Here your  
ramen. Enjoy.

Some team were  
sent to investigate..

..about the portal that  
appeared in the wood  
near our village.

Your water,  
Miss. Sakura.

And they didn't  
ask us to accompany  
them along..

I think this would  
be nothing to them.

We are getting stronger, aren't we?

Well, we have to be cautious. And ready any time.

"Ah.. this late.. I was holded up for those kid."

"I only hope that  
Naruto and Sakura  
won't mind waiting."

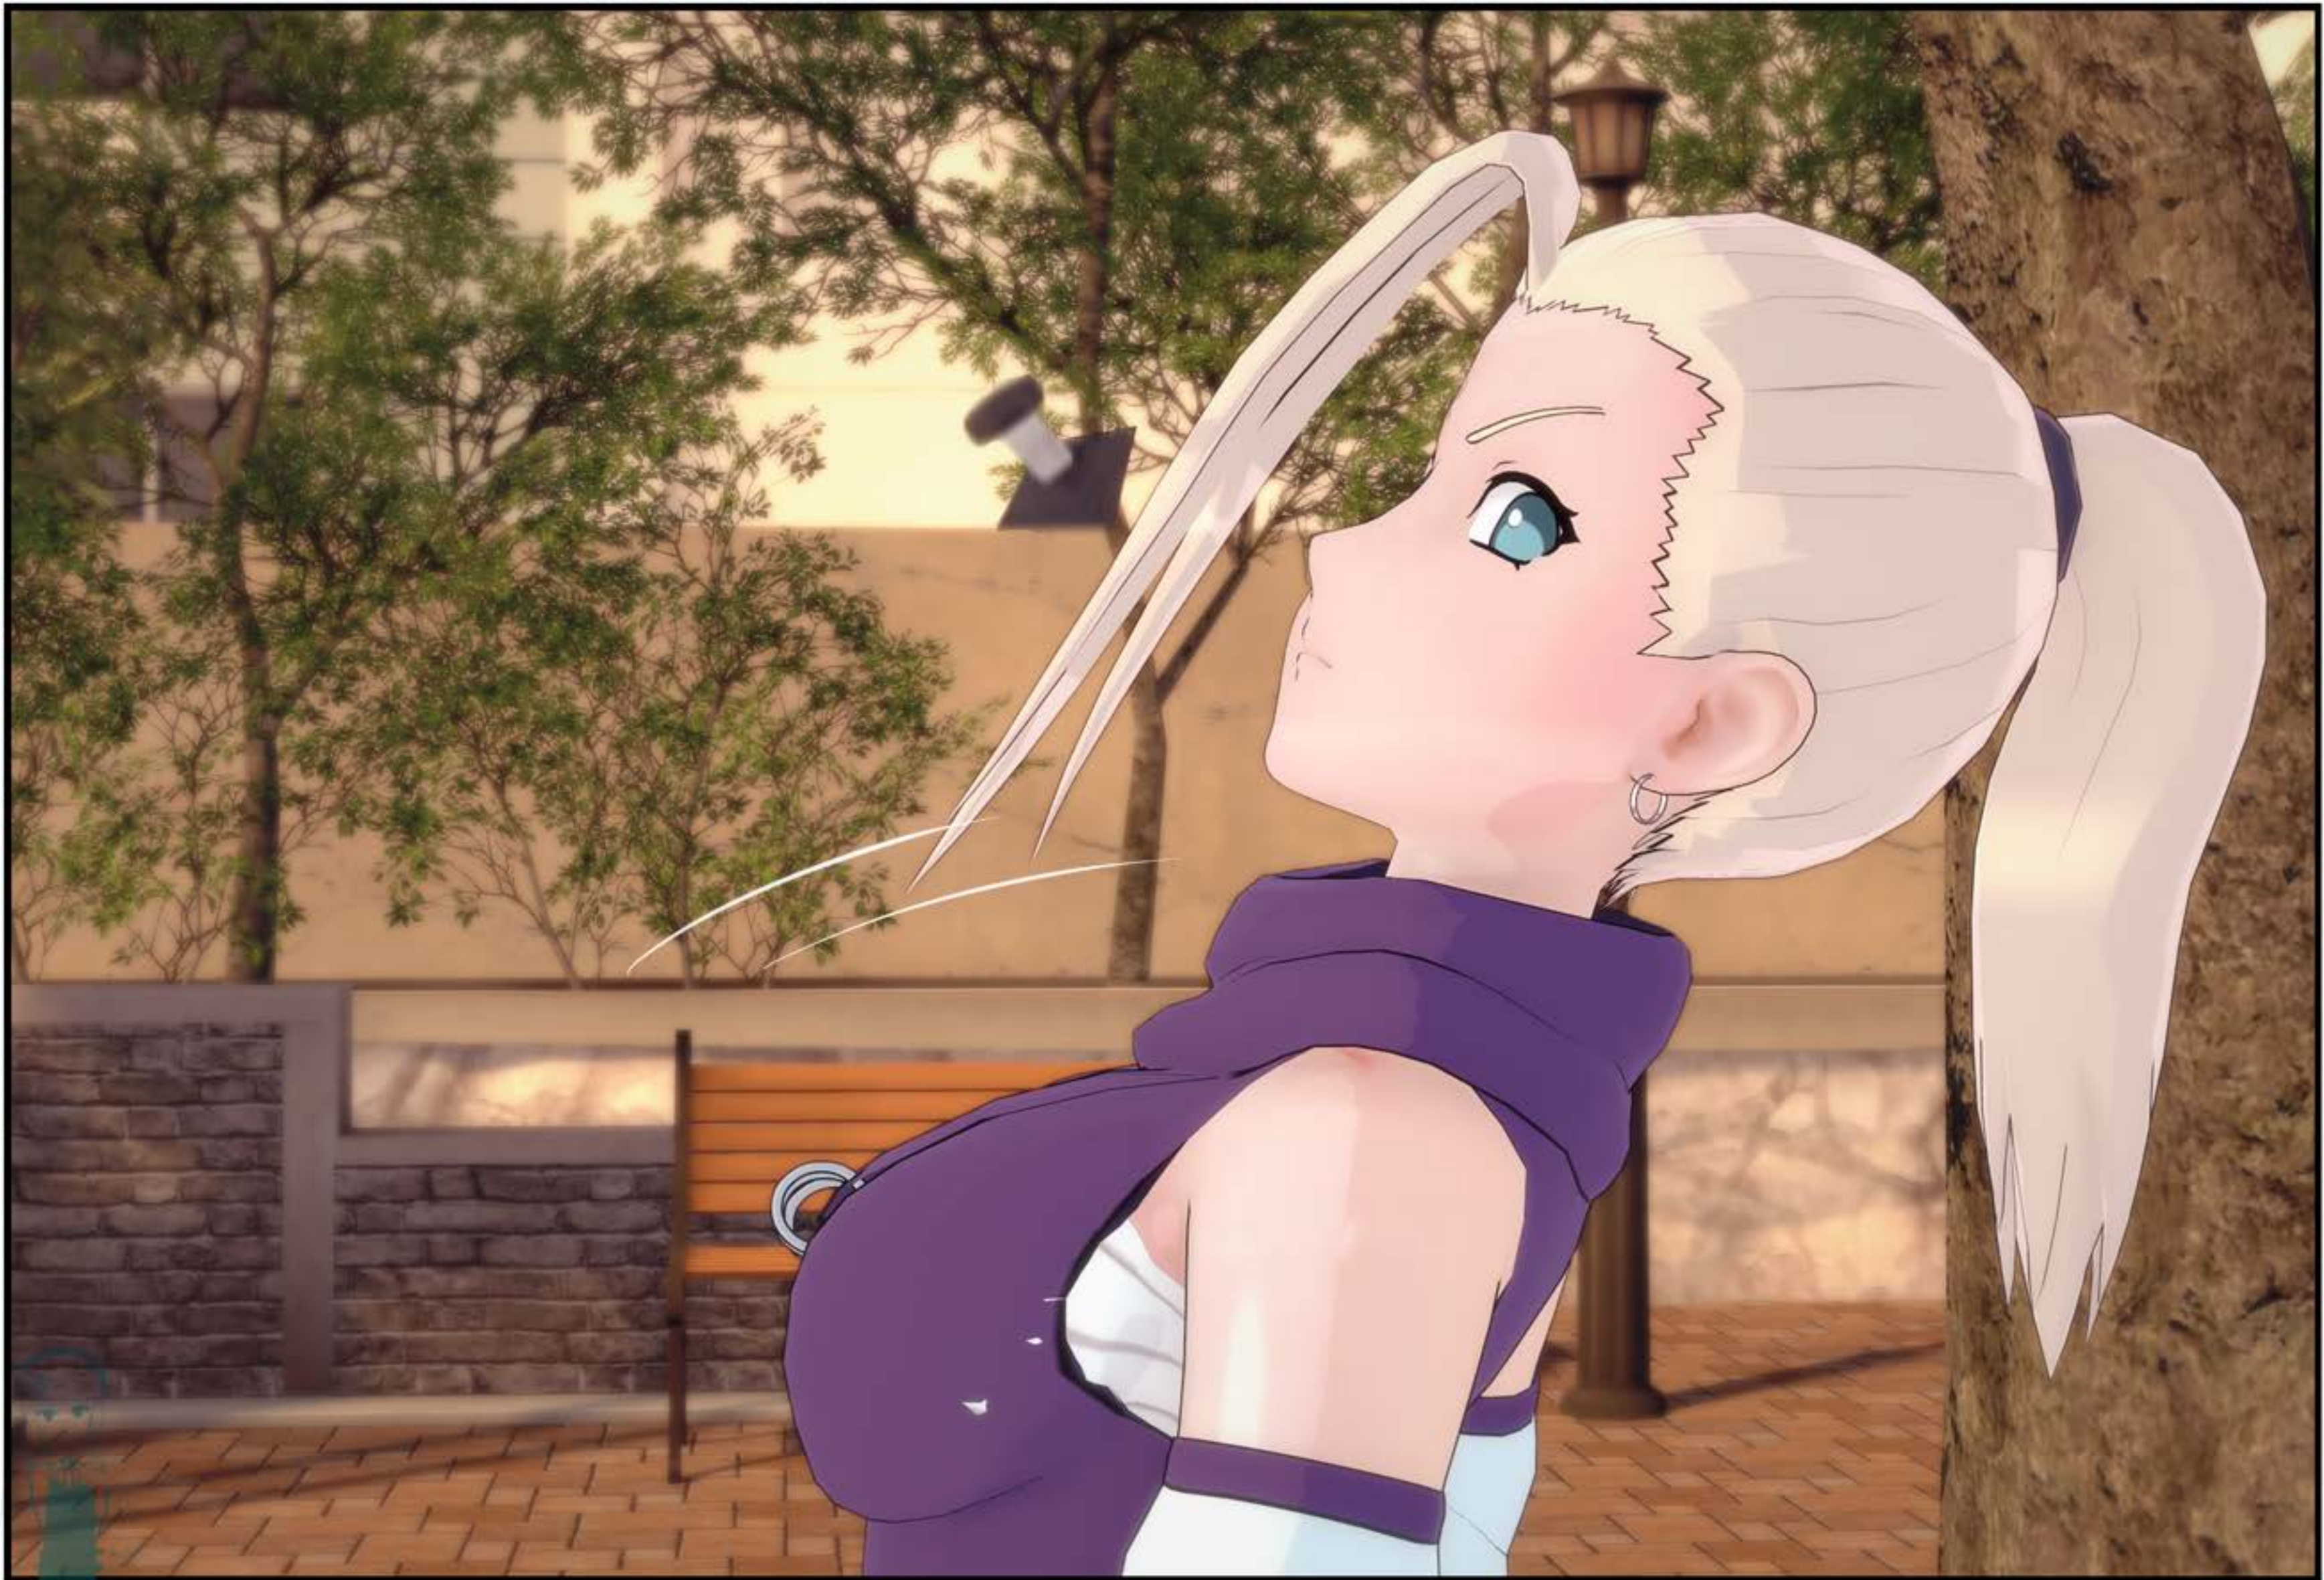

This charka..  
Shizue..?

That was a bit  
rude of you, Shizue.

At least, you should tell me that..

..you want a  
duel with me?

"It's.. Shizue's  
poison ninjutsu!?"

"She's just too fast..  
I couldn't catch up.."

Shizue.. What gotten into you?

