speed things up a bit.

HOLY SHIT! I'm finally empty, but I'm starting to edge again from this new tingling feeling inside. I want to cum some more, but I have nothing left down there
.....
Wait a minute, What is going on with my fingers?

My breasts are so sensitive. Stop playing with.....
OH GOD! Your fingers just went inside me and it felt ELECTRIC!

I'm just creating your new, deep, wet pussy.
A new home for all that fresh dick you'll be taking from now on.

First off, I'm not *GAY!* That is never happening, no matter *HOW* horny, or edging I am feeling right now! Secondly, *WHY* the *HELL* are my hands and feet gone?!

Oh yes you will take all that *COCK*, and love every minute of it. Secondly? Cum-buckets don't need limbs to do their jobs.

NOW GET ON THE FLOOR, you sex toy, like the bitch in heat that you are, and BEG FOR A BIG, FAT, COCK TO FILL YOU!!!

AAAAAAHH!!!
I'm falling, and I can't get it up!!

A woman with short black hair, wearing a shiny pink bodysuit, is lying on her back on a grey tiled floor. Her eyes are closed and she has a pained or shocked expression. A large, realistic-looking leg is positioned over her chest. Another leg is visible to the right. Two speech bubbles contain text.

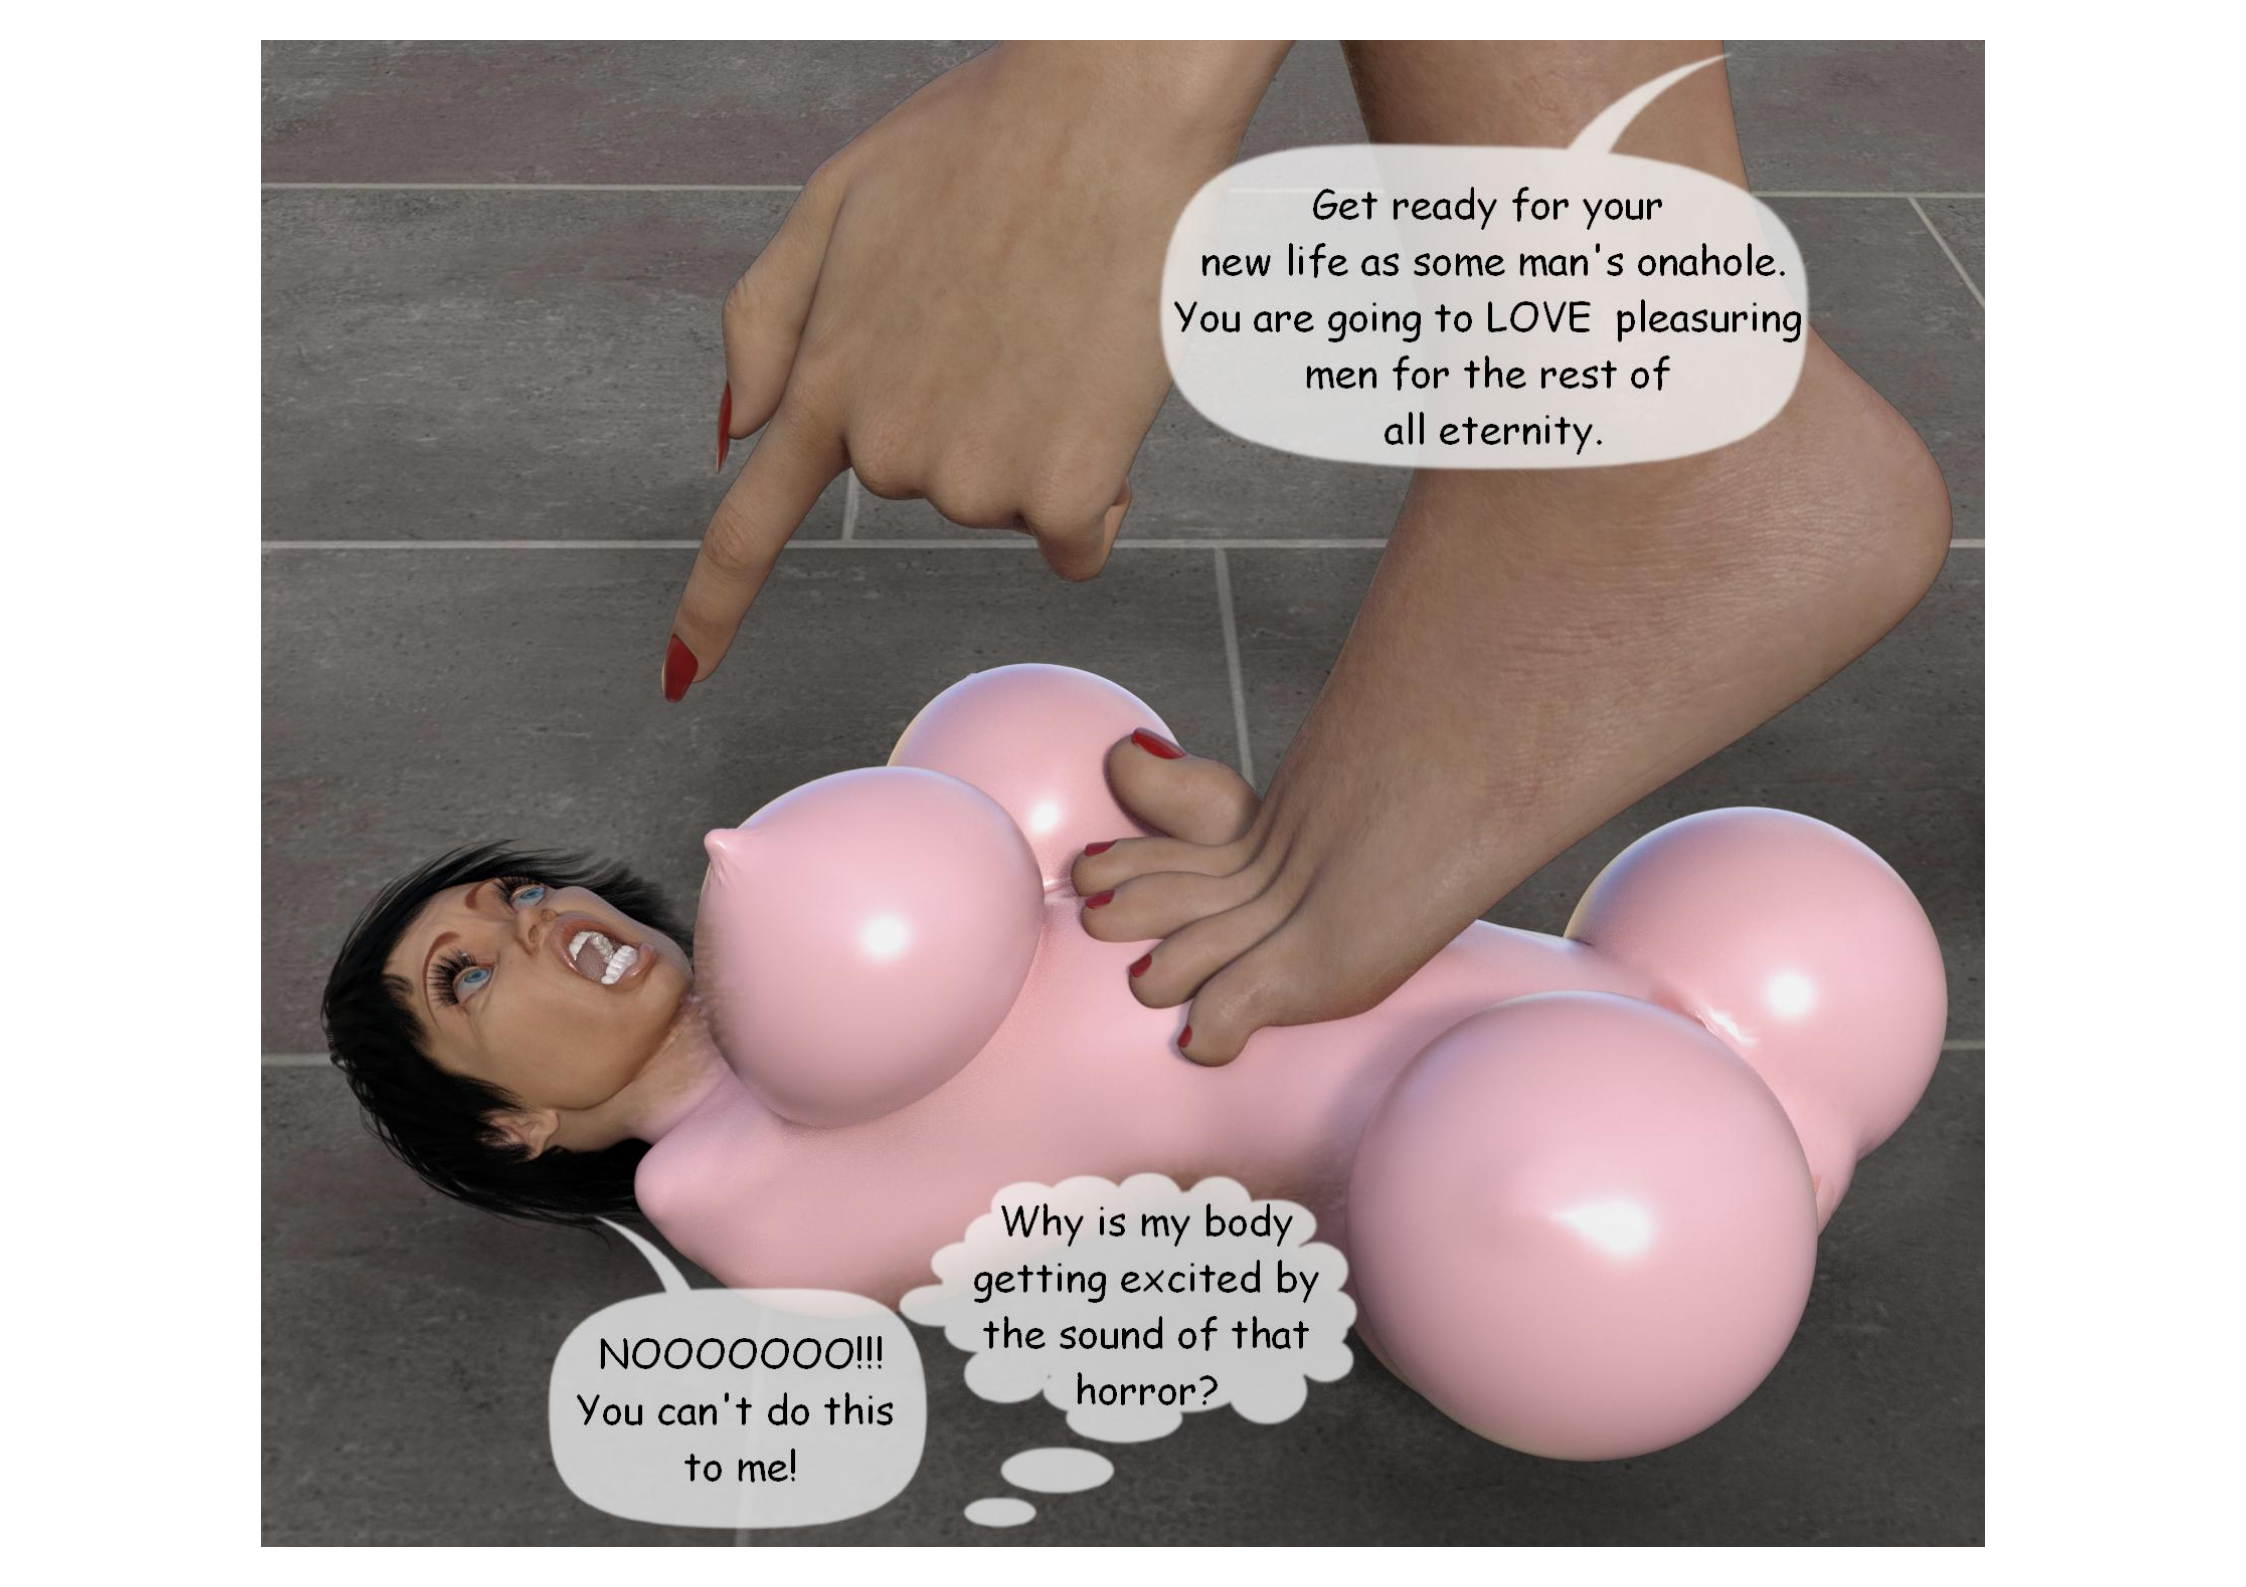

Oh my god!
What are you doing to
my skin?! It is getting
me so hawt.

