Hyyyaaaaa!!!

Hah.. We had a great time, Yumei.

I'm getting a bit tired now, let's take a rest for tomorrow then?

O-Okay..

"Did Rumei.. want to push this far..?"

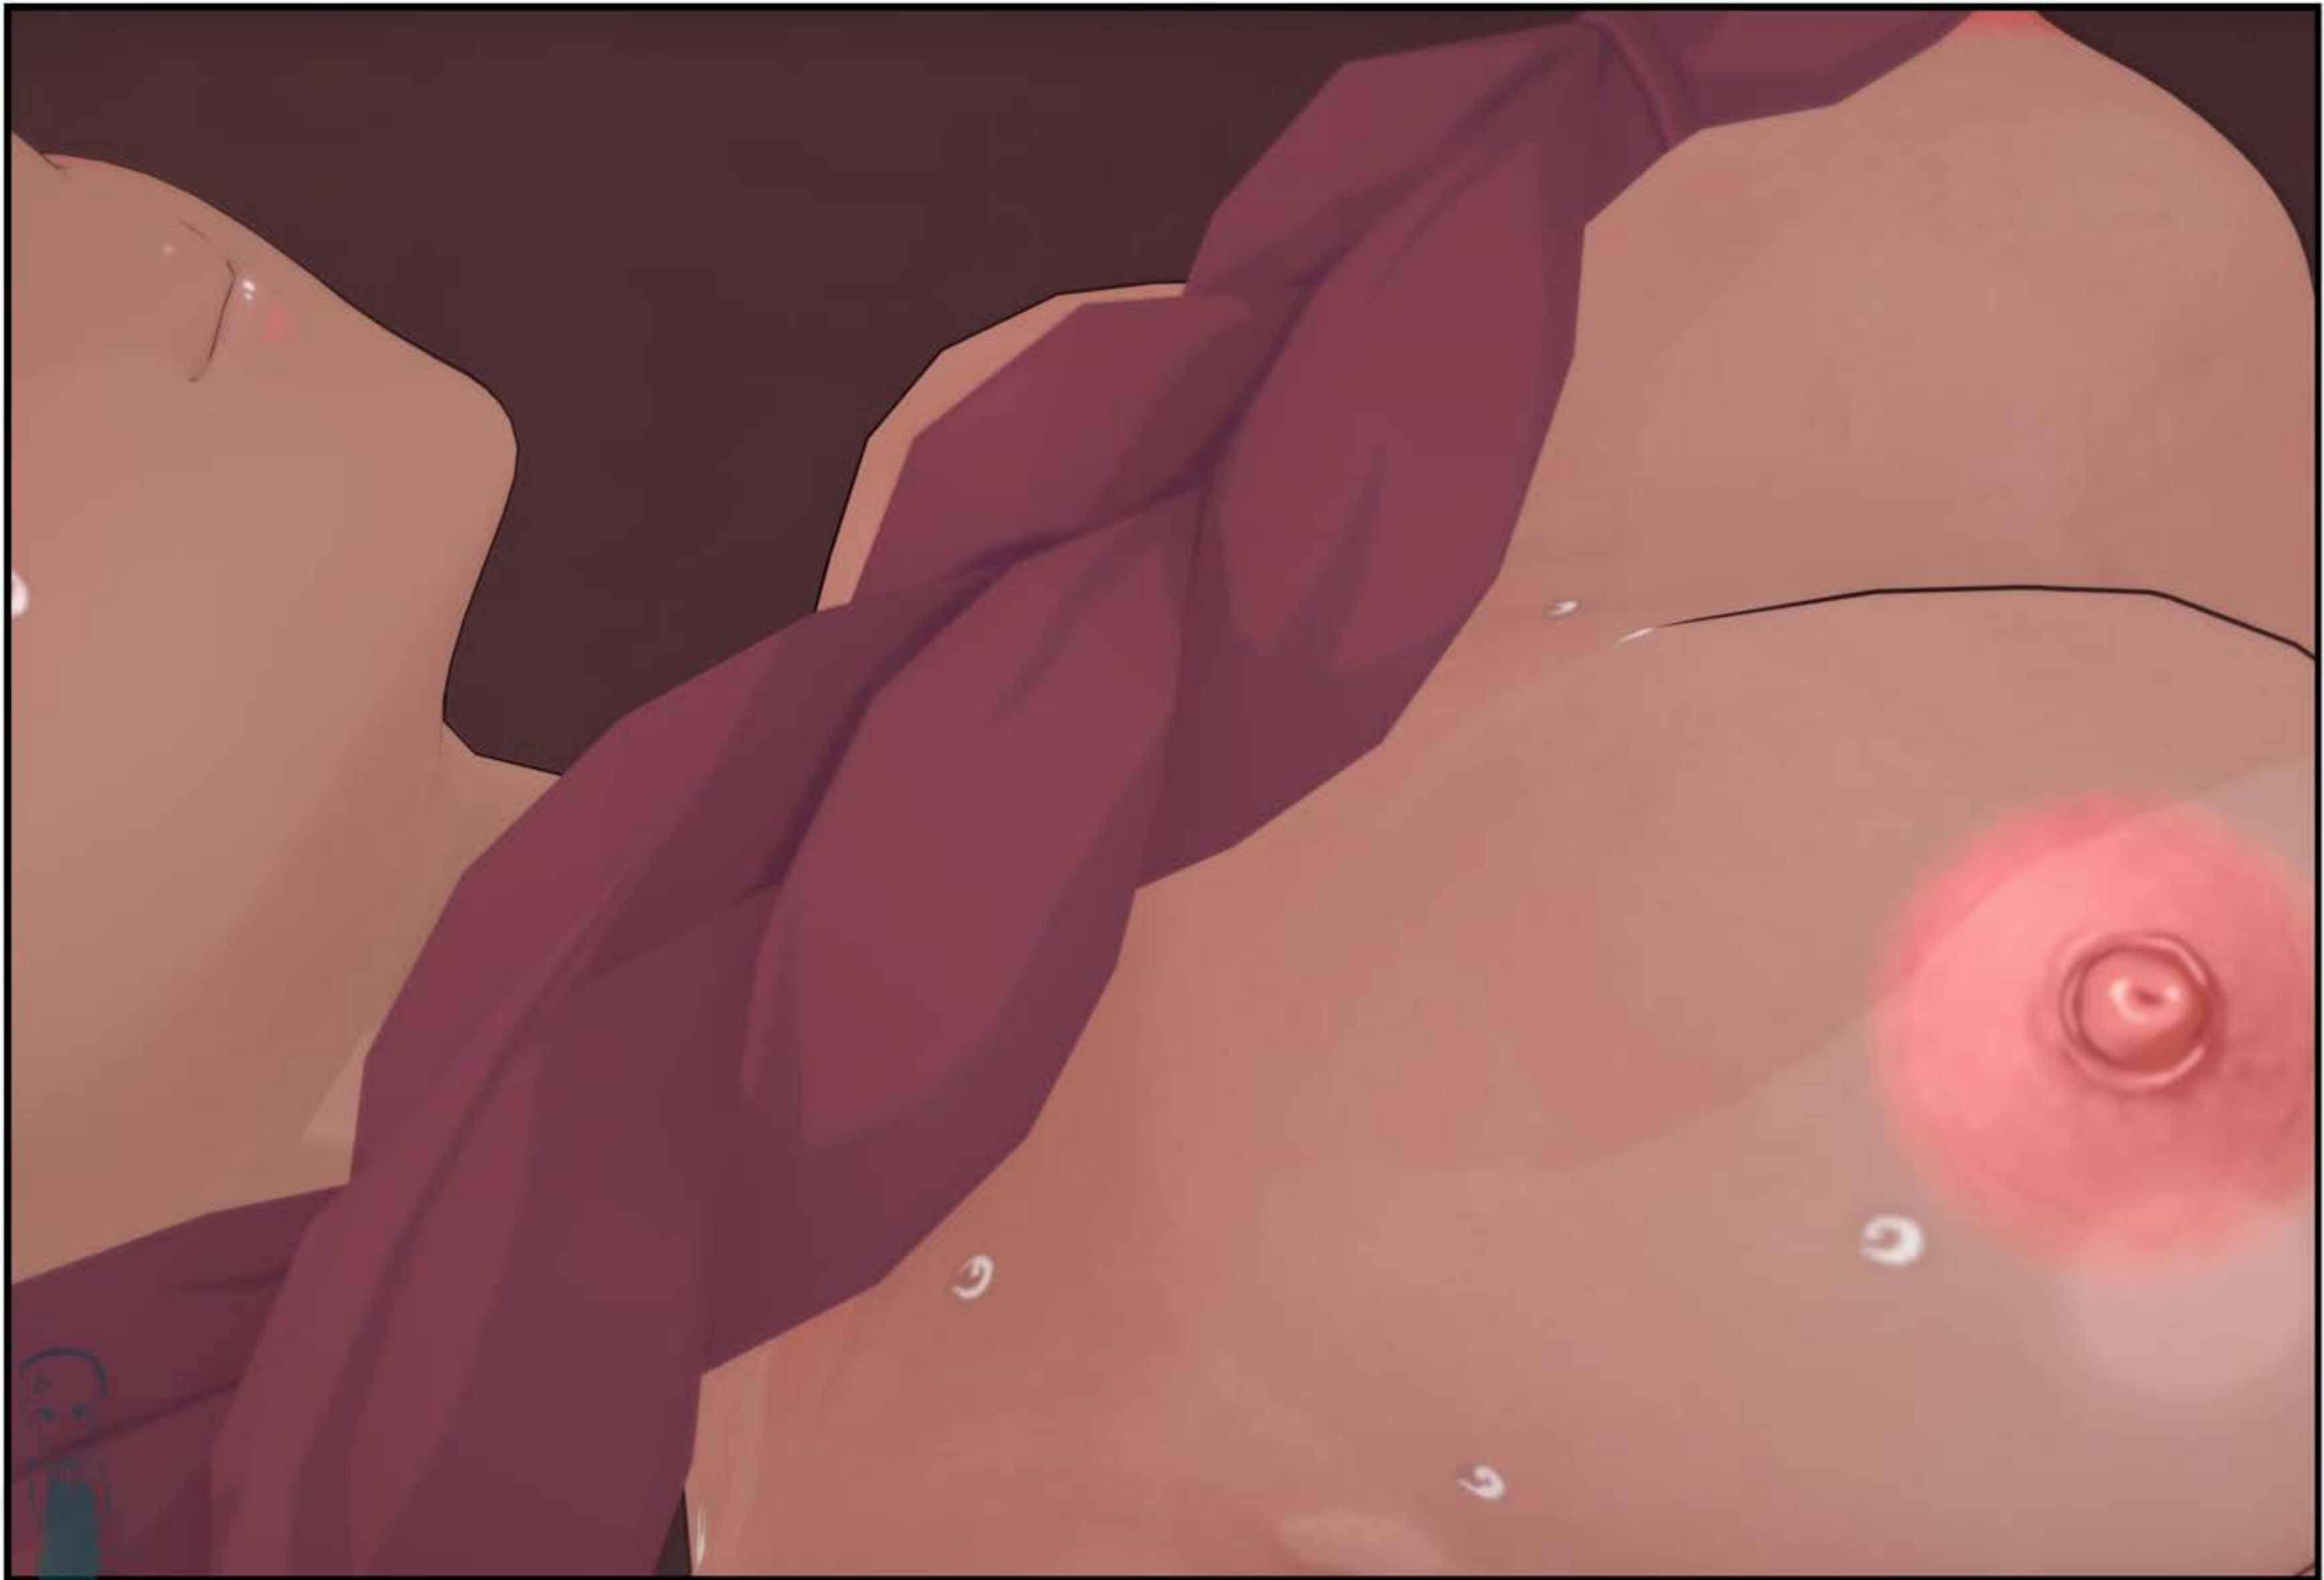

"Weird.. I just don't remember what happened lately."

"I must have been really exhausted.."

