A 3D-rendered office scene. In the foreground, a large, curved wooden conference table is shown. On the table, there is a stack of papers or a folder. To the left, a black office chair is partially visible. In the background, there are wooden paneling, a window with light-colored curtains, and a vase with flowers on a desk. A speech bubble is positioned in the upper right area of the scene.

So.. Can you look after the base by all yourself?

As your brother,
I will do it with
all my life!

Just stay in the
office and take
reports..

A young man with short black hair and a blue jacket is speaking to a woman with long black hair. The woman is partially visible on the right side of the frame, looking down. The man is standing in a room with a whiteboard and a blue chair in the background.

And please, don't interrupt my shipgirls.

Honey, have you finished yet?

I want you to take their reports. That's all.

Truly you are not worried letting someone else in charge of your base?

Y-Yes!
I'm coming!

It's fine, he's my brother.

"Keep the base safe, and don't do anything stupid."

"Okay. I won't."

Door close..

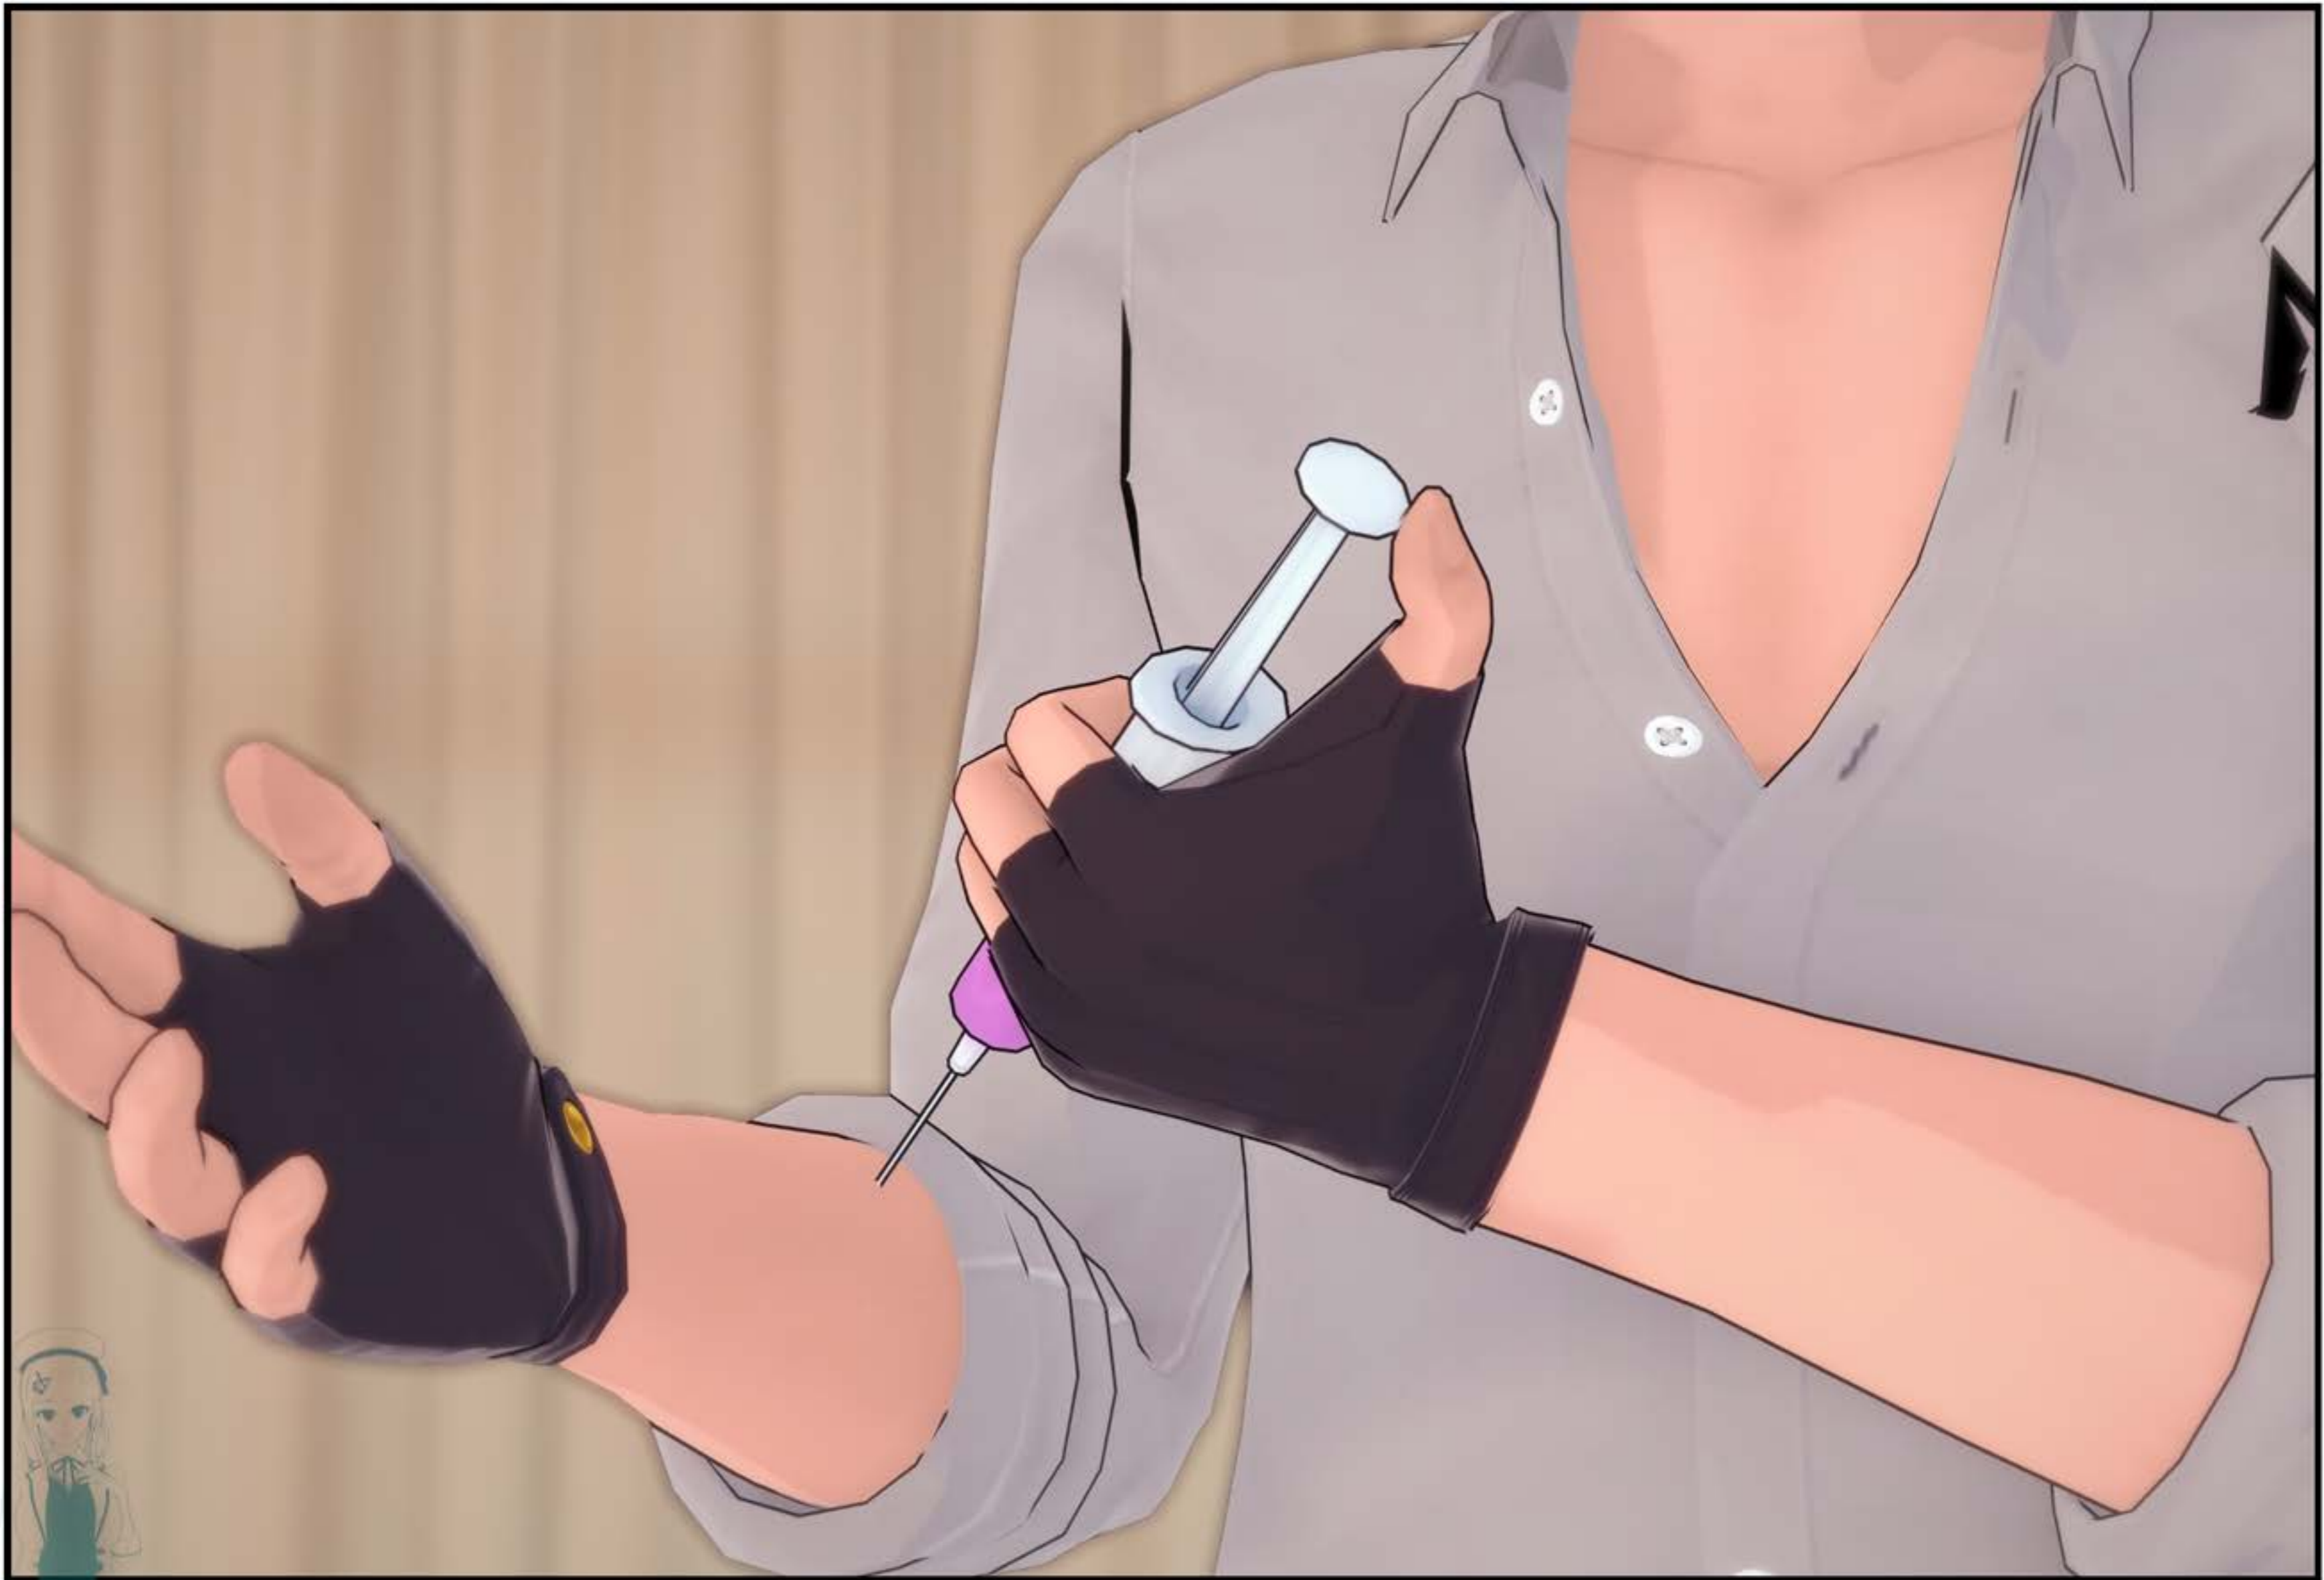

Heh.. How can I say no to this oppoturnity?

