Mina,

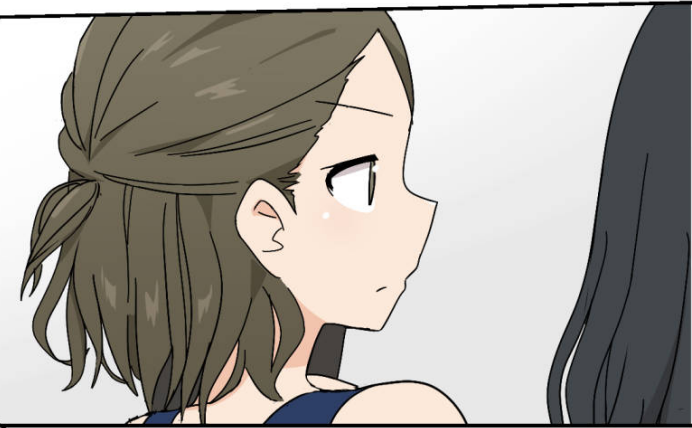

Mina...

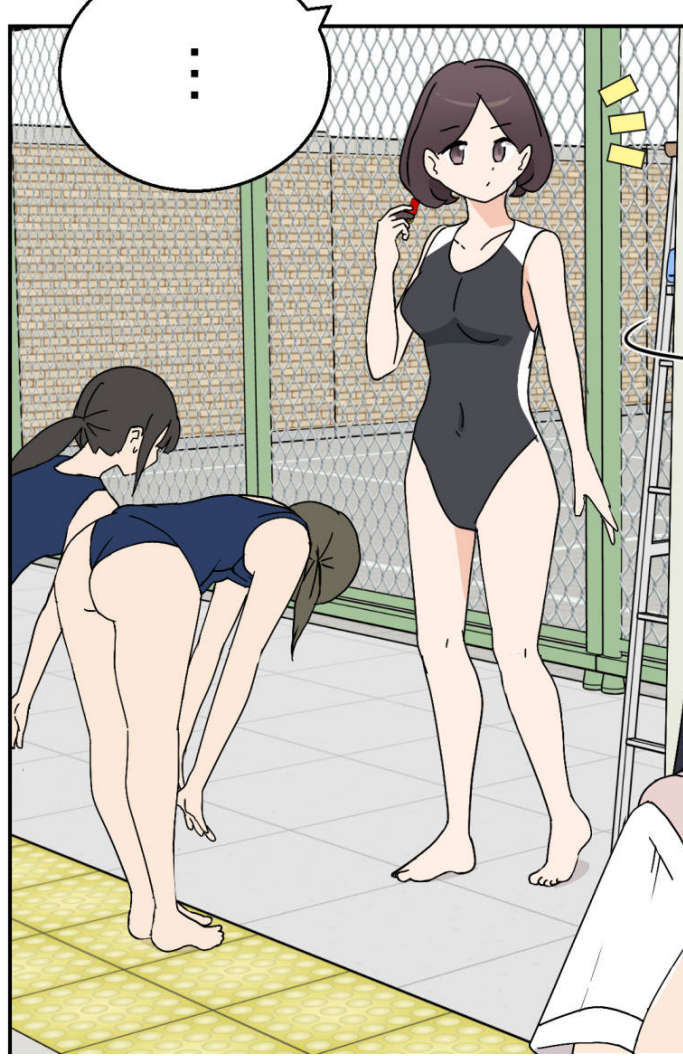

Stretch!
1, 2, 3...

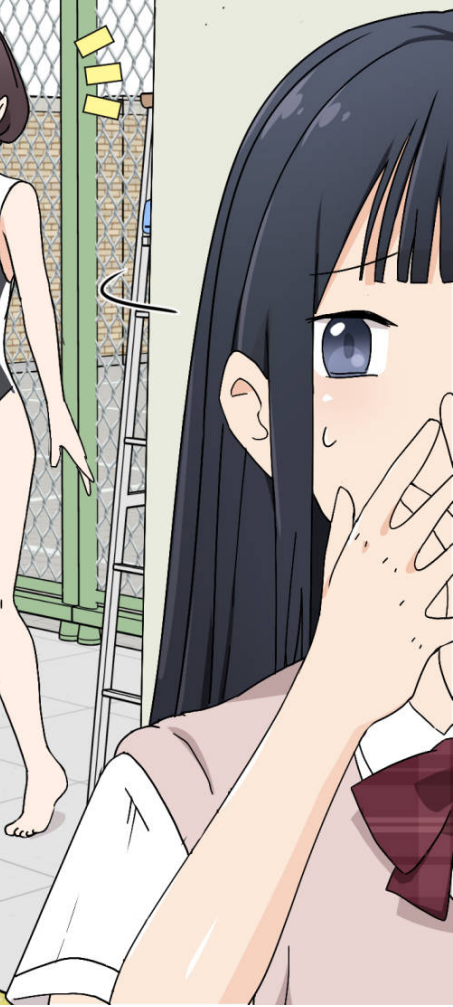

Please forgive me!
The cinema thing was my fault...

Everyone, after you finish stretching it's free time.

...

...

You're worried you can't wear it because of your diaper, right?

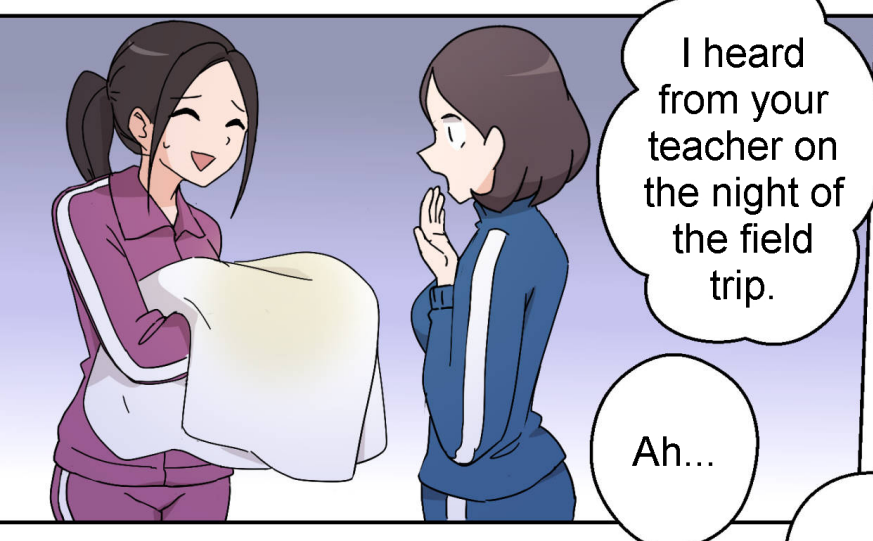

That's a lie.

H-how did you...

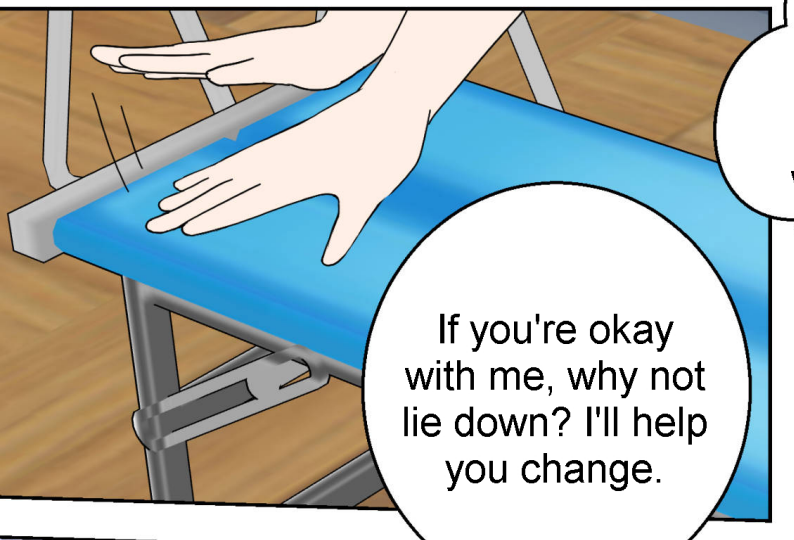

Sarah, why didn't you come for the pool class?

I, uh, lost my swimsuit ...

I heard from your teacher on the night of the field trip.

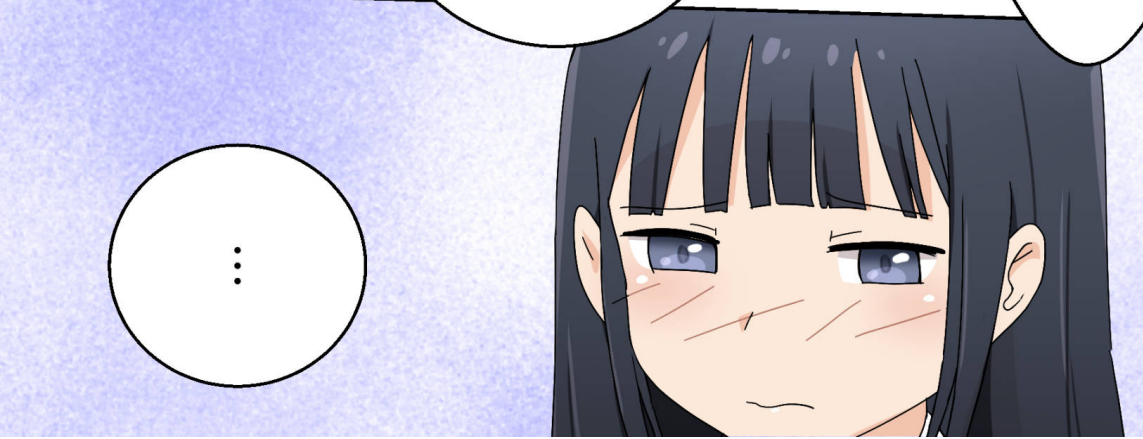

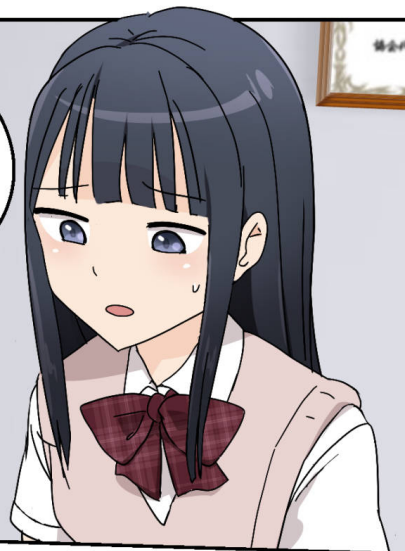

Ah...

If you're okay with me, why not lie down? I'll help you change.

I still have a class to teach. And the other kids are waiting, you know?

I'm sorry...

