**I should have never let Nurse Pinky go on vacation!  
The agency said you were their best! I've never met  
a more incompetent girl in al my life! Nurse Pinky  
would have finished hours ago! Well! What have you  
to say for yourself?**

**Excuses are like assholes Linda. Everyone has one and  
they all stink!**

**Do I look like I'm in charge of laundry Lauren!**

**What! Don't back talk!**

**I'm sorry Dr Mertens. Nurse Pinky invented these  
techniques; Hucow Farms is the only one who uses  
them. I just need some time to figure it out.**

**It's Laura Doctor. I hate to ask again, but were  
you able to find me a proper top.**

**No Doctor. I'm sorry Doctor. It's Laura Doctor.**

**Yes Doctor. I'm sorry Doctor.**

Why all the fuss? Are you worried we'll confuse you for one of my hucows with these big udders on display?

Since you suck at the job I hired you for, go to my lab and prepare Hucow 70 for milking, and don't screw it up!

Did I ask for your opinion. Get going Lacey.

Since you don't even know your own name, I'll just call you Tiffies. Now get moving Tities!

Dr Mertens please. I asked you to stop touching me like this. I have a boyfriend.

Doctor Mertens I don't know anything about milking hucows.

Please Doctor it's Lauren ... I mean Laura.

Yes Doctor.

She's so beautiful. I shouldn't be doing this, but Dr Mertens touching me and now seeing her.

Moouo!!!

Oh shit! What's happening?  
What do I do?

♥ Moooo!!! ♥

EYE WASH STATION  
FIRST AID

What in the hell is going on here!

Oh God!

♥ Moooo!!! ♥

I give you a simple task, and screw it up!

♥ Dr Mertens! You can't slap my breasts like that! It's not appropriate. ♥

SLAP!!!

♥ But Doctor, you gave me this to wear. ♥

This is making me so wet. Oh God please don't soak through.

♥ No Doctor! ♥

♥ Oh My God! ♥

Are you saying it's my fault you're walking around showing off your nipple rings?!

I expected more from a young woman of your talent. To make up for this I want you and your boyfriend at the Pharmaceutical Gala tonight. I have work for you.

♥ But Doctor we had plans. Oh Shift! ♥

I expect you there by 7pm. You can get your uniforms from Security.

♥ Yes Doctor! ♥

♥AAAAHHH!!!♥

Oh God! This is so wrong, but her milk is just so good!

You can't fool me, I know what you are. You're a naughty hucow and soon you'll be part of my herd.

Jacob I'm glad you and Lany could come.

I heard you talking to him on the phone. I must admit, I didn't think he would be so adorable.

Don't be petty Lauren, it's unbecoming.

I won't have you bully sweet Jacob. Now stop complaining and get to work. This little cutie will help me out.

Thank you Ma'am.

It's Laura and how did you even know his name? You've never met.

Why can he wear his regular clothes, while I have to dress like this? It's not fair.

What makes him special?

Dr Mertens I refuse to wear this!

I've had enough of your rudness and complaining.  
Bullying that sweet boy is the last straw.

But I . . . I didn't bully him.

Silence! You'd better do as you're told Titties, before  
I embarrass you in front of all these people. Now  
grab a tray and start clearing away the  
dirty dishes. Now Titties! NOW!

Yes Dr Mertens! I'm sorry Doctor!  
I won't cause anymore problems  
Doctor! Please Doctor! PLEASE!

What about your uniform?

It's very nice Doctor! I love it!

AND?!

Thank you Doctor! Thank you!  
Please Doctor! I'll behave!

That's better. Get to work!

Dr Mertens had poor Laura slaving away all night. Bringing out food. Clearing away dirty dishes. All the while wearing that "uniform". She was so exposed. Everyone could see everything. Her breasts and ass were on display. Why did this make her so horny. Her panties were soaked. Thank God for the apron or everyone would see the full measure of her shame. She didn't want this humiliation, did she???

♥Are you having fun sweetie?♥

♥Yes Ma'am. Thank you.♥

**What? How?**

**Laura are your breasts getting bigger?**

Laura felt like she was lost at sea. Her life was swirling out of control. Her breasts felt so heavy on her chest, and they ached from the pressure. She had left her soaked panties in the restroom without a thought. It seemed so natural at the time. It was only now as her hand slipped into her pussy, that she questioned why. What was happening to her? Did she want it to stop?