Oh. Don't you know?
All good cock-sleeves are
made of silicone, and I think
pink suits you..

No! I need something I can sell in my sex shop to pay for the window you broke. And I know just what to sell you as.

SILICONE?!
What are you turning me into? Isn't changing me into some horny slut enough?!

Get ready for your
new life as some man's onahole.
You are going to LOVE pleasuring
men for the rest of
all eternity.

NOOOOOOOO!!!
You can't do this
to me!

Why is my body
getting excited by
the sound of that
horror?

That's right Chris. You are nothing more than a pink silicone flesh-light now. A guy's sextoy!
And with that new cock thirsting body of yours, you look more like a Christina now.

Ahh, Christina.
You are finally small
enough for testing.

Allura!
What did you do to me?!
I may have shrunk, but I can feel
my pussy tingling and getting
bigger!

Now for some product testing. As a succubus I should have enough of your sucked manhood to do that much myself..

Stop touching me!
My new silicone skin is too sensitive, and your touch is making me hornier and wet.!

Ah. I knew I
had enough to grow a
decent sized cock to
use on you.

OH CRAP!!!
You can't put that huge
thing in me! It will split
me open!!

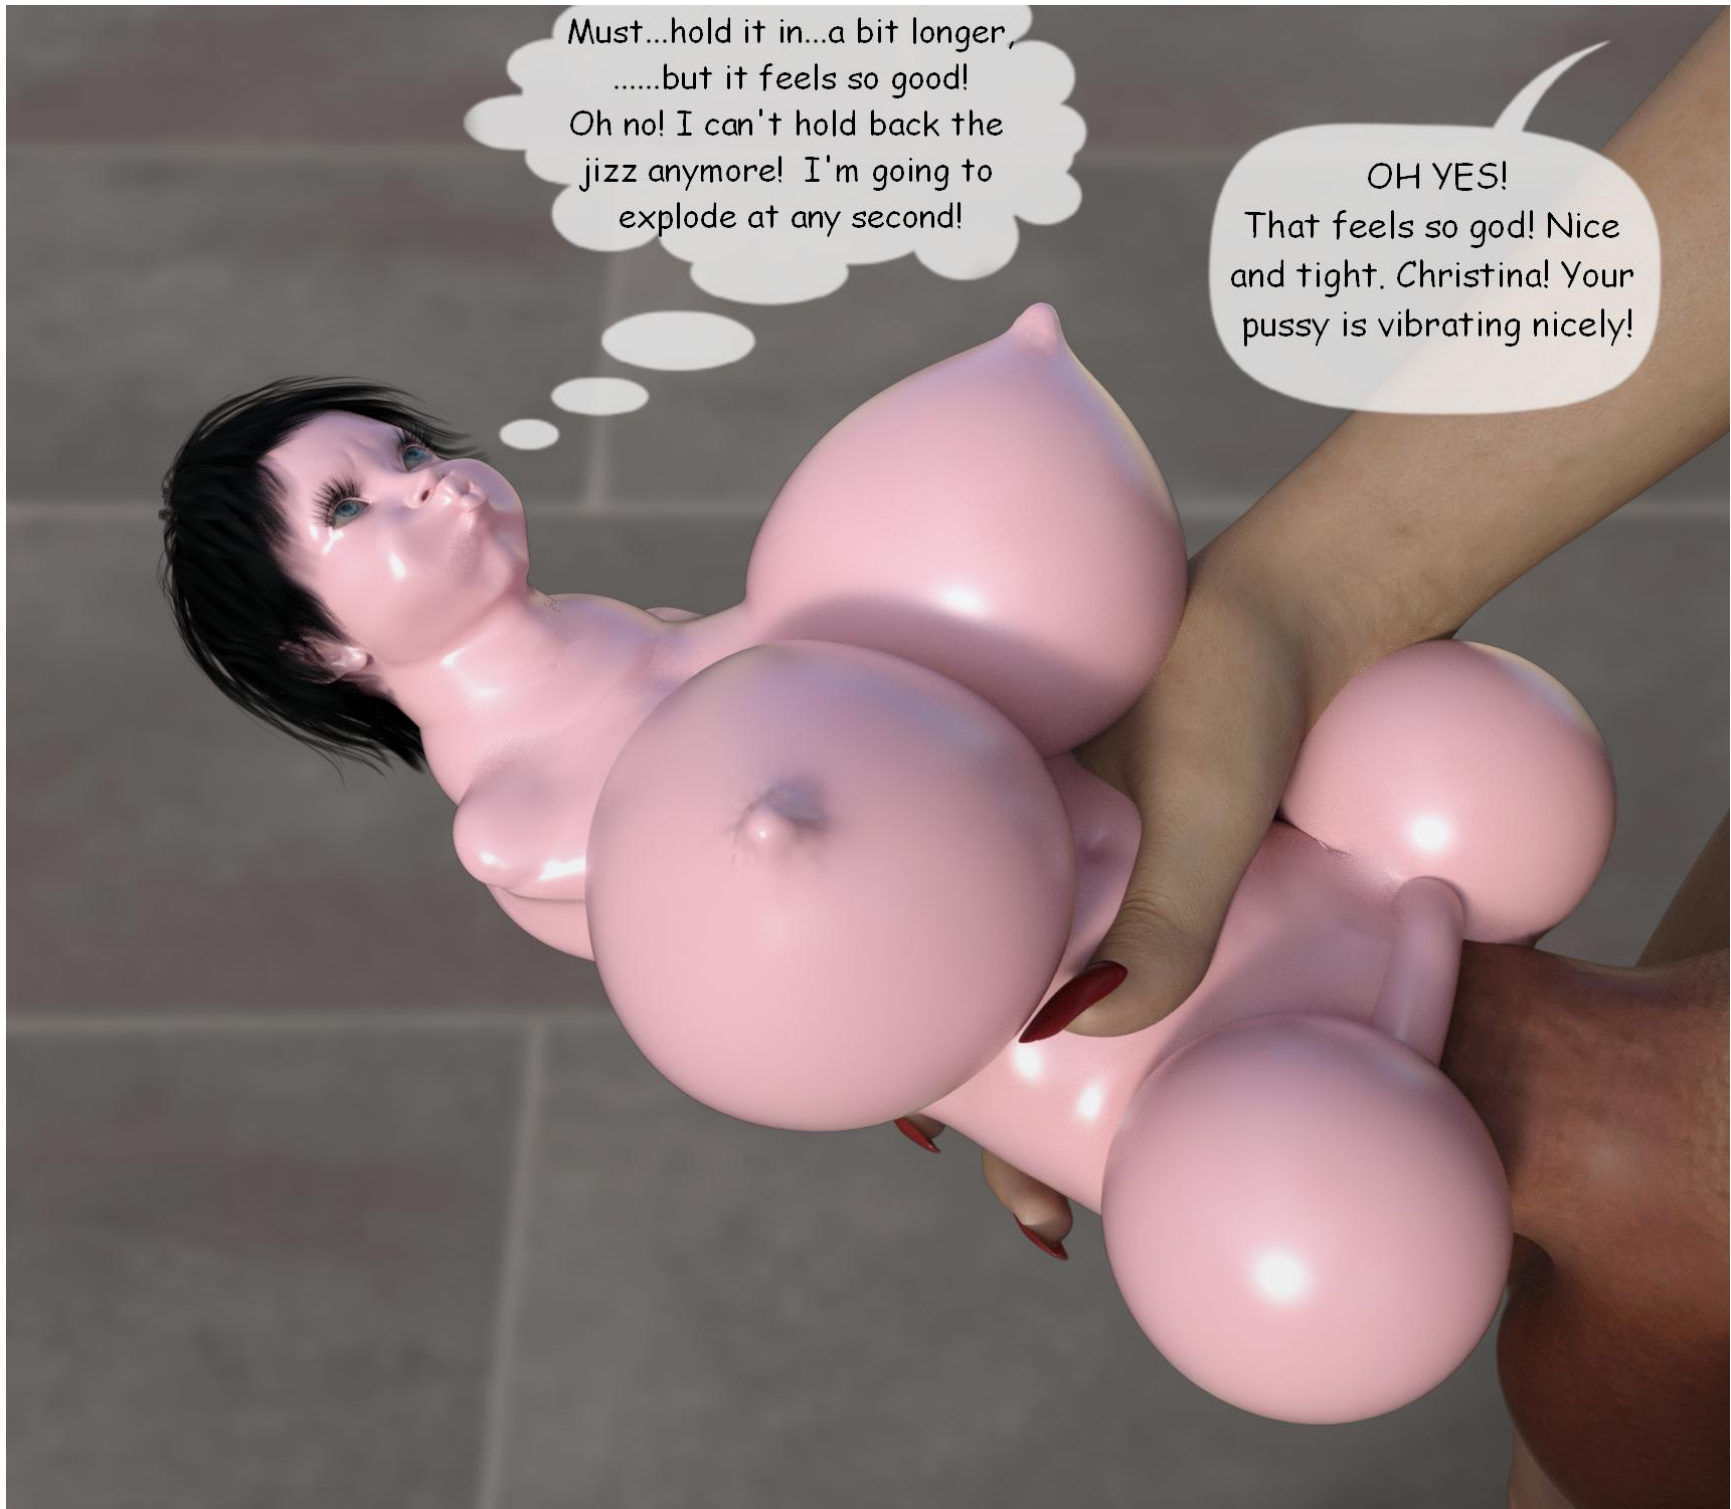

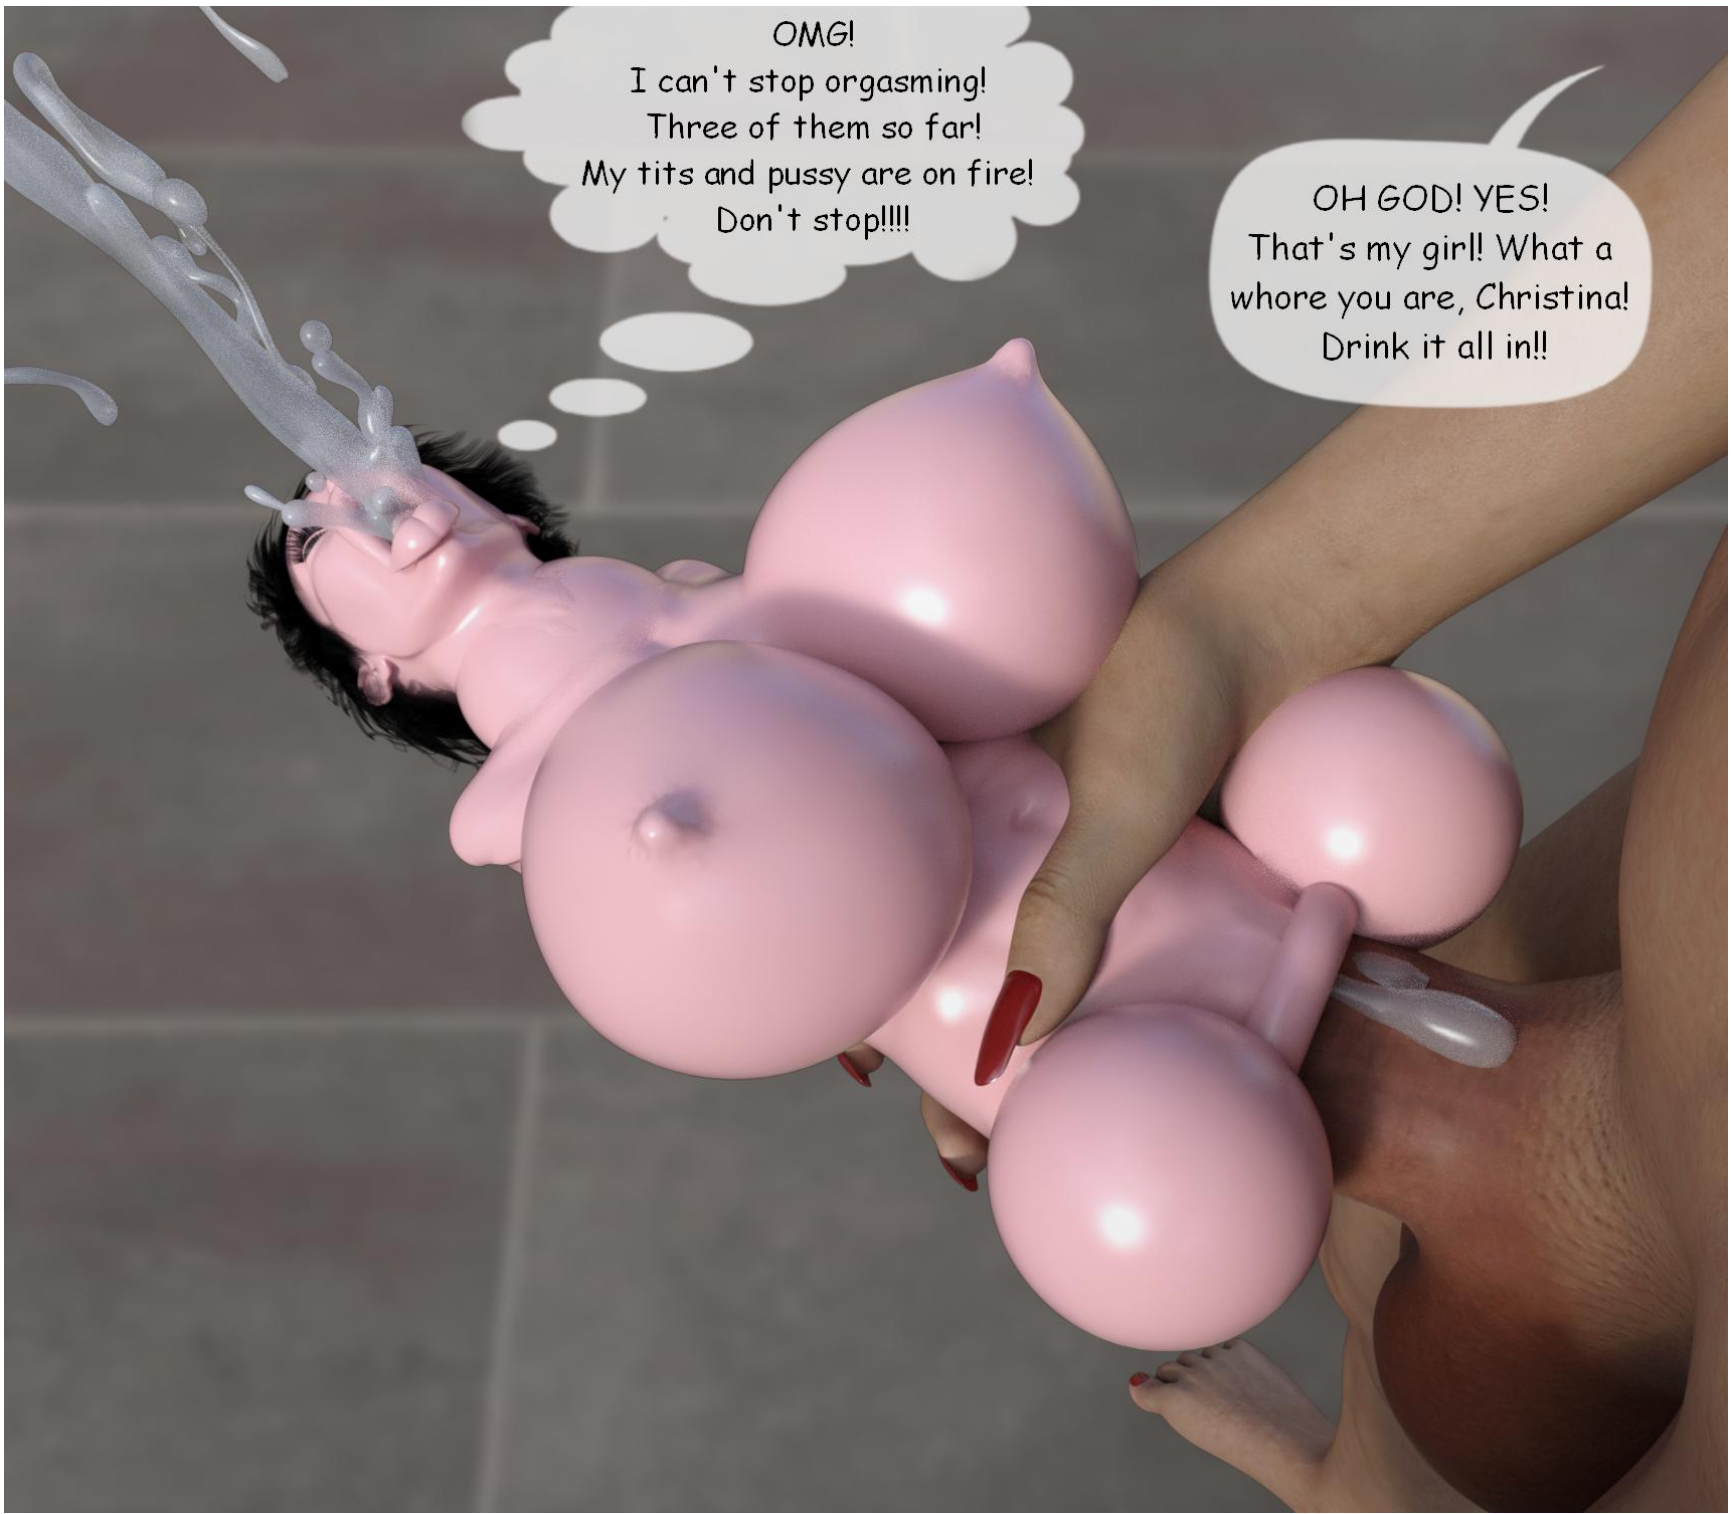

