INT. ALTERNATE DAWN'S STUDY - MORNING

Sparity is sleeping in Alternate Dawn's bed, and she now has a blanket covering her. Her glasses are on the night stand, that's next to the bed. She wakes suddenly after hearing Alternate Dawn yell out.

ALTERNATE DAWN

Yes!

Sparity jumps up and looks at Alternate Dawn, who's at his desk.

SPARITY

What is it? What's wrong?

Alternate Dawn dashes to the bed, and kisses Sparity deeply. He holds her head with his hooves and he moves his head back to talk to her.

ALTERNATE DAWN

You sweet, wonderful mare! Thank you so much!

Alternate Dawn kisses Sparity again, but takes his time before he stops. Sparity looks at him lovingly.

SPARITY

What are you so ecstatic about?

Alternate Dawn sits on the bed beside Sparity.

ALTERNATE DAWN

The new ID cards that we made, are the "Perfect Type" version! The main difference from the common type cards is that I can recreate a whole body as long as the soul is still around!

It was theorized that the only way to make them, was to have sex with the pony. But I never tested that theory.

Sparity looks at Alternate Dawn blankly, before she lays back down and tries to get back to sleep.

SPARITY

That's nice. Wake me up when it's dinner time.

ALTERNATE DAWN

It's almost 6am.

Sparity bolts out of bed, and looks at Alternate Dawn surprisingly.

SPARITY

I spent the whole night here! My mom is going to kill me!

Sparity quickly grabs her glasses, and starts to look for her book. Alternate Dawn looks at her a little confused.

ALTERNATE DAWN

What's the big deal? Just tell her you came over yesterday, to make the new ID cards, and spent the night.

SPARITY

(Still looking for her book) Sure... And then she'll grill me until she finds out everything! Where's my book?

Alternate Dawn points to the couch as he gets up from his bed to join Sparity.

ALTERNATE DAWN

It's there on the couch. And if you're that worried, just tell that we ended up making out and snuggled all night. You wouldn't be lying.

Sparity gets her book, and starts to head out. Alternate Dawn walks her to the front door.

ALTERNATE DAWN

You know, we still didn't get around to making my ID card.

Sparity nuzzles Alternate Dawn and gives him a quick kiss.

SPARITY

Later, Playcolt.

Sparity blushes and smiles at Alternate Dawn before she leave. Alternate Dawn smiles as he watches Sparity walk off.

CUT TO:

INT. SPARITY'S HOME - MOMENTS LATER

Sparity tries her best to enter the house as quietly as she can. She looks around and doesn't see anyone. She tries to make it to her room without making any noise, but Rarity fakes a cough from behind.

RARITY

My, you're up early today.

Sparity turns around with a nerves look on her face.

SPARITY

Hey, Mom! Yea... I thought I would get up a little early to get a few things done.

RARITY

Really? (Rarity opens the door to Sparity's room and looks in) Odd, the food I left on your bed along with you magazine haven't moved. *Joking tone*
Don't tell me you slept on the floor.

Sparity hangs her head down in shame. Knowing she's busted and can't lie to her Mother, since she always known when she lies. Sparity tries to get away with telling half the truth.

SPARITY

Breaths deeply I ended up running into Alternate Dawn, and I spent the night at his place.

Rarity smiles brightly hearing the news and presses for more information.

RARITY

Really! What did you two ended up doing?

SPARITY

Nothing, really! We spent some time at the lake. He told me that he felt bad about the way he made my ID cards, and wrecked them. So I went over to his place to make new ones with him.

Sparity looks at Rarity with a nerves smile, hoping her Mother won't press for more information.

Rarity looks at Sparity with a sly smile, and moves closer to her.

RARITY

But, I thought the only way to make the cards was to kiss him.

Sparity blushes and starts to walk off.

SPARITY

I'm brushing my teeth and going to bed!

Sparity slams the door to the bathroom closed. Spike walks up to Rarity half awake, rubbing his eyes.

SPIKE

What's all the noise about?

RARITY

A little loudly Oh, nothing dear. Sparity was just out gallivanting with Twilight's son all night. And they even kissed!

Sparity comes out of the bathroom, blushing and a little angry with Rarity teasing her.

SPARITY

Going to bed.

As Sparity starts to walk past her parents, Spike sniffs her. Sparity stops in her tracks.

SPARITY

D...Dad!

Spike looks at Sparity and grins.

SPIKE

I think you two did a little more than kiss.

Rarity smiles with joy, and looks at Sparity.

RARITY

Really! Is there anything else you want to tell us dear?

Sparity is blushing with embarrassment, and looks down at the floor. Rarity moves close to her daughter and leans on her.

RARITY

Come on dear. What were you two "doing" all night?

SPARITY

Yells We made out, and then I slept next to him!

Sparity dashes into her room and closes the door. Rarity looks at Spike and smiles.

SPIKE

I can only smell him on her. You get to ask "that" question.

Spike walks off, as Rarity looks at Sparity bedroom door she smiles with a evil grin.

CUT TO:

INT. SPARITY'S HOME - LATER

Sparity comes out of her room, and brings out plate that had the food that Rarity left. As she makes her way to the Kitchen, Rarity walks in.

RARITY

Oh good, you up!

Rarity moves up to Sparity and smiles.

RARITY

I made us an appointment at the Spa. We need to head there, if we're going to make it on time.

Sparity looks at Rarity a little annoyed.

SPARITY

Mom, you know I hate going there. I can't wear my glasses there, and I can't see while we're in the hot tub.

RARITY

But come on dear, we haven't had much time together over the last while. And I thought it would nice to have a nice relaxing day.

SPARITY

Do I get a say in this?

RARITY

Not really. Unless you want to finally start paying rent that is.

SPARITY

Sarcastically Yeaaaa, spa day.

