C-chri!!!

But joking aside, swallowing you three wasn't actually MY idea.

>SPLASH<

He gulped me so fast!
I barely was noticed!

In fact, took him 10 minutes before he felt my movement down here!

Well, you must've made his water THAT tasty!

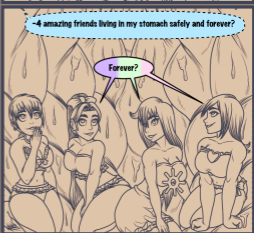

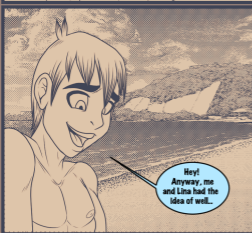

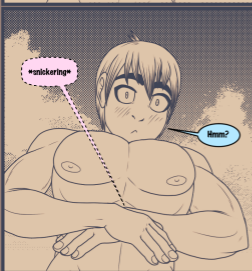

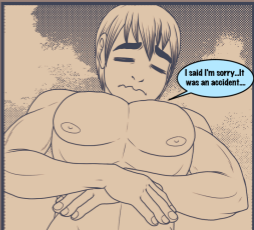

The same way we all fasted, right, Del?

...Del?

Chris? You showed one of your best friends your surprise and not your fiancée first?!

Uh...Well...maybe?

Maybe?! I thought there weren't any secrets between us!

That's only if you 4 want to?

Of course!
We're in!

Then in that case, I best show you to the accommodation.

LATER

That should do it! The pegs won't hurt him right...?

I don't think he'd have this in here otherwise?

True. But he was able to shrink us so- Huh? My Camera? Hmm-

Hey, girls! Shall we give our 'host' an update or reward?

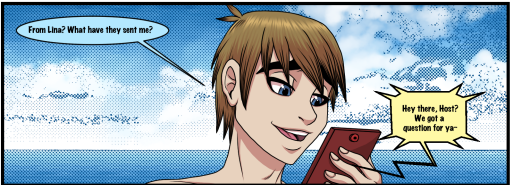

giggles

Well, time to get back in before-

DING

A message?

From Lina? What have they sent me?

Hey there, Host?
We got a
question for ya-

Did we pass the taste test?

With flying colors, my friends!