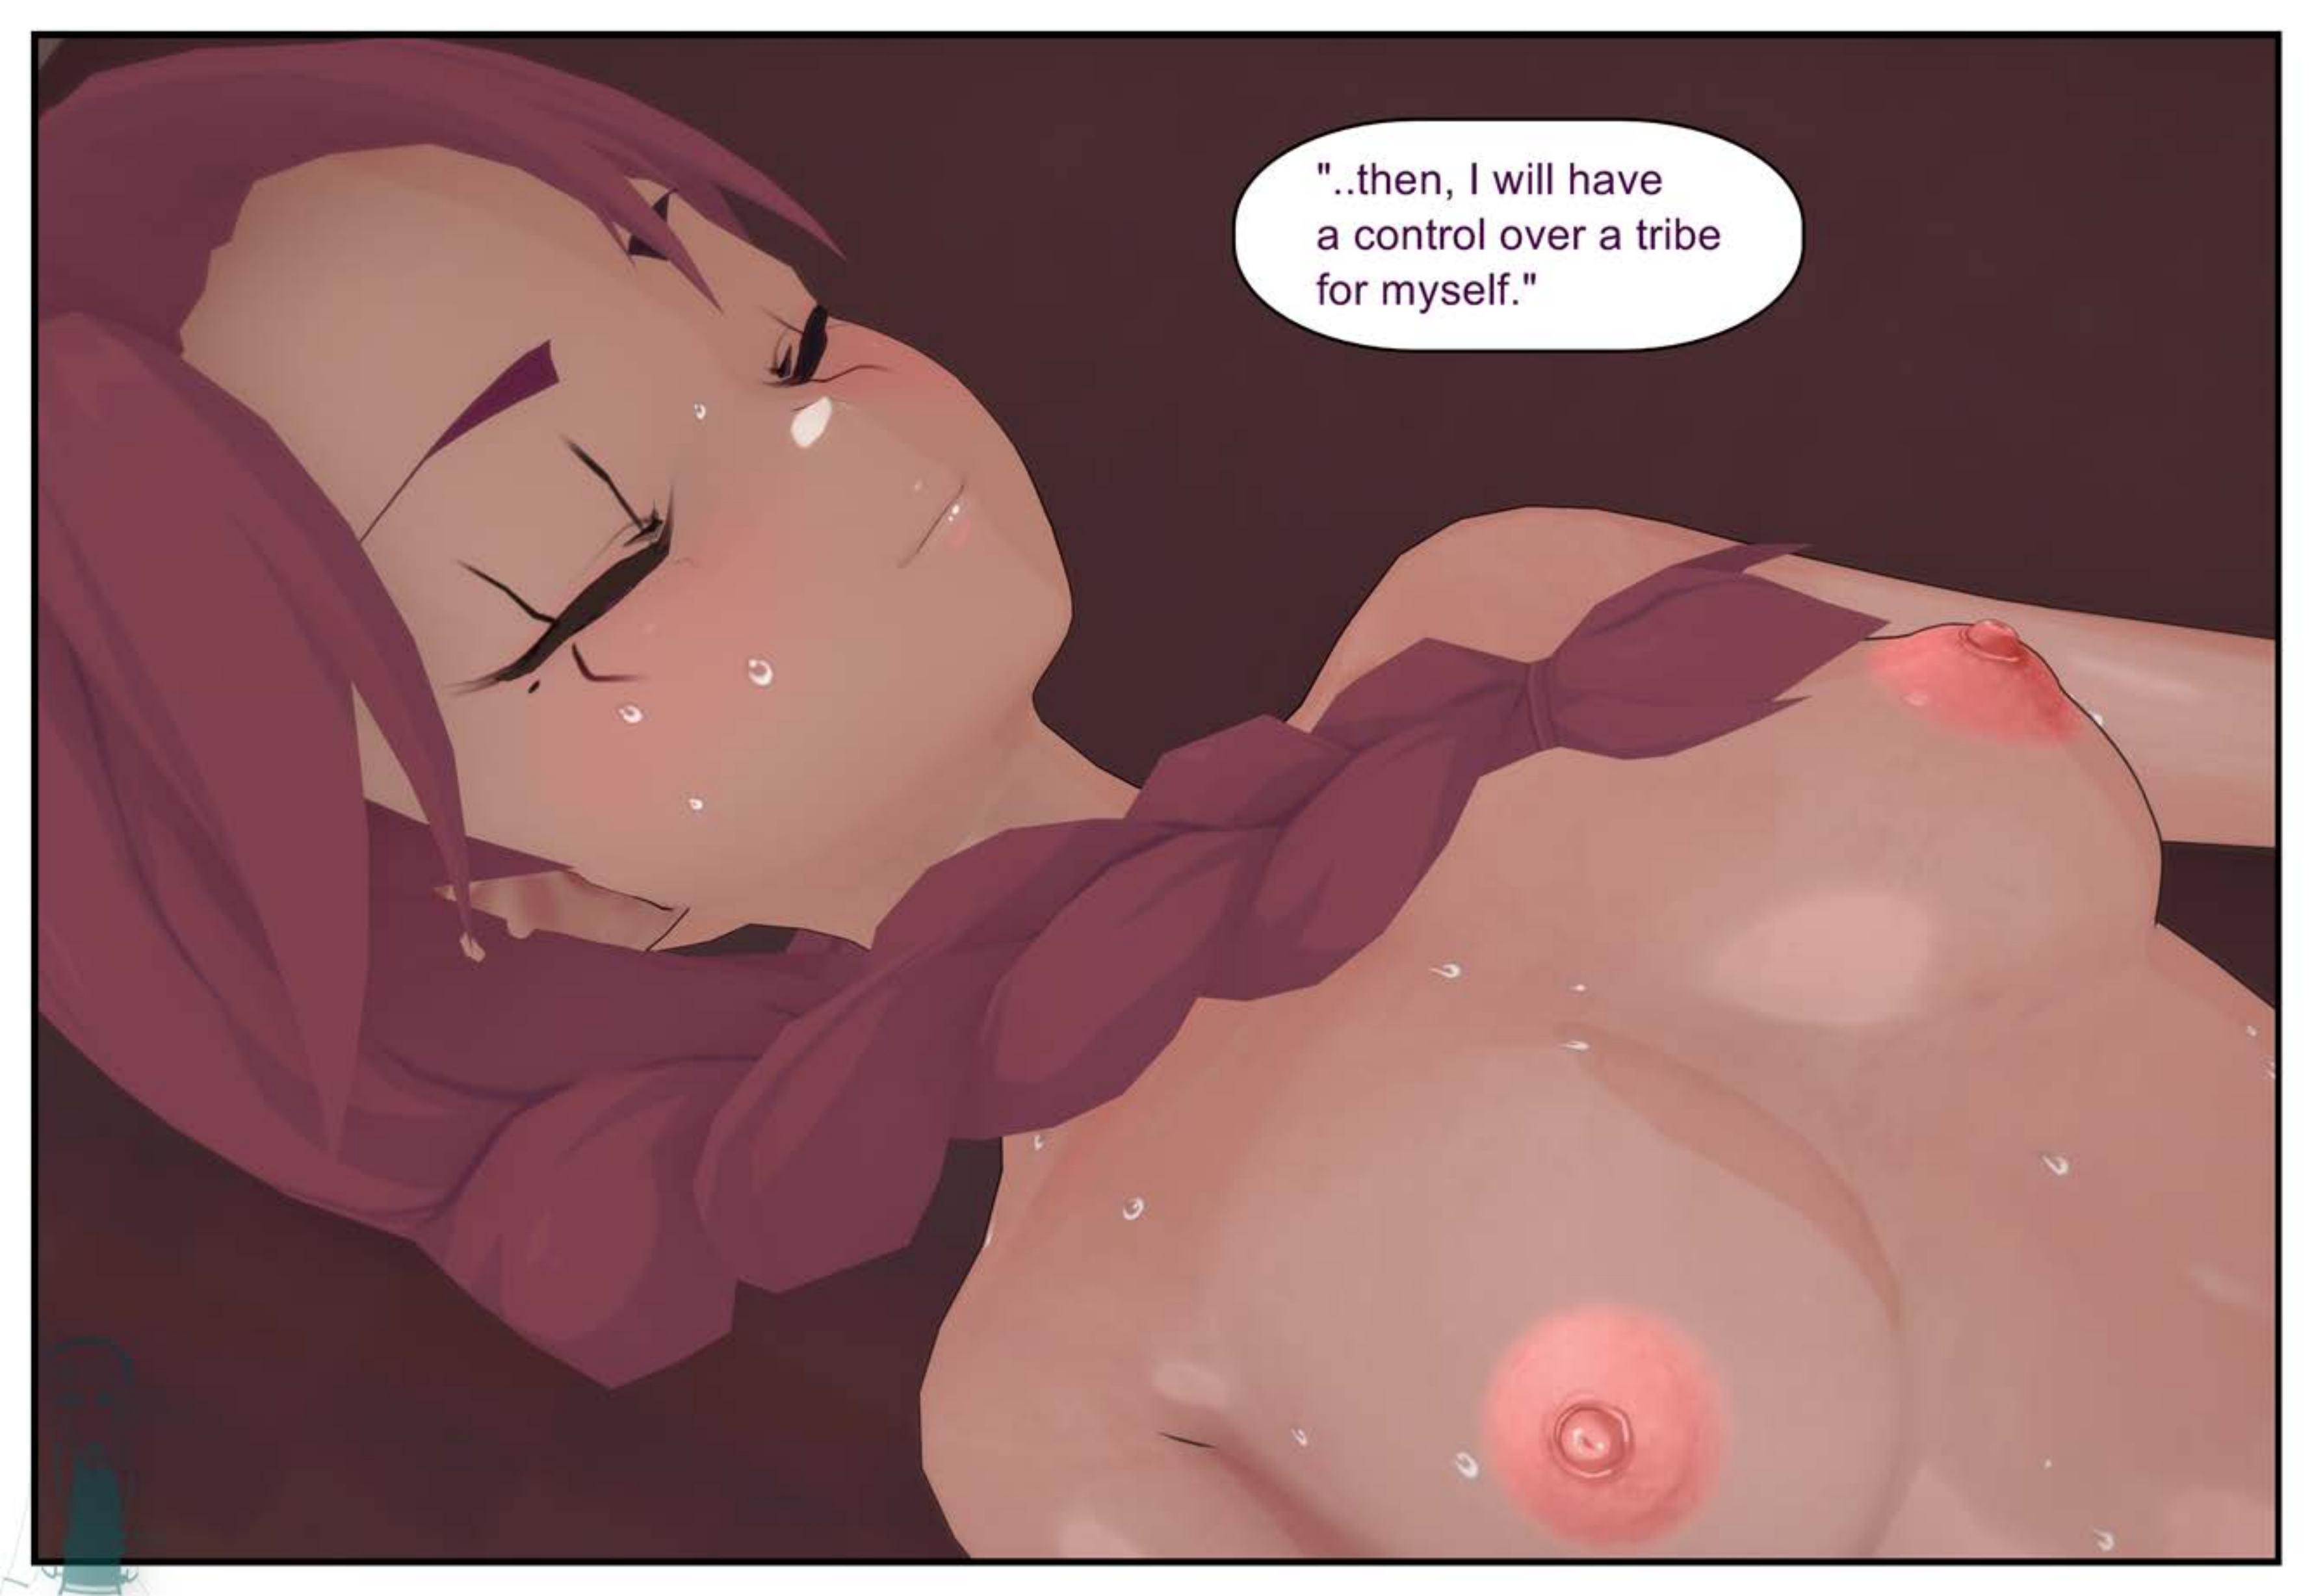

"Hehe.. I'm having great time with these two."

"Soon, they will
lead me to their leader.."

"..then, I will have
a control over a tribe
for myself."

The next morning..

Are you
leaving now?

Yes, I can't let
him to run around
any longer.

I was afraid.. whether
if this world could
affect his behaviour..

Still, he is a part of my family, and I won't go home without him.

Alright.. You should go, I'm not going to make you stay.

If you have something,
you are welcome here
at my shrine.

Thank you, Ms. Yae.
For letting me stay
the night here.

A sake party for
next time we meet again?

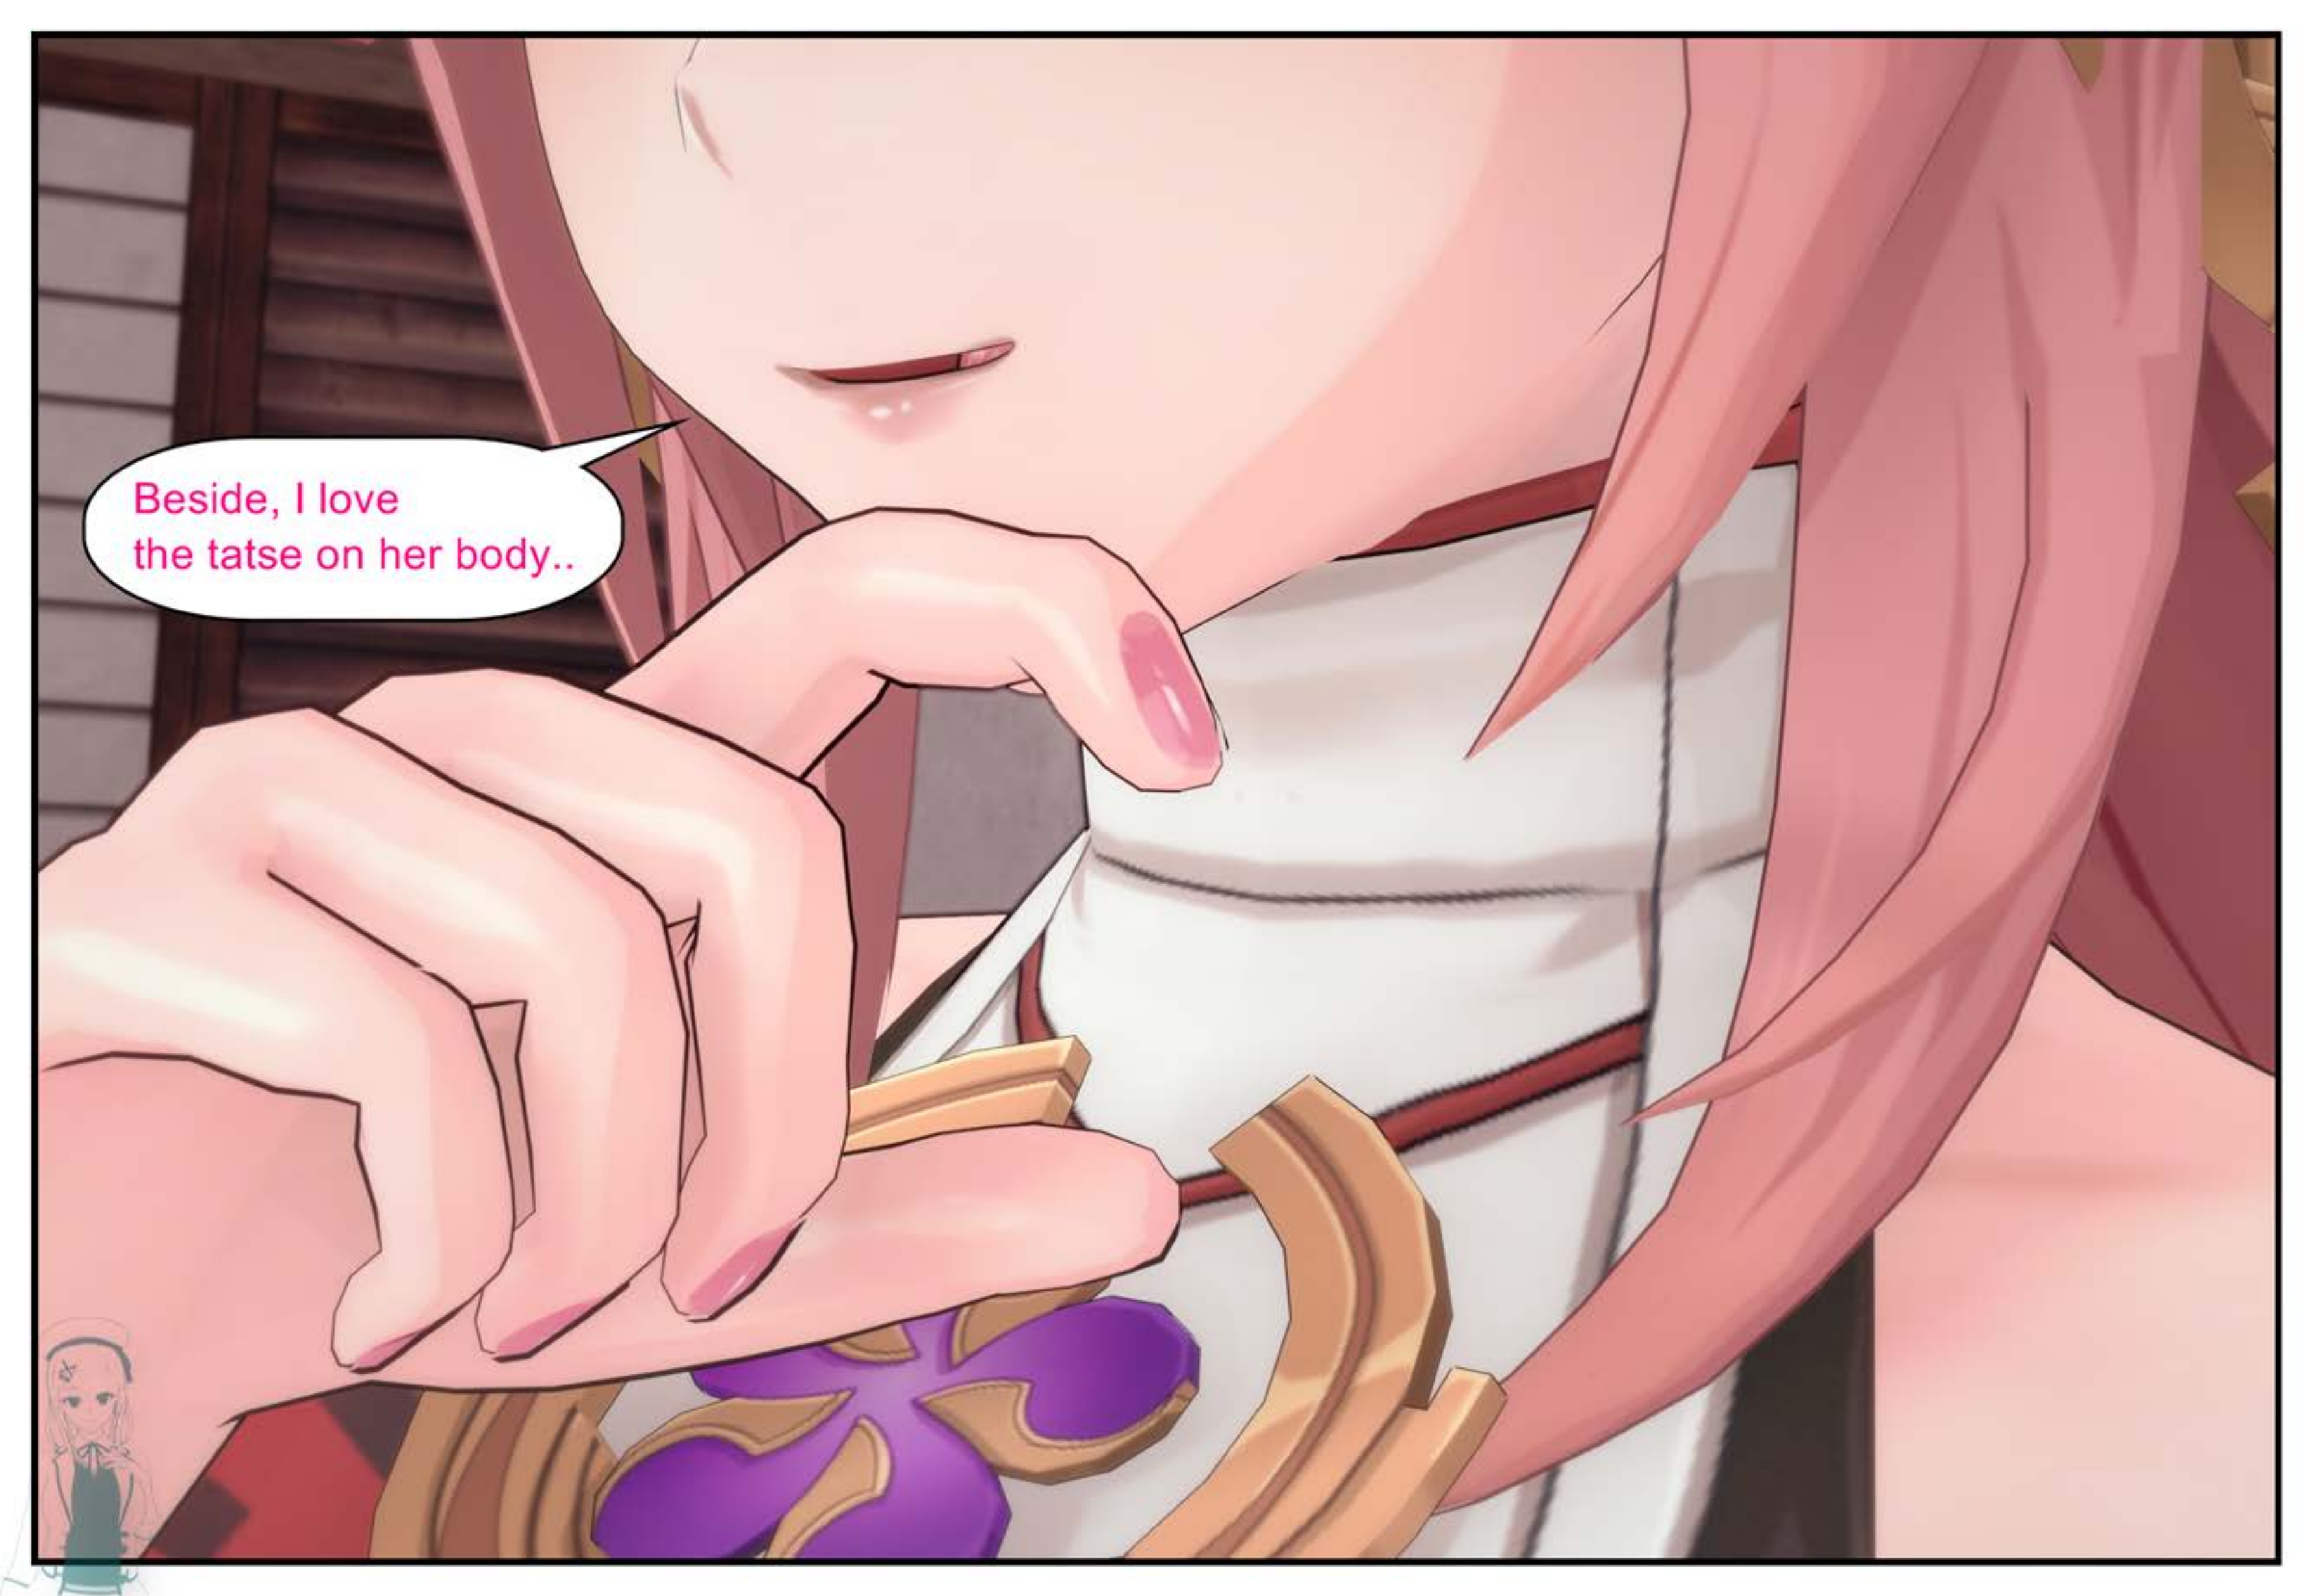

Definitely, and tell
me more about
your world, too.

"Well.. it's quite interesting for a novel.."

Beside, I love
the tatsse on her body..

A character with long reddish hair, wearing a white and brown outfit with intricate patterns, stands in a desert town. The background shows traditional buildings with green and red roofs, a large fire pit with a bright fire, and other people in the distance. A speech bubble is positioned above the character's head.

"Ah.. Isn't there any transportation..?"

"I feel too hot to walk.. this body tempature is rising.."

H-Hey.. Could you..
go a bit slower?

Rumei? Don't tell me
that you already tired?

N-No.. I just..
not feeling so well.

But we can't stay here any longer.. Sandstorm is closing in fast.

Come on! Keep up with me, sweating will make you feel better!

"Ah.. How much strength does she has?"

GENS
IMPA

Oh.. Sorry. I was
in a rush, didn't
mean to bump
into you..

I don't mind. Where are you heading?

B-Back to the desert, I guess.

Hm..? There's a sandstorm there, it's dangerous to go..