CUT TO:

INT. SPA - AFTERNOON

Sparity and Rarity are both getting treated at the spa, they go from getting facial, massages and relaxing in the hot tub. Despite her protesting Sparity is enjoying herself in the hot tub, and looks completely relaxed. Rarity looks off to the side and start to wave.

RARITY

Twilight, dear! What surprise to see you here, why don't you join us?

Sparity opens her eyes and has a look of utter dread on her face. Twilight walks up to the hot tub, and joins the two

TWILIGHT

Really bad acting Rarity, what a surprise to meet you here. And Sparity, how did things go with Alter yesterday afternoon?

RARITY

Don't you know Twilight, she ended up spending the night over at your son's place!

Sparity's face slowly sinks into the water, wishing she was anywhere else, other than being trapped between the two.

Twilight smiles.

TWILIGHT

Well that might explain a few things. I went over to the library this morning, and he was raving about finally being able to make "Perfect Type" ID cards finally.

Rarity grins and looks towards Sparity.

RARITY

Really? Do you think that that happened because you two were making out last night?

Both Twilight and Sparity's face blush with embarrassment. Sparity closes her eyes, and tries to ignore her Mother.

SPARITY

Wouldn't know. I never ask, and we only made the cards for my Dragon and Pony form. So I didn't get a chance to cast the spell, to make his ID card.

TWILIGHT

I'm still surprised that he was able to get you to agree to make new ones, after he spilled his tea on the first ones.

Sparity opens her eyes, and looks towards Twilight. She tries to smile, but is a little upset with the lie that Alternate told her.

SPARITY

Really? He spilled his tea on them... He must have forgot to tell me "that" detail.

Rarity laughs and turns to Twilight.

RARITY

Really, how did he manage that?

TWILIGHT

I'm not sure. But after he got them wet, he tried to get Serene to dry them off with her fire breath. Needless to say, they ended up as a pile of ash.

Both Rarity and Twilight start to laugh. Sparity is a little more then outraged from being lied to and starts to leave the hot tub.

RARITY

Where are you off to dear?

SPARITY

Angry To go kill a lying stallion!

As Sparity storms off, Twilight and Rarity look at each other a little puzzled.

CUT TO:

EXT. PONYVILL - MOMENTS LATER

Sparity is storming threw the town, looking for Alternate Dawn. As she walks past others they try to greet her, but once they see her face the let her pass.

Sparity finds Alternate Dawn sitting across from Little-AJ at the cafe. As she walks up too the two, and she over hears them talking.

ALTERNATE DAWN

It's great! With the "Perfect Type" ID cards, I could bring anypony back to life if they die in a battle. Never mind, that I should be able to boost ponies powers, with more research.

LITTLE-AJ

Sweet! This means I can train to my hearts content and not have to worry about dying!

ALTERNATE DAWN

Apple. *Sigh* I know you want to find your Farther's killer, but the "Save State" can't be abused like that. What if Ponyville is attacked, and I don't have the resources to bring someone else back?

Never mind we would have to make you a new ID card, to replace your current one.

LITTLE-AJ

Well sign me up! It can't be any worse then having to kiss you again.

Alternate Dawn tries to keep a straight face, but a smirk comes across his face, as he delivers the news to Little-AJ

ALTERNATE DAWN

It's not that hard to make the "Perfect Type" ID cards. We would just have to have sex, and make the card as I cum inside of you.

Alternate Dawn gives a devilish grin to Little-AJ, as she blushes and looks down at the table. Alternate Dawn tries to play it up.

ALTERNATE DAWN

Come on, it's not that bad. Sparity and I went at it twice to make her new ID cards. **Seductively** And I'm sure she wouldn't mind joining us if you wanted.

Alternate Dawn grins at Little-AJ, but she's angry and throws her drink at him. She looks both upset and like she's about to cry.

LITTLE-AJ

You're an ass! And I HATE you!

Little-AJ storms off. As Alternate Dawn wipes his face off he hears Sparity from behind him.

SPARITY

Almost Evil I couldn't agree with her more, on both statements!

Alternate Dawn is both shocked and scared from hearing Sparity from behind him. He turns around and tries to act normal.

When he sees Sparity's face, he can see that she's completely angry and almost crying.

ALTERNATE DAWN

Spar... Sparity. How long have you been there?

SPARITY

Long enough to know you're both a lying prick and an ass.

ALTERNATE DAWN

Come one Sparity, I was only joking!

SPARITY

Easy enough to say since she turned you down!

ALTERNATE DAWN

A little angry Hey I wasn't the one that started everything yesterday!

And you're the one that--

Sparity face is still showing that she's angry as heck and even though she's trying not to cry, tears have started to fall from her eyes.

SPARITY

*Yelling & upset" Save it! You first lied about wrecking the cards because you felt bad. Instead I find out that you split tea on them, and then tried to use Serene's fire breath to dry them off.

Then you lead me back to your place... (Starts to cry) And I was dumb enough to think you loved me.

ALTERNATE DAWN

(Shows he's upset) *Yells* You kissed me first!

SPARITY

(Ignoring what Alternate Dawn is saying) *Yelling* But worse of all, I let you take my virginity!

And now I find you trying to sleep with another
mare, the next day!

Alternate Dawn's face goes from angry, to one of sadness. He knows what he was doing
with Little-AJ was wrong, even if he was slightly joking. He goes to apologies but can't.

Sparity uses her magic to take a flower pot from one of the near by tables, and hits
Alternate Dawn in the head with it. The flower pot breaks, and Alternate Dawn falls to
the ground.

Even though Alternate Dawn isn't really hurt from getting hit, his overall expression
shows that he's hurt from hurting Sparity.

Sparity's face showing nothing but sadness, as she cries. She turns around and runs away.

SPARITY

Yells I hate you!

Everyone around watches and Sparity runs away, and turns there attention to Alternate
Dawn. He looks both upset and sad, but it's at himself. As he gets up a purple claw lightly
touches his neck, and lightly digs in.

Alternate Dawn looks to his right and see Spike with an evil look.

