It seem that we can't take a clear look, as Millenium is currently in charge.

**What is this strange thing coming down from the sky? Is it a new threat to Kivotos?**

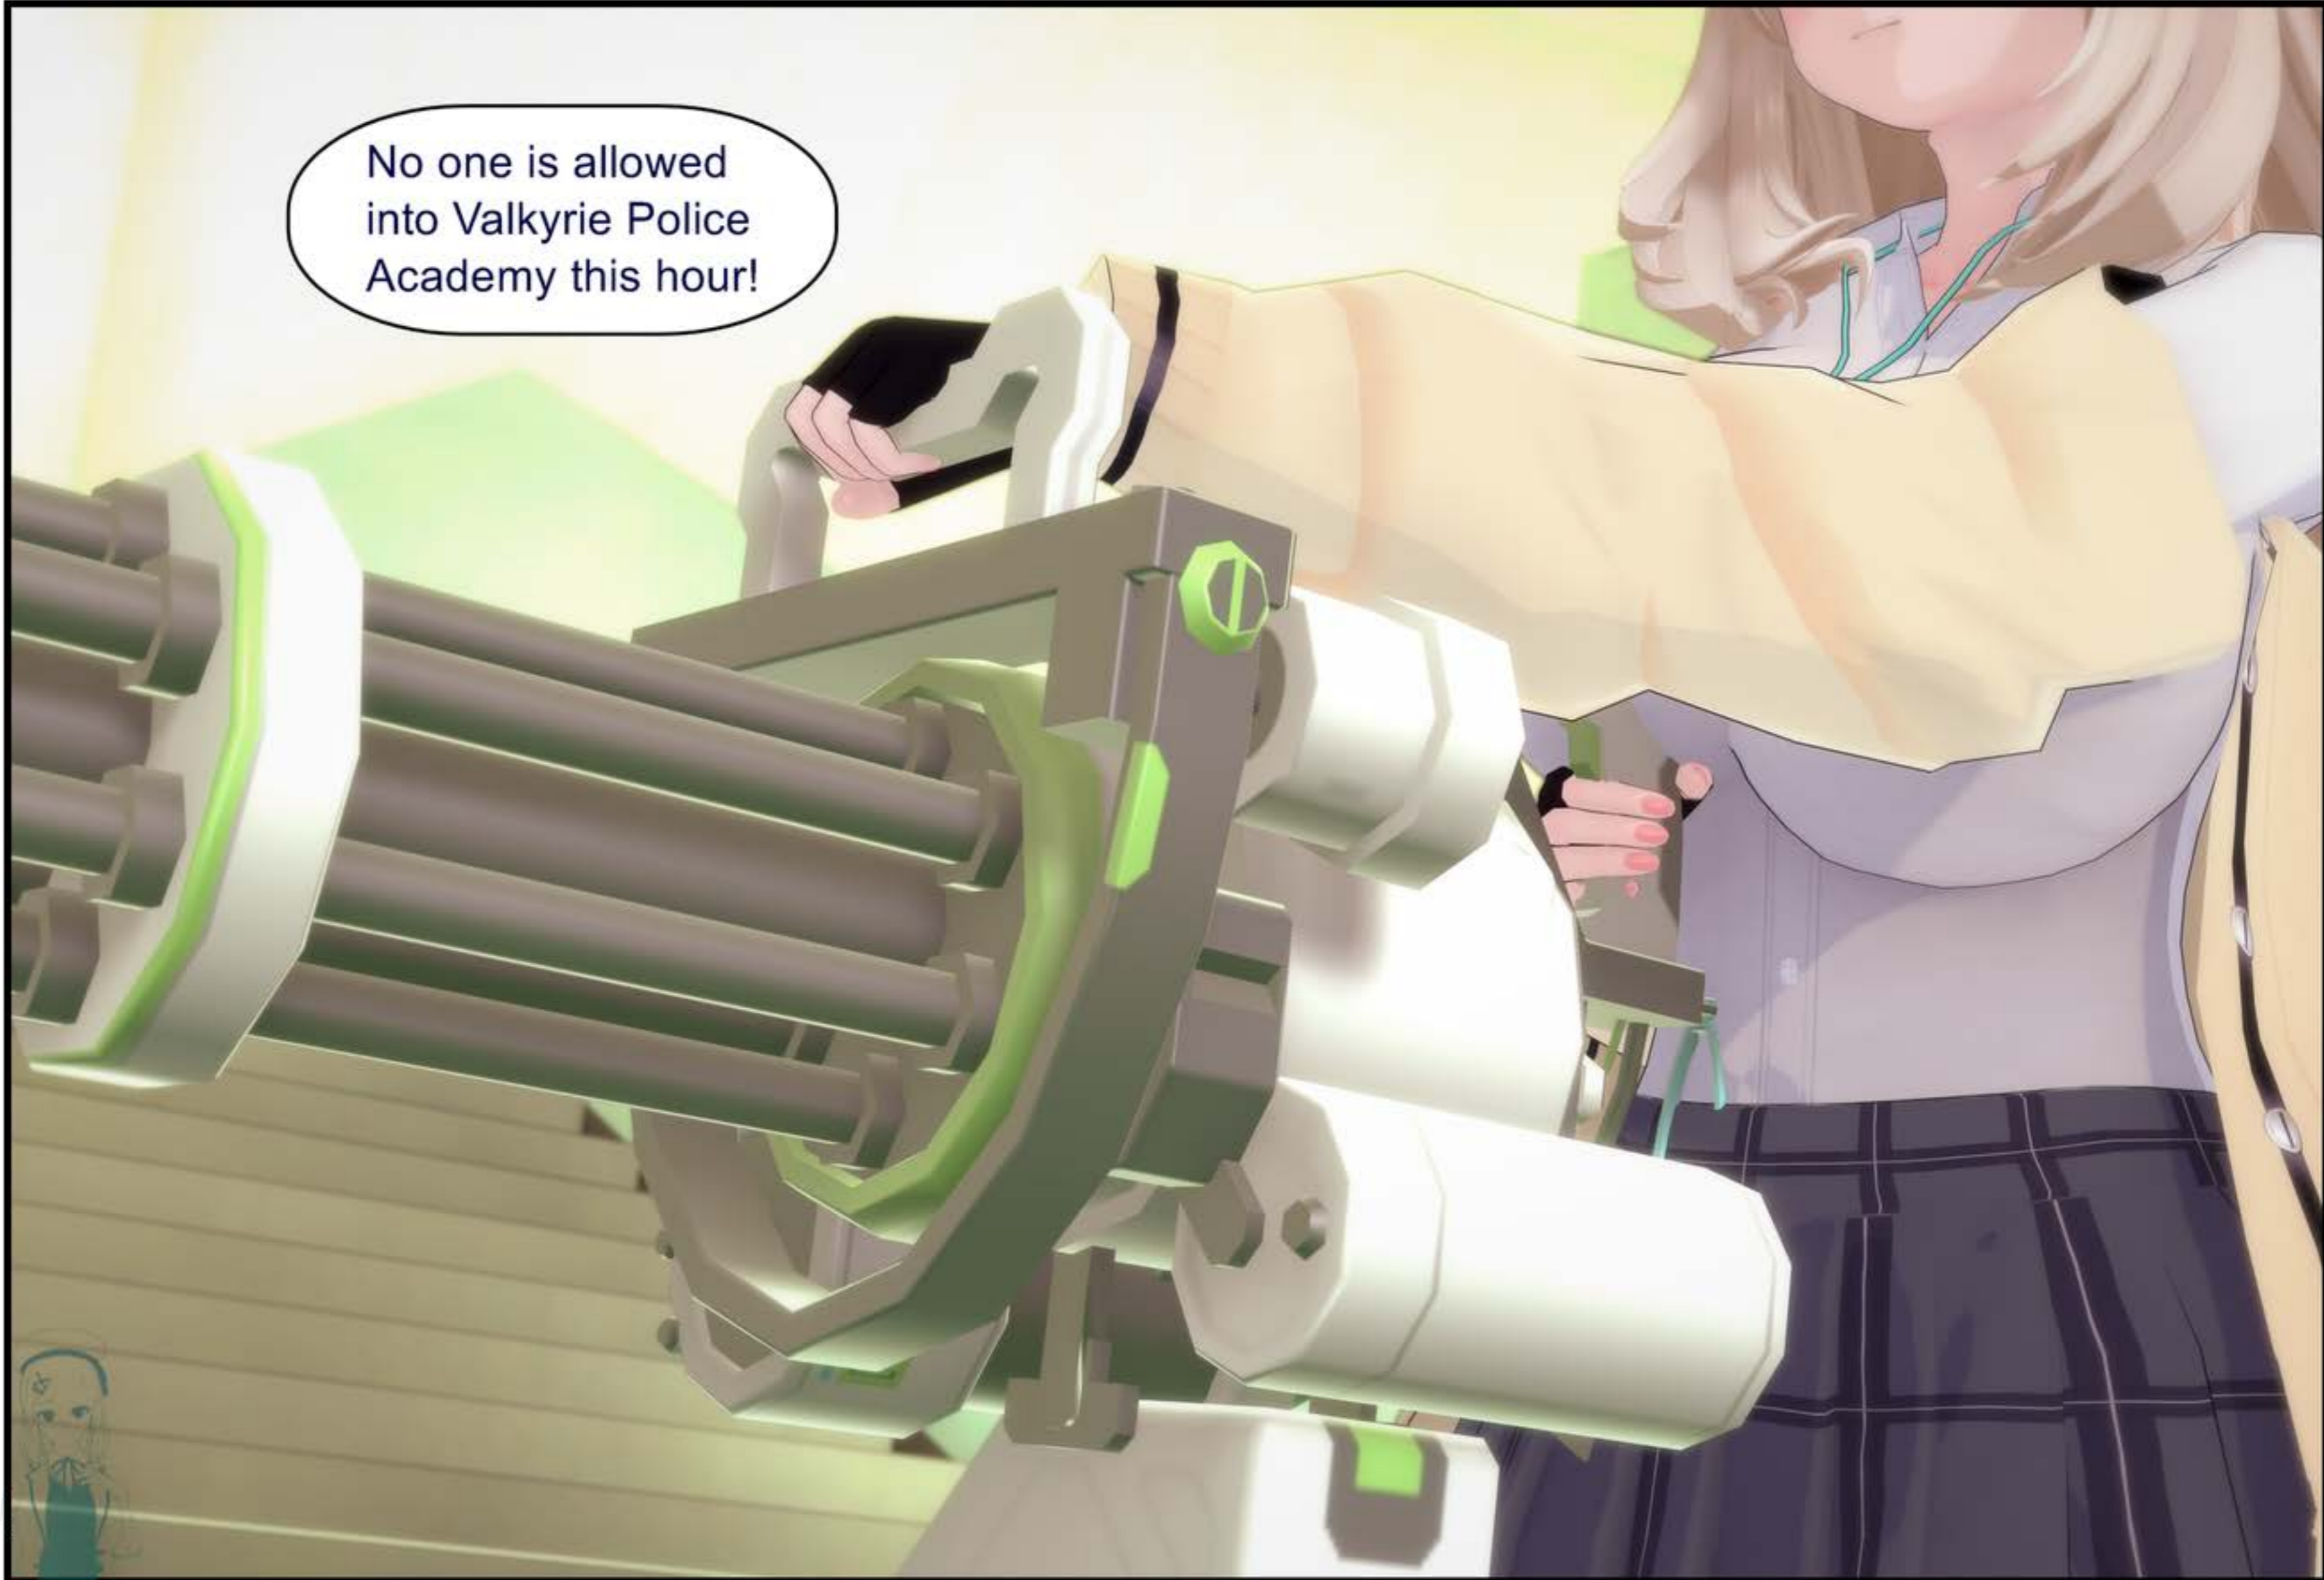

H-Hey! Stop it  
right there, this is  
the restricted area!

No one is allowed  
into Valkyrie Police  
Academy this hour!

**Bang!! Bang!! Bang!!  
Bang!! Bang!!**

The enemies are...  
wearing uniform of  
Abydos...

Multiple intruders  
appeared in the  
yard and inside academy!  
We need back-up!

Hoshino, Nonomi and Serika are in position. You are next, Shiroko.

Create an opening  
and find information  
about other schools.

Don't let our  
Master down.

ABYDOS  
Student

Nonomi, Serika,  
create diversion at  
the center academy.

Hoshino is out of hand, keep them busy until Shiroko come.

For our Master...

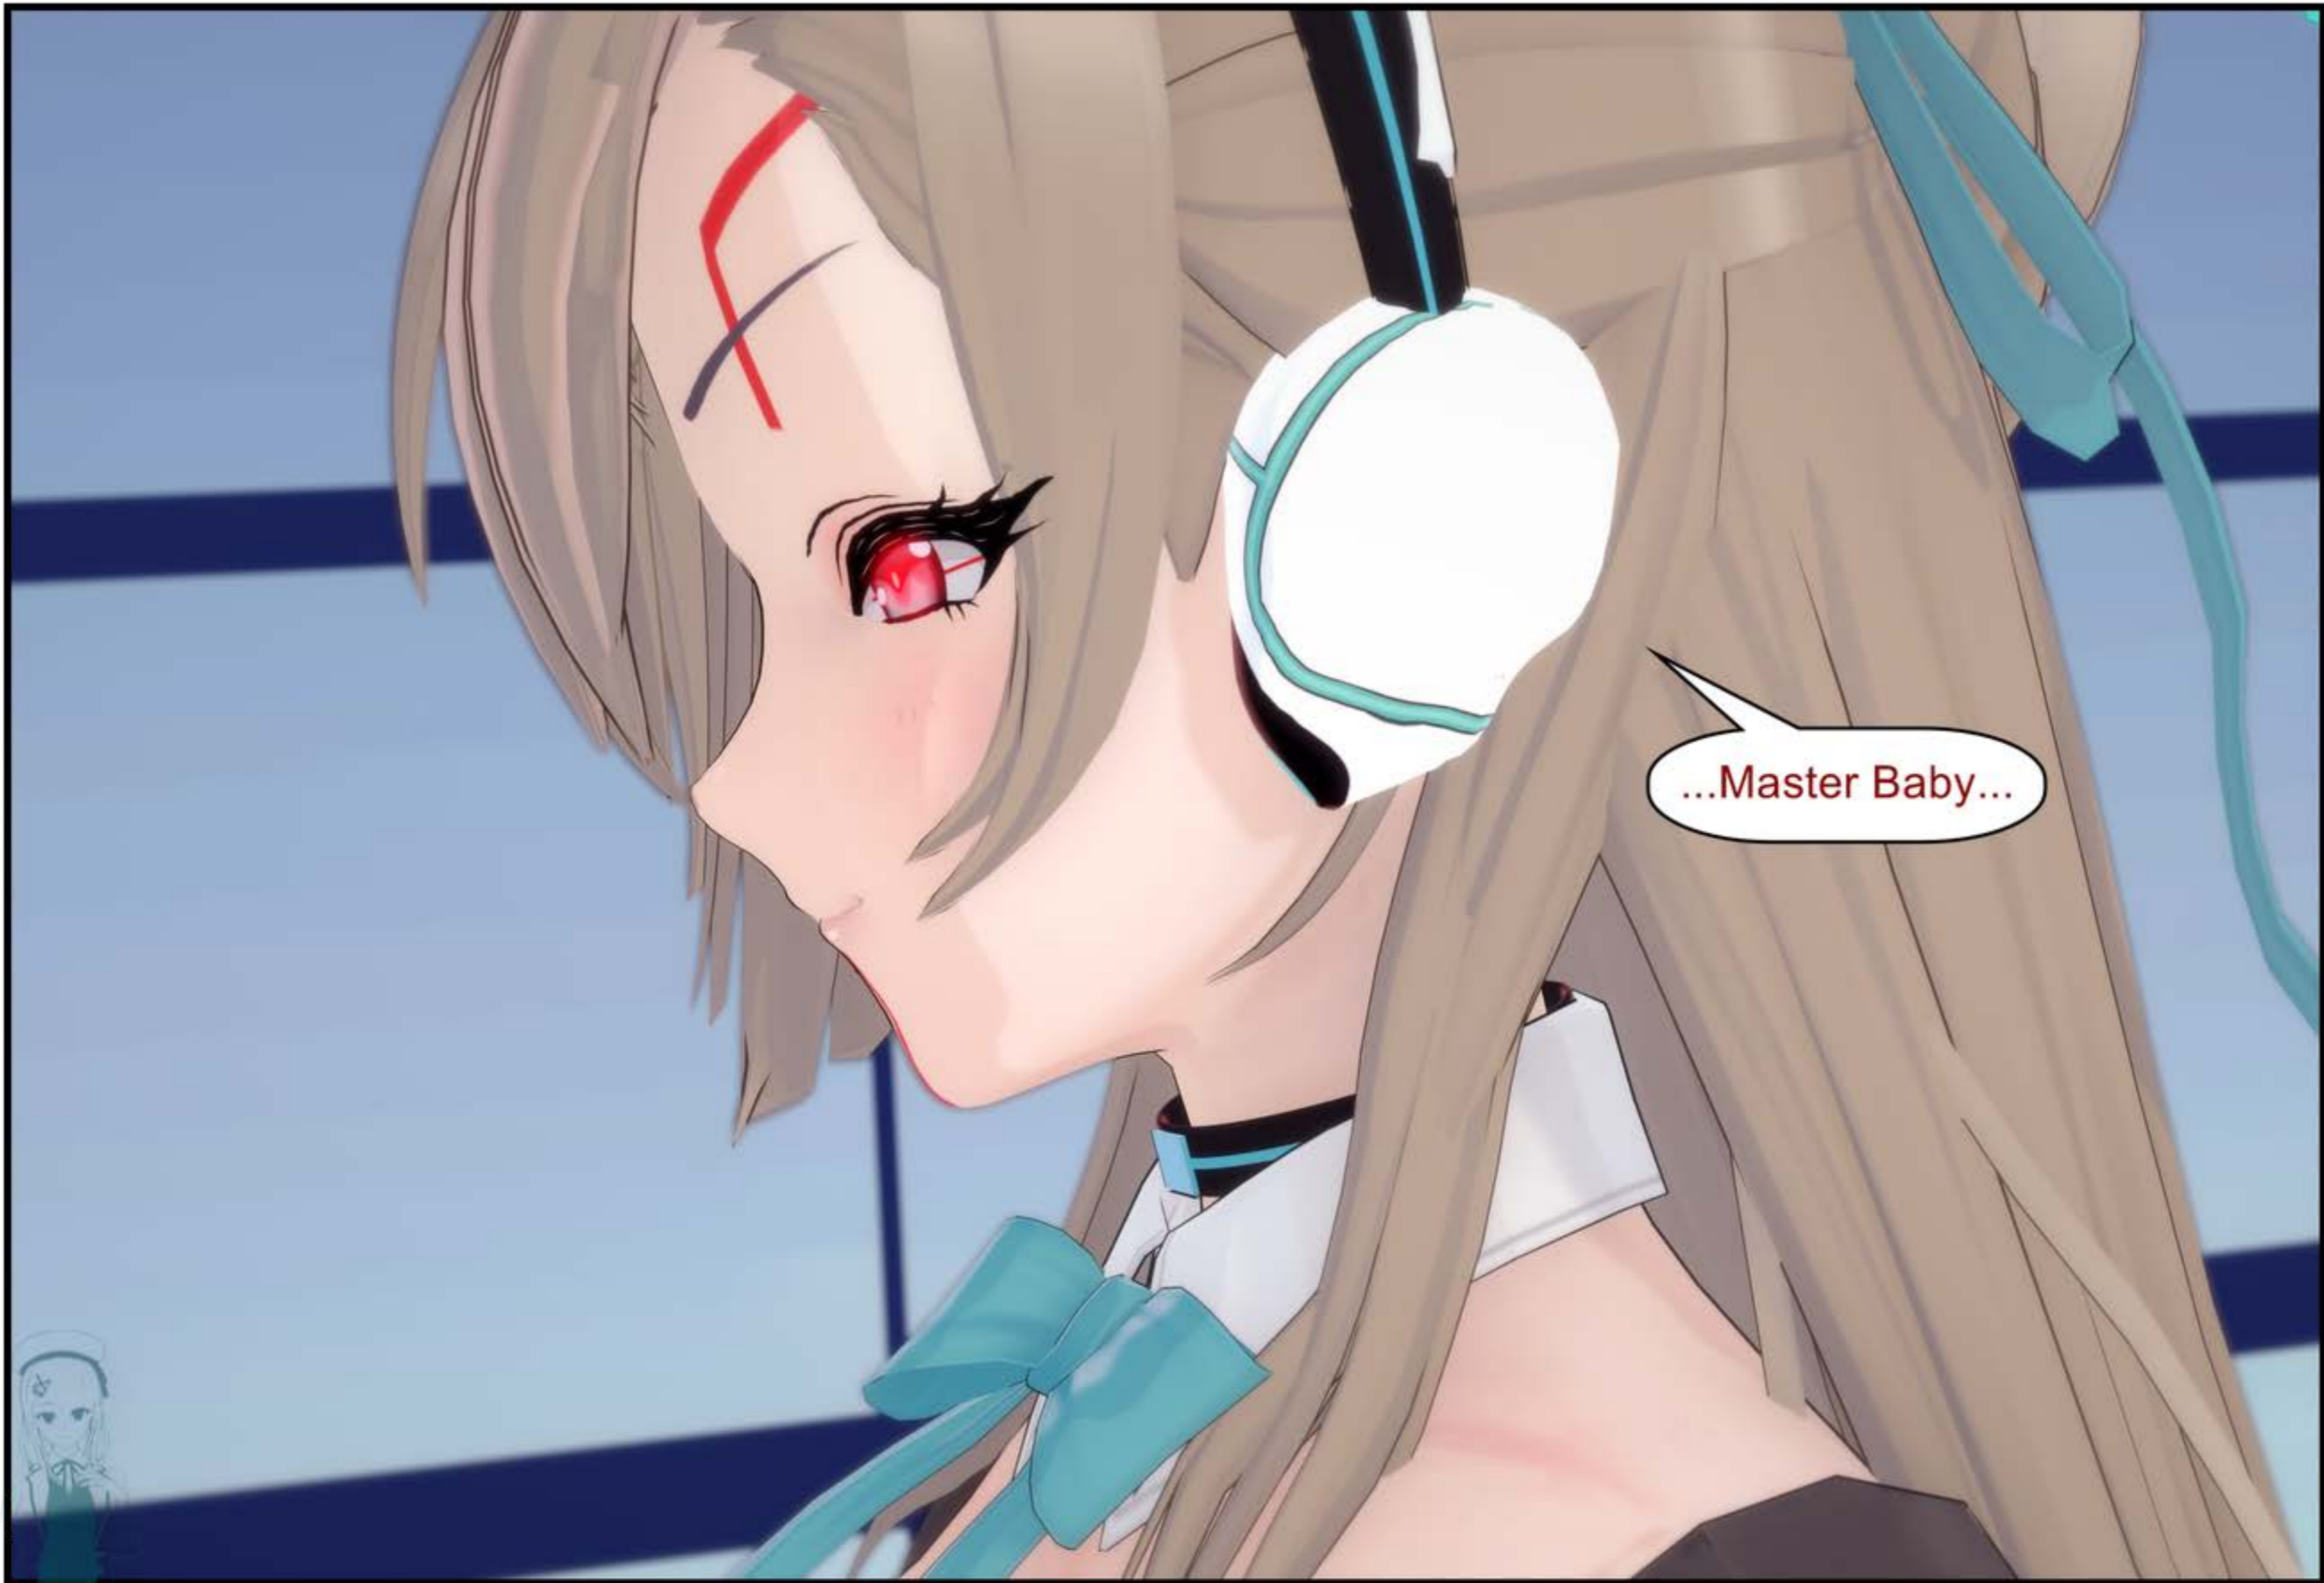

For our Master...

All good to go...

