

The Addiction of Bimbohood

Hello!
I am Trisha Tanektoda,
CEO of a multinational
IT Company. It is my business
to create the newest technologies
and software for your
home entertainment
needs.

As you can imagine,
my free time is extremely rare,
but if I can catch some of
this precious time...

...I want
to relax and enjoy it.
With all the decisions I have
to make every day this
is not easy...

...but then
came the absolutely amazing
products from Amaz2k12 Corp!
They showed me a legal way to
fully relax, without any
drugs or unwanted
side effects.

The Addiction of Bimbohood

The effects of a pill wear off after 8 hours then in a few minutes your body completely returns to normal.

Here, let me show you.

There are many flavors and varieties of products you can use, but for this I will use **Bimbo lite**.

And this **Bimbo lite** is vanilla flavored.

It's kickin' in real fast and it ...um... feels Like...

OH MY GAWD!

The Addiction of Bimbohood

Wow.
I, *like*, really trailed off in the middle of the
, *um...* the line!
giggle

Stereo-um, what?
Well, I'm *like*, not your
typical, um... bimbo. I use this to
like...to feel happy and
relaxed and stuff!
teehee

Wait...Louisa the loser? She is your roommate? That girl is so annoying, always ruining the curve. We laugh at her all the time hehe

What did you say your name was? I didn't remember that Louisa had such a smokin' hot roommate...

Do you like, really want to talk about my name, Brad? *giggle* I think that, um, you should be interested in other...

Sunday morning...

mhh...
I love my black coffee.
The best thing about every
morning, right before
work.

Morning Lou,
had a great
evening?

Mine was
very intense and
extremely...relaxing. Maybe
you'd like to try some tonight
before we head to the
exam tomorrow?

Mornin'

Hm, I don't
know, Paris...seeing you
like that...

The Addiction of Bimbohood

What do you mean Lou? I don't look any different.

True. There is no **VISIBLE** difference...except the white stuff around your mouth Paris. Some..cream maybe?

Oh...yesh... yes you are right my dear. Some tooth... cream I haven't washed off...

hehe...yea sure...Tooth*paste*. I bet it tastes a little salty...am I right?

Hm, I don't know, Paris...I still have a lot to review. I want to earn another good grade tomorrow.

You're funny. No, mint. I swear. So, why not give it a try Lou?

Just for today? A few hours of pure relaxation and a low stress level tomorrow, c'mon.

The Addiction of Bimbohood

Look Paris, I think you're addicted to that stuff. You should focus on more important things.

You mean the exams.

Yes. Every weekend you take some pills, then go out for some fun...and I really don't understand why your grades are still excellent. You never study.

Yes and I use them to stay balanced. I learn while concentrating during the lessons. It works for me.

You can call it addiction, but it isn't. You on the other hand...You are so manically fixated on always being the best in class that you don't even notice that almost everyone is laughing at you.

Oh I know that, Paris. I also know that you not only flirt with that Himbo Brad, but also I bet that the *toothpaste* is his sperm from last night.

In case you were wondering, I've noticed you both...Brad calls me Louisa the Loser, right? You know what? I don't care. Take your stuff and let me read my books.

The Addiction of Bimbohood

Fine,
as you wish,
Lou.

You have no
idea *munch* what
you're missing.

Seriously?
yuck

mmhhh

Disgusting, Paris.
Licking that old spunk from your
lips while you swallow another
Bimbo Candy?

lick

The Addiction of Bimbohood

If you will
like excuse me, *giggle*
the changes kick in really
fast and are extremely
...um...personal...

See you
like totally later
LuLu. teehee

Oh Paris,
I see it now...you'll end
up as a cheap Bimbo slut...
doing WebCam Videos on
filthy web pages...but go
have fun.

How kewl!
I, like, totes can't wait.
Byeeee! *giggle*

Giggle

I've asked around
who Louisa's hot roommate is...
and everyone said it was Paris...
but she is more like Louisa...
so...are you, Paris?

Giggle
U are
like soooo smarty,
Brad.

Me really am
Paris...bwut waaaaay better
now! Being a Bimbo is, like waaaaay
more fuuuuun!

Giggle

Hmm,
interesting. I can
use that later...

Bwut LuLu is, um, totally
not like me...she's all boring an stuff.
Always reading, thinking or...uhh...
mocking about me when me took
another Bimbo MAXX...

Me don't like dat
about her u know? Ohhhh...
ur fat cawck is, um mhhhh
sliding in...yaahaaay!

The Addiction of Bimbohood

A few hours later a completely satisfied Paris returns to her Room, where the effect of the pills run out and her body and mind revert to normal...but Brad has other plans with his new knowledge...

Yo, nerdy Nelson...what's up?

How often do I need to ask you <snort> please don't call me nerdy... what do you want?

Yea, yea, whatever Nelson. Listen, change tomorrow's exam grades so Louisa the loser fails with an, umm, a B--!

sigh
Again? Now Louisa's grade? THAT is technically not possible, a B-- grade doesn't exist, but an A- would be logical...

Whatever, nerd. Just not an A! Do that and I will think about inviting you to the upcoming frat party...Deal?

WHAT?
Really!? Alright...
A- for Louisa this time.
The usual B+ for you?

Duh!
See you tomorrow, nerdy Nelson...

click
I told yo....

The Addiction of Bimbohood

Monday morning...

Morning, Louisa.
And? Are you ready?
What do you think? - Will
the exam be hard?

Morning <yawn>
Not very hard to be sure.
I understood every chapter...how about you?
What did you think?

I mean you
used those Bimbo Pills
quite often these past few weeks...
Are you sure you're
ready too?

Naaah, I'm
not worried. Those little
helpers are there to keep my inner
balance and they are doing a great
job. I think the next A I get
will be on this exam.

Of course. This will
be the last exam for the semester.
Every grade I earned was an A... this one
will be an A too...and with it my
final grade!

The Addiction of Bimbohood

A few hours and one Exam later...

hehe

Wow,
you finished
really fast. What did
you think?

Oh...as expected.
This exam was nothing and
my next grade is a
perfect score.

But if you will
excuse me...there are some
interesting studies waiting
in the library...

See you later
Paris. Bye.

Alright.
See you later.
Bye

The Addiction of Bimbohood

And finally: Monday evening

There is nothing better to calm down than reading a book in the most noble language...Latin.

bzzzzt
bzzzzt
bzzzzt

Ahh...here comes my newest masterpiece... another final - the A Grade!

WHAT THE?!

A- ?!?

This...this must be a mistake! THAT can't be! I...never fail!

The Addiction of Bimbohood

I..failed!

I'm a loser!

I had only
one chance to prove myself . . . but,
as always, I failed.

sob
A- . . . What will my
parents say? "Louisa - you're
an embarrassment to
your family!"

The Addiction of Bimbohood

Hey, Louisa ...
what's wrong? Why do
you look so upset ... and
are those tears?

Leave me
alone...go take your stupid
Bimbo pills...

No, I won't
leave you alone.
It's clear that you're sad
and we aren't only just roommates
- we are friends too,
remember?

sob

So, what's
wrong, Louisa?

The Addiction of Bimbohood

The Addiction of Bimbohood

hmmm...
I have absolutely no idea
how many Paris takes
every time...

... on the other
hand...these are the last
2 of 3 candies.

But....

Paris would say
I think too much!

Lou? Have you
seen my Bimbo Maxx
Pills? I want to celebrate
my exam result a...

The Addiction of Bimbohood

But the pills are already showing their effects.

The Addiction of Bimbohood

Because there could be side effects if you take more than one pill in a day.