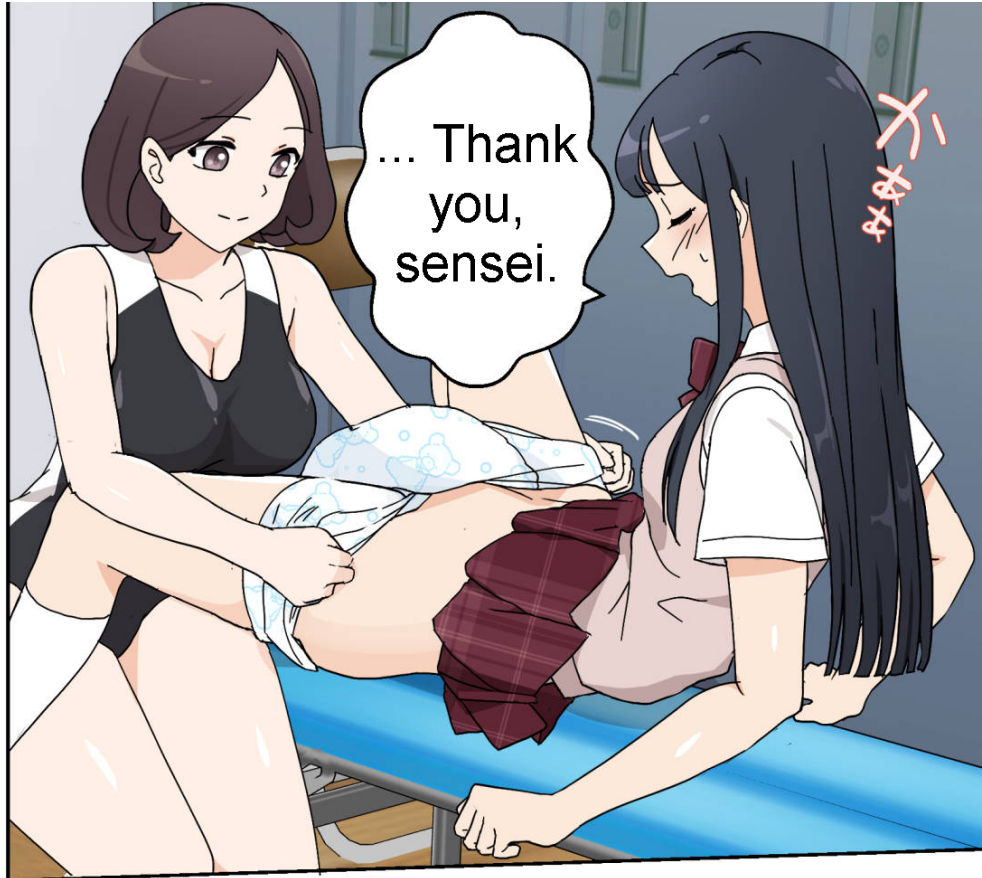

⋮

If not, you'll miss today's swimming lessons... is that okay?

Now then, I've gotten the diaper off,

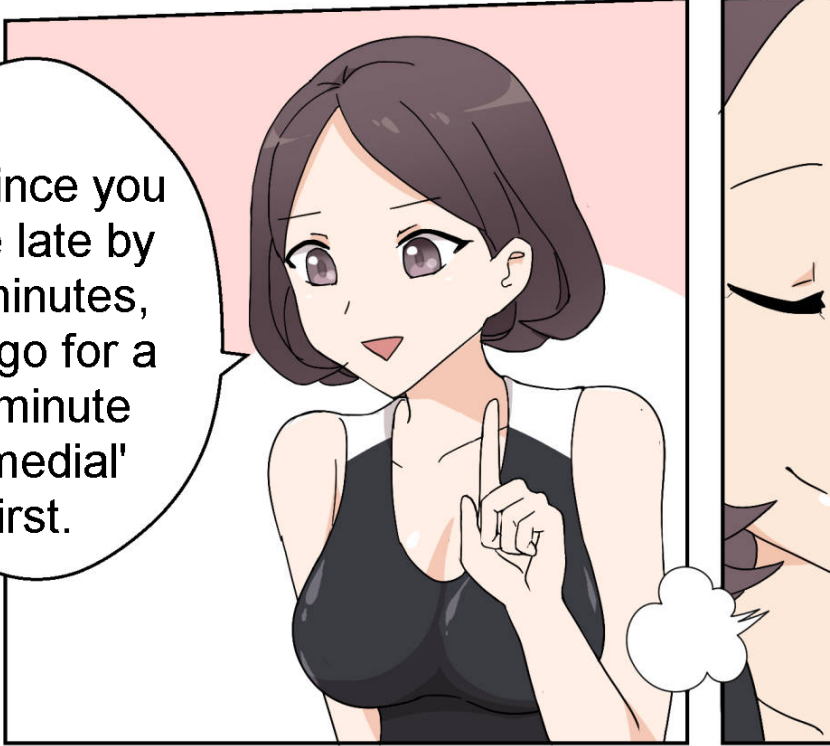

... Thank you, sensei.

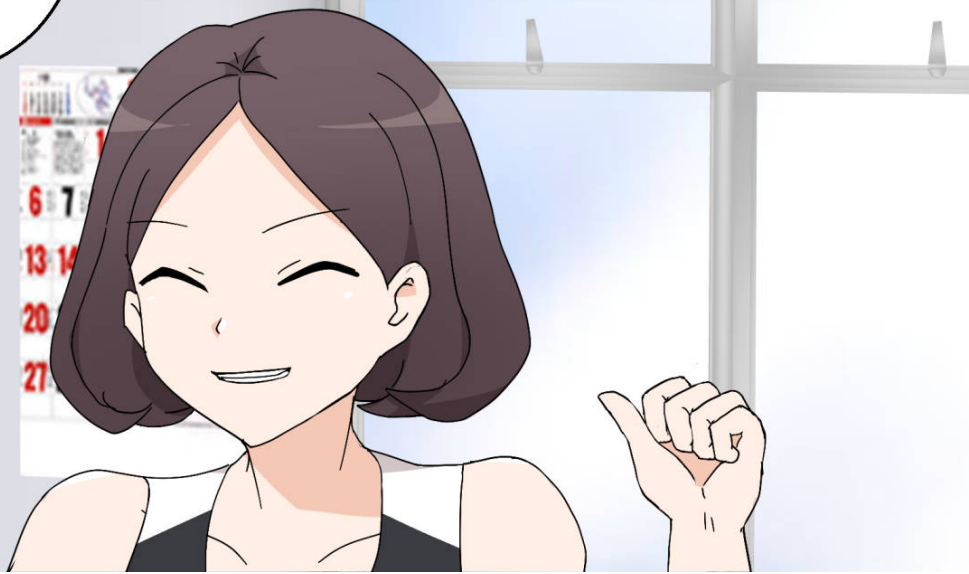

Remedial ...?

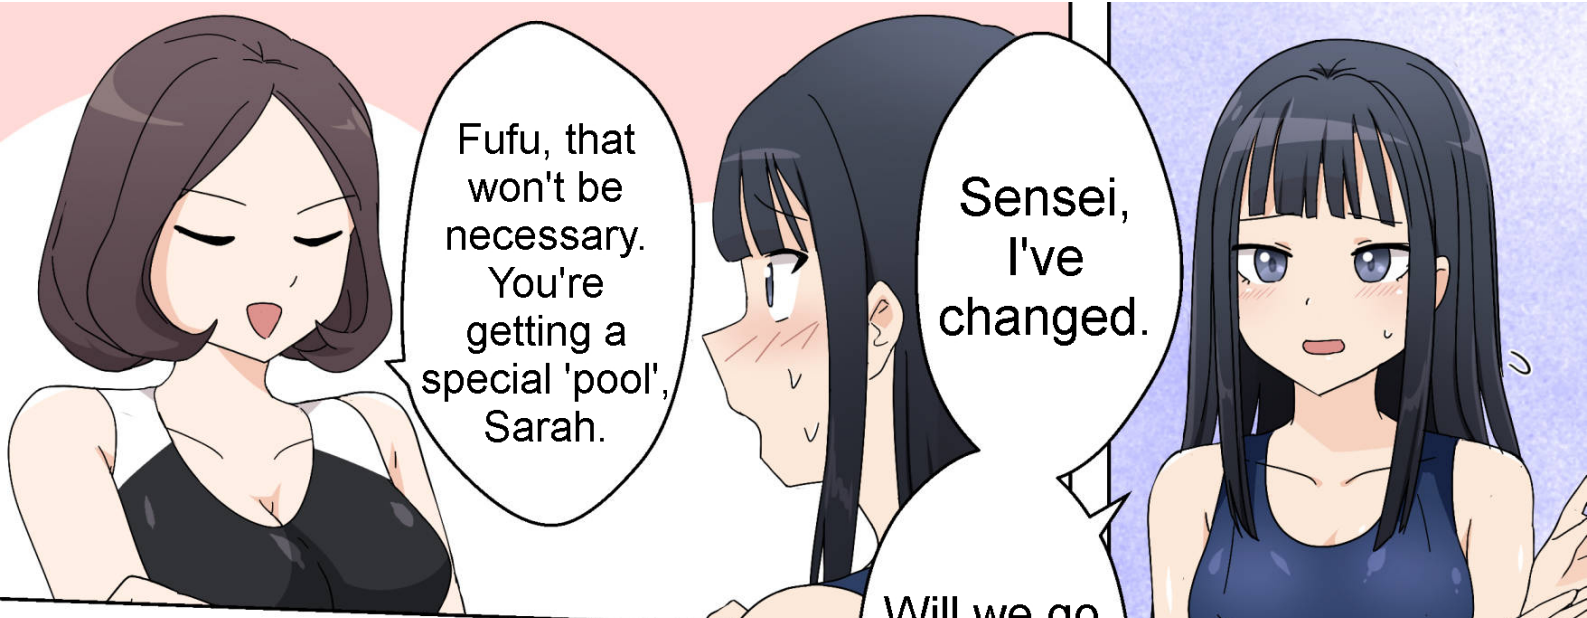

but since you were late by 10 minutes, let's go for a 10 minute 'remedial' first.

X

Yup, a remedial! So let's get you changed into your swimsuit!

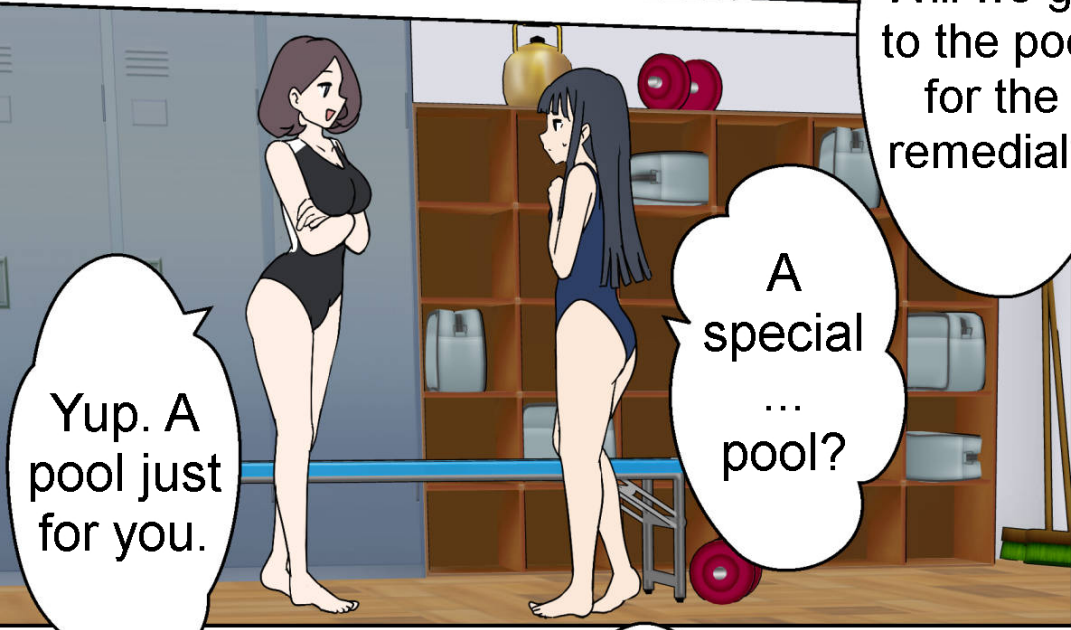

Fufu, that won't be necessary. You're getting a special 'pool', Sarah.

Sensei, I've changed.

Will we go to the pool for the remedial?

Yup. A pool just for you.

A special ... pool?

Come here, please.

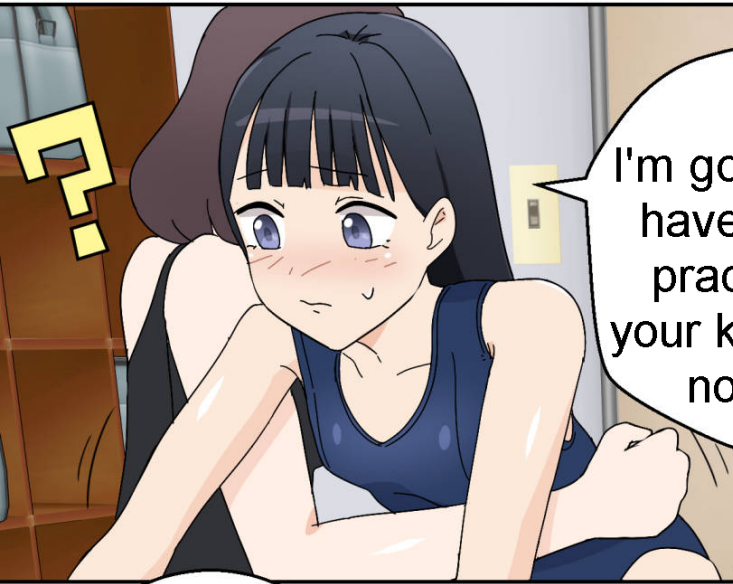

Um, I don't understand ...