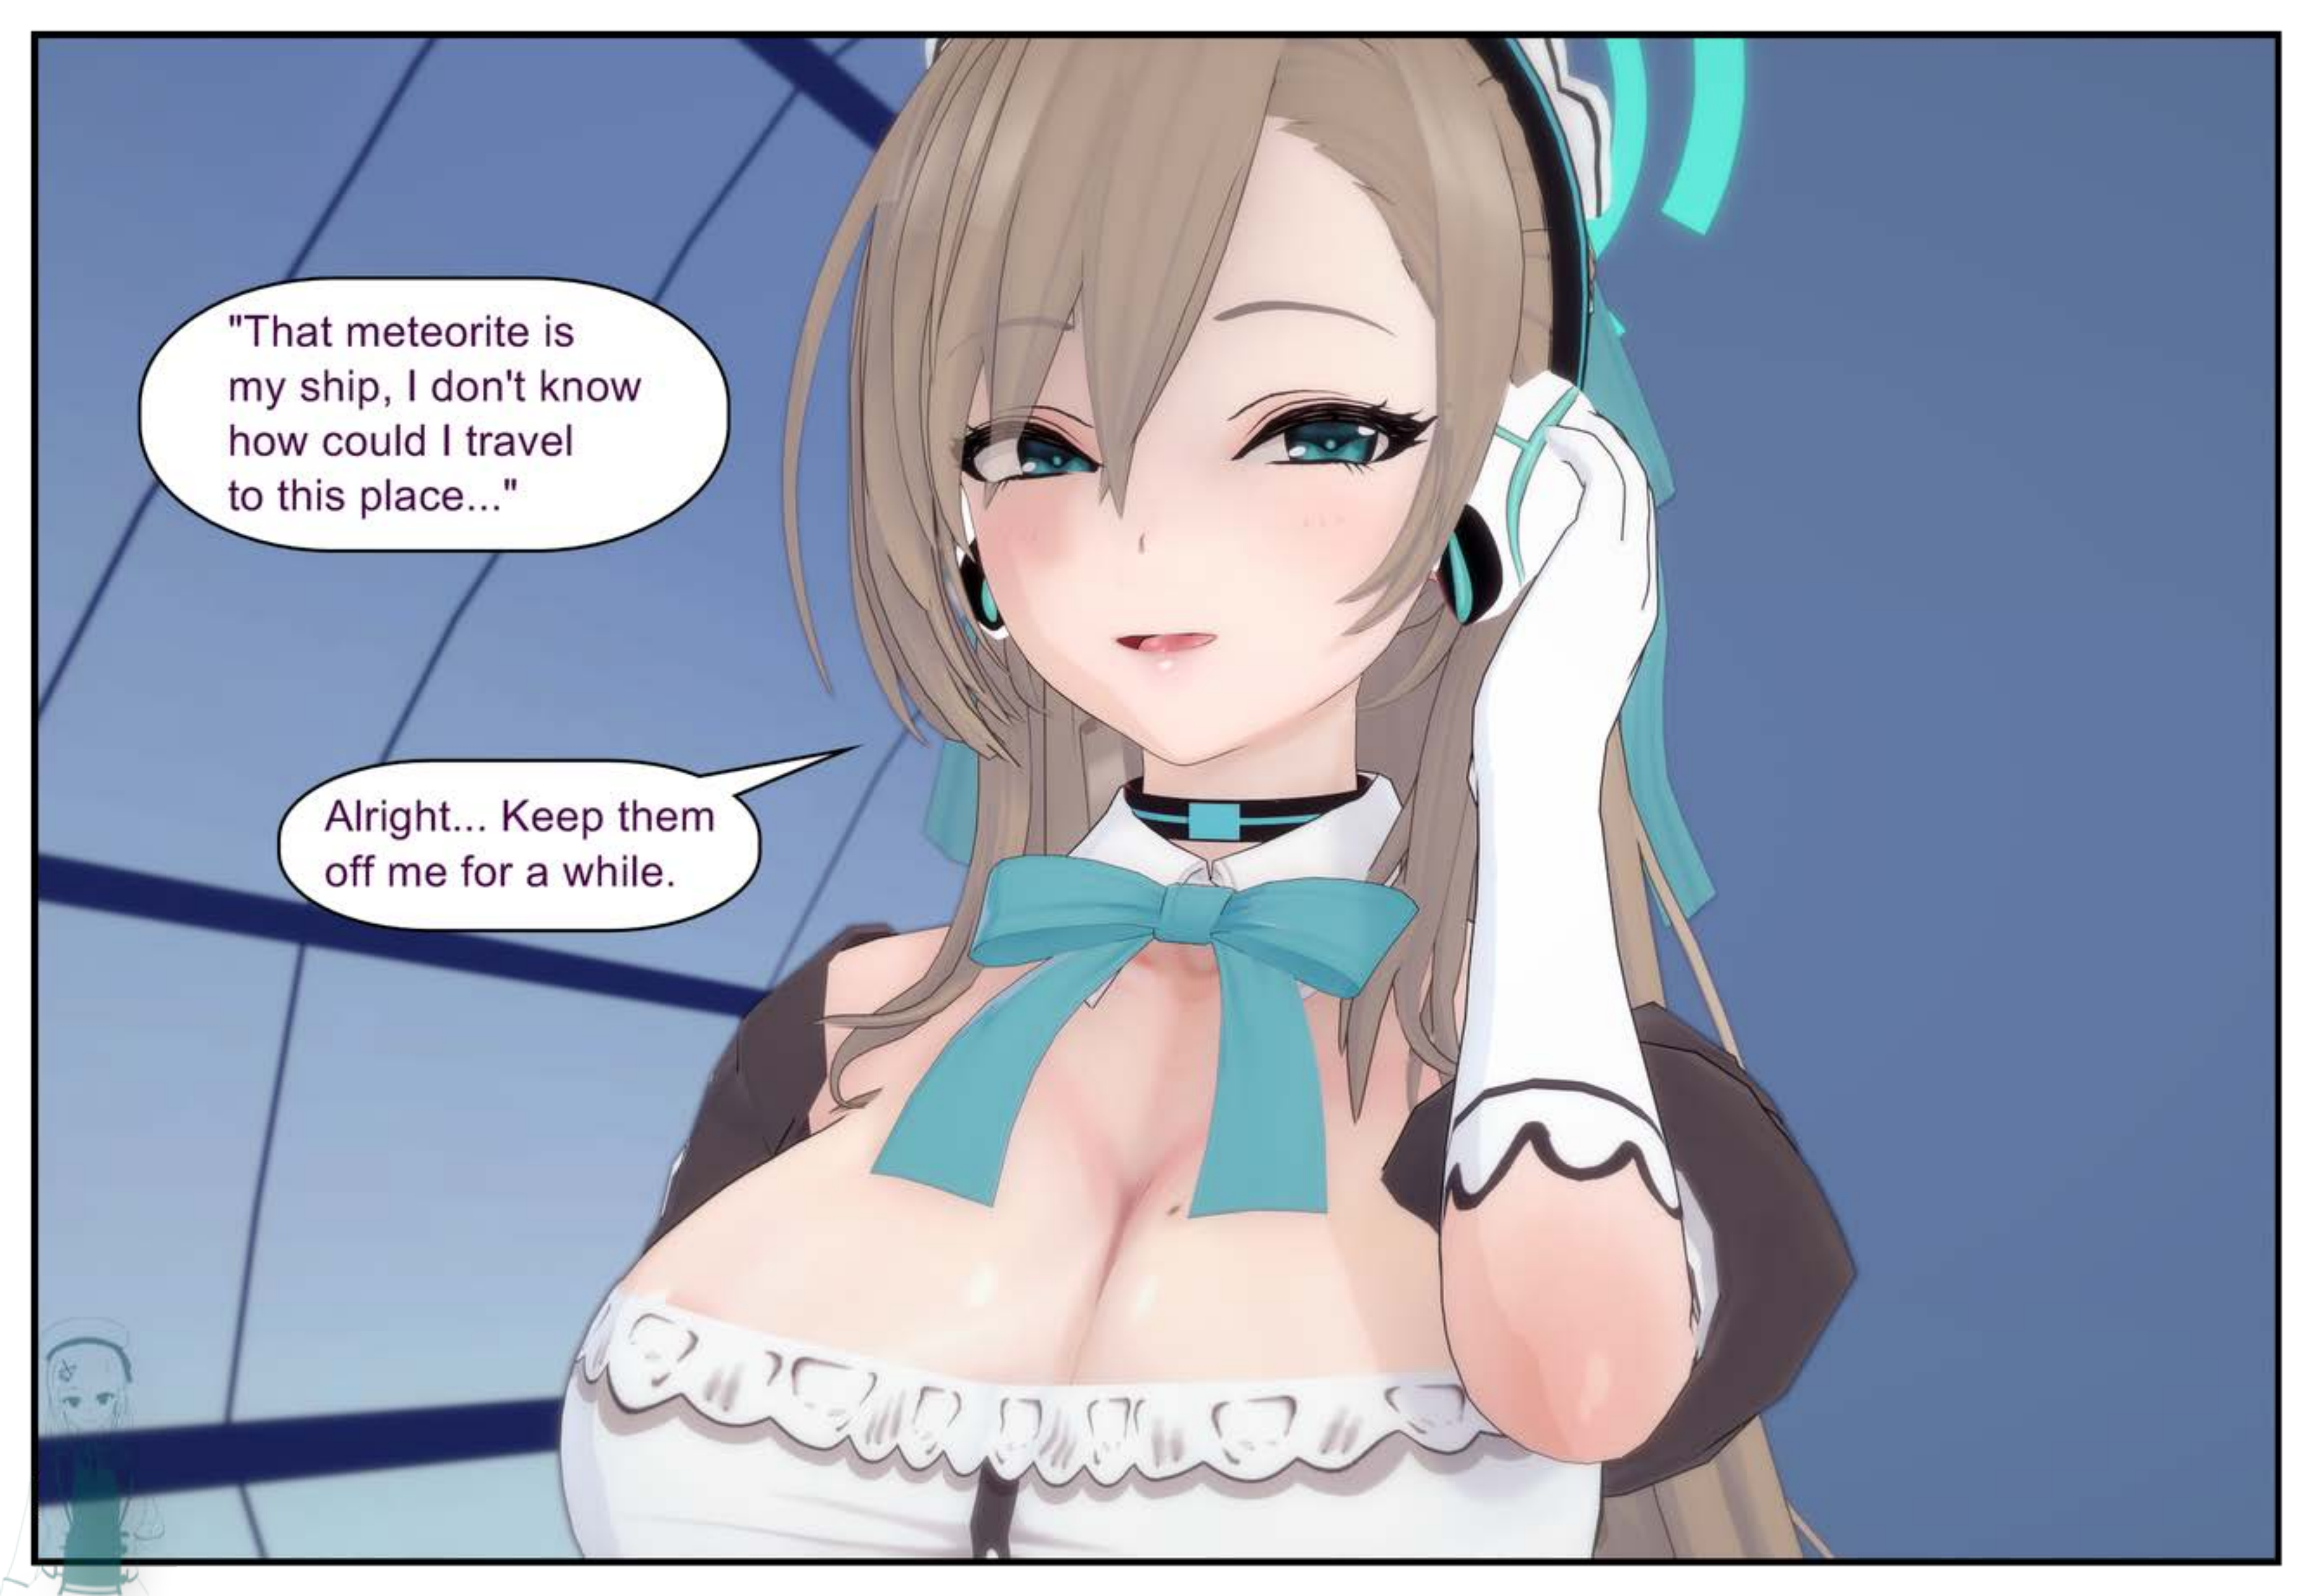

...Master Baby...

"That meteorite is my ship, I don't know how could I travel to this place..."

Alright... Keep them off me for a while.

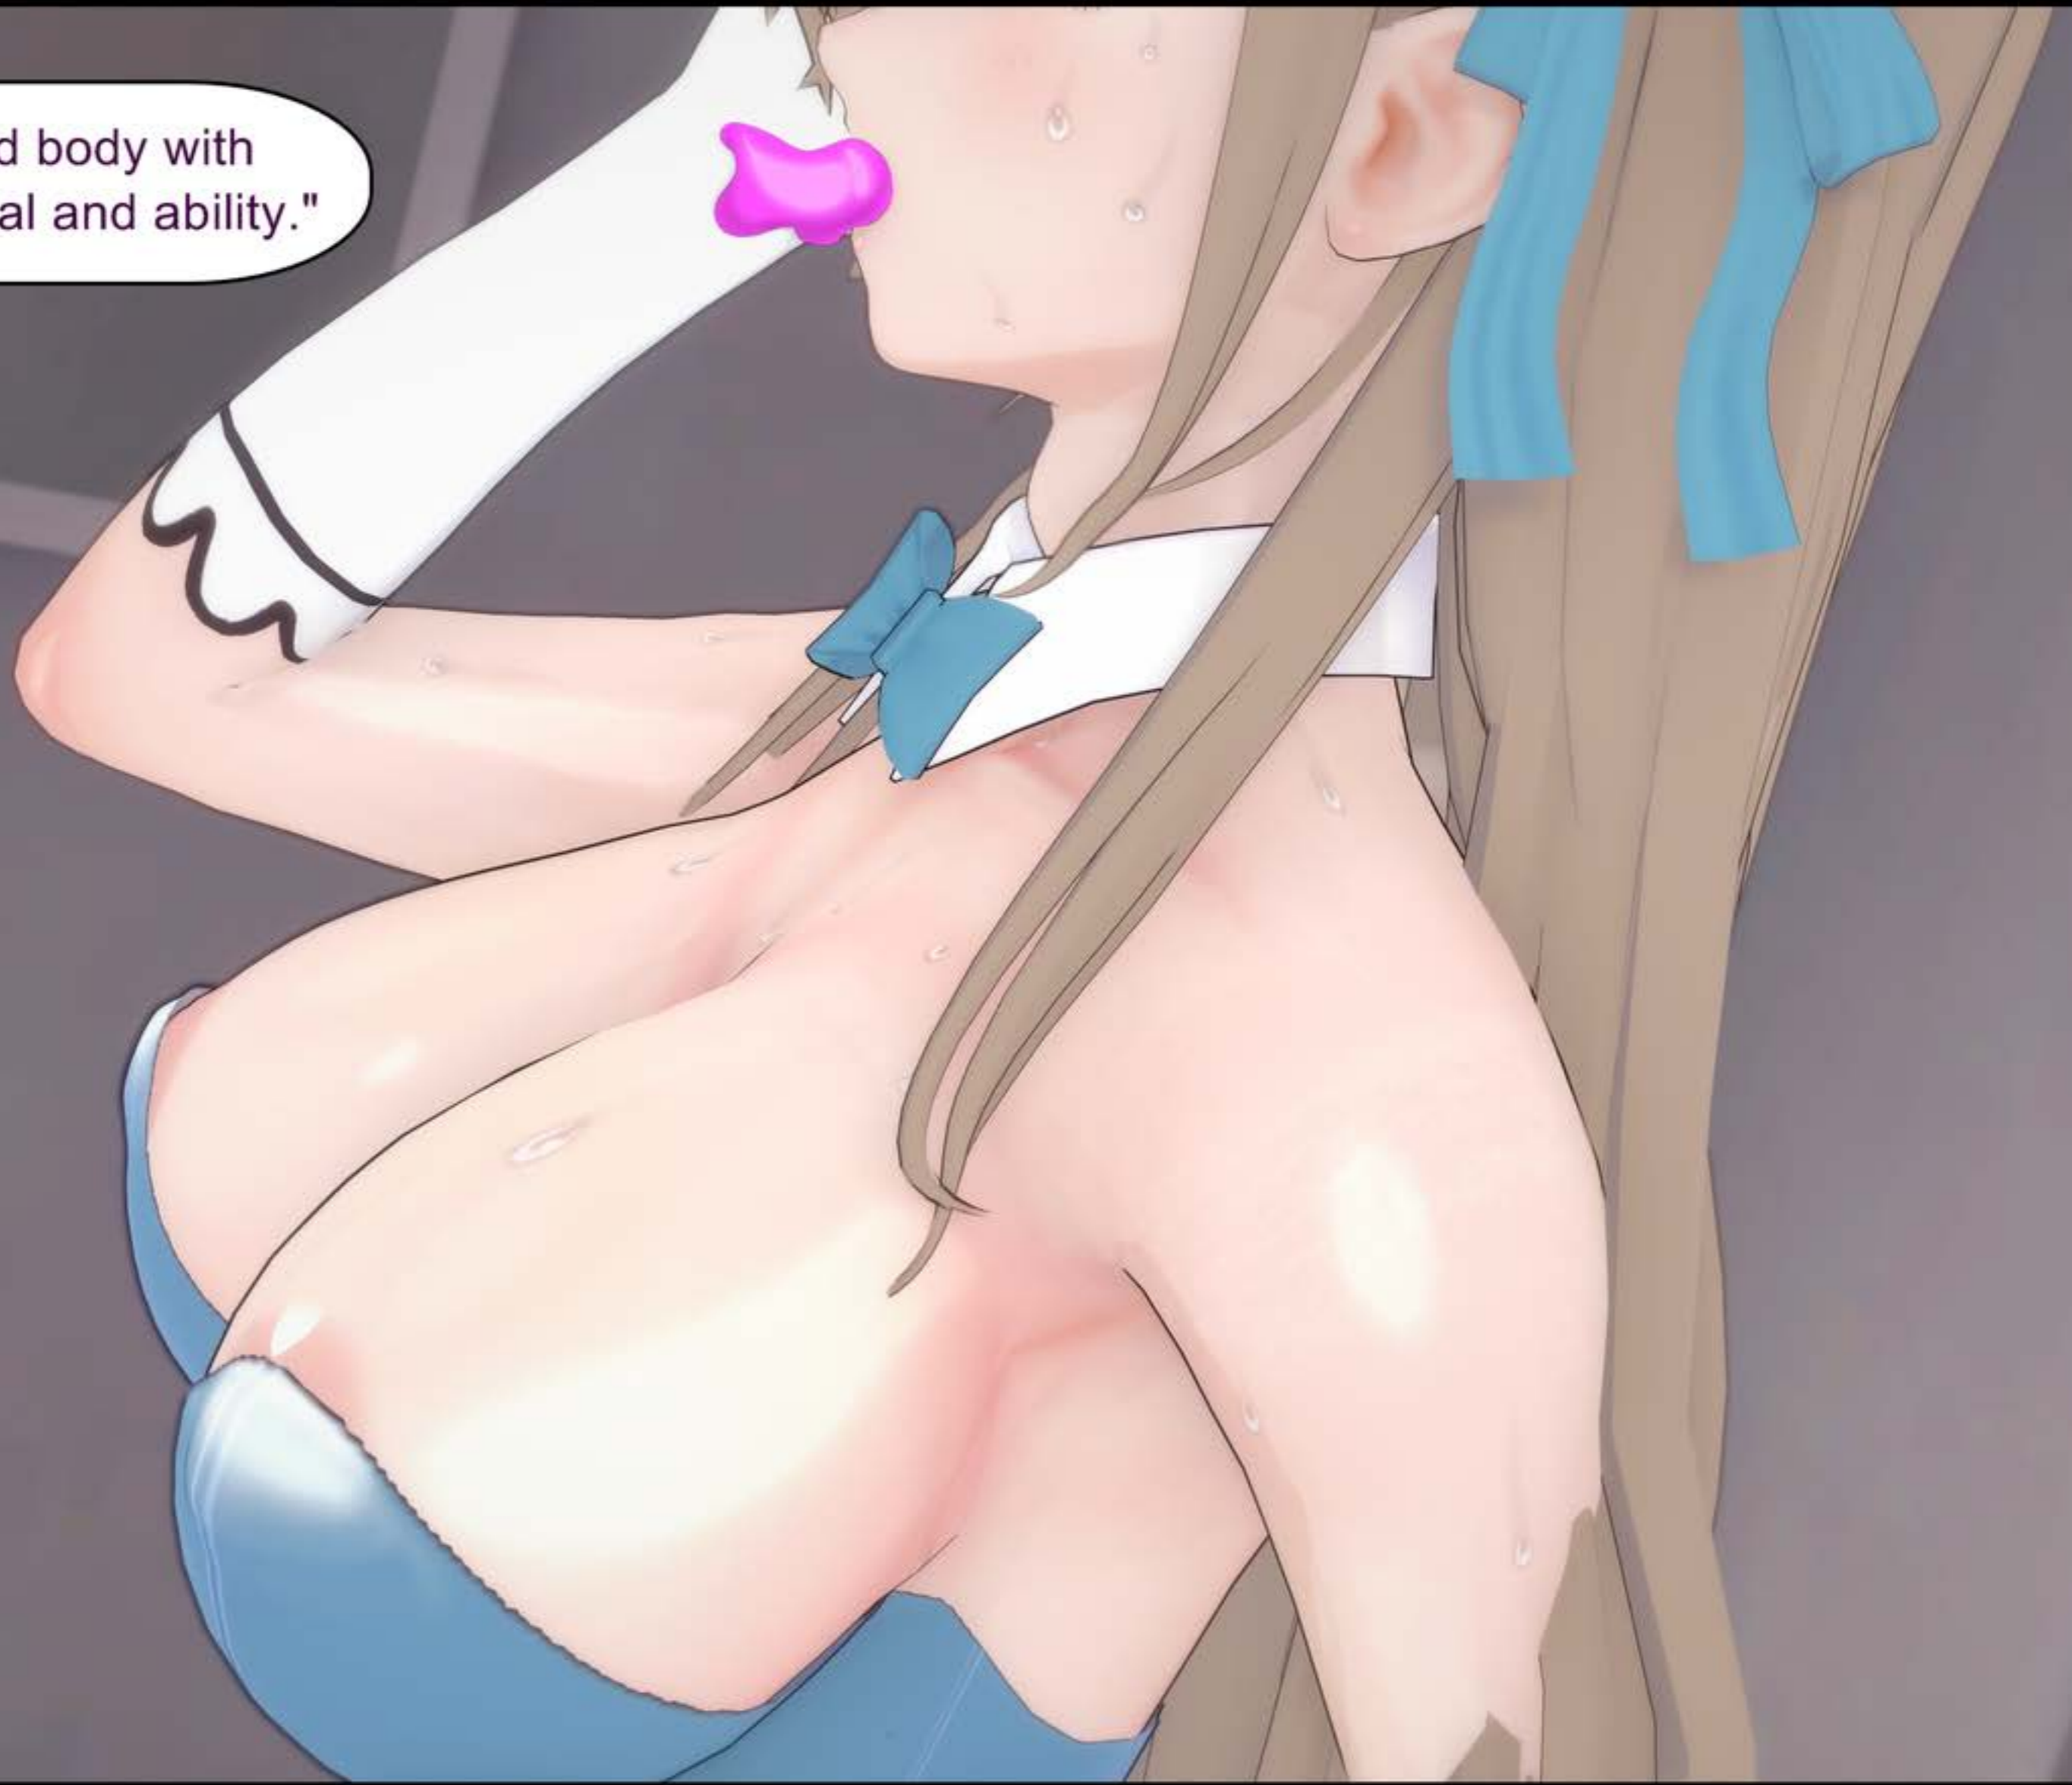

"...Then I found  
some hosts that  
could accompany with."

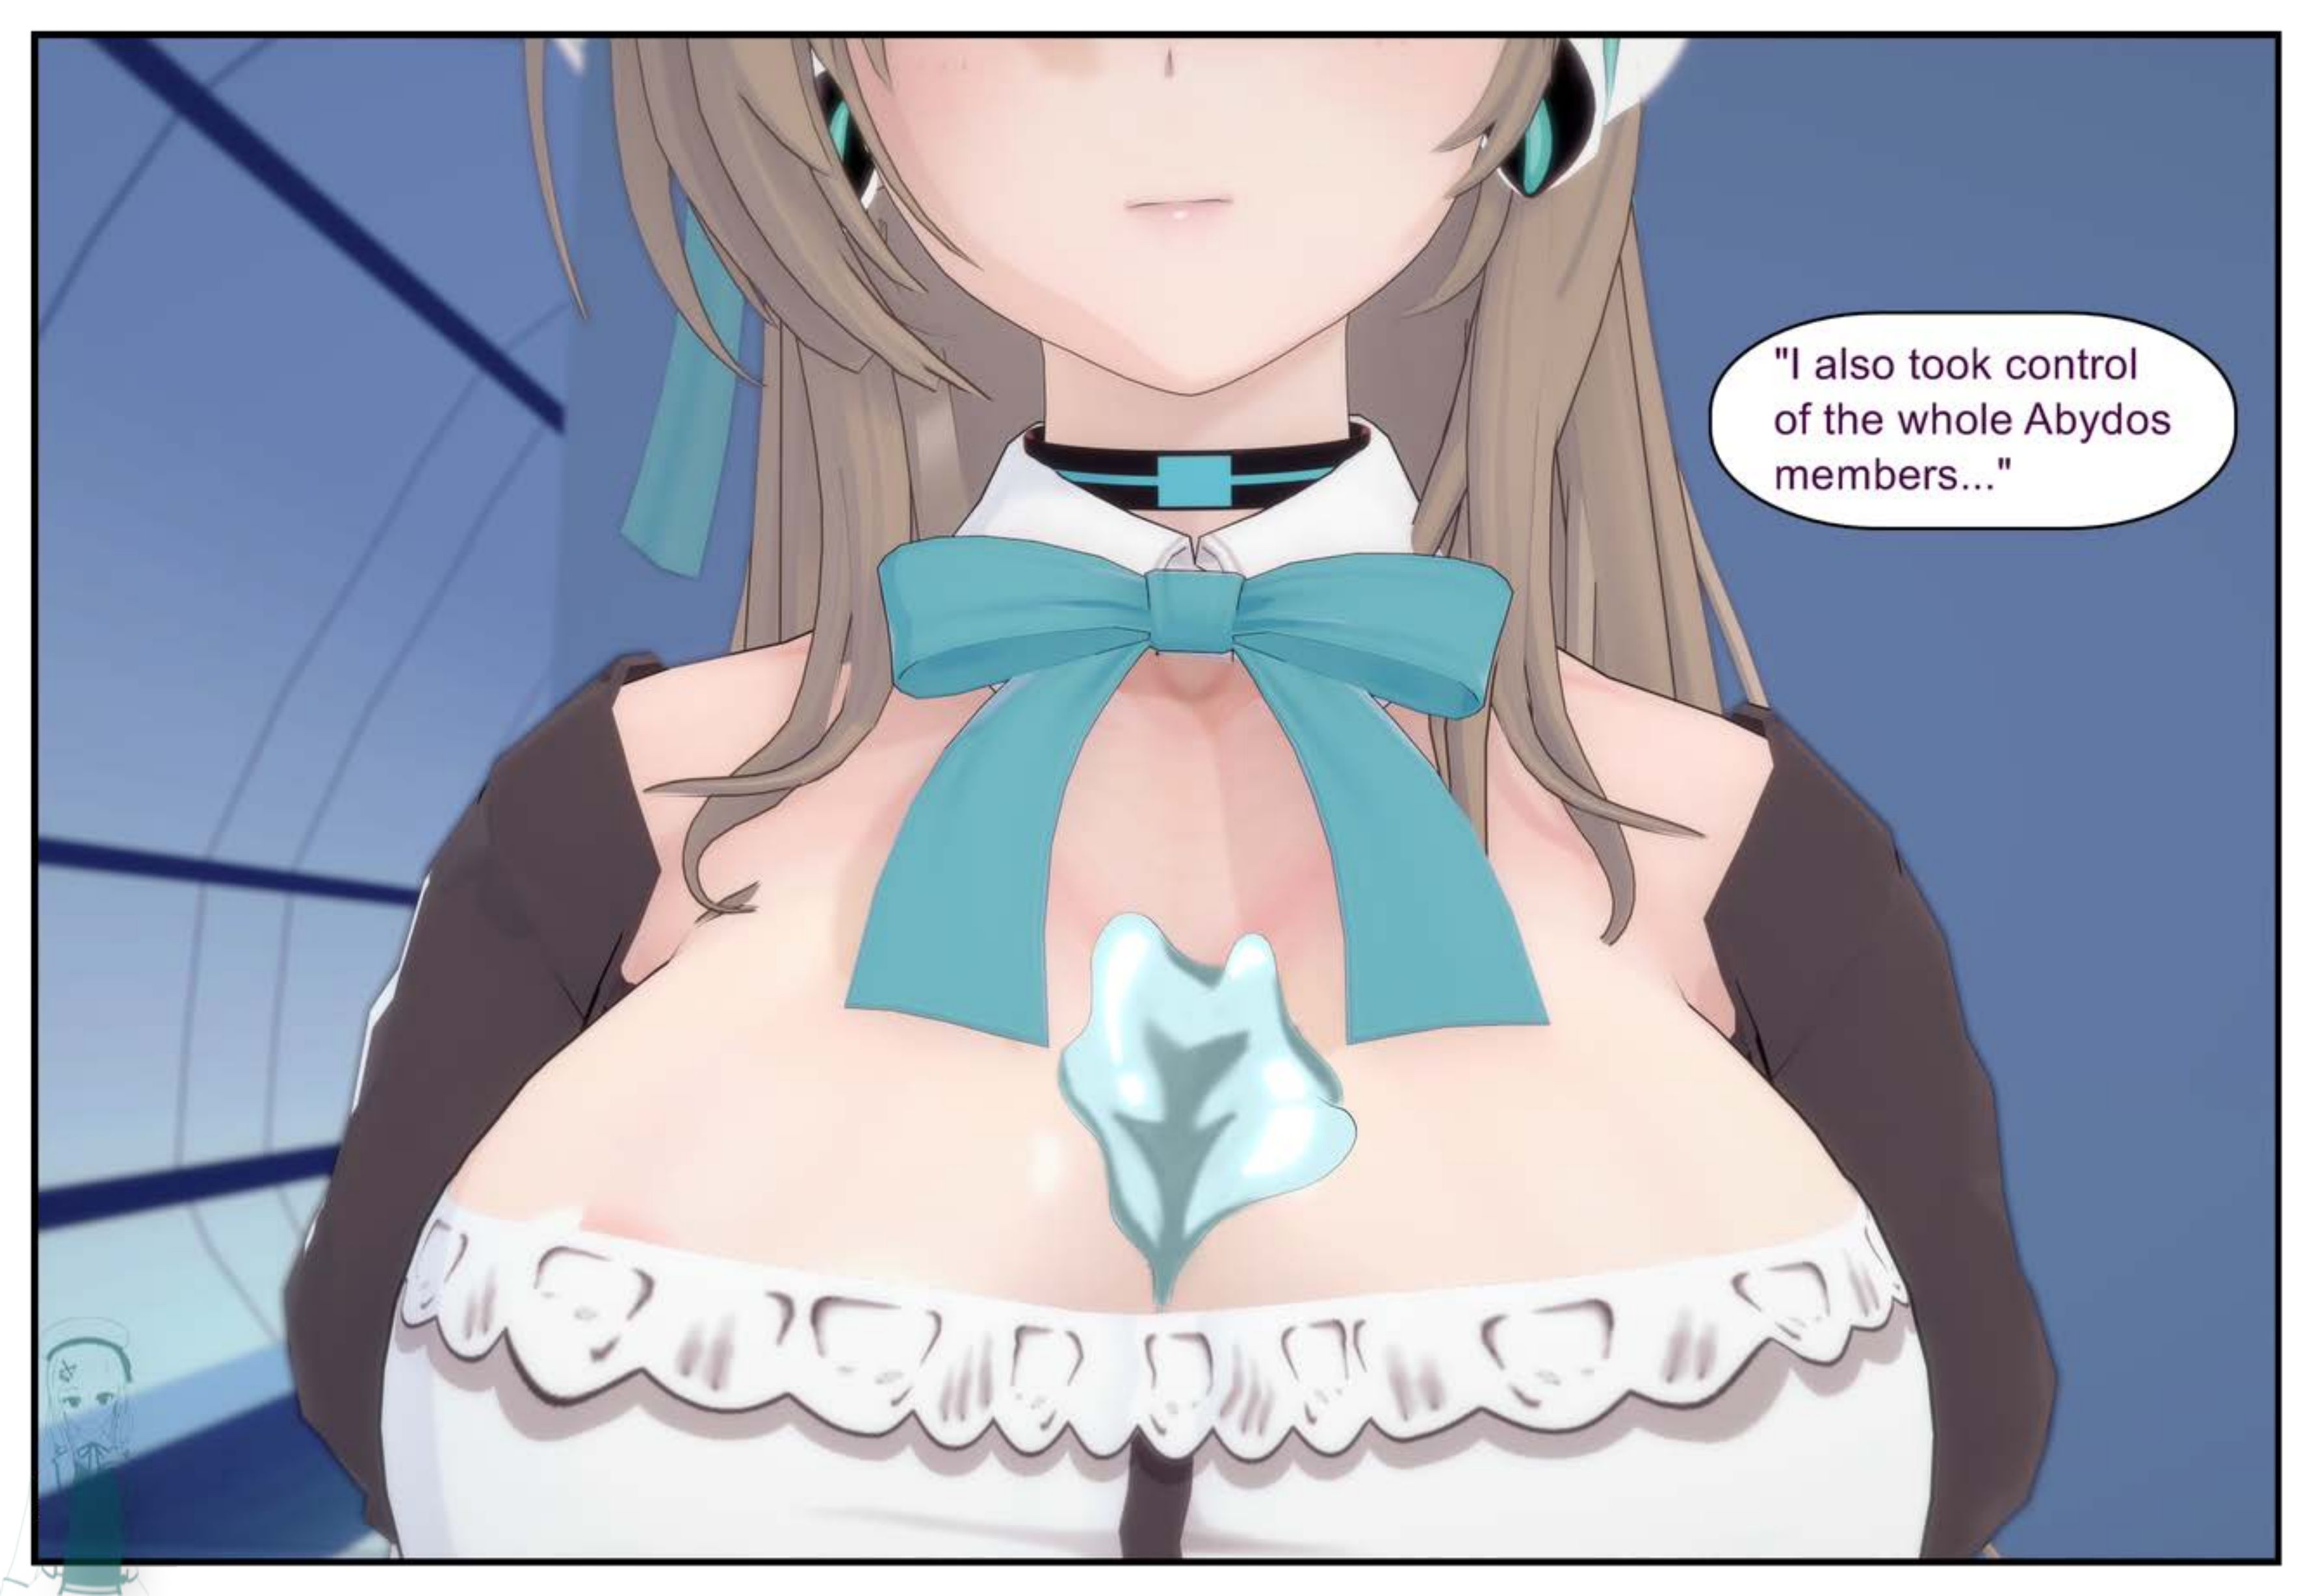

"Ichinose Asuna  
for instance..."

"A good body with potential and ability."

"I also took control  
of the whole Abydos  
members..."

"They are now making me an entrance into the academy."

"Other schools seem to have much more."

A few days later...

Sensei, I finished taking care of the report for that incident.

Not only the meteorite,  
but also Abydos's riot.

Was there casualties  
or heavy damage!?

No, only some  
injuries and damaged  
facilities.

What about the  
Abydos? Are they  
doing alright?

They are being held  
in custody, with some  
minor injuries.

A manga-style illustration showing a woman with purple hair and a glowing blue halo on the left, looking towards a man in a white uniform on the right. The man is partially visible, showing his back and shoulder. The background is a dark, reddish-brown interior with wooden paneling. A speech bubble from the man contains the text: "My students... already done something and we can do nothing."

