

Nooo

Is it gone?!!

Wait, wait!

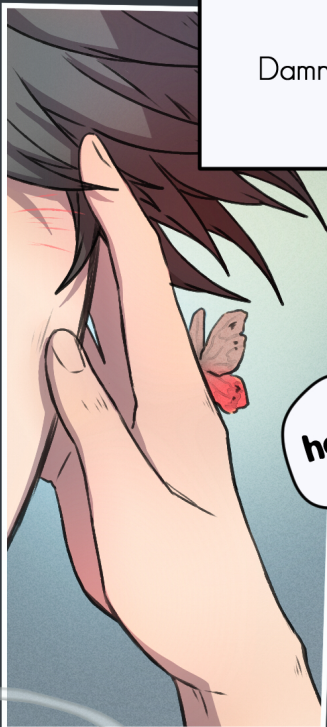

Come down here.

There~

brush

Damn,

hey!!

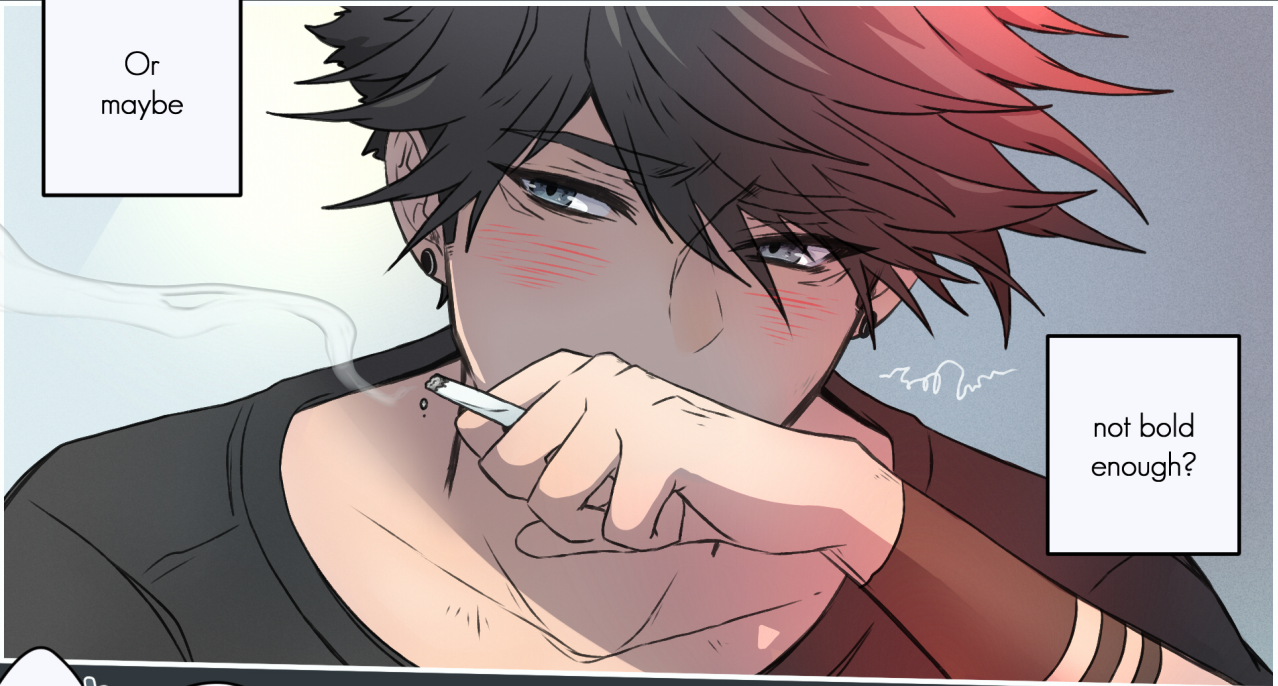

pinch

hahah

was that too bold?

Or  
maybe

not bold  
enough?

ugh

I swear,

they  
have been  
following  
me lately...

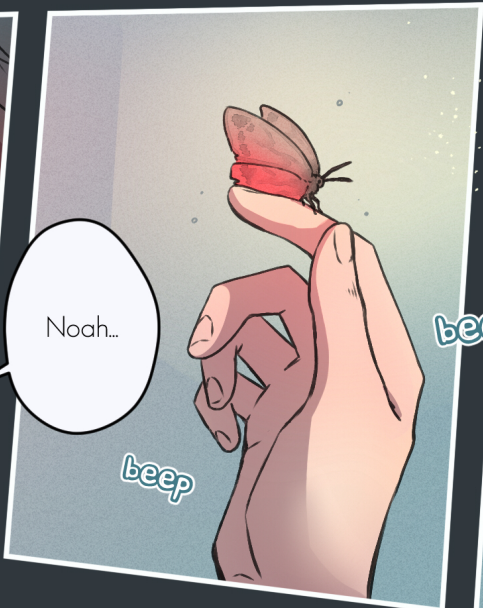

Really?

crawl

They must like you.

Noah...

I'm -

Ah, shit...!

My alarm...

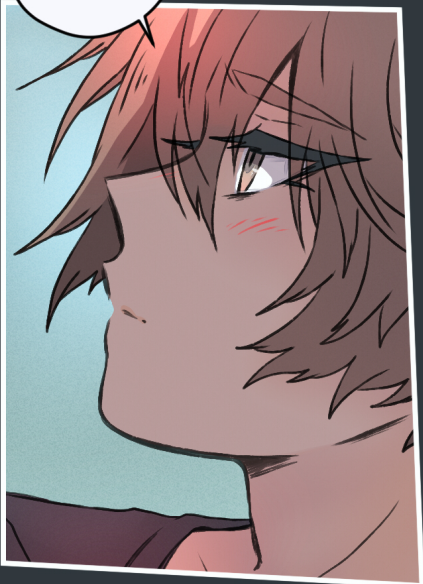

Break over already?

Yeah,  
But...  
a few more minutes should be fine.

Got it.

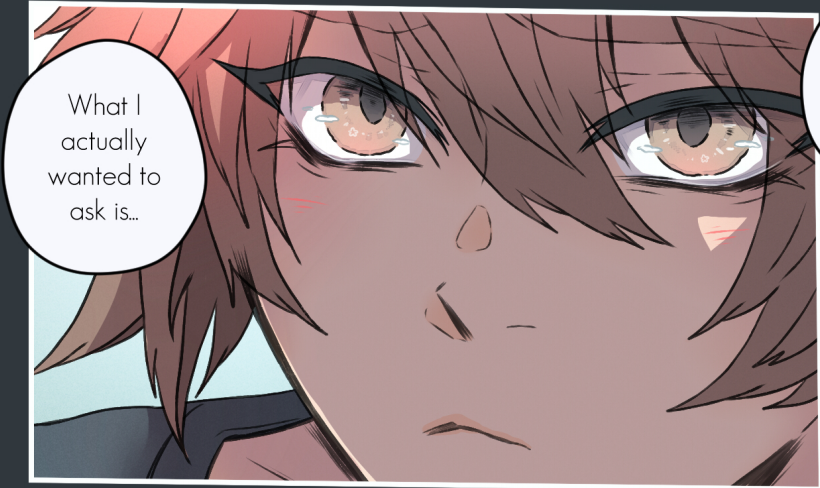

Are you done avoiding me?

Fuck this,

yes, I am!

What I actually wanted to ask is...

When we get home,

can we please talk?

Can't we talk right now?

Really bad timing.

And it's not the right place for it...

You're making me nervous,

you know.

That makes two of us.

... idiot!