I never take more than one and I don't know what the side effects will be.

tehehe
Like, side eaffaac...

Wow...I had no idea you'd dumb down that fast, Lou.

LuLu is like no dum dum! 'member, me am like very smarty an stuff!

Not for the next eight hours...or longer. Enjoy the time, girl.

giggle
LuLu like totes likes you.

The Addiction of Bimbohood

teheehee

How do you
feel LuLu? I wonder...
do I also look that
spaced out, hehe.

The Addiction of Bimbohood

And while Louisa's body is still Bimbofying , Paris' conviction wavers.

lengthen

I should take the last pill...no...I want to...I must!

Should I take the last pill? Is it too soon after the last BimboMaxx I took?

I, *um,* can't remember. So I shouldn't... but I, *like,* want to.

And, *LuLu, like* needs a guide, so I *kinda hehe* have to...

I must!

mmhhh

mmhhh

The Addiction of Bimbohood

Addiction is insidious. You don't feel it take hold; its ideas become yours.

brighten

growth

...Wait? Do I,
like WANT to be
a Bimbo again?

Hell...YES!
I want to enjoy it
like her!

I WANT
TO BE A
BIMBO!

A pang of desire hits Paris at just the right moment, and it changes her. Studying will not be a part of her lifestyle.

The Addiction of Bimbohood

Louisa, where's
the damn bottle?
Where...ooh...

Hm, she's
absolutely enjoying
her first time.

Ah, there
it is...

MOAN
mmhhh

And...

giggle

THAT, like,
happened my first time
toooo *teehehe*

The Addiction of Bimbohood

The massive increase in breast mass and sensitivity drives Louisa, or Lulu, crazier. And while her cravings for sex become overwhelming, more changes appear.

The Addiction of Bimbohood

Lulu's eye lashes start growing longer and thicker, while the skin pigments around her eyes change to resemble heavy makeup. Her nose-tip points upward and its bridge shrinks while curving inwards...giving her a girlish looking snubby nose.

slurp
Moar! Mmmh need...
mooaar

Lulu's formerly pedestrian lips plump up, getting rounder, softer. The swelling awakens something else in her – the need to use her new cock pillows, the craving to suck, slurp, and slobber on something hard. Her finger is not enough...

The Addiction of Bimbohood

And with hungry, pure lust-filled, but dull eyes, Lulu looks up at Paris.

Ohhh? U look
wike soooo hawt baaabe.
And, wike, what u have
in ur hand?

But Paris' Bimbofication is much faster...after the many times she has used BimboMaxx.

The Addiction of Bimbohood

Ohh...Hi...
there Brad!

What's up,
Bitches?

Ohhhh -
ha...gawd...he...
sooo hawt!

The Addiction of Bimbohood

Hah,
I know how
I look.

That's why the girls
keep calling!

I see you
staring, Paris. Your mouth
is practically watering.
Come and touch.

The Addiction of Bimbohood

I knew you couldn't resist taking another pill.

teehee... mah luv to get railed by ur huuuuge cawck, u know?

Who's the Bimbo on your couch?

Hi Brad!

U look soooo hawt an stuff...I wike, want ur cock...wannafuck? *giggle*

This...really is Louisa? Damn... Dumb as shit, but hot as fuck!

Ooohhhh Brad... dis is mah roomie sistah...Lulu!

The Addiction of Bimbohood

The Addiction of Bimbohood

Louisa's sexually conservative nature sends the words of her next request tumbling...

Ummm...

me umm,
wike...ummm...
totes... can u...

U wike totally
fuk me wit ur big
cawck, Bwad?

But her lust, empowered by the Bimbomaxx, wins out.

And so hours of incredible pleasure and lust begin...

The Addiction of Bimbohood

Time passes and the afternoon becomes evening...

Great teamwork, girls.
That double blowjob was one
of the best I've had. Now,
kiss for daddy.

mhHHH

mhHHH

Fuck yeah...
dumb, horny sluts making
out while stroking my
rock-hard shaft!

Nothing better than
watching the two hoes who
just finished blowing
you kiss.

Louisa is so much
better like this...completely
stupid and hotter than a pornstar.
These pills are incredible.

Then late night...

The Addiction of Bimbohood

Through the early hours of the morning, when Paris finally falls into sweet slumber, exhausted and satisfied, as the effects from the BimboMaxx wear off.

*Bwaddy...
Lulu wants wike tots
more funnn...bwout
Paris...*

I know. Good thing we found those panties! No other clothes will fit you right now. We're going to my room.

*Bwut...
these aren't wike
totally mine...no
pink an stuff!*

Okay...they are Paris. You can borrow them for now. We should look for a bathrobe before leaving.

*Huh? U
mean?...*

Forget it...Bimbos like you don't need clothes.

*mhhKay!
*giggle**

zzzzzzzzzz

The Addiction of Bimbohood

Soon after Brad and Louisa left, Paris' body has returned to its original form, snoozing on the couch...

snore

where she wakes up from her sleep with a pleasant feeling.

mmhhh

Yawn

Wow...that was...very intense.

I can take it easy, it's Saturday. But for now...

The Addiction of Bimbohood

Louisa isn't here.
I'm sure she went to
the library right after
her BimboMaxx
wore off.

I could join
her, but the business expo
is today. Either way, every
day should start with a
good shower.

mhh?

Are they
bigger then
usual?

Nah, it is just
like my imagination.
How many days in a row
have I taken BimboMaxx?
Three? Five...? I can't
remember..

The road to addiction is paved with denial...

The Addiction of Bimbohood

Today will be a fantastic day.

I think I'll visit the business expo.

Oh? Louisa left her books here? She never leaves without them...

Ah whatevs. I'm sure she went to the bookstore across the street to see what's new.

The Addiction of Bimbohood

Meanwhile in Brad's room...

Oh Brad...
dis was like soooo
much fun *giggle*

Fuckin' an suckin'
ur huge cawck is like,
umm...fucktastic?

Can we
tots do dis againnn?
Pwetty pweaseee?

Any time,
Babe. The Bimbo version
of you is far more
likeable.

After a few hours of sleep, Louisa's Bimbomaxx has worn off and she returned to her normal state...

What the...
oh...damn...anyone...
just not him!

But it was
kinda hot...argh...
stop it Louisa!

Well...at least
it was an experience for
me. And a fun one
too.

The Addiction of Bimbohood

But his room
is not that far away...
and it's only the early
afternoon...

My clothes...
and my glasses are in my
dorm...hm...I will use one
of his shirts. They are
large enough.

But at least...
Paris was right...I feel
relaxed. *But next time*
I should ... stop!

There is NO
next time for me. It
was an unusual situation
and I overreacted.

Ah, there's
a shirt...looks like a
football shirt?

Of course...he
is the quarterback and so
manly and hawt...I
... stop!

Why am I
thinking like
this?

The Addiction of Bimbohood

Still, that was very exciting...I've never done anything like that.

First I take pills that change me completely...

Then fuck a guy I don't even like for hours...

... and now just snuck back to my room, hoping that no one saw me... in his shirt.

Glad I found one of Paris' gowns to change into. The low-cut feels like, kinda hawt.

What an adventure!

Good thing my parents don't know... *hiki*... That would really cause trouble.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

What the...

That's not
a sales promotion...
I have never...

Ah whatevs.
Louisa... I just won
something.

As the 100,000th
customer I just won a lifetime supply
of all products from AmazCorp,
including BimboMaxx.

The Addiction of Bimbohood

Yay!
Yaaay

Like the Bimbo's we totally are...
Like totally, for sure!

What the...

Oops...
pardon me, Paris. I
have to...