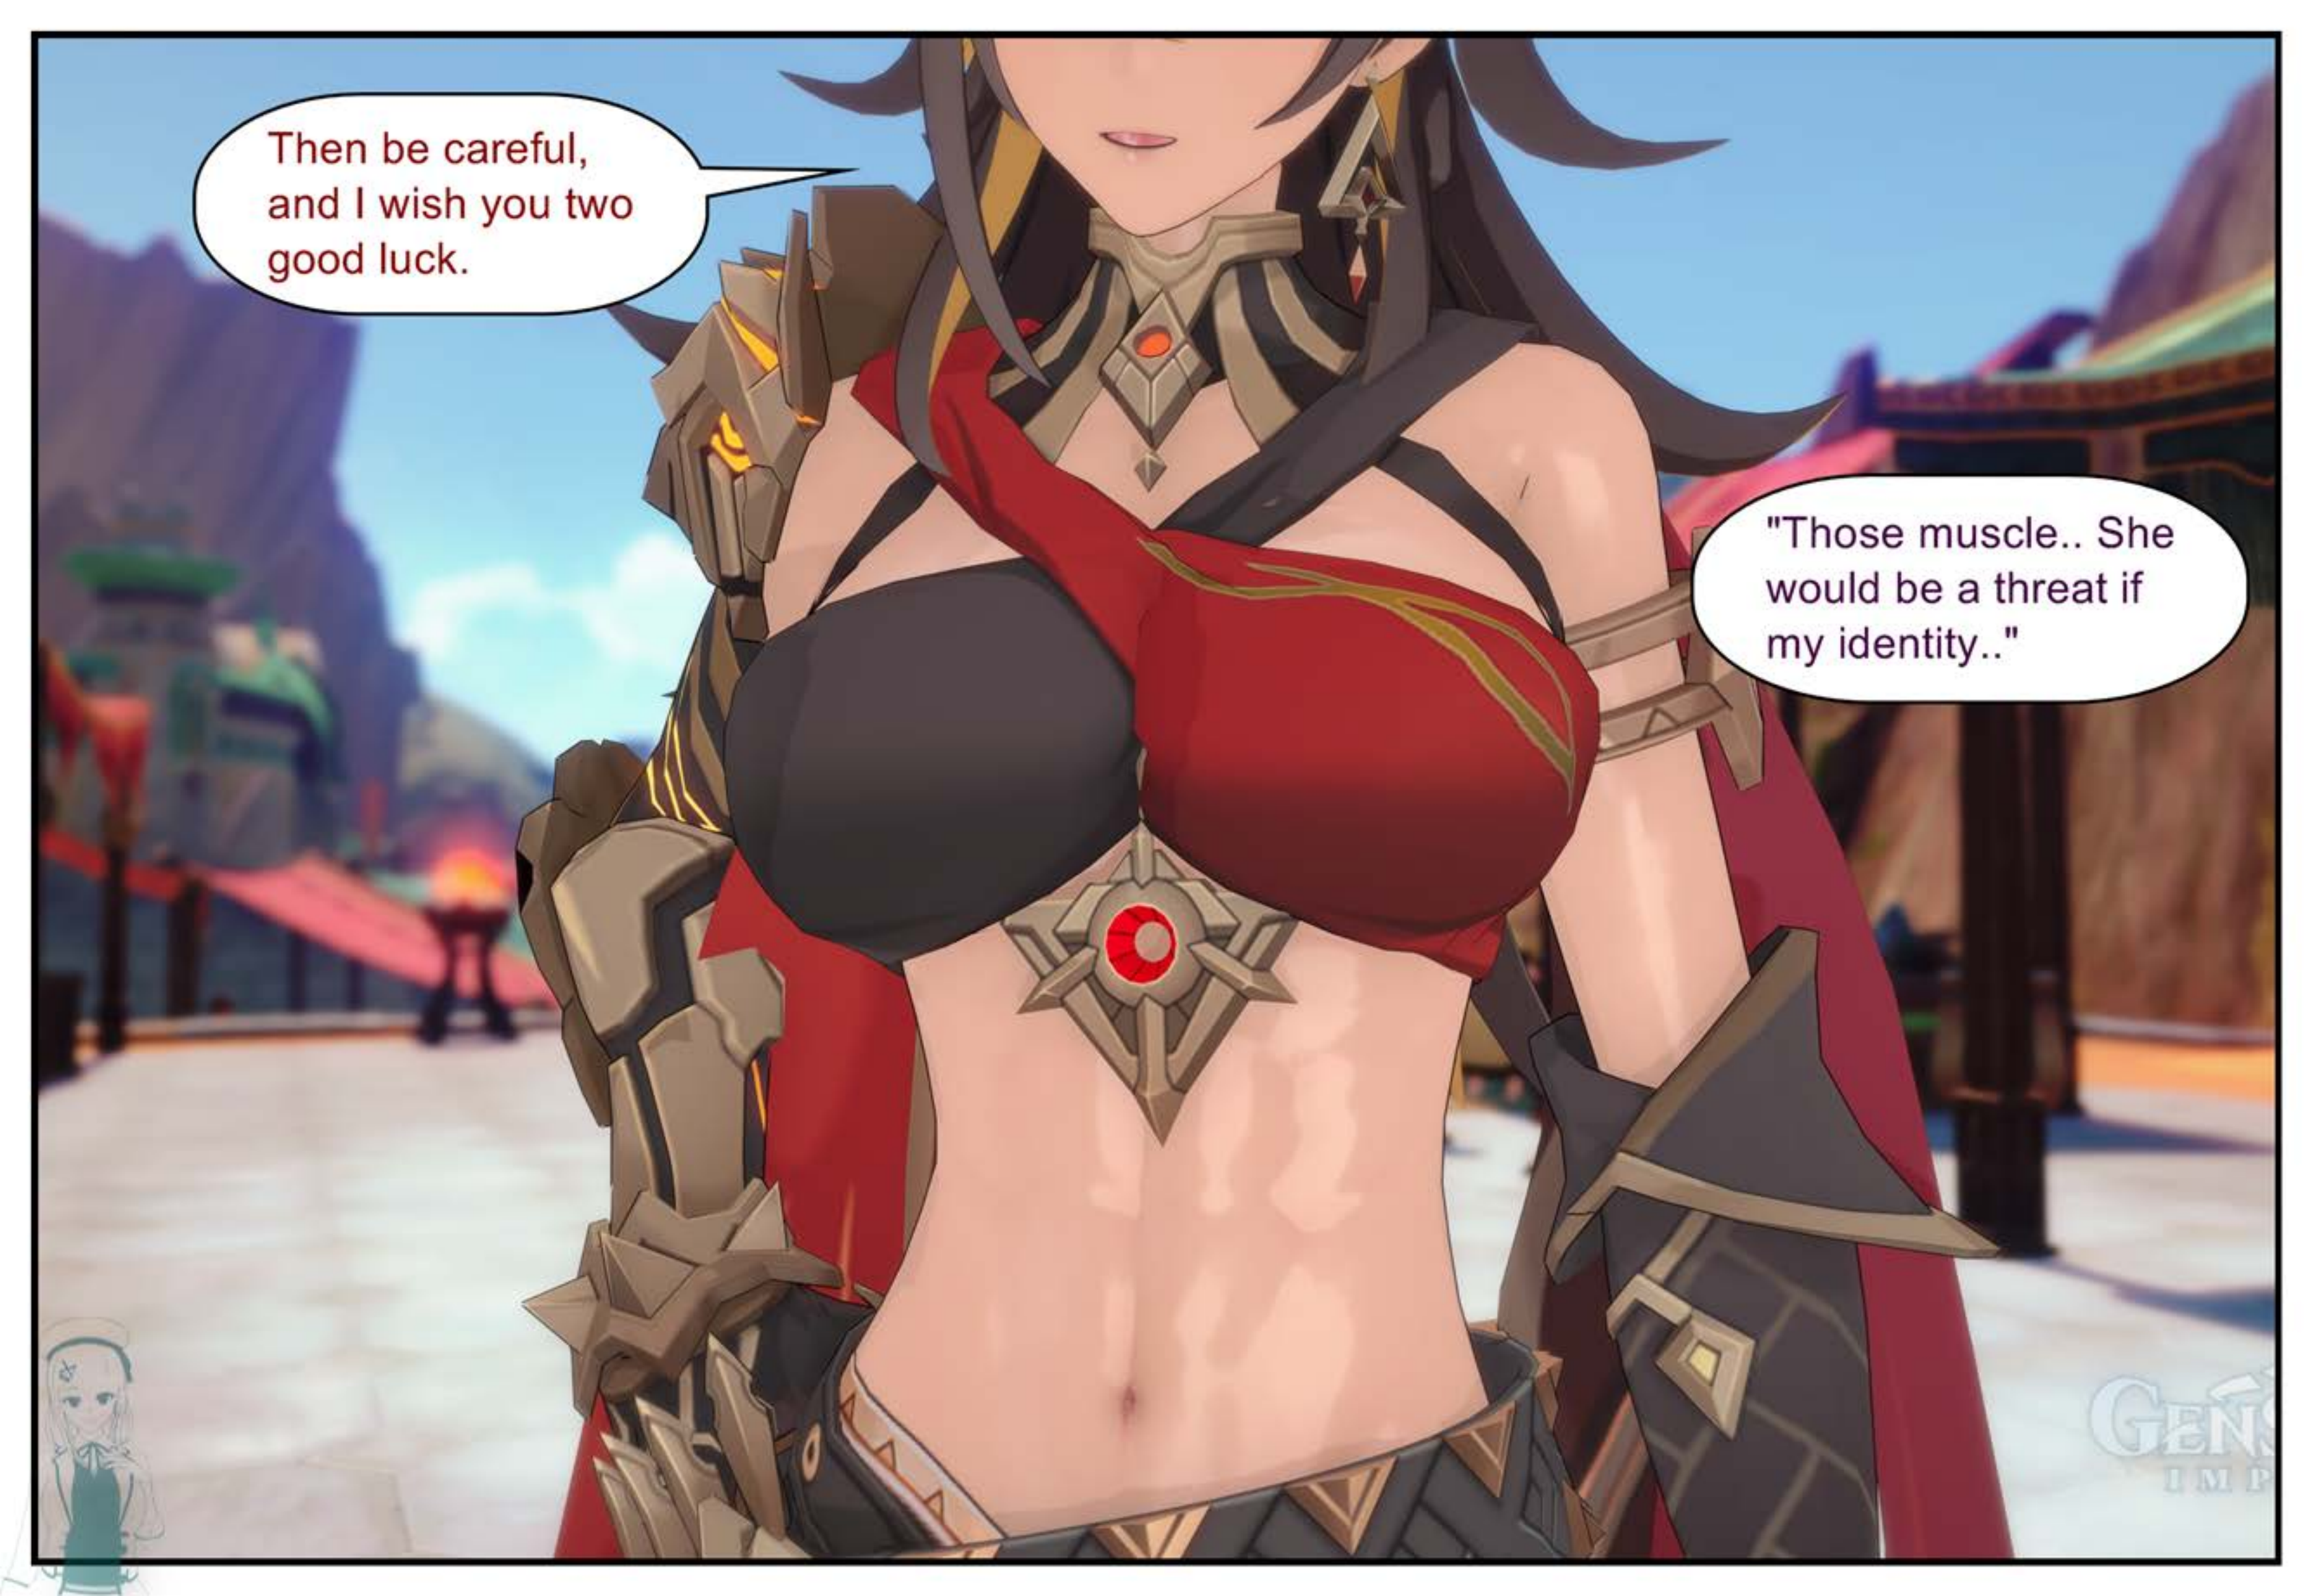

"Seem like the one in front of me is a fighter herself.."

Haha.. I don't know. But think I and my friend could make it.

GENS

Then be careful,
and I wish you two
good luck.

"Those muscle.. She
would be a threat if
my identity.."

T-Thanks.. I need to catch up with her now.

"Two desert female..
same as in the
description."

W-What!? Did you just talk to Dehya!?

Hm? Is there something wrong?

N-No, I remember that Mother Babel told us to avoid Dehya's attention.

A comic-style illustration of two anime-style characters standing in a field of tall grass and small purple flowers. The character on the left has short purple hair and is wearing a white and red outfit with a dark sash. The character on the right has short reddish-brown hair and is wearing a similar white and red outfit with a dark sash. A speech bubble from the character on the right contains the text: "Also, sandstorm will cover our track back to the tribe." The background shows a dark, rocky landscape under a dim sky.

Also, sandstorm will cover our track back to the tribe.

And.. speak of the
devil. It's starting.

Let's hustle,
Rumei!

W-Wait up..!

"Argh.. First time ever
that I felt this exhausted.."

pant.. Hah.. *pant*..
There's a village ahead.
We should take shelter.

We are not going to do that. Let's look for somewhere else.

Are you.. okay?

I'm good.. Just..
find a shade where
we could sit down
is enough.

A screenshot from the game Genie Imp. The scene is a dark, cavernous space with a glowing orange path leading through the rocks. A single torch is lit on a stand in the middle ground. The lighting is dim, with the primary light source being the path and the torch. The overall atmosphere is mysterious and dark.

There's the cave nearby, we could stay in here.

GENSHI
IMPACT

Hey, it is better if we ask to stay in that village..

People there won't welcome us.

I think not everyone is the same, they may if we ask nicely.

Then, go on and try it.

GENSHI
IMPA

So.. what makes
you think that they
won't welcome us?

Hm.. It's a long
story about me..

I was borned in that village, without knowing who were my parents.

No one want to raise
an abandoned baby..
I was left alone, crying..

Until, Mother Babel
found out and took
me in the tribe.

I bet.. there must
be a reason..

Perhaps.. Your parents still out there somewhere.

Haha.. You seem very optimistic.

What about you, Rumei? I have ever heard any of your story.

A character is shown from the chest up, holding a flaming torch. The character is wearing a dark, textured garment. The background is a dark, red-tinted environment with some faint, glowing blue particles. The overall mood is somber and dramatic.

I have a family..
but I lost them, I was
separated right in
front of their eyes.

Until I realize, they
may not going to
find me anyway.

Did you.. get on
well with your family?

Get on well..?

We fought sometimes..
but I still felt the familiar..
That they will never..

Then they must be still looking for you somewhere.

Well.. I don't have much hope..

Well, cheer up!
We are the same!