ALTERNATE DAWN

H...Hey, Spike.

SPIKE

Slightly evil Hello, nephew. I think you and I
should go have a "talk".

Alternate Dawn turns white as a ghost, and is full of dread as Spike leads him off.

Two town guards come up to see what happen.

TOWN GUARD-1

Prince Dawn, we heard there was a commotion
here. Is everything alright.

Alternate Dawn slowly turns to the town guards with a nerves look, but doesn't reply.
Spike looks towards the two guards with an evil smile and replies,

SPIKE

It's alright you two. Just a family matter that needs
to be talked out.

Both guards look at each other nervously, and let Spike lead Alternate Dawn away.

CUT TO:

INT. SPARITY'S HOME - LATER

Sparity and Rarity are sitting on the couch in the living room. Rarity is doing her best to console Sparity.

SPARITY

Crying And then he kissed me so passionately when I left.

Rarity holds Sparity's head to her chest, brushing her hooves through Sparity's hair.

RARITY

I know how you feel dear. I've had my heart broken a few times too.

Sparity looks up at her mother still crying.

SPARITY

I hate him so much! So, why... Why do I still feel like I love him so much?

RARITY

I don't mean to pour salt on an open wound, but your father and I tried to warn you. Since dragons mate for life, it's natural for you to feel this way towards him right now.

Sparity cries into her mother's arms.

The door to the house opens, and Rarity looks in that direction. Alternate Dawn slowly walks in.

RARITY

Well, look what the cat dragged in.

Sparity looks towards the door, and sees Alternate Dawn walking in. She blasts a magic bolt towards the door as Spike walks in, almost hitting him but getting the door instead.

SPIKE

Hey! You're mad at him not me!

Sparity gets off the couch, but stays near it. She looks at Alternate Dawn hatefully, and charges her horn for another shot.

SPARITY

Angry What are you doing here!

Alternate Dawn puts his hooves up in defense.

ALTERNATE DAWN

Please hear me out! (Puts his hooves down and looks towards the ground) I know you have full right to be angry with me. *Sigh*

I know I shouldn't have told Apple, that we had sex twice last night.

RARITY

(Looks at Sparity) For your first time, not bad.

Alternate Dawn looks a little embarrassed, but Sparity still looks ready to blast Alternate Dawn.

ALTERNATE DAWN

And I shouldn't have hit on her, and offered to have sex with her to make a Perfect Type ID card.

Sparity is caught both hating and wanting to run into Alternate Dawns hooves. She dismisses her magical charge but keeps her ground. Still looking upset.

SPARITY

You can still go to tartarus!

Alternate Dawn looks at Sparity, his eyes are full of sadness and shame.

ALTERNATE DAWN

I deserve that. But please believe me, I didn't know that it's mating season for Dragons or that Dragons normally mate for life! If I knew that, I wouldn't have even thought about kissing you.

Sparity face looks a little more angry hearing that, Alternate Dawn wouldn't have kissed her.

ALTERNATE DAWN

That came out wrong. *Sigh* Look, I want to make things up to you, even if it's just as friends... But if you want, I'm willing to try dating and see how things go.

Alternate Dawn walks closer to Sparity, but she looks away and takes a few steps away.

SPARITY

I still hate you.

Alternate Dawn looks hurt. He lowers his head and turns around to leave.

ALTERNATE DAWN

I'm sorry.

Alternate Dawn starts to leave, but stops as soon as Rarity starts to talk.

RARITY

Just hold on. I just had a wonderful thought, on how you can make this up to both Little-AJ and Sparity.

Everyone looks at Rarity waiting to hear her idea.

RARITY

It'll take me a few days to set things up. But the three of you should have wonderful time.

Alternate Dawn look happy, but Sparity has a causes look on her face.

SPARITY

What are you thinking?

Rarity smiles at Sparity.

RARITY

Now what fun would it be if I gave away all the details now? Anyway's you should go find Little-AJ and bring her here, so we can talk to her. (Looks at Alternate Dawn, and grins) You can head off for now. I'll let you know when you should come back.

Alternate Dawn smiles and bows at Rarity.

ALTERNATE DAWN

Thank you Ms.Rarity! I promise to do my best!

RARITY

(Grins) I hope you will, my dear.

Alternate Dawn raises his head and starts to head out. He sees Spike still watching him. Alternate Dawn smiles nervously as he walks past Spike to leave.

CUT TO:

END OF ACT #4

START OF ACT #5

INT. SPARITY'S HOME - TWO DAYS LATER

Sparity and Little-AJ are having tea in the living room, it looks like they're enjoying there conversation, when there's a knock at the door. Sparity gets up from her seat and answers the door.

Alternate Dawn is smiling and raises his right hoof to salute Sparity.

ALTERNATE DAWN

Slight joking tone Reporting as ordered
commander!

SPARITY

Come in.

Sparity goes to rejoin Little-AJ, as Little-AJ looks at Alternate Dawn.

LITTLE-AJ

Slight evil tone Oh! The lamb enters the wolf's
den willingly!

ALTERNATE DAWN

Hey, Apple. As long as the wolfs don't try to eat
me, I think I'll be okay.

LITTLE-AJ

Seductively Now where's the fun in that, if we
take that option off the table?

Alternate Dawn looks a little nerves, as he looks between Sparity and Little-AJ.

SPARITY

I don't think my Mother, told him anything.

Little-AJ's eyes widen with joy.

LITTLE-AJ

Ho! This "should" be fun then!

ALTERNATE DAWN

(Looks at Sparity nervously) Should I be asking
where the fire escapes are?

Sparity goes back to where she was sitting and grabs two necklaces's and a ring. She
hands one of necklaces's to Little-AJ, and heads back to Alternate Dawn.

SPARITY

It's funny you think you'll have the option of
running.

Sparity lightly pushes Alternate Dawn's head down and places the ring around his horn.
The ring gives off a magic glow as it shrinks around Alternate Dawn's horn.