My students... already done something and we can do nothing.

Damn it!! What is going on here!?

Pi...ri...ri...

S-Sensei... Please calm down a bit.

It's Utaha from the  
Enginnering Club,  
they found something  
in the meteorite!

You with them,  
Yuuka. I will finish  
my work, then to  
see the Abydos.

Are you... going to  
be alright on your  
own, Sensei?

I will be okay, but  
you and others need  
to be more cautious...

...because the Abydos  
I knew never do  
something like rioting.

Probably, Kanna  
would let me see them.

I'm still worried.  
Should I ask  
someone to go with?

No, Yuuka. My students, a teacher like me should be on their side.

I... understand.

Then, I will get going now. Stay safe, Sensei.

You too, Yuuka.

"Um... This is what  
I like most in you.  
Caring for everyone."

"What would lead the Abydos to do that? Were they being threaten?"

"Anyway, I better  
come to Utaha first."

"My plan failed...  
and I ended up  
in Millenium."

"Hm... Maybe I could regain my energy from her."

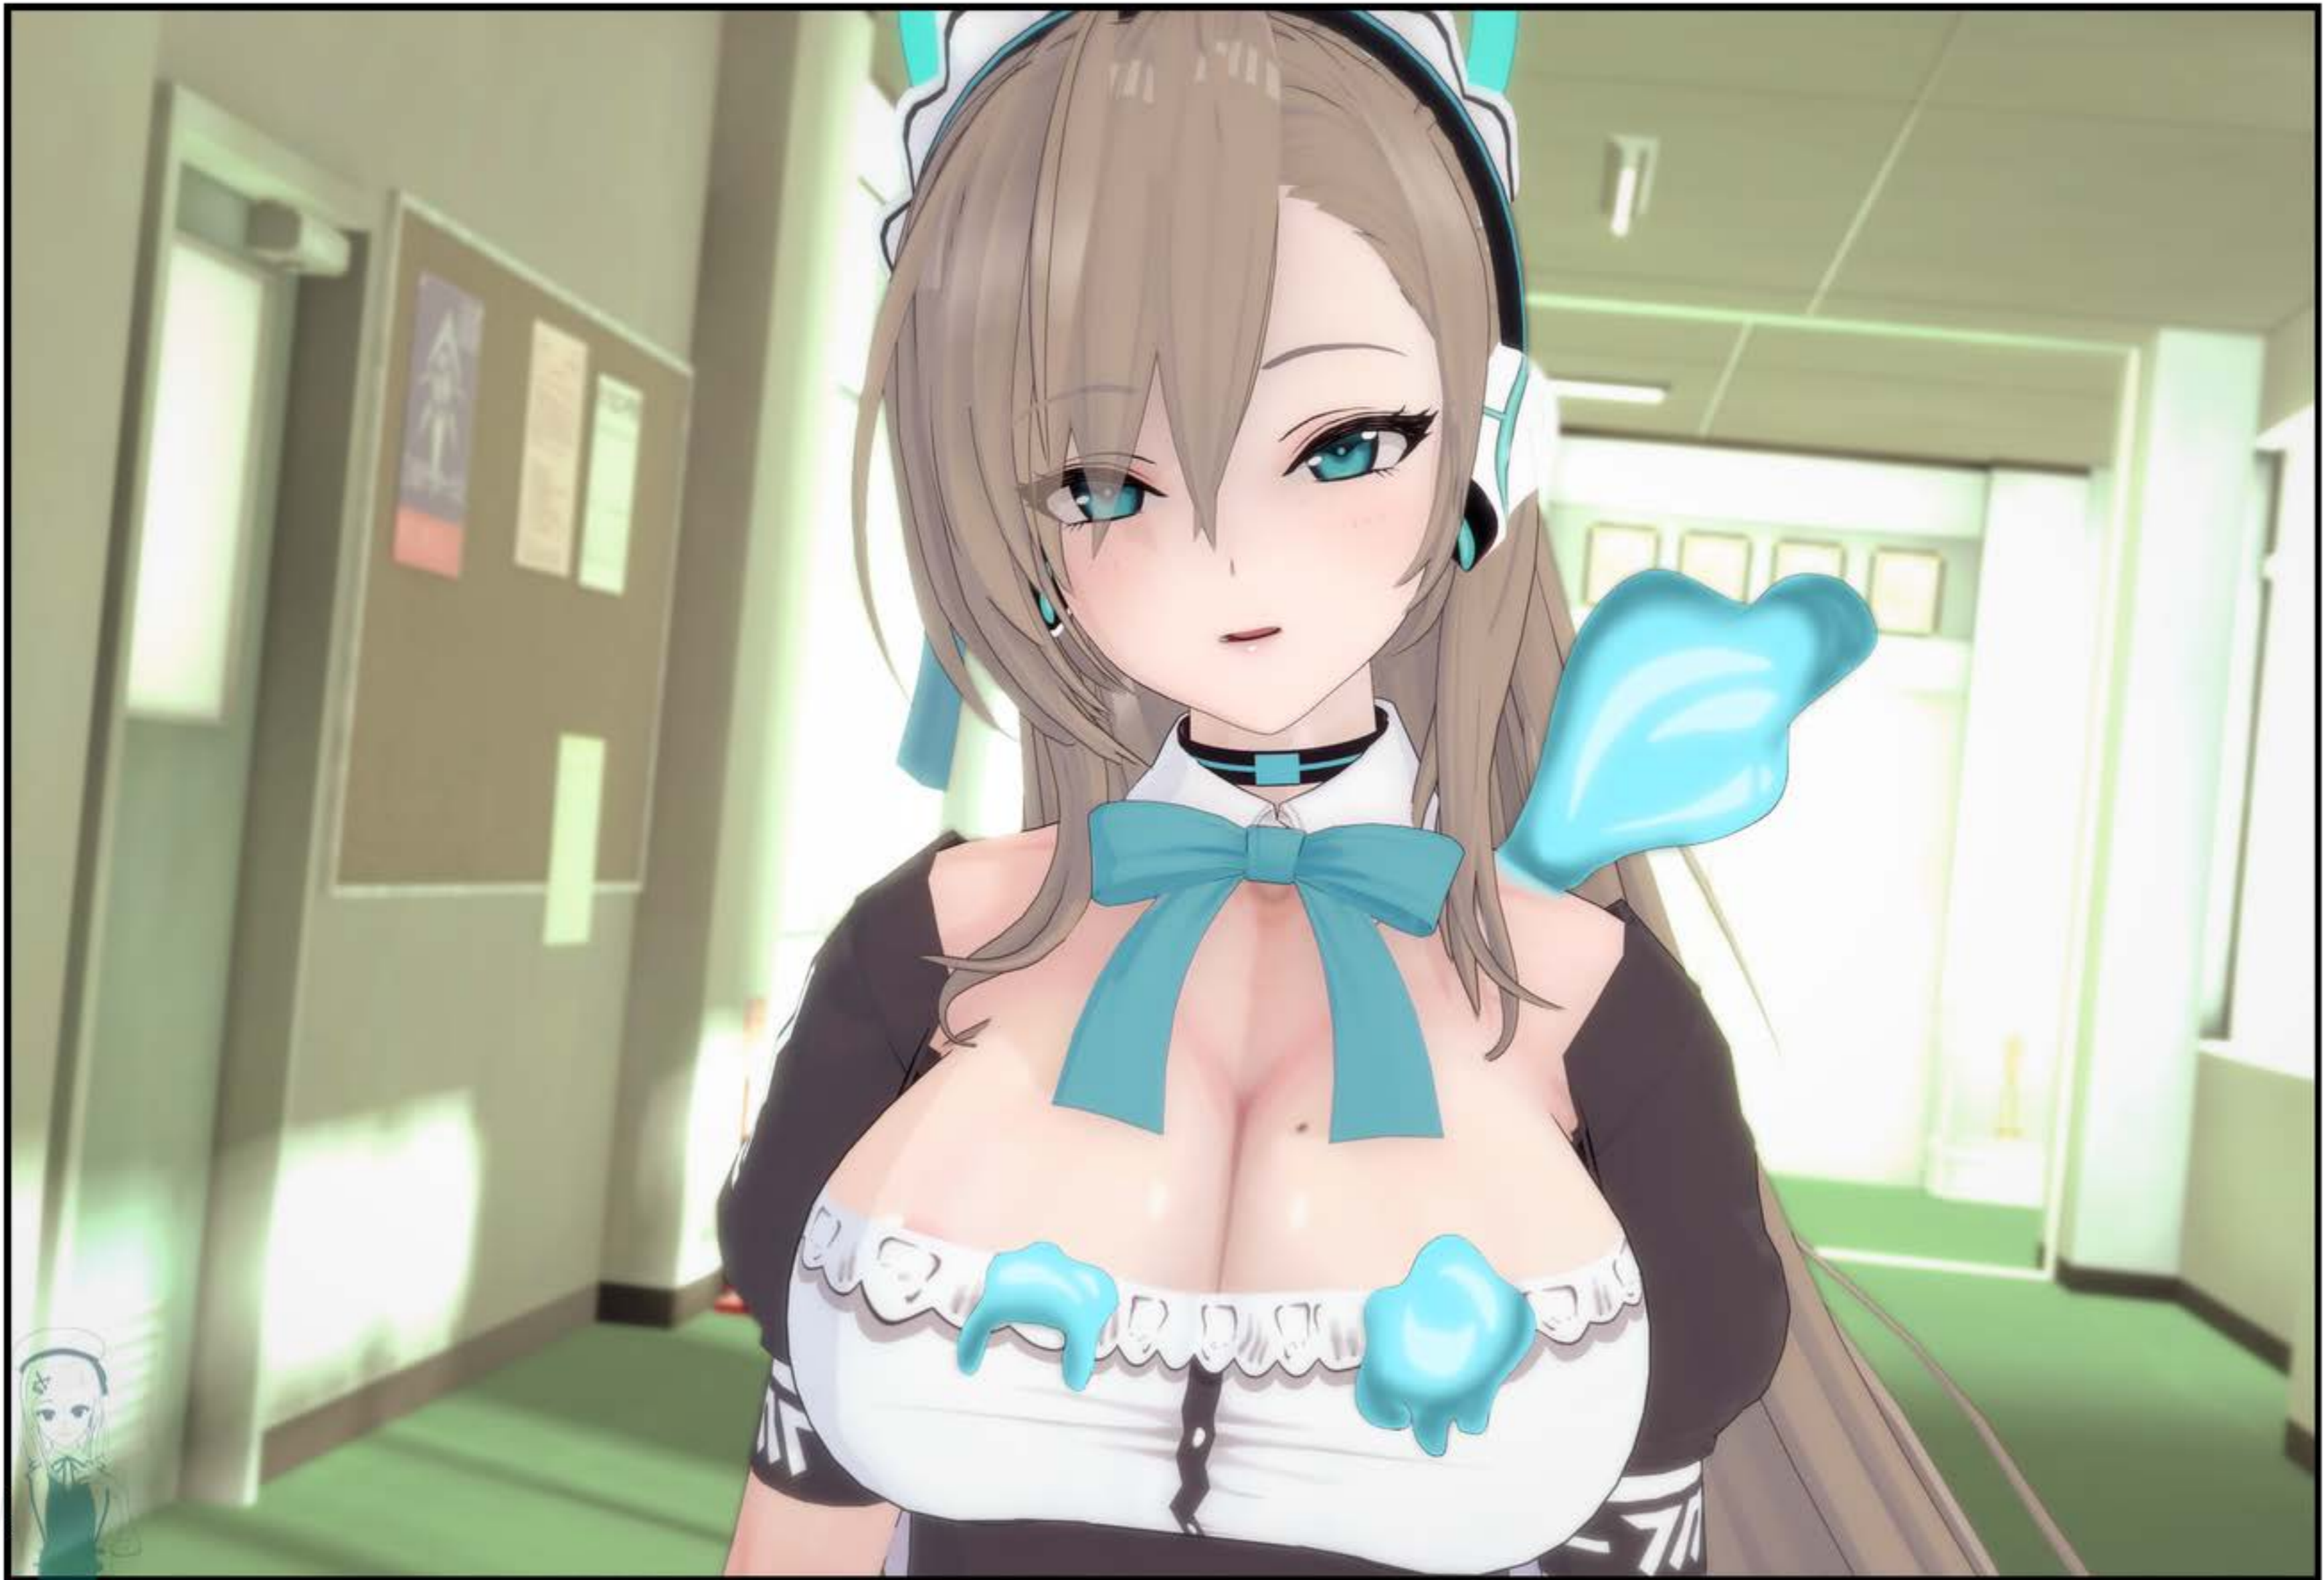

"A good starting point to calculate my move."

MILLENNIA

Come on!!! Just  
give me a break!!!

But Neru already  
lost the match.

Lose is lose.  
Accept it.

Hah!?! But it  
was a tie!

Why I always see  
you two arguing?

Oh, Yuuka?

And also, Asuna.

Hi~

Eh...!? When did she...

Asuna, we haven't seen you for weeks.

And you didn't  
pick up our call.  
Where were  
you exactly?

Alright... Alright...  
I just went for  
a walk.

H-Hey...!!!

You get your hand  
off my head!!!

If nothing, then I will go now.

Neru, do you still remember?

What?

Who lost the arcade  
will buy the win a drink?

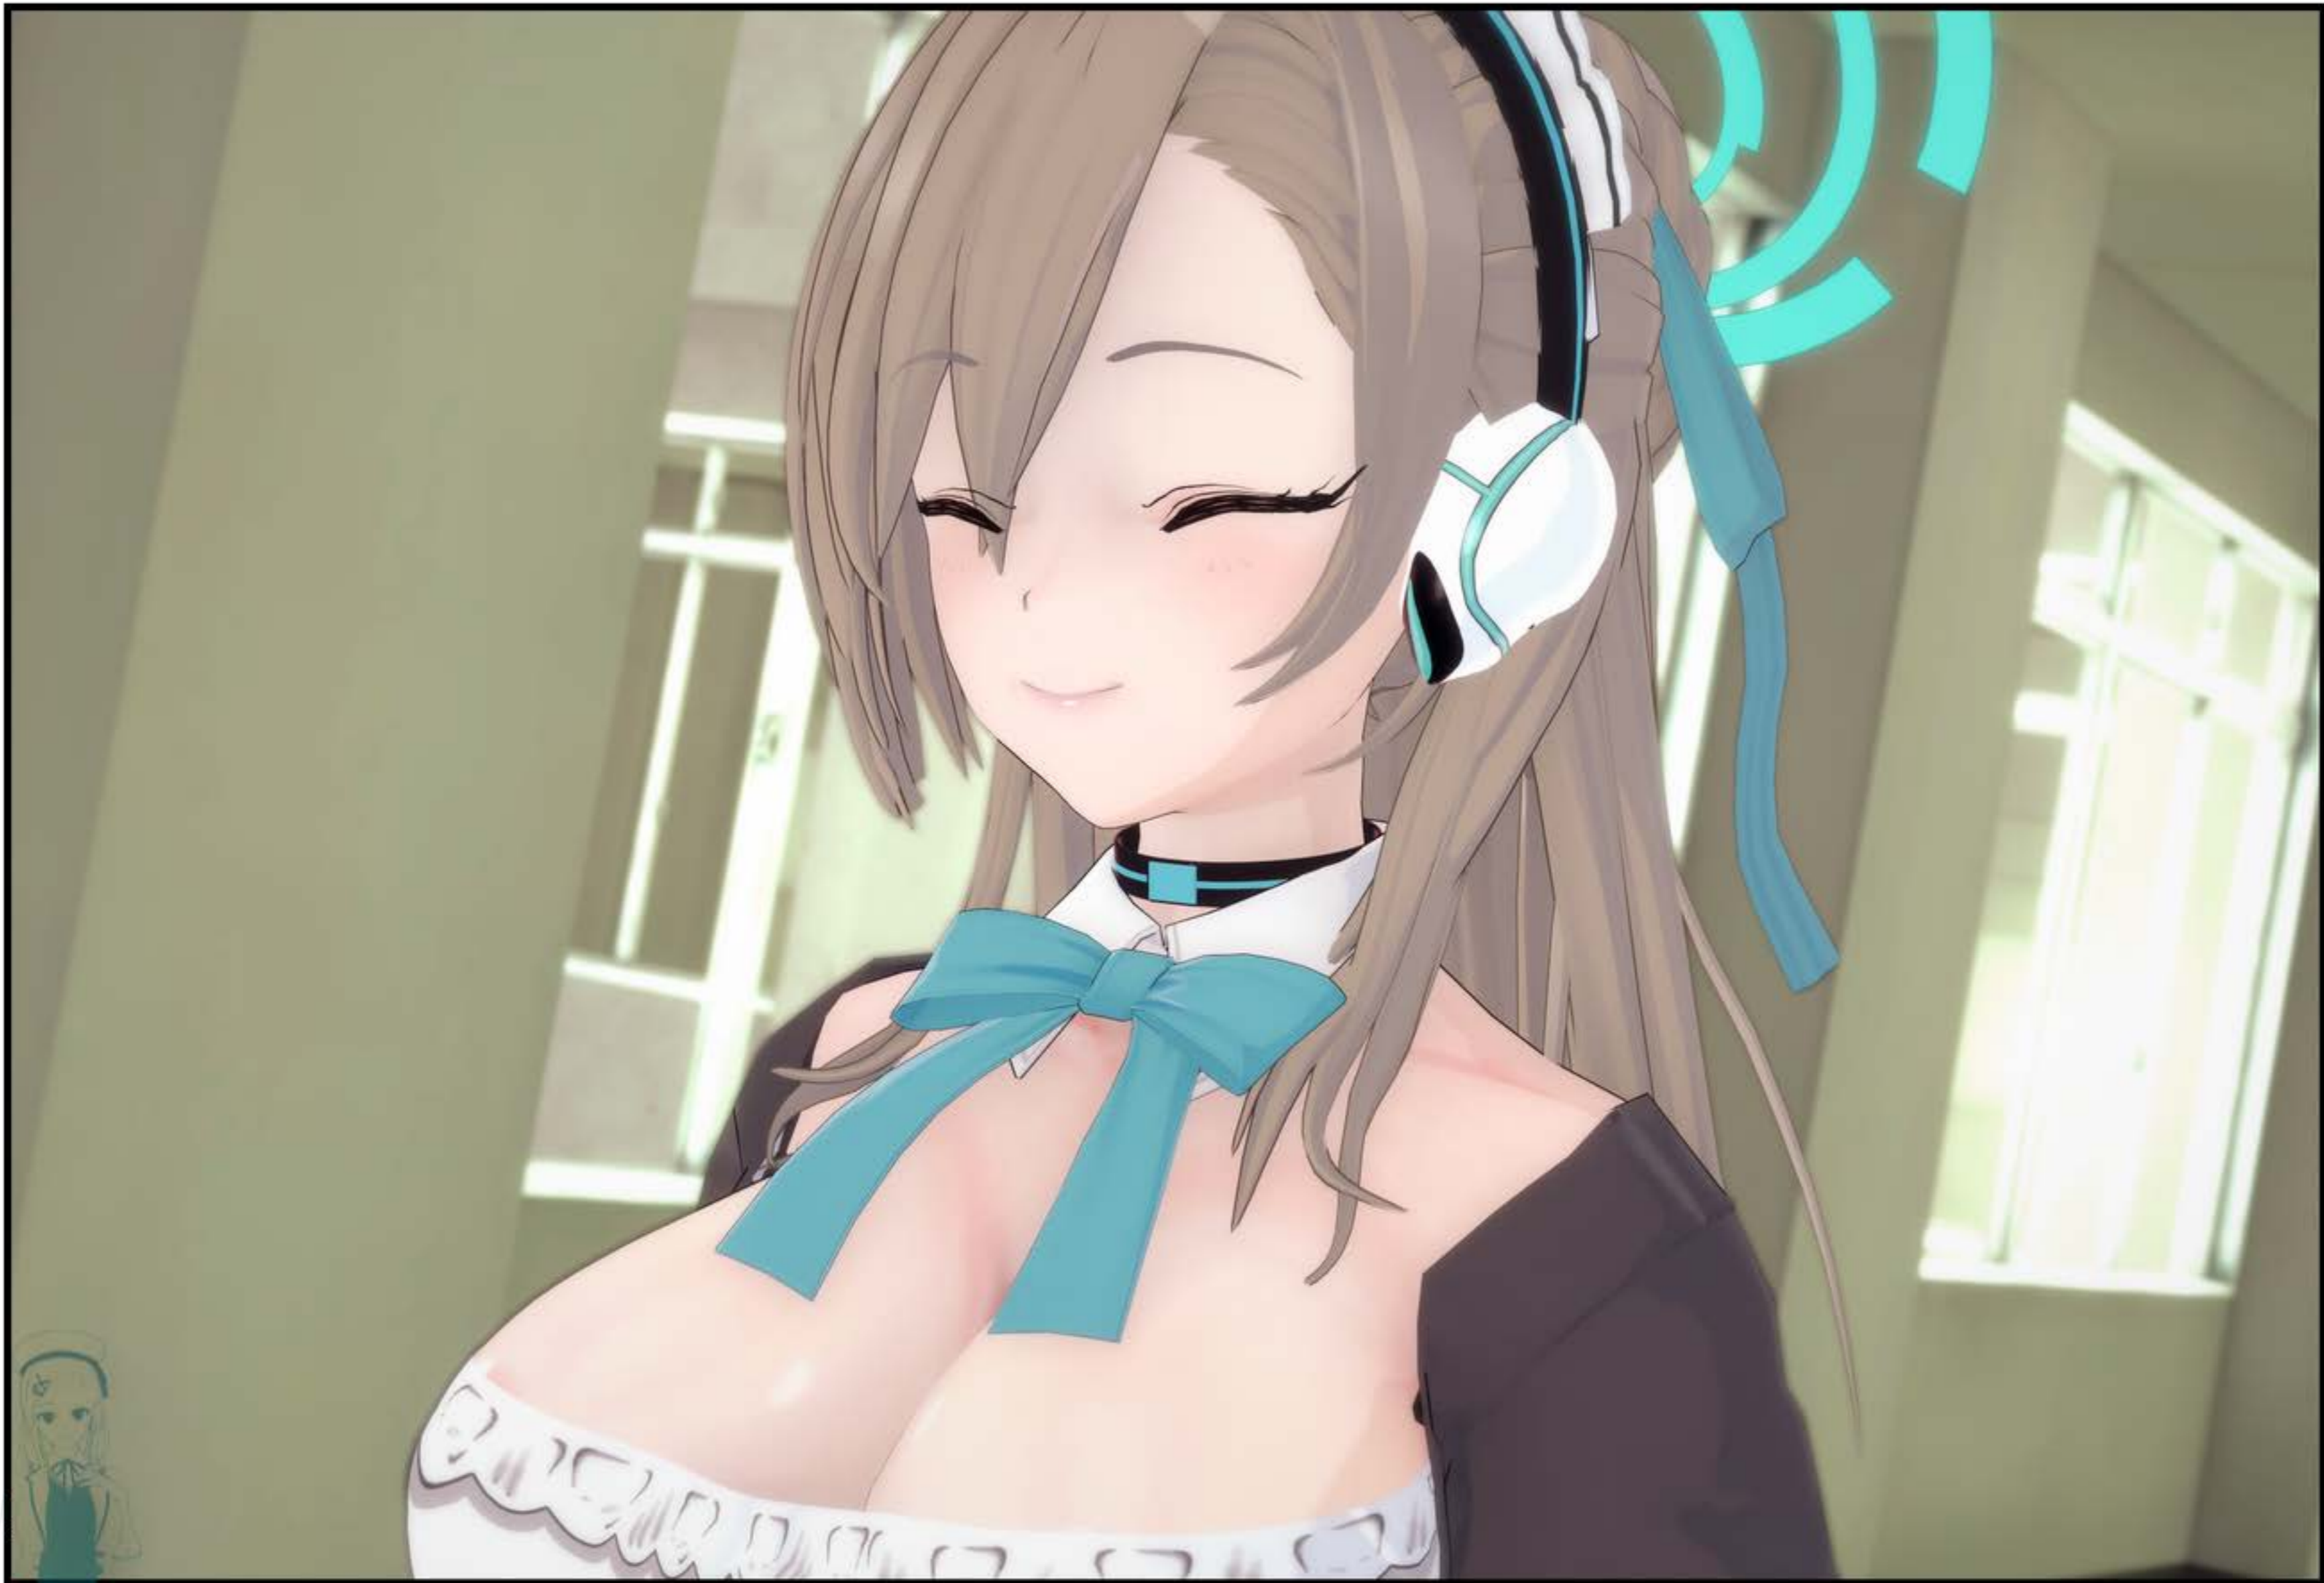

Hah... I  
got it.

Asuna, you better not wander around again, especially with Sensei!