Oh my God, oh my God,
oh my God....
This can't be happening!
Why is my new pussy begging
to suck that cock inside?!

Once you orgasm, and
you're so filled with my cum
that it shoots out your mouth,
you will become a complete
onahole permanently
and forever!

Must...hold it in...a bit longer,
.....but it feels so good!
Oh no! I can't hold back the
jizz anymore! I'm going to
explode at any second!

OH YES!
That feels so god! Nice
and tight. Christina! Your
pussy is vibrating nicely!

OMG!
I can't stop orgasming!
Three of them so far!
My tits and pussy are on fire!
Don't stop!!!!

OH GOD! YES!
That's my girl! What a
whore you are, Christina!
Drink it all in!!

I can't move or talk anymore.
What's happening to me?! Allura?!
I feel my lips growing bigger as well,
and I can't close my mouth!

Ah! I see you finally absorbed
the DNA from my succubus cum,
and are now starting to look
more like me. Now no one can tell
you apart from. . . !

at least 3 to 5 times,
or more a day. This way you will be
kept well fed. Now to fix the window
you broke with magic before we
open. Enjoy your new life as a
sex-toy.

... all the other mass produced
onaholes I had made in my
image, and delivered. But don't worry.
I cast a spell on you to make you an
aphrodisiac to all men. Your new
owner can't help but use you...

my whole reason for being.
Please use me more today?

Aah. I'm too tired to go anymore today. Goodnight my pocket pussy, girl.!

Only 32 orgasms today? He must be under the weather. Oh well. At least I am still covered in my boyfriend's warm, sweet cum.

The worst part of my day
is waiting for my owner's morning wood
as he sleeps. I can't wait to suck on his dick first
thing every morning. I hate when I'm not being
used. I hope he never finds out that his friends also
use me too, on game night whenever they come over.
I want to be a good little girl cum bucket, but
I need more cock. A woman's gotta get her
fill somehow.