Ahm...
yes...don't know
what that...

...um...
take a shower.

giggle
I...um...need to
take a walk. See you
later, Louisa.

The Addiction of Bimbohood

Both Louisa and Paris were distraught after this outburst of bimboish behavior. And while Paris goes for a walk to clear her head, Louisa goes for a shower... but unfamiliar thoughts distract her more and more. Or is it pent up lust breaking through?

The Addiction of Bimbohood

But what Louisa could not expect is that, due to her overdose yesterday, the effect not only lasted much longer... .. but also, now every time she gets horny, her body has a little metamorphosis. As if she had taken half a pill of BimboMaxx.

The Addiction of Bimbohood

But even the hoped-for shower does not calm Louisa's desire and her unexpected transformation continues...

Oh my...
where is that...heat...
coming from? I...never felt
THAT aroused before.

...but how much of a Bimbo will she be this time...without taking a pill?

The Addiction of Bimbohood

Louisa's perky breasts...

grow

Wrong...
I was wrong...
I felt that aroused
when I took the
BimboMaxx.

...balloon outwards, pushing forward and filling out Louisa's non-existent bust size...

stretch

So unexpected...
That *totes* must be like
a side effect thingie...

g-i-g-g-l-e

...to spherical, fake looking double D's in no time.

The Addiction of Bimbohood

The same happens with her legs, which from thin and scrawny fill out to...

giggle

plump up

giggle

... some fine, toned, bimbo legs, thick in all the right places.

The Addiction of Bimbohood

Gosh! I can really feel my thoughts getting cloudy and like...

teehee like so...umm...con... cen...

Dat was like soooo kewl..) feel sooo happy now!

vacant

giggle

The Addiction of Bimbohood

Moan

*Mah pussy is like,
on fire...so hawt!*

The Addiction of Bimbohood

giggle

Hmmm...I feel my mind is far more relaxed right now but this time it is not that extreme.

giggle

I think I know like, exactly what to do...I totes wanna go shoppin!

The Addiction of Bimbohood

And so, with very low inhibitions, immoral and other impulses that Louisa blocked all these years...

The Addiction of Bimbohood

And after many hours of shopping,

Luisa returns to her dorm on campus...

The Addiction of Bimbohood

Hey Louisa,
how was your day?
Did you enjoy the bookstores?
Or do you go to the expo?
I went, and it was...

No waay, Paris.
This is kinda boring an
stuff. I went out for shoppin',
shoppin' and like totes
more shoppin'.

giggle

What the
hell? Louisa?!
How...

How? I really
don't know. It just, like happend...
but I feel sooo great.

Really?

Like of course.
And we should order more
of that stuff. I luv it
sooo much.

The Addiction of Bimbohood

The Addiction of Bimbohood

hehe...
Paris didn't notice
that I changed the
numbers...

I was like
totally wrong this whole
time...who needs edu...ca...
knowledge when u look
all hawt an stuff?

I am so
happy that you *smooch*
enjoy this lifestyle as I do...Lu.
mhhh And it's okay that
you increased my order
by the way...

Like...
oopsie?

hehe

The Addiction of Bimbohood

Sunday morning...after a few hours full of intimacy, Louisa's body has fully returned to its original look. But something inside her has changed... Her style is more revealing, more feminine, more sexual...

Seriously, Lou.
Yesterday's transformation. Did
you find a lost Bimbo
Maxx Pill?

Seriously,
Paris. I have no idea.
I went to the bathroom for
a shower and my mind was
flooded with images from
last night. I got horny...

...like never
before and with the
hornyness my body and mind
changed...bimbofied. But I
was fully aware this time.

I see...but your tastes
have...slightly changed...huh?
one second.

What?
Really?

That is AmazCorp...
Lou...my last order was
the 2k12 order they got...
I...they..gave...me...

I...have won a
lifetime supply of all their
products, including our order
from yesterday.

Also, instead of
sending 10 bottles...they will send
10 packages...of each product from
them...we're going to need
some free space...

The Addiction of Bimbohood

Unbelievable...
I won something? And
a lifetime supply
at that...