♥Little Cow come with me upstairs now. I reserved a room.♥

♥Yes Doctor.♥

♥Jacod sweetie come along.♥

♥Yes Ma'am.♥

♥Dr Mertens you can't touch me there. Oh Fuck! AAAAAA!!!♥

♥Yes just as I expected. Your pussy is soaking wet. Your labia are swelling nicely. Yes, nice and plump.♥

♥Laura your tits keep getting bigger! I know you don't like me to touch them, but just once can I? Please?♥

♥Ma'am may I touch...♥

♥Thank you Ma'am.♥

♥Thank you Mistress.♥

♥No! I'll allow you to rub your dick against her shoe.♥

♥Mistress!♥

♥WHIMPER!♥

♥That's a good boy. You've been hiding a big surprise from us.♥

♥Can I take it out Mistress?♥

♥ Quiet you little hucow slut! Johan be a good boy and take your clothes off. ♥

♥ Dr Mertens I feel so exposed like this. ♥

♥I didn't know it was so big.♥

♥Dr Mertens you're not going to let him...?♥

♥You do?♥

♥Why am I not surprised that your boyfriend has the biggest cock you've never seen?♥

♥That's my pussy now. I'll take care of my little toy. I know what he needs, just like I know what you need little cow.♥

♥ Dr Mertens I don't think this is what I need. Dr Mertens? ♥

She tried so hard to hold it in, but the entire situation was just too much. The vibrator, the painful slaps, the humiliation all combined to quickly drive her over the edge. Worst of all, she could hear Johan breathing heavily just out of sight. He was just watching her humiliation, while sniffing another woman's dirty panties. It all made her so aroused.

♥That's it! No more hiding what you really are!♥

♥AAAAHH!!!♥

SLAP!

BUZZZ!!!

**Milk! She could feel it. The aching in her breasts had been building all night. They felt so full and heavy! The sheer weight of them was agony. She needed relief; she needed to be milked. Dr Mertens knew! The pressure kept building. She could feel it spurting out. She was being milked!**

♥ Now little cow, show me some appreciation. ♥

Laura wanted to resist, she really did, but her had other ideas. She'd never had sex with another woman. She wasn't even sure if she was doing it right, but her body was desperate to try. Her went exploring and she couldn't stop it. She really did try to resist, but Dr Mertens' pussy was just too inviting. She had to taste it.

♥ That's good! I like your enthusiasm. Johan stop stroking your cock and make yourself useful. Open that case and bring me the contents like a god boy. ♥

♥ Johan be a dear and bring me the items in that bag. ♥

BUZZZ!!!

♥ Here you go Mistress. Your breasts?! Is that really milk?♥

♥ Yes Mistress!♥

♥ Tied up?! Mistress???♥

♥ Yes I'm lactating. You like that don't you Sweetie?

♥ Interesting. Let's get you tied up so I can focus on my new hucow.♥

♥ That's a good boy. You like my milk don't you? ♥

♥ Mmmmmmm!!! ♥

♥They feel so big! I've never felt so full!♥

♥Really!?!♥

♥Wait until I turn them on. They don't just vibrate, they also provide electric shock.♥

♥ Now my dear, these are vibrators! ♥

♥ Yes the electric shocks are devilish. I've set yours to half of my starting level. I think you'll love these little cow. ♥

♥ AAAAAA!!! ♥

♥ Th... Thank you Mistress! ♥

BUZZZ!!!

BUZZZ!!!

BUZZZ!!!

♥YES! More! Please make it hurt more!♥

BUZZZ!!!

BUZZZ!!!

♥AAAH!!♥

BUZZZ!!!

♥ AAAHHH!!! ♥

♥Now tell me, what are you?♥

♥Good; and who do you belong to?♥

♥That's right! You're part of my herd now. Jacob come over here now!♥

♥I'm a naughty little hucow.♥

♥I belong to you Doctor.♥

♥NNNNNN!!!♥

♥Doctor I know I'm yours now, but I don't want to see him suffer. He needs to cum.♥

♥ AAAAAH!!! ♥

Um ... so ... I guess this is goodbye.

Don't dawdle Laura, we have a lot to do. Jacob I've called a friend. She'll be your Mistress from now on. I think you'll be very happy.

Thank you Mistress; and bye Laura.

♥Hello Mistress.♥

♥Yes Mistress!♥

Dr Mertens said you were adorable; she didn't mention you had a big fat cock! She may not like cock, but I do. On your knees worm!

♥ I'm not sure Mistress. I've never done it. ♥

Tell me worm, do you know how to use that big fat cock to please a woman?