Alternate Dawn becomes a little dizzy and shakes his head a little.

ALTERNATE DAWN

What...?

SPARITY

Don't worry, you shouldn't be dizzy for long. It's just the rings magic taking effect.

Little-AJ and Sparity put on there necklaces, and Sparity leads them down stairs. All three of there bodies start to change.

ALTERNATE DAWN

I feel odd...

SPARITY

The ring is blocking your magic, so you can't take it off or counter its spell.

With Alternate Dawn still feeling the effects of the rings spell he fallows Sparity down stars, and doesn't even question when she and Little-AJ place him in a pillory.

NORMAL FULLY BODY SHOTS

Little-AJ and Sparity smile at each other as the magic from there necklaces finishes turning them into stallions, and Alternate Dawn's ring turns him into a mare.

Alternate Dawn feeling a little better, looks at where he is and gets a little nerves. He tries to look at Little-AJ and Sparity but can't turn his head. He also notices that his body feels a little wired. We see that he's been turn into a mare.

ALTERNATE DAWN

So, what's going on?

Alternate Dawn realizes his voice is different and a little higher. Little-AJ from behind slaps Alternate Dawns ass.

LITTLE-AJ

I have to say, I think his ass looks kinds nice in this form.

Alternate Dawn tries to look around but can't see much that, other them what's in front of him. He does notice that his hooves are smaller, and for some reason he's starting to feel turned on.

Little-AJ rubs Alternate Dawns ass, before slapping it again. Alternate Dawn out of surprise and slight pain lets out a shriek.

ALTERNATE DAWN

Come on girls. What's going on?

Sparity walks in front of Alternate Dawn and looks straight into his eyes.

SPARITY

I'm afraid, you're the only "girl" here right now.

Sparity kisses Alternate Dawn, as he feels Little-AJ starts to rub where his cock should be. Alternate Dawn knows he should be worried, but can't help but feel excited.

He feels the pillory being lowered a bit, and he can't believe his eyes. He sees Sparity has a cock, and it's still growing in size. He looks up at Sparity in both fear and joy.

Sparity grins as she looks at him.

SPARITY

I guess I should tell you the whole truth. The ring is blocking your magic, but it also turned you into a mare and increased you sex drive.

Our necklace's just so happened to turn us into stallions.

As Alternate Dawn hears the news Little-AJ starts to use his fingers to rub around Alternate Dawn's pussy. Alternate Dawn lets out a whimper of both pleasure and fear.

Sparity leans in and starts to lick Alternate Dawn's horn, starting from the tip and working her way down to the ring and back up.

As Little-AJ rubs around Alternate Dawn's pussy and slaps Alternate Dawn's ass again. Alternate Dawn lets out a gasp.

SPARITY

What a submissive stallion we have here Apple. Oh I'm sorry, "mare"!

Little-AJ looks at Sparity and smiles.

LITTLE-AJ

I think "she's" enjoying this more than we are!

Sparity looks at Little-AJ as he moves closer. He moves close enough to put his cock in front of Alternate Dawn for her to lick.

As Alternate Dawn looks at Sparity's cock she can't help but feel that she wants it, and sticks his tongue to lick it. Sparity is shocked at how nice it feels and moves closer.

Sparity sees that Little-AJ's cock is becoming erect as well, and smiles.

SPARITY

Oh, I don't know. It seems you're enjoying this a little, as well.

Little-AJ blushes a little as he looks down at his cock as it grows. He sees Sparity's face go from grinning, to shock and then smiles.

Alternate Dawn was able to reach out with his head enough to start sucking the head of Sparity's cock. Sparity uses his front hooves, and braces himself on the pillory.

Sparity can't believe how good getting his cock sucked feels and naturally moves closer. He starts to move his hips to let Alternate Dawn start giving him a blow job.

Little-AJ sees this and starts to blush. His cock becomes fully erect, and looks a little uncomfortable as he doesn't know what to do.

Sparity smiles at Little-AJ, and motions with his left hoof to him to come closer. As soon as Little-AJ is within reach, Sparity takes Little-AJ's head into his hoof and moves his head down and kisses Little-AJ.

Little-AJ is caught by surprise, but is more than happy to return the kiss. He slowly sticks his tongue into Sparity's mouth.

Sparity moves his left hoof down to Little-AJ's cock and starts to stroke it. Little-AJ moves his head and gasps in joy. Sparity kisses Little-AJ's neck slowly making his way back up to his lips.

As Sparity strokes Little-AJ's cock and kisses him again, he draws him closer. Sparity takes his cock out of Alternate Dawn's mouth, and places Little-AJ's cock in front of Alternate Dawn's mouth.

Alternate Dawn looks disappointed that Sparity took his cock away, but brightens up as she sees Little-AJ's cock. She quickly starts to suck on it as soon as it's within reach.

Little-AJ is shocked at the new feeling, but starts to pant in enjoyment. Sparity moves behind Little-AJ, kissing his neck and rubbing his hooves all over Little-AJ's body. While

still kissing and licking Little-AJ's neck; Sparity let his hooves stop at Little-AJ's hips, and starts to move them back and forth.

Little-AJ can't believe how much better it is from going to having his cock sucked and tongued to getting a blow job. Little-AJ starts to pant and whimper at having his body pleased. Not being use to this feeling Little-AJ's legs start to buckle. His cock comes out of Alternate Dawns mouth, and hits her mouth as he falls to the ground.

LITTLE-AJ

Panting Sorry... Just need a minute...

SPARITY

Giggles It's okay. It's your first time after all.

Sparity grins quickly as an idea comes to his head. Sparity leads Little-AJ off to the side where there's a bed with silk blankets. He lays Little-AJ down as he starts to kiss him again.

Sparity starts to stroke Little-AJ's cock as he kisses him deeply. Little-AJ grabs Sparity's head and holds him close. The two make out for a short while, before Sparity starts to slowly kiss Little-AJ's neck. He moves down to Little-AJ's neck moving to his body as he slowly kisses it.