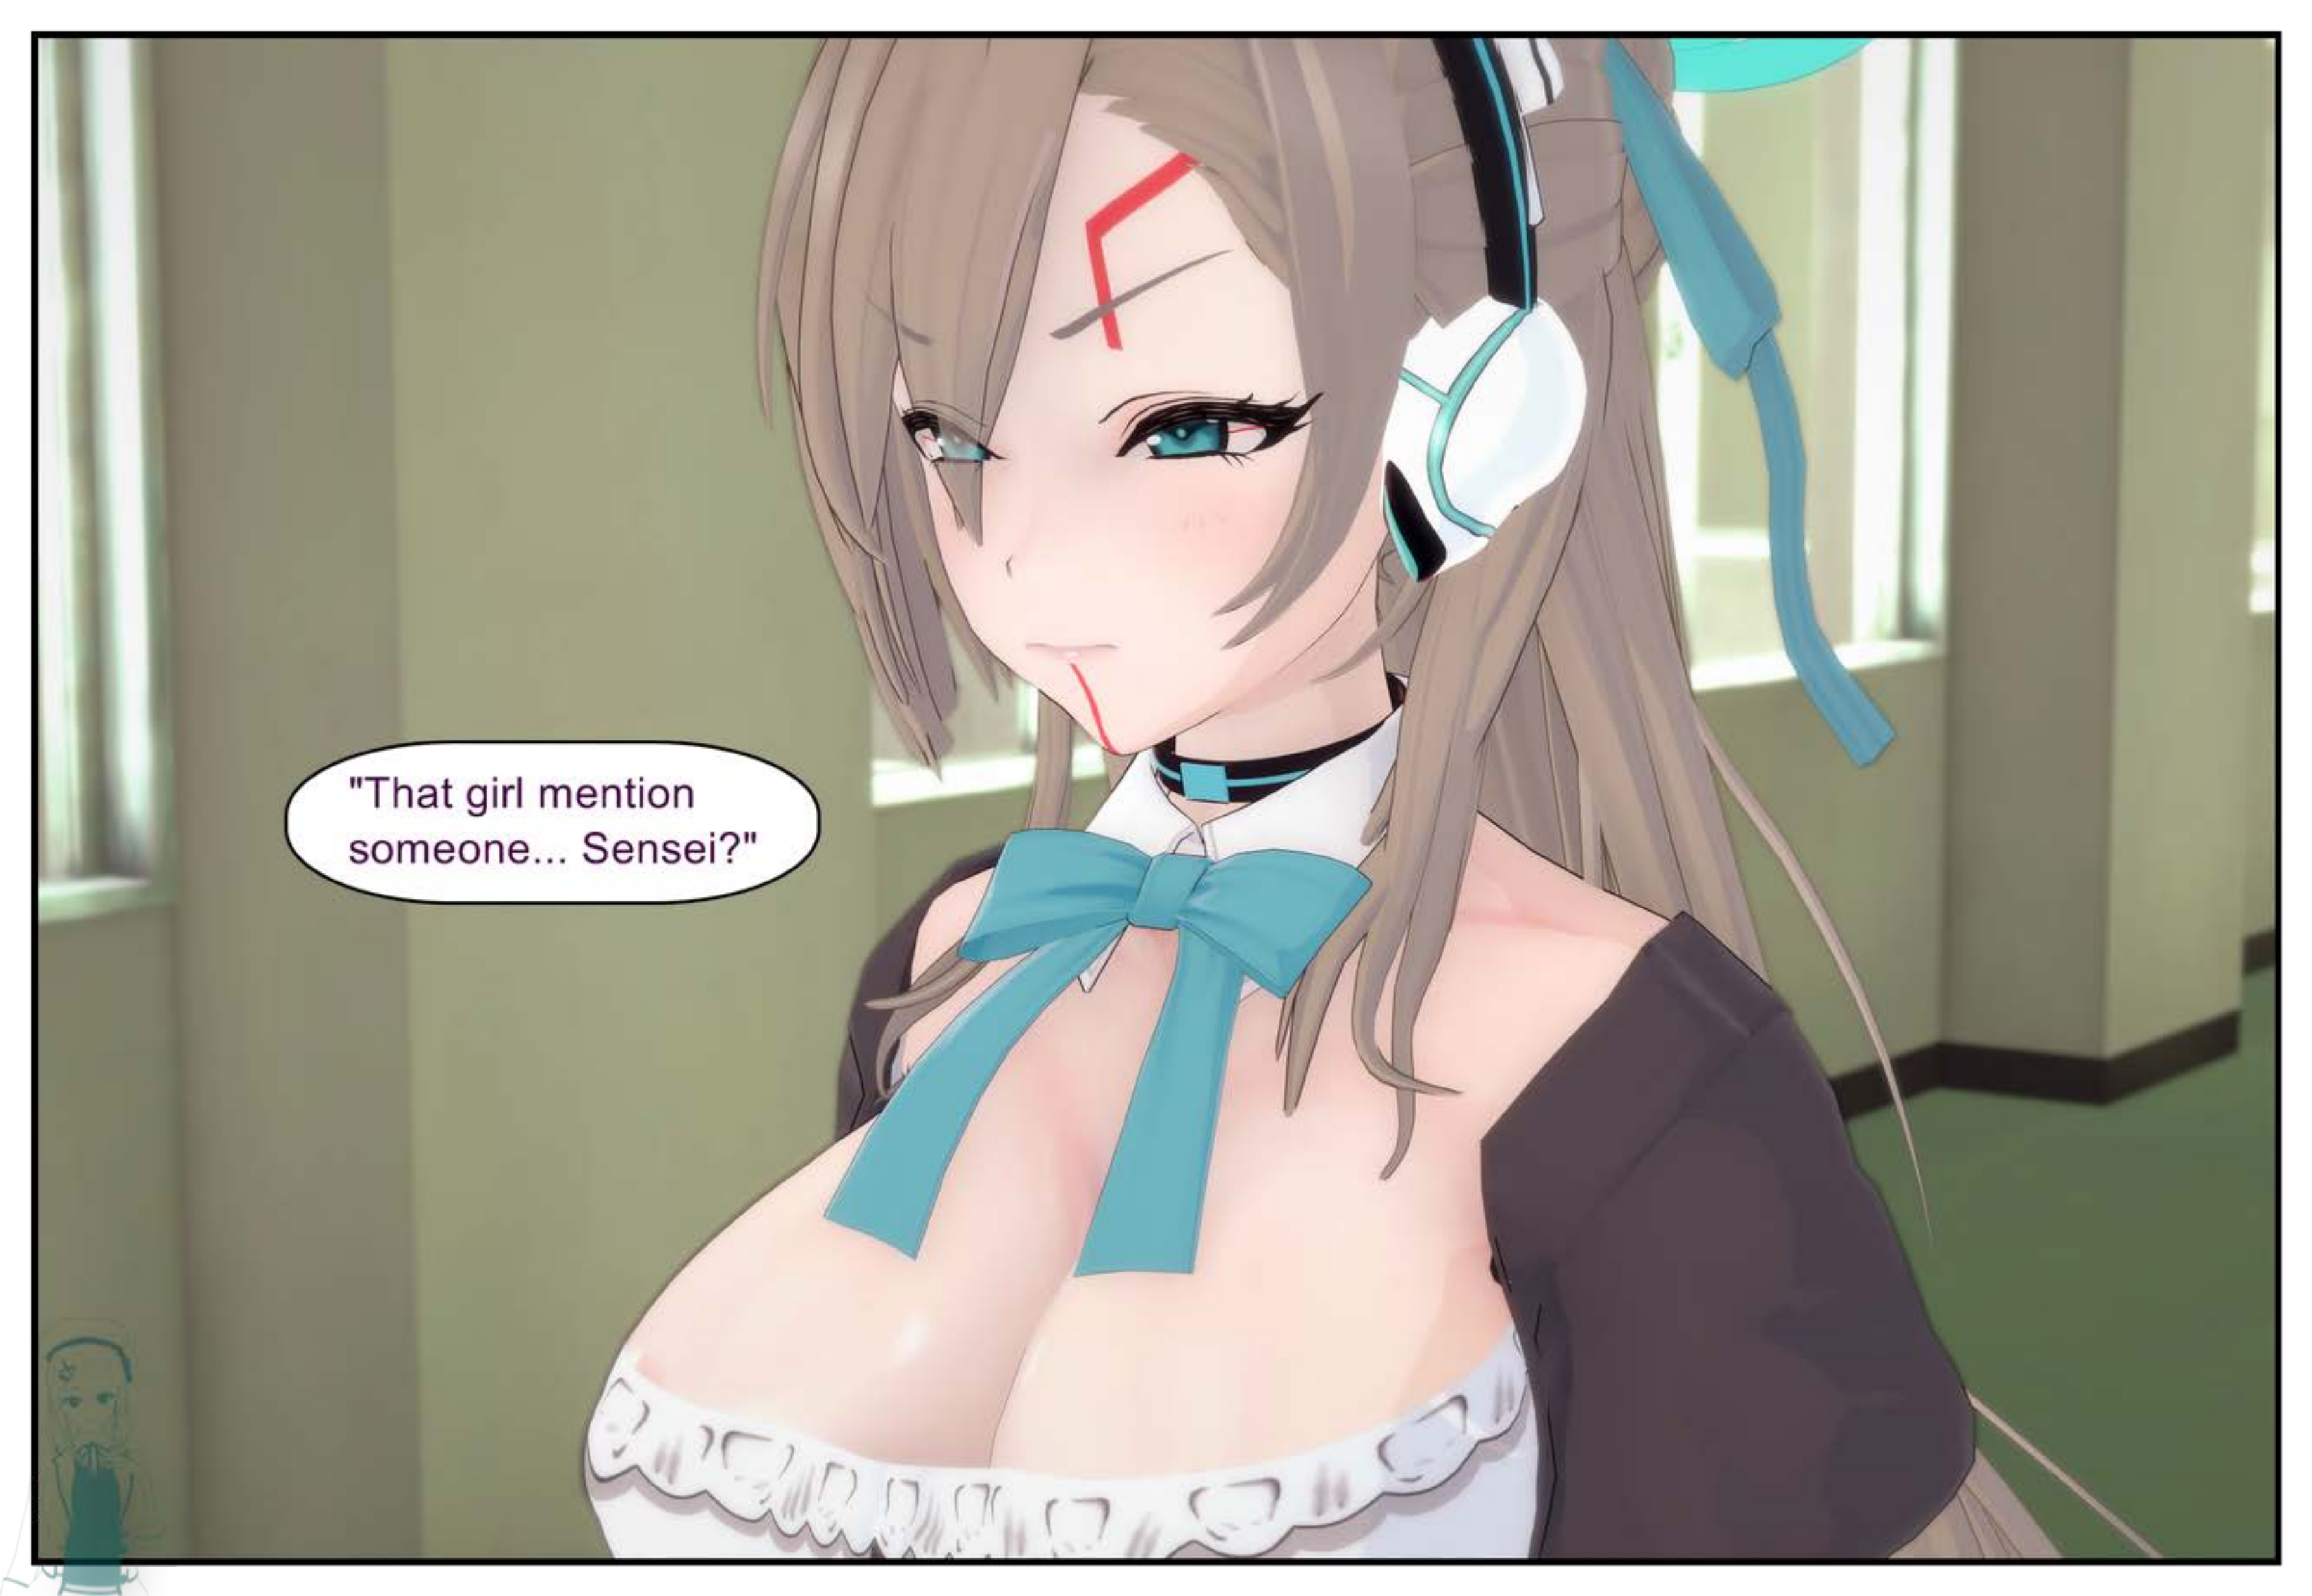

Okay~

"Tch... Just a little bit more."

"That girl mention  
someone... Sensei?"

"With a little I  
took from Asuna's,  
it is what they call  
their teacher."

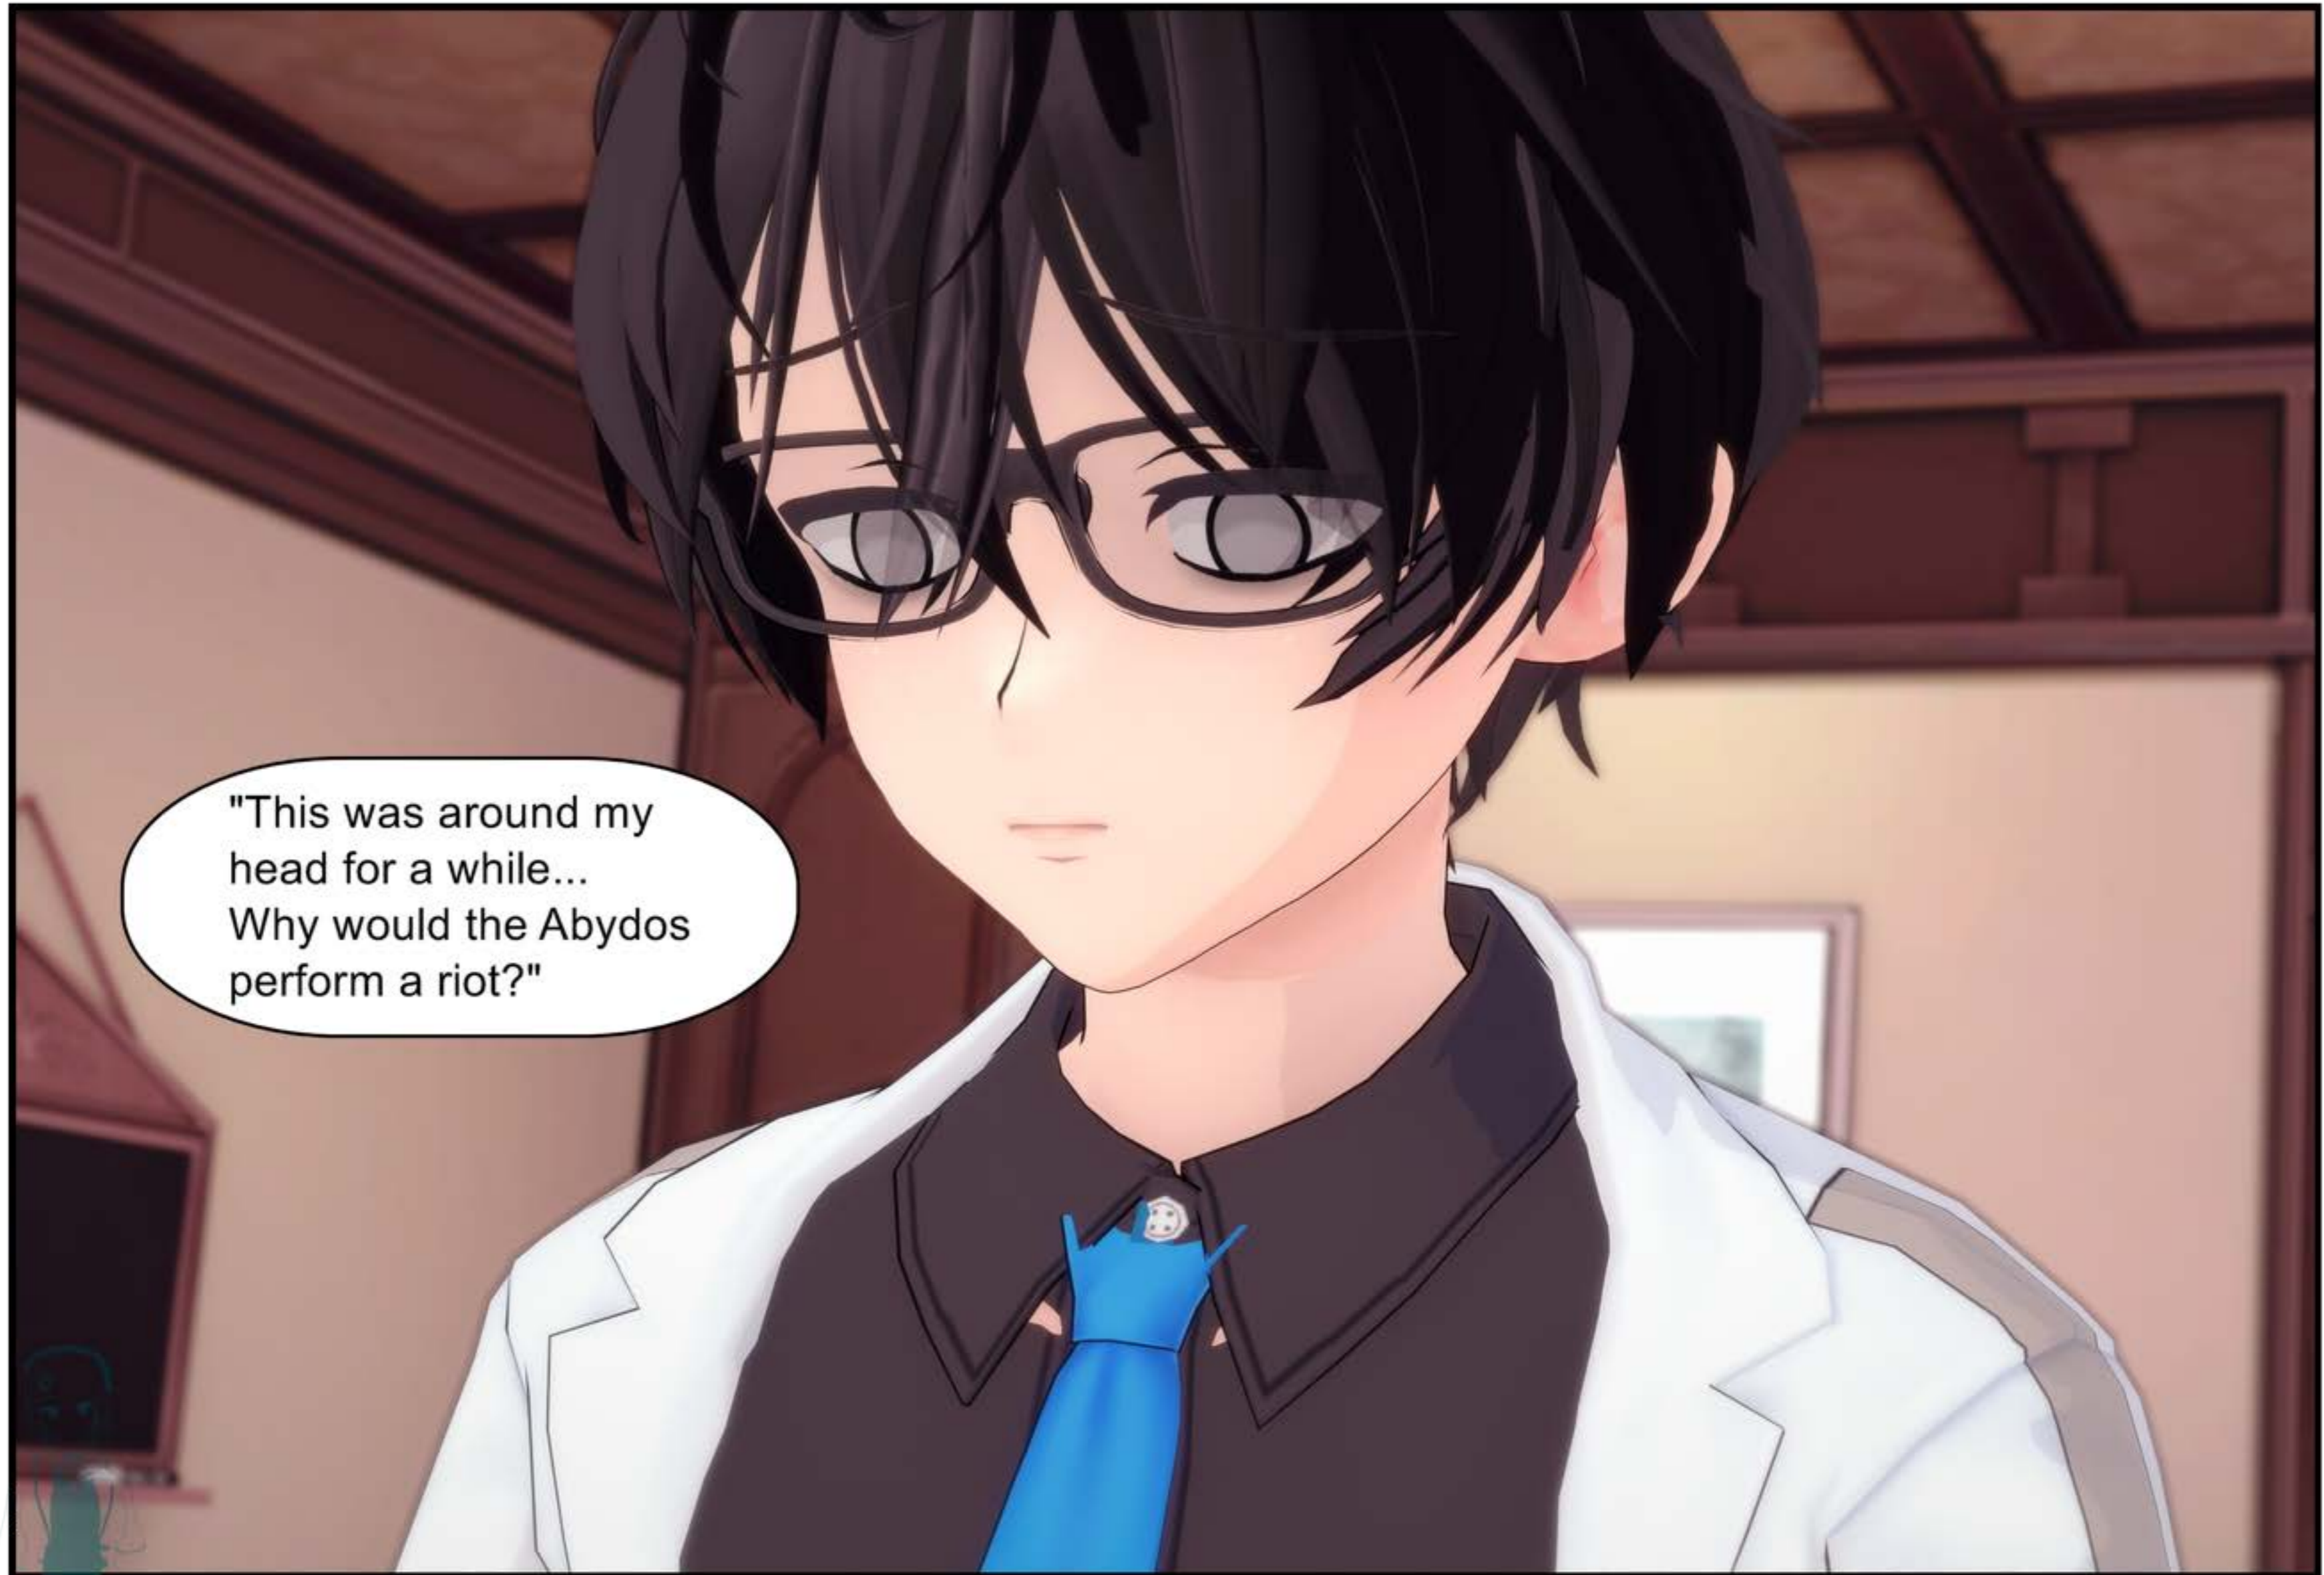

Hehe... If then,  
I will need his help.

A man with dark hair, wearing a white lab coat over a dark blue collared shirt and a bright blue tie, is shown from the chest up. He is holding a large stack of white papers or documents. The background is an indoor setting with wood-paneled walls and a doorway. A speech bubble is positioned to the left of the man.

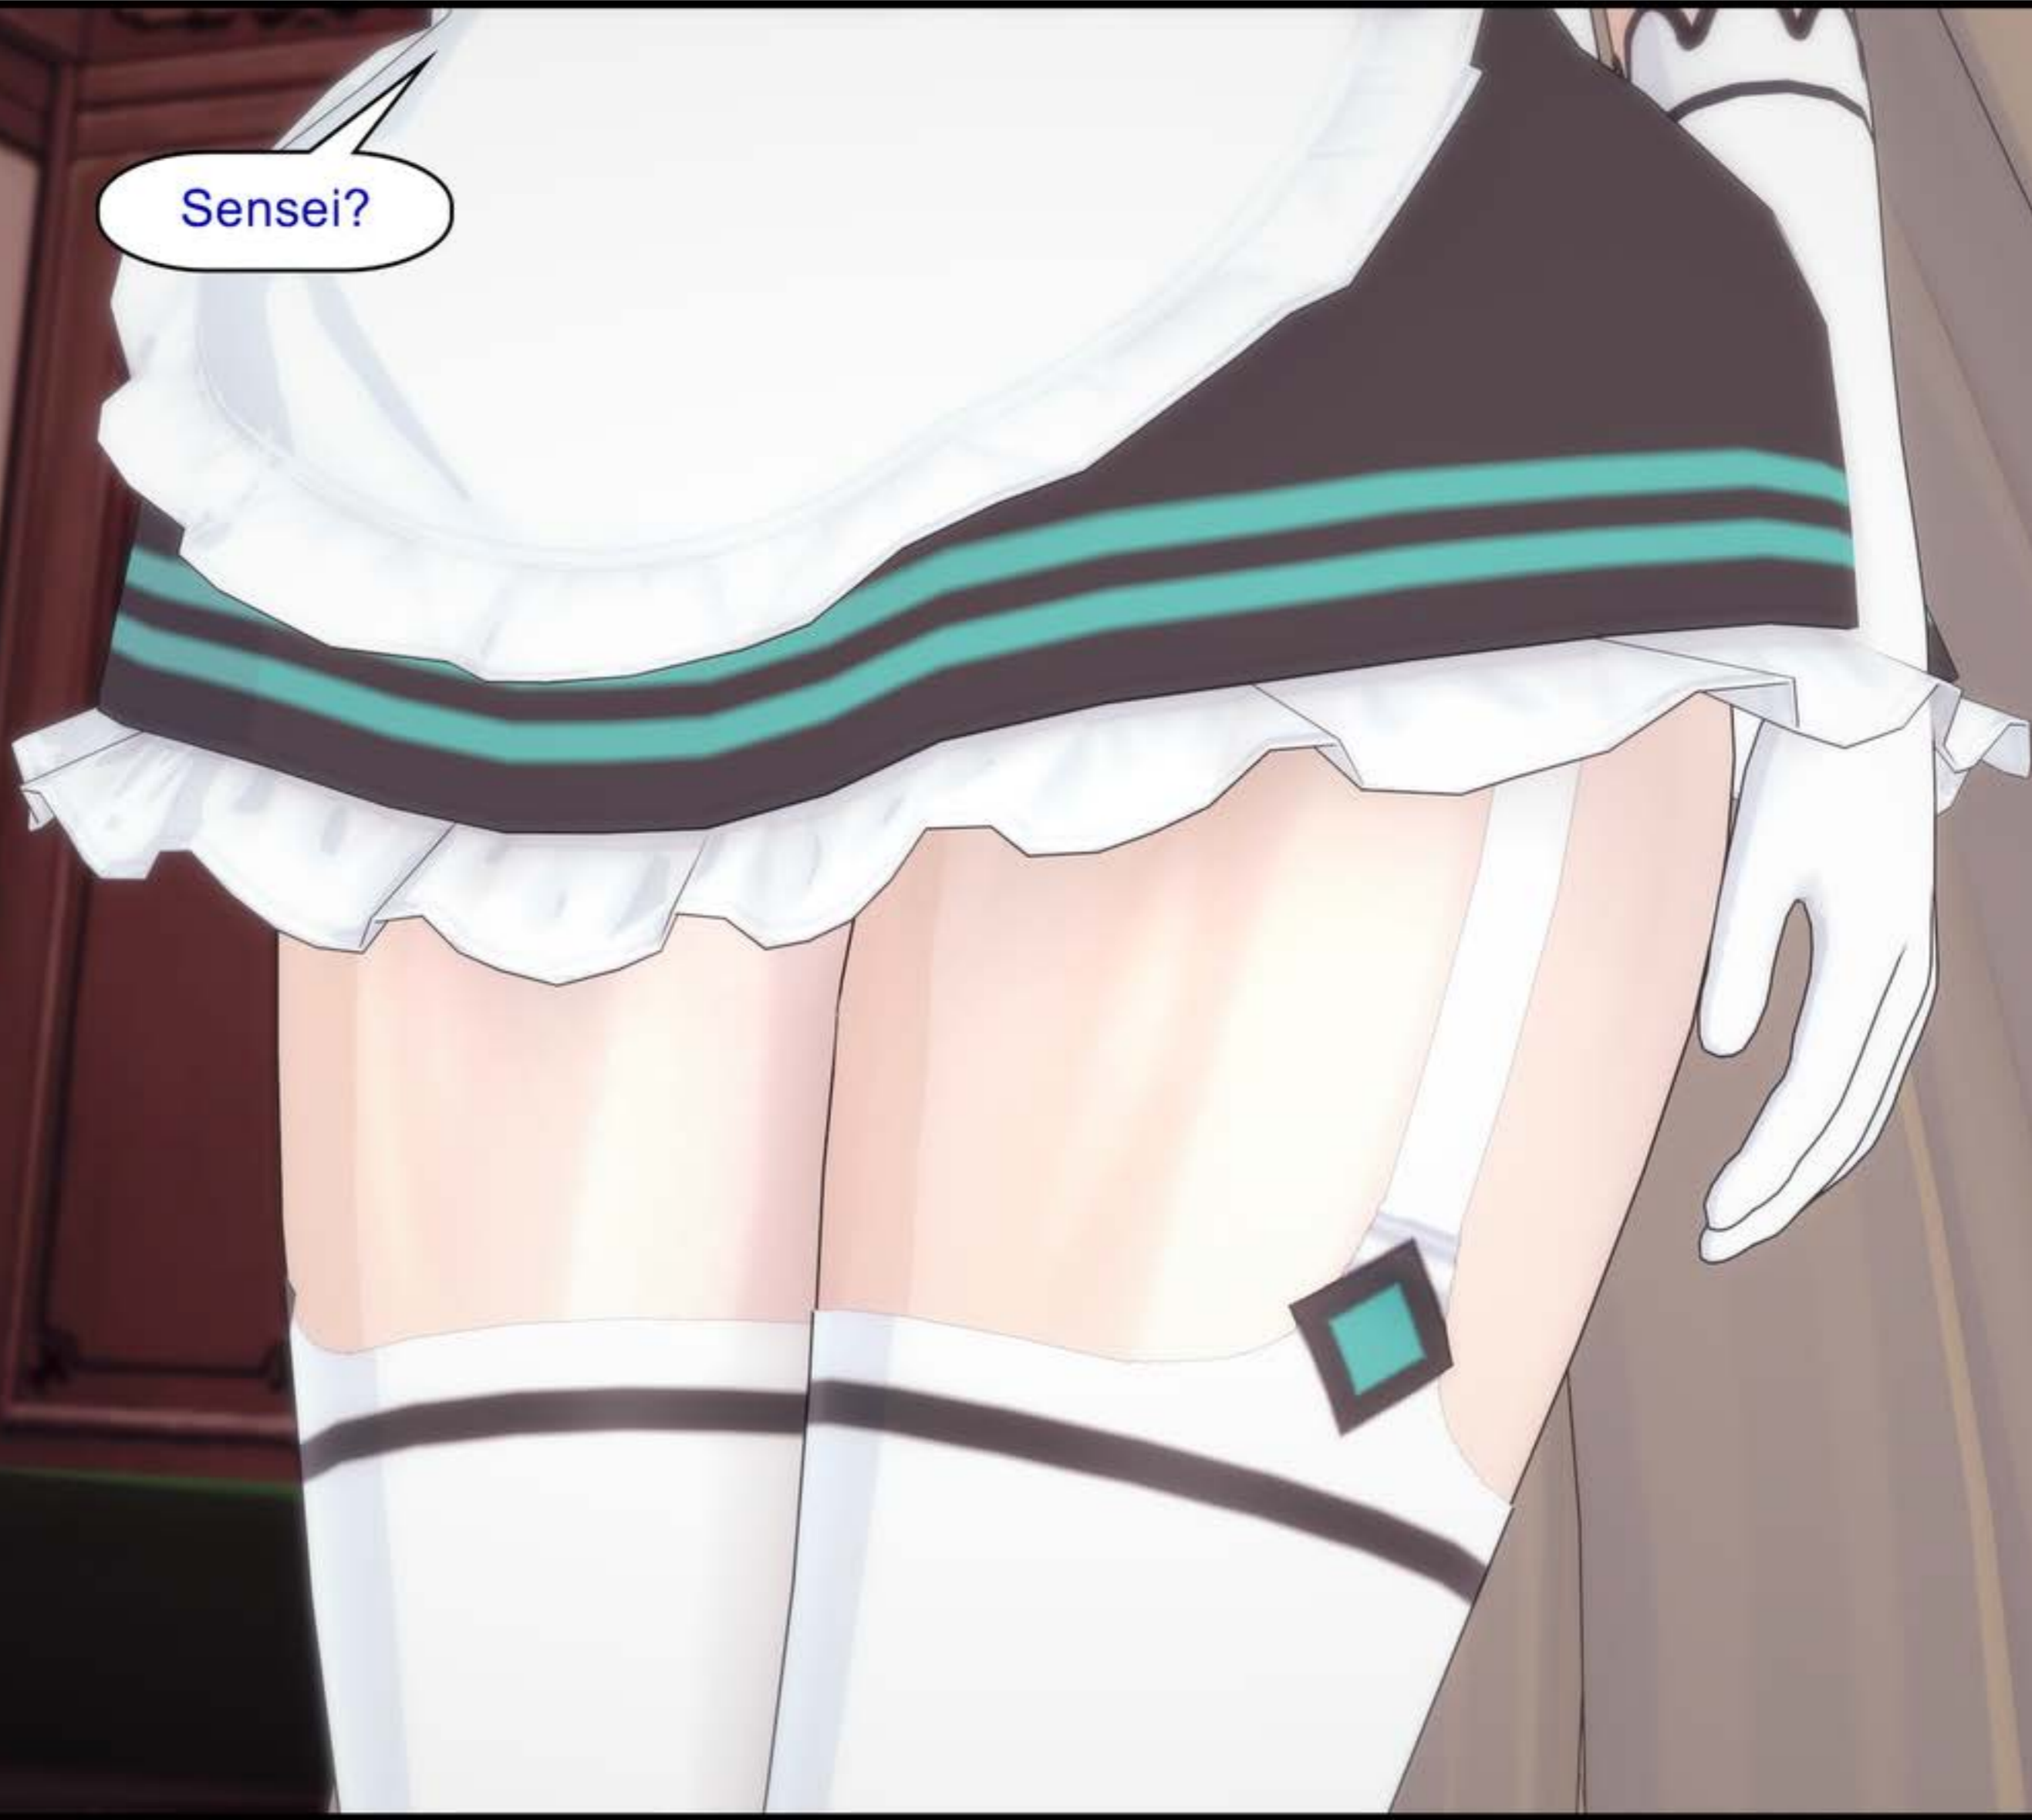

"Finally finish half  
of today's work..."