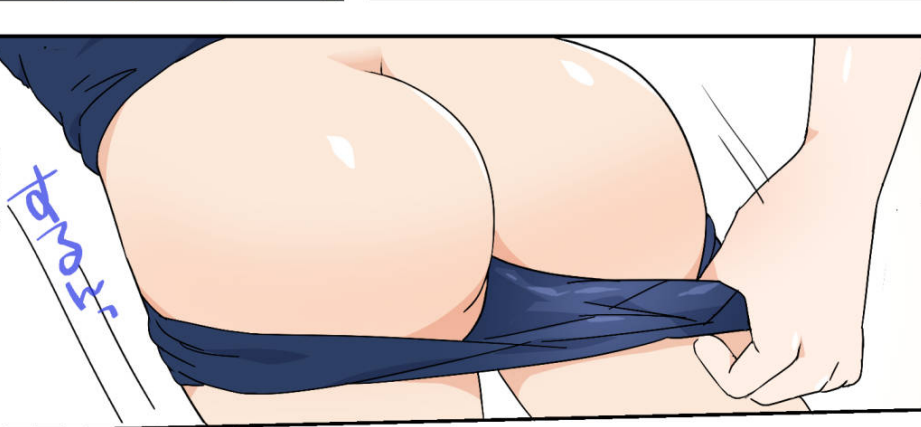

I wonder if Sarah's alright without me...

I'm going to have you practice your kicking now.

Though I think it'll be a somewhat painful training method...

Eh...? W-what're you doing?!

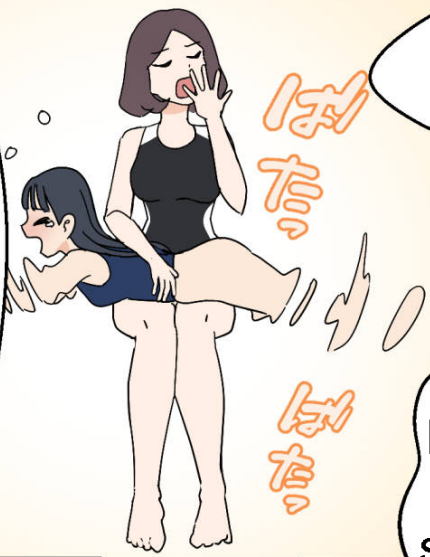

And ended up needing me to do it...

You came in the middle of class to get your friend to change your diaper...

That's the spirit. Keep kicking like that!

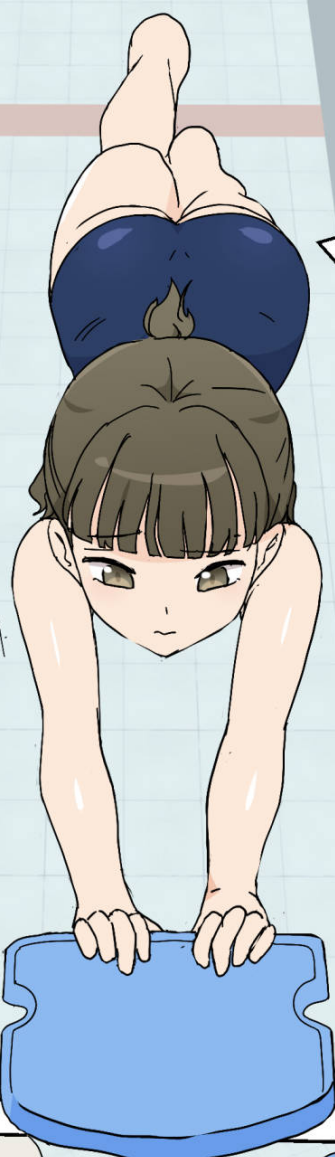

Hope you're ready.

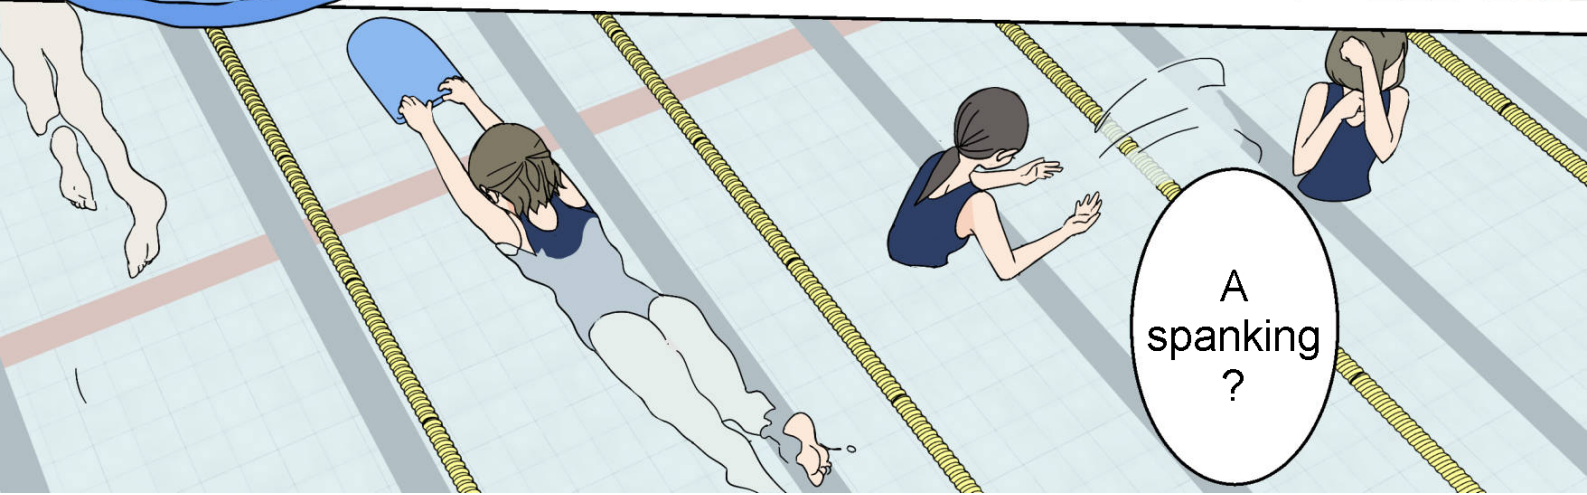

N-no way! I hate spankings!

Waah~~!!

And reflect properly!

A spanking?

Yup, Sarah's mom asked me to take care of her punishment...

I'm sorry~
Forgive me, sensei~

Well, this sort of education is also a teacher's duty after all.

Sarah...

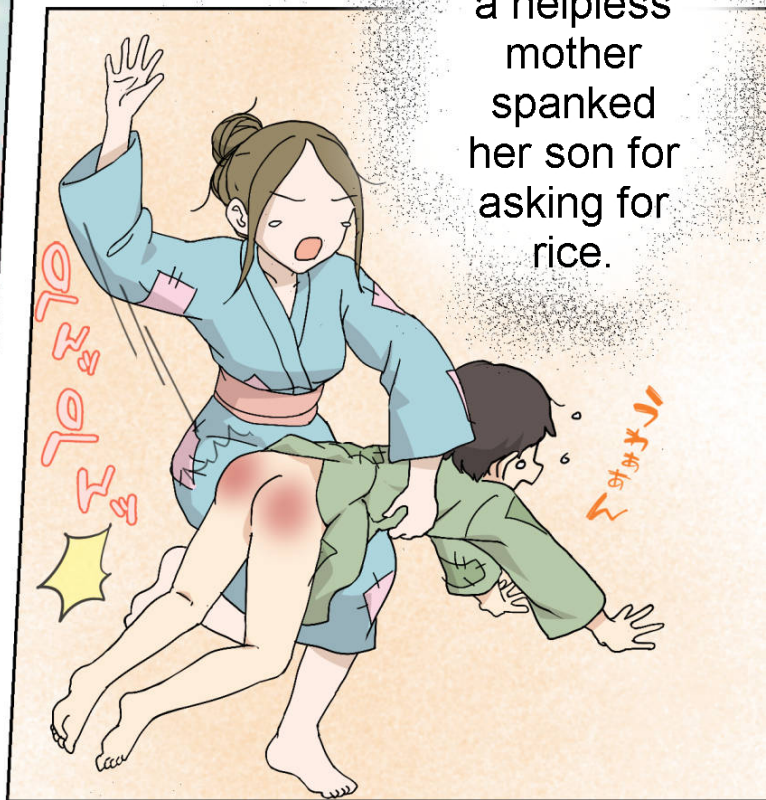

The story was passed on as a legend afterwards.

Every year, the women of the village will gather to pray for rain by spanking the bottom of a pure boy, and it's since become a tradition.

And so, this rain-calling ritual has become a tourist attraction in the modern day...

The year is 1022, and rain had not fallen for 99 days.

On the 100th day, a helpless mother spanked her son for asking for rice.

It seems the God took pity on the crying child,

Alright! Let's start this year's Raining Spanks Festival!

And it started to rain.