As Sparity reaches Little-AJ's cock, his kisses around it still making his way down. Little-AJ face is that of sheer pleasure. As Sparity reaches his balls, he starts to lick them, allowing his tongue to just reach the bottom of Little-AJ's cock, before moving back down.

LITTLE-AJ

Come on, Sparity. Don't tease me like this.

SPARITY

Playfully Oh? Is there something you want me to do for you?

Little-AJ moans and squirms in embarrassment.

LITTLE-AJ

Come on... Don't make me say it.

Sparity lightly laughs, and presses his tongue a little harder on Little-AJ's balls as he licks them a few times.

SPARITY

But if you don't tell me what you want, how will I know what to do?

Little-AJ squirms a bit more

LITTLE-AJ

Quietly I want you to suck my cock.

Sparity smiles as he lightly strokes the tip of his hove up Little-AJ cock.

SPARITY

Giggles I'm sorry dear, I didn't quite hear you.

LITTLE-AJ

Yells I want you to suck it, okay!

Sparity grins and opens his mouth. He presses down hard with his tongue on Little-AJ's cock as he drags it up. As soon as Sparity reaches the top of Little-AJ's cock, he wraps his lips around it, and starts to suck it as he works his way down. As Sparity sucks on Little-AJ's cock he moves his tongue up and down and to the sides. Little-AJ pants and moans.

From off to the side Alternate Dawn hears the two and starts to stamper. She's turned on hearing everything and has let her imagination run wild.

ALTERNATE DAWN

Almost begging Come on you two... I want to play!

Sparity stops giving Little-AJ his blow job, and looks towards Alternate Dawn.

SPARITY

This is to make us feel better, and to punish you.

LITTLE-AJ

(Turns his head to Alternate Dawn) Now shut up!
She... sorry, he's doing this thing with his tongue as he gives me a blow job and it feels great!

Alternate Dawn thinks back to the other night when Sparity gave her, his first blow jobs, and how great it feels. She starts to stamper since she can't do anything.

Sparity starts to give Little-AJ his blow job again, and stops when he has his cock fully in his mouth. Sparity starts to play with Little-AJ's balls, as he starts to hum with Little-AJ's cock still fully in his mouth.

Little-AJ covers his mouth to muffle his whimpers. Sparity starts to moves his tongue again licking Little-AJ's cock from side to side. Little-AJ grabs a hold of the bedding as he moves his hips.

LITTLE-AJ

Ah, ahhh, aahhh.

Sparity feels Little-AJ's cock start to twitch in his moth and knows that he's about to cum. Sparity looks up and stops giving Little-AJ his blow job for a moment.

SPARITY

So do you want to cum one me or--

Before Sparity could finish the sentence, Little-AJ grabs his head and puts it back on his cock. Sparity starts to give Little-AJ a blow job again, sucking as hard as he can.

Little-AJ squirms more. He keeps his hands on Sparity's head and kneads his hands through his mane. As he feels that he's about to cum he pushes down on Sparity's head.

LITTLE-AJ

Yes... Oh my... *Yells* Yeeesssssss!

As Little-AJ starts to cum inside Sparity's mouth, Sparity moves his head to the tip of Little-AJ cock, and swallows his cum.

Little-AJ lays motionless and he pants from cumming for the first time. Sparity moves up to Little-AJ's head and they kiss each other passionately.

The two hear Alternate Dawn in the background almost crying.

ALTERNATE DAWN

Please you two... I can't take this anymore. I want to join you.

Sparity remembers that the ring increased Alternate Dawn's sex drive, so hearing him and Little-AJ go at it, must have drove her nuts.

ALTERNATE DAWN

Almost crying I'm sorry... I'm sorry for hurting you two. But please, please let me out. I want a chance to make you two happy.

Little-AJ and Sparity smile at each other, as they turn their attention to Alternate Dawn. Sparity uses his magic to release Alternate Dawn from the pillory. Alternate Dawn starts to move towards the two.

LITTLE-AJ

Commanding Crawl!

Alternate Dawn does as she's told and crawls to the two. She looks at them with her eyes almost begging them to use her. As she makes it to the edge of the bed, she stays on the floor, waiting for her next command.

Both Little-AJ and Sparity laugh.

LITTLE-AJ

Wow! He is a submissive stallion... mare. (Looks at Sparity) You know what I mean!

The pair laugh again, as Alternate Dawn whimpers. Little-AJ turns to Sparity again with a smile.

LITTLE-AJ

I have an idea. Lay down. It's about time we gave you something!

Sparity smiles and lays down on the bed. Little-AJ moves so he's above Sparity's head and looks to Alternate Dawn.

LITTLE-AJ

You're too give your master the best blow job ever!
And you're not allowed to stop till he cums.

Alternate Dawn nods her head, and climbs up on the bed. She starts to lick Sparity's cock a little, as it grows. As Sparity cock starts to grow, Alternate Dawn slowly starts to suck on it dragging her tongue along his shaft.

SPARITY

Mmm... I think I'm going to have to change your nickname from Playcolt to Playbunny!

Sparity starts to laugh, but notices that Little-AJ is moving his head. Little-AJ moves his head down and starts to kiss Sparity, and he lays down next to him. Little-AJ starts to run his fingers up and down Sparity's mussel as they make out.

Sparity starts to moan with having the two work on him. He starts to squirm with pleasure.

LITTLE-AJ

Hey, hold his legs down.

Alternate Dawn grabs Sparity's legs and she move her head up and down Sparity's cock faster. Sparity squirms a little more, but can't break free to Alternate Dawns grasp.

Little-AJ moves on top of Sparity's chest, and pins her front hooves down. He gives Sparity a playful grin as he returns the favor from before. Little-AJ moves his head down as much as he can, and starts to lick Sparity's body. Moving up to his neck and then his muzzle.

