

## Chapter 3 The Swamps Of Dagobah

### (Tom's Pov)

Tom could barely see through the thick fibers that made up the fabric of Amanda's sock but he could just see the outline of her body! She was resting in bed, snoring, tossing and turning in her sleep! Tom was rolled up in the toe portion of one of her socks she had been wearing throughout the day and left on her nightstand table! When he was first dropped inside, the fabric was soaking wet, like it had been marinating in sweat for hours!!! Tom prayed for it to dry but as the fabric soaked up the sweat, somehow the odor seemed to get worse! The wet cheesy smell thickened and became a sharp vinegary stale odor that pierced Tom's nostrils! Each breath, regardless of whether he breathed through his mouth or nose made tears run down his cheeks! Amanda was so cute and beautiful, she looked like an angel! Tom would never have imagined in a million years that her feet smelled this bad!

He had tried to climb out of her stinking reeking sock multiple times, each attempt ended in failure as he slid down back to the toe portion landing in the damp fabric! He used all his strength fighting to climb to the top, only to find she had sealed it off with a hairclip keeping it sealed! Tom pulled and shook on the sock as he cried before falling back to the stinky sole! His back hit the fabric causing it to **SQUISH** very unattractively from all the moisture!

**BEEP BEEP BEEP BEEP BEEP**

Tom wanted to cry with relief when he heard her alarm clock blaring! He had no idea what the day held for him, but truly anything would be better than baking to death in her oven of a sweaty sock! Tom squinted through the sock fabric and watched as she rolled over! Her arm came from beneath the sheets before hitting the snooze button and going back to sleep!

**"NO NO NO!"** Tom screamed as she began snoring loudly.

**BBBBFRRRRTTTTTTT**

A fart echoed throughout the small dorm room making Tom shudder with disgust! It was loud and airy but accentuated in sound from the sweat and moisture accumulated between her ass cheeks! It took only a few seconds for the odor to waft past Tom, filling his sock prison with the stink of her ass! It was atrocious! Tom had thought her gas was bad at the grocery store, but this was on another level! He could smell the freshness in her gas, like a soft log was ready and waiting to emerge! He had to bring his hand up to his nose covering it as he fanned his face! The stink was unreal!

Amanda stirred in her sleep and lifted her butt of the mattress under her thick bed sheet before letting out a sigh and beginning to snore heavily again.

**BEEP BEEP BEEP BEEP BEEP BEEP**

The alarm clock began beeping again as Tom clenched the material of her sock, peering through and praying she would wake up! He wanted out of this sauna of a sock so badly! Each breath was becoming more and more laboured as the oxygen supply inside dwindled! Tom watched as she smiled in her sleep and rolled over, hitting the alarm clock again and making it snooze!

**“NO! FUCK NO! WAKE UP! WAKE UP WAKE UP WAKE UP!”** Tom screamed as she slept peacefully! He wanted to cry!

**Sbbbbfrppptttt bbfrtppp BFRRT**

Amanda farted again in her sleep but it came out in such a mess and sloppy fashion that Tom honestly thought she may have shit her pants! She rolled in her sleep turning and facing away from Tom just as the odor hit him! The heat and odor combined was deadly! Tom hadn't even gotten a full whiff of it but he already felt like puking! The odor of feces was so fresh and hot, it was like he was huffing a paper bag of straight up shit!

Slowly Amanda began stirring in bed before very slowly sitting up and reaching her hands above her head! Tom watched with watering eyes as he cried with happiness! He had never wanted anything so badly as to be let free from this stinking sock! Amanda turned left and then right stretching in her bed just before her alarm clock began beeping once more.

**BEEP BEEP BEEP BEEP**

She turned to hit the off button before gazing at the time! Tom could see her eyes go wide with shock and disbelief!

**“FUCK! I'M LATE!”** Amanda screamed in frustration as she jumped up from bed and then ran to the bathroom in a frantic rush! Tom could see it all from her bedside table with how small the Dorm room was! Her naked plump white ass jiggled as she ran into the bathroom and splashed some water on her face! She rinsed out her mouth a few times skipping brushing and then began sorting through a pile of dirty clothes on the ground!

