Ah..

"What happened to me..? Ugh.. I couldn't remember anything."

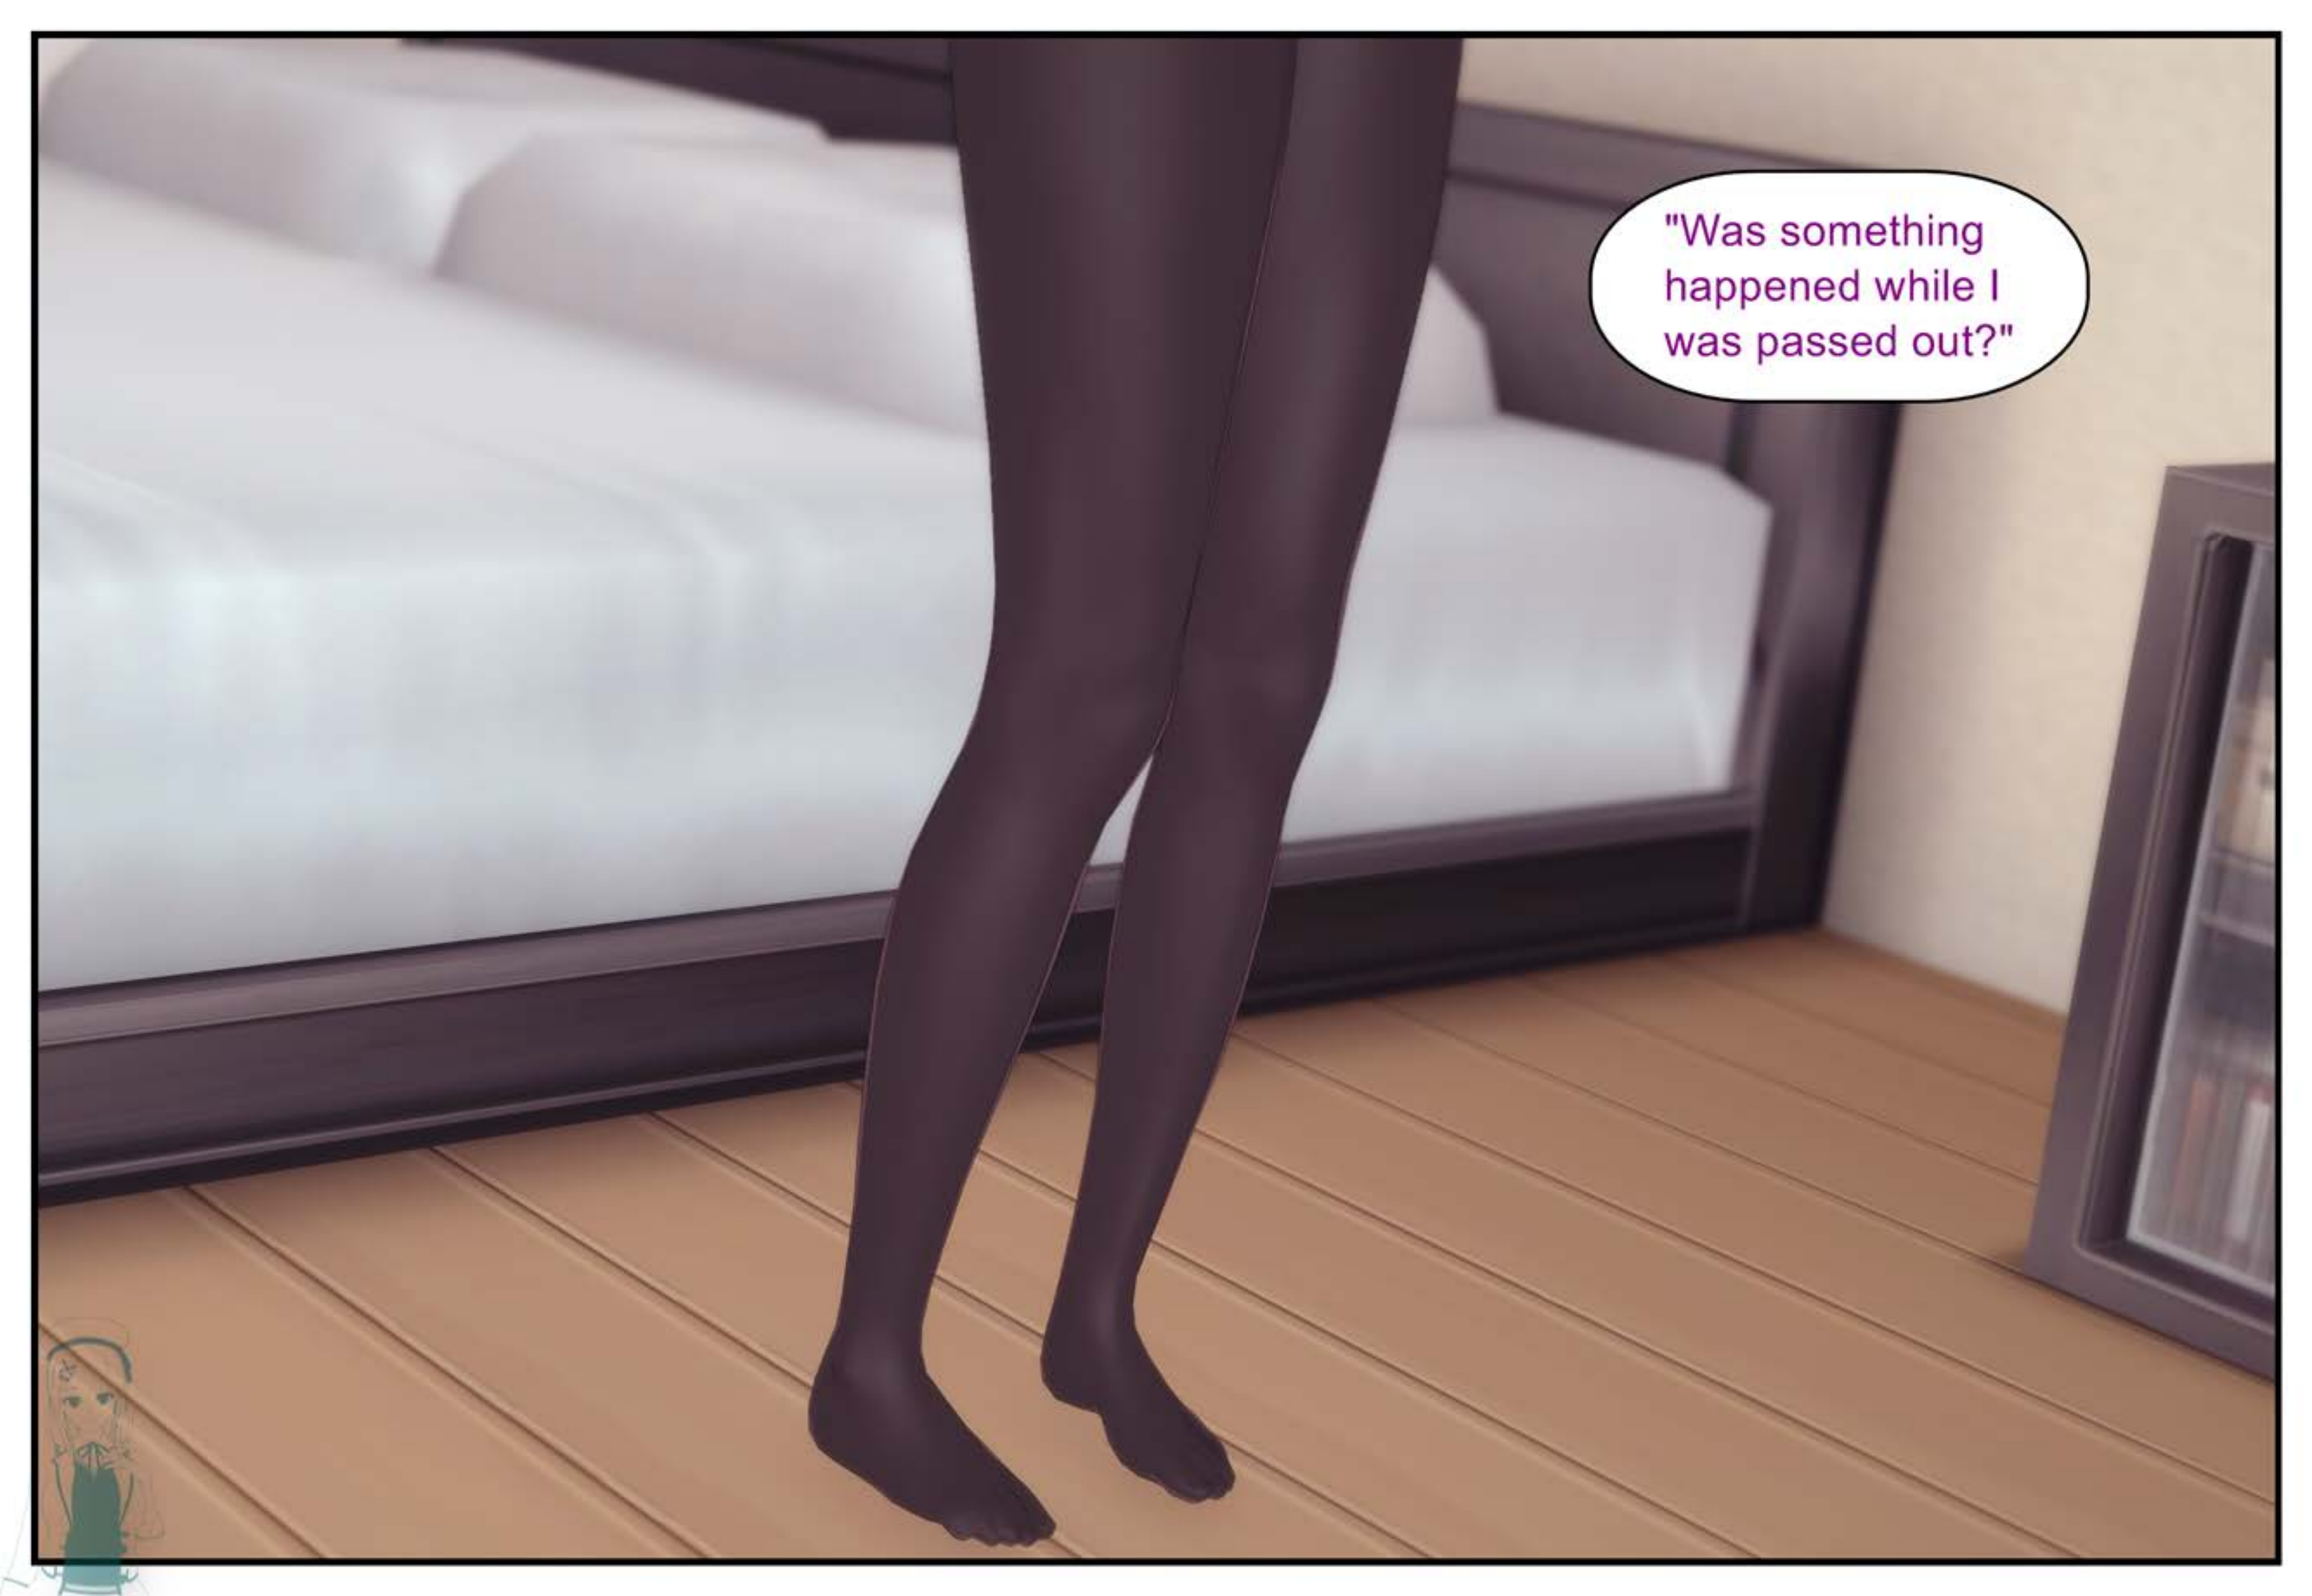

"Uh.. My body was really heavy.. Why was I in Senpai's room anyway?"

"There was magic material present in this room.."

A person's legs, wearing black tights, are the central focus of the image. They are standing on a light-colored wooden floor. In the background, there is a bed with white linens and a window with a dark frame. To the right, a portion of a dark-colored cabinet or wardrobe is visible. A speech bubble is positioned in the upper right area of the frame.

"Was something happened while I was passed out?"

Please be okay,
Senpai!

A person's legs are shown from the waist down, wearing a dark purple skirt, dark purple leggings, and brown lace-up boots with dark blue cuffs. The person is walking on a light green carpeted floor in a hallway. In the background, there are white walls and a window with horizontal blinds. A shadow of the person is cast on the floor. A speech bubble is positioned to the left of the legs.

"Weird.. There's
no one around.."

Senpai!! Are you
still here!? Anyone?

It's you..
Medea..

Was this all
your doing?

Where is Senpai
and the others?

"Does she want to destroy the whole facility..!?"

Aaaaahhh.. It's really great..
Let's do more?

Uhm..

Good evening
to you, Mash.

Karma.. What do you want?

Oh.. I know you have a lot to ask, but I and my slave here can't answer it all.

I will tell you why you are here, Mash.