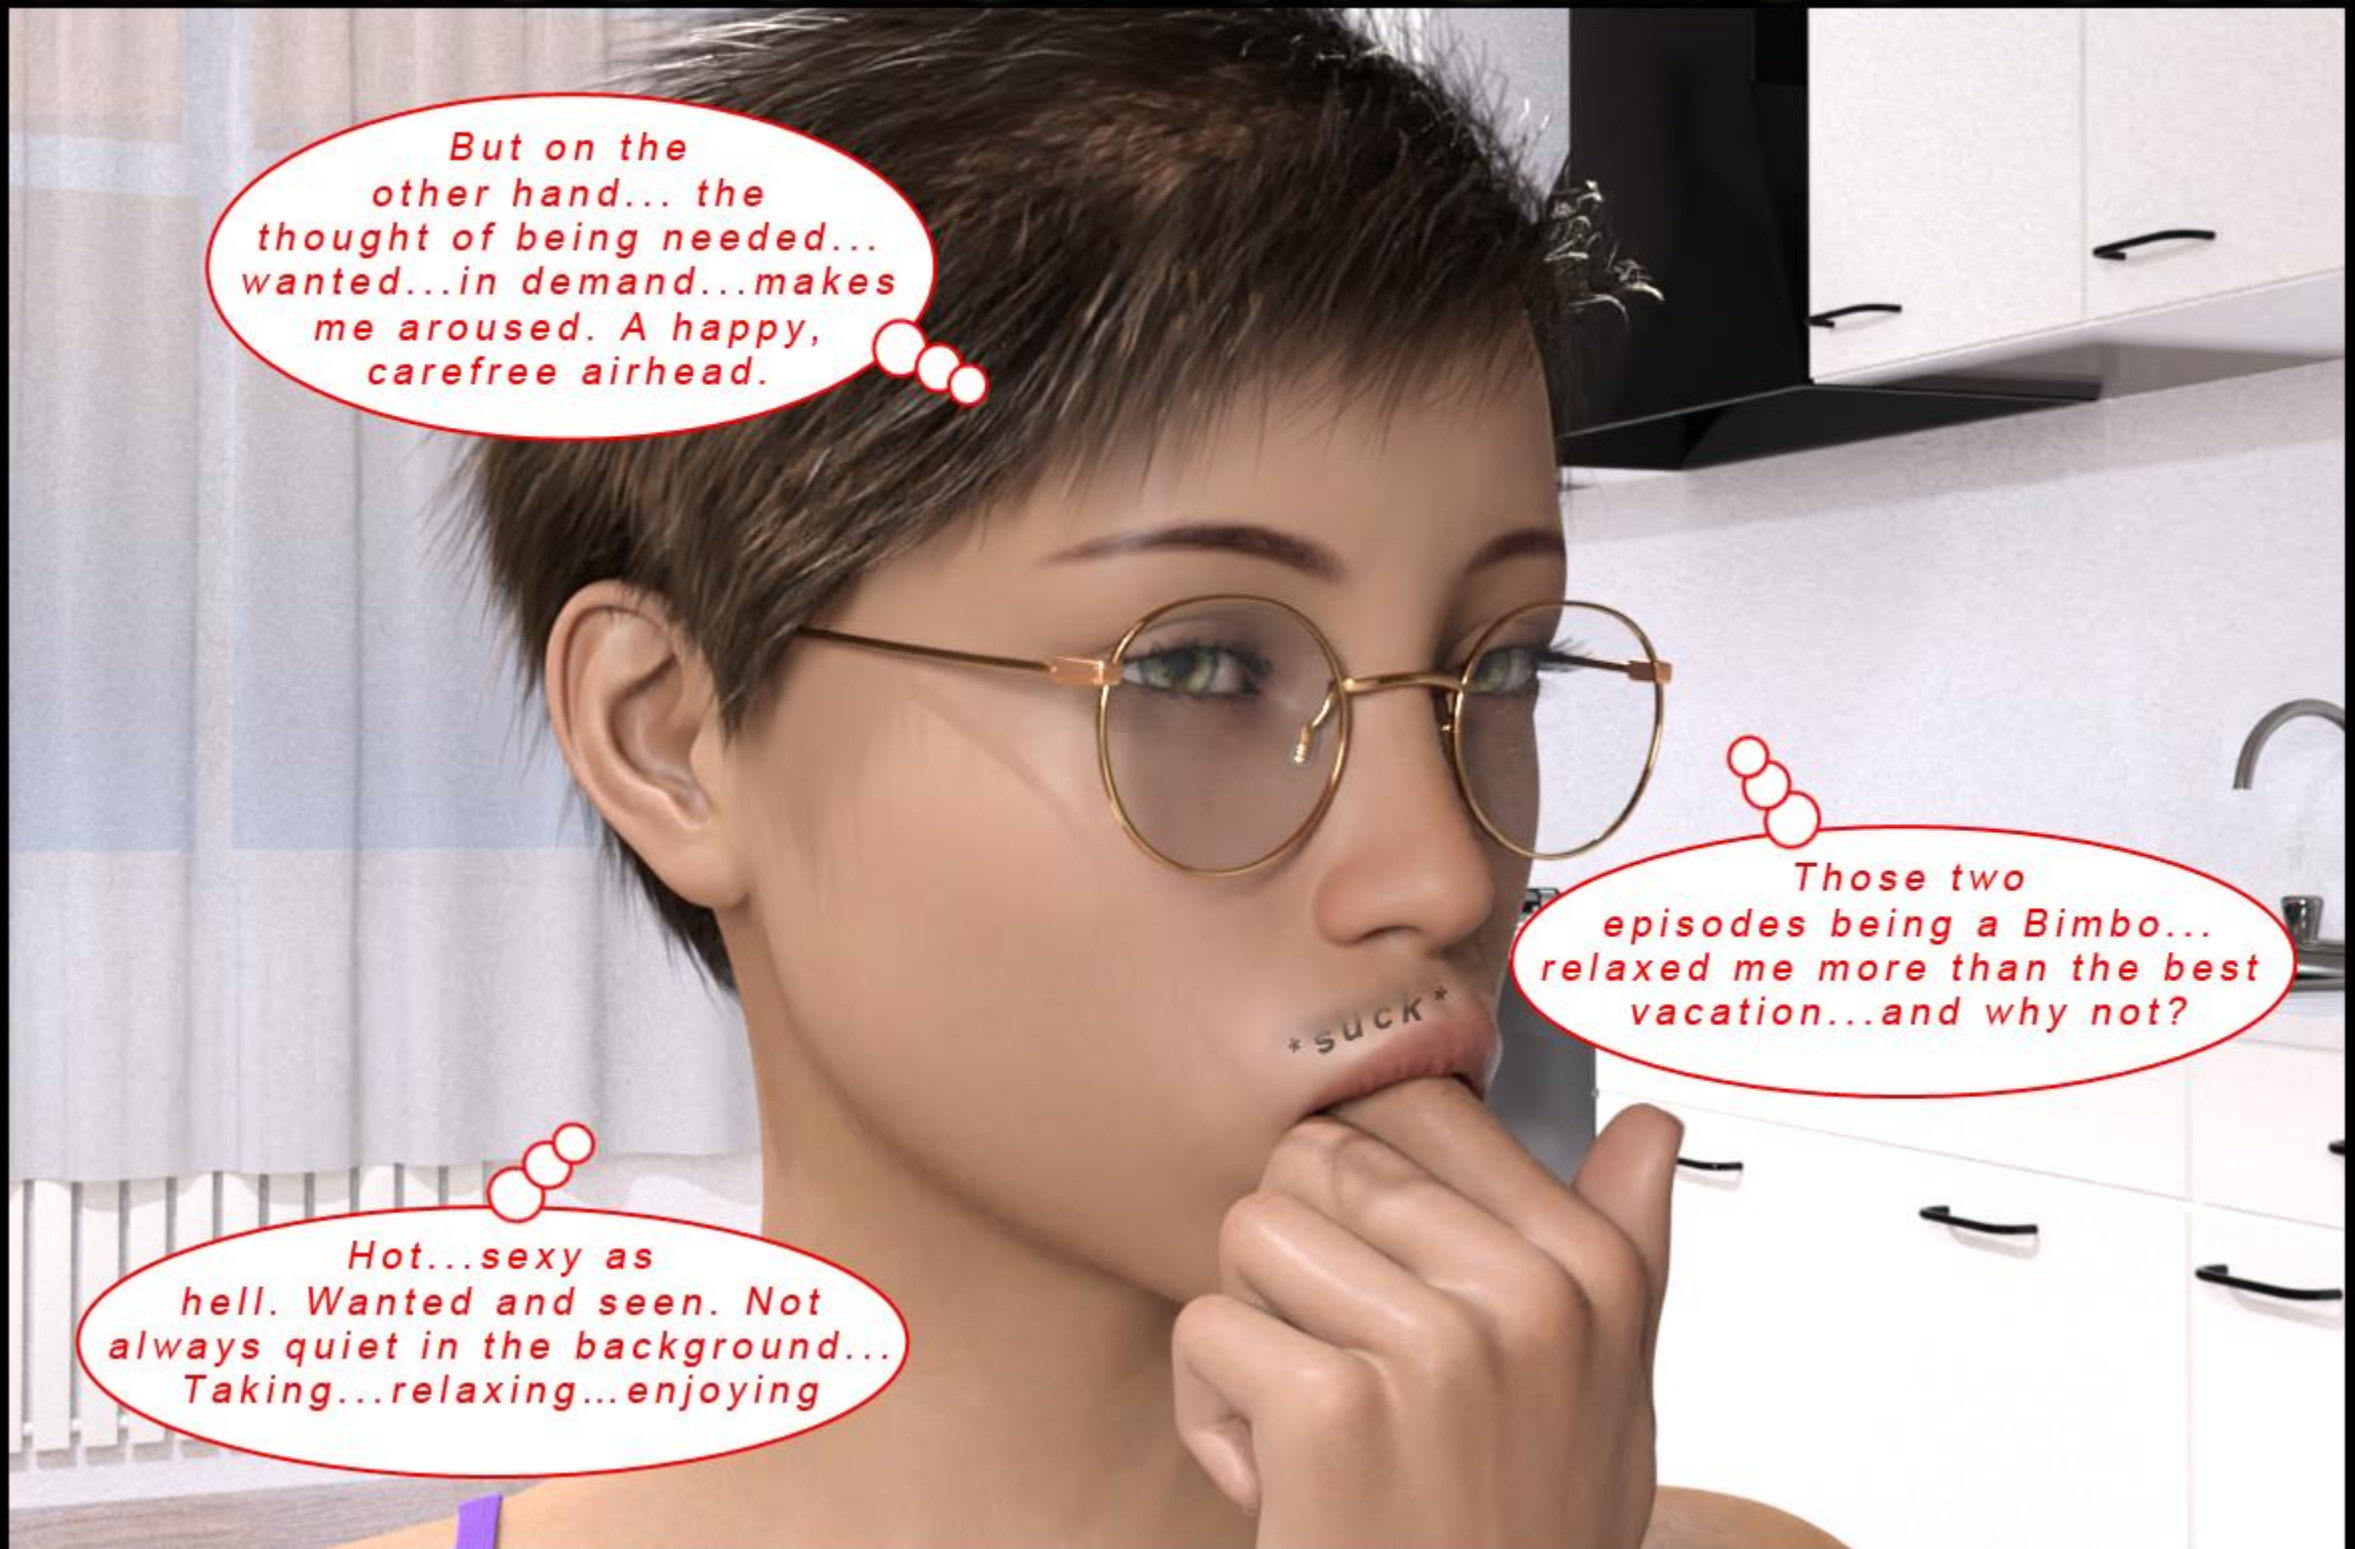

I had no
idea that Paris
was that...
fond.