"This was around my head for a while... Why would the Abydos perform a riot?"

Sensei?

A-Asuna?

You thirsty? I  
bought you a drink!

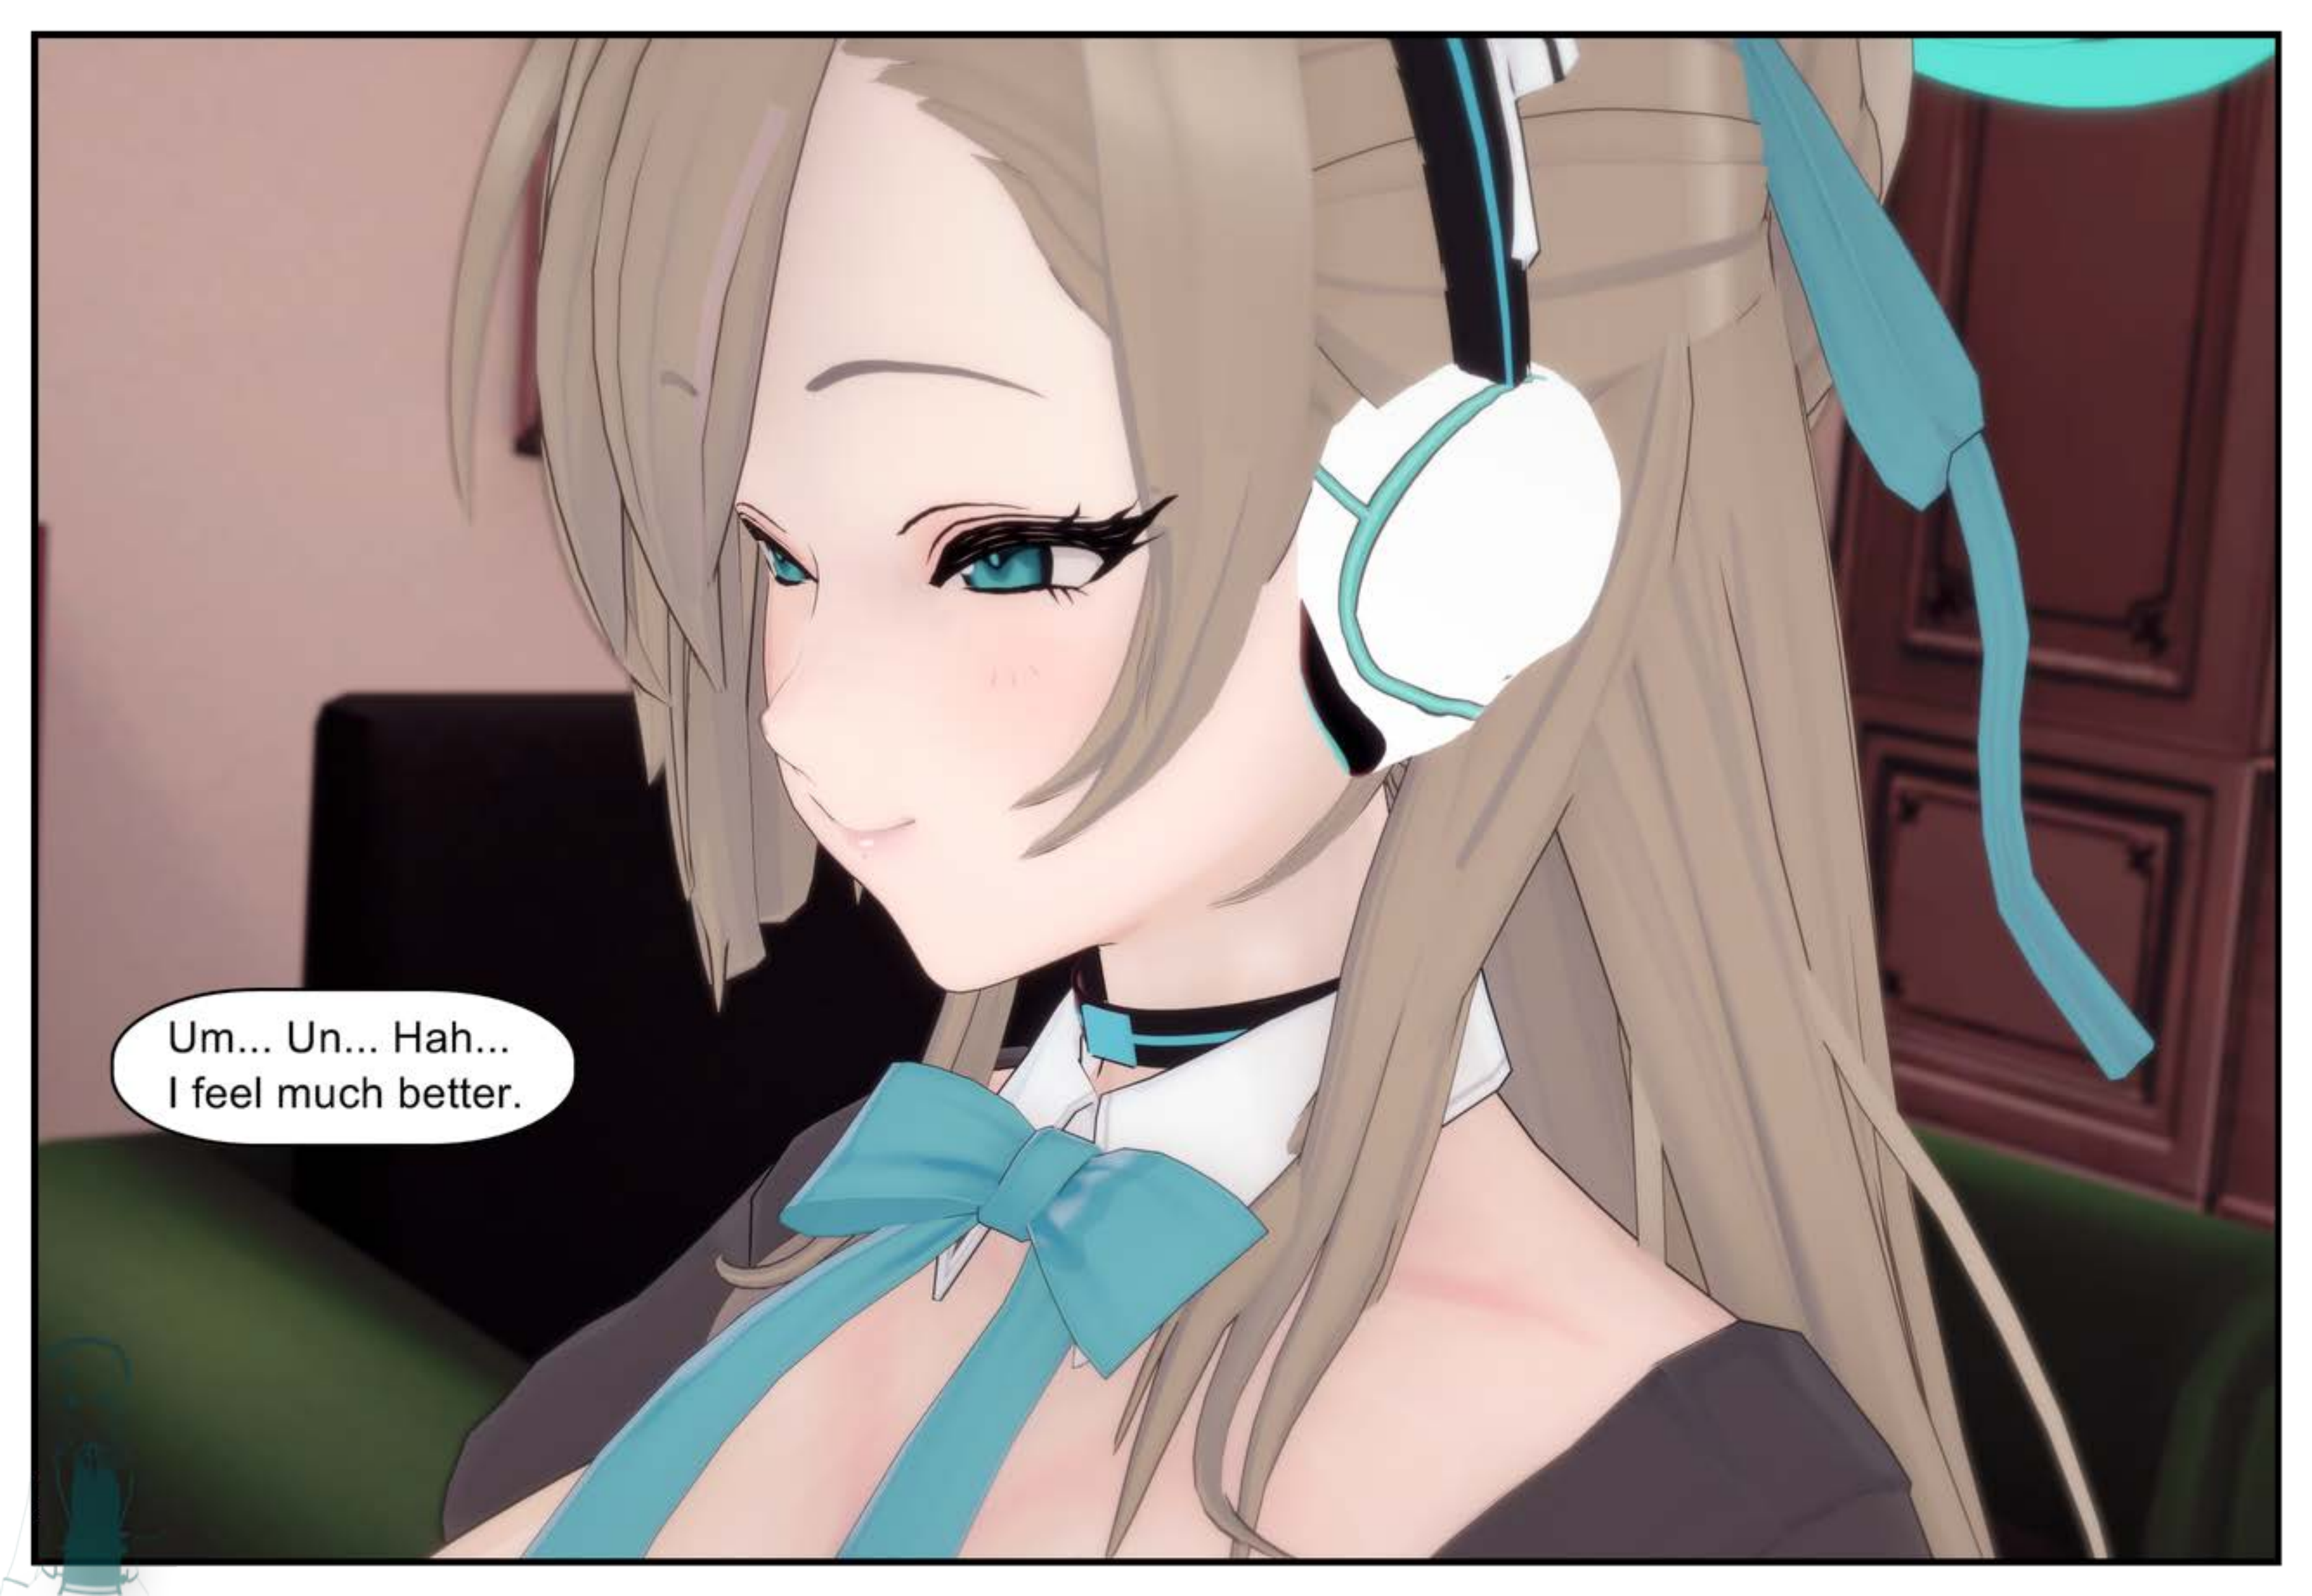

Are you going  
somewhere now?

Yes, I'm pretty  
busy for today.

But thank you, just  
in time I need a drink.

Um... Un... Hah...  
I feel much better.

I can use this body  
to make out with him.

"And the sleeping drug, I think it should be enough for him not to notice anything."

Let us start the fun then, Sensei...

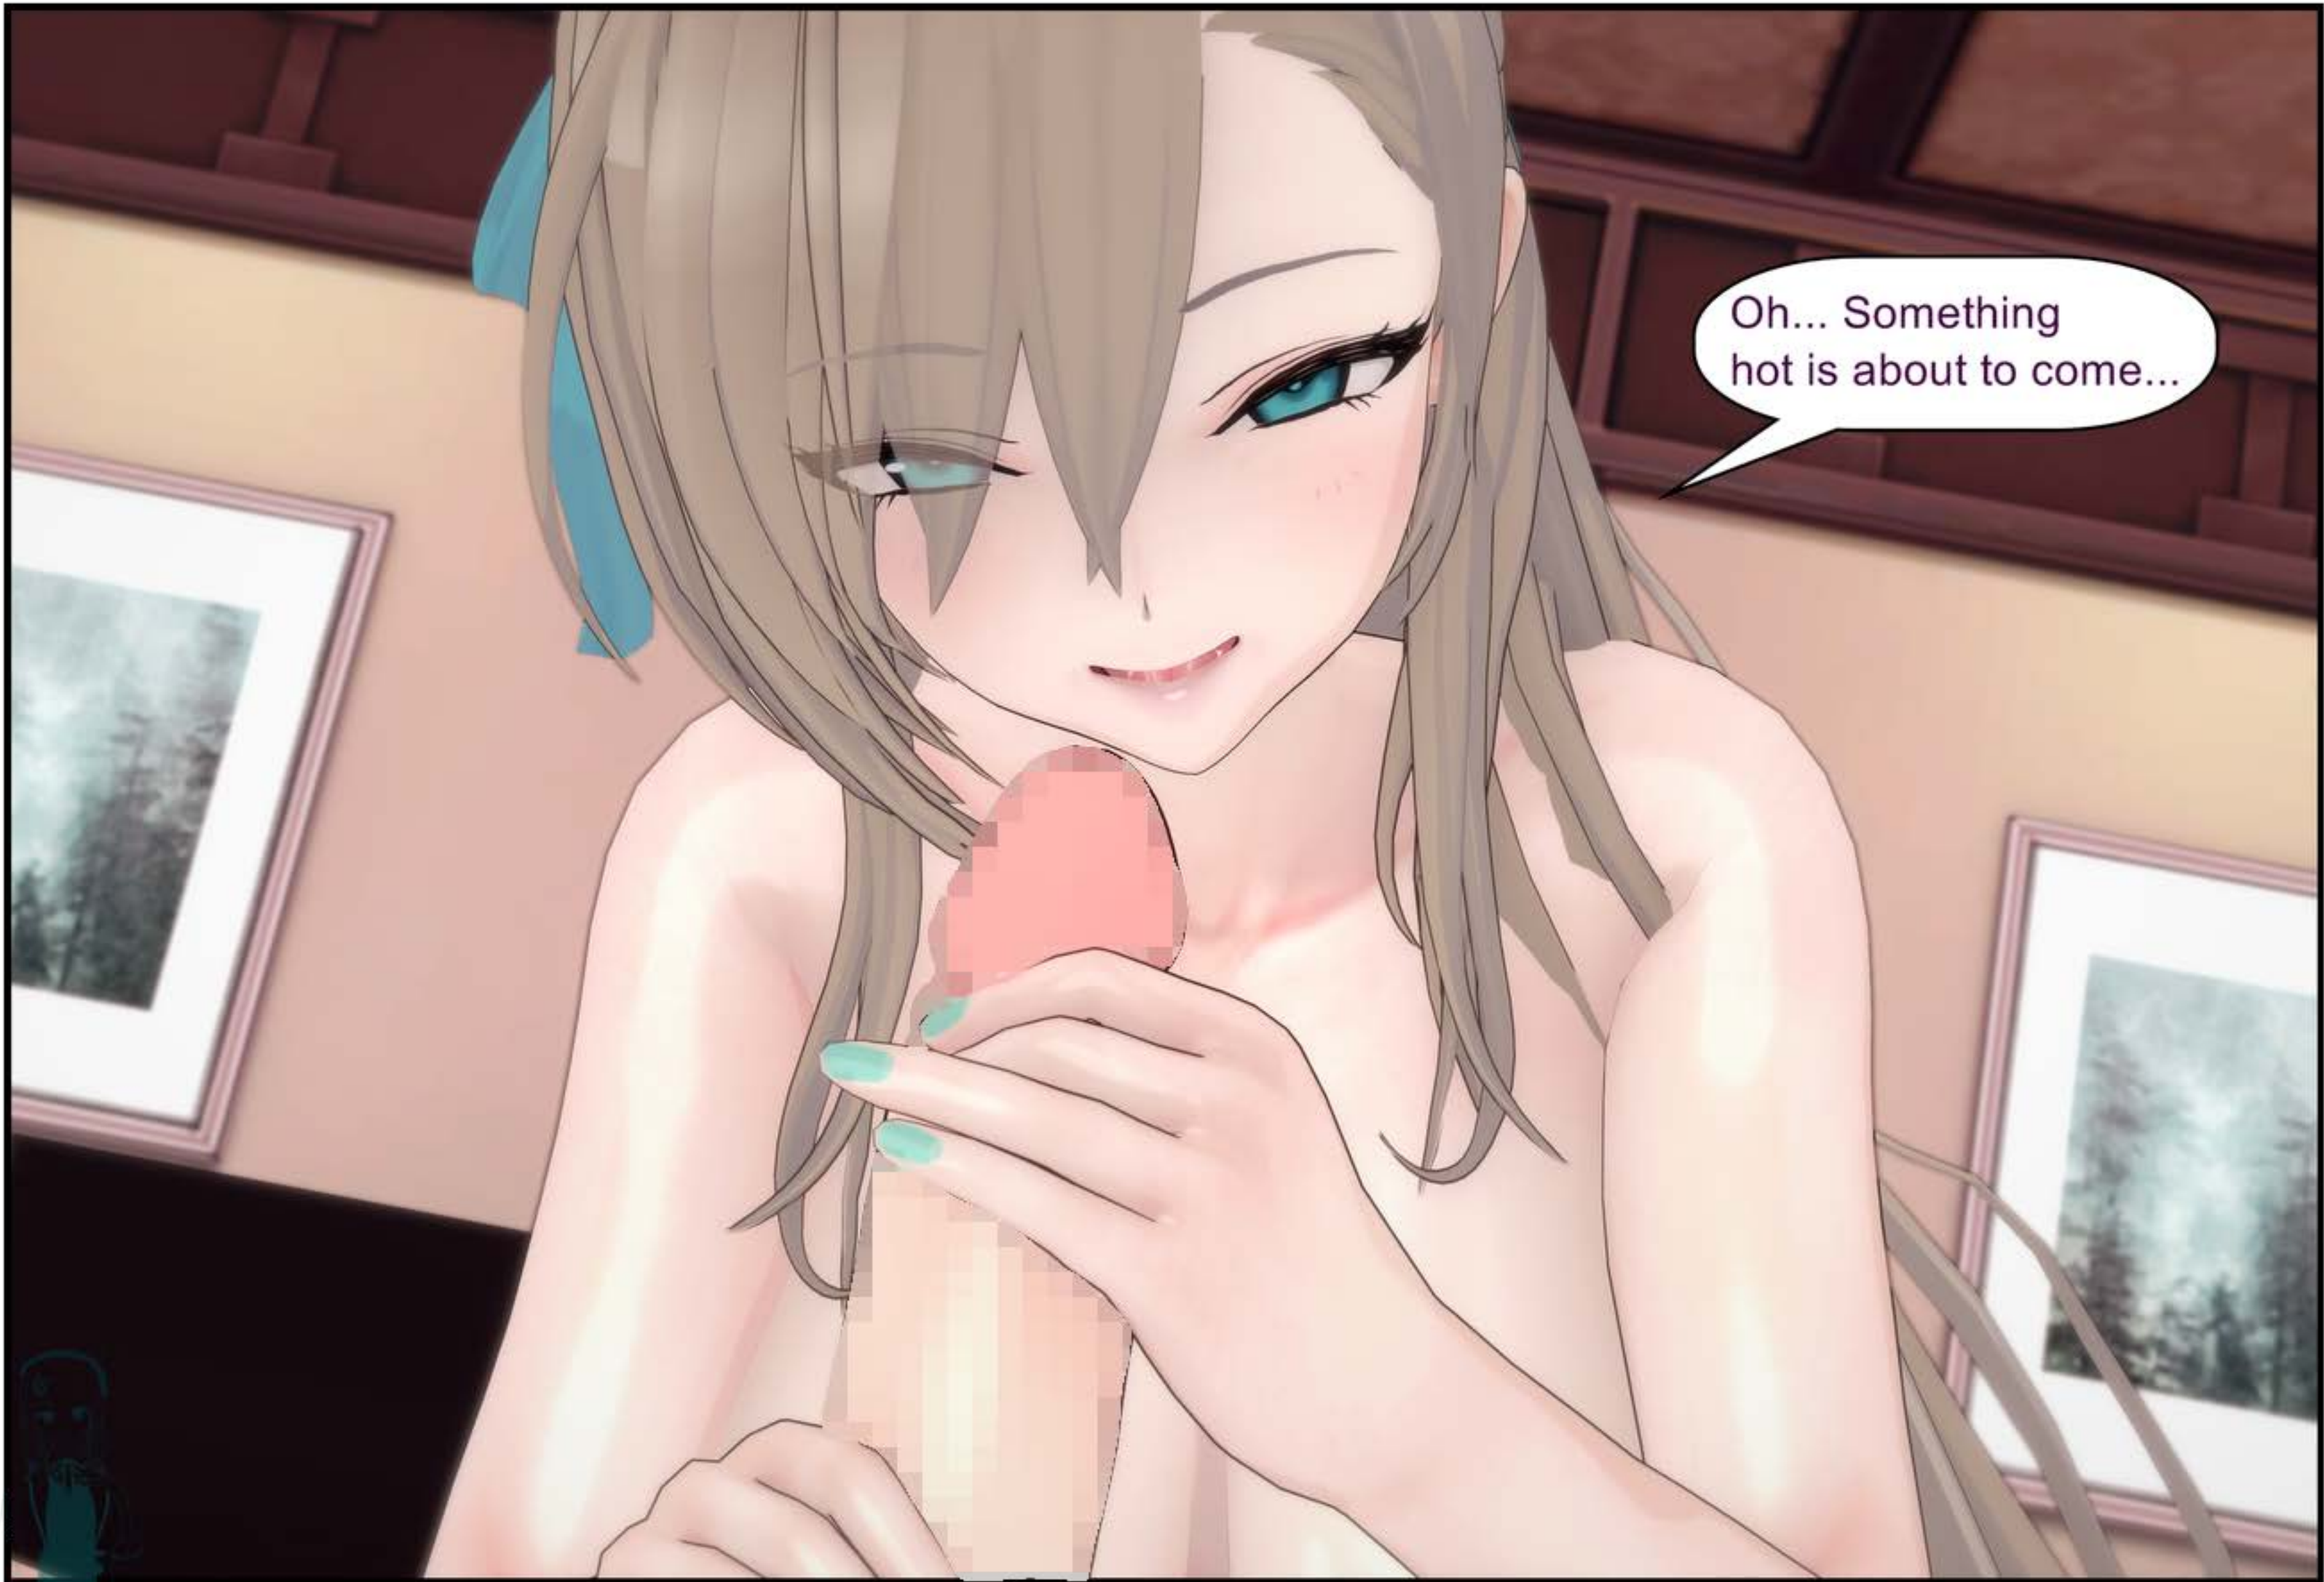

Phew... he sure  
has the decent one.

"Keep this up until  
I gather enough."

Oh... Something hot is about to come...

Yes... Cum for me!!

Um... Nn... Um...  
Slurp... Um...

Um... Slurp... Nn...  
Slurp... Um... Nn..

Un... Slurp... Nn..  
Um... Slurp... Nn..

Slurp... Um... Nn...  
Slurp... Mm... Um...

Hah...