All the best~

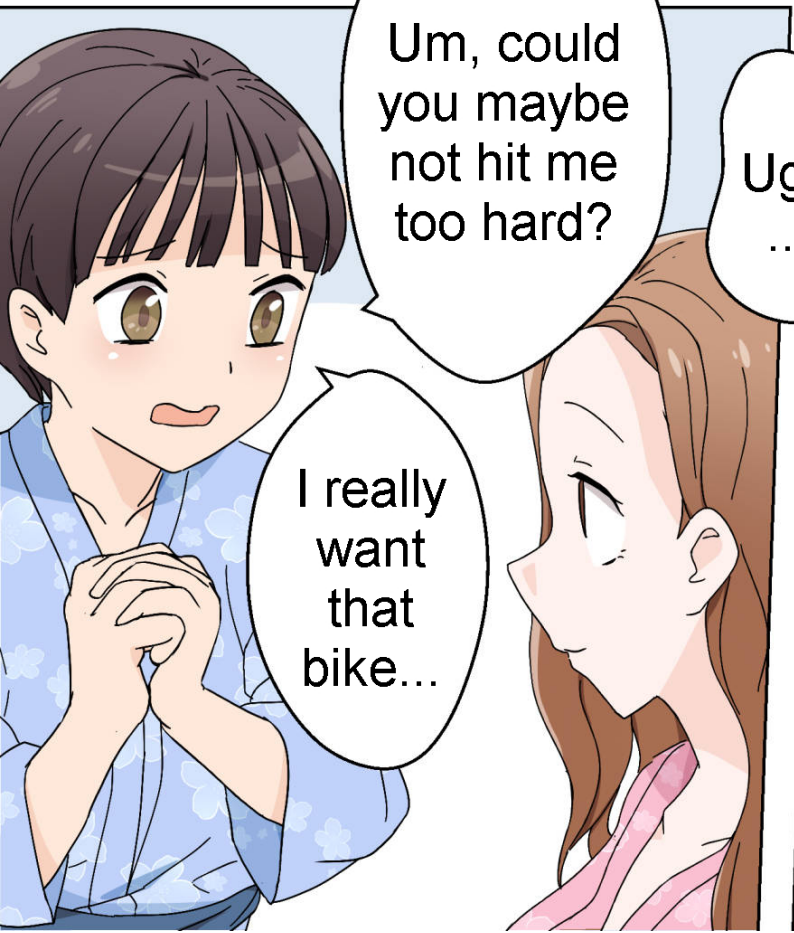

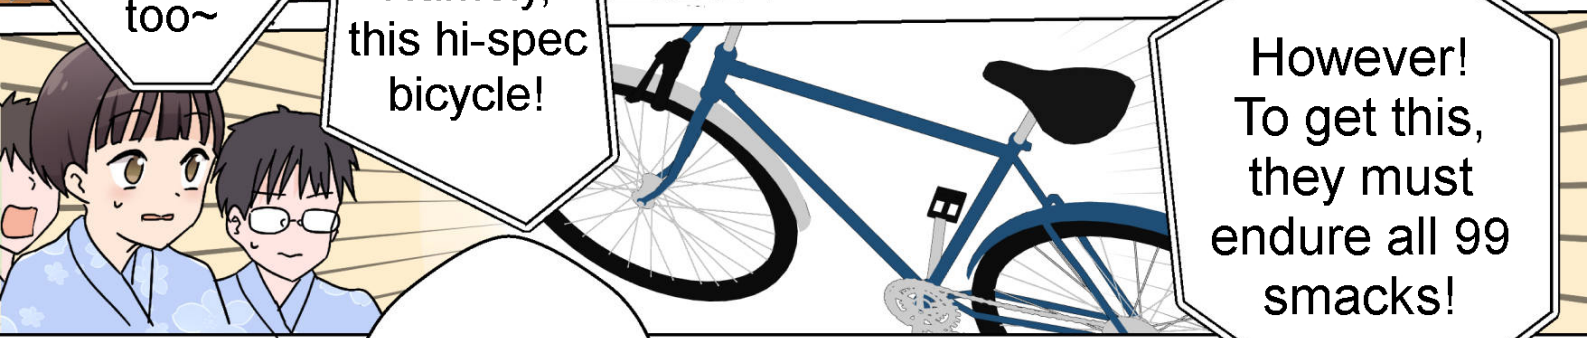

Now then, challengers please step forward!

Of course, we have a great prize for challengers this year too~

Nice to meet you...

Namely, this hi-spec bicycle!

However! To get this, they must endure all 99 smacks!

Um, could you maybe not hit me too hard?

I really want that bike...

Ugh ...

SURP

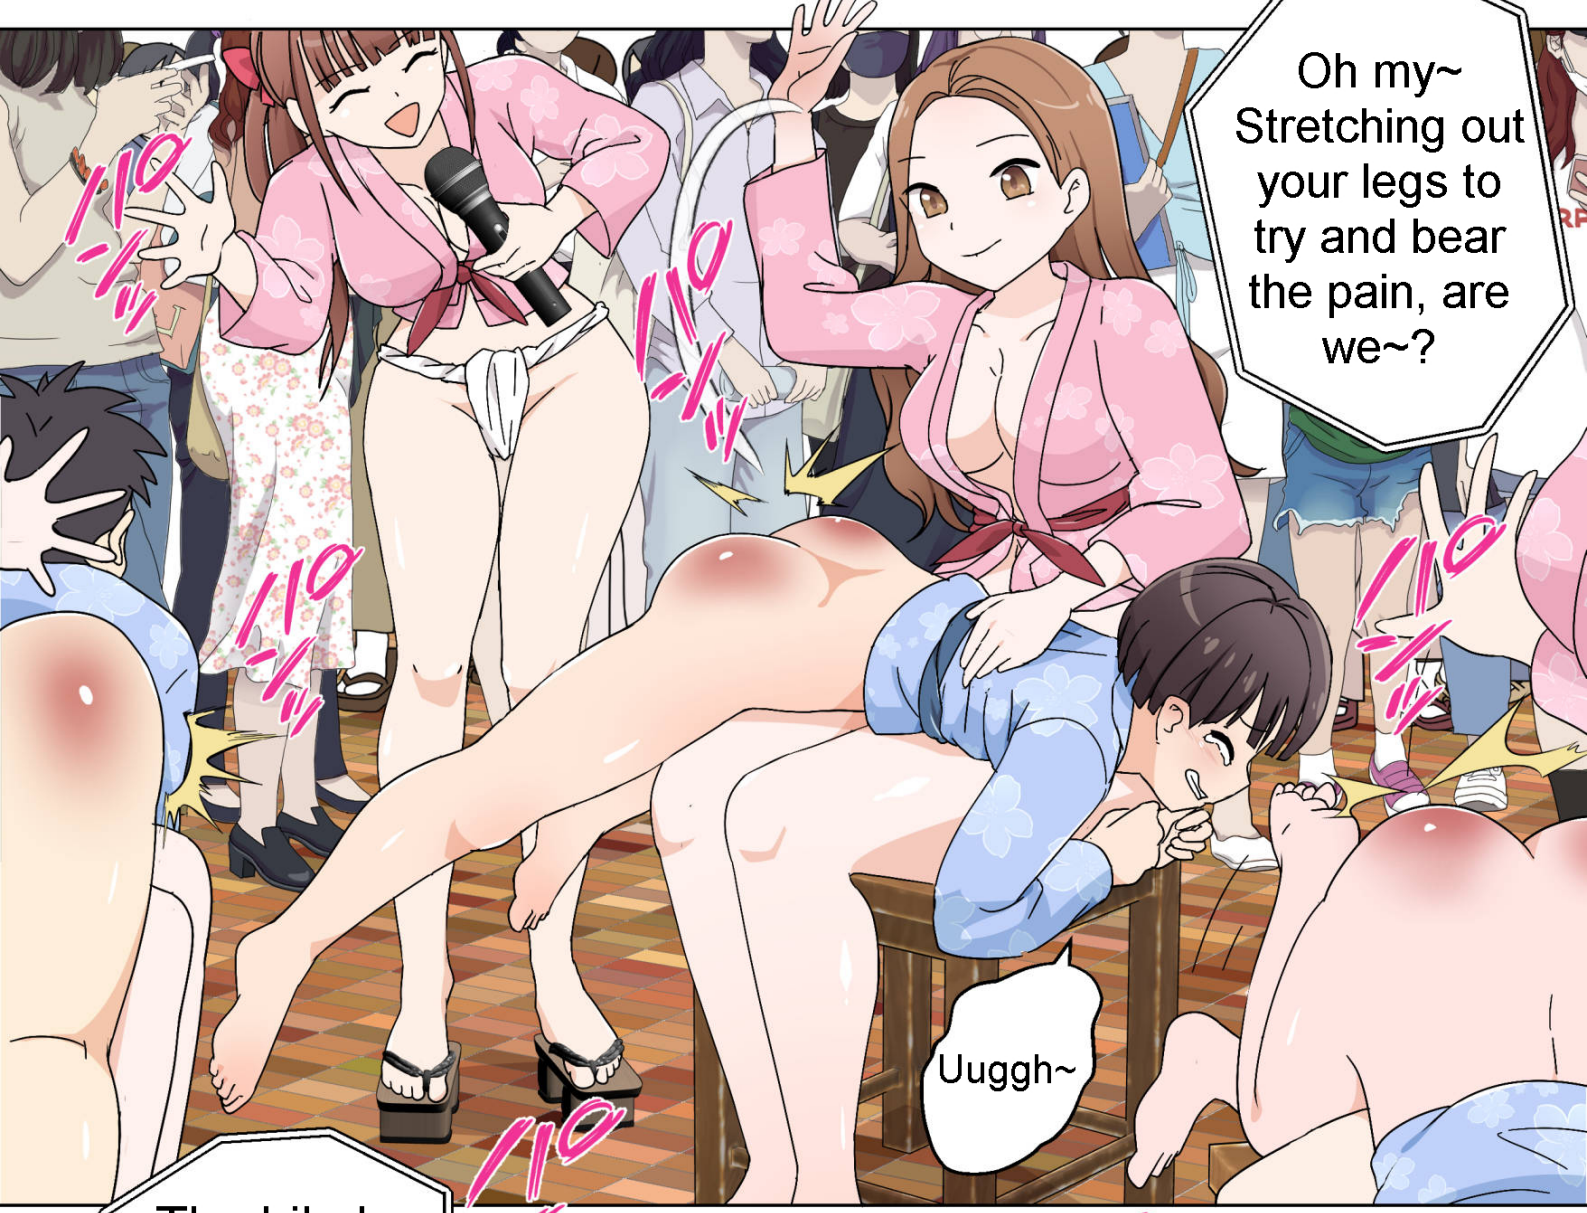

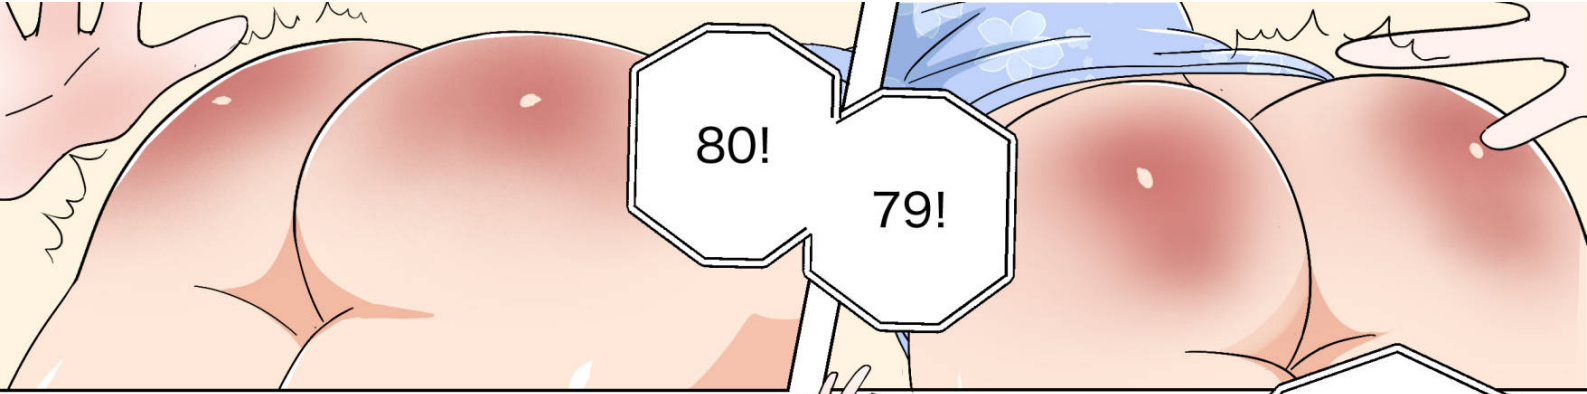

If not, they won't give us rain, you know?

Hmm~ But the God wants a butt that genuinely hurts, right?

Are you all ready? Now, all at once, everyone raise your hands and~

SPANK!

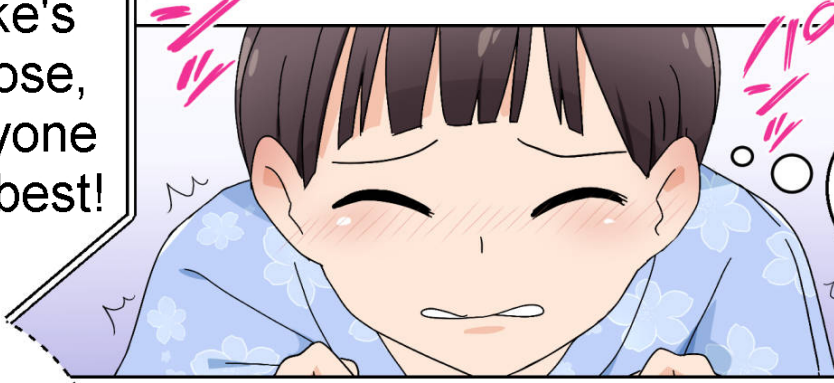

Oh my~
Stretching out
your legs to
try and bear
the pain, are
we~?