Now I can be what I
always wanted to be but never
know how to...

As you said
yesterday, Lou...who needs
knowledge...when you are
hot and sexy as hell?

And the best...
now we both could always be
happy giggling party Bimbos...
WE will be sooo popular.

The Addiction of Bimbohood

The Addiction of Bimbohood

They were one time episodes. My parents...what would my parents say when I come home as a giggling dumb fucktoy...

I remember what I said yesterday to Paris..but that can't and will never be. I have my mantra, and that is: Knowledge is power!

The way my parents raised me all these years.

On the other hand... using sexiness would grant power too...

A penny for your thoughts, Lou... but I bet I know what's going on in your head.

You are struggling with a choice...am I right?

YOU enjoyed it being a Bimbo...craving and hunting for huge cocks, clothes, make up... and sooo much more

...on the other side stands your parents...and what they want YOU to be.

The main question is, Lou:

WHAT do you want to be? You can choose. *snicker*

The Addiction of Bimbohood

Don't get me wrong, Paris. This experience was stunning... feeling how my body changed...

It was just indescribable when my breasts grew into these huge melons, while the science in my head disappeared and gave way to infinite pleasure.

Or when that unplanned change happened the day after and all I could think about for hours was shopping or makeup while you were at the Expo, but that wasn't me!

The Addiction of Bimbohood

I feel the same way, Louisa. And I want to live that lifestyle far more - with you. So, why are you struggling?

It doesn't matter what I want. It matters what my parents want, because they have the money and the influence. Without them I would be nothing, I won't give that up for simple pleasure.

I see. But you can have the same, without them.

The Addiction of Bimbohood

I see WHY you depend on your parents, Louisa.

How old were they again? 65+, right? They are rich, but old. They fly on vacation, sit on their money and get their kicks exerting power over you and your life.

You can have all this and much more, even as a young woman. You may not be aware of it, but this lifestyle is not only a lot of makeup and fun. Many women who consciously go the bimbo lifestyle are not only in demand but also are popular. All your parents offer you are wrinkles, worries, premature gray hair and maybe an inheritance.

I realized very quickly when I took BimboMaxx for the first time. Some might call it addiction...but aren't you also dependent on your parents' money, Louisa?

I don't want to impose my way on you, but you will not be away from it. As soon as those pills are there, I'll pop some in and enjoy my new bimbo existence.

And you are my best friend. I would really like to have you by my side. Together we can achieve everything and much more - than slutty bimbos.

The Addiction of Bimbohood

Is this an unusual lifestyle?
Perhaps...but we no longer live in the 1950s,
today we live in an equal society. And what
men are allowed to do, we women are
even more allowed to do.

That may not go down well with all
the die-hards, but their numbers are shrinking.
And basically, even they cannot resist
a shapely female body with
a bubbly mind.

Is her Ass
bigger? Or just my
imagination?

Look at Brad. He takes
every opportunity to tease and humiliate you.
When you were a horny bimbo slut sucking his cock,
you could demand anything from him, right? And
best of all, you did it on your own.

Hmmm

The Addiction of Bimbohood

The Addiction of Bimbohood

*She acts just like
I did at first...She will
come around.*

** Ding *
* Dong **

*Of course, if that
is your wish my dear Louisa. But you
can always help yourself to my stock -
as soon as it gets here.*

The Addiction of Bimbohood

But Paris isn't falling on her face, nor is she backing down. She remembers what she said to Louisa shortly before. Men are like wax when a woman does it right.

I understand...had just hoped that such a picture of a man would help a weak woman to carry...so as to be a chivalrous gentleman.

No, Miss, I...

But if it is against the company's policy to provide top level service to the customer...and possibly to receive a personal tip, so easyyy...

gulp
Miss...

Oh so strong arms... and such a manly face....

The Addiction of Bimbohood

A woman's weapons are always effective. No matter whether intentionally or unintentionally. And in Paris' case, she is now consciously using these small, yet serious signals. She could also handle it differently...but she decided to be more seductive, more bimbo-like.

And I talk about a very personal tip, for the strong Mr. Delivery MAN... *giggle*

Personal Note from Amaz:

I don't know about you, but this works for me every time. No idea why.

Holy shit.
Young, hot, and willing.
When I think of my personal dragon* at home....

I can...errrr...
make a little exception
for you, missy.

*In Germany we call a wife, who is very bitchy to her husband as „Hausdrache“, in English it would be „home dragon“, „pet dragon“ or „personal dragon“. But I'm not sure, if you guys and gals also use / know this phrase too :)

The Addiction of Bimbohood

Thank you
sooo much Mr. Delivery MAN...
giggle

How lucky am I ?
Collect delivery fee and get
laid by a young, hot bitch. A
dream come true.

Always thought
that female students would be
completely buttoned up and
prudish...thought wrong.

Always
at service,
Missy.

Who is Paris
talking to? Oh...a
guest?

What are
you doing?

Me? Oh,
proving to you that I was
right earlier, Lou.
You in?

Of course,
Paris.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

I can't believe I fell for that.

Who knew you could get stiffed twice in one delivery.

Now I have to make up for lost time... box tossing it is!

The Addiction of Bimbohood

I don't do this very often, but it went well... and if I'm honest, it was even fun! Men can be so simple.

I must confess... this game got me excited. My nipples are rock hard and concentrating is extremely difficult for me.

There are enough pills now...I might try something new or pop a BimboMaxx. It's still early enough, the effect will have worn off by tomorrow.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

This feels
strange Louisa...I...
can feel my breasts
filling up...

It's driving
me crazy...they feel so...
sensitive.

teehee
And I can feel myself
getting dumber...like with
every second.