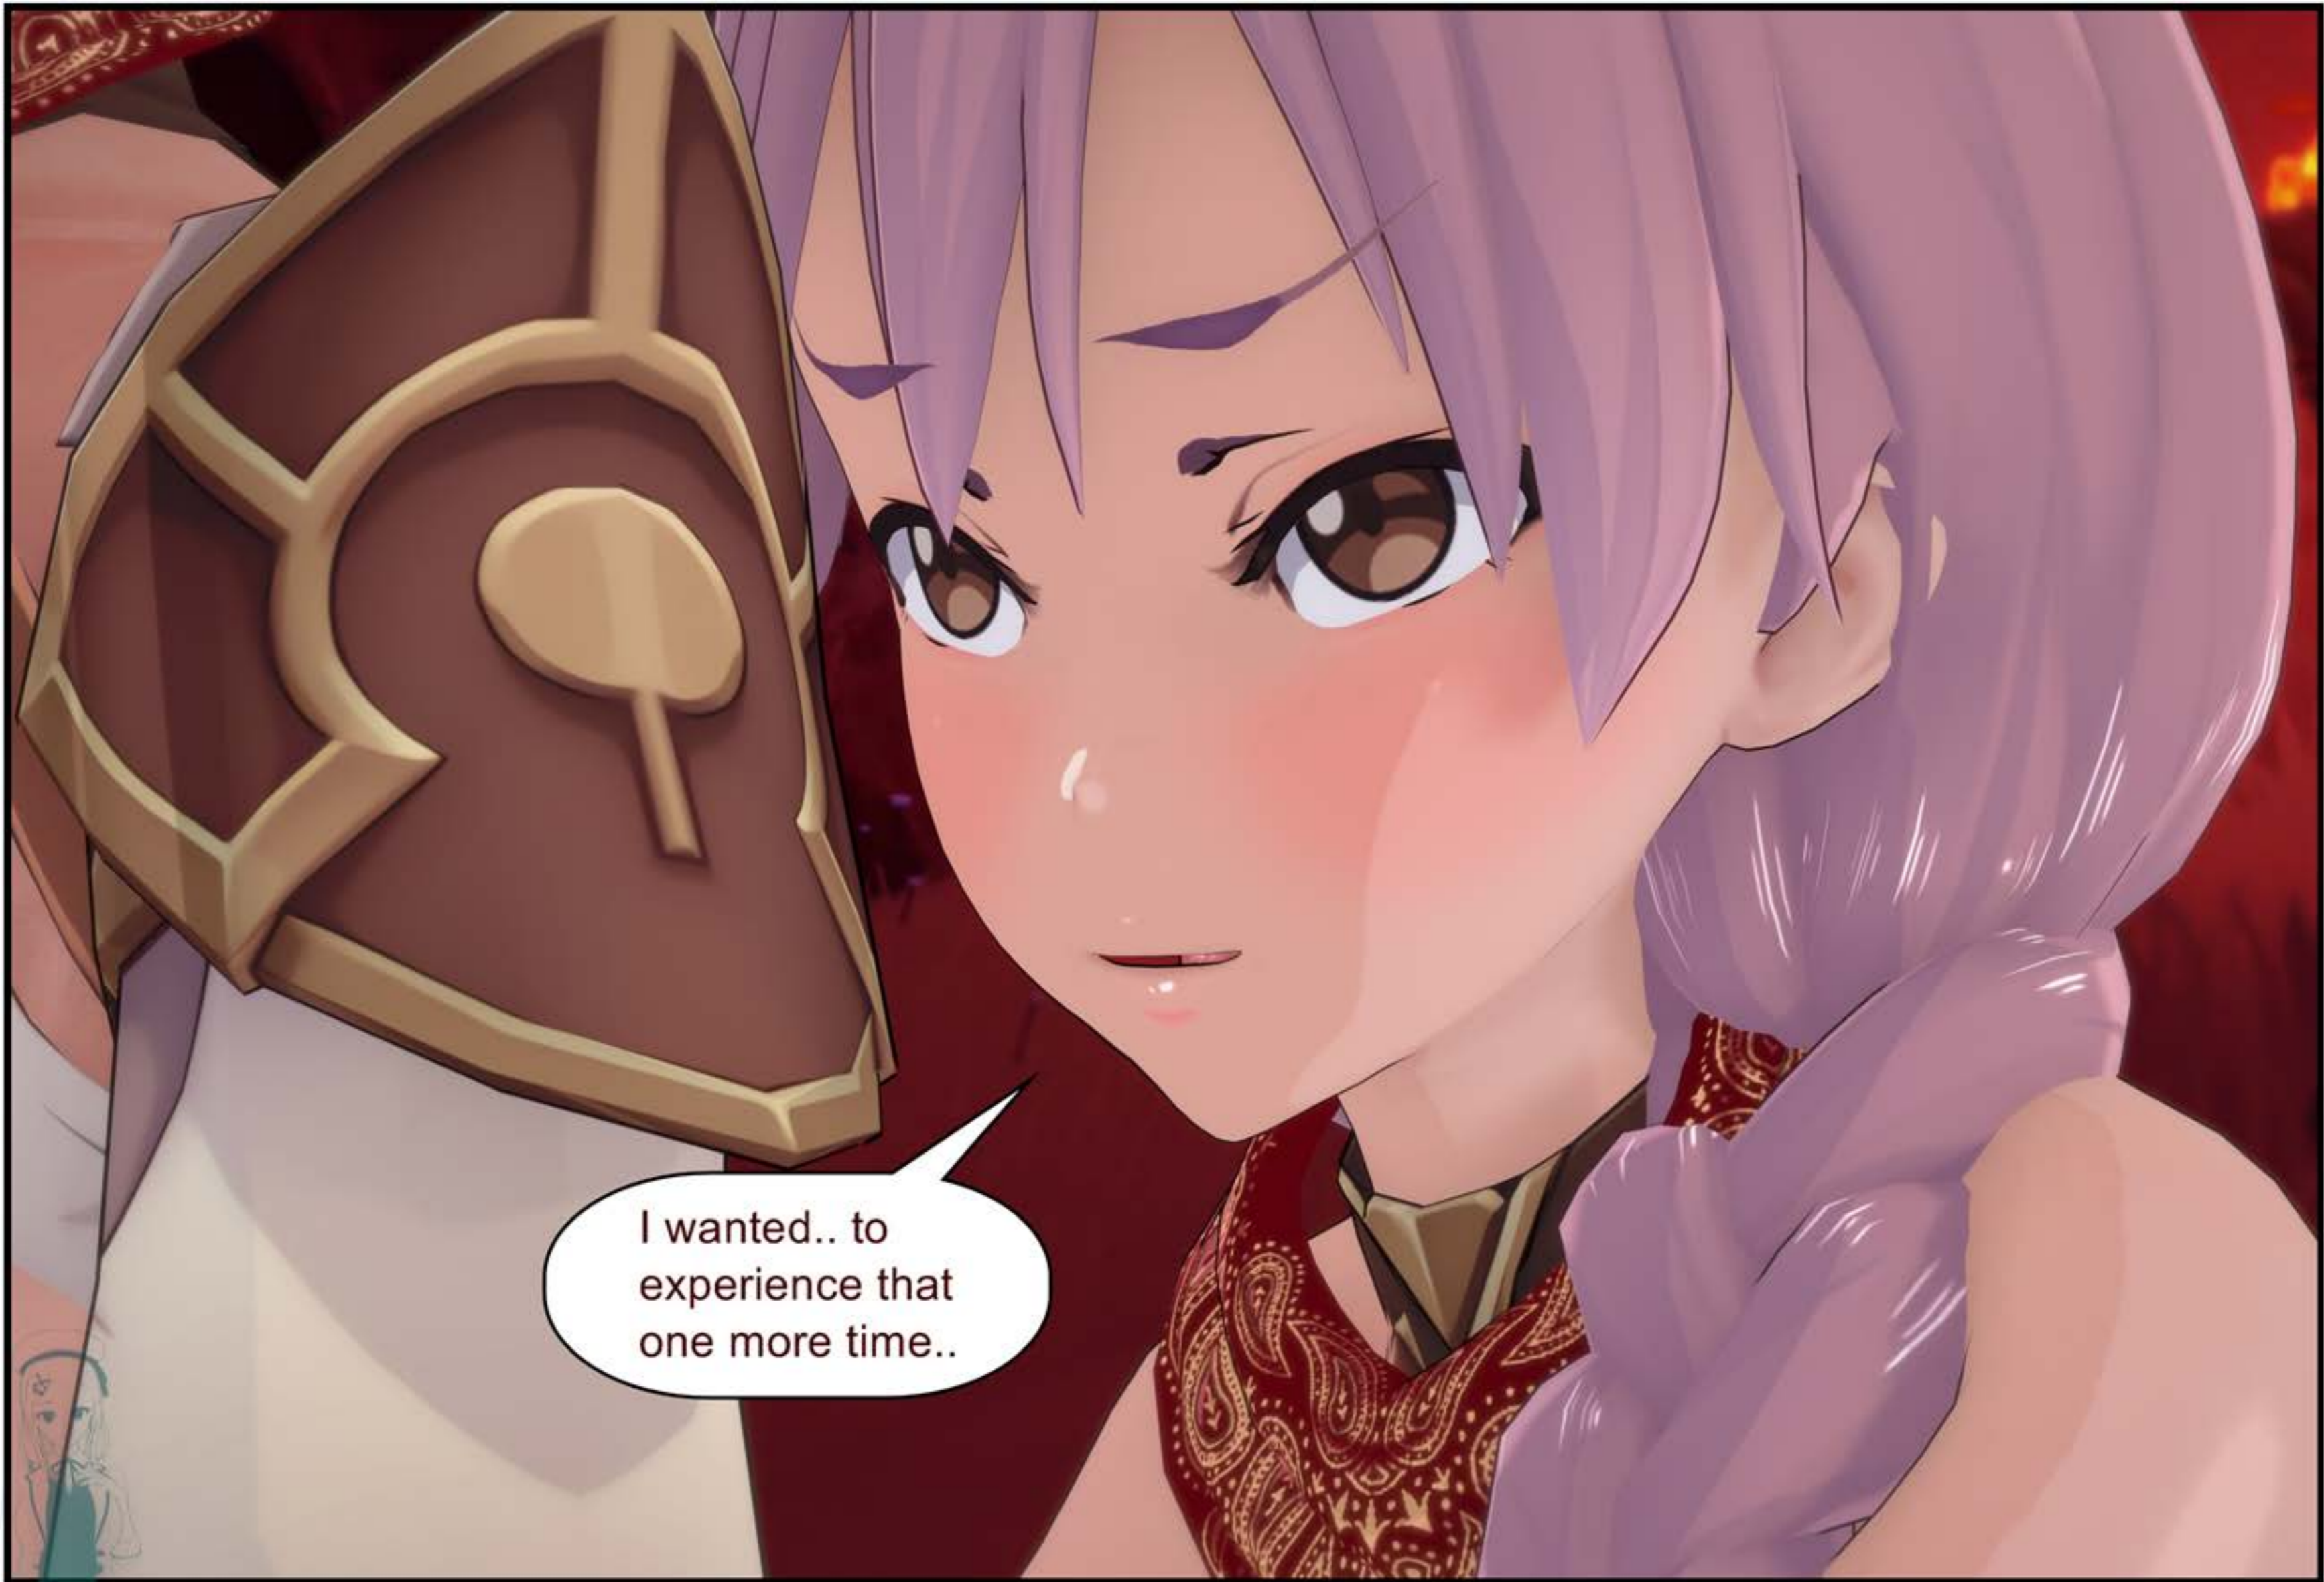

GENSHIN

T-This is revenge
for last night!

W-What are you
doing..?

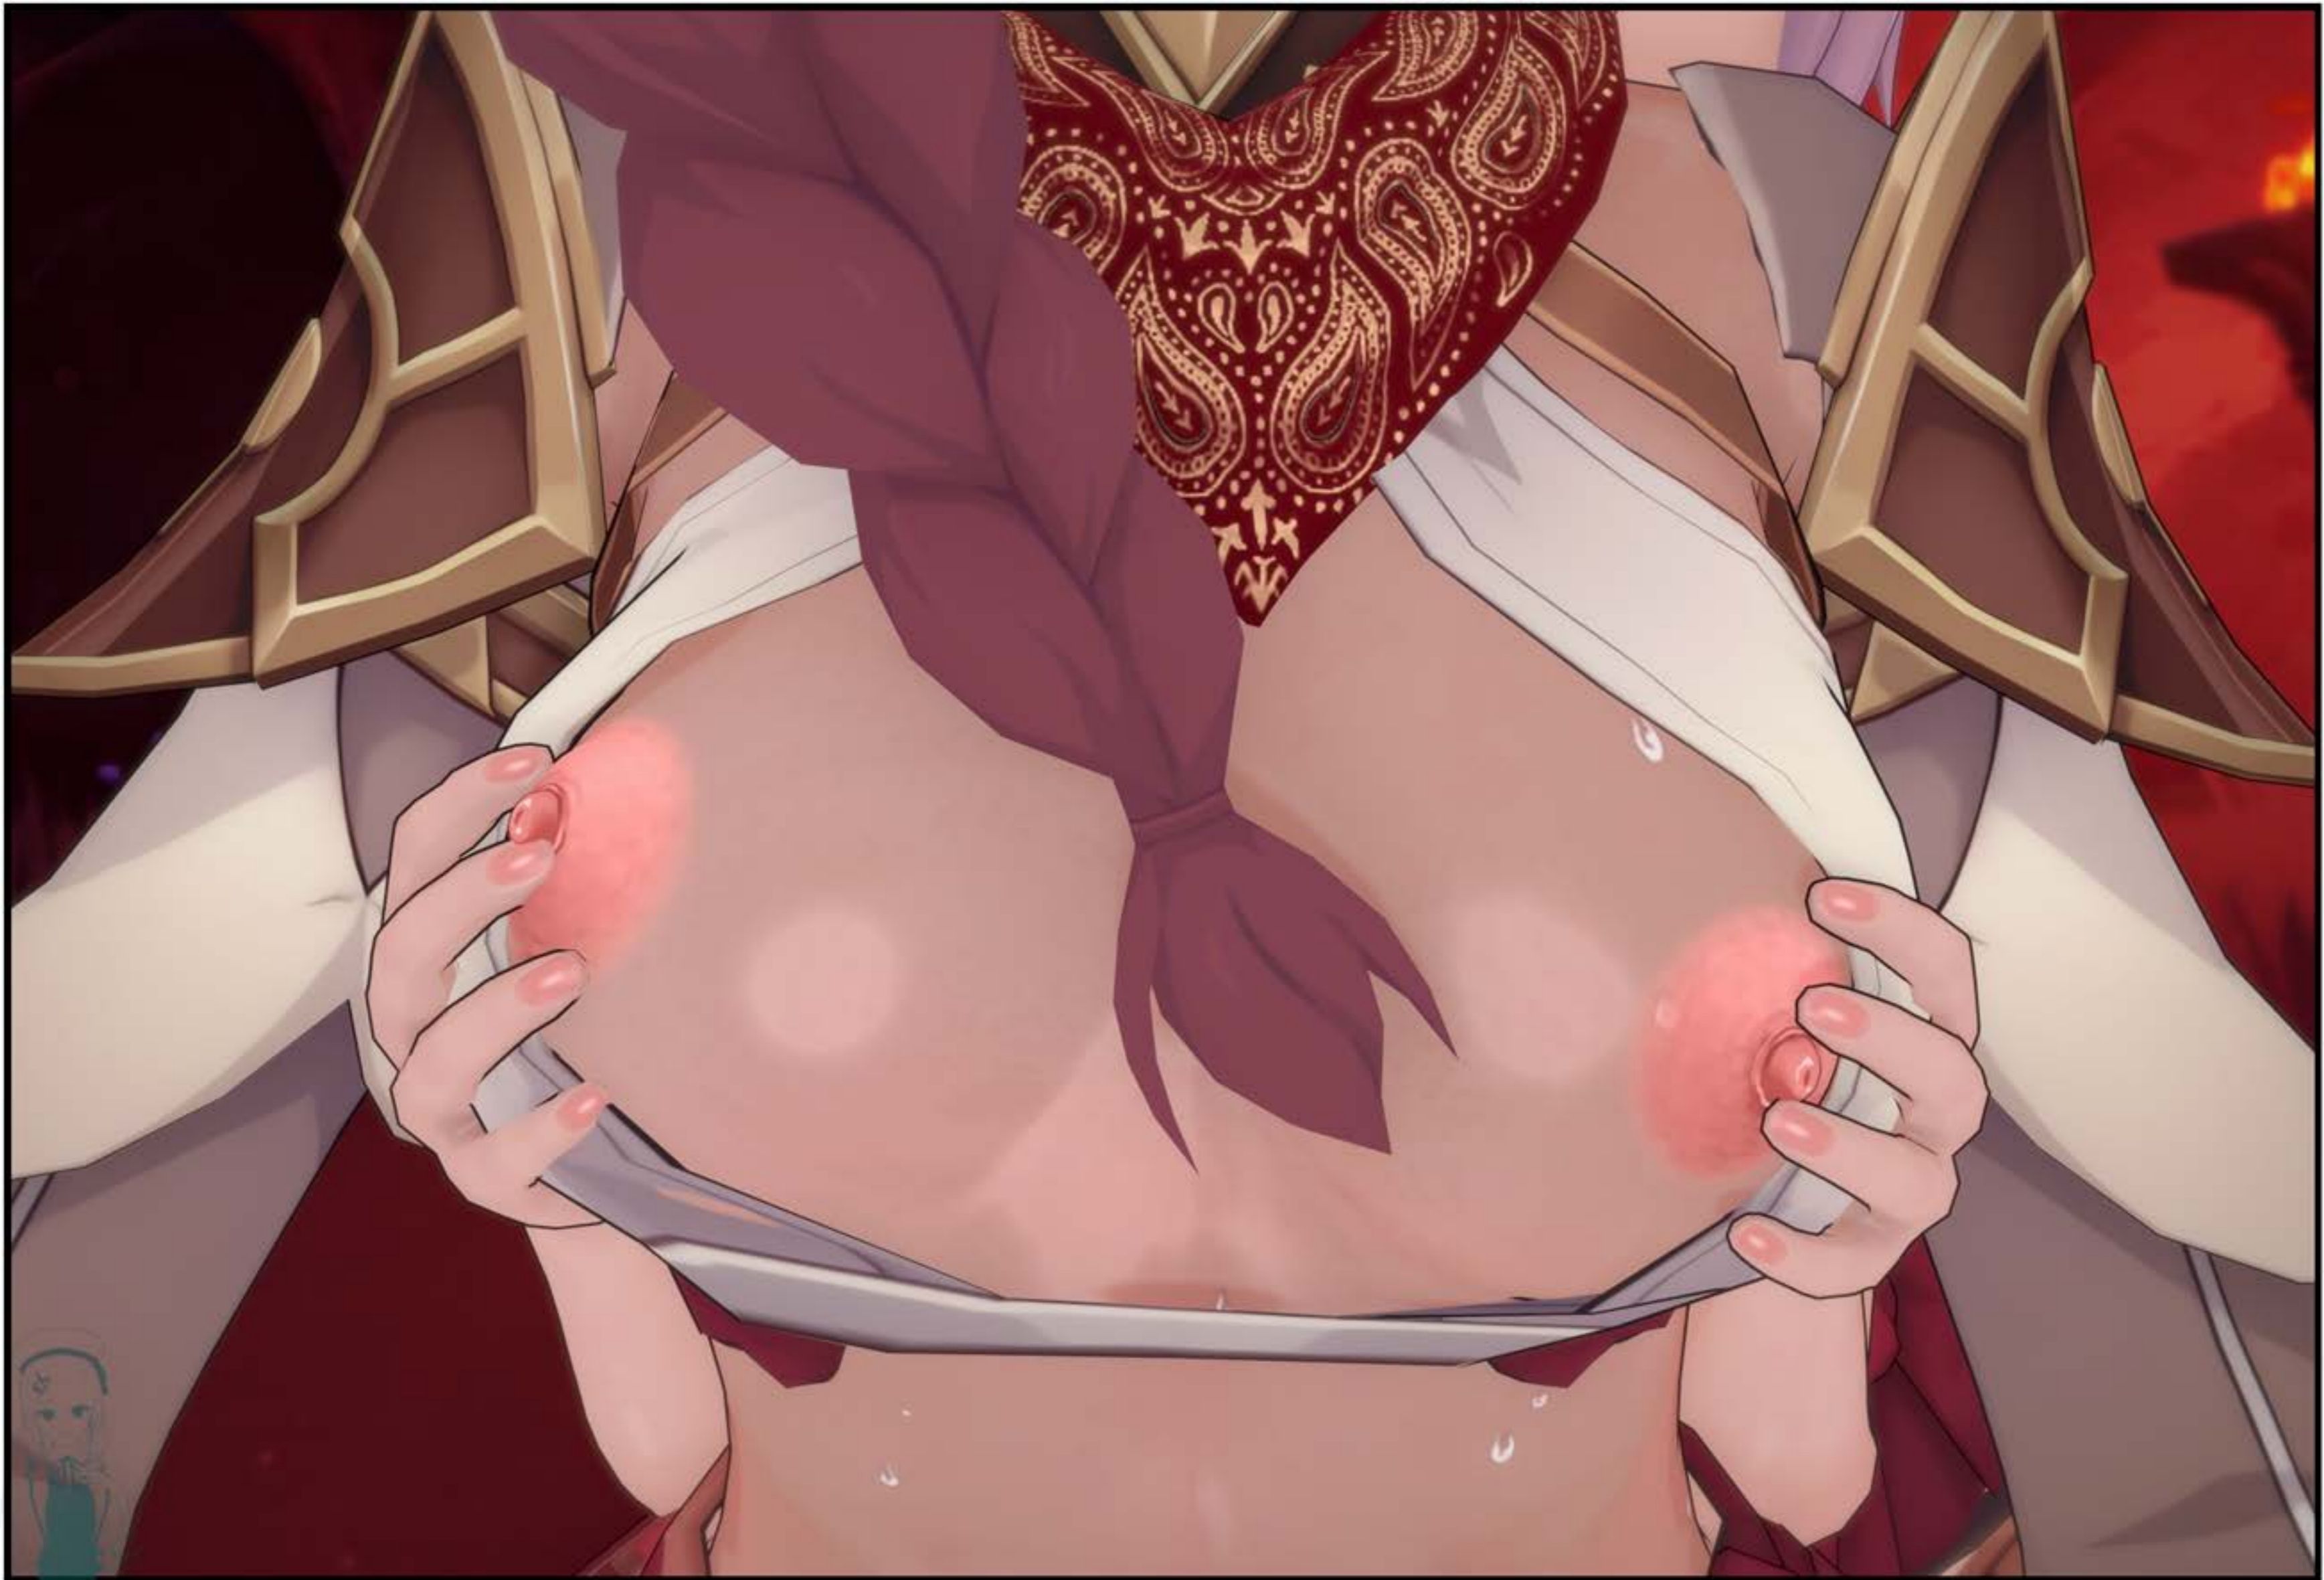

I wanted.. to
experience that
one more time..

What if.. someone sees us doing..?

"Feels like.. I'm starting to have affection with Yumei.."