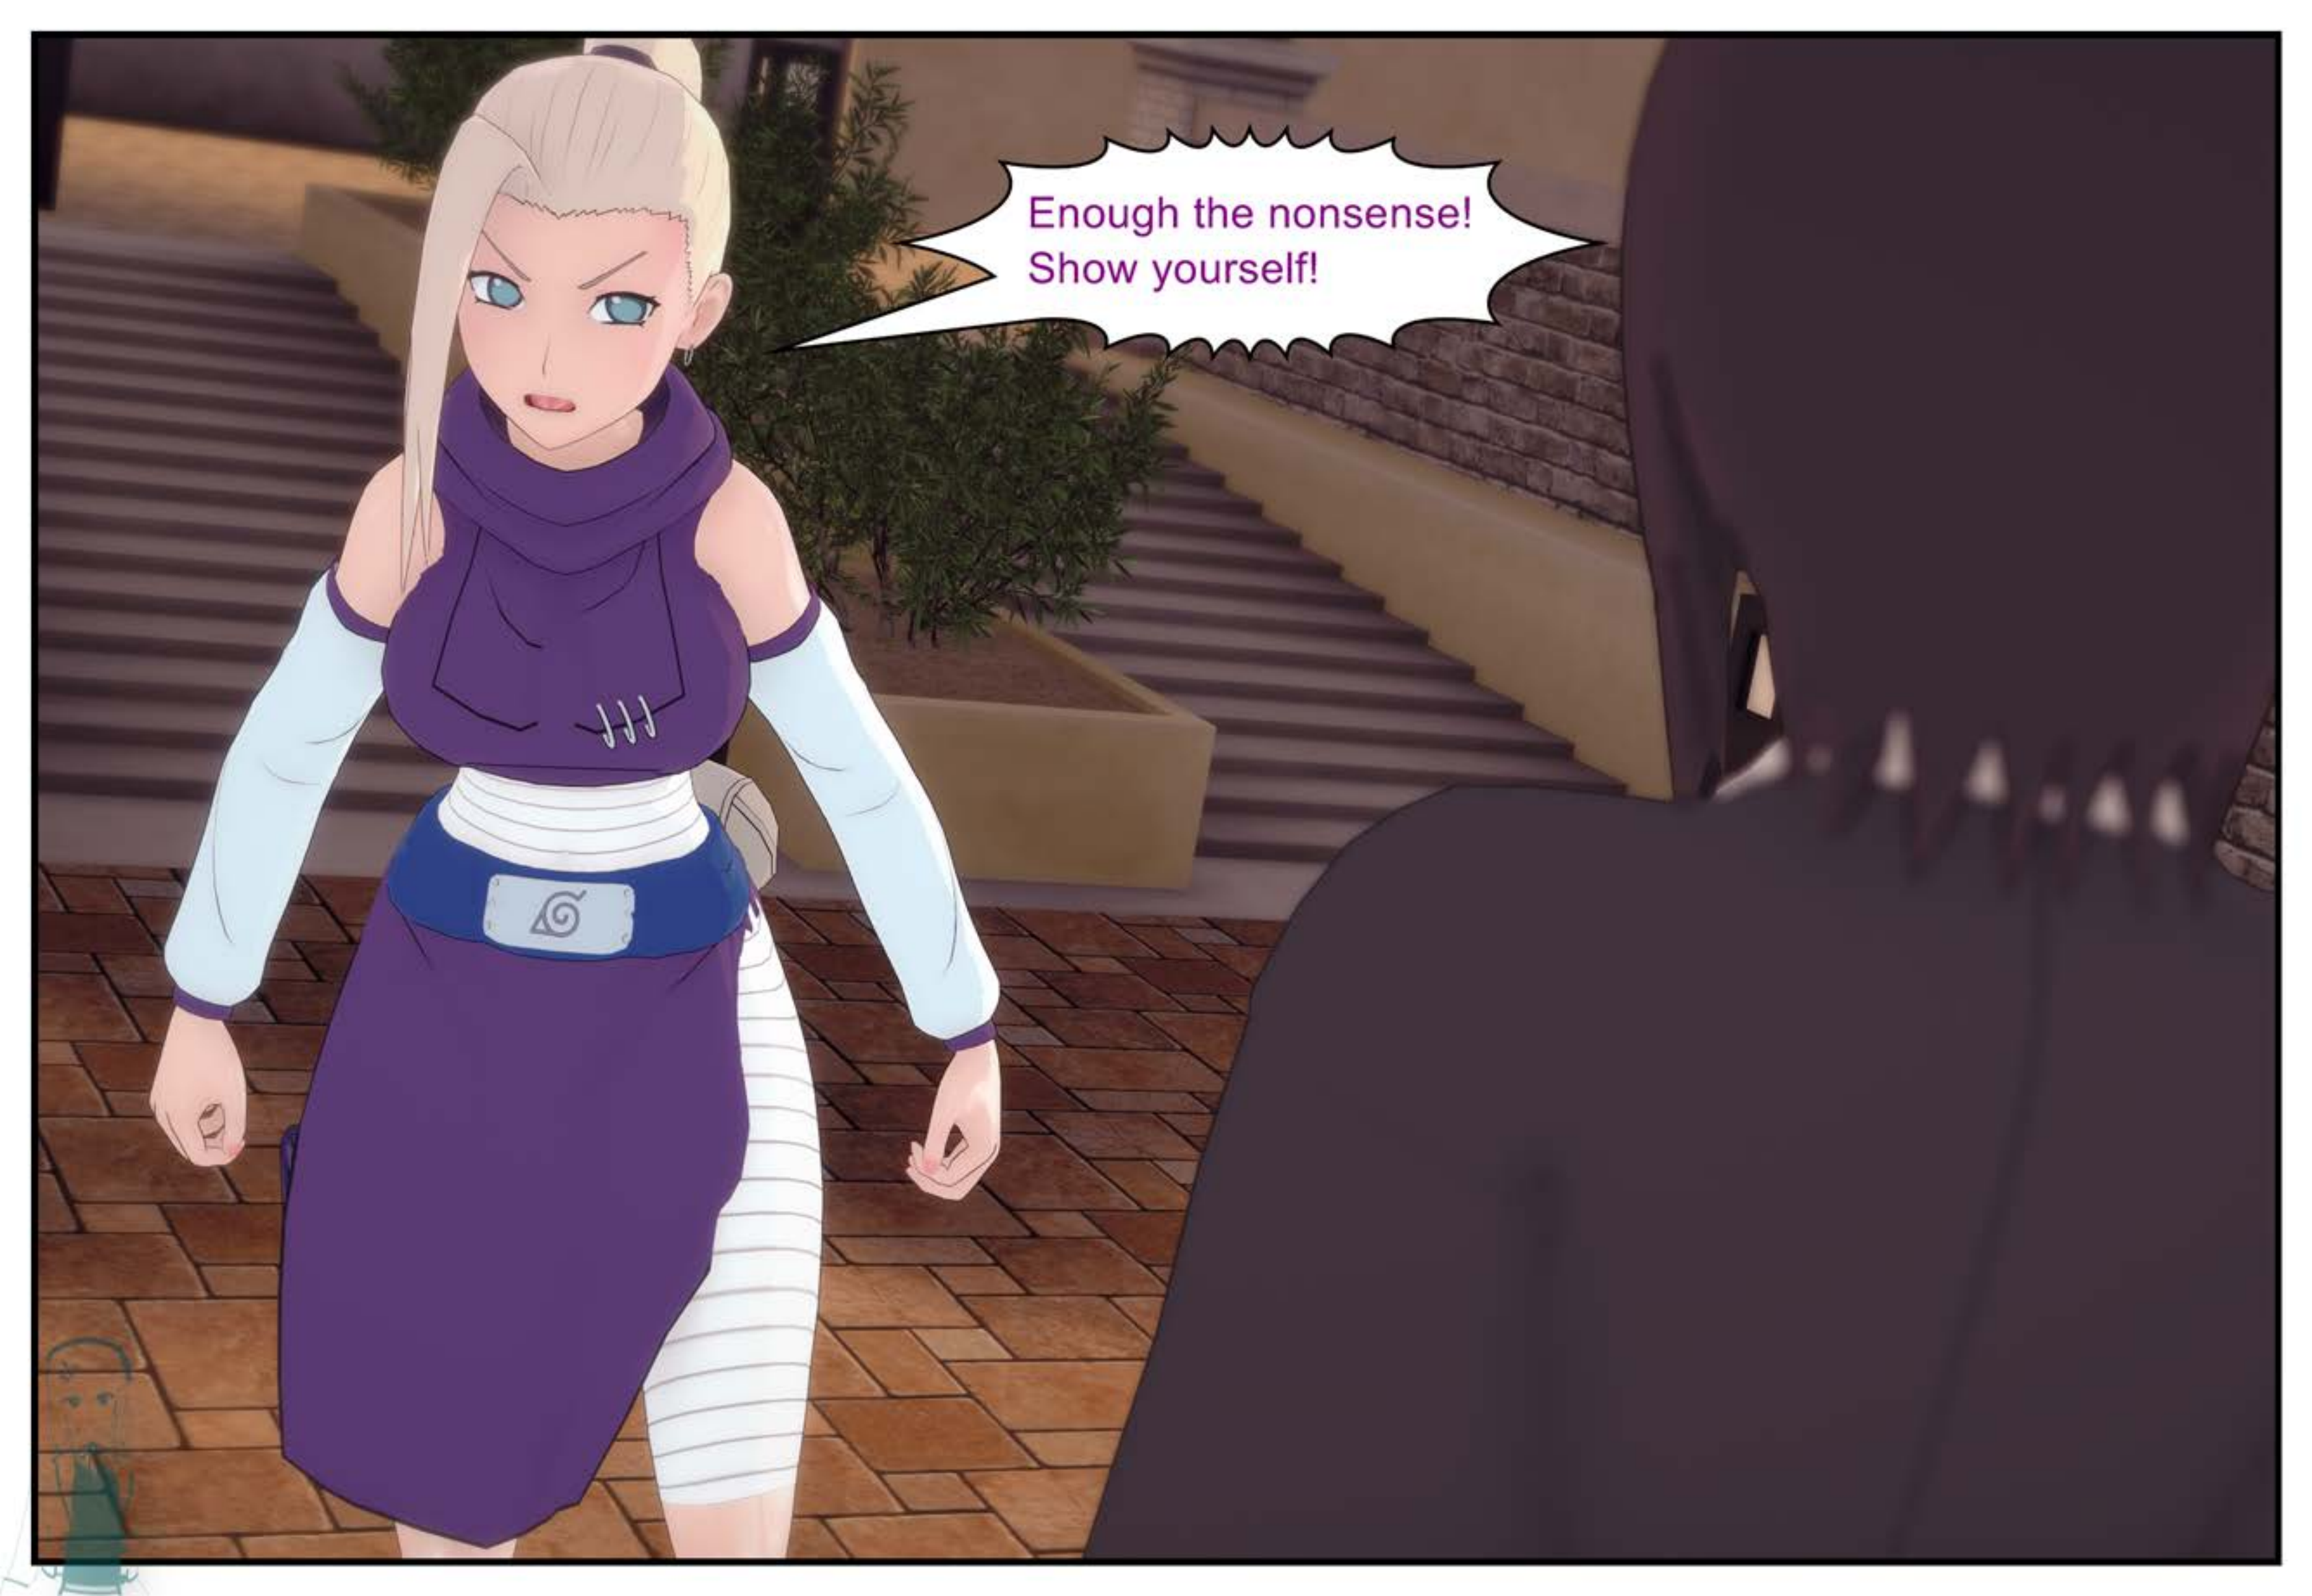

You still need to learn more, Ino.