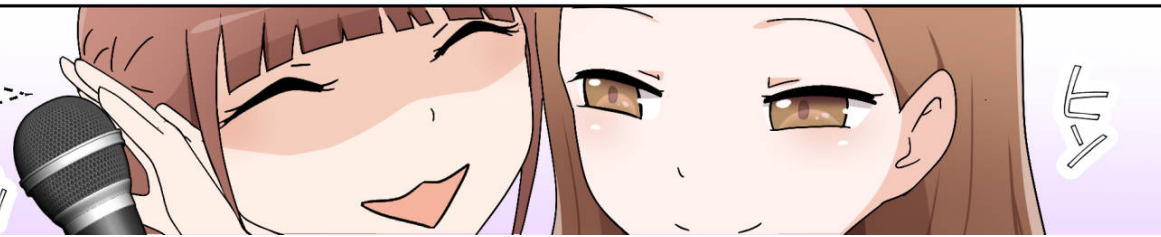

Uugggh~

The bike's
sooo close,
so everyone
do your best!

A little
more...! Just
a little more...!

Now then,
let's finish
this.

Aah!

I give up! I give! Please stop! My butt hurts~! No more!!

Oh dear~ Guess it can't be helped~

Then the bike will be kept for next year...

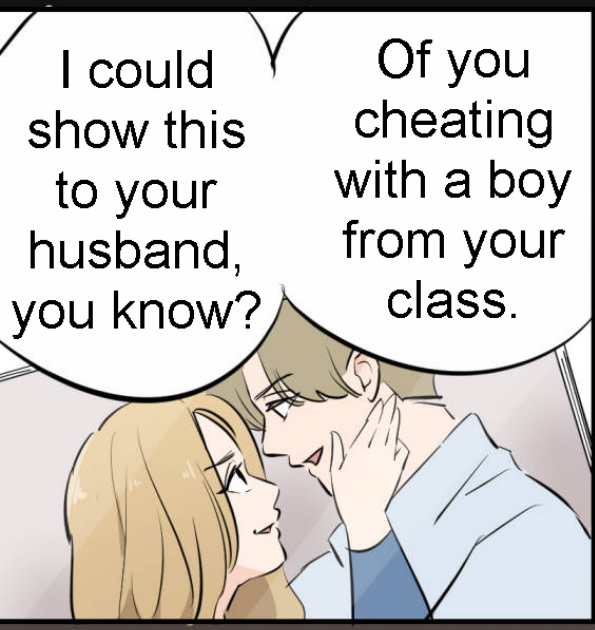

The village is still facing financial difficulties...

Come here. I have to punish that big butt of yours.

you're such a bad girl, aren't you?

I could show this to your husband, you know?

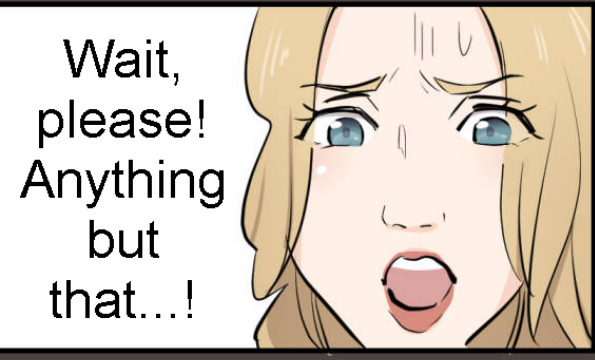

Of you cheating with a boy from your class.

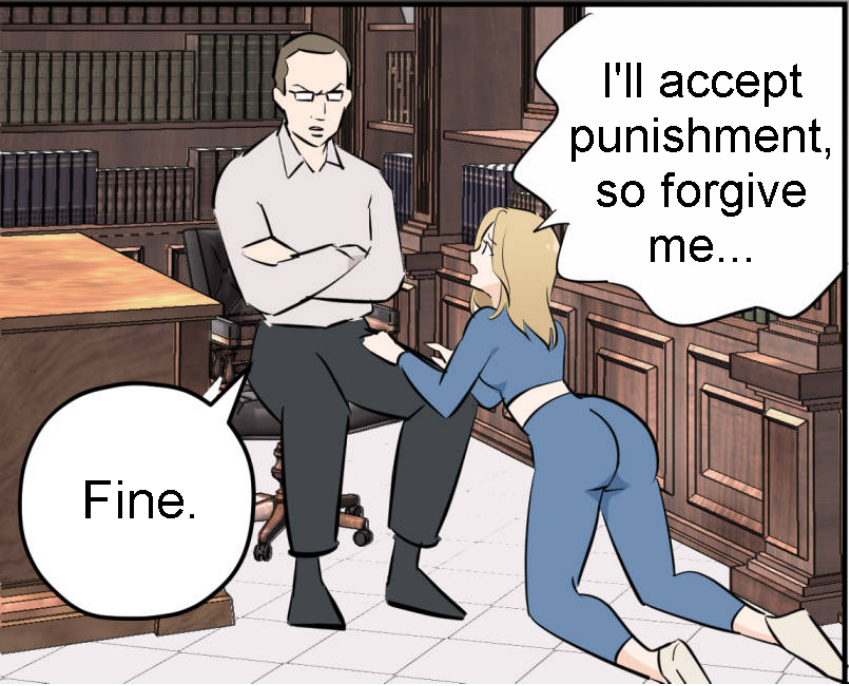

Oh? I have proof, though.

B-but I've not done anything wrong...!

Wait, please! Anything but that...!

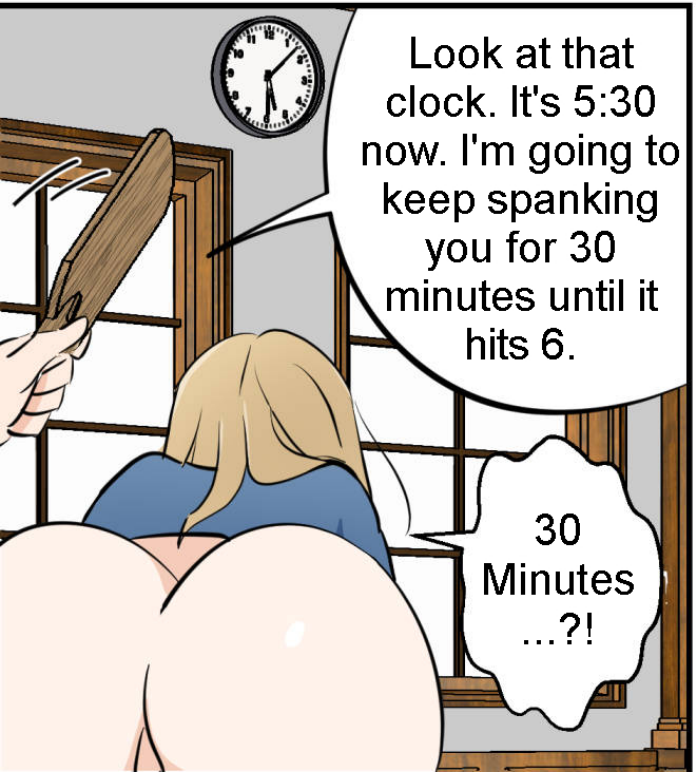

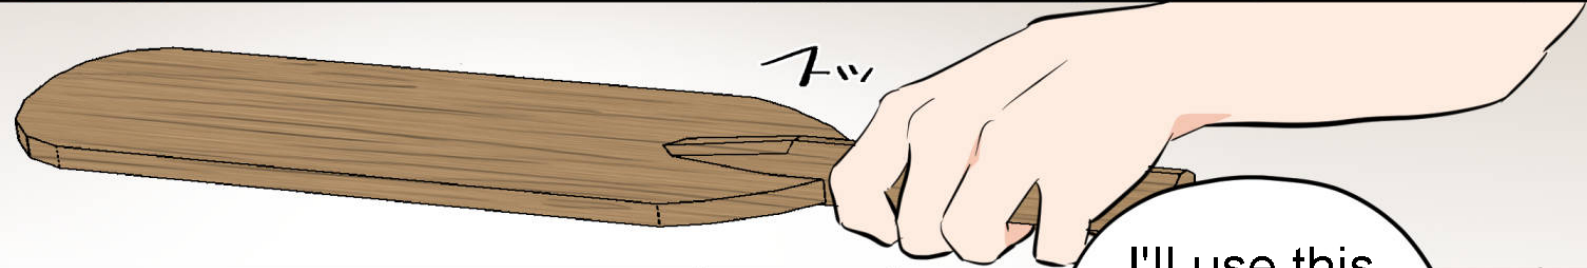

I'll accept punishment, so forgive me...

Fine.

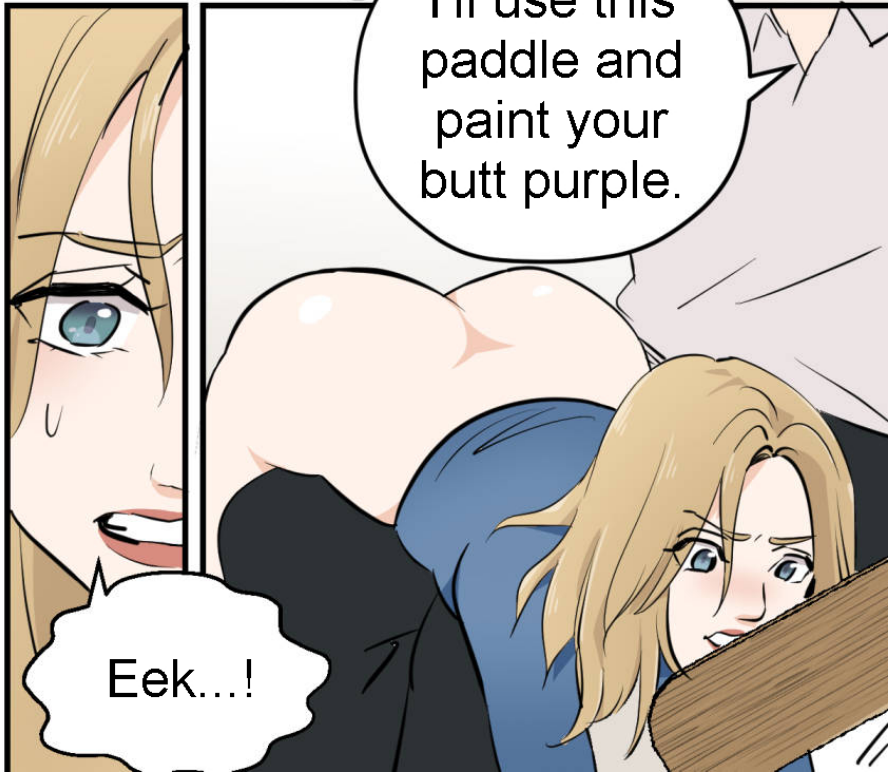

I'll be sure to punish you good.

Look at that clock. It's 5:30 now. I'm going to keep spanking you for 30 minutes until it hits 6.

30 Minutes ...?!

I'll use this paddle and paint your butt purple.

Eek...!

Brace yourself!

Eeek!

Oww!
Please stop!

There's no way!
30 minutes is too much!

Let's go with something else! Like sex or something...!

Do you take me for a fool?
You and your
slutty ass!

Gyah!

I'll make
this hurt
even
more!

Aaoww!

Bad girl! Bad!

Aargh!
Oww! Ack!