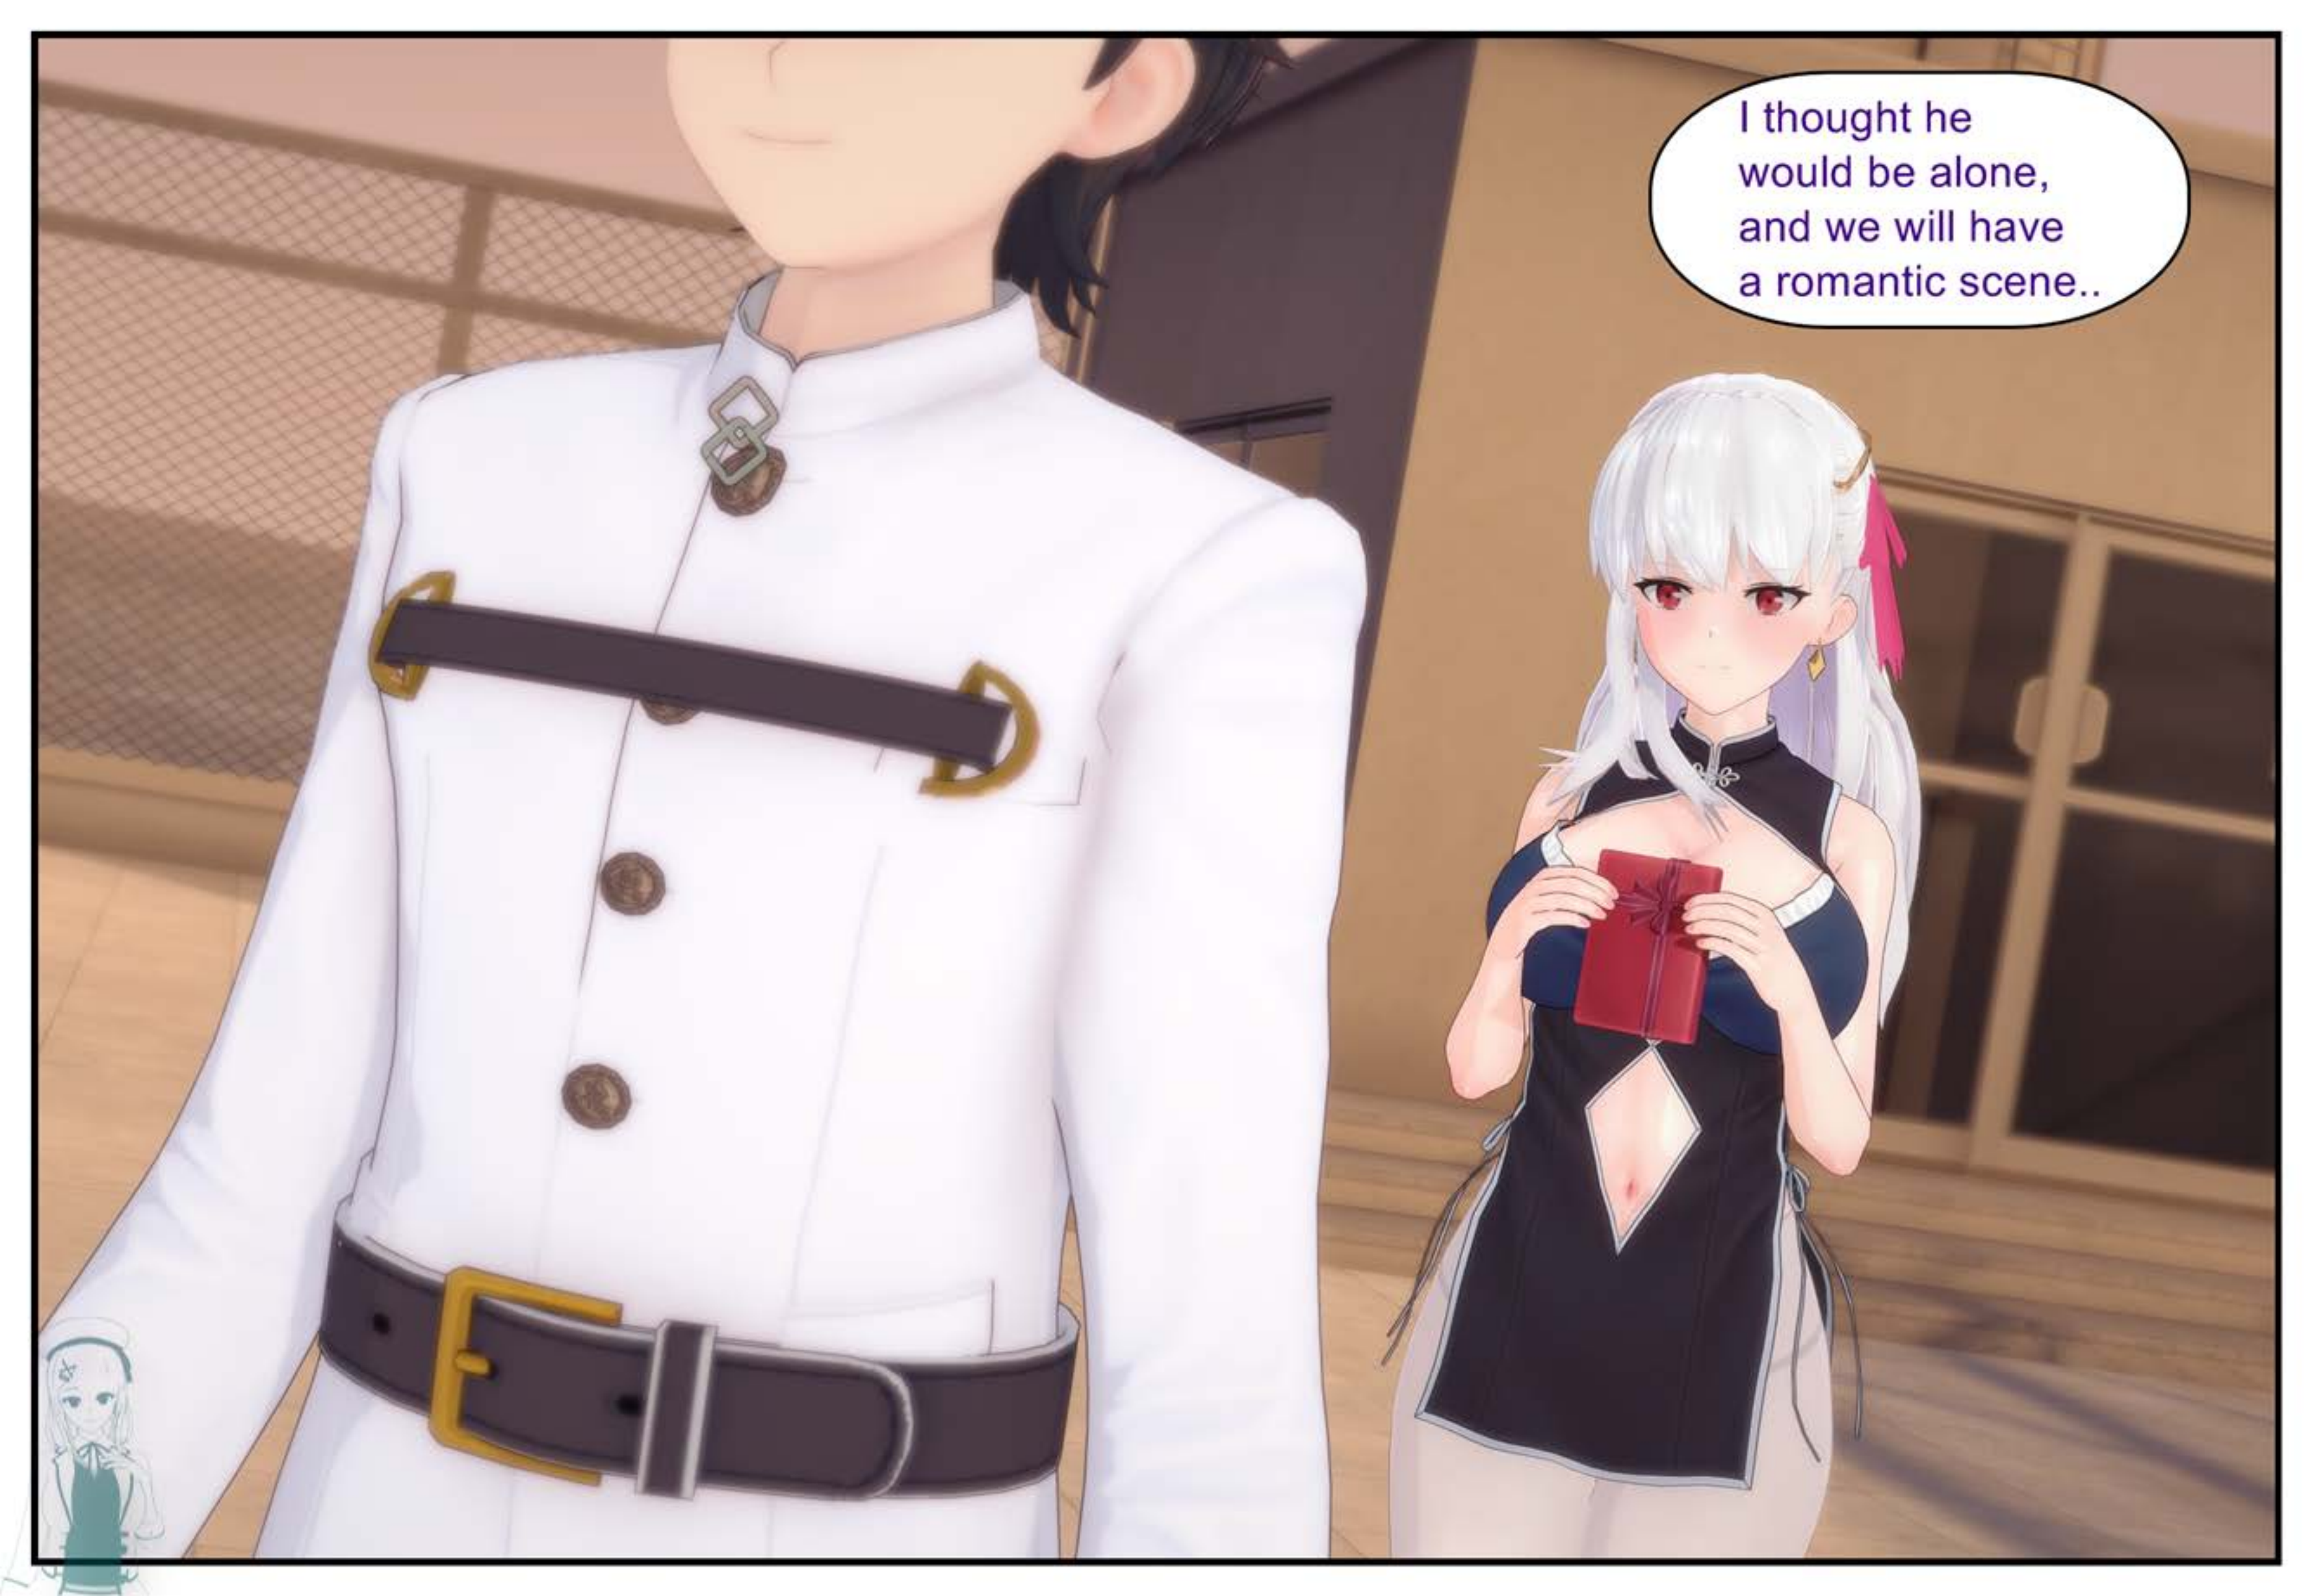

You must remember
the last Valentine, right?