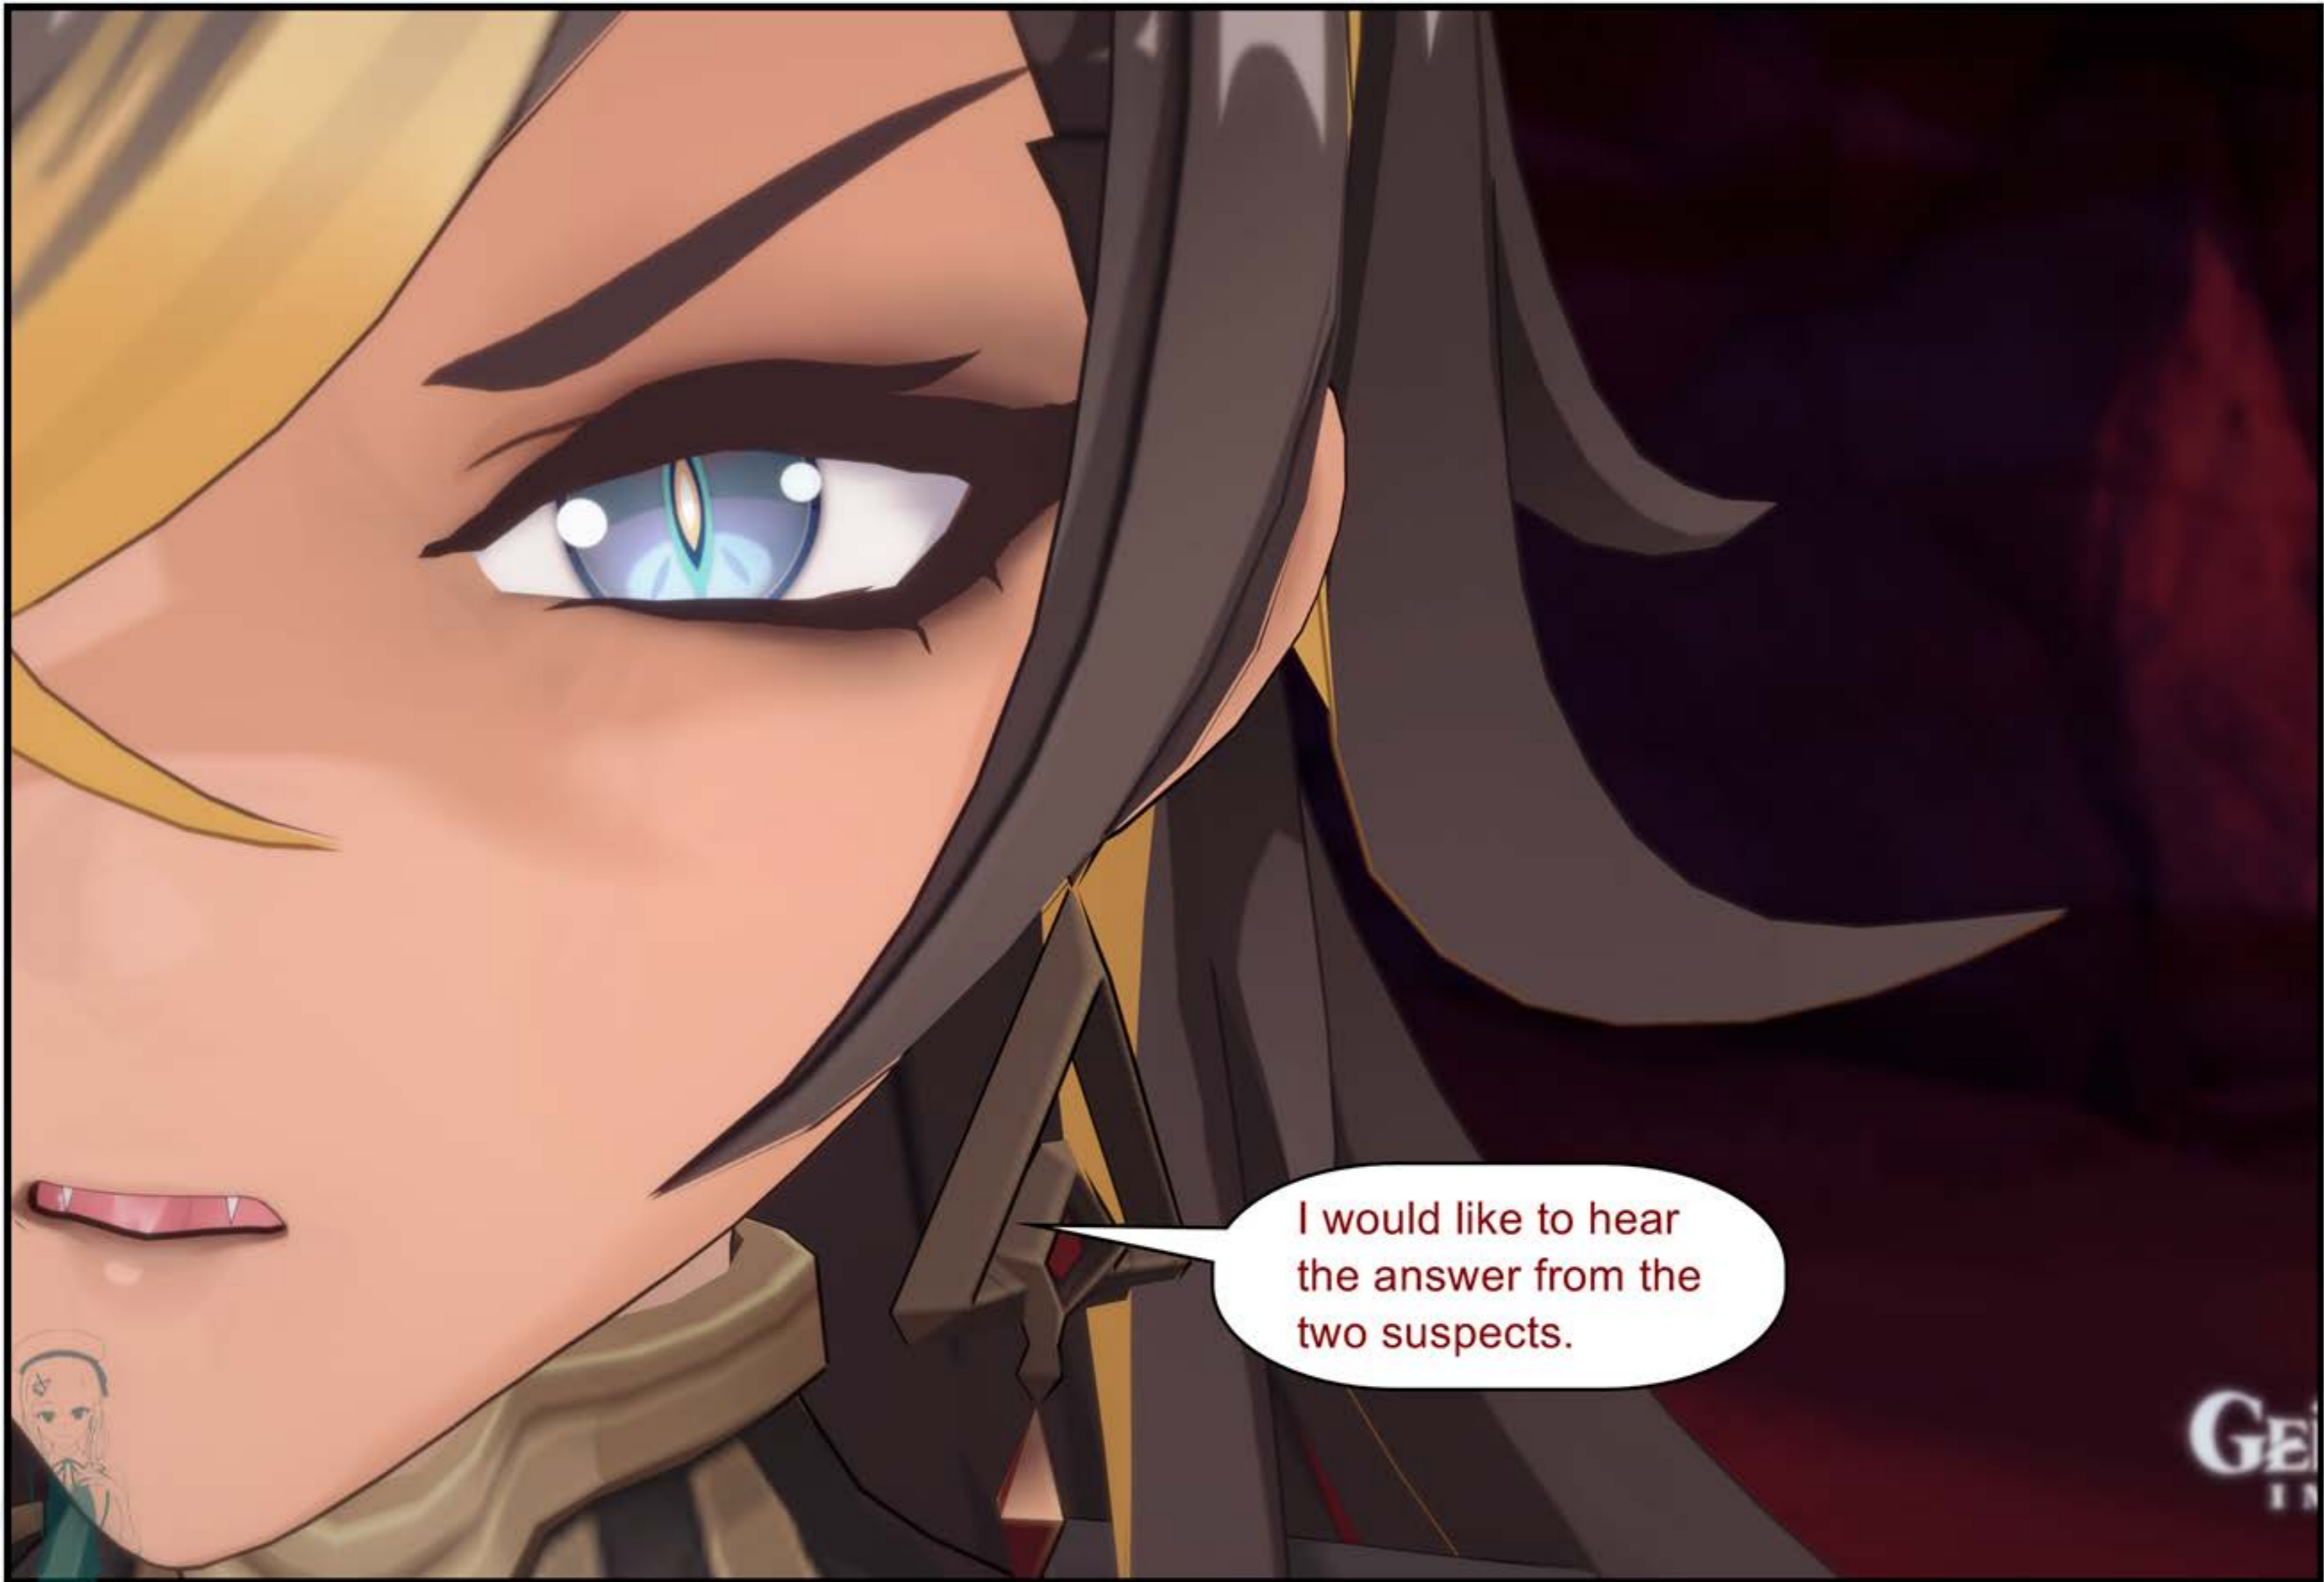

I don't think you would hide here, and do this out wild.

I wonder why didn't
you take shelter in
the nearby village?

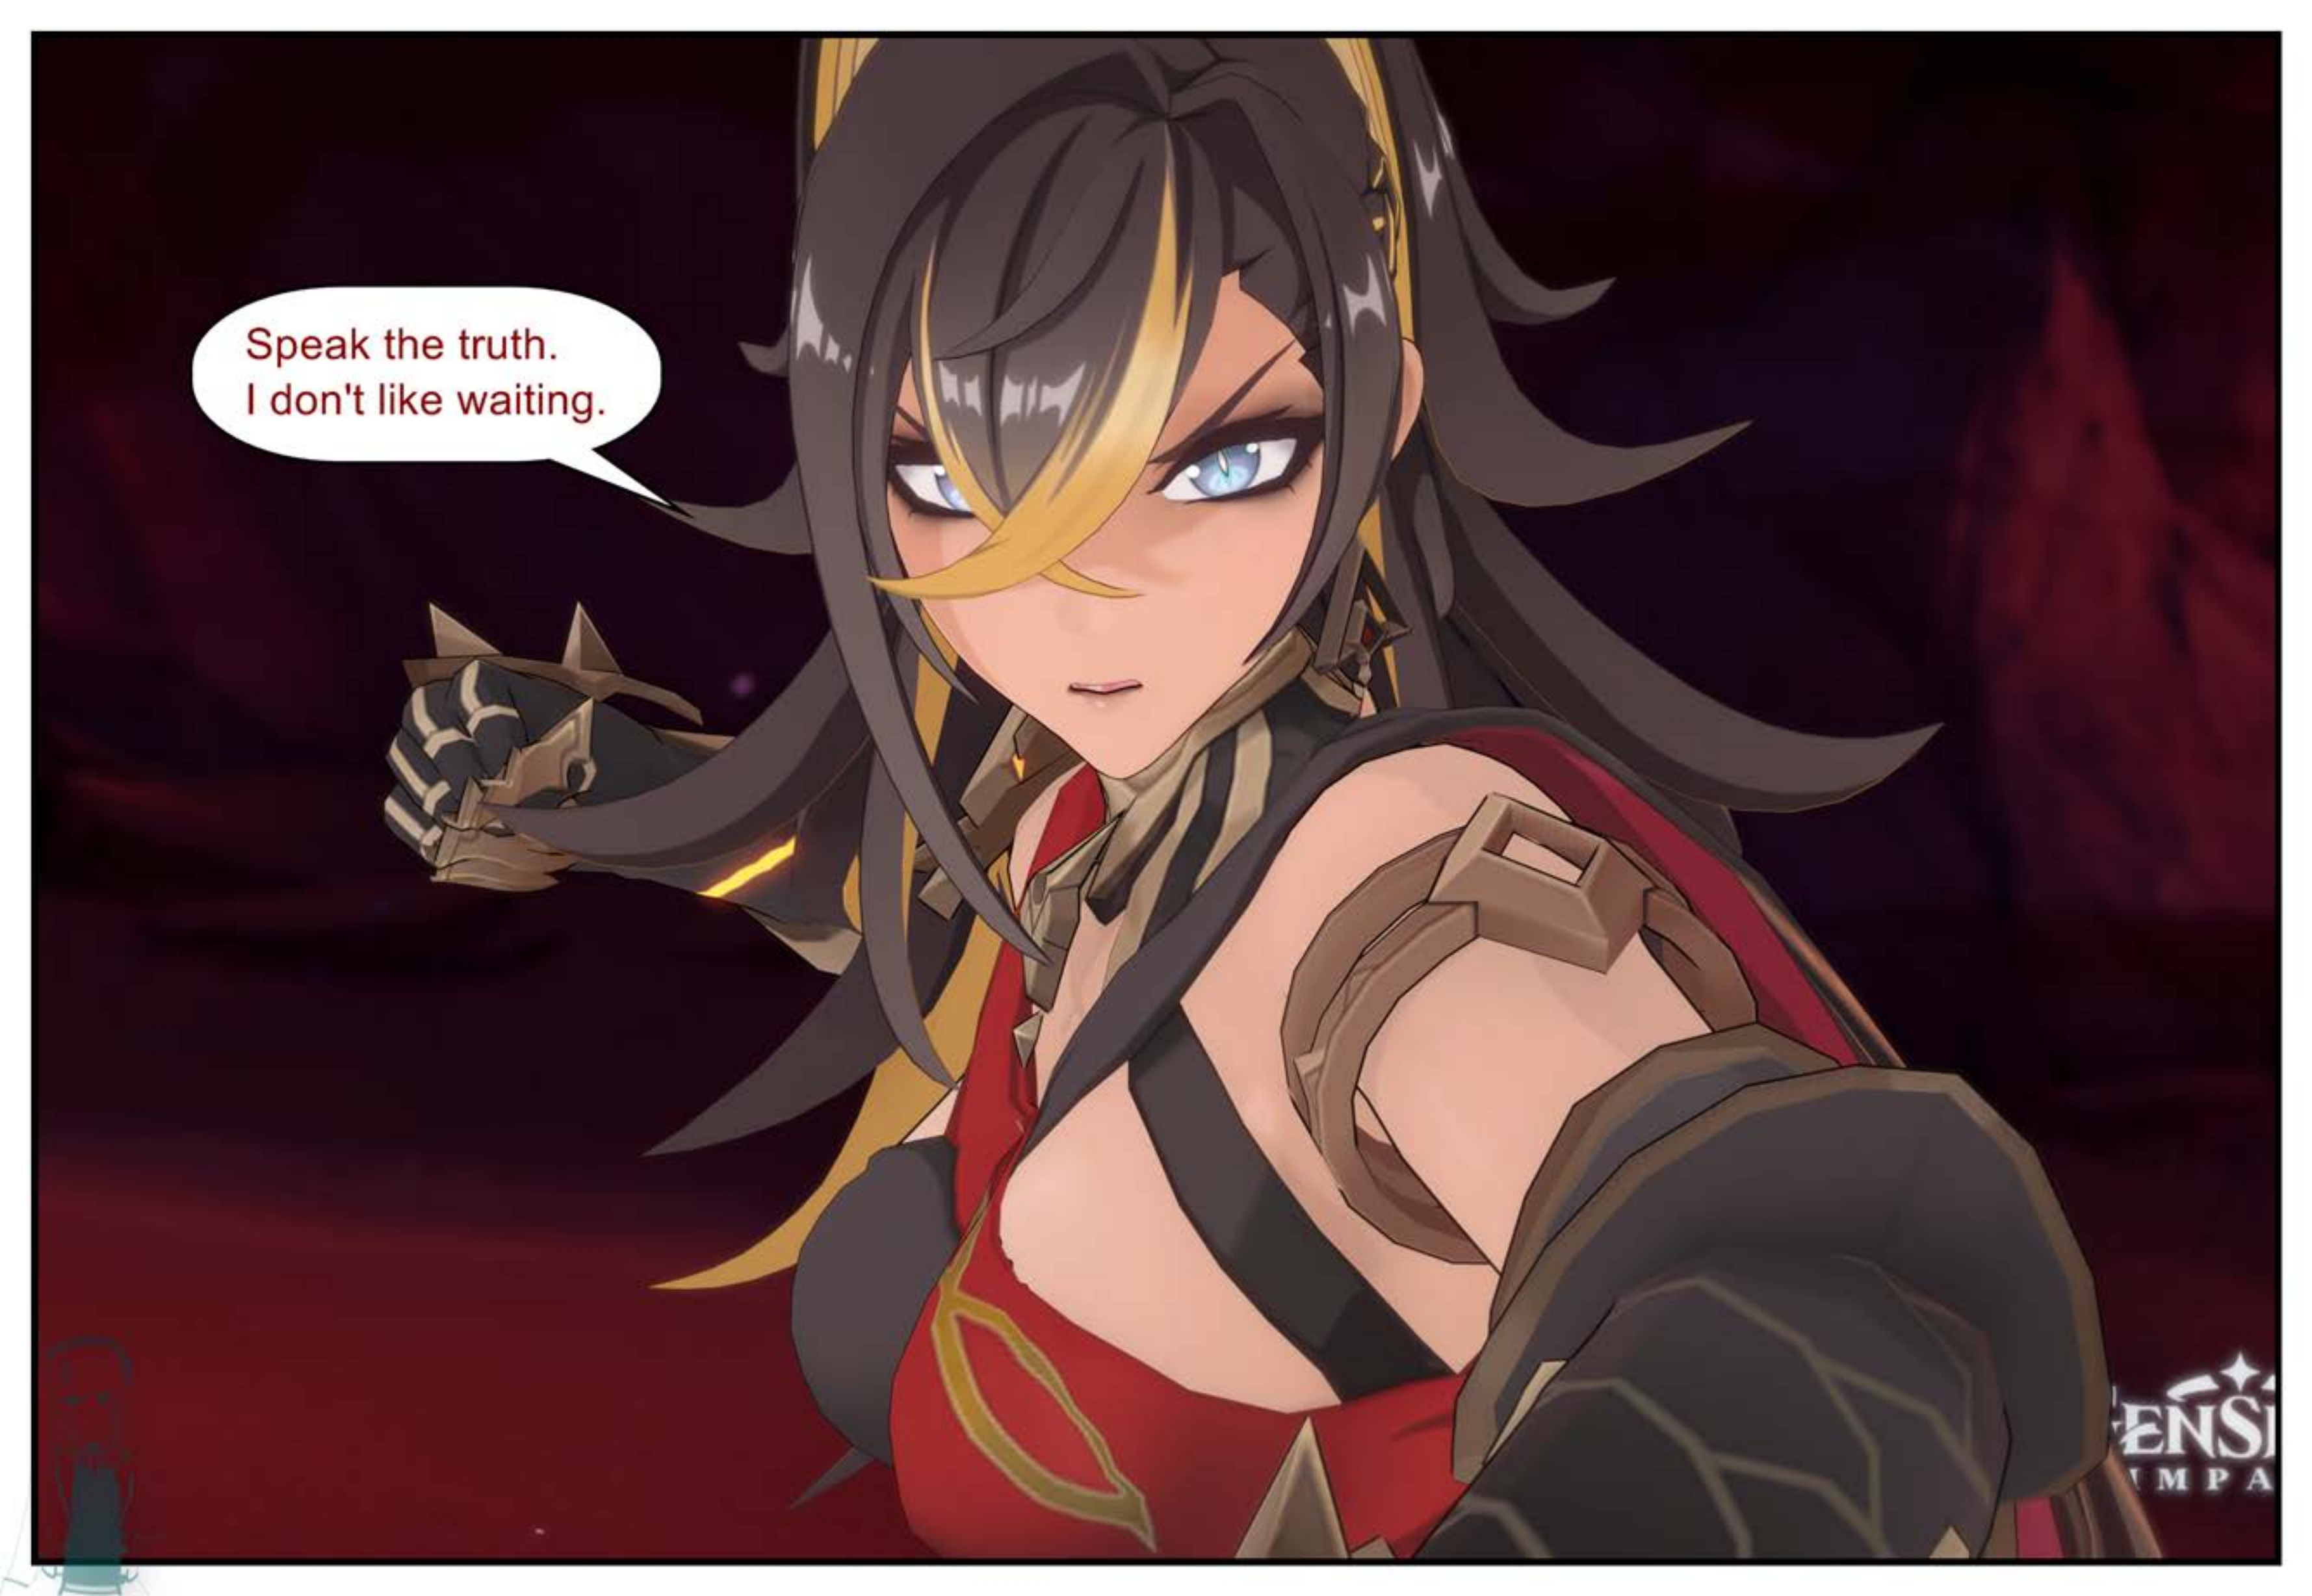

Or are you hiding something? Like my mercenaries have been murdered?

I would like to hear
the answer from the
two suspects.

We just came here, not involved in any murder.