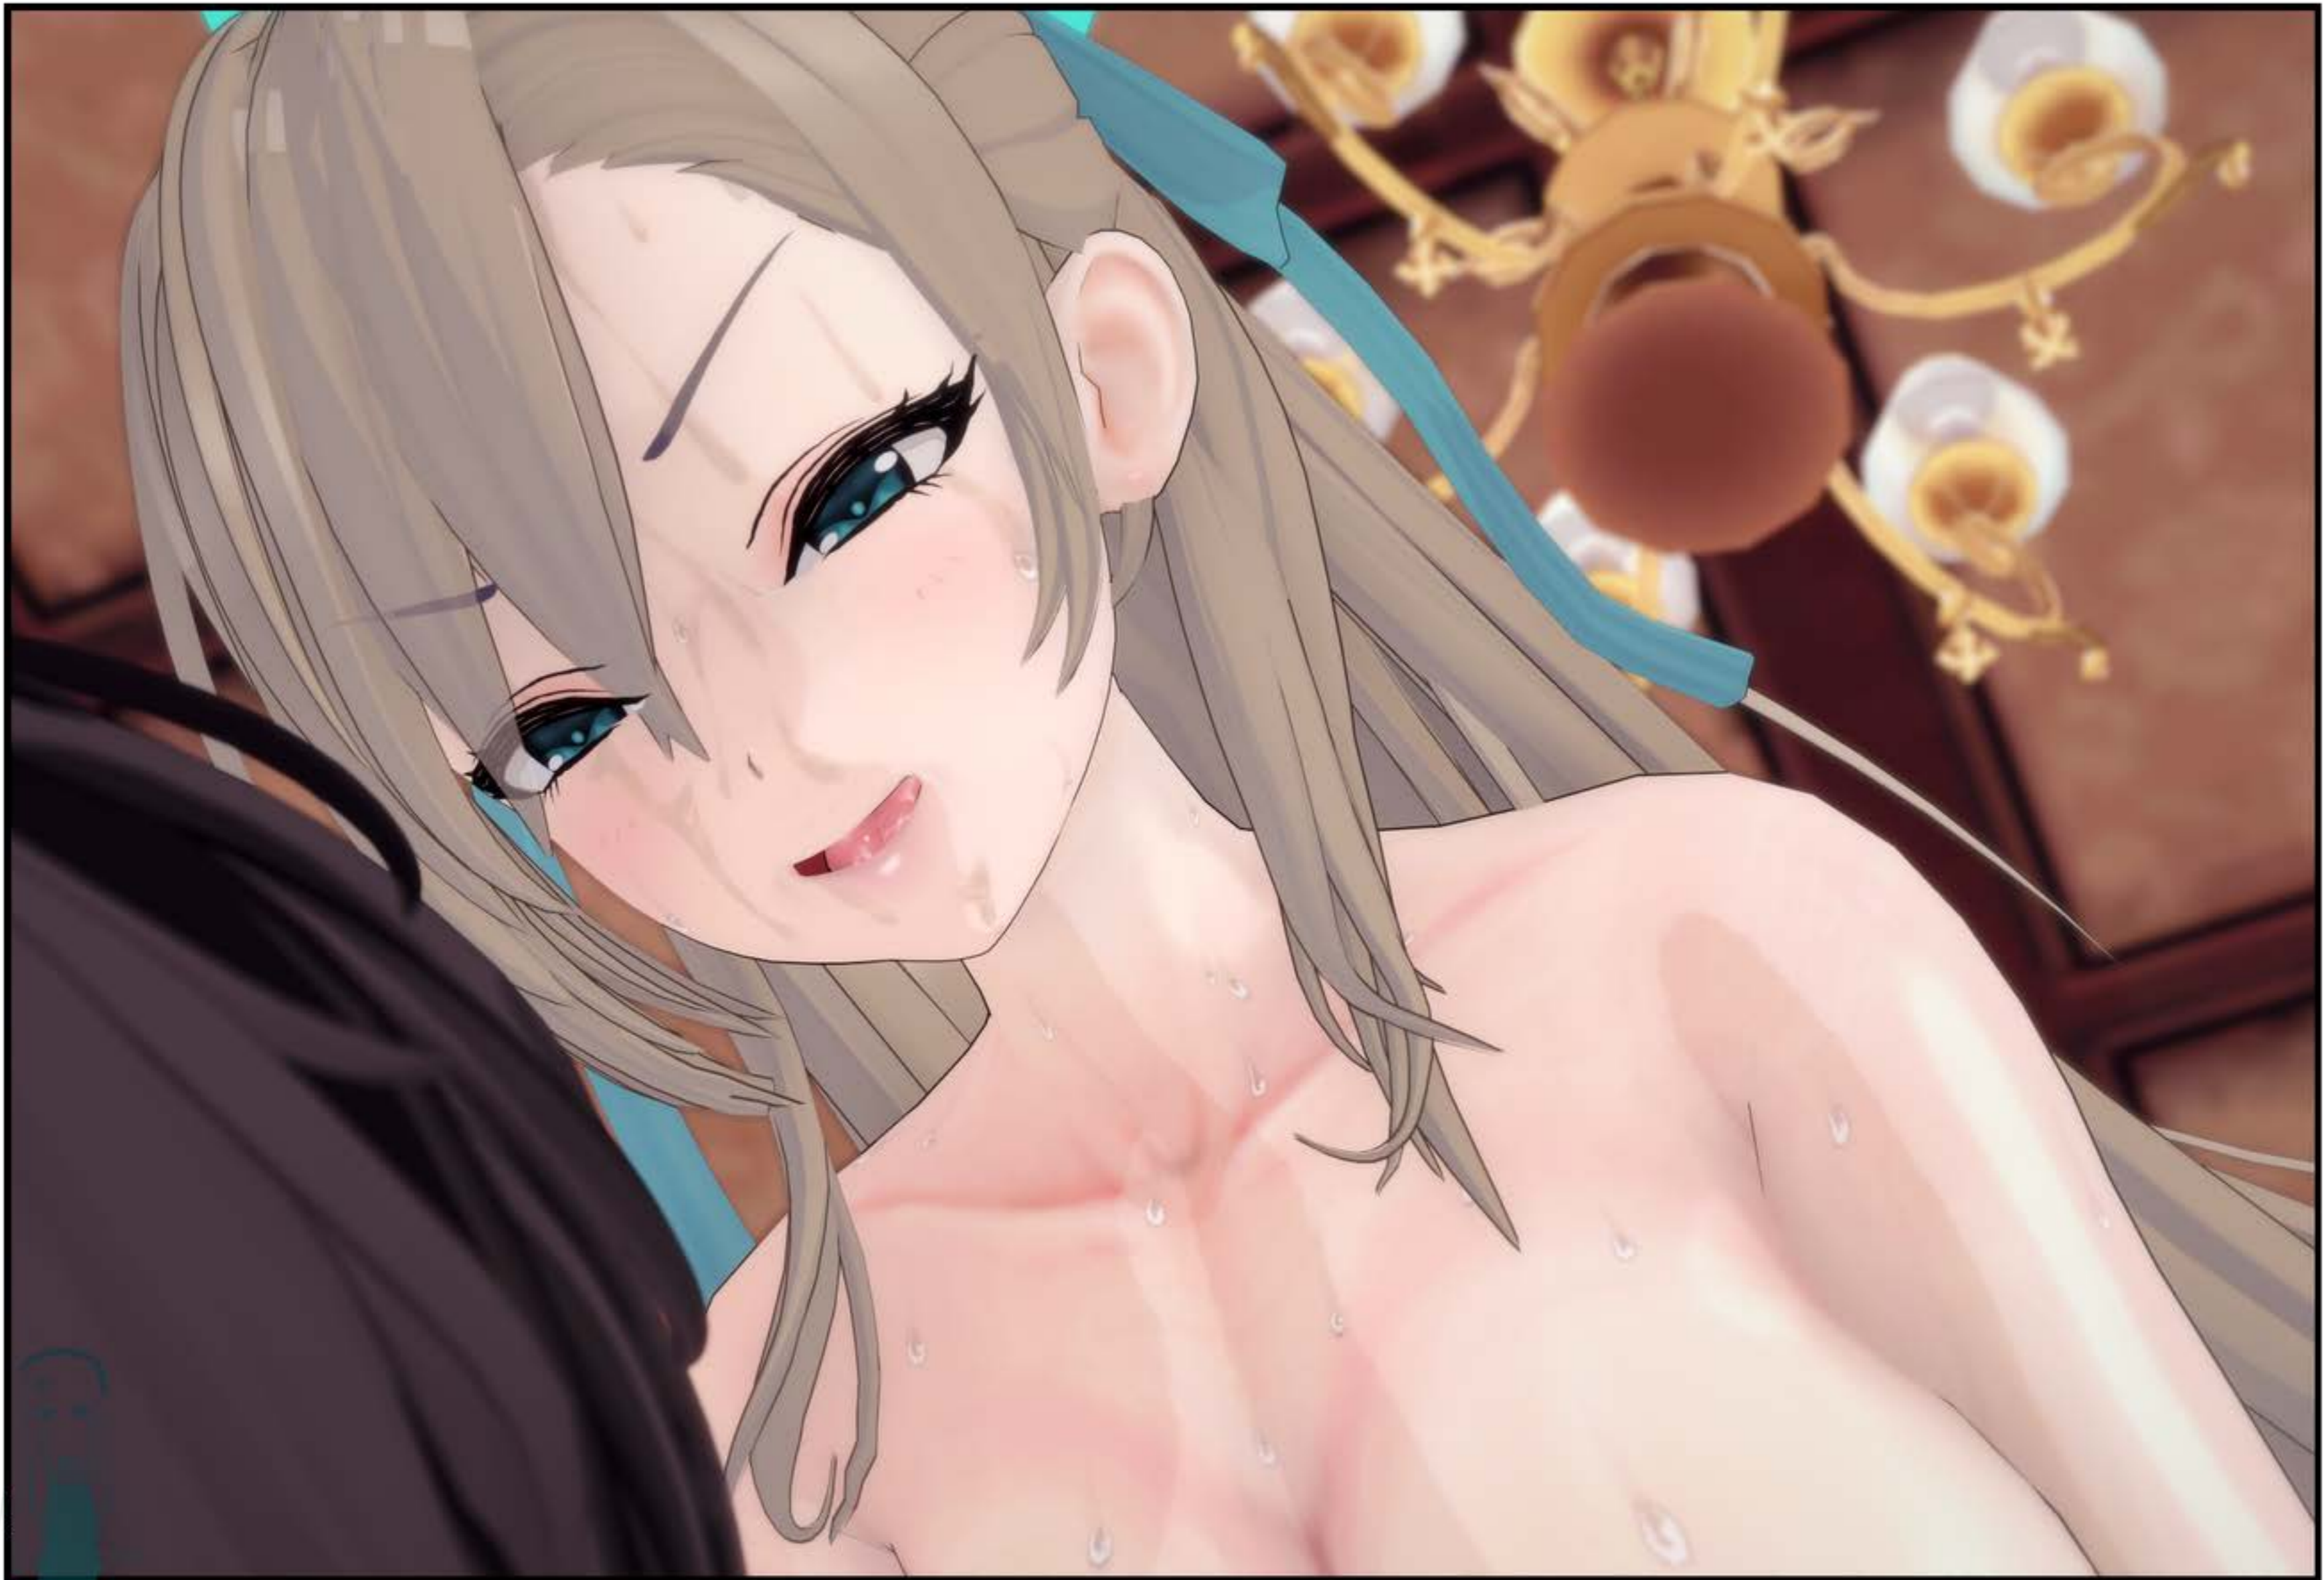

"Still not enough..."

"This should do it..."

"Yes... This is it..."

"Now I feel better than ever!"

"Seem like I will  
need a new host..."

...If I need to regain my control more on those Abydos.

Well... Not only  
them of course.

**\*Click\*...**

Hands up,  
Asuna.

I start to suspicious  
the moment I saw you.

Moreover, Asuna  
won't drug Sensei.

Oh? That sound  
very persquasive.

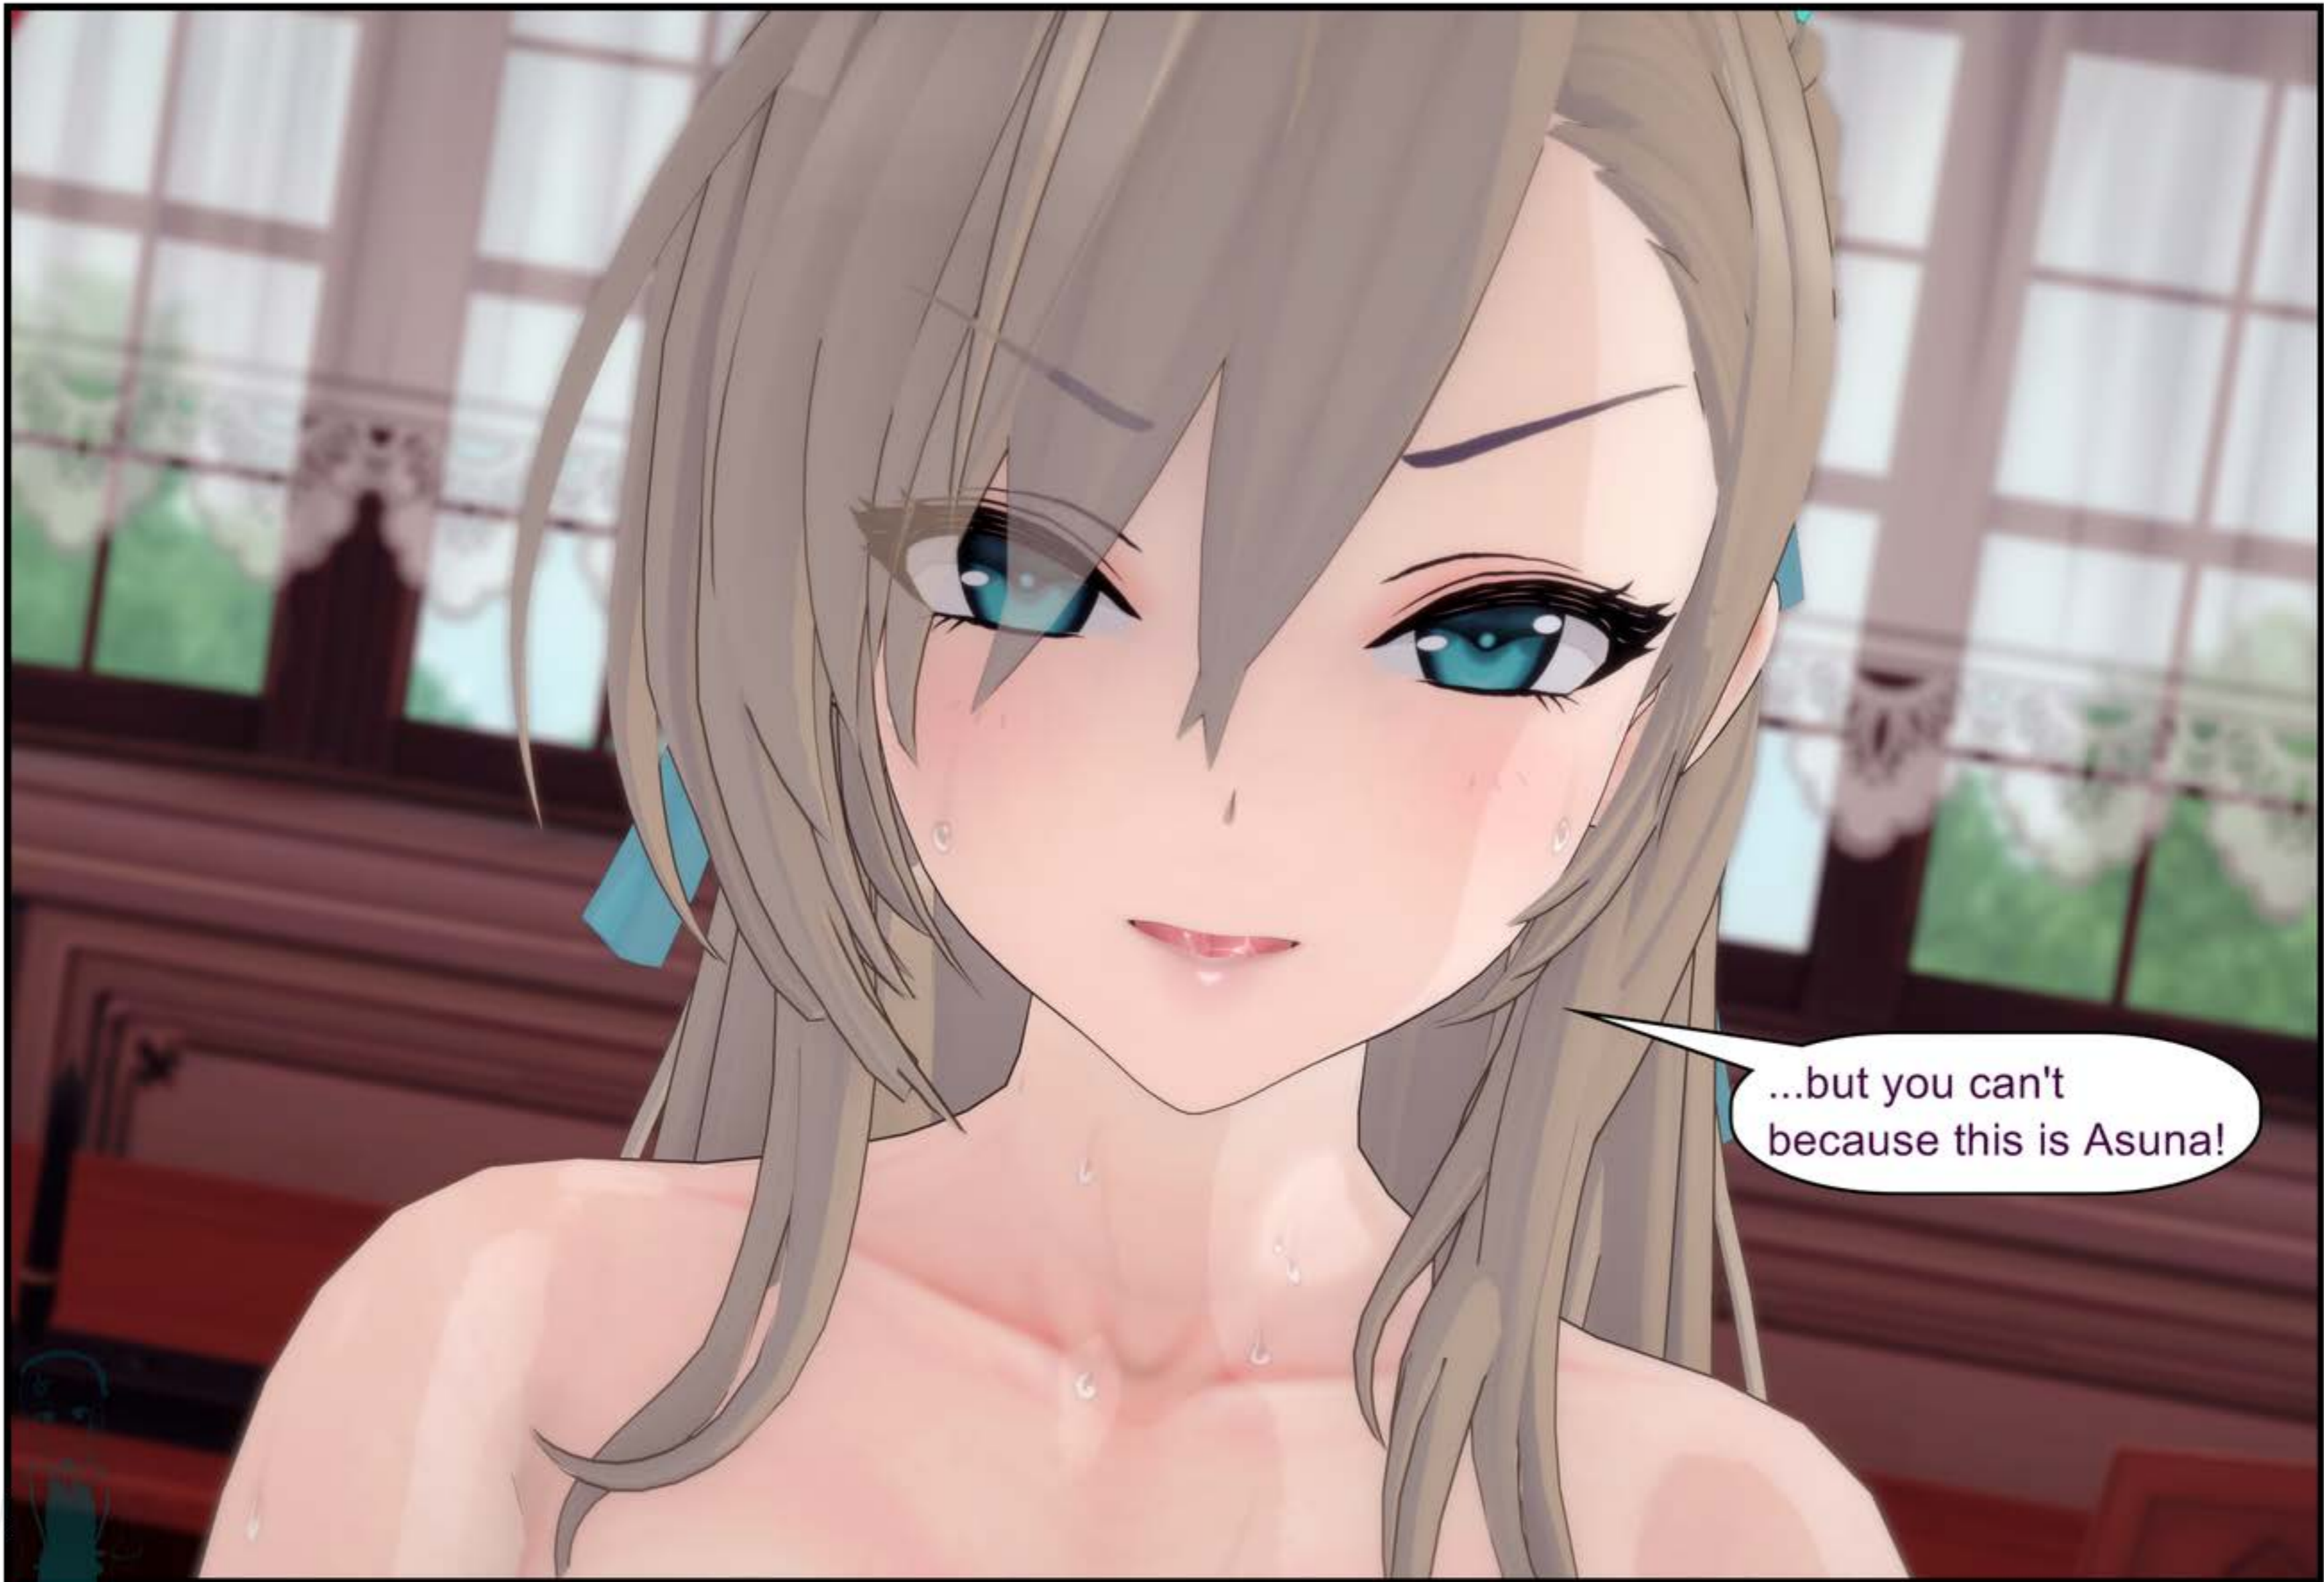

Maybe... if you lower your gun, then I will explain?

Hm... I see.

Well, you should have shot me...

...but you can't  
because this is Asuna!

Take this!!!

Ehehe...

Gyyyaaaa...!!!!

I have made some preperation, along with Asuna's abilities.

I remember... you still have something else on your sleeve.

Huff... Hah... I got nothing but strength.

...To make you  
release Asuna!

"Hm...? Being injured, yet, she still standing."

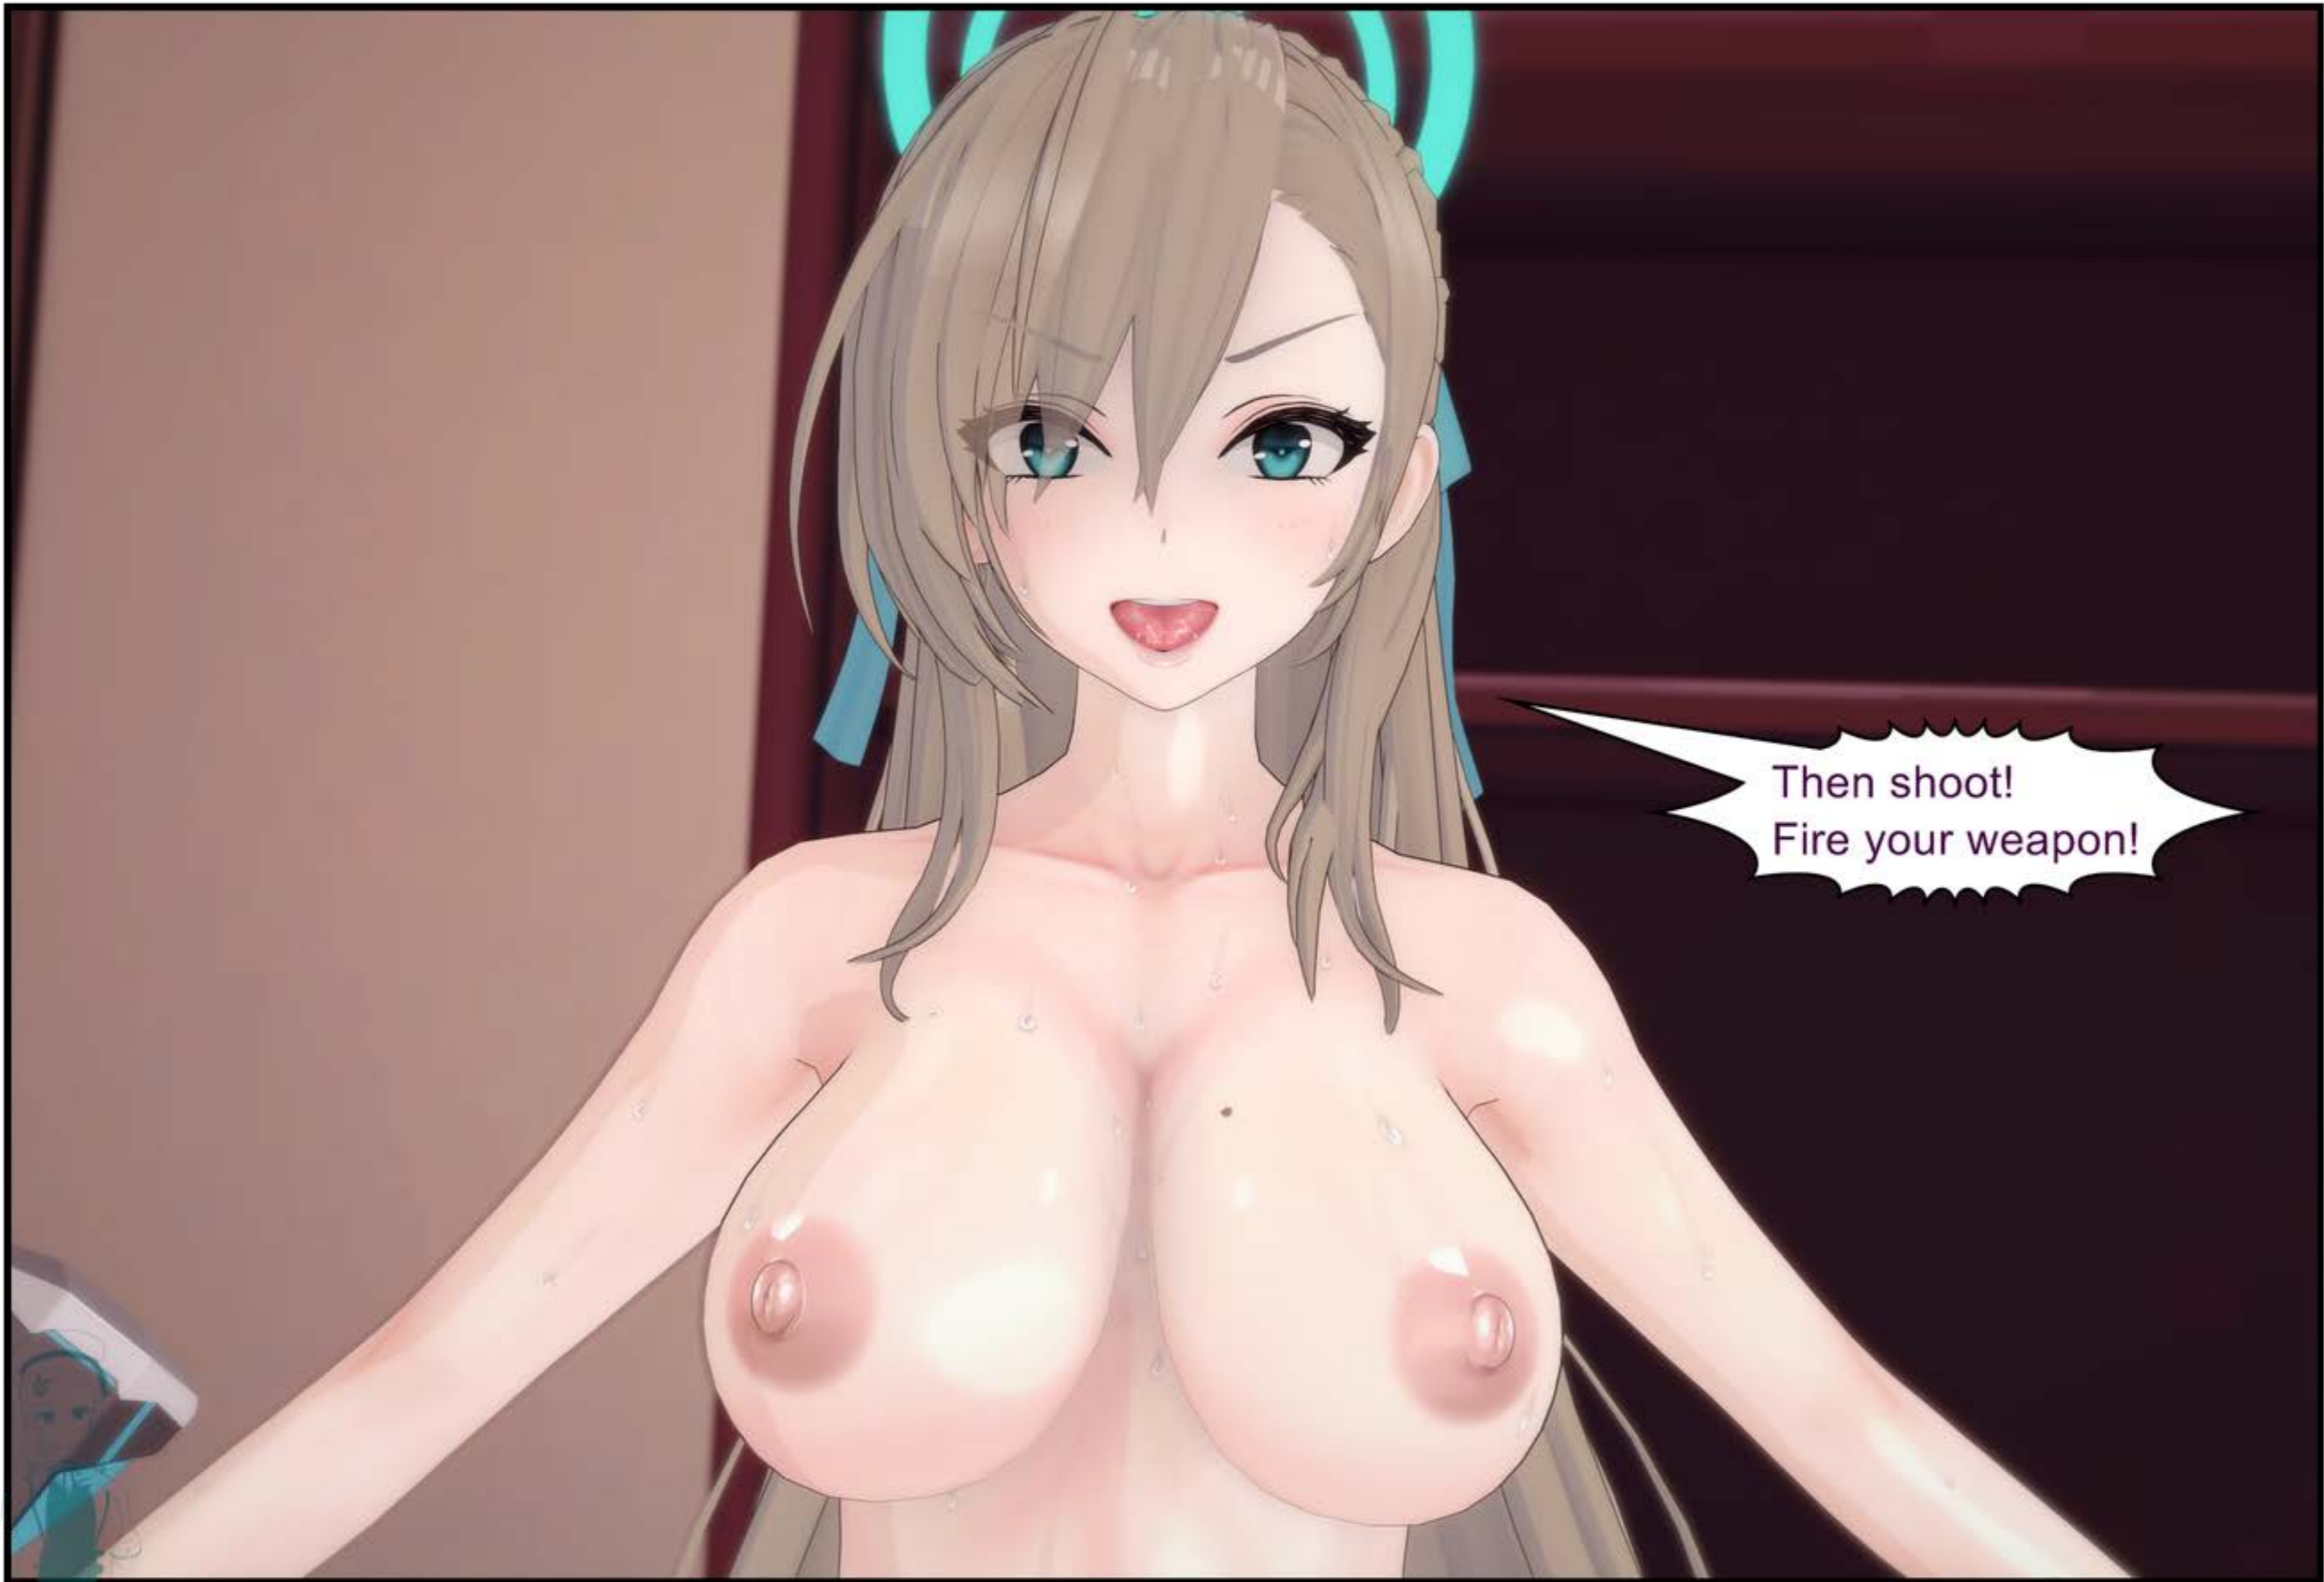

"I have decided..."