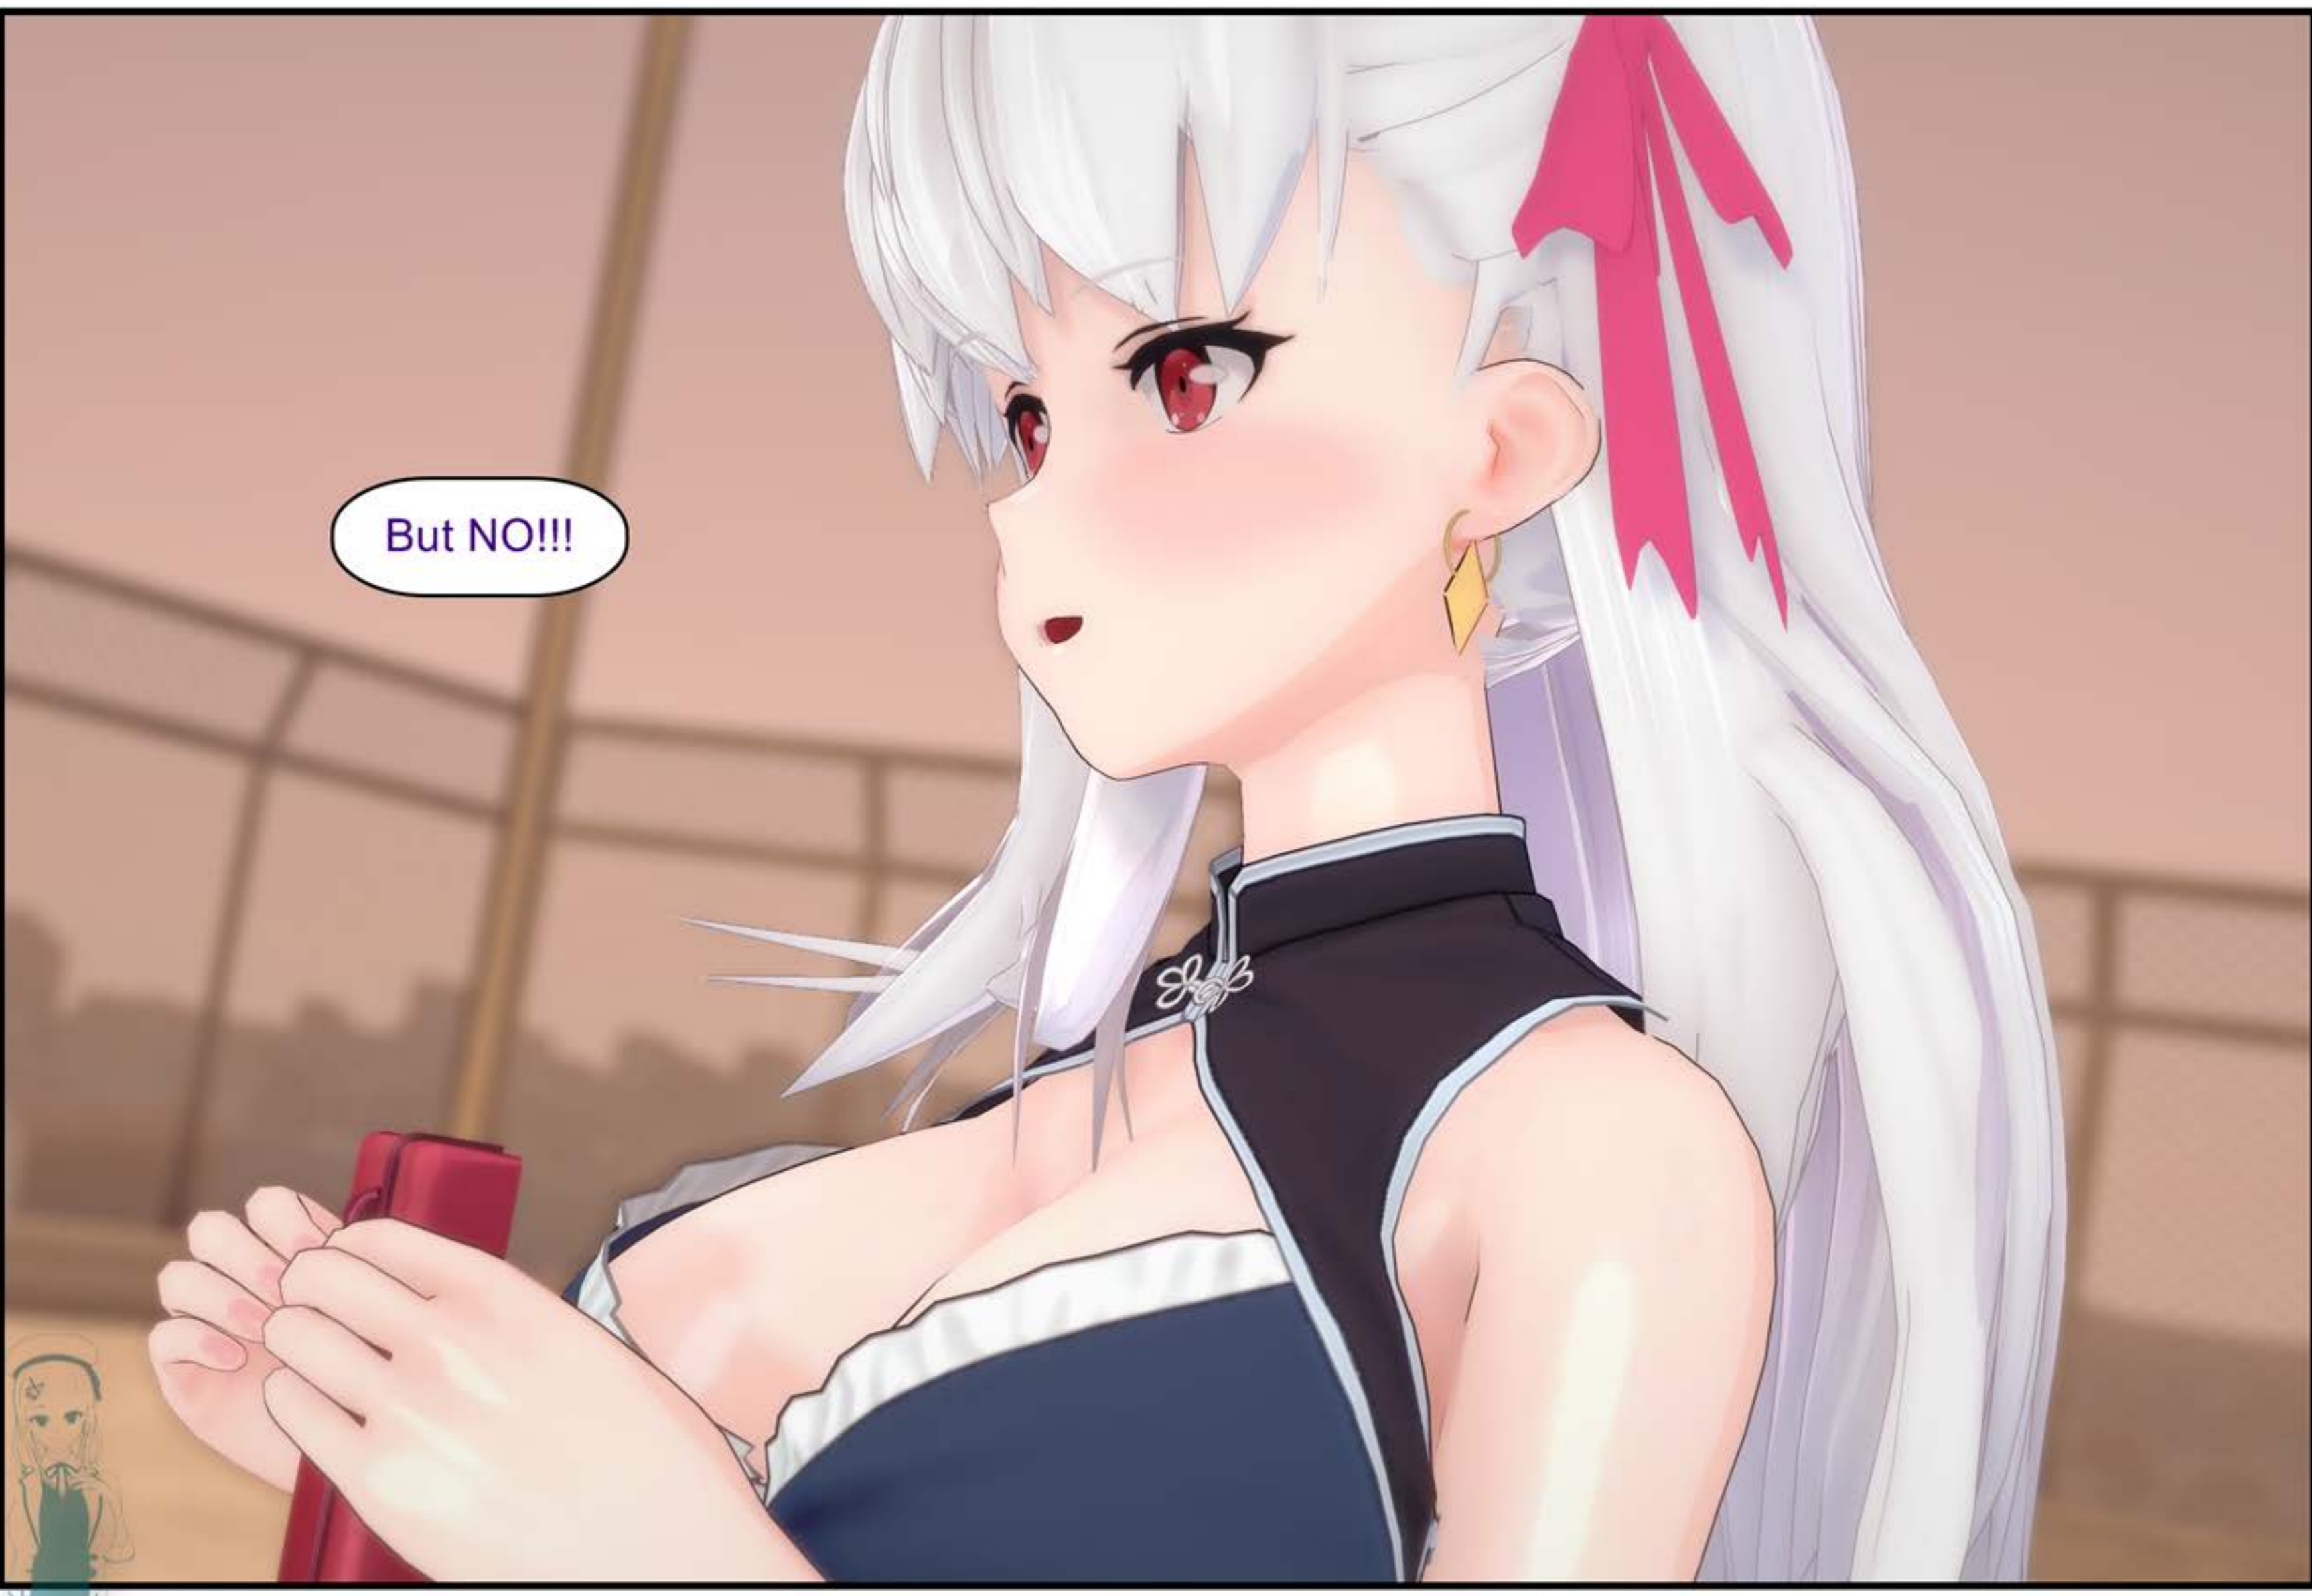

I called Master out, and I was about to give him my Valentine's gift.

A manga-style illustration. On the left, a man is shown from the chest up, wearing a white, high-collared uniform with a dark brown belt and a dark strap across his chest. On the right, a woman with long white hair and red eyes is shown from the waist up, wearing a black, low-cut dress with a white diamond-shaped cutout. She is holding a small red gift box with a white ribbon. A speech bubble is positioned above her. The background shows a wooden floor and a window with a grid pattern.

I thought he would be alone, and we will have a romantic scene..

But NO!!!

You were there,
Mash! You ruined
everything!!

Why do you have to stick with Master all the time!?

Since then, I
promised to myself..

..that I will be the
only one that with
Master forever.

I have prepared everything, until the next Valentine.

Even that, Senpai
won't allow it..

Not a problem,
just be someone
that he close with.

So tired..

Control two at once wase a lot energy.

"Haha.. Seem like I have enough fun already."

I think so too,
we should stop here.

Ah.. What just happened to us?

So exhausted..
I can't even get up..

B-Boudica..!!??

Hm.. Not bad at all..

Is something
the matter, Master?

Nothing, I'm sure
this will work.

Is Karma won?
To be continued?

Hm? I won.
What are you guys
going to do?