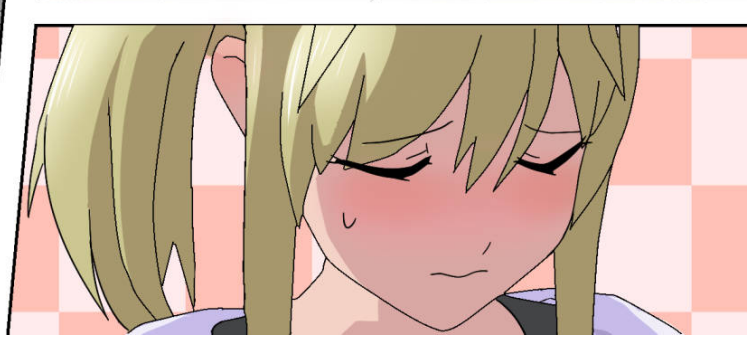

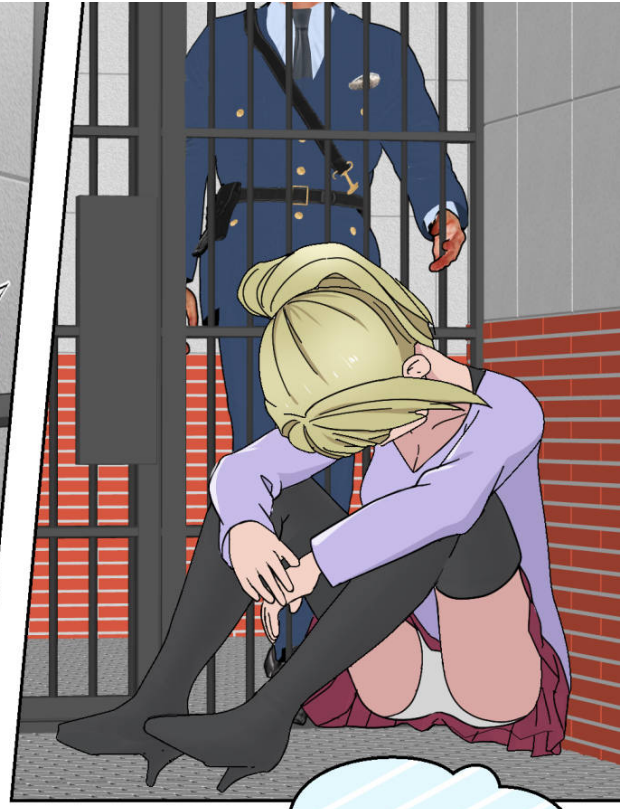

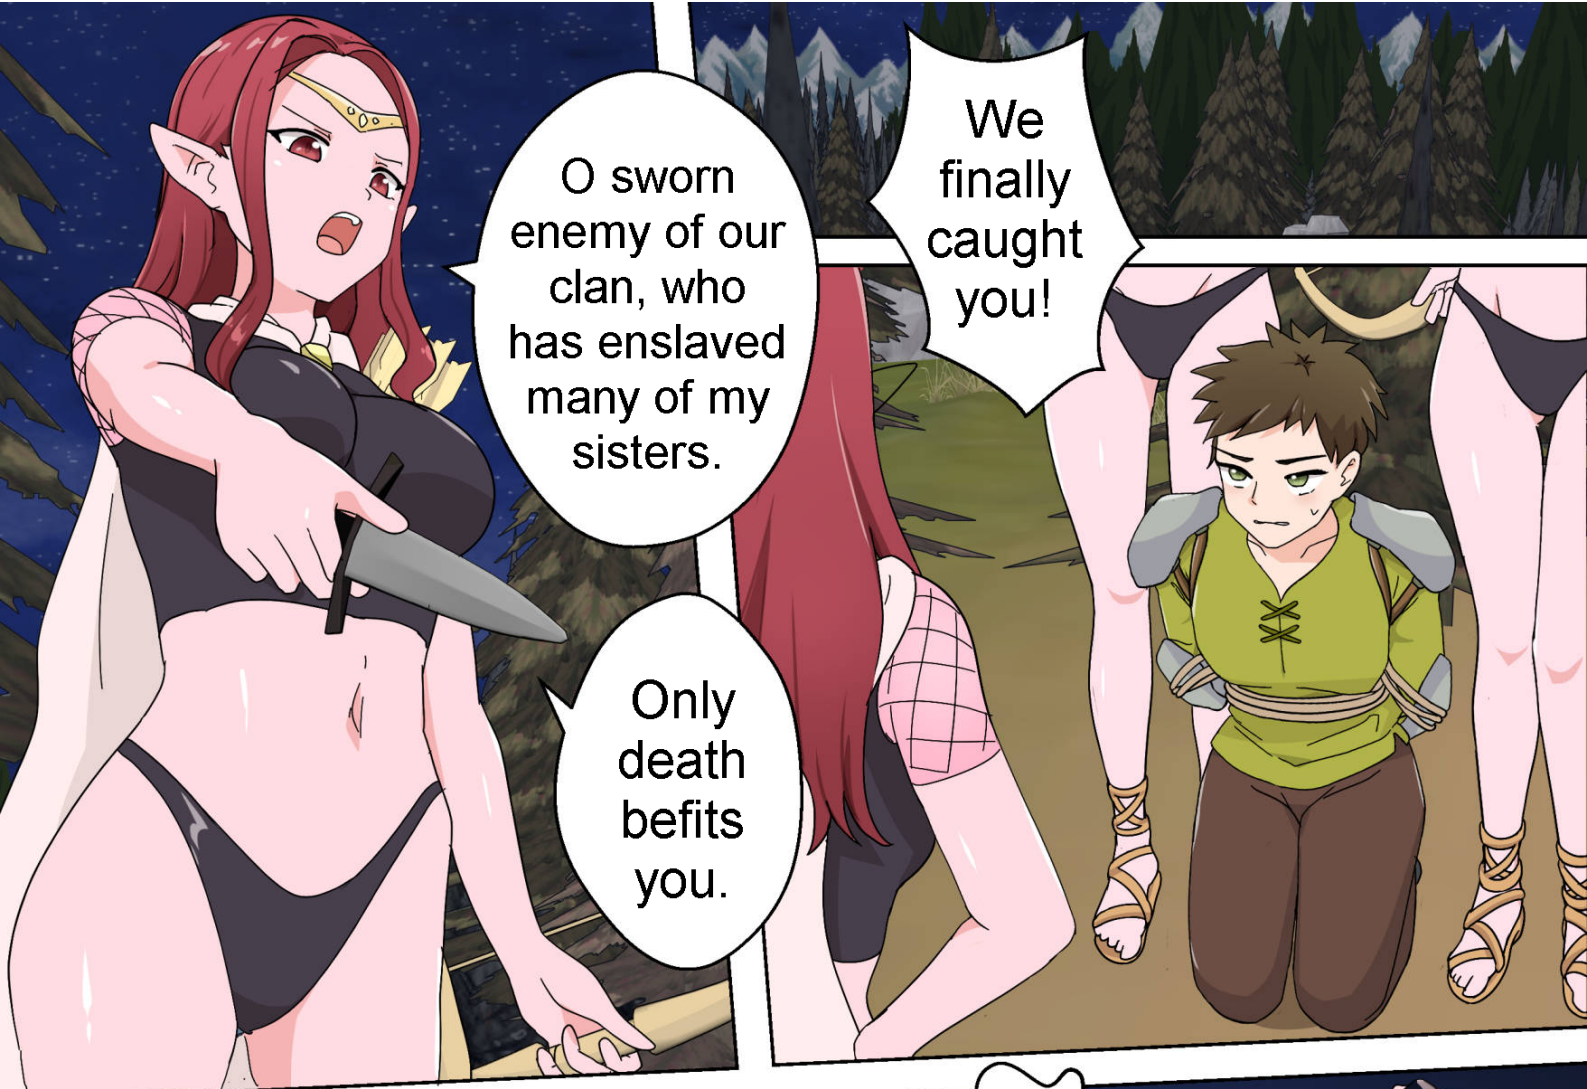

Alright, it's 6.

Now you'll stay in that position and display your sorry ass until 6:30.

Ugh... I'm sorry...

O sworn enemy of our clan, who has enslaved many of my sisters.

We finally caught you!

Only death befits you.

Wait!! I'm just a baby!

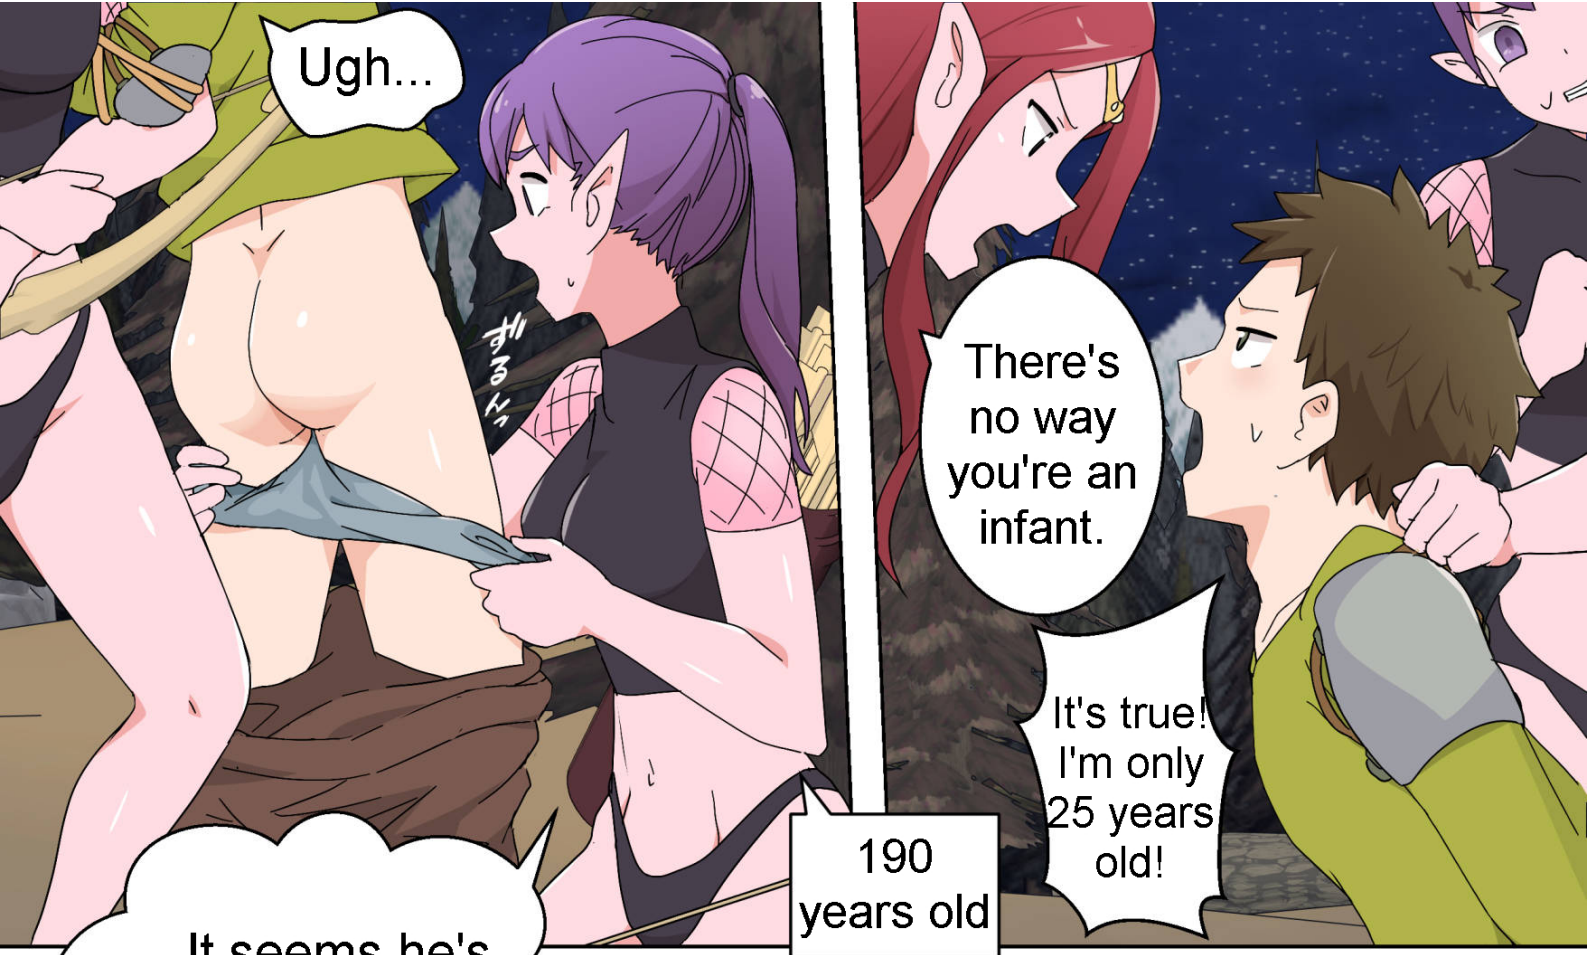

Wait ...