**“PLEASE! LET ME OUT! AMANDA! AMANDA!”** Tom screamed from the sock on her bedside table but he was way too small for her ears to register his voice!

Clothes were tossed behind her like a tornado was working its way through her room, it didn't end until she found a pair of Jeggings clean off to salvage one more day's wear from! Without changing her underwear from bed, Amanda squeezed on the jeggings wiggling left and right to maneuver her big bum inside of them! She pulled a long sleeve shirt down over her top and rolled up the sleeves before grabbing her book bag and sorting through it quickly!

“What am i forgetting!?” she muttered to herself before looking up and locking in on Tom!

Tom watched as she came at him, even with her size and the difference in physical motion, she still moved so quick! Amanda tore the hair clip off the top of the rolled up sock and turned it upside down letting Tom tumble out into her palm! His whole world turned upside down as he rolled down the fabric bursting into the cool fresh air! Tom gasped and choked, sucking in the fresh oxygen and praying to god he would never enter her dirty socks again! He had no time to react as Amanda brought him around her hips to her back, using her other hand to pull her Jeggings away from her waist as far as they would go! Tom looked down into the depths of her ass crack and let out a muffled whimper. He could already feel the heat!

Amanda's fingers let go of his tiny body allowing him to float weightlessly for a moment before plunging into the depths below! Tom yelped in a high pitched scream as he slid down the crack of her sweaty swampy ass cheeks and into her thong panties like a slide made of netting! Tom rolled down as Amanda wriggled back and forth, pulling her leggings and panties up **TIGHT** between her ass cheeks!

Tom suddenly regretted everything he had asked for! He would have given up an arm and a leg to be back in her sweat drenched rolled up sock! It felt like he was being dropped into the biome of a rainforest as the entire atmosphere changed around him! The light turned to darkness and the fresh air turned to a musky thick fog, almost unbreathable!

Tom pushed his arms outwards moving the fat of her ass cheeks while gasping and wheezing! It felt like he was sitting on the edge of a volcano! Or on the surface of the sun! Her skin was so hot and sticky that his plans actually stuck to her ass fat! Everything began to shake and jiggle as Tom was thrown up and then crammed between her fat ass cheeks! He felt her tug her thong up as his body was thrust closer to the source of the heat of terrible smell.

**BBBBFRTTTTTTTTppppsrrttttttttt**

Tom reached out in front of his face just seconds before the blast exploded before him! The pressure and force blew his hand back to her thong keeping him sealed there as the fierce wind of pent of gases filled the area between her sweaty ass cheeks! Tom cried as his face was forced sideways into her thong! He could feel the heat of her gas as it continued to blow out blasting the right side of his face and burning his skin!

The fart was still splattering in its final sickening stages of release but Tom had other issues now to worry about! His eyes had begun adjusting to the darkness and he could see something on the thong like hammock encasing his body! His arms and legs were still stuck to the surface from the forceful wind above him, but he could feel a sticky mushy almost slimy feeling on her panties! His eyes focused enough to see and Tom realized, her thong was **CAKED IN BITS OF SHIT!** It was **ALL OVER HIS BODY!**

The fierce wind from the fart had ended and Tom pulled his hand up to his face, it was... completely brown! Like he had stuck his forearm into a giant pool of mud! He gasped as he watched in shock and horror, unsure of what to do! The smell had just begun to hit him in its full form, at first it was just heat, but now he could smell the fresh odor of feces! It was all around him, like he was sitting in a septic tank! He could feel his stomach twisting and churning as he looked left and right, there had to be some way out of this hell, But Tom was too late.

Amanda's ass began frantically shaking left and right as her body bobbed up and down! Tom felt like he was on a roller coaster as he was lifted from her thong and thrown left and right from cheek to cheek! It felt like he was being bounced between two giant wet sweaty hot air balloons, both of them trying to smother him to death! Tom let out a scream as he was thrown upwards, his head entering her sticky shit filled anus for a moment! He grabbed the rim of her sticky shit

hole and gripped it as he pushed, his head popped out as he flew to her left cheek only to be thrown around once again!