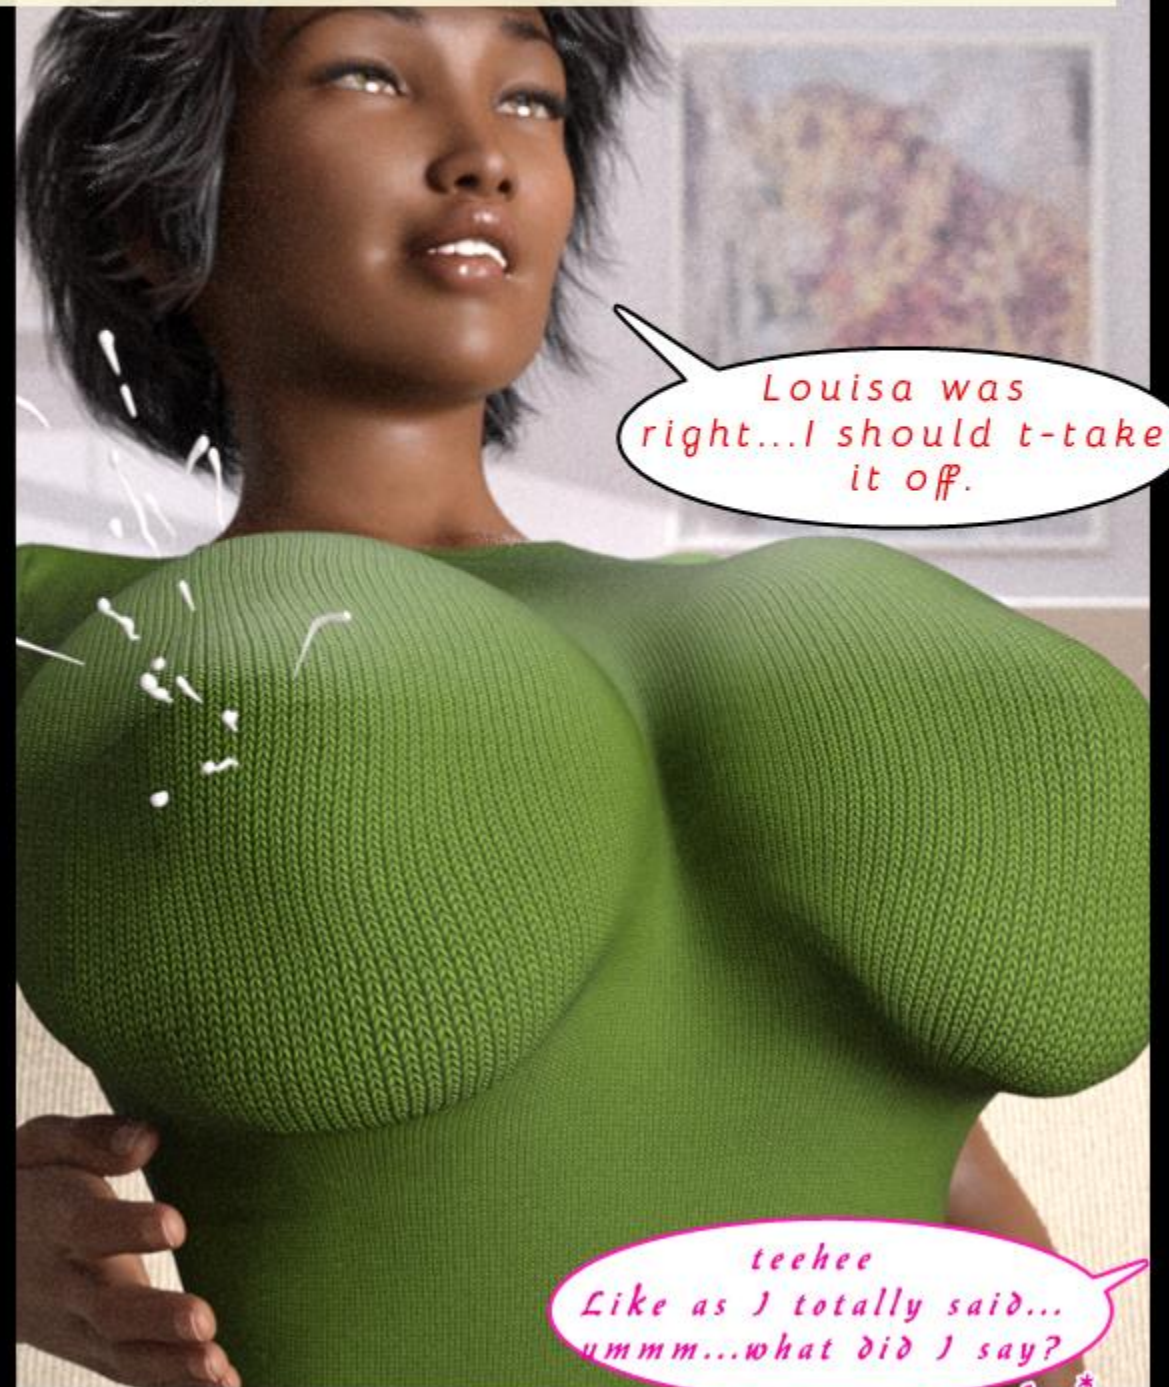

giggle

The Addiction of Bimbohood

But as Paris' breasts swell with more and more milk, she begins to wonder if she was smart to keep her shirt on. Milk stains can be easily removed...but the pressure her growing tits put on the constraining fabric becomes too much and starts to get uncomfortable.

My breasts
feel H-heavier...s
o much heavier
than before.

Louisa was
right...I should t-take
it off.

teehee
Like as I totally said...
ummm...what did I say?

giggle

And so with some relief...

Ahhh...
Finally... relief...
I had no idea.

The Addiction of Bimbohood

Is it like
tots me or is it sooo
hot in here?
giggle

Ohhh...
you are
busy...

wobble

stretch

slick

I'm always amazed
at how quickly you go gaga.
Your massive IQ drop seems
to set in first, Lulu.

The Addiction of Bimbohood

Here, however, Paris was right. While Luisa's IQ is gradually approaching a much lower level, her body is only slightly different...however....

Ohhh...
look how fuckin'
huuuge my tiddies
are gettin'.

giggle

But I miss my
Bimbo Sis...she
is like so much fun...an
supa hawt

The Addiction of Bimbohood

The Addiction of Bimbohood

*Ohhh...
u aren't like totally
happy Paris?*

*What makes
you think so?*

*U didn't
look very happy,
silly.*

*Ummm...
wanna go like shoppin
an stuff?*

*That makes
Lulu all happy...*

*Like some supa
hard cawcks of course...
teehee*

*Maybe later, sweetie.
But first I'm going to the
bathroom before my strong
milk flow ruins the floor.*

The Addiction of Bimbohood

Inside the bathroom, just a few moments later....

Actually, I should have known that Louisa reacts more sentimentally as a bimbo than as a cool logician...

... but nevertheless she is not wrong. I'm not really satisfied with the result.

The milk flow feels stimulating, but I don't like the way my breasts look, nor the massive pressure.

Speaking of pressure...

Are you serious? You're kidding me, right?

The Addiction of Bimbohood

I didn't even know
that nipple allows a
milk torrent....

What? Can I
help you, Lulu?

U? Me? Nah...
I'm here 'cause I
was thinking...

I want my
bestie to be happy...
and what makes us
both happy?

How sweet
you are...

The Addiction of Bimbohood

A BimboMaxx Pill? And the side effects?

Like... who cares 'bout them? They didn't hurt me last time...

And Side Effects is like totally just one of that Amaz2k12 Guy Comics, fer sure!

giggle

Hmm, I don't really know.... with your overdose the effect lasted much longer and there was even a resurgence that ended in a shopping spree...

That's totally absolutely true, but....

The Addiction of Bimbohood

It's like absolutly fuckin amazin to be a Bimbo...

giggle

... and u wanted to go the bimbo way. Am I right?

So fuck off some stupid Side Effects of another Pill and become like totally hawt and happy!

Wow... so many good points from your bimbofied brain?

That is my bestiel! Yay... Bimbo time!

Okay... what could go wrong?

The Addiction of Bimbohood

Oh sweetie...
I like totally feel no...
um... difference...

The Addiction of Bimbohood

Regardless of Pari's thoughts disappearing in pink clouds, BimboMaxx unfolds its full effect.

The Addiction of Bimbohood

teehee
This is exactly my
favorite mood.

No worries,
no fears, just pure happiness...
and horniness.

I absolutely
love to be a Bimbo!
teehee

Me too!
Being a Bimbo is
waaay more fun.

giggle

The Addiction of Bimbohood

But Paris milk flow is apparently affected by both pills... because Louisa's body reacts...