Little-AJ stops as Sparity goes to kiss him, just moving his head out of reach. Sparity whimpers at Little-AJ and looks at him in disappointed.

LITTLE-AJ

Seductively and a little evil Oh, I'm sorry. Was there something you wanted?

Sparity turns his head and pouts. He knows that he'll have to tell Little-AJ what he wants, before he'll do anything.

SPARITY

Thinks to himself Two can play this game.

Sparity looks at Little-AJ and smiles.

SPARITY

I want you to mouth fuck me, while she blows me.

Little-AJ is a little taken at this and blushes, but moves forward up on Sparity's chest. Sparity starts to use his tongue on Little-AJ's cock again as soon as it's within reach. As soon as Little-AJ's cock is fully erect again, Sparity starts to suck on the head of his cock but stops.

SPARITY

I changed my mind.

Little-AJ looks down in shock. As he was enjoying his friend's tongue again he can't believe Sparity stopped.

SPARITY

I want you fuck her from behind.

Little-AJ looks at Alternate Dawn and grins. Alternate Dawn stops giving Sparity a blowjob as she heard this and looks at the two. Sparity lightly taps Alternate Dawn with her leg.

SPARITY

Hey, Apple told you to give me a blowjob until I cum. So keep going.

Alternate Dawn nods her head, and starts to suck on Sparity's cock again. Little-AJ moves behind Alternate Dawn as he slowly strokes his cock. He looks at Sparity.

LITTLE-AJ

Mind if I see how she tastes first?

SPARITY

By all means.

Little-AJ moves Alternate Dawn's hips and starts to play with her pussy. He slowly lets his fingers go in and then spreads them out while still in Alternate Dawn's pussy.

Alternate Dawn slows down on giving her blowjob to Sparity and moans. Sparity holds himself up with his front hooves and positions himself up so he can sit up.

SPARITY

I think she enjoys it!

LITTLE-AJ

(Looks at Sparity) Well she should love the next part!

Little-AJ moves his muzzle down to Alternate Dawns flank, and sticks out his tongue. He slowly licks around the outside of Alternate Dawns pussy. He slides his tongue in moving it around as he goes.

Alternate Dawn eyes light up with enjoyment. She goes to say something, but it's muffled from having Sparity's cock in her mouth.

SPARITY

Oh, keep going Apple! She's making the funniest of faces.

Little-AJ pushes his face as much as he can into Alternate Dawn, and stick his tongue in as far in to her pussy as he can reach.

SPARITY

Giggles Hey, don't forget that your master wants to be serviced too!

Alternate Dawn start to give Sparity a blow job again, but makes a "eep" sound every time Little-AJ's tongue hits the right spot.

After a few moments, Little-AJ stops and then positions himself behind Alternate Dawn. He rubs his cock on Alternate Dawns pussy a few times, before trying to put it in.

LITTLE-AJ

She's a little tight.

Little-AJ moans a little as he tries to push his cock into Alternate Dawn. Alternate Dawn flinches in pain, causing her to rub her teeth on Sparity's cock.

SPARITY

Ahh! Watch the teeth!

LITTLE-AJ

Sorry, Sparity. My fault. Her pussy is too tight for me to get my cock all the way in.

SPARITY

(Smiles) Let's see if I can help with that.

Sparity takes his cock out of Alternate Dawn mouth, and joins Little-AJ. Sparity feels Alternate Dawns pussy, and it soak from her juices. He looks at Little-AJ's cock and sees that it's almost dry.

Sparity looks in to Little-AJ's eyes.

SPARITY

Well there the problem. You're cock needs to be lubed up a little.

LITTLE-AJ

Playfully So what are you waiting for?

Sparity smiles and he moves down on his friend. He rubs Alternate Dawn's pussy with one of his hooves and he licks on Little-AJ's cock. After making sure it's good and wet, Sparity gives the tip of Little-AJ's cock a quick kiss.

Sparity moves Alternate Dawn to the edge of the bed, making her slightly stand, as her top half still lays on the bed. He motions for Little-AJ to move behind Alternate Dawn. As Little-AJ positions himself, Sparity takes his cock and moves it to Alternate Dawn's pussy. As they get the tip in, he moves behind Little-AJ.

Little-AJ pushes the head of his cock in to Alternate Dawn's pussy and moans. Sparity places his hooves around Little-AJ's hips and starts to move them, back and forth slowly.

SPARITY

There you go.

After seeing Little-AJ's cock slid in and out a few times, he waits till it goes half way and then shoves Little-AJ's hips forward. Both Little-AJ and Alternate Dawn gasp at the feeling. Alternate Dawn flinches from the pain, and Little-AJ bends over Alternate Dawn from the new exiting feeling.

Sparity picks Little-AJ up, and starts to move his hips, causing Little-AJ to start fucking Alternate Dawn. Sparity bends Little-AJ's head back a little and start to nibble on his ear.

Sparity moves closer to Little-AJ's back side and starts to let his cock rub on Little-AJ's ass as it moves. Loving the feeling, he moves closer and pushes his cock a little harder on his ass. Little-AJ turns his head to Sparity.

LITTLE-AJ

Whispers Easy there sparky, I don't think I'm quite ready for that just yet.

SPARITY

Spoil sport.

The two quickly kiss, and turn there attention to Alternate Dawn. Alternate Dawn has her tongue sticking out, as she moans and breaths deeply from being fucked for the first time.

Sparity smiles at the scene and moves back on the bed. He sits in front of Alternate Dawn, and places his cock in front of her. With out having to be told she takes Sparity's cock in both of her hooves and starts to stroke it as she sucks is again.

Sparity loves the added motion of Alternate Dawn's head as Little-AJ fucks her from behind. Sparity places a hove on Alternate Dawn's head and holds on lightly to her mane. Alternate Dawn looks up at Sparity and they look at each other lovingly.

Alternate Dawn's mind is in a daze from being fuck from behind by Little-AJ, and giving Sparity a blow job that she can't keep her mind straight. She feels her pussy tightening up around Little-AJ's cock, and moans.