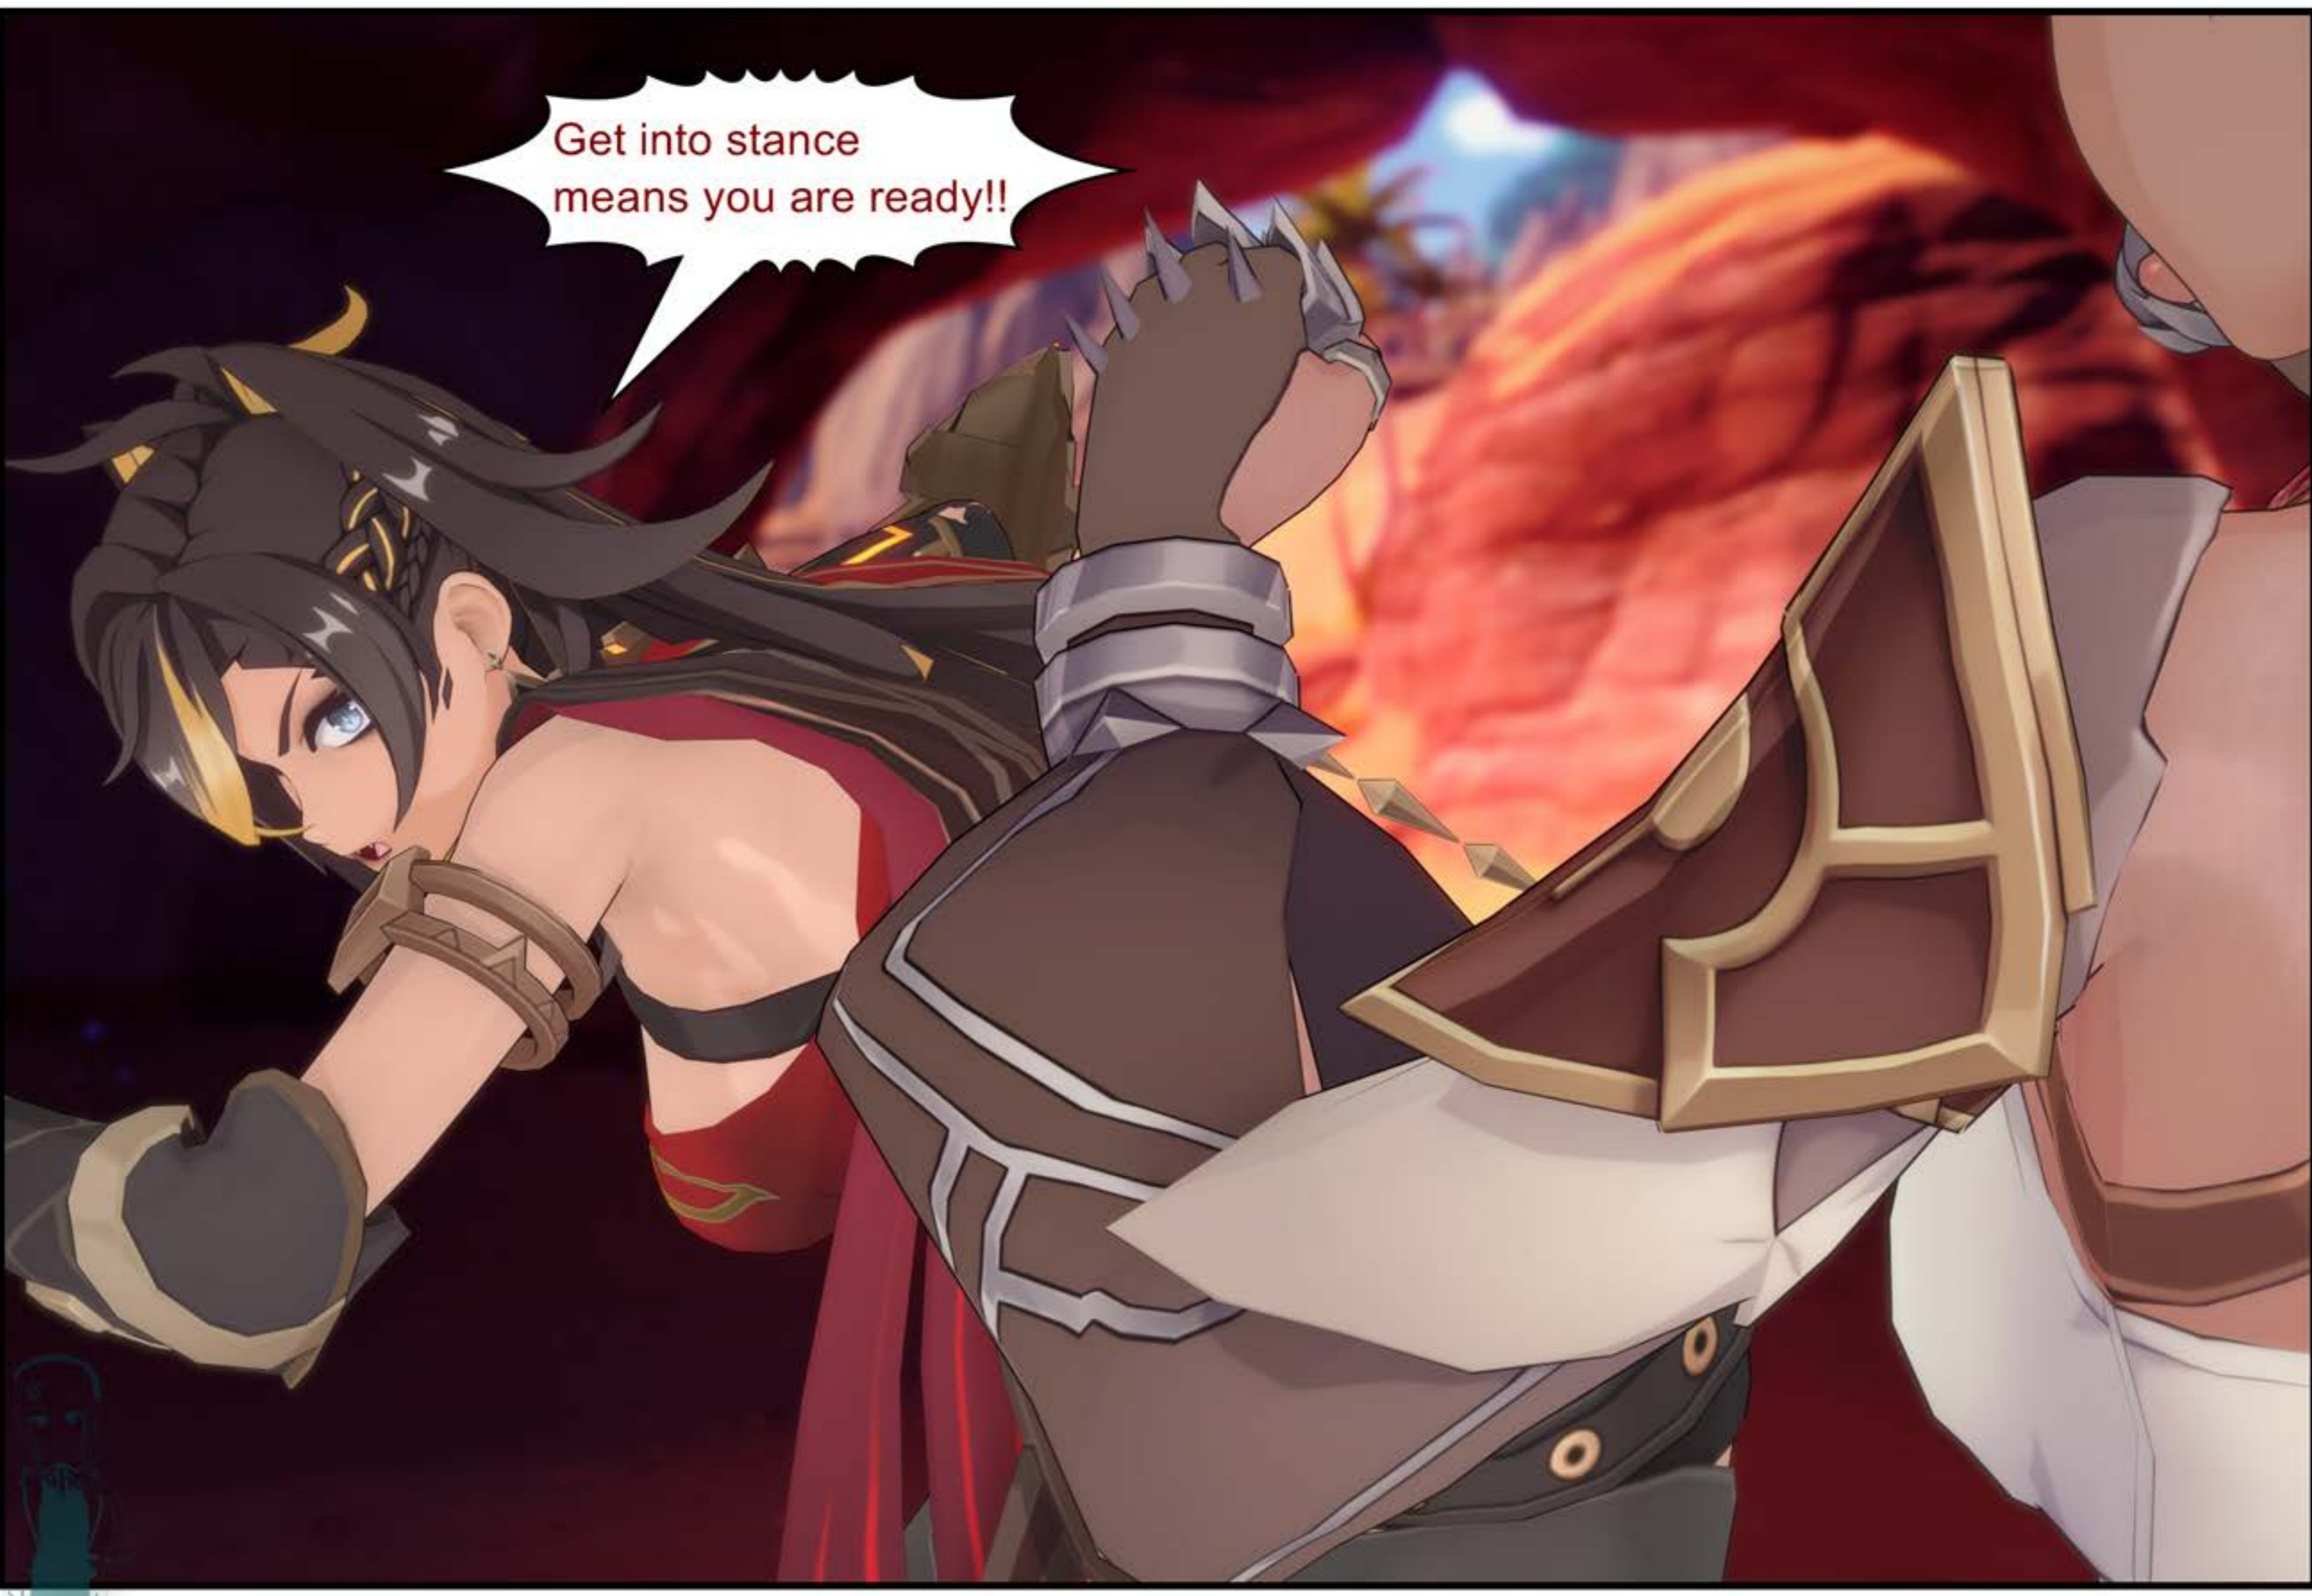

Speak the truth.
I don't like waiting.