Then shoot!  
Fire your weapon!

"My chance!!!"

W-What is...!?

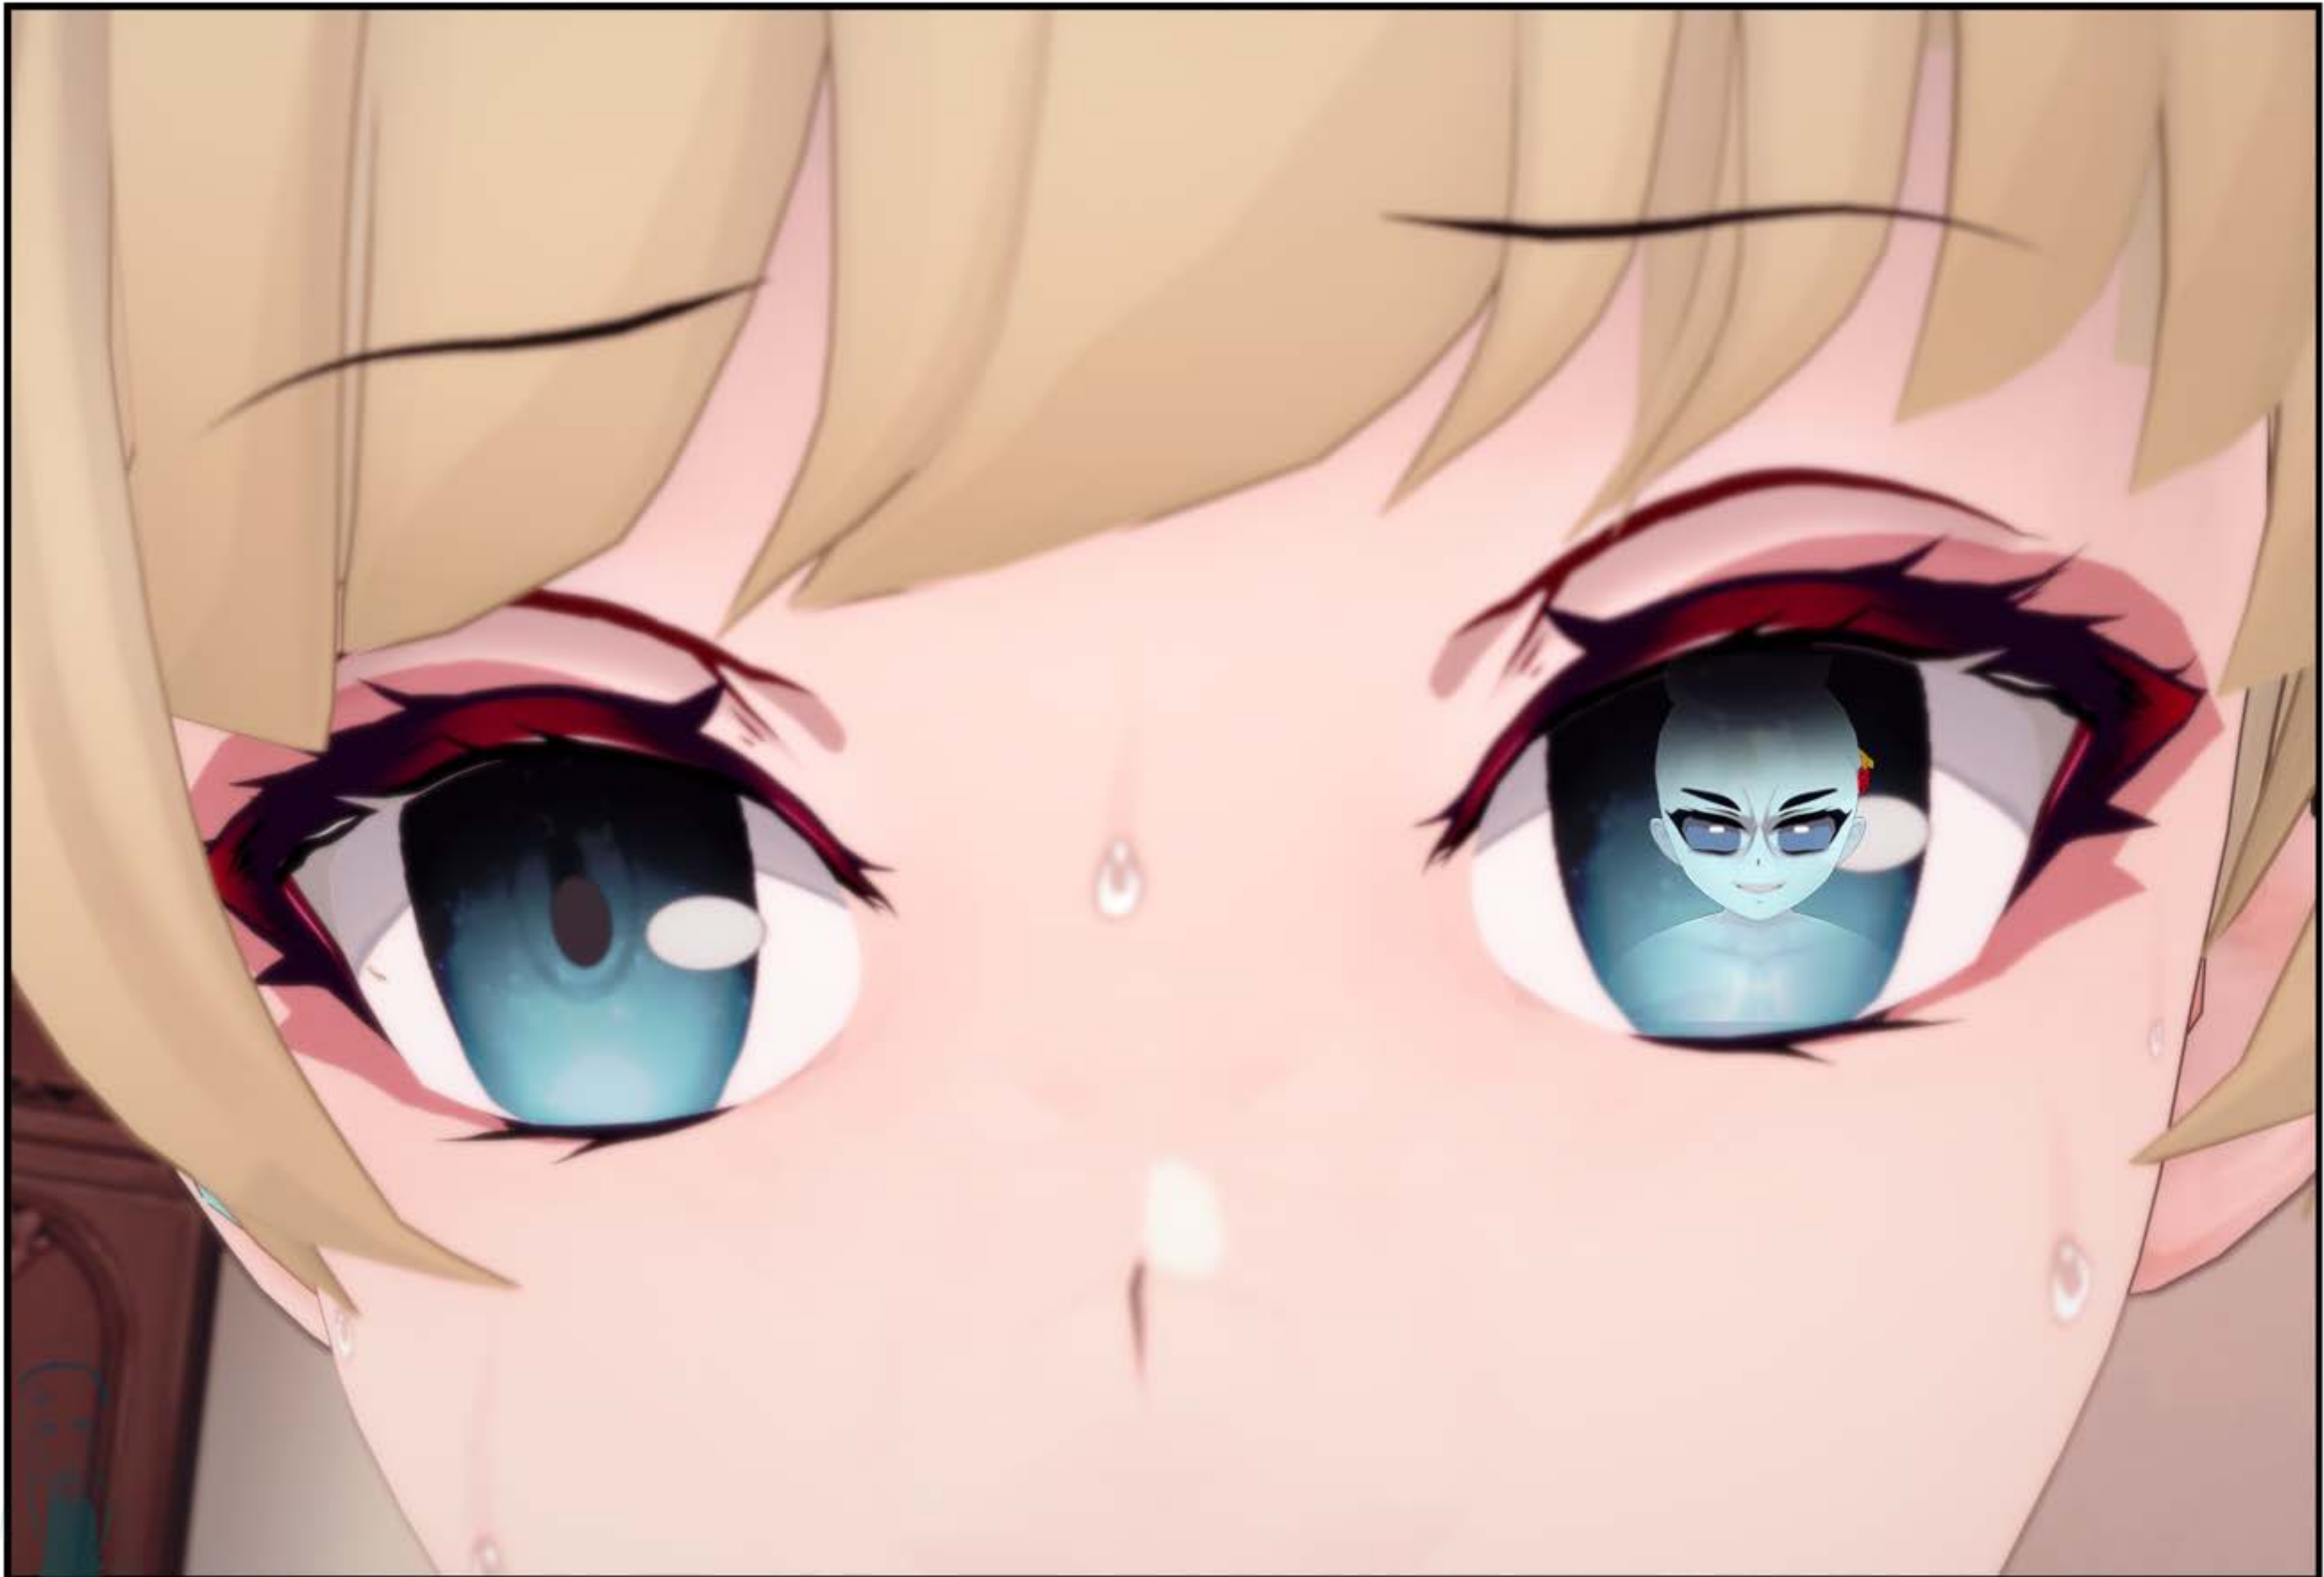

Kyyyaaa!!!???

Ugh....

Well, Asuma Toki...

W-Wha...?

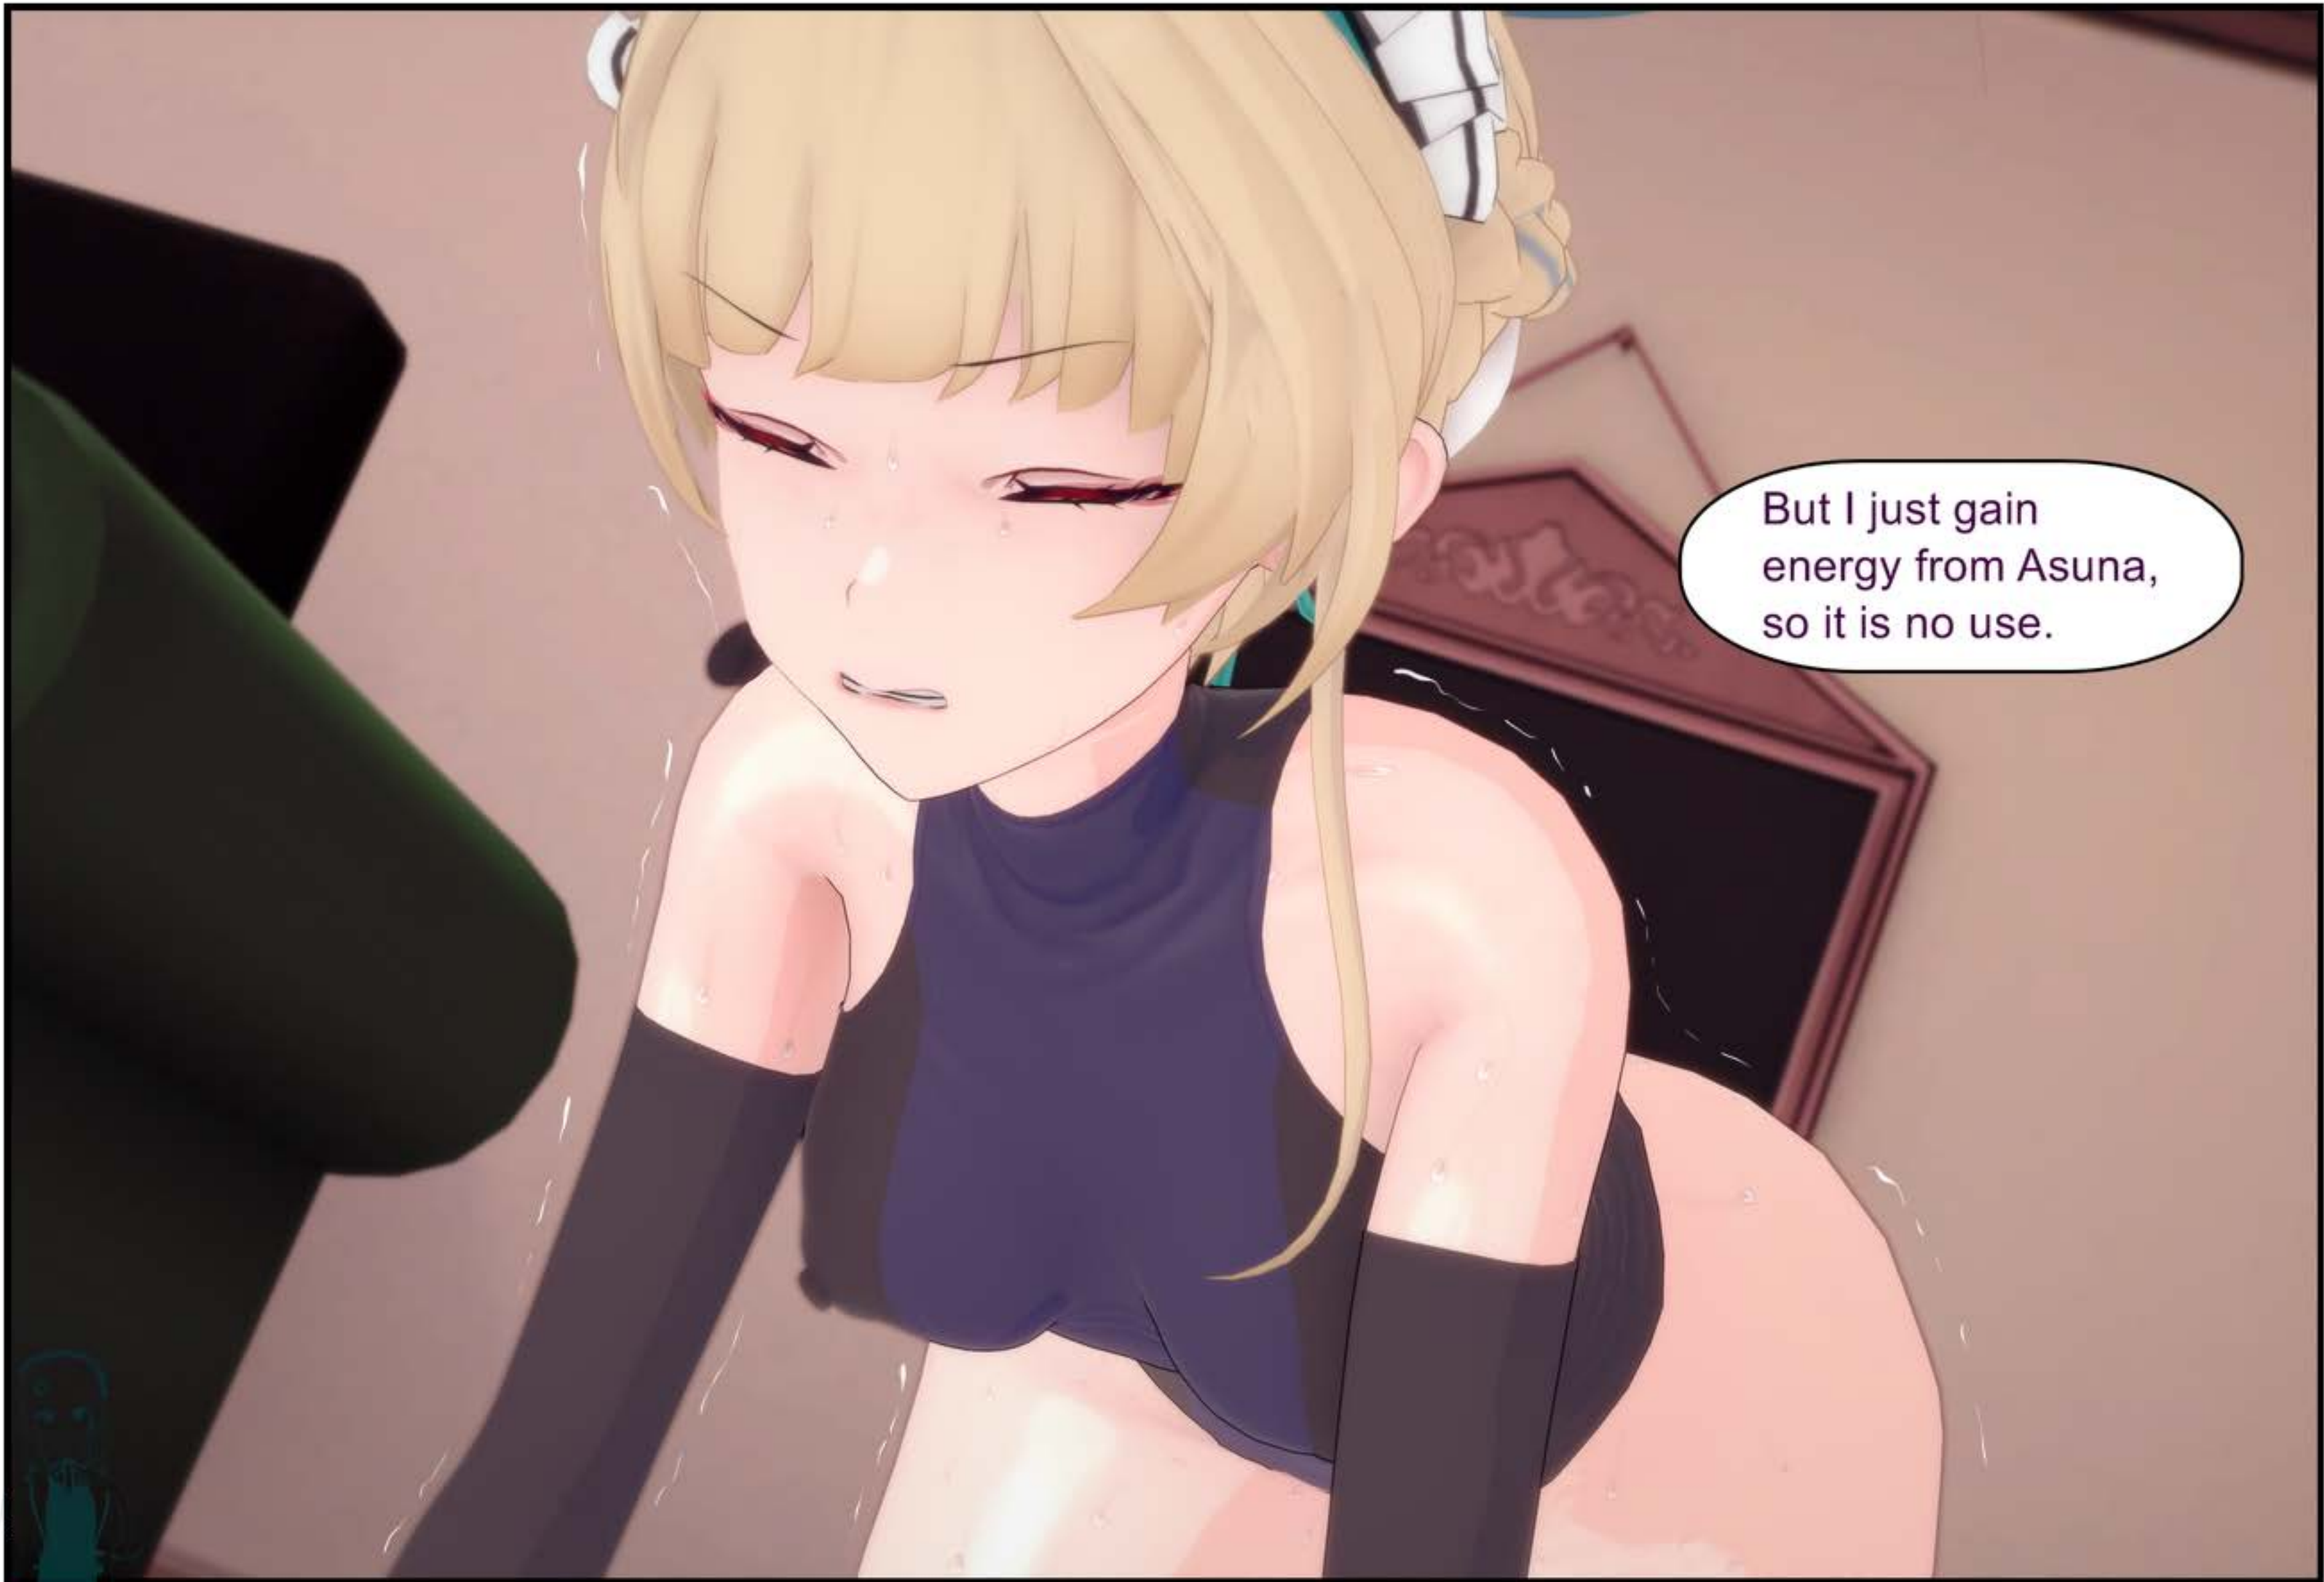

Not much a  
good host, but  
decent.

What... are you!?

