

Well.. I could use him...

I'm just warming up!

For what?

For you

Now come and please me brother

Brother?

Shit!

Oh, I just want to pretend that we're family

*So you like role playing huh? I'll play along with you but...*

I want you to give me a blowjob first!

I'm not prepared for this...

What's wrong?

Nothing!

*I'm about to suck my brother's cock...*

*Do it like the first time we met!*

Okay...

How? I don't even know about it!

A 3D rendered scene featuring a young woman with short brown hair styled in a bun with bangs. She has a disgusted expression, with her eyes closed and her mouth slightly open, showing her teeth. A hand is holding a white cloth or paper in front of her. The background is a warm, reddish-brown color, possibly a wall or a piece of furniture. A speech bubble is positioned above the woman's head.

This is disgusting...

Are you okay?

I'm fine!

*Can't believe that I'm sucking his cock right now...*

You're acting weird today, what's wrong? you can tell me anything

It's nothing! I'm just... a little tired today

*Do you wanna stop? we can do it later*

It's okay I can do it!

I want you to fuck me

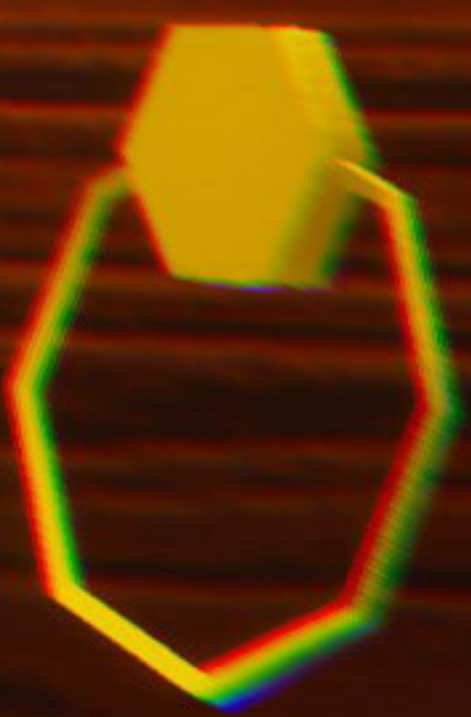

He's about to put his dick inside me...

Oh yessss, this is awesome! I've never felt like this before!

Yes! Fuck me brother!