♥ A Virgin! Dr Mertens is too good to me. I love training them when they're fresh. I think you're a naughty boy. Mommy's had a hard day at work; be dear and help Mommy relax. ♥

♥000000!!! I knew you were a naughty boy!♥

♥ You want to eat that pussy, don't you? Looks like I better get more comfortable. ♥

♥0000!! Your tongue is so long! You're going to make an excellent ass slave!♥

♥MMMMMMMM!!!♥

After initial experiments on herself, Dr Mertens had perfected a version of her Hucow Treatment that did not impact IQ. She found a lucrative market selling to rich and powerful women. They paid a premium to enjoy the sensual aspects of being a hucow, without the intellectual costs.

Letting her parade me around  
in public half-naked. I'm a slut. I'm  
a slutty little hucow.

I think she's taking about  
you my little hucow slut.

Oh My God! What a slut!

Laura was confused as Dr Mertens led her over to the receptionist. She was utterly mortified by what happened next. Dr Mertens took hold of one of her big fat nipples and expertly squirted milk on the receptionists face. The prudish receptionist was overcome with lust by the display. What humiliated Laura the most, was that she proud about belonging to Dr Mertens.

♥Oh My! I'm so sorry!♥

Laura couldn't believe what was happening. The hotel lobby was crowded. People checking in; people checking out; the constant din of heels clicking against tile; the background murmur of a dozen voices; all went silent. All Laura could hear was the sound of heavy breathing and whispered voices. She could feel their eyes on her. It was so humiliating; so arousing!

The prudish receptionist kept suckling her breast like it was her last meal. Laura could feel her orgasm building. This was becoming too much; the eyes all around her were devouring her. Insecure about her own nudity and the lewd sexual act being done in public, Laura tried to pull away. Dr Mertens wasn't having any such nonsense and held her tightly. Eventually, it was all too much, and Laura was squirting all over the well-polished marble floor. The gasps and whispered comments made her cum again immediately. She loved being a hucow!

♥ AAAHHH!!! ♥

♥ Don't disappointment little ass slave;  
fuck that ass like you mean it. ♥

♥ Your ass is so tight! I can't  
believe I'm really having sex. ♥

AAHHH!!!

MMMMMM!!!

AAAHHH!!!

♥Thank you.♥

♥Oh my what a display! It must be so liberating to be such a lascivious hucow slut. I almost wet myself when she shoved that huge plug up your ass.♥

♥Where are your manners Titties?♥

♥YES!!! AAAHHH!!!♥

♥ AAAHHH!!! ♥

Laura wasn't really sure what had happened. She woke up with a boyfriend she thought she loved and a new boss who delighted in bullying her. Now she was bound tightly in barn that smelled of sex and milk. Worst of all, she didn't want to be anywhere else.

♥ I've been looking forward to this moment from the day you walked into my lab. ♥

♥ AAAA! ♥

♥Let's see what this button does.♥

♥AAAAAA!!!♥

BUZZZ!!!

♥What about this one?♥

♥AAAAAA!!!♥

BUZZZ!!!

BUZZZ!!!

Dr Mertens was pleasantly surprised when she triggered the electric shock mode on both vibrators. Laura was pleading with her eyes for more! This had quite the effect on the good Doctor.

♥ AAAHHH!!! ♥

BUZZZ!!!

BUZZZ!!!

♥The pain is exquisite isn't it? It's almost overwhelming, but not quite. However, when turn everything to 11... well let me show you.

♥AAAAHH!!!♥

Dr Mertens turned all the electrodes to maximum and left them on. At first Laura howled in pain. The pain turned to anguish; the anguish became resignation; and resignation ultimately turned into true submission. Her mind and her will were broken. This was Dr Mertens' favorite part of the huco transition. It was so magical, that she took a moment to pleasure herself.

AAAHHH!!!

AAAHHH!!!

Laura was completely exhausted as Dr Mertens lifted her off the bondage rack. Even in her foggy state, she was amazed at how strong the Doctor was. Her body felt heavier, especially her breasts. They felt so full that they hurt.

It looks like someone needs to be milked.

♥AAAAAA!!!♥

In a barn; bound tightly and being milked like a cow. No not being milked like a cow; being milked because she is a cow, and that's what you do with cows. How did Dr Mertens understand her needs so well? Laura was certain of two things: she didn't want to be "Laura" anymore, that was a human name; and she never wanted to leave this barn.

♥ Deeper! I need it deeper! ♥

♥ Deeper!!! ♥

♥ Oh so you want it deeper do you? ♥

Yes, I think she'll do nicely.