At this era, you  
were still can't  
compete with me.

Enough the nonsense!  
Show yourself!

Don't even recognize  
my voice, Ino?

H-Hinata..!!??

What are you..  
doing here? I  
thought you..

T-That's..

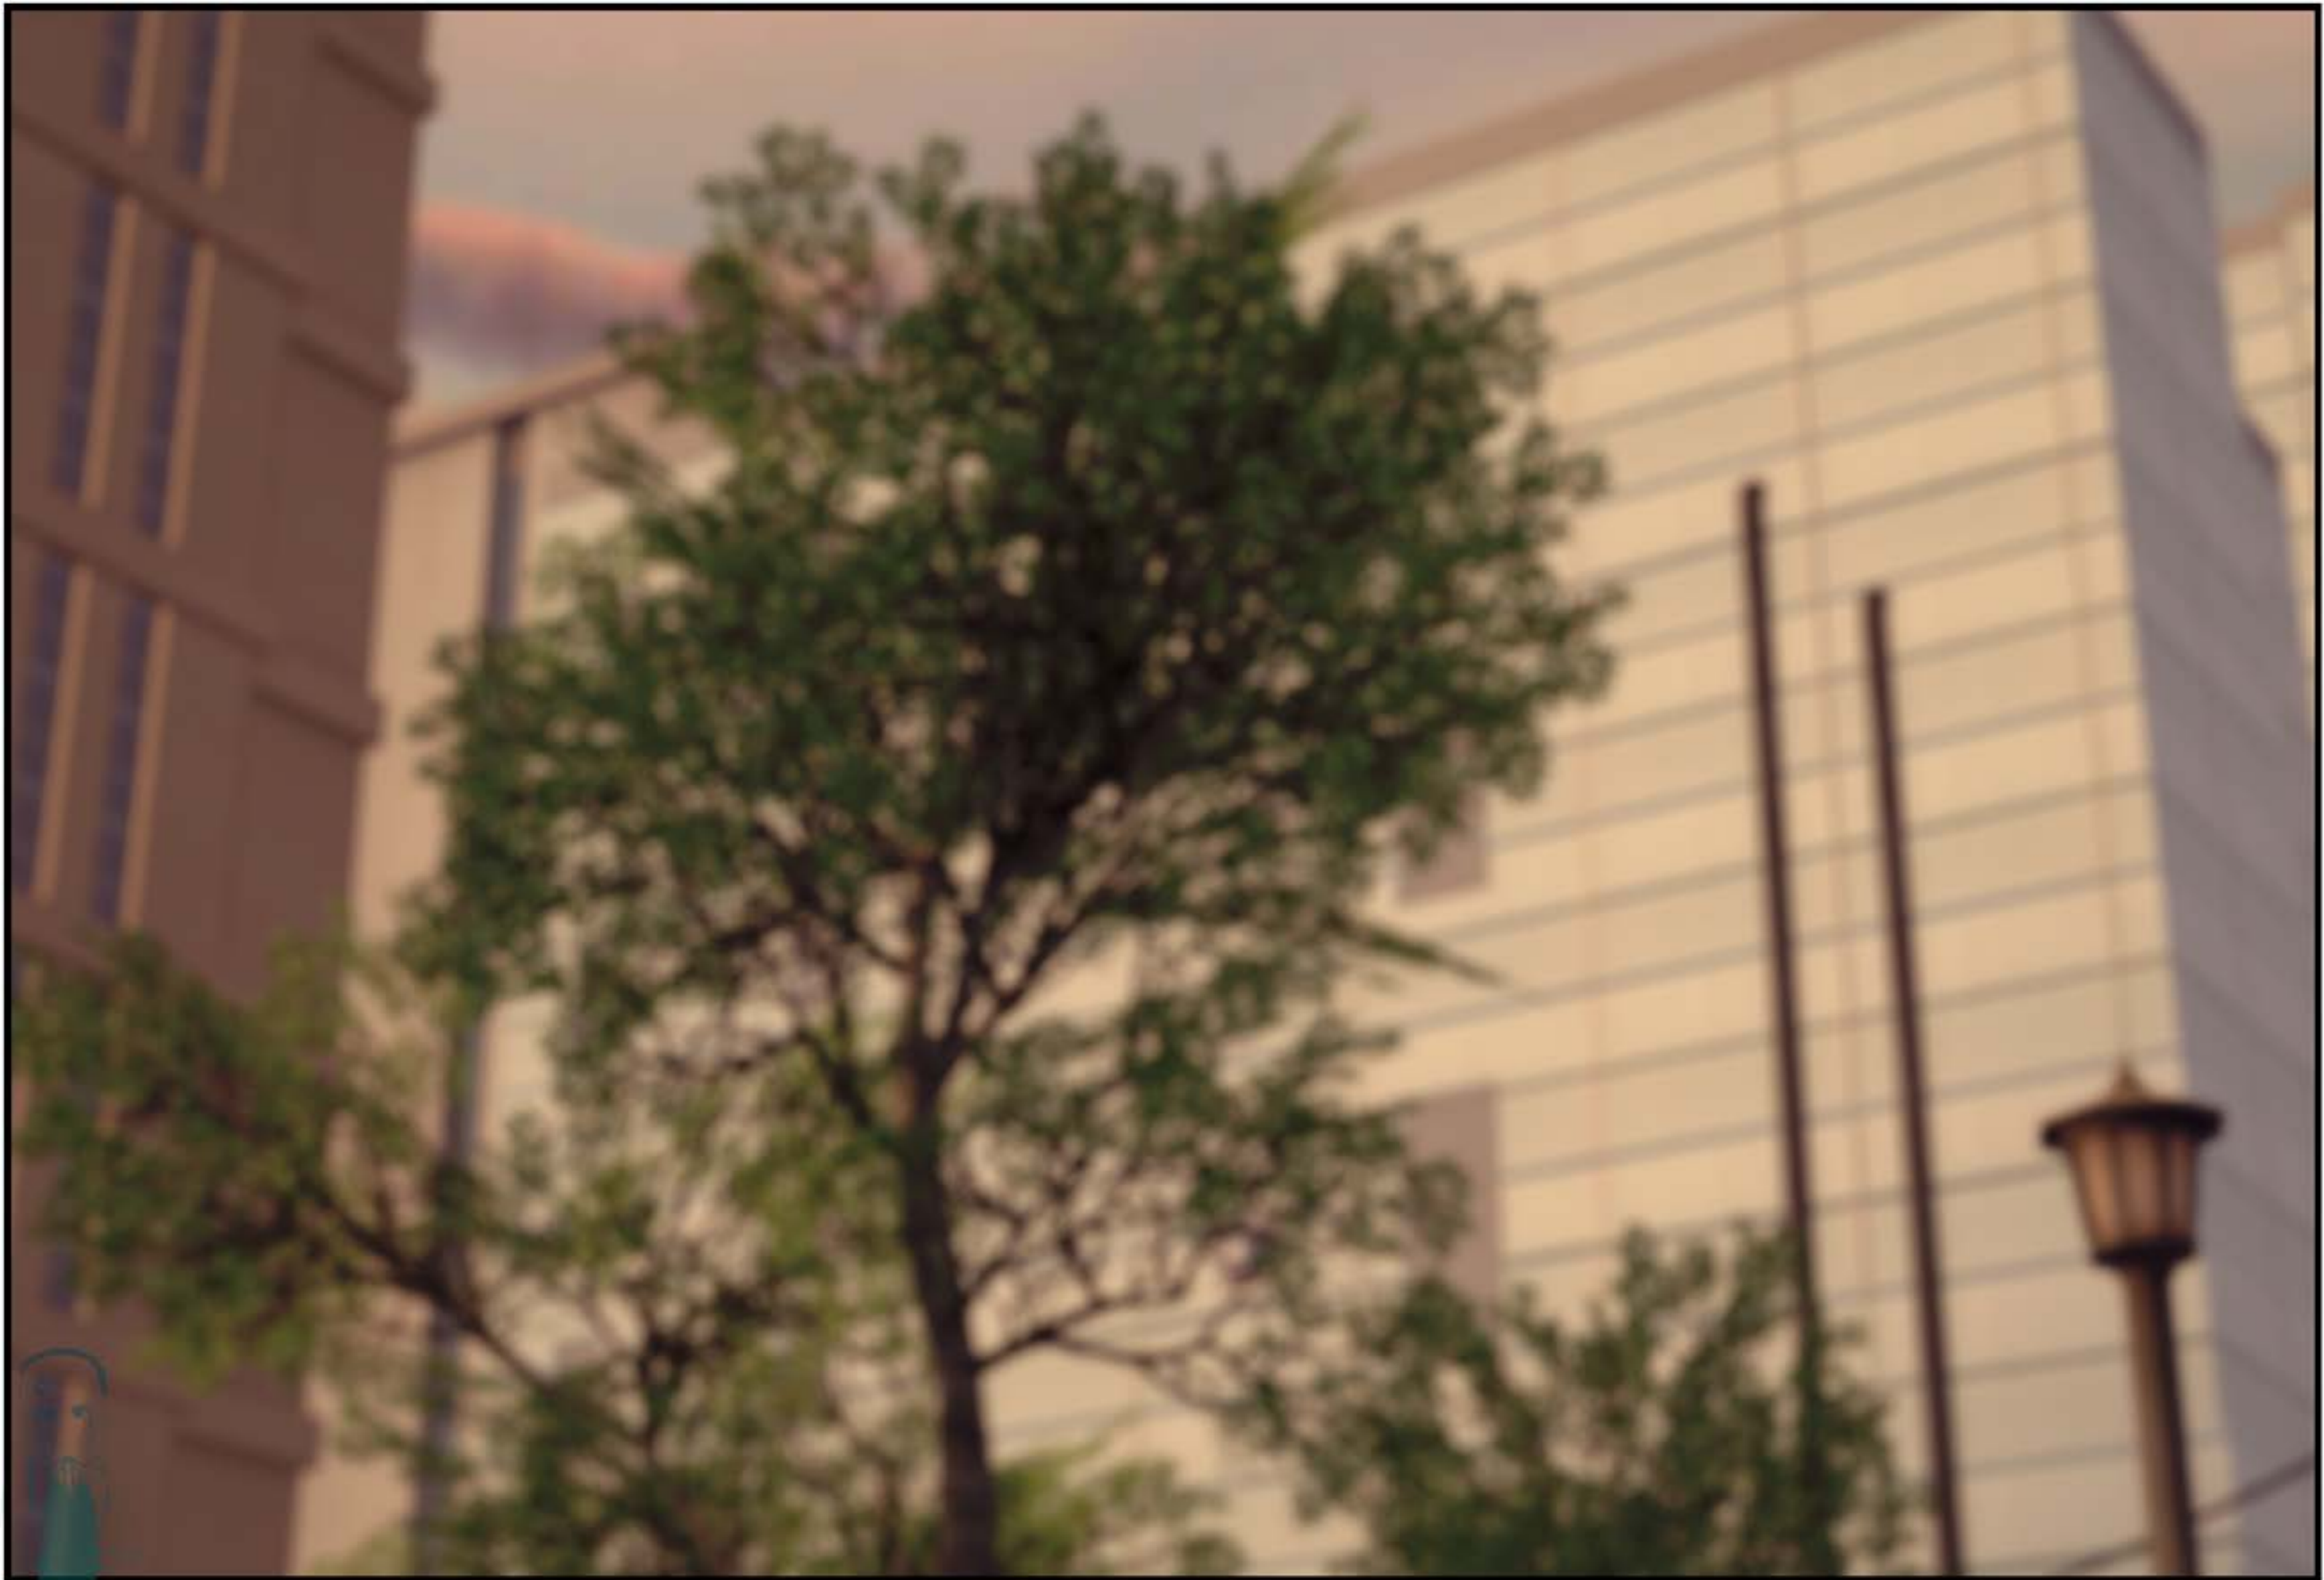

Familiar with  
your own Ninjutsu?

"Hm? Seem like..  
Ino in this era..  
still young."

We already took  
Ino's mind, what next?

Sure you got hang  
of that body?

Not a problem,  
we only split our mind.

And look like  
we came to the  
right timeline.

Let's figure out  
what to do next..

This charka..  
it's those two.

Ino! Are you alright?

I'm fine? You two  
look really in hurry.

A 3D-rendered anime-style illustration of Naruto Uzumaki and Sakura Haruno. Naruto is on the left, wearing his signature orange jumpsuit with yellow buttons and a white forehead protector. He has spiky blonde hair and blue eyes, looking towards Sakura with a slightly nervous expression. Sakura is on the right, with her signature short pink hair and green eyes. She is wearing a dark purple sleeveless top with white trim and three white horizontal stripes on the chest. She has a serious, questioning expression. The background is a simple outdoor setting with a brick wall and a tree. Two speech bubbles are present: one from Naruto and one from Sakura.

Oh.. Uh.. We sensed a large amount of charka.

Almost like a Hokage was fighting.

What? You thought I have that much?

You got it all wrong then.. Nothing here.

Haha.. We was a bit worry so..

Thanks anyway.  
I can take care of myself.

A-Alright.. Let's head back, Sakura.

Well, it was a bit close.. They sensed my charka.

Just in time that I ran out of it..

I will need you  
to help me regain  
as much.

Think this would work?

Sure it would,  
shall we now?

Y-Yes.. Keep  
it going.. Hyaaa!!