Too late!

What ...?

Ugh...

There's no way you're an infant.

It's true! I'm only 25 years old!

190 years old

... It seems he's really an infant!

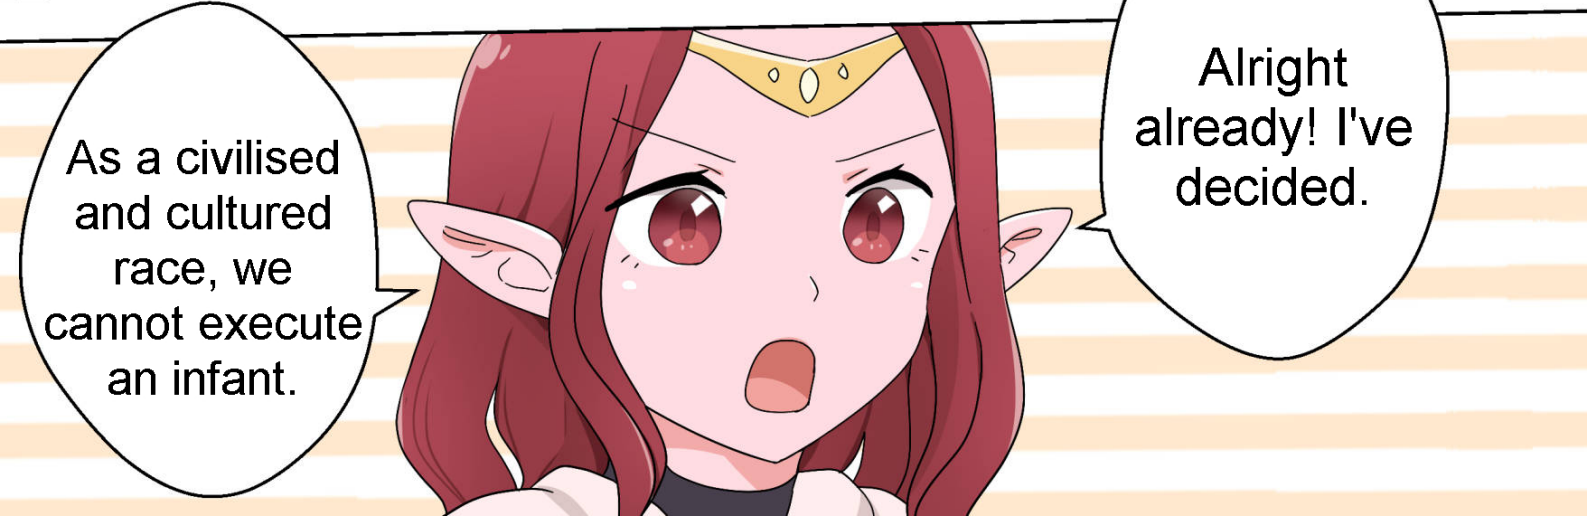

Hmm...

There're no laws for executing infants, even during wartime!

230 years old

Please give a punishment befitting an infant!

Alright already! I've decided.

As a civilised and cultured race, we cannot execute an infant.

I will give a punishment befitting your age.

But!!

Until you reach maturity at 190 years old,

You will, every day at every waking second,

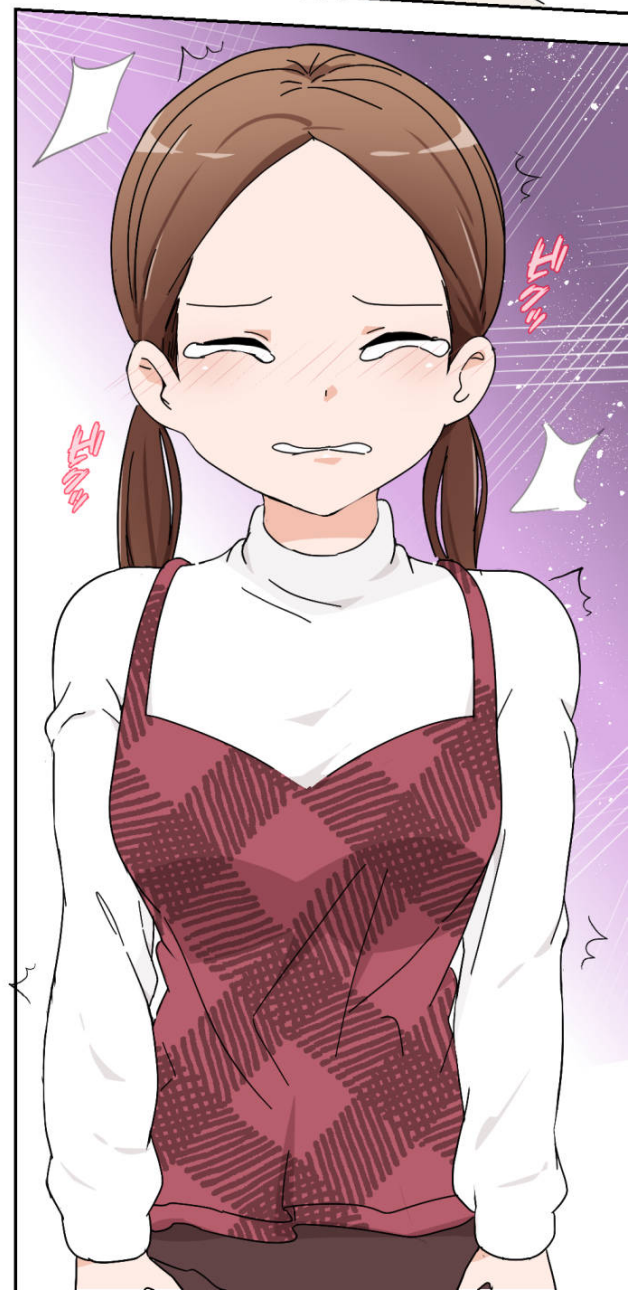

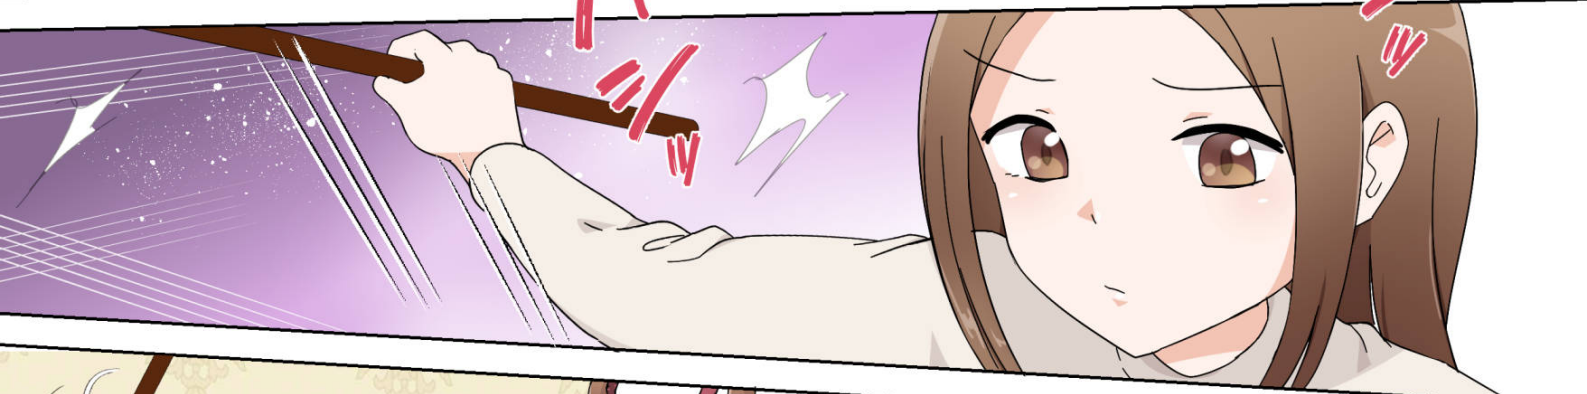

W-with this...? Really?