AAAHHH!!!

♥ Allright fifties you can leave right now  
if you want to. Now tell me what you want. ♥

♥ More! ♥

Doctor I have to pee.

Here?

O.K.?

Well go ahead.

Humans use toilets, animals use the barn. You'd better get it all in the bucket.

Laura's face burned with humiliation and shame. She was being treated like an animal; but that wasn't the true source of her shame. She felt ashamed because she liked it. No, she loved it.

♥ It looks like you missed, since the side of the bucket doesn't count. I'll have to punish you. ♥

♥ Yes Doctor! ♥

♥You have a nice, spankable ass Titties.♥

♥Thank you Doctor.♥

♥ Look at you! Your pussy's dripping wet.  
You're going to make good little cow, ♥

♥Harder Doctor! HARDER! YES!!!♥

WHACK!

♥Thank You Doctor! Thank You Doctor! AAAHHH!!!♥

♥This plug is so big, I wonder if it will fit?♥

♥Such a tight little asshole.♥

♥AAAAA!♥

♥ Now what do you say? ♥

♥ AAAAAH!!! ♥

♥Yes I think you'll make a good hucow.♥

♥AAAHHH!!! Thank you Doctor!♥

The barn filled with the sounds of her spanking. Each felt harder than the one before. Each stroke drove the massive butt plug deep into her ass. Dr Mertens was relentless. Her grip was every bit as unyielding as the pillory. Trapped and helpless, all Laura could do was accept her punishment. The most humiliating part was that she couldn't stop cumming.

♥AAAHHH!!!♥

SLAP!  
SLAP!

The spanking never seemed to end, and if Laura was being honest with herself, she didn't want it to end. The pain had driven her beyond euphoria, to ecstasy. This barn was where she belonged. Being humiliated and punished by Dr Mertens; being owned by Dr Mertens; that was the life for her. Everything she had ever done, everything she had ever dreamed; all seemed so insignificant. She needed to be a hucow.

♪ AAAHHH!!! ♪

This round of spanking wasn't nearly as hard as the others, but Laura's ass was so raw and tender, that it stung all the same. Laura tried her best to satisfy Dr Mertens, but the pillary impeded her. Dr Mertens kept her pussy almost out of reach. Laura pushed so hard against the pillory, that the wood bit into her skin. She had to stretch her tongue as far as she could, just to get the tip into Dr Mertens' pussy.

♥Yes that's the way Tiffies! Show me you can be a good little cow.♥

SLAP!  
SLAP!  
SLAP!

Just when Laura thought life couldn't get any better, Dr Mertens turned around and presented her ass. Laura's heart jumped. At first Dr Mertens kept her asshole just out of Laura's reach. She then took off Laura's glasses, and proceeded to crush Laura's face against her ass. Laura was in heaven as she submitted and licked Dr Mertens' ass. She belonged to Dr Mertens now.

Laura's poor little asshole was painfully stretched by the by the giant butt plug. Her ass burned from the worst spanking she had ever received. Her limbs ached from being trapped in the pillary. Her breasts ached from being engorged with milk. She had now been degraded by being being Dr Mertens ass slave. Her face being craushed up against that powerful. It was all to much for her poor mind and body, and she had another orgasm.

♥Titties you're such a good little cow. Lick every inch of my asshole. When you're done, I've got a special treat for you.♥

♥ Take a minute to regain your strength,  
because you're going to need it Titties. ♥

The feeling of the straw against her skin felt very natural for some reason. As Laura lay there, she noticed all the smells around her. A particular scent stood out from the others. It was so strong as to be overpowering. It was the scent of cock; and it was getting closer.

♥Wake up Tiffies. I have a treat for you.♥

♥MMMMMMM!!!♥

♥Be a good doggie and choke  
Titties with that huge cock.♥

♥MMMMMMMM!!!♥

♥ Good Boy! ♥

♥ Mmmmmmm!!! ♥

♥ Doctor he's violafing my ass! ♥

As the hubull raverged her ass, Laura felt the last shreds of her humanity slipping away. She should have felt fear or at least concern, but she felt neither. A sense of calm and wellbeing washed over her.

♥You call that fucking?! Put your back into it!♥

♥ Good Boy! ♥

♥You're still useless 383,  
but I think I'll keep you.♥

♥Now let's fatten you up.♥

♥Thank you Doctor!♥

**Nurse Pinky should be back, let's  
get you cleaned up 383.**

**♥Yes Doctor!♥**
