

Princess Jessikins

Jessica Presley

Selkie Prince

I do hope I can get back before dark!
I've heard strange beings inhabit the forest and some people have gone missing...

Why what has fate brought my way today?
A boy, I see!

EEEK!

Poof

Oh my, you frightened me!

Have I? What is your name?

I'm Jesse...

And you are adorable~

Thank you, I think... May I pass? I must get back to the village with these supplies -- I simply do not have time to delay. It will be dark soon.

Not so fast, darling Jesse...

- or should I rather call you...
JESSIKINS!

W-What is happening?!

But I am a boy!
I'm not a princess! I have to get back!

I'm casting a spell transforming you permanently into a new body-

Oh don't be silly, Jessikins. You will be such a lovely pink princess doll!
Just let it happen...
Don't fight it!

You are becoming a princess!

I-I have to go!
Turn me back
right-

Oh I don't think so
sweetie~
Do you know where princess dolls
belong?

In the tower
of my castle
safe and secure!

But I'm
NOT
a princess!

I WON'T
be one!
Not now,
not ever!

I WON'T
be one!
Not now,
not ever!

POOF!

This will quiet
you down until you fully
accept you are mine...
and forever!

It will be
easier if you don't
fight it, sweetie.