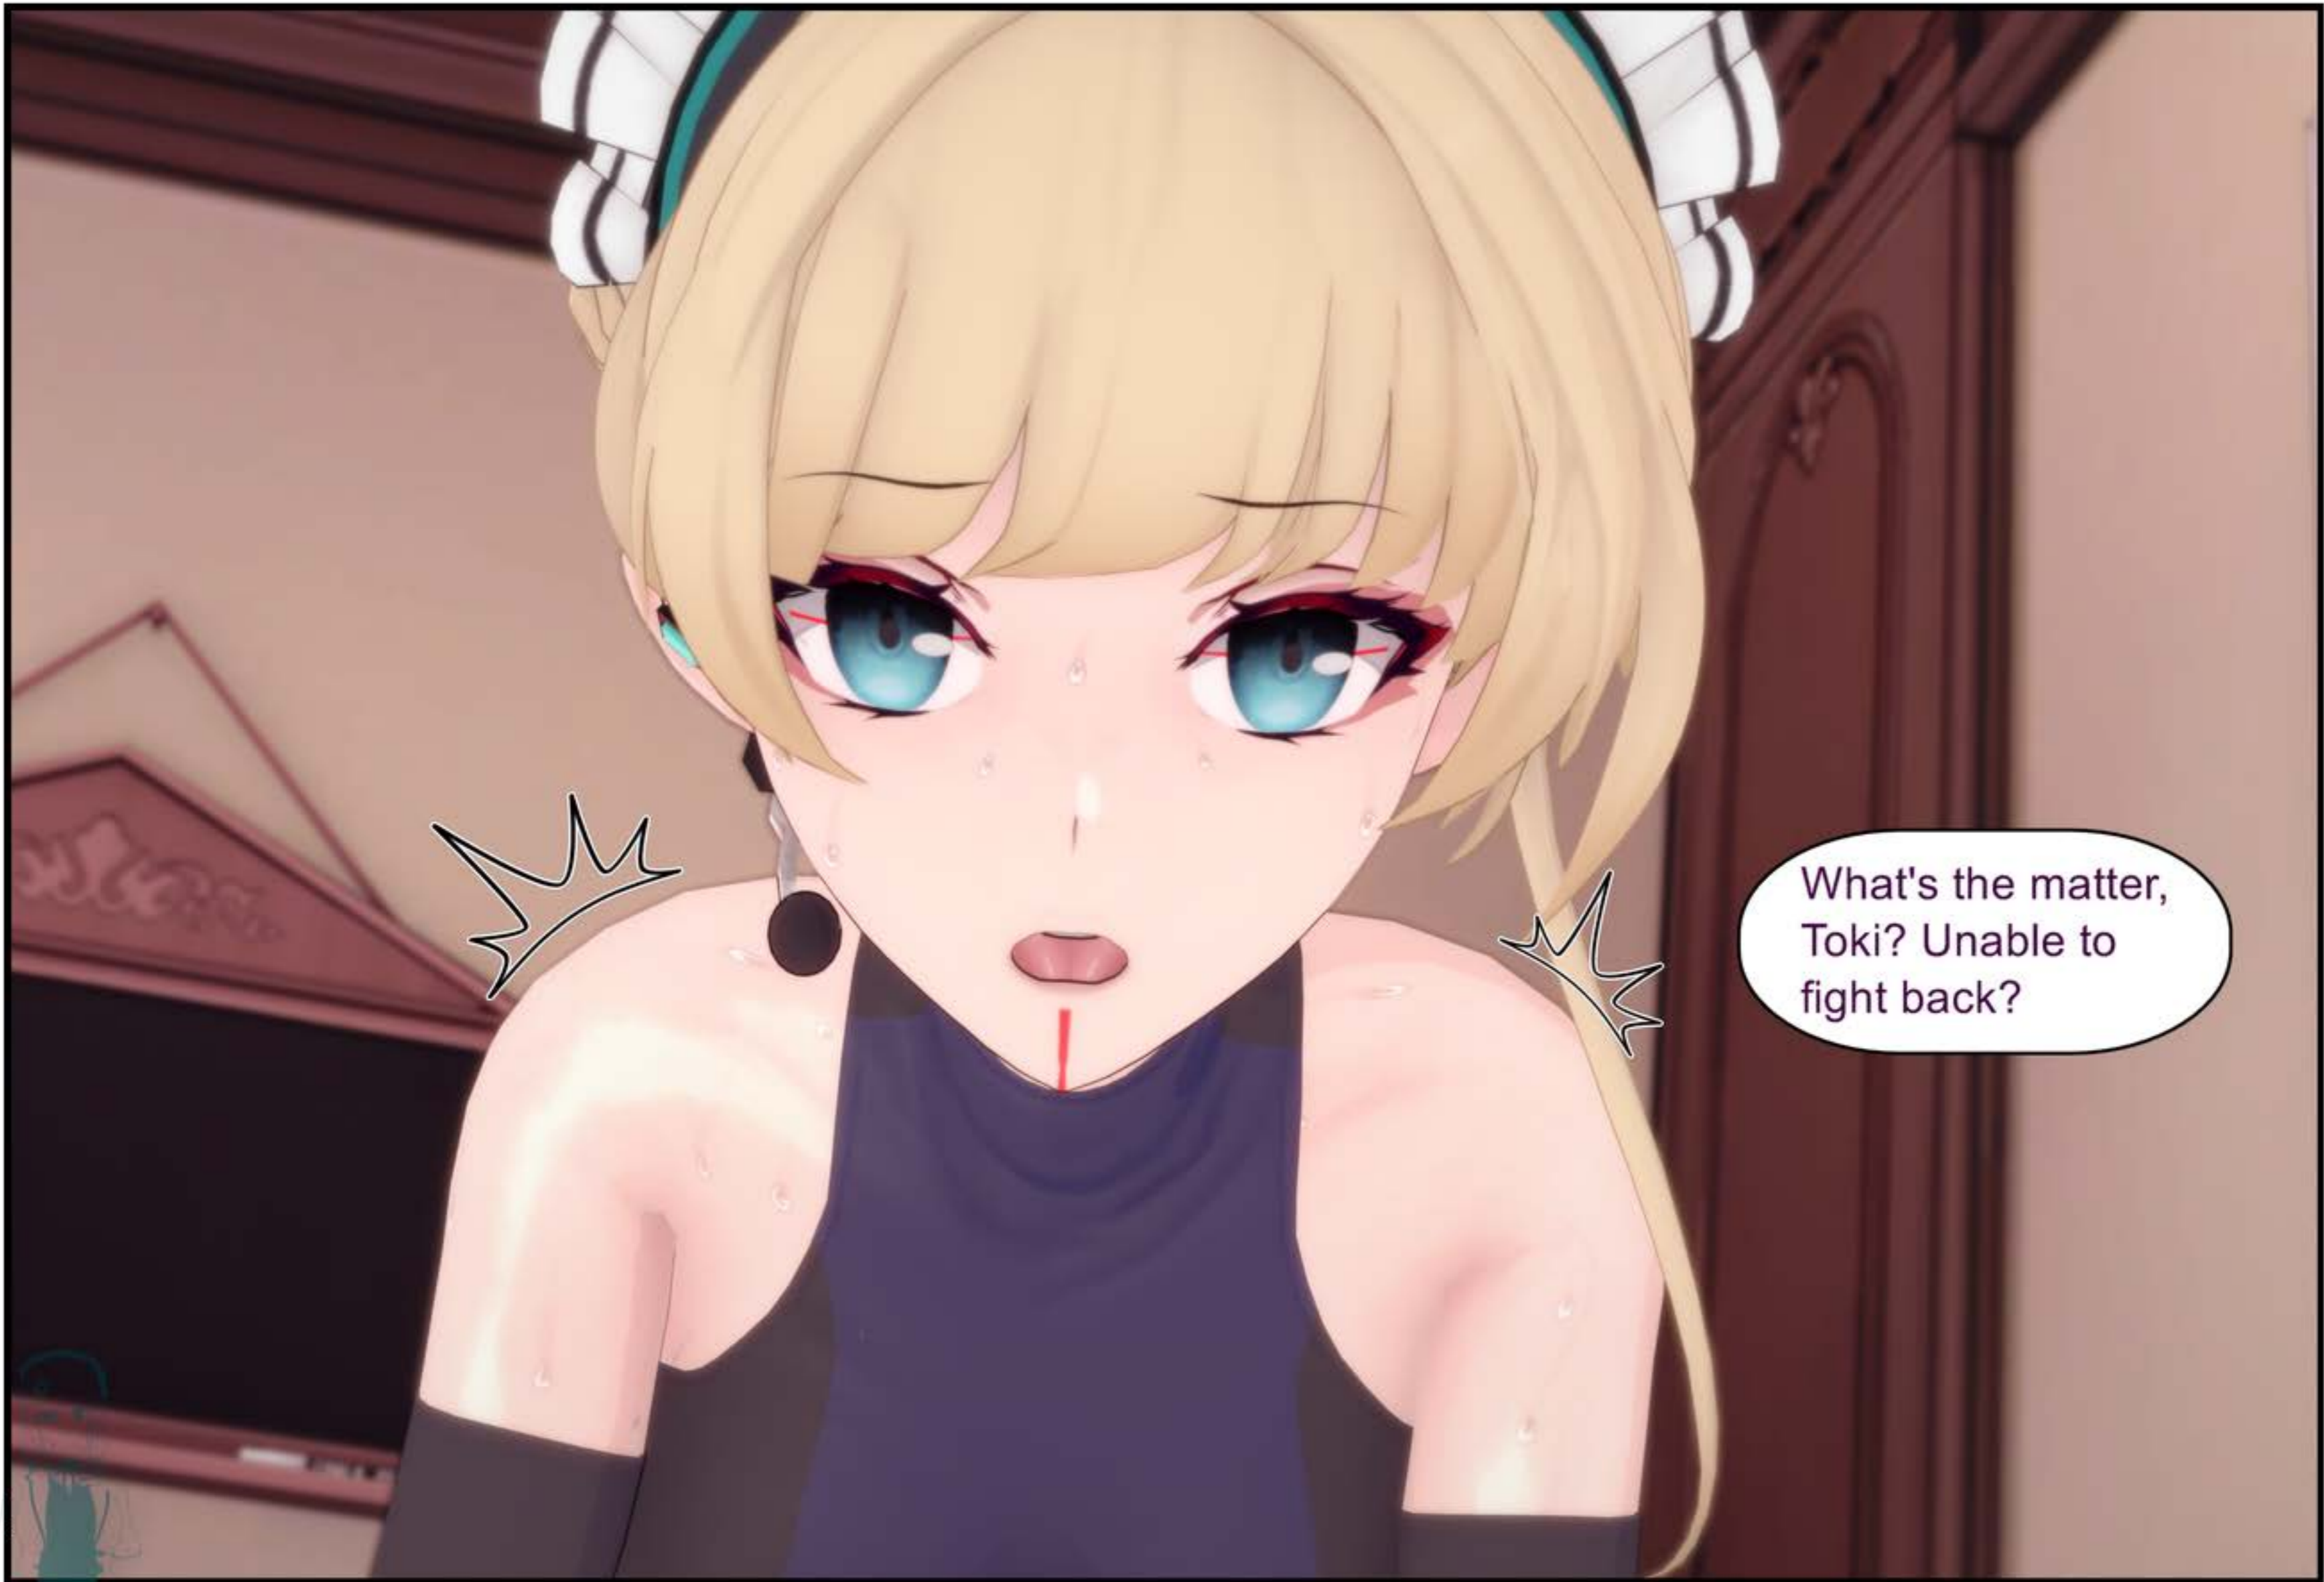

Hehehe... Strongly resist, I see.

But I just gain energy from Asuna, so it is no use.

What's the matter, Toki? Unable to fight back?

It seem that there  
is no fatal in this world.

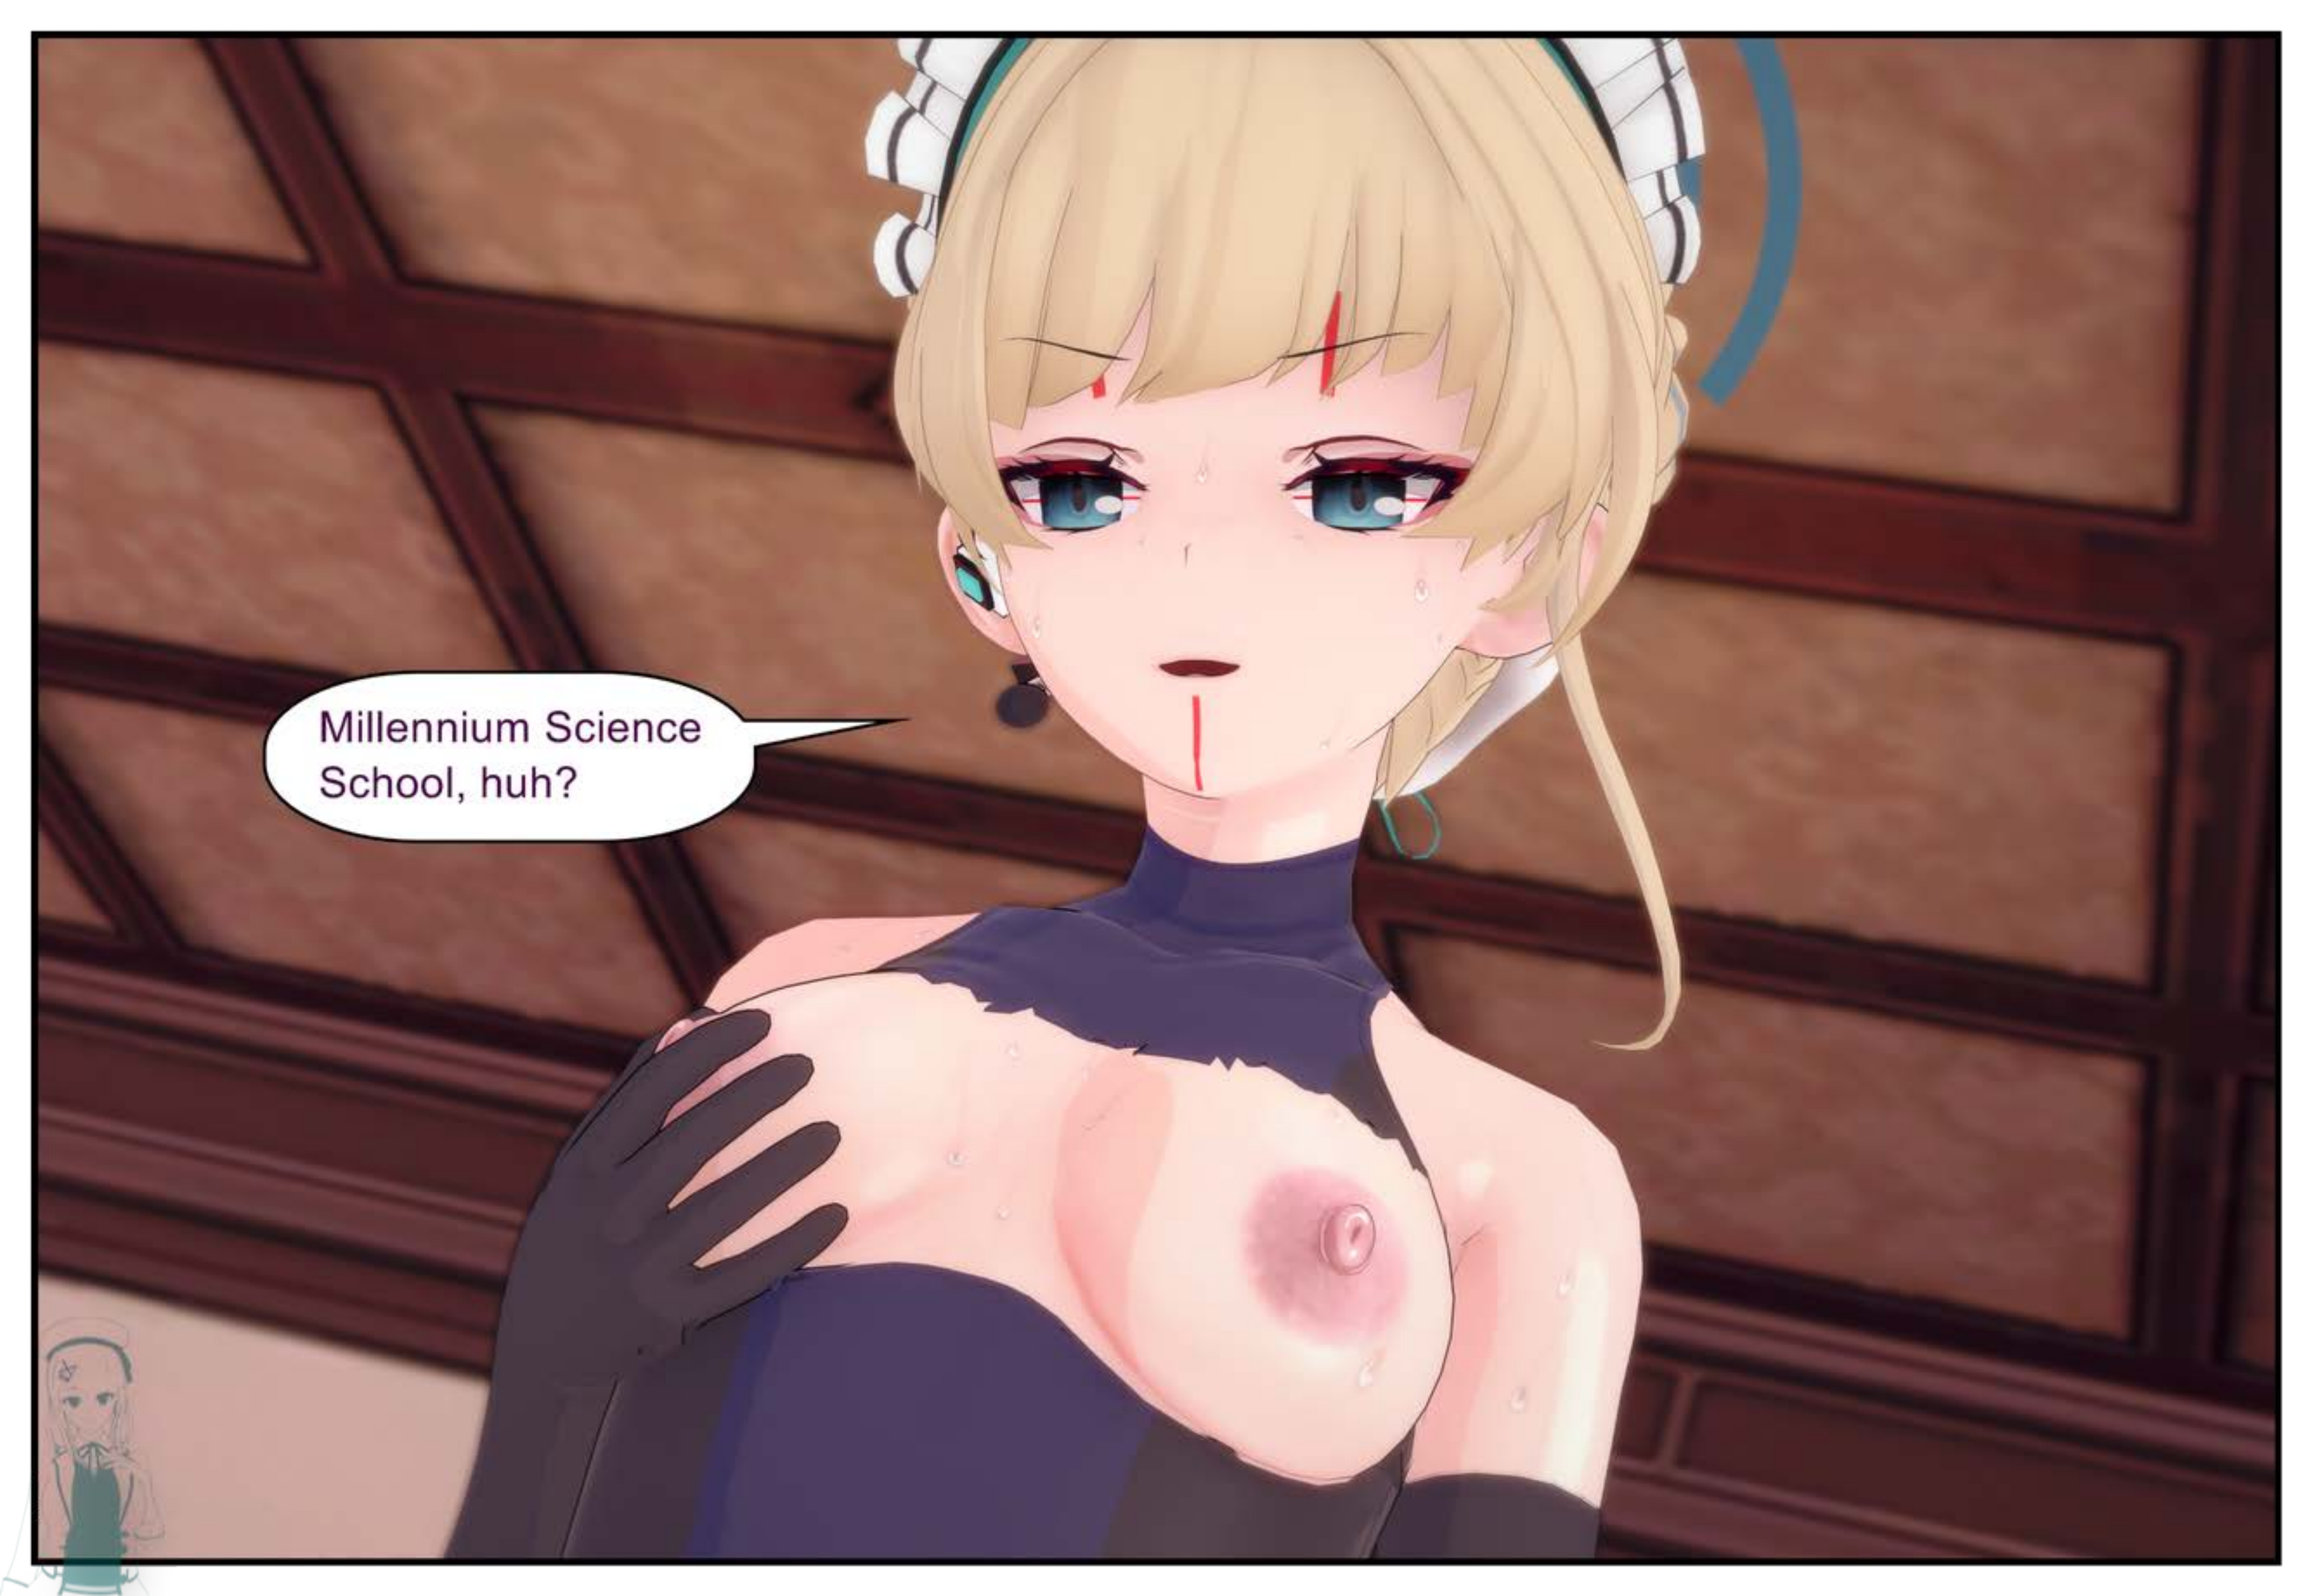

Only heavily injured if you were shot.

"Heh... Take over  
a new host completed."

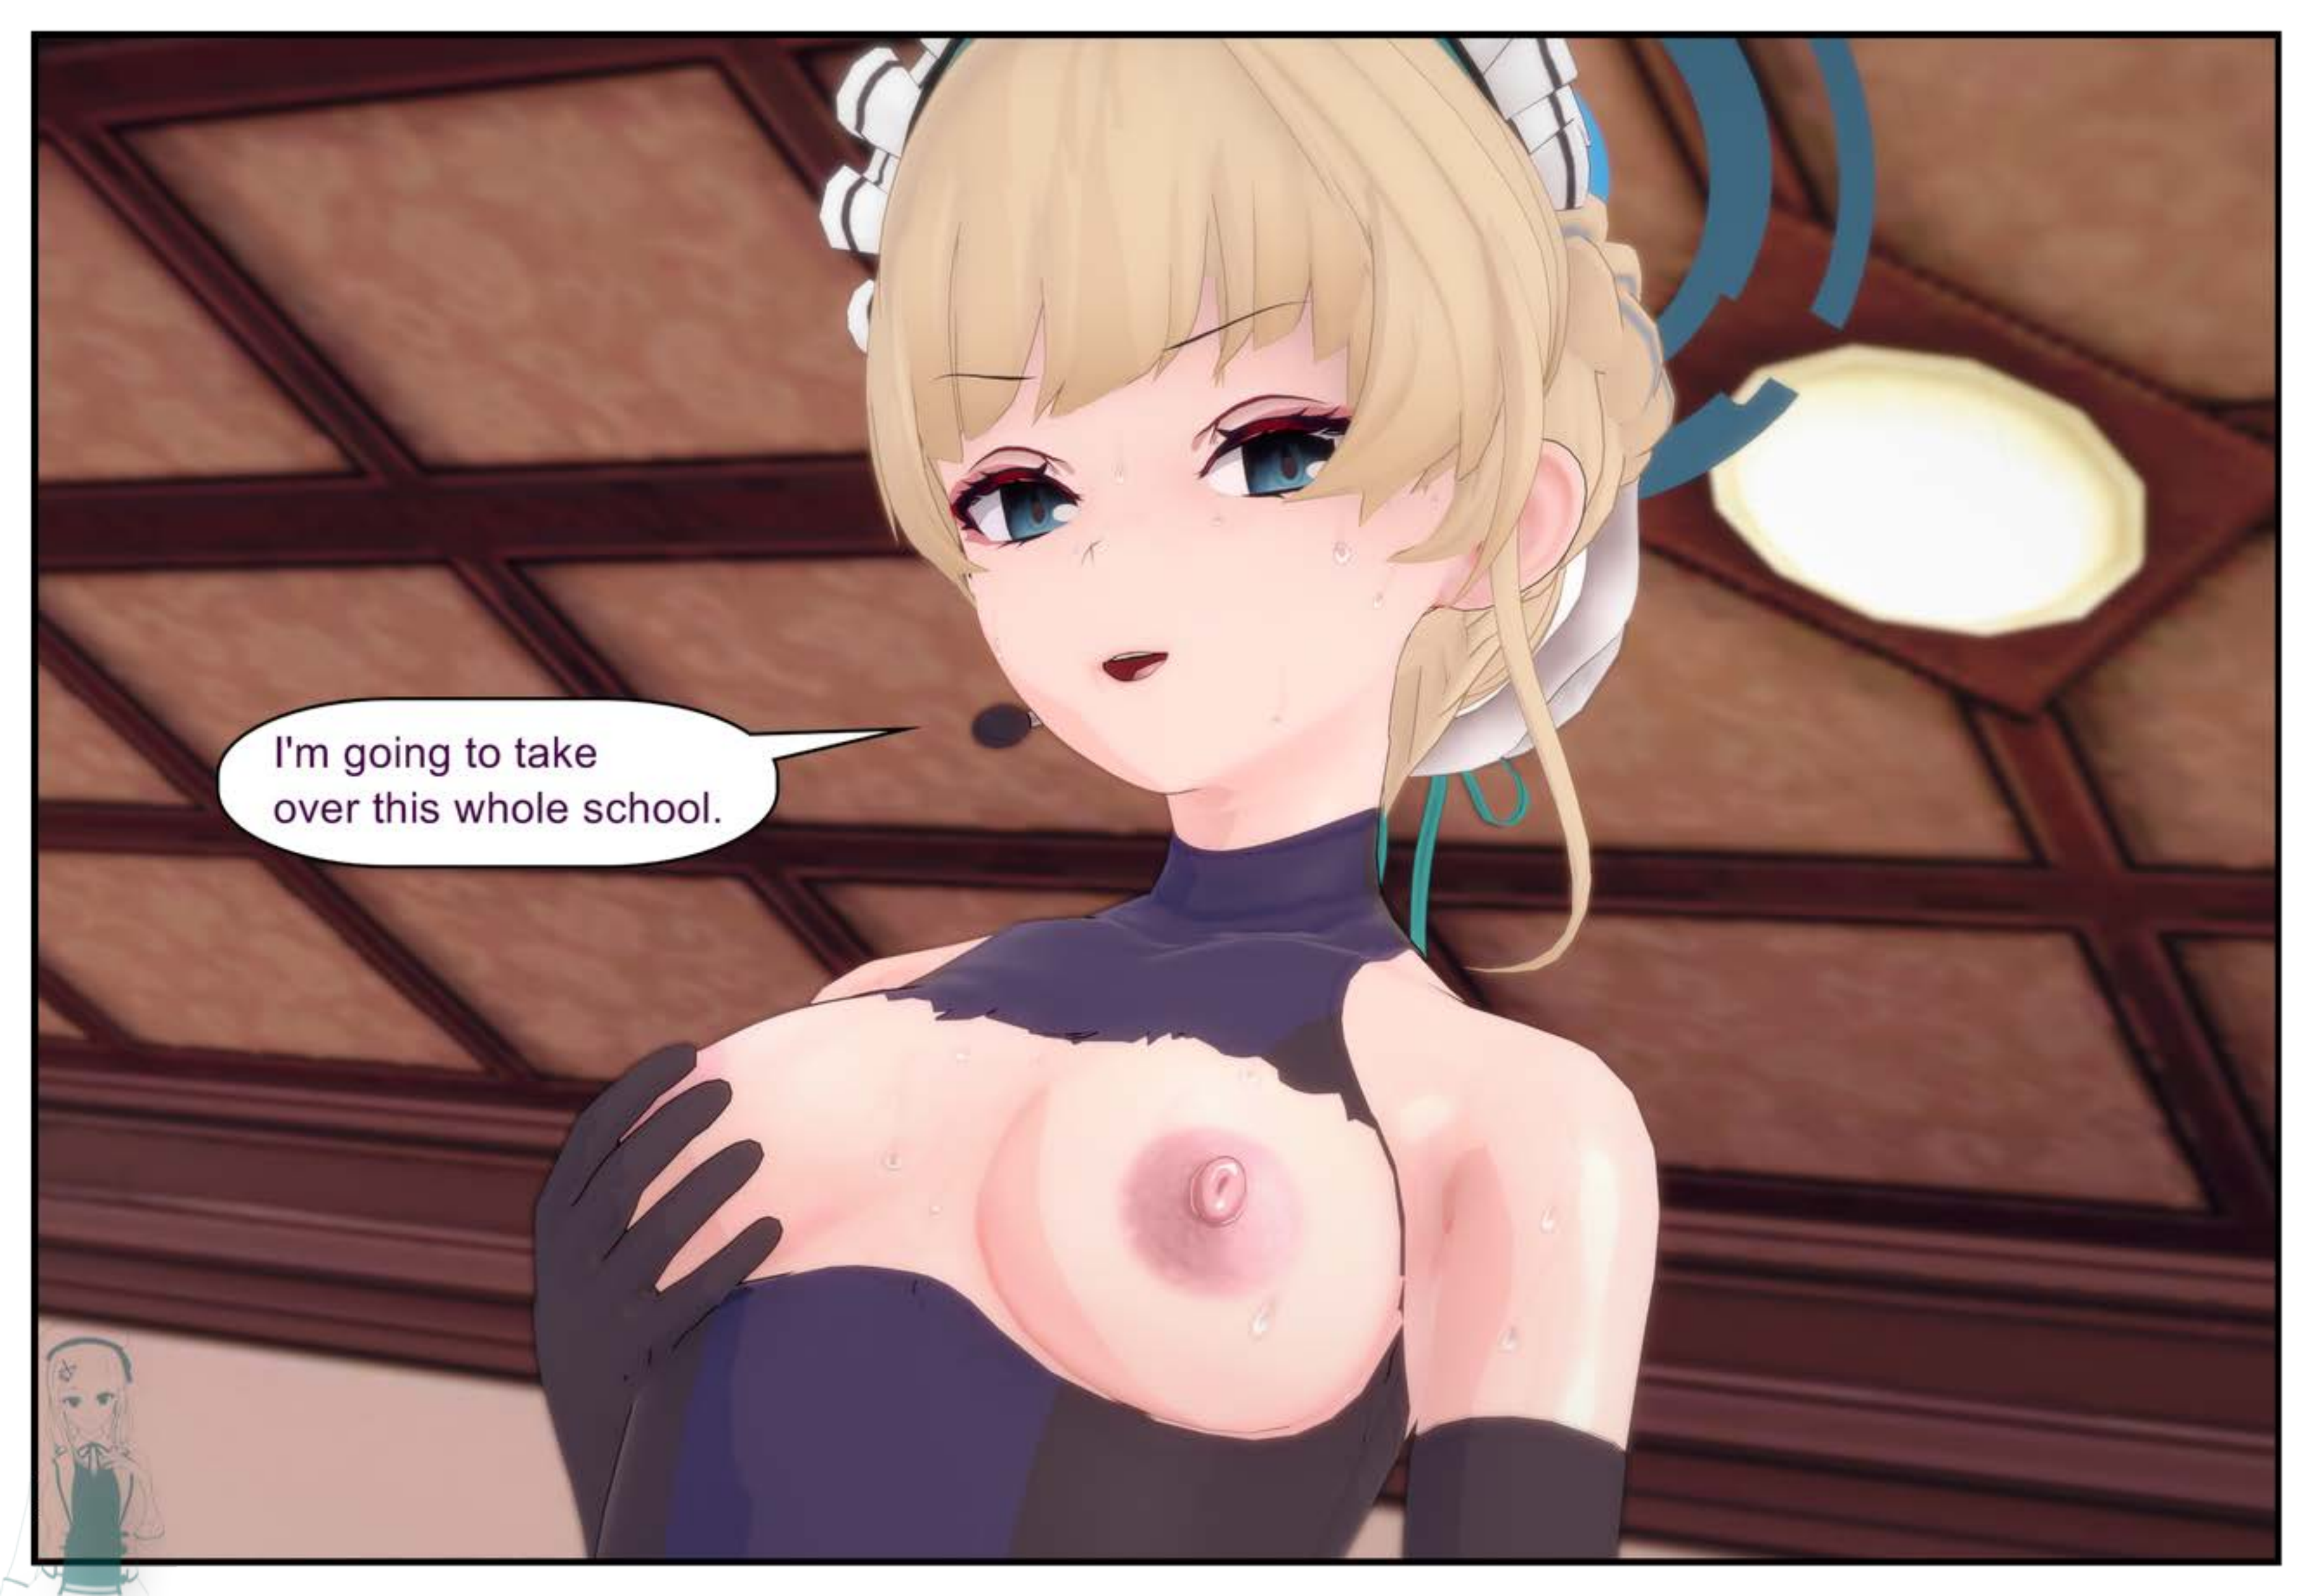

Millennium Science  
School, huh?

A manga-style illustration. On the left, a woman with short grey hair, wearing a grey bikini, is shown from the waist up. She is holding a blue handgun in her right hand and has a speech bubble coming from her. She has a smug expression. On the right, a blonde woman with pigtails, wearing a black swimsuit and a white hat with a teal ribbon, is shown from the back. She is looking towards the first woman. The background is a dark red, textured wall.

It is bigger than  
Abydos. I should  
be more careful.

I'm going to take  
over this whole school.

To be continued?

Ehehe... What kind of students I will get encounter next?