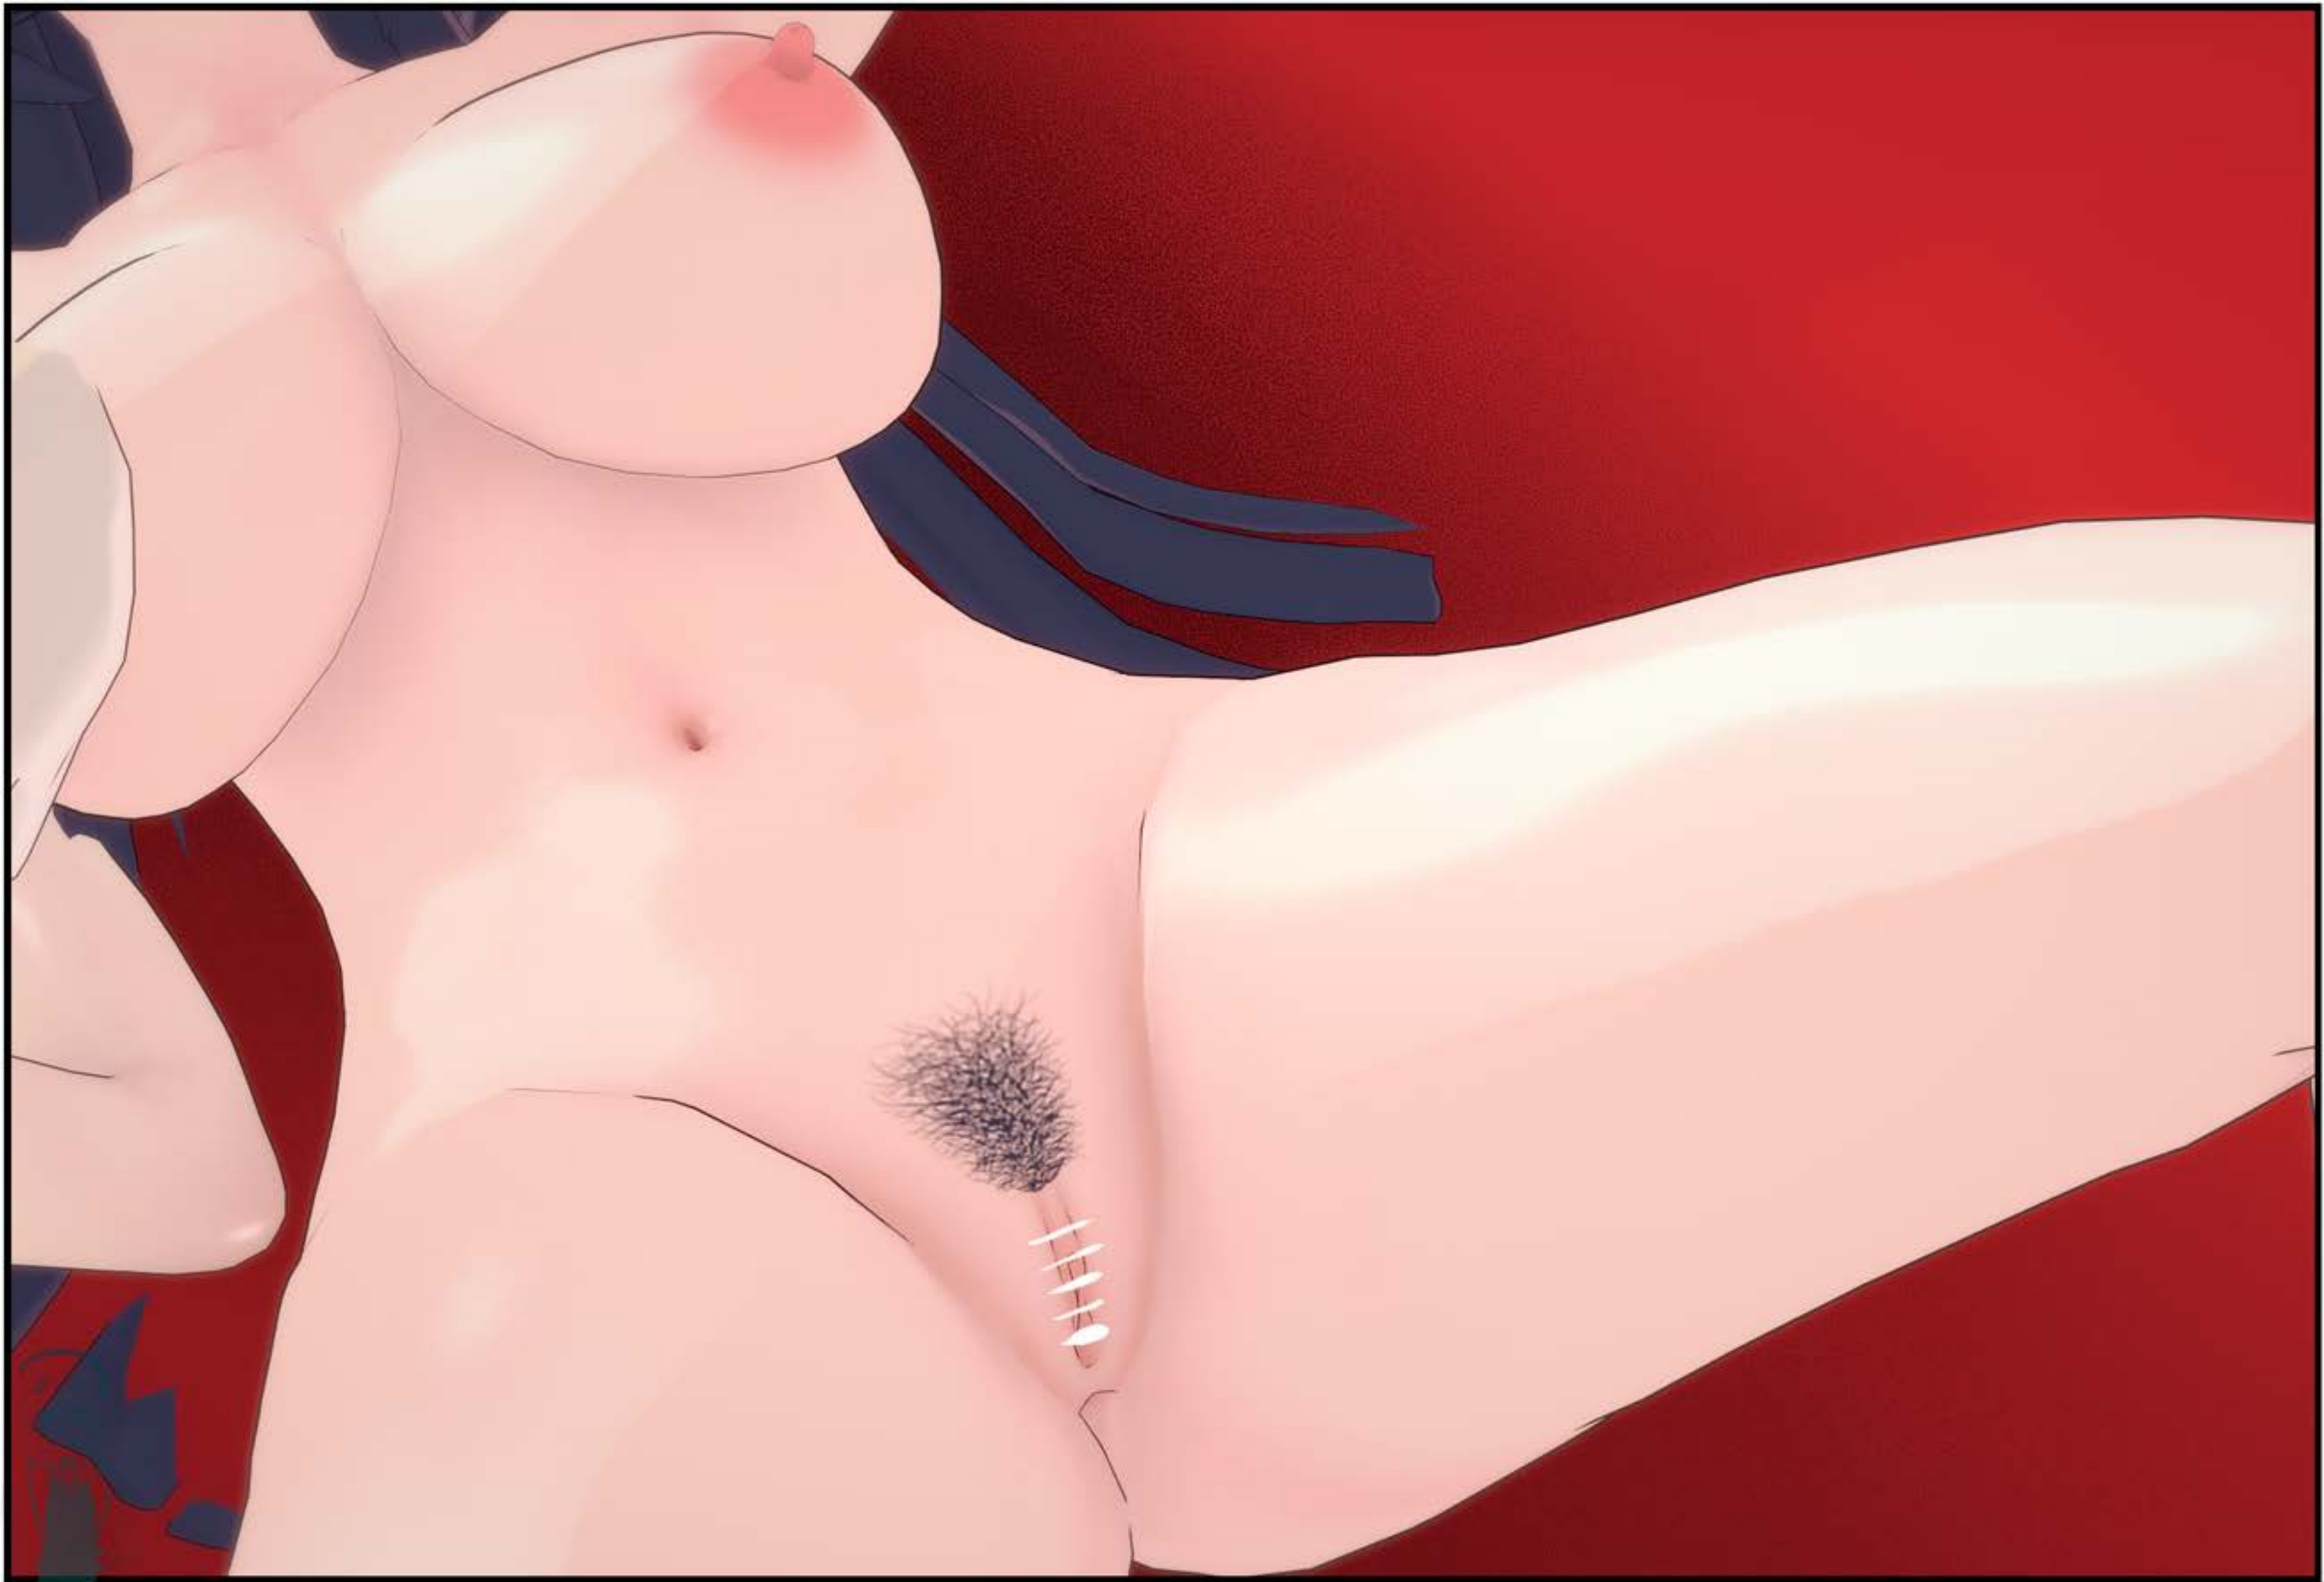

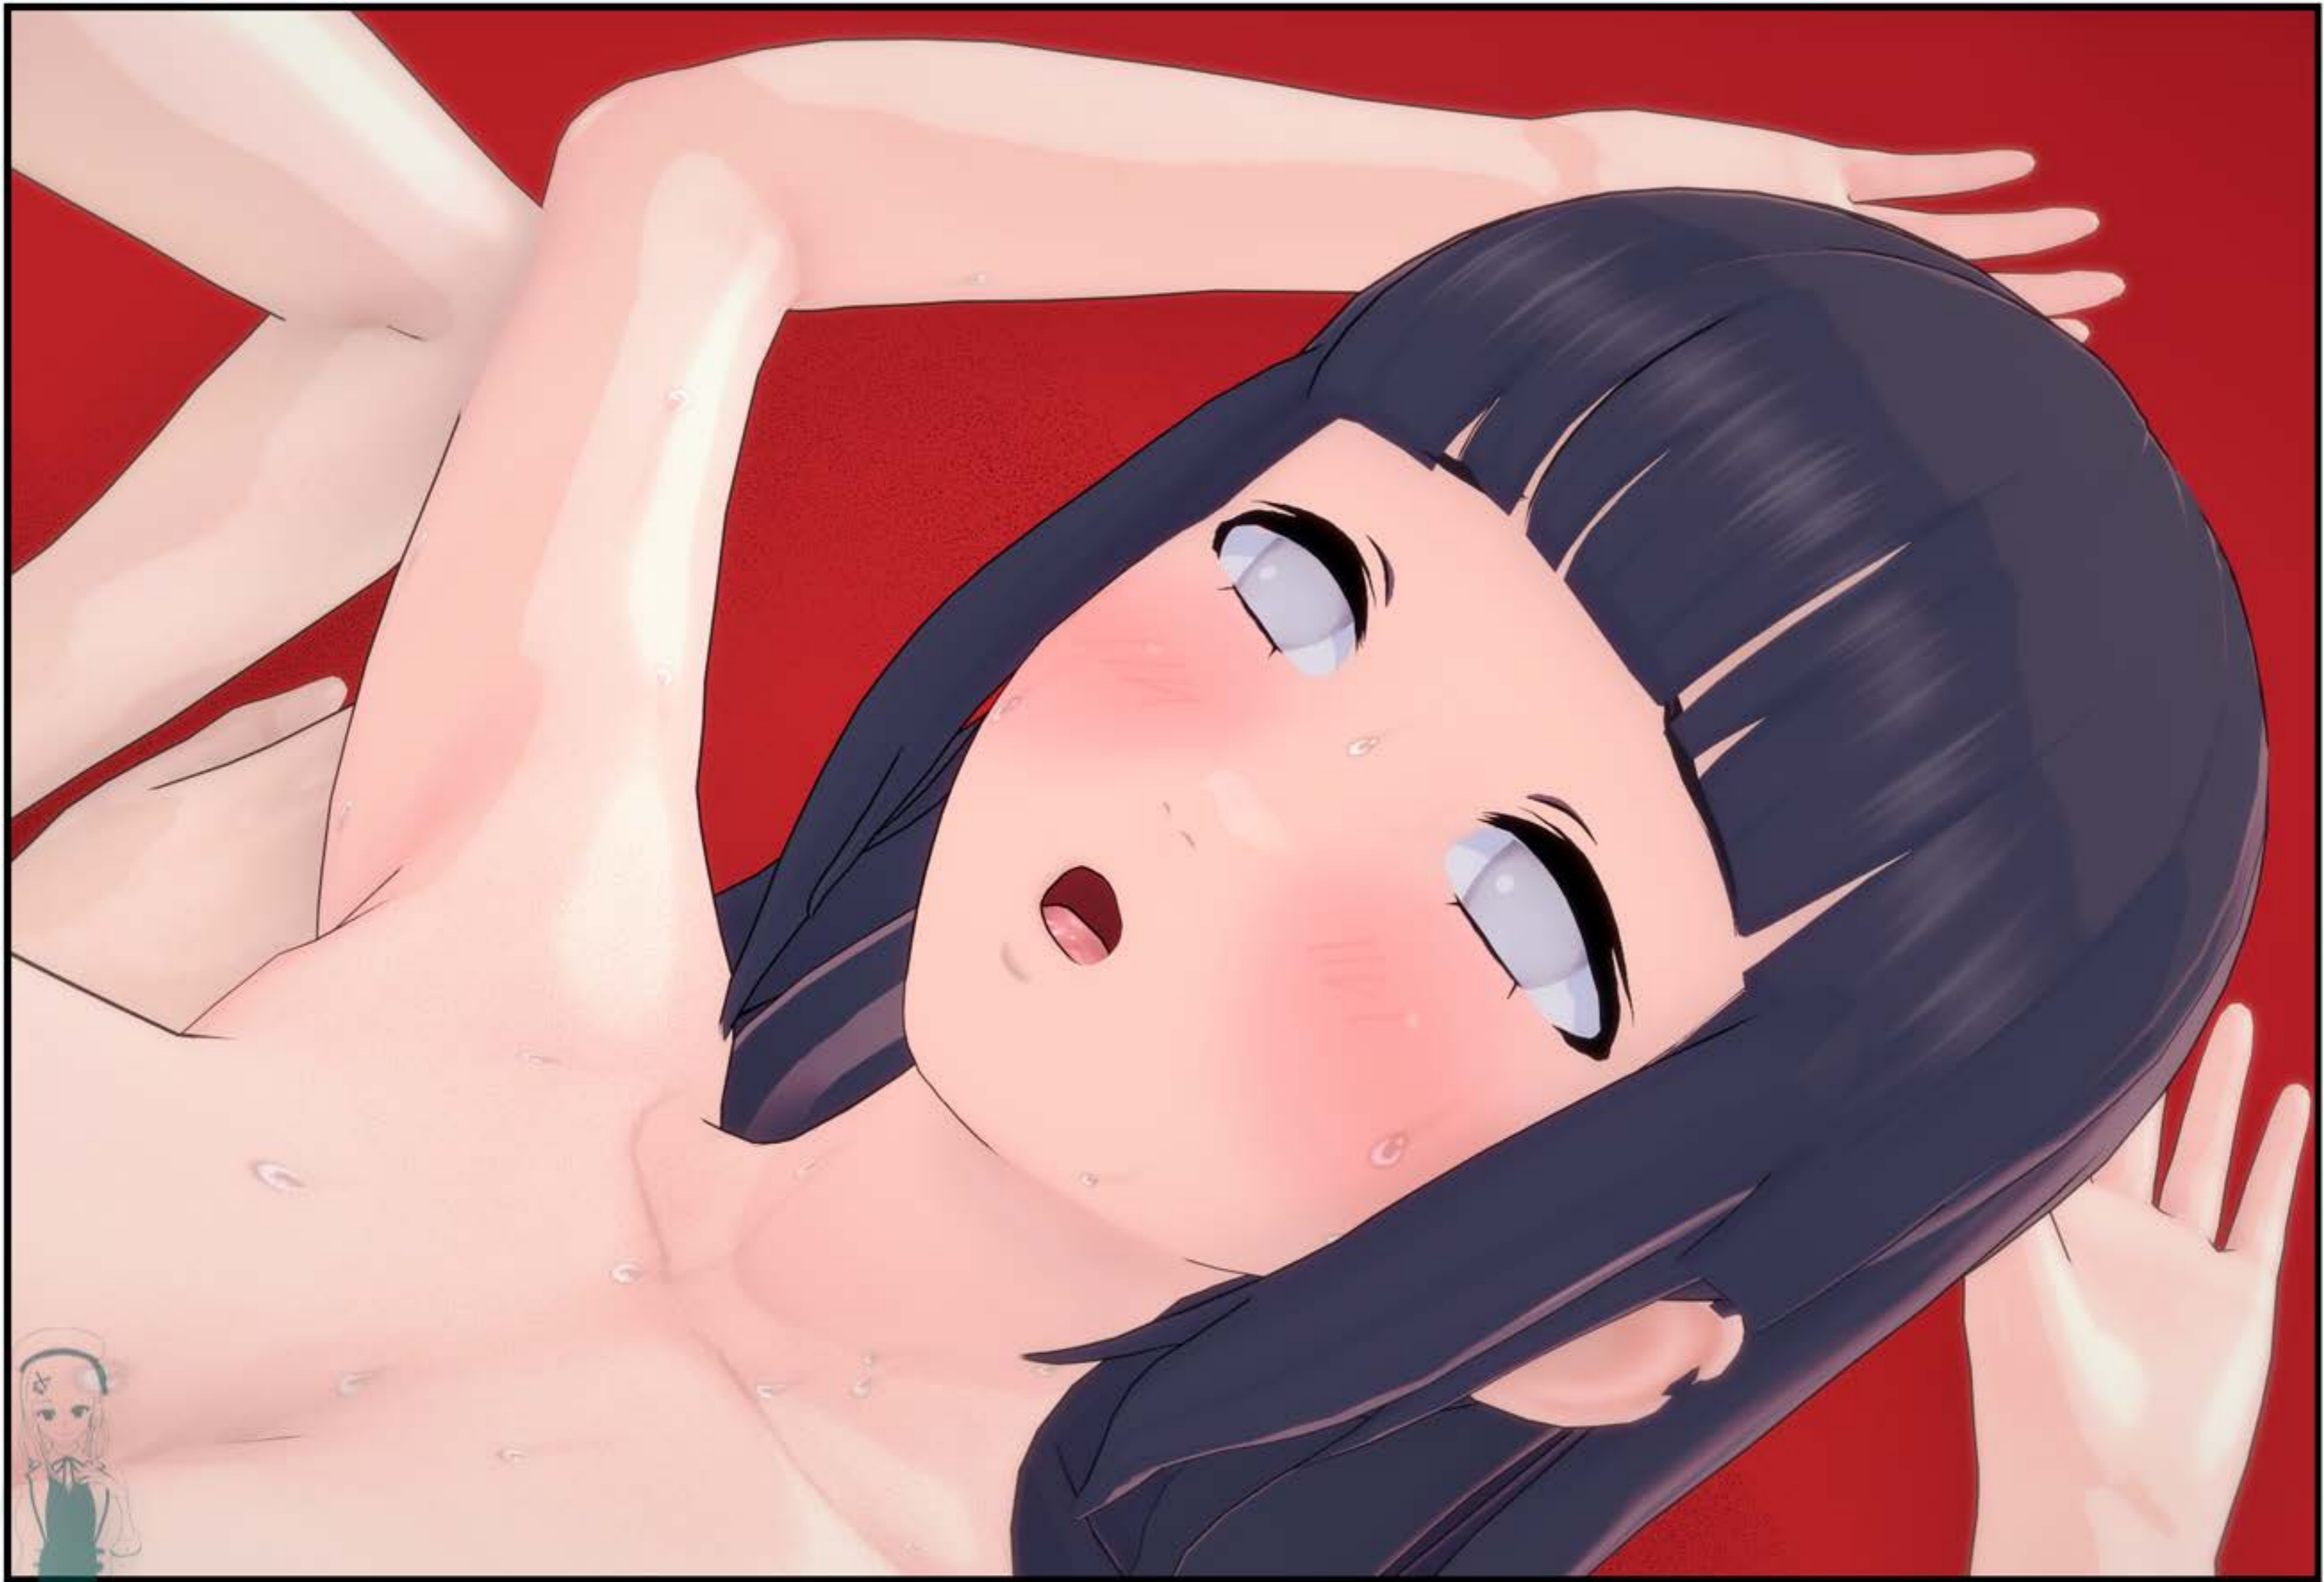

Ah.. Look at  
your face..

Hah.. That was amusing..!

Licking nipple..  
I never felt something  
like this before.

Hum.. That still  
wasn't enough..

"I never thought..  
I would be able..  
to come here."

"Travel against  
time to prevent  
the chaos."

"Ah.. I can't resist  
the feeling of  
doing this.."

I think that's would be enough for use?

Then.. I will comepletely switch my mind into Ino's body.

"Heh.. Transfer completed.."

"Now then, it's just the beginning."

"To be continued?"