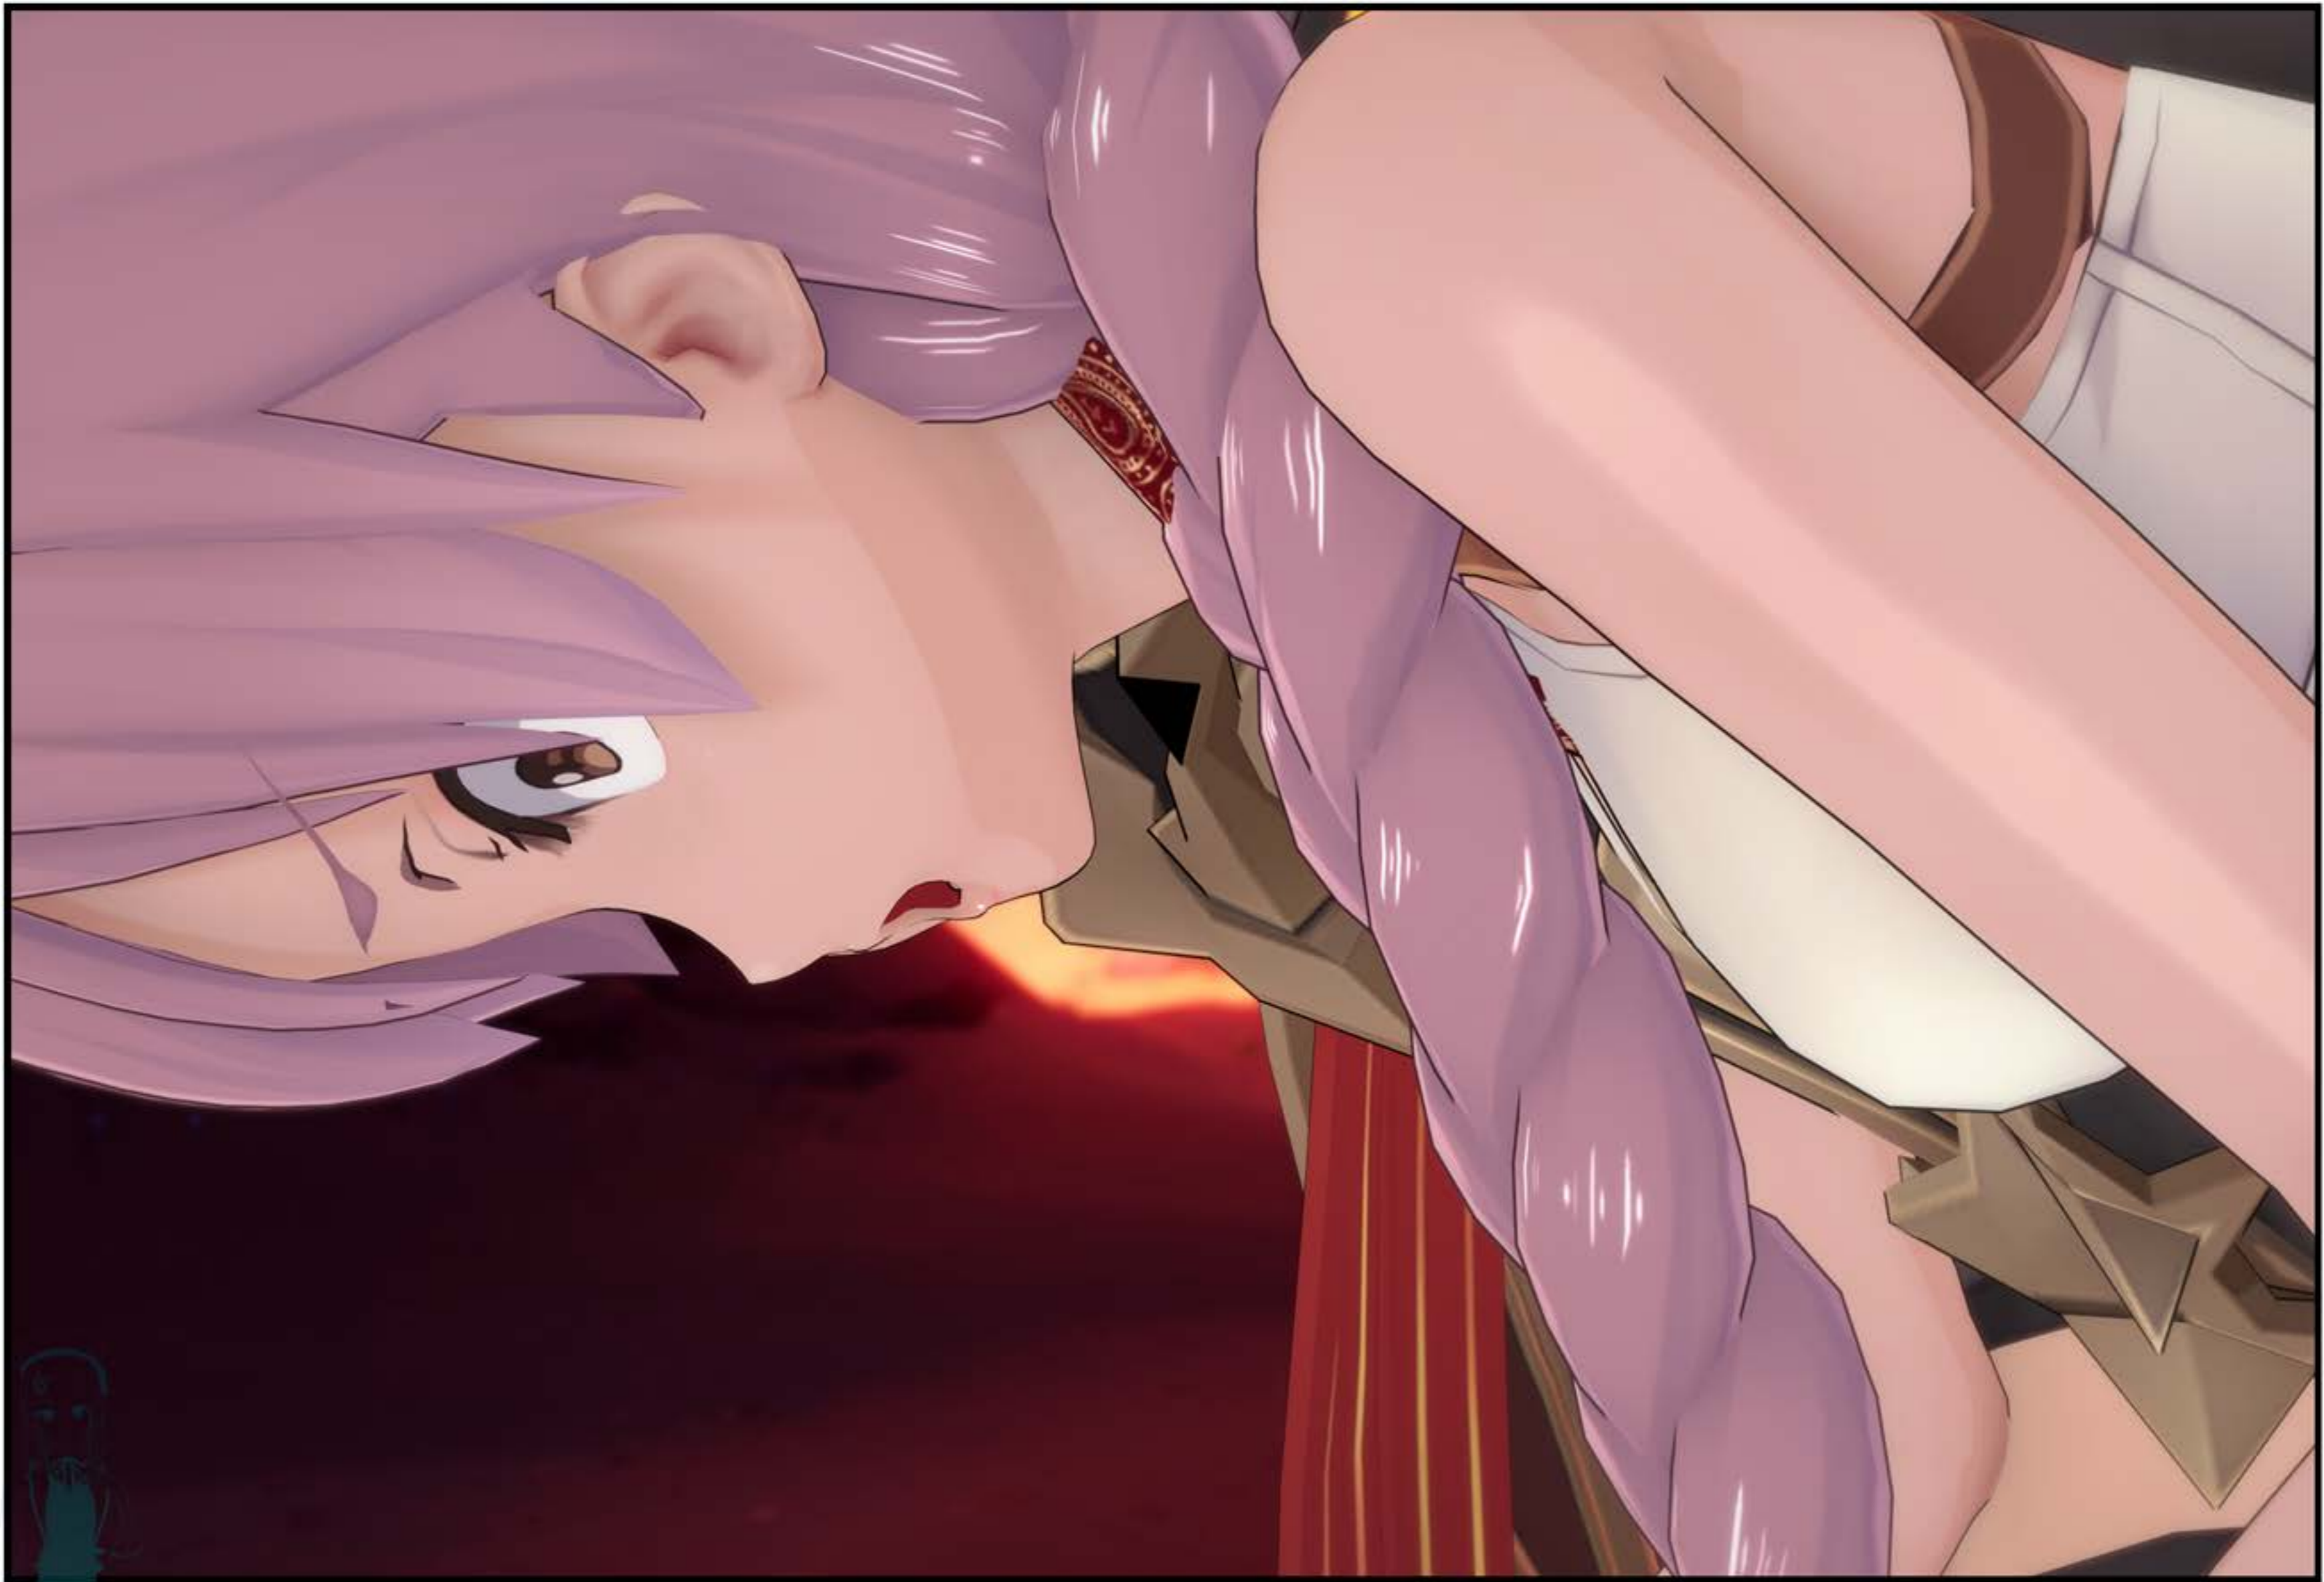

Stay back, Yumei.
Look like she don't
want to talk through.

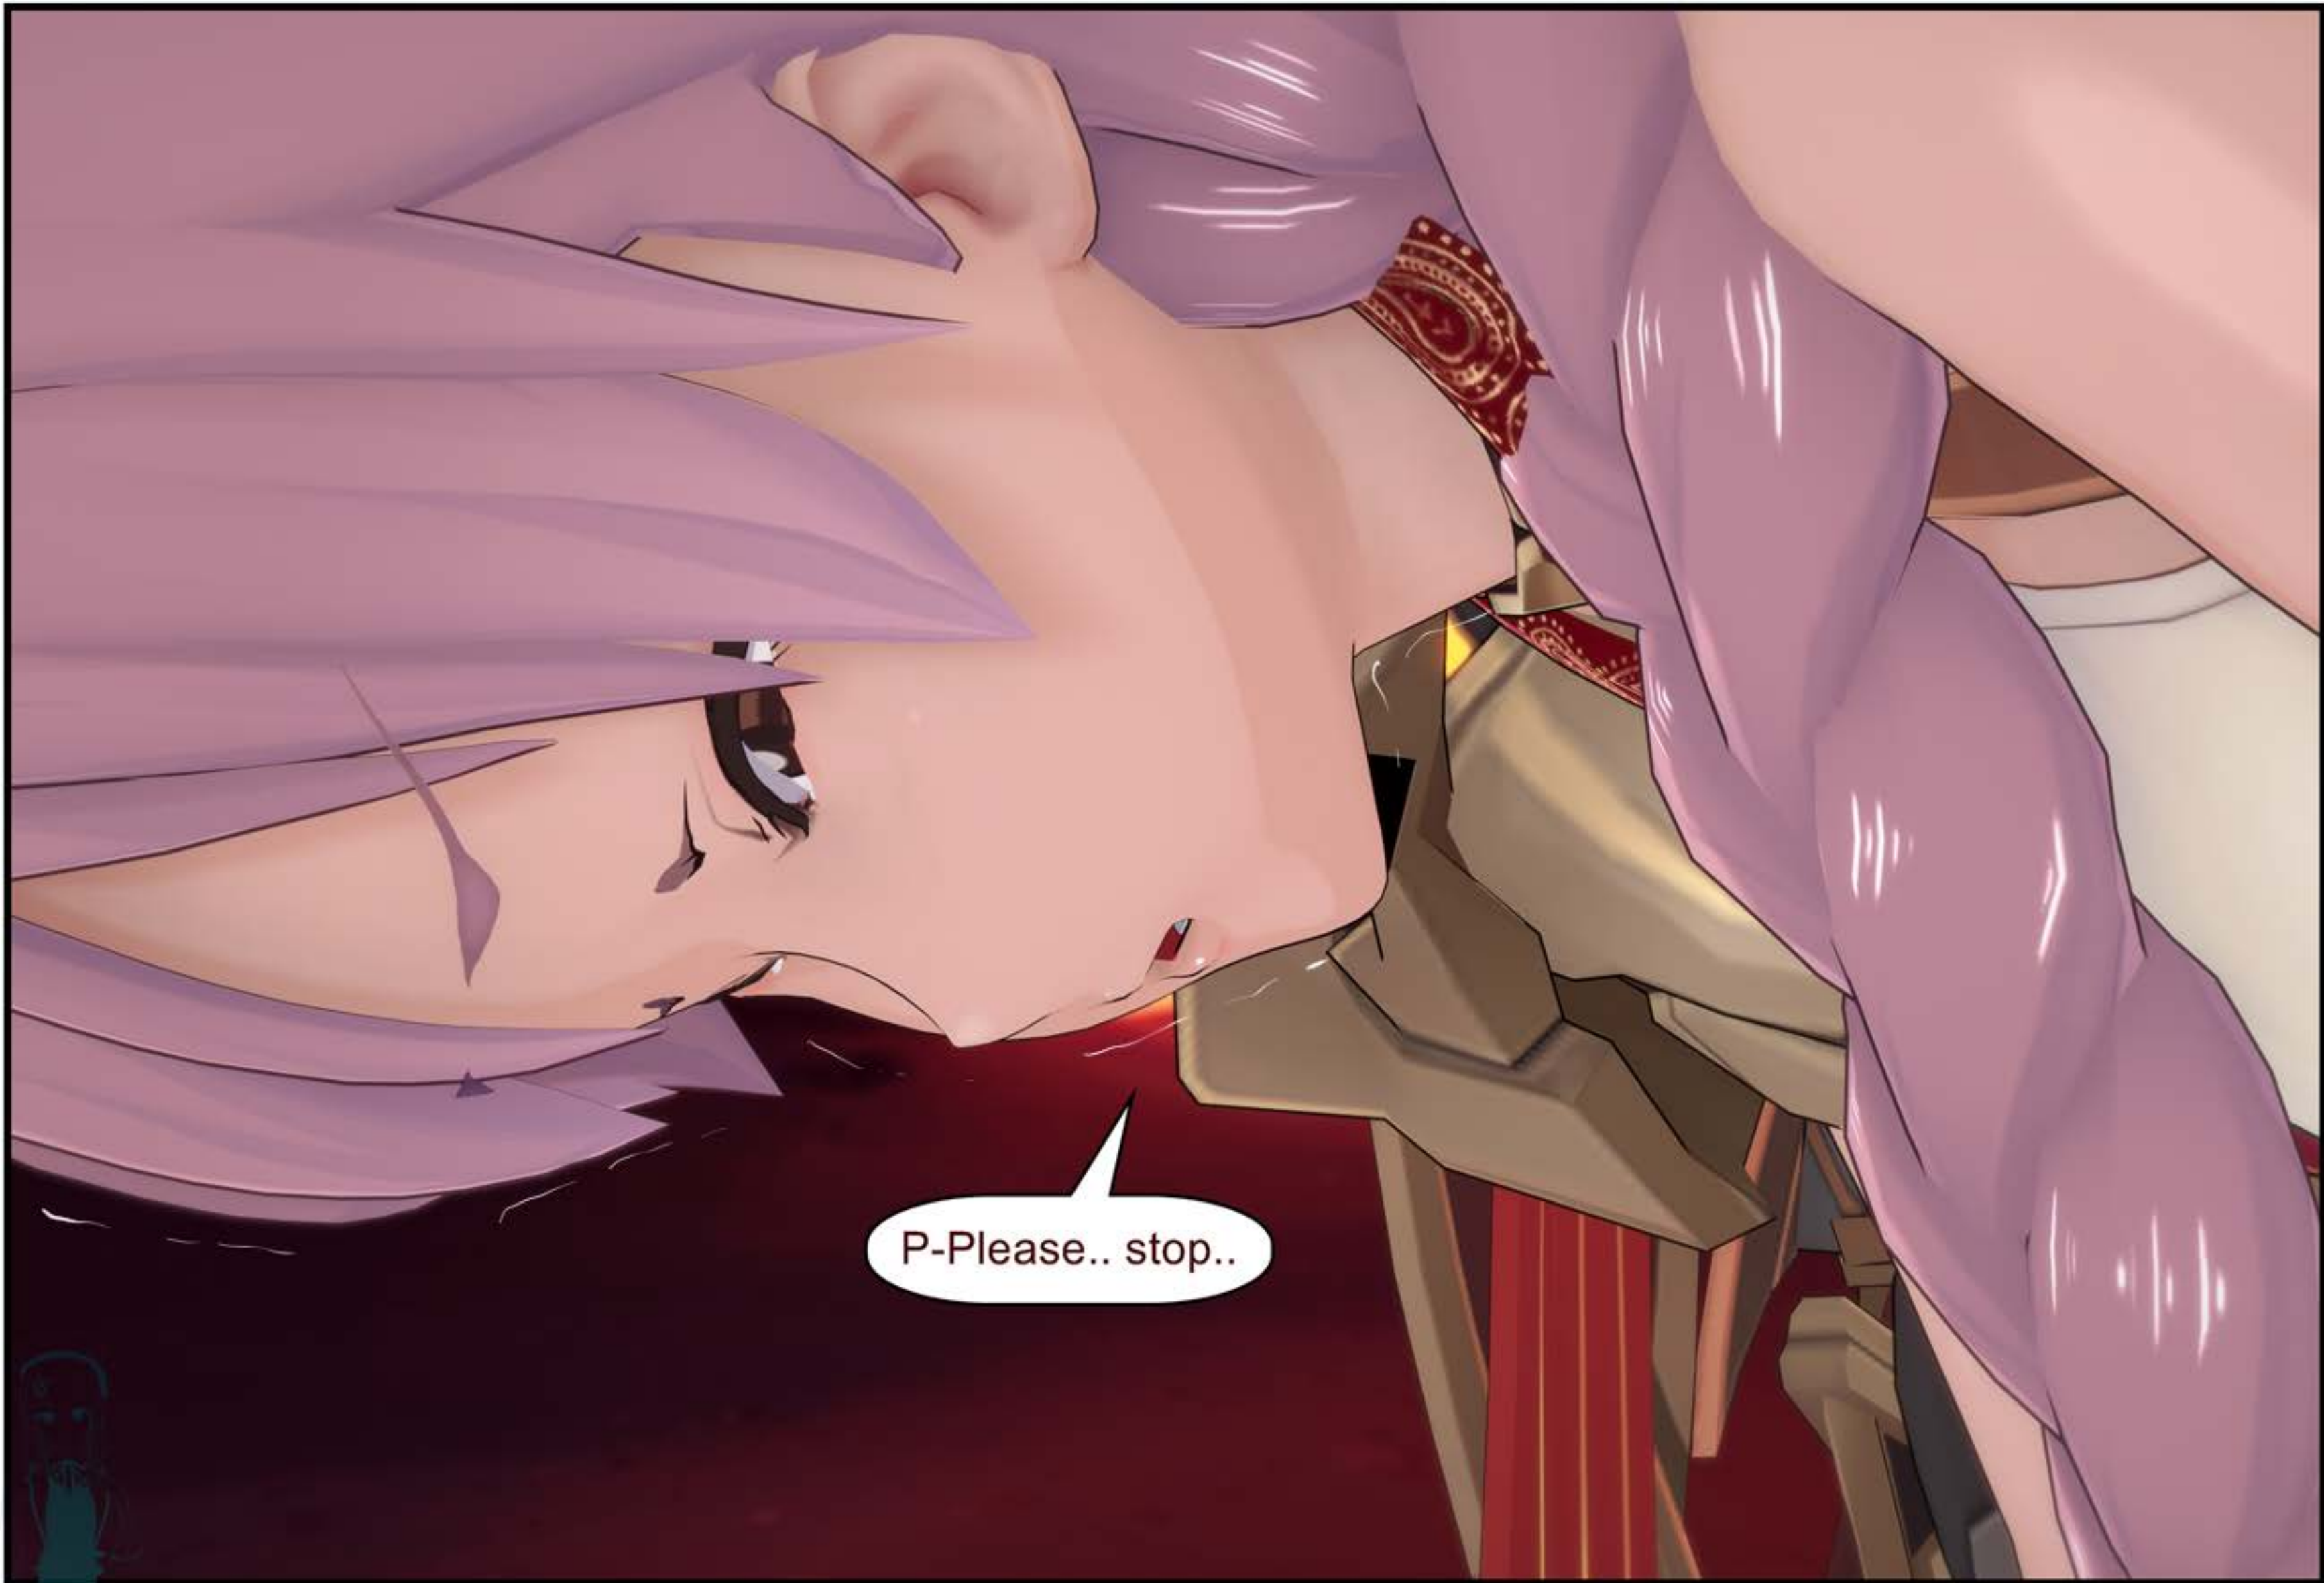

N-No.. We shouldn't
fight against her..

Get into stance
means you are ready!!

P-Please.. stop..

Why did she..

A close-up comic book panel of a woman's face and neck. She has a red and white eye and is wearing a red paisley tie. A speech bubble is positioned near her neck.

"What am I doing..?
I can't stand this.."

Take this!!!

"I'm getting rage
up.. for this?"

"Her eyes changed..!?"

Hyyyaaaaaaa!!!!

I only wanted to
scare you, but
actually unexpected..