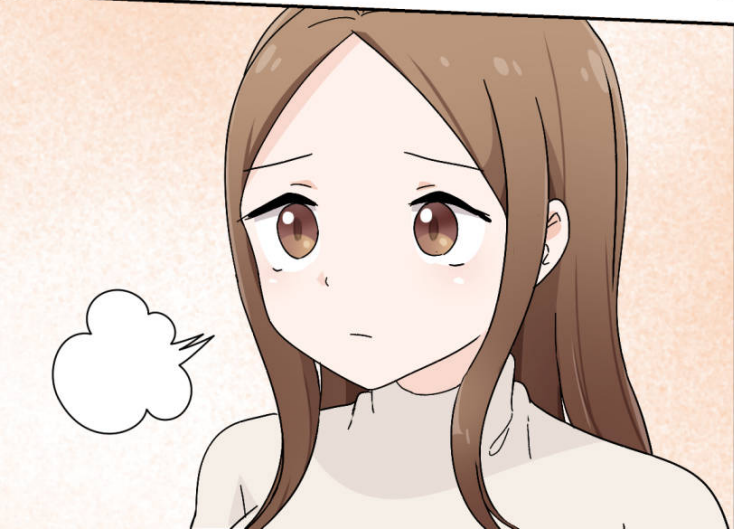

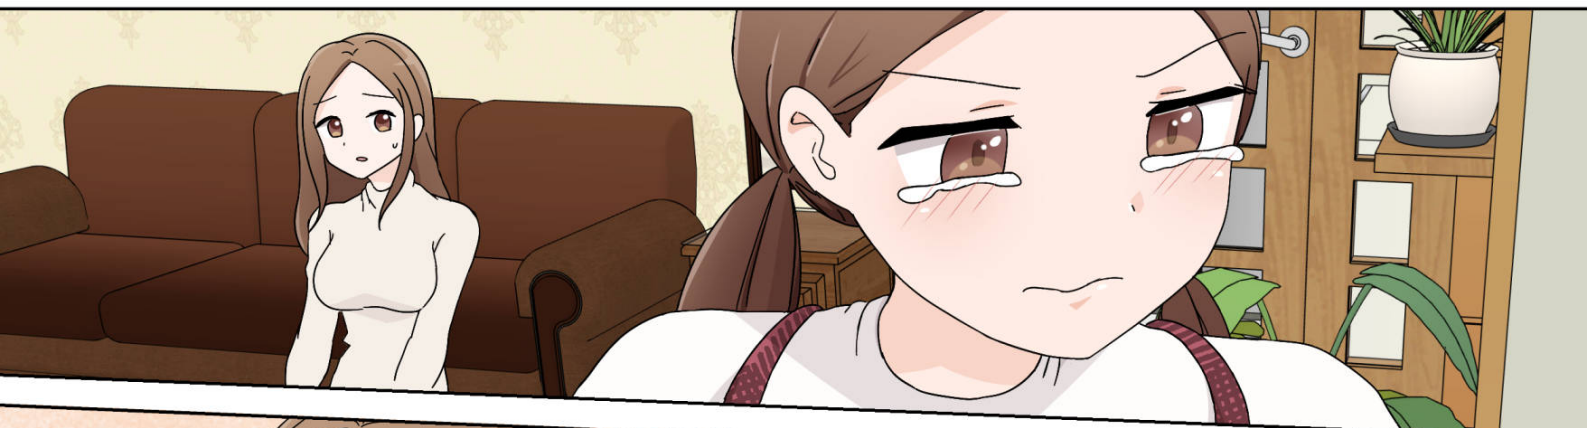

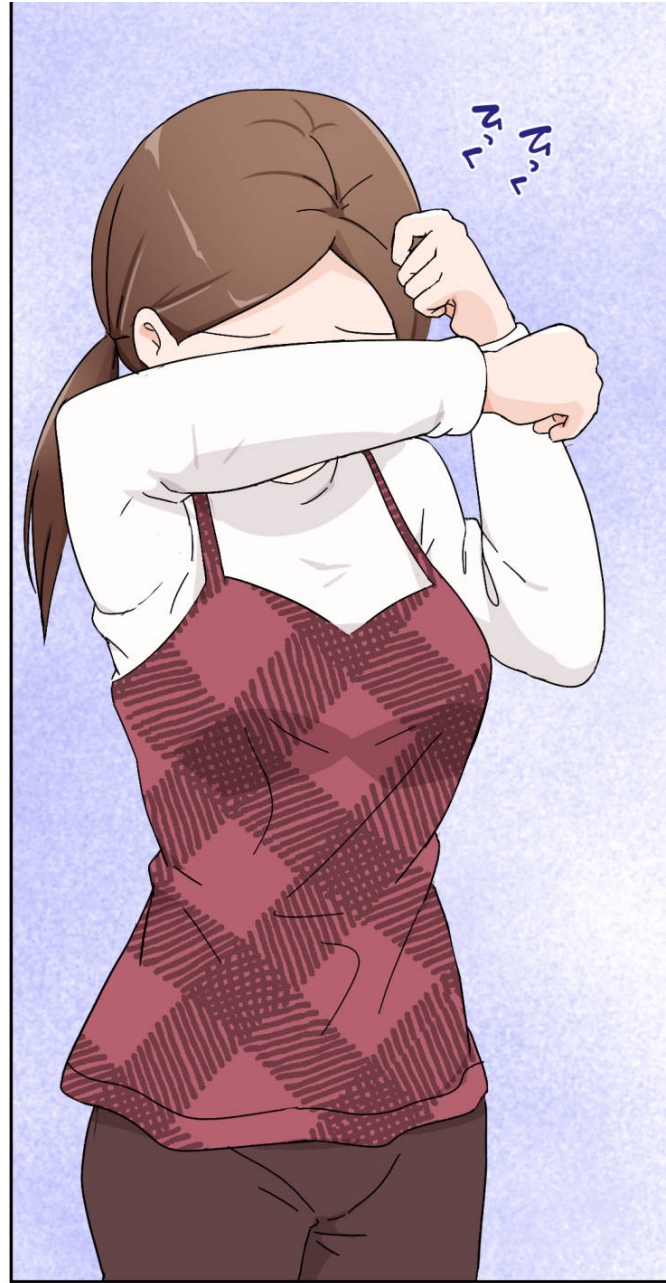

Stoopp!

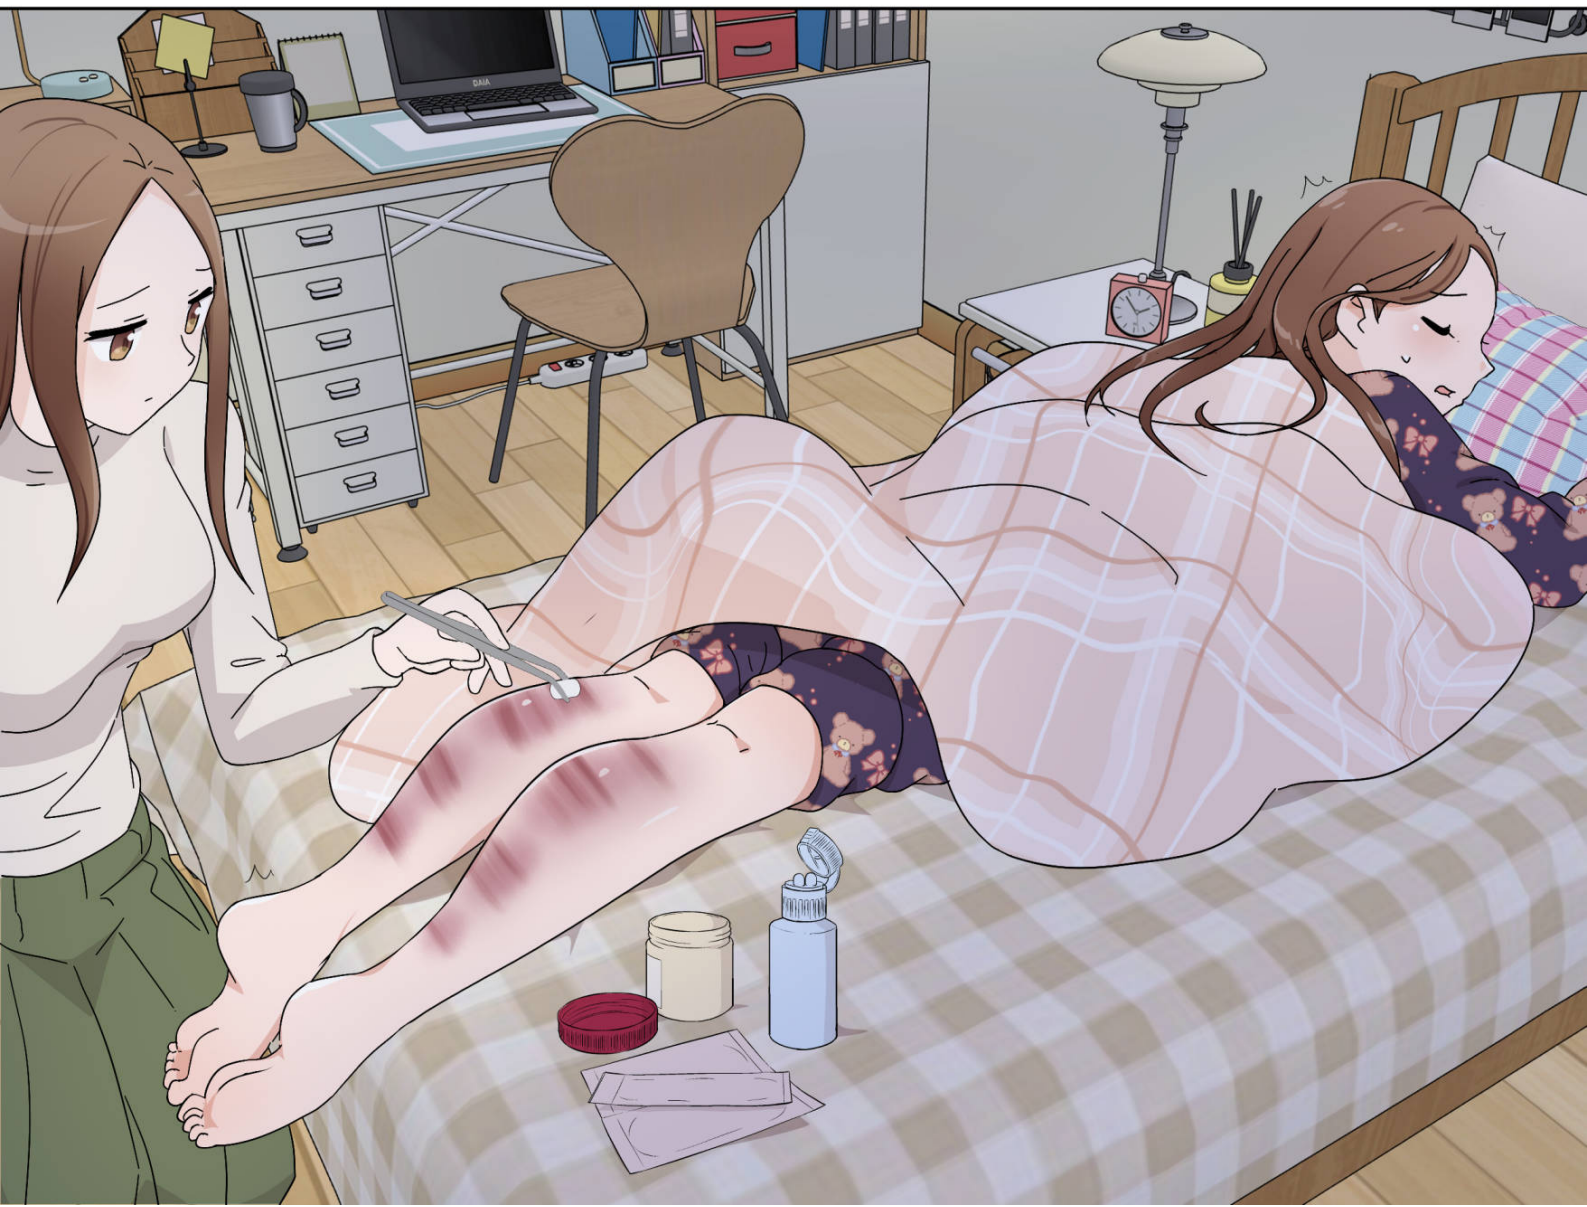

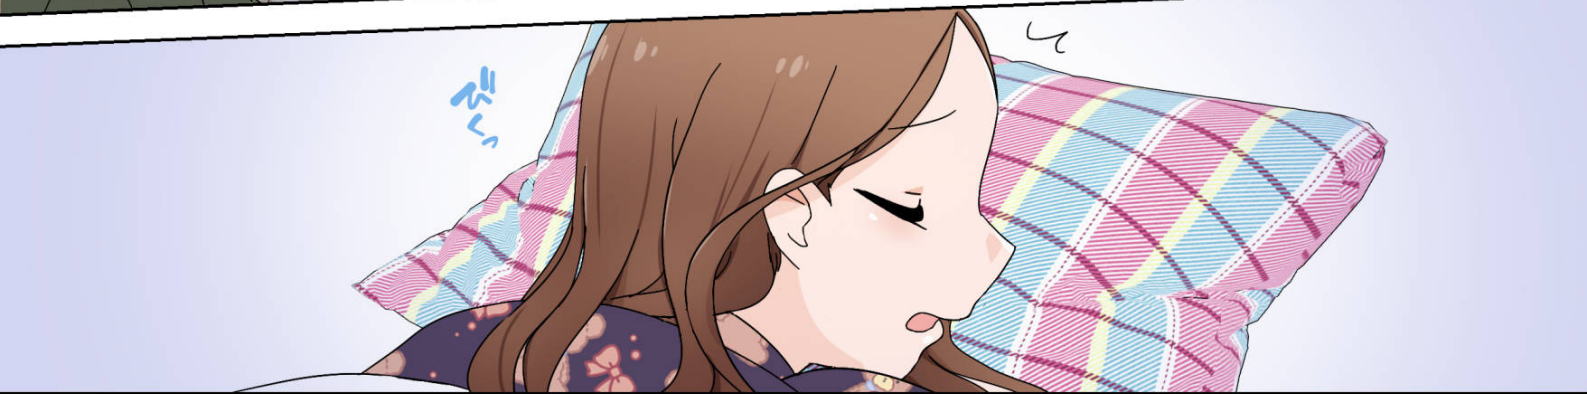

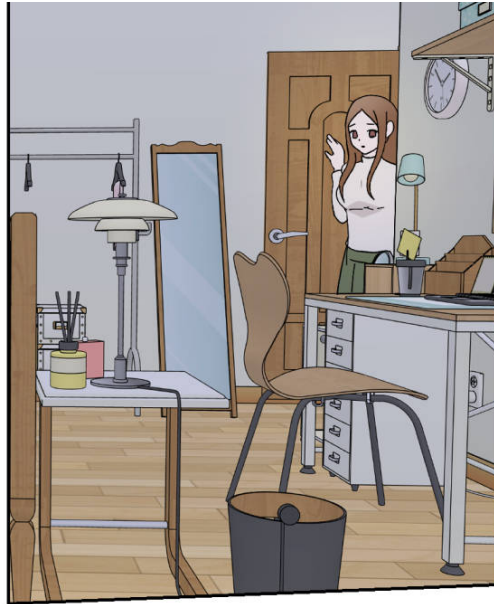

Work hard~

be spanked by my sisters without rest!

Sentence: 165 years of spankings, confirmed!

As a congratulatory gift to the appointment of a new magistrate, each household must gift 1 pig, otherwise...

Aah, my daughter... I'm sorry I don't have the money...

I'm sorry, ma'am.

... I'll be fine, don't worry.

If you mean to show me respect, just tell the men of your house to bring me a pig!

No congratulatory gift means you're paying me no heed! A punishment's needed!

But where can you find a pig in a poor household like mine, sir?!

We've got to sell what's left of our field and chickens...

Sisters shouldn't argue over something like a remote!

Ugh... So unfair.