Little-AJ feeling this starts to moan. He starts to push harder and faster. Sparity seeing that the two are about to cum casts the spell to create a Perfect ID card. Alternate Dawn can't hold it back anymore and cums with Little-AJ's cock still in. Little-AJ feels the rush of Alternate Dawn's cum push against his cock, and cums inside of Alternate Dawn. As Little-AJ cums a new ID card appears and falls to the bed.

Little-AJ pulls his cock out of Alternate Dawn and sees that it's covered in cum.

LITTLE-AJ

Awe... Looks like you made a mess of things.

Alternate Dawn lays motionless panting. Sparity takes his cock out of Alternate Dawn's mouth and crawls to Little-AJ's cock. He looks at it and smiles. Sparity sticks his tongue out and takes a lick of Little-AJ's.

SPARITY

Mmmm.. I love the taste!

Sparity nudges Alternate Dawn.

SPARITY

Hey! You made a mess on Apple's cock, so clean it up.

Alternate Dawn still hasn't recovered his thoughts and is panting.

ALTERNATE DAWN

Just... need... a minute.

Sparity pulls Alternate Dawn off the bed, and places Little-AJ's cock in front of him.

SPARITY

Commanding Now!

Due to the rings magic, Alternate Dawn is more than happy to comply. She hold Little-AJ's cock with her hooves and moves it around, so she can lick everything up.

Sparity seeing the new ID card, moves it off to the side with her magic, so it's out of the way.

Sparity moves back on the bed in front of Little-AJ and moves his cock around. Little-AJ smiles at him, and bends down and starts to suck on Sparity's cock. Sparity leans back and enjoys his friend's muzzle.

As soon as Alternate Dawn is done cleaning her cum off of Little-AJ's cock, she starts to suck on it. Little-AJ lifts his head up from Sparity's cock and looks at Alternate Dawn.

LITTLE-AJ

Hey, why don't you come up here and help me with this one.

Alternate Dawn moves up a little and joins Little-AJ. The two of them start to lick Sparity's cock together. As one moves up his cock, the other moves down. As they repeat this, Sparity starts to moan and places a hove on both of there heads.

Little-AJ moves a little down and starts to lick Sparity's balls as he fondles them. Having Sparity's cock to herself, Alternate Dawn wraps her lips around Sparity's cock and sucks on it as hard as she can.

Sparity gasps and moan having the two serves him. Alternate Dawn moves to the head of Sparity's cock, and start to give him a blow job.

Little-AJ has gone from fondling and licking Sparity's balls to slowly sucking on each of his balls separately. Sparity can't help but start to move his hips as he enjoys being worked on by the two.

Little-AJ opens his muzzle a little more and takes both of Sparity's balls into his mouth, tonguing and sucking on them as he goes.

SPARITY

Ahh...ahhh... I don't think I can last...

Little-AJ takes Sparity's balls out of his mouth and looks at Alternate Dawn.

LITTLE-AJ

Move over a little I want some of this too.

The two start to lick and suck on the tip of Sparity's cock. Sparity lets out a huge gasp as he cums on both Little-AJ's and Alternate Dawn's faces.

Little-AJ and Alternate Dawn smile in joy. The two quickly lick the cum off of each others faces, and then from Sparity's cock.

SPARITY

That felt sooo good.

Little-AJ and Alternate Dawn look at each other and smile. The two of them stick out there tongues as they move to kiss each other, allowing there tongues to move against each other.

Sparity looks down at the two and smiles. She nudges Little-AJ to get his attention.

SPARITY

So, you think we should finish her off as planned?

Little-AJ eye's brighten up with joy hearing this.

LITTLE-AJ

I almost forgot about that!

Little-AJ and Sparity stand up in front of Alternate Dawn and grin. Alternate Dawn smiles at both of them, but feels like he's in trouble. But the power of the ring that's on his horn makes him feel so horny and energetic, he looks at the two cocks and starts to suck on Little-AJ's and stroke Sparity's.

The two smile at this. Alternate Dawn switches from giving a blow job to stroking the other. Sparity in no time has a fully erect cock again, and Little-AJ smiles at the site.

LITTLE-AJ

So which hole do you want to take?

SPARITY

Well since you got her pussy already, I only think its fair I get my turn with it.

The two pull there cocks away and get on the bed. Sparity uses her magic to get the ball-gag that was placed by the pillory. He looks at Alternate Dawn and pats on the bed for her to sit down. She does as she's told, and let's Sparity put the ball-gag on her.

SPARITY

Whispers, slightly evil This is so no one hears you scream.

Sparity lays on the bed and looks at Alternate Dawn.

SPARITY

Come on, Playbunny. Let's see how that pussy feels with my cock inside.

Alternate Dawn moves up to Sparity and positions herself on top of his cock. With remembering what Sparity did the other day, Alternate Dawn lowers herself on top of his cock and starts to rub her pussy over it.

Little-AJ grabs Alternate Dawns from hooves, and places them behind her. He then puts on leather restraints around her hooves, binding them together.

Alternate Dawn still rubs her pussy up and down Sparity's cock, but whimpers since she can get it in. Little-AJ takes Sparity's cock and helps guide it into Alternate Dawns pussy.

Alternate Dawn moans in delight, and try to say something, but the sound is just muffled from the ball-gag. Little-AJ helps to move Alternate Dawns hips until she takes the full length of Sparity's cock in.

Little-AJ moves back a little stroking his cock to get it hard, and pushes Alternate Dawn lightly onto Sparity. Sparity moves her hooves to Alternate Dawns hips taking over the movements and let's Alternate Dawn's head rest on her upper chest.

Sparity winks at Little-AJ. Little-AJ places his hands on Alternate Dawns ass and start to rub his cock on it. He starts to press his cock harder on Alternate Dawns ass, that his cock moves between her ass cheeks.