**BBBBBBB BBBB BBBB BBBB BBBB BBBB FRTT TTTTTTTTTTTT

Tom was hit by a devastating blast of gas that came out in sporadic blasts! He could see her anus pinching open and closed as it tensed from her leg muscles moving so quickly! It felt like a cannon of hot air was blasting him over and over again like a giant shotgun, each blast filling his lungs and stomach with the flavor of her shit! While Tom was choking and gasping, everything around him froze! Her cheeks jiggled for a moment from the abrupt stop she had made! After a slight pause! Everything **DROPPED!** It felt like Tom was on a rollercoaster as her cheeks rounded out and got tighter! He let out a cry as he gazed up and saw her gaping greasy shit covered anus coming right towards him! **SCHLURP!** Was the last thing he heard before it sucked him in completely!

**(Amanda's Pov)**

**"SHIT"** Amanda said out loud as she dropped her phone watching it smack the sidewalk before rolling face down! She immediately stopped running and squatted down to grab it and inspect the screen! Luckily it was not broken! She glanced at the screen and could see it was 10:45, she was already fifteen minutes late for class!

Amanda took a deep breath and took off running with her purse in hand and backpack over her shoulder, her first class was halfway across the campus and despite her great figure she was not in the greatest of shape!

Sweat was pouring down her body and she could feel a dampness forming under her armpits as she ran! Her ass was already swampy when she woke up, but after running for five minutes and not showering, it was becoming a mess real quick! Each time her cheeks clapped together she could feel the wet slap of sweat as skin came into contact with skin. She had all but forgotten about her tiny visitor though, she was too concerned with getting to class on time!

Sweat began dripping down her forehead and Amanda had to stop more than a few times to wipe the sweat from above her eyes! It was quite apparent she would need to start hitting the gym again! She had barely been running ten minutes and she was panting for breath, gasping for air! After a short break she continued to run, making it to the Shrunken Care Academic Hall within a few minutes.

As soon as Amanda had walked in the front doors, she felt her stomach rumble uncomfortably! Usually she always used the toilet in the morning time after waking up, but she had been in such a rush today, there was no time! She could feel a bloating pressure in her stomach and lower intestines that hadn't begun bugging her until just now! Maybe all the running had shaken things up inside her, she thought to herself while rubbing her stomach.

Sweat was still dripping down her forehead as she looked back and forth between the hallway leading to her lecture hall which she was late for, and the bathroom that she so desperately needed! Amanda wanted to go to the toilet, but she just couldn't justify not holding it! This class was so important and she couldn't miss even a second of the information! She groaned and then began speed walking to her class with one hand holding her rumbling stomach.

The lecture hall doors creaked as they opened, every student and the teacher all turned to look at Amanda as she stood there in silence. Mrs. Pelletier turned back to the board and continued writing, Amanda could see she had a look of disappointment on her face though. She quickly scanned the lecture hall and saw Scarlett smiling and waving to her! She was sitting in the middle of the lecture hall and pointed next to her where an empty seat was that she had been saving!

Amanda suddenly felt better as she began walking up the side staircase trying to be as quiet as possible. The only thing that could be heard in the room of over 500 students was the clicking of computer keys as Mrs. Pelletier continued writing on the large double chalkboards. Amanda had just about reached the row where Scarlett was seated when her stomach began twisting and bloating with pain! She closed her eyes and tried to hold back, but something inside of her was wiggling, irritating her! She could feel her anus twitching as the gas just began spraying out!

**BBBFRTPPPPPSRRTTTTTTTTT BFRRTTTTTTTTT**

**SPPPPRTTTTsprrtttttttt**

Everyone paused for a moment as Amanda closed her eyes and started to turn a bright shade of red! It was just a fart, everyone released them multiple times a day, but the combination of the silence paired with how it splattered and echoed in the large lecture hall sent all of the students into a roaring wave of laughter! Amanda buried her face in her hands as she felt the heat of the gas spread throughout her leggings and coat her ass cheeks! Some of the students nearby had begun fanning their noses and moving from the area!

**“QUITE EVERYONE!** Stop it now, we are all adults here!” Mrs. Pelletier said while giving Amanda a look of frustration.