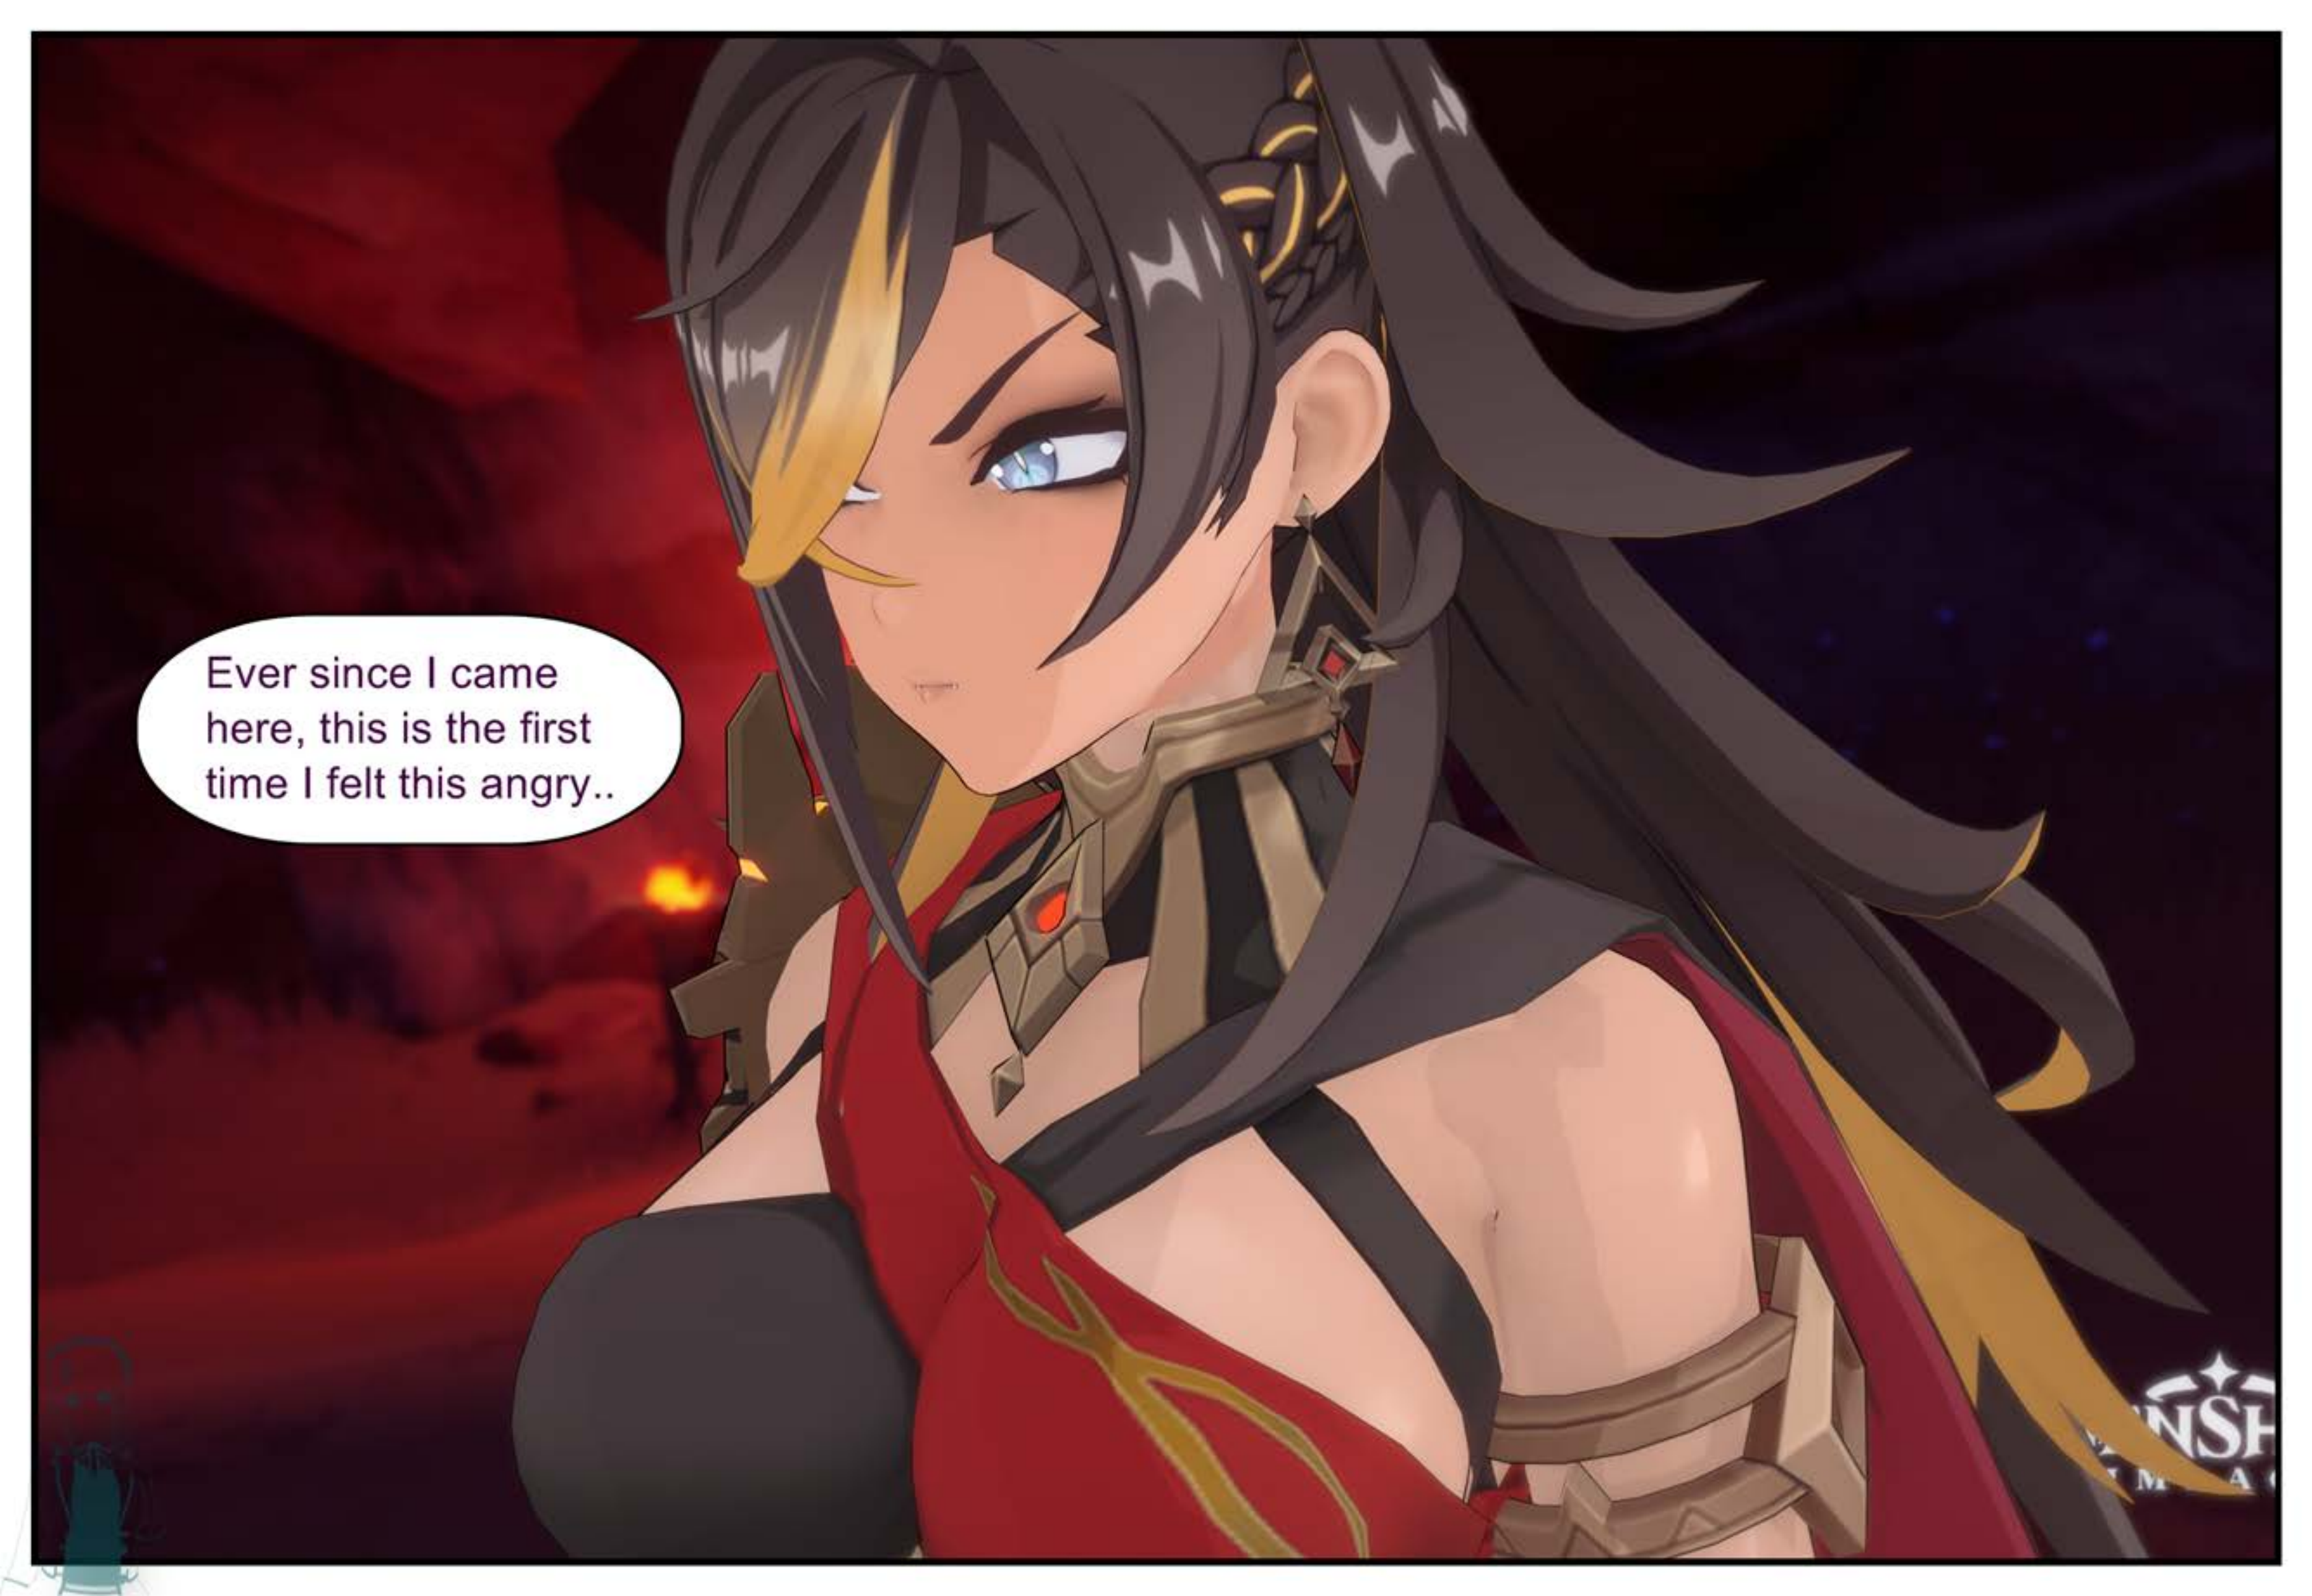

Now, tell me
whatever you know..

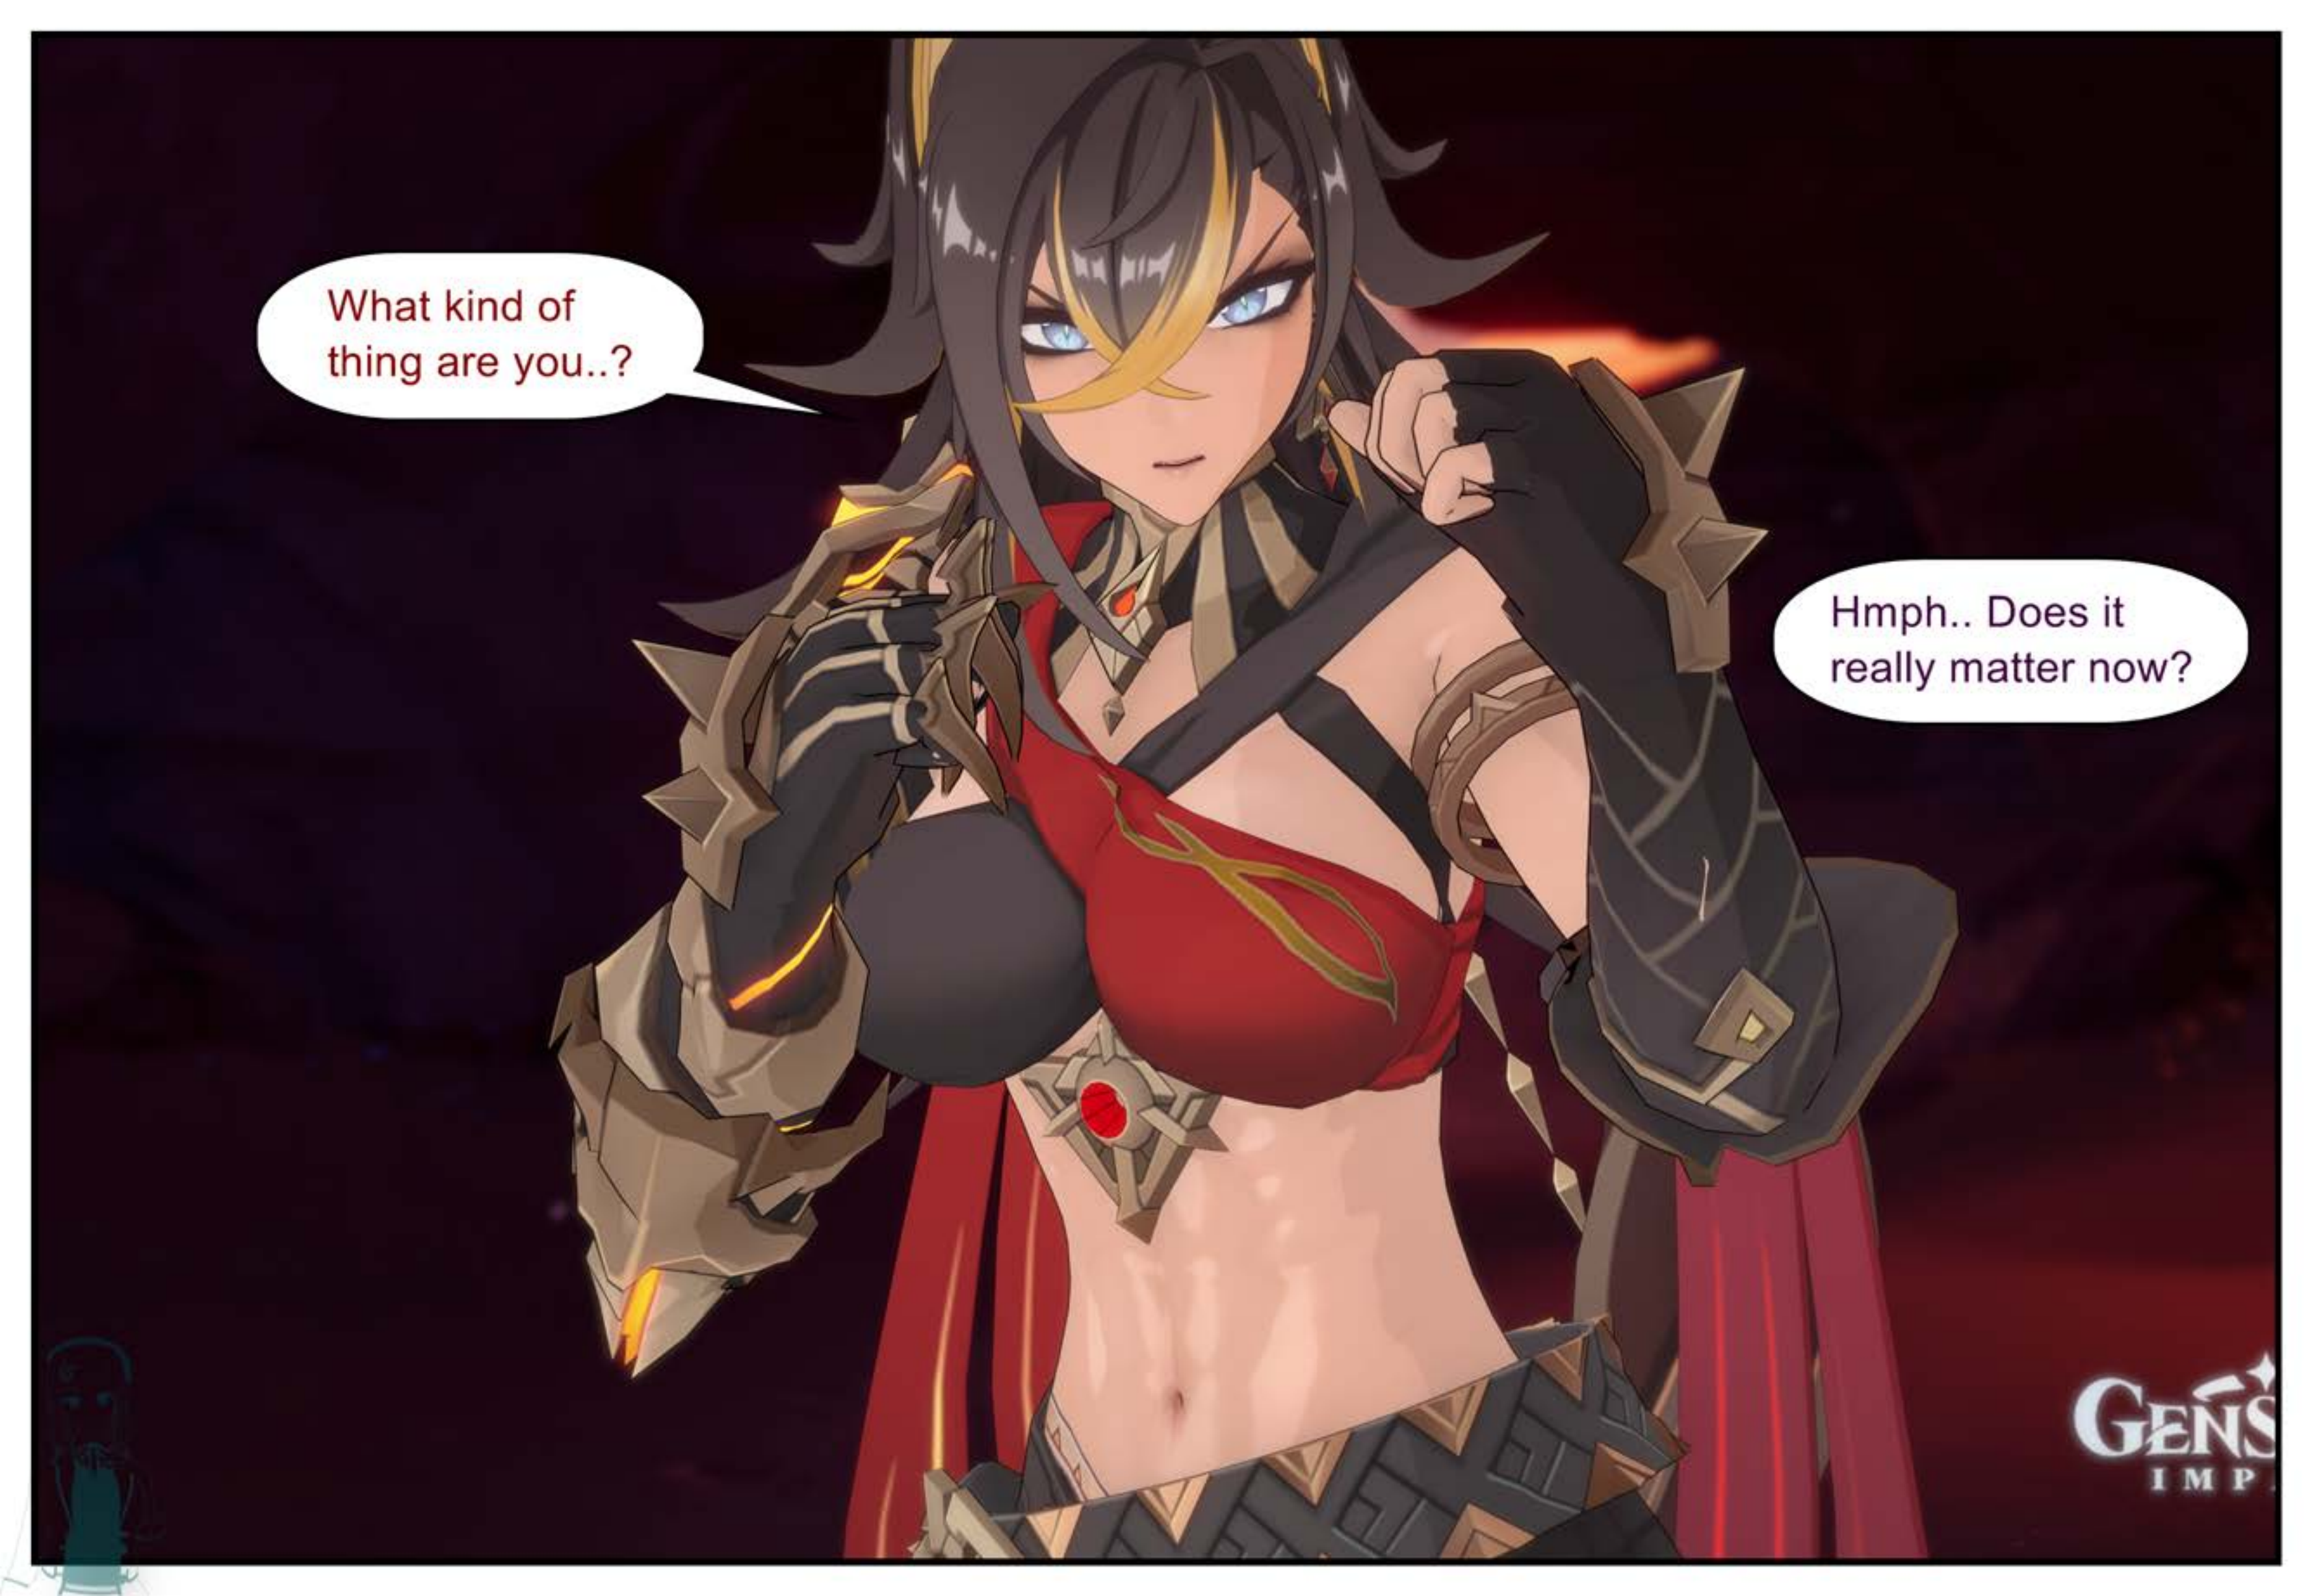

Ever since I came here, this is the first time I felt this angry..

A character with long, braided purple hair is shown from the chest up. She is wearing a white halter-neck top with a red and gold paisley scarf draped around her neck. The background is dark with some red, textured elements on the left. A speech bubble is positioned to the right of her head.

Yet, I found some
who are suitable to
become my companion..

Like you.. Seem fit and tight one..

What kind of
thing are you..?

Hmph.. Does it
really matter now?

Then reveal
yourself, Demon!!

GENSHIN

As you wished..

Well well.. Do you
think you can beat me?

Where are you
hiding, coward?

Why don't you
try and guess it?

Especially you,
Yumei..

For now, keeping
you two to see if

We will see then..
the day I'm taking
over everything..

To be continued?