The Addiction of Bimbohood

And so the effect of Luisa's BimboMaxx seems to be reinforced once again...

her second overdose within a short time.

The Addiction of Bimbohood

Also, it must not be forgotten that not only BimboMaxx now works twice...

...because Paris had originally taken a MilkMade pill before she took the next BimboMaxx.

The Addiction of Bimbohood

Mah bewbs...
feel, like sooo...
ummm...
giggle

Is something
wrong Sistah? Like
why did u stop?

Like...
OH! EMMI GEEE!
♥♥♥

Yaaay!

The Addiction of Bimbohood

The Addiction of Bimbohood

And while the new double dosage of Bimbo Maxx takes full effect and Lulu massively dumbs down...

...the unexpected additional dosage of MilkMade kicks in and Lulu's enormous breasts start to lactate.

Under the influence of these pills Lulu's lust levels are nearly at their maximum, she is aroused like never before and her hunger for wild sex is overwhelming...

The Addiction of Bimbohood

The Addiction of Bimbohood

Some time, and many squirtings later...

Ummm...
should we like totes
call Bwad? I wanna pway
wit a huuuge cawck.

Why not...
but we also could
go to the beach...

There are like
sooo many hawt guys with
hawt cawcks there
right now.

Dis is
wike sooo true, Paris.
I bought a cute lil
bikini last time.

giggle

Mhhh... I like
totally have a hawt
outfit, but...

The Addiction of Bimbohood

Woa...

BRAD!

Louisa? Paris?

Hi huuuge
cawcky Brad...
teehee

Hi Brad!

... my top
is way too small
for my girls...
teehee

But it
suits u like sooo
much Paris.

giggle

The Addiction of Bimbohood

How do those two boring nerds manage to become so insanely hot every time I see them?

BRAD!

What is it, Hannah?

I'm still here... Do you know how disrespectful that is, Brad?

Excuse me?

Glaring shamelessly at those caricatures of women while I'm with you. It sounds like you know them but still...

Oh, you mean Louisa and Paris.... Of course I know them. You do too, even if you didn't recognize them.

The Addiction of Bimbohood

Last time Louisa was dumb as brick.... and both were even bigger bimbos than the last times. Big, busty Airheads... ultimate Bimbo's.

Paris and Louisa are just boring book worms.

Who do not have the slightest resemblance to those sluts from earlier.

Louisa even sings in the church choir!

Ugh... this bitch is getting on my nerves...

Are you so insecure that you're uncomfortable with a man looking at huge cartoon-sized boobs on some dumb hoe when she walks by with her tits literally out?

What, am I supposed to pretend my dick doesn't work when I'm out with you?

How dare you... blah blah... both are... blah blah... Brad aren't you listening?

The secret must be something in their apartment.

The Addiction of Bimbohood

You know what, Brad? I'm far more woman than these sluts. I'm out! Don't call me.

Hannah's best side is definitely her backside as she walks away. But the girls, maybe they forgot to lock their door?

Gotcha!

Tell me your secret, Ladies. I promise... I will use it wisely. hehe

The Addiction of Bimbohood

Inside Louisa and Paris dorm...

The kitchen cabinet was pretty empty last time. I'll take a closer look...

Hmm... what do we have here? Bimbo Maxx... Brain Drain... Bulk Thrash?

I think I will take two bottles with me... let's see... Bimbo Maxx and Girl Power sound promising.

The Addiction of Bimbohood

Meanwhile, at the Beach...

Did u see the guy's eyes as he told us that we have a nudie beach?

Like totally! While his wife was all red an' stuff...

giggle

Aiii! What are you doing, Walter. You should cream my skin, not my hair!

... some of Paris Milk splurts from her breasts...

... and drops into the drink of a sunbathing woman.

The Addiction of Bimbohood

This goes unnoticed, however...

Oh boy...
I'm thirsty...

... mhhh...

Mmhhh...
this heat...

... which may trigger some unexpected effects...

The Addiction of Bimbohood

Every cause has an effect, and every effect has a cause. The breast milk, altered by Paris' pills, dripped into the drink which was drank by the woman starts such an effect on her body and mind.

... mhhh...

*We
like dis place...
a good view.*

giggle

... while an alluring heat flows through her body and her vagina clamours for attention, the woman's body changes noticeably... her hair grows and starts to bleach out... her- once tiny-breasts start to develop... growing cup size by cup size and gaining new sensitivity, turning her on even more...

*And it's
becomin' far better.
teehee*

*Sooo...
tay **hay hay** sty.
Oh my...*

Her thick and full pubic hair is visibly thinning out - but she hardly seems to notice the changes her body is going through because of the swelling pleasure. Her face, formerly strict and disciplined, becomes more youthful and her thin lips gain significant mass.

The Addiction of Bimbohood

Ohhh

Ohh yea...
ummm... need
more...

Mmhhh...
Maybe those two hot sluts
can satisfy me... I'll
go over there.

Gosh...
look at the gigantic
curves they have...

The Addiction of Bimbohood

Hi!

I'm Fabienne
and... um... you
both look sooo hot.
Wanna make out
with me?

I'm like
sooo sure that two
hot Beach Bunnys
would love to...

Like, hi!
Me Paris and dis
is like, totally Lulu.
An' you are sooo
right... teehee

The Addiction of Bimbohood

Sooo true...
you truly look so...
enticing somehow.
I have never seen
breasts like this.

Wow...
you aren't wasting
time, huh? Like mah milk?
Why not taste it?

Now we
should like totally
look for some...

Look at those
sluts... how could I say
no when they present
themselves like this.

Walter...
how could y--!

Finally! A warm, wet pussy...
after all these years...

Walter!

... CAWCK!
giggle

Like sooo
yummy... teehee

The Addiction of Bimbohood

The diluted milk in the drink was already effective...

... but Paris's undiluted milk is even more potent and Fabienne changes in a very short time.

The Addiction of Bimbohood

In the meantime in Brad's room. At his invitation, Hannah came to returns to resume her argument.

Hannah believe me. This little pill here turned Paris and Louisa into those airheads we saw.

Really, Brad? I've heard a lot of lame excuses...

But you know what? I'll show you that this pill is nothing more than a sweet candy...

... And if you ever embarrass me like that again, that's it.

Hannah! No! Wait!

hmmm... Delicious.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

hmmm?

Duh... thinky thinky is like all so hardy hard...

Me feel only ur big, strong hands... ahhh

Bouncy? They looks like they are made of plastic and rock hard...

... Of course. I know exactly what a slut like you wants, Hannah...

Yes... knead my big, bouncy boobs, Bwad.

The Addiction of Bimbohood

Me totally no slut! Me Hannah and me like sooo horny...

Of course you are... And tomorrow you will have forgotten everything, at least I hope so.

You're not only horny... you're bubbly... also a real bimbo slut.

teehee... u are like, sooo right... me all bubbly an slutty...

... me all dumb an horny an all hawt an stuff, sooo...

Me Hannah, me bimbo! Like sooo kewl. *giggle*

The Addiction of Bimbohood

The Addiction of Bimbohood

While Brad and Hannah enjoy their bimbo-style romance...

THIS is
what you deserve,
slut...

Ohhh,
Bwad...

... let me show
you how a real man
handle...

... like sooo
hard cawcky caawck...
teehee

... I'm your
Daddy and you'll beg
to be my slut
forever...

Yeaaa...
ohhh... yeaaa...
mhhh... deeper!
Daddy...

... like all the
other sluts who will
be my mine with these
pills!

The Addiction of Bimbohood

the uncontrolled consumption of natural bimbo milk caused a real orgy on the nude beach where an excess of full-bodied bimbos devoured a handful of guys...