Amanda stood there for a moment until everyone's attention slowly turned back to their laptops and the lesson at hand, she still felt the dread of embarrassment hanging over her though. Amanda could feel something poking at her rectum, she wanted to reach back and scratch but with the fart she had just dropped, the last thing she needed was to be caught scratching her asshole! When she looked up Scarlett was snickering and laughing with a big smile on her face. Slowly Amanda made her way across the row of students and **PLOPPED** down heavily into the seat! As soon as she had sat down, the irritating feeling in her asshole had gone away!

“That was quite the entrance” Scarlett laughed and elbowed her a little bit.

“Shut up!” Amanda said back with an embarrassed giggle as she pulled out her laptop and notepad.

**(Tom's Pov)**

Tom let out his final scream and gasped for air as her anus came down and grabbed his head and shoulders! He could feel the tight greasy rim squeezing his body as it sucked him up inside! He frantically kicked his feet trying to get out but her cheeks had closed in and her hole tightened! It felt like an elastic band around his ankles as it chewed in his feet! It was almost pitch black but her entire insides were coated in hot liquid feces! It was dripping down the sides, coating his face and body! There was no escape!

Tom felt her insides starting to contract, like he was inside of a snake, being digested and eaten alive! The walls of her colon and rectum rubbed against him, squeezing tight and then releasing over and over! Each time the pressure would increase, feces would be forced down every available airway! Sticky hot liquid shit pushed its way down his mouth, in his nose, even his ears were crammed full! The greasy rim of her anus kept tightening and pulling, like it was trying to suck his feet in! It only took a few seconds but eventually her anus had consumed him whole!

Tom cried and worked his arms back and forth bringing them up to his face and used his hands to force copious amounts of sticky shit away! He choked and gasped as bile and puke came up running down his forehead and chin from the weird directional changes inside of her! Before he had been assigned an owner for the semester, he had nightmares of what it would be like, but none of his darkest deepest thoughts ever compared to this hell!

**BBBFRTPPPPPSRRTTTTTTTTTT BFRRTTTTTTTTTT**

**SPPPPRTTTTsprrtttttttt**

Tom felt the walls of her rectum tense and tighten as a burning heat surrounded him! It felt like he had been placed into a convection oven as his skin began to boil from the searing steam of gas! Her anus squeezed so tight below him that he could hear a high pitched whizzing, almost like a bomb being dropped from the sky, but then it let loose! It sounded like the clouds and heavens were cracking open, booming explosions went off all around him as the hot gas was expelled! The pressure was so great that Tom's body began being pushed out! He could feel some cool air from between her cheeks on his feet as he desperately began to wriggle!

Amanda was waking again and her cheeks jiggled back and forth! Tom kept wriggling like a worm, his body slowly sliding out of her wet and greasy asshole! His body was covered in a wet slimy coating of feces that helped him slide out with ease! His heart was pounding with excitement as he was half free! His full legs kicking in between her sweaty ass cheeks! He was just about to pop out when she **DROPPED!** He felt her cheeks smack down as her ass hit the seat and an explosion of pressure went off below him! His greasy body shot upwards like a rocket going so deep that he could not even feel her anus! All he could hear was the wet sickening squelch as he entered the deep recesses of her intestines.

**“ALRIGHT LADIES, PLEASE TAKE OUT YOUR TINY MEN SO WE CAN BEGIN LESSON 2”**  
Mrs. Pelletier called out from the front of the class.

Amanda watched as Scarlett reached into her purse grabbing out her tiny captive victim. He was wrapped in a pair of panties that were clearly used! Scarlett placed him on the desk and then smiled at Amanda...

"I carried him here in my ass, so he is a little sticky!" she laughed and flicked the little man...

"Where is your tiny?" Scarlett asked...

"Oh...shit..." Amanda muttered as she realized what she had done! The itching, the irritation! She had been in such a rush to get to class! She had completely forgotten! She reached back sliding one hand between her sweaty swampy ass cheeks and prodding her sticky anus with her finger. A look of shock came over her as Scarlett watched with concern.

"I think I fucked up" Amanda said with a bit of a whimper....