"I have prepared a toy in order to enjoy your shippgirls."

"Ugh.. Hahaha..
It's working!!!"

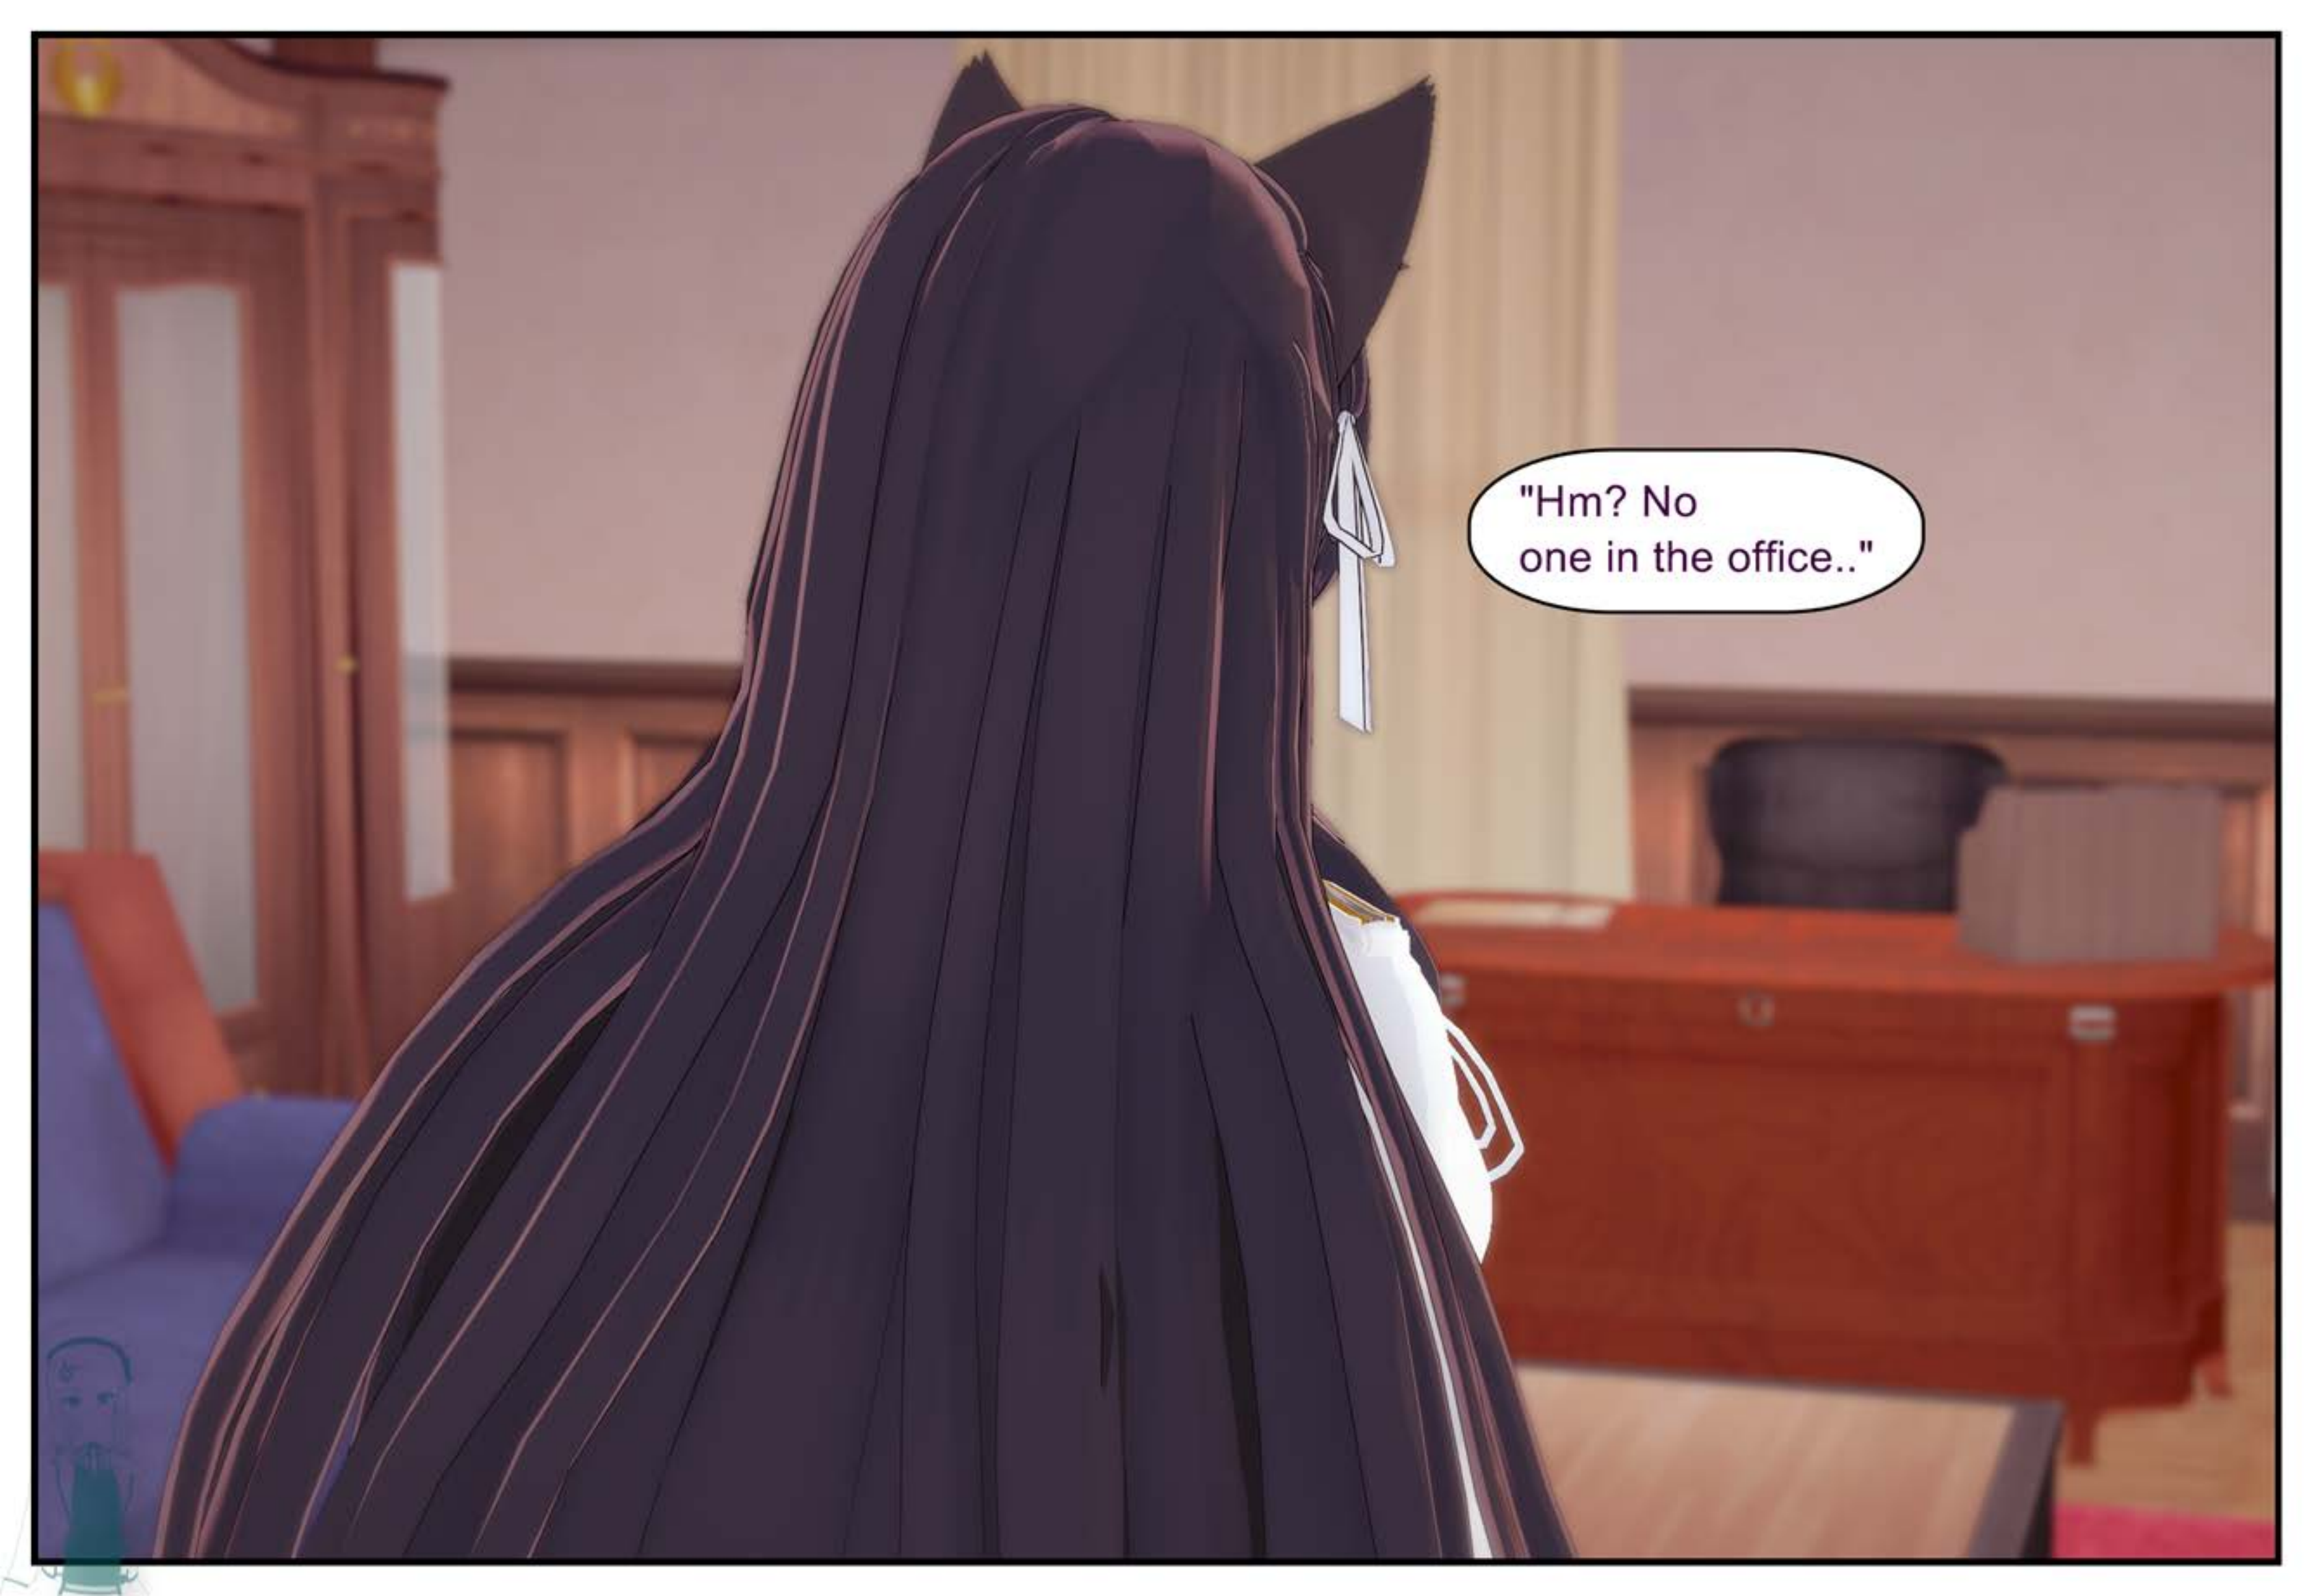

Admiral, here's the report of today's commission.

Oh, sorry. I heard that someone else is in charge..

A character with long, straight black hair and black cat ears is shown from the back. They are wearing a black garment with a white ribbon tied around the neck. The character is in an office environment with wooden desks and a blue chair visible in the background.