The Addiction of Bimbohood

And so... Many hours of hot and steamy sex later...

It's gettin' like sooo borin' Paris.

There are no more hawt guys here...

I like, totally miss their long totally yummy cawcks already...

Like, yea... totally...

Since there are like so many hawny bimbo's on this beach...

the hawt guys are busy fuckin' or already ko...

... it's been sooo long since I sucked my last cock... ummm... like ten minutes or so...

... shall we like totally go home, sistah?

Like, totally... Let's go home.

The Addiction of Bimbohood

Wowziel
Dis was like, sooo
awesome here.

U-hu...
it truly was...

All the men,
all their hawt cawcks... gosh...
I already wanna totally get
fucked again.

giggle

Bwut sistah,
we could do these
like aaal the time,
u know?

Huh?
What do you
mean?

The Addiction of Bimbohood

We could break off our studies, u know?

It's like totally borin' and nobody really needs stuff like that anymore.

Who looks as hawt, youn' and sexy as Paris an' her slutty sistah Lulu.

We could have like totally a lot of fun, always partyin' or chillin' on the beach,

Fuckin' or suckin' lots of guy's yummy cawcks... u know...

... the full Bimbo lifestyle thingy.

The Addiction of Bimbohood

The Addiction of Bimbohood

MMMMMMMMM!♥

lick
mhhh... like,
strawberry sparklin'
wine!

Lick Lulu's
pussy like, real hard
u slut... Lulu was like,
a dirty lil slut t'day!

The Addiction of Bimbohood

The next morning, in Brad's room...

The Addiction of Bimbohood

Oh my goodness...

... that can't be true!

Damn it, how could THIS happen? Oh, Hannah! Another fine mess you made.

mumble
I will **snore** fuck them all **snore**

The Addiction of Bimbohood

He held the pill out to me, it's all his fault. He made me take it.

And then when my body looked like this parody of a woman, he fucked me until I lost my senses.

Yeah, that feels right. That's what happened. THAT'S HOW IT WAS!

Brad!

This is all your fault!

You did this to me, and you'll pay for it!

Hmmm???

Hannah? What's the matter?

The Addiction of Bimbohood

How dare you give me this pill. That's low even for you, Brad.

My head hurts. That annoying voice, so early...

Aha...

Then after waking up, you hold that stiff piece of meat out to me without being asked. You have no sense of shame.

Hannah, have you really never heard of morning wood? Almost every man has one early in the morning. But about your accusations...

As far as I remember, you snatched the pill out of my hand to prove that it doesn't work. I tried to stop you, remember?

What the...

By the way, you should take more of those pills. Much more. Not only were you much more attractive as a bimbo, you were also way less annoying than you are now.

The Addiction of Bimbohood

Get out.
I'm not in the mood for
one of your stupid scenes
this early in the
morning.

It's not
over yet, I'm going
to the principal.

Go to the
director, if you want.
I don't care.

I'm ruining
you. You'll be
expelled from here,
you asshole.

But don't overdo
it, because I can ruin you
too and as long as you're not a
cock-hungry, horny bimbo slut,
I'll do it anyway.

pft... Hell
will freeze over before
that happens.

Hmm... I have seen
the effect of BimboMaxx.
But what does Girl Power do?
Maybe I should check
the website...

The Addiction of Bimbohood

Just a few rooms and one unit away, Louisa wakes up from deep and highly erotic dreams...

The Addiction of Bimbohood

And in Paris' dormitory...

Mhhhh...
already morning...
I feel sooo...
mhhh

Wait... they
never jiggled like
that... could it
be?

Oh my God!
They truly are bigger!
A lot bigger...

The Addiction of Bimbohood

But both seem to perceive the changes differently...

Fucking great...

I have to stop, this is getting out of hand.

I'll have to buy new bras later, my old ones are all... too small.

What's the best way to hide these things?

Fucking great!

My tits are so much bigger than yesterday. That must be a side effect of the different pills.

I can't wait to buy new tops, shirts and bra's to really show off these girls.

Hmm... guess a C? Maybe D or even DD- cups? So fucking amazing!

The Addiction of Bimbohood

Lou, you won't believe it. I measured my bust size earlier, and my girls have grown. How about we head to the mall later? It's clear we both need new bras.

Of course! Do you already know the size you need?

Oh, Lou, I'm now proudly sporting a 34DD or E bust now.

Now that's what I call a growth spurt.

Your girls are also a bit bigger, aren't they? Have you measured them?

No, and I don't want to either.

Why not?

The Addiction of Bimbohood

Paris, do you still embrace the changes in your breast size?

Of course!
It is amazing!

It's remarkable – now at a DD cup. Just yesterday, you were a B cup.

Are you aware of the amount of skin you're revealing today? With a bare midriff, 3/4 pants, a navel piercing, and no bra – what impression do you expect people to form?

Nothing, except the odd quickie on the side? Just a bit of fun in between?

Louisa, really? Just a friendly reminder: between the two of us, it seems like you're not a fan of bras either.

Your girls also could use a bit of support today. Consider it a license to carry for your nipples.

The Addiction of Bimbohood

Perhaps I'll skip the lesson and head straight to shopping.

On the other hand, I miss the way most guys gaze at my big breasts while trying not to.

Could this be a lingering effect from the pills?

While she's not entirely wrong, I'm as sharp as a porcelain knife and a so wet underneath. I should change my panties again.

Considering a different shirt for more cleavage? Nah-ha... Lou, are you coming? We need to head to the lecture hall; class is about to start.

The Addiction of Bimbohood

The Addiction of Bimbohood

Meanwhile, on a corridor of the university, Brad encounters Nelson, the geek. Having dedicated his weekend to a comprehensive exploration of AmazCorp's online offerings, Brad is struck by a brilliant idea. (Yes, even Brad is capable of having brilliant ideas.)

A 3D-rendered scene showing two men in a hallway. On the left, a man with a beard and a grey sweater (Brad) looks towards the right. On the right, a man with short dark hair, a green shirt, and a purple tie (Nelson) looks back at him. The background is a plain, light-colored wall.

Hey Nelson, wait up! I've got something to discuss with you.

Nelson, <snort> leave me in peace. I haven't finished your task yet, and I don't want another round of...

Shut up, Geek!

I'm here to pay you back for all the help lately.

Of course, YOU are. especially you Brad.

I promised once to help you understand women better so you can finally get in their panties...

Come to my place, and I'll give you the solution to your problem.

Years ago... and?

Now? I have a free period, and I was planning to go to the library.

Now!

The Addiction of Bimbohood

Nelson, you're a lost cause, seriously.

I've been messing with you for years for a reason. To make some balls grow on you so you finally stand up for yourself. Instead, you always back down.

Women dig tough guys. If you want to understand women better, you should learn how a woman thinks and feels.

So, as an old buddy from kindergarten, I'm gifting you this little pill.

Pop that, and for the next 8 hours, you won't just think and feel like a woman; you'll be a full-on woman - with all the works.

It's your call, Nelson.

Seriously?

The Addiction of Bimbohood

The Addiction of Bimbohood

Dang... I literally sense my bone structure changing, and somehow it's not even painful...

I feel the fabric on my skin, it's somehow more vivid than ever before...

oh my G... *moan* the sensations... so orgasmic!

The Addiction of Bimbohood

Breasts! I have grown breasts... I feel that little mass moving on my chest with every breath.

Just look, Brad, how dainty my fingers are, and these fingernails... so delicate.

And what is this sensation in... Oh my God! It's... gone!

I am truly a biological woman... a girl!