Alternate Dawn takes notices of this and tries to look back, but Sparity holds her head down.

SPARITY

Don't worry, from what I'm told, this does hurt the first few times. So you better brace yourself.

Alternate Dawn tries to say something, but it comes out muffled.

LITTLE-AJ

Hold her still for a moment.

Little-AJ spreads Alternate Dawns ass cheeks a part and see's her "other" hole. She moves her hands closer it and holds it open.

LITTLE-AJ

Do you think I should easy into it, or just give it my all?

Sparity thinks for a moment, and then looks at Little-AJ

SPARITY

Well this is her punishment for the other day. So I vote for just going for it.

Alternate Dawn clues in on what the two are planning and whimpers and tries to protest. Sparity moves her hooves back to Alternate Dawns hips and holds them in places.

Little-AJ rubs the tip of his cock over Alternate Dawns hole, and starts to push in. Alternate Dawns eyes widen from the pain, and moans as loud as she can. Little-AJ closes his eyes, from the pressure around his cock as he still pushes his cock into her hole.

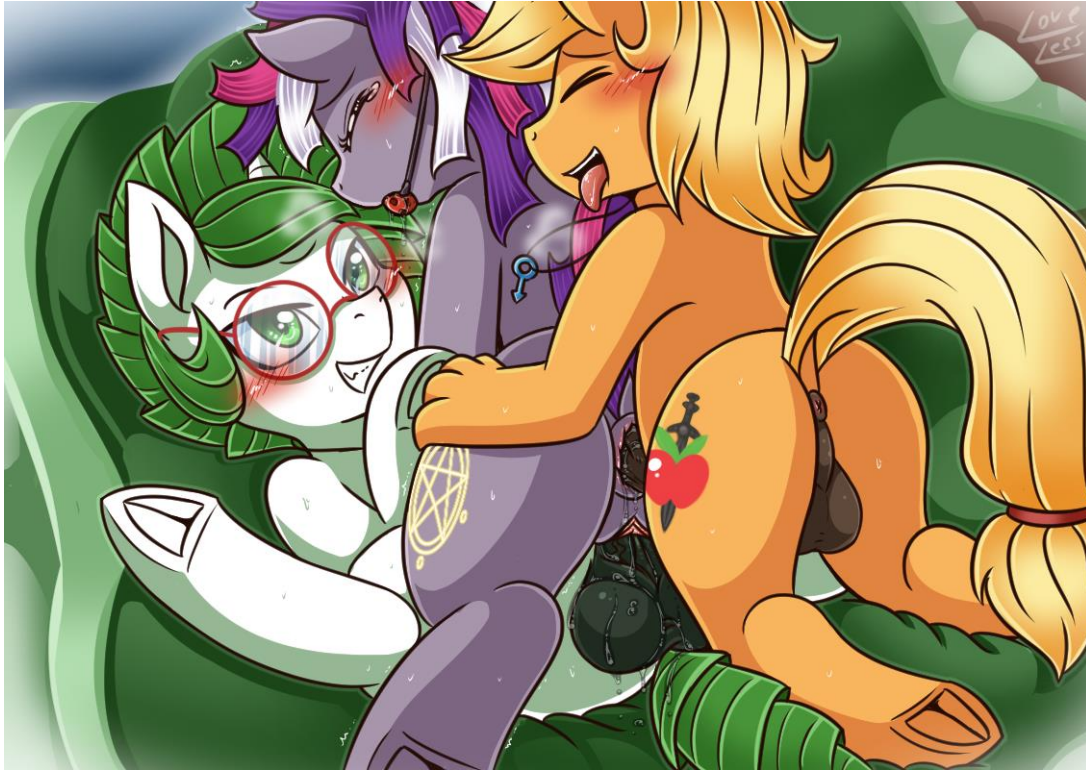

Alternate Dawn tries to sit up and move away, but Sparity holds her down and looks at her.

SPARITY

You didn't think this was going to be all pleasure for you, did you?

Alternate Dawn tries to protest and beg with her eyes, but she soon screams as Little-AJ pushes the rest of his cock into Alternate Dawns hole.

Alternate Dawn screams as loud as she can, due to the pain. Little-AJ slowly starts to move his hips, and fucks Alternate Dawn from behind. Sparity joins in, and continues to fuck Alternate Dawn's pussy.

As Alternate Dawn is fuck from both ends, her face slowly goes from that of pain, back to pleasure. She starts to move her hips and ass to match Sparity and Little-AJ.

Alternate Dawn sits up between the two and starts to moan. Moving back and forth as there two cocks slide in and out of her holes, she starts to pant and tries to talk.

LITTLE-AJ

I think she's starting to enjoy this.

Alternate Dawn nods her head in agreement, and tries to speak again.

Sparity uses her magic to take the ball-gag off, and let Alternate Dawn speak. Alternate Dawn takes a gasp of air, and licks her lips.

ALTERNATE DAWN

Please... Fuck me as hard and fast as you can!

Sparity and Little-AJ grin at each other and are more than happy to comply with the request. The two go as fast and as hard as they can on Alternate Dawn.

Alternate Dawn lets out mutable small screams, and lets her tongue hang out as she's fucked silly.

The added movement from the other and the speed they're fucking Alternate Dawn, it's not long before the two are ready to cum.

Little-AJ moves his hands down to Alternate Dawns hips and find Sparity's hooves there. She places her hand above his hooves and holds on tight.

Little-AJ and Sparity both cum at the same time, filling Alternate Dawn's holes to the point that there cum leaks out. All three of them yell together in enjoyment.

Sparity and Little-AJ remove there cocks from Alternate Dawns holes and lay down on the bed tiered. They look at each other and smile.

ALTERNATE DAWN
Could one of you get me hooves please?

Little-AJ unties Alternate Danw's hooves and brings her down to lay between him and Sparity.

Sparity and Little-AJ cuddle around Alternate Dawn as the three of them drift to sleep.

FADE TO BLACK.
