

Bim U - Chapter 22

Let's move this party into the back office, but those blue sparklies are still there.

STORY BY
DYNASTY CHOPPER

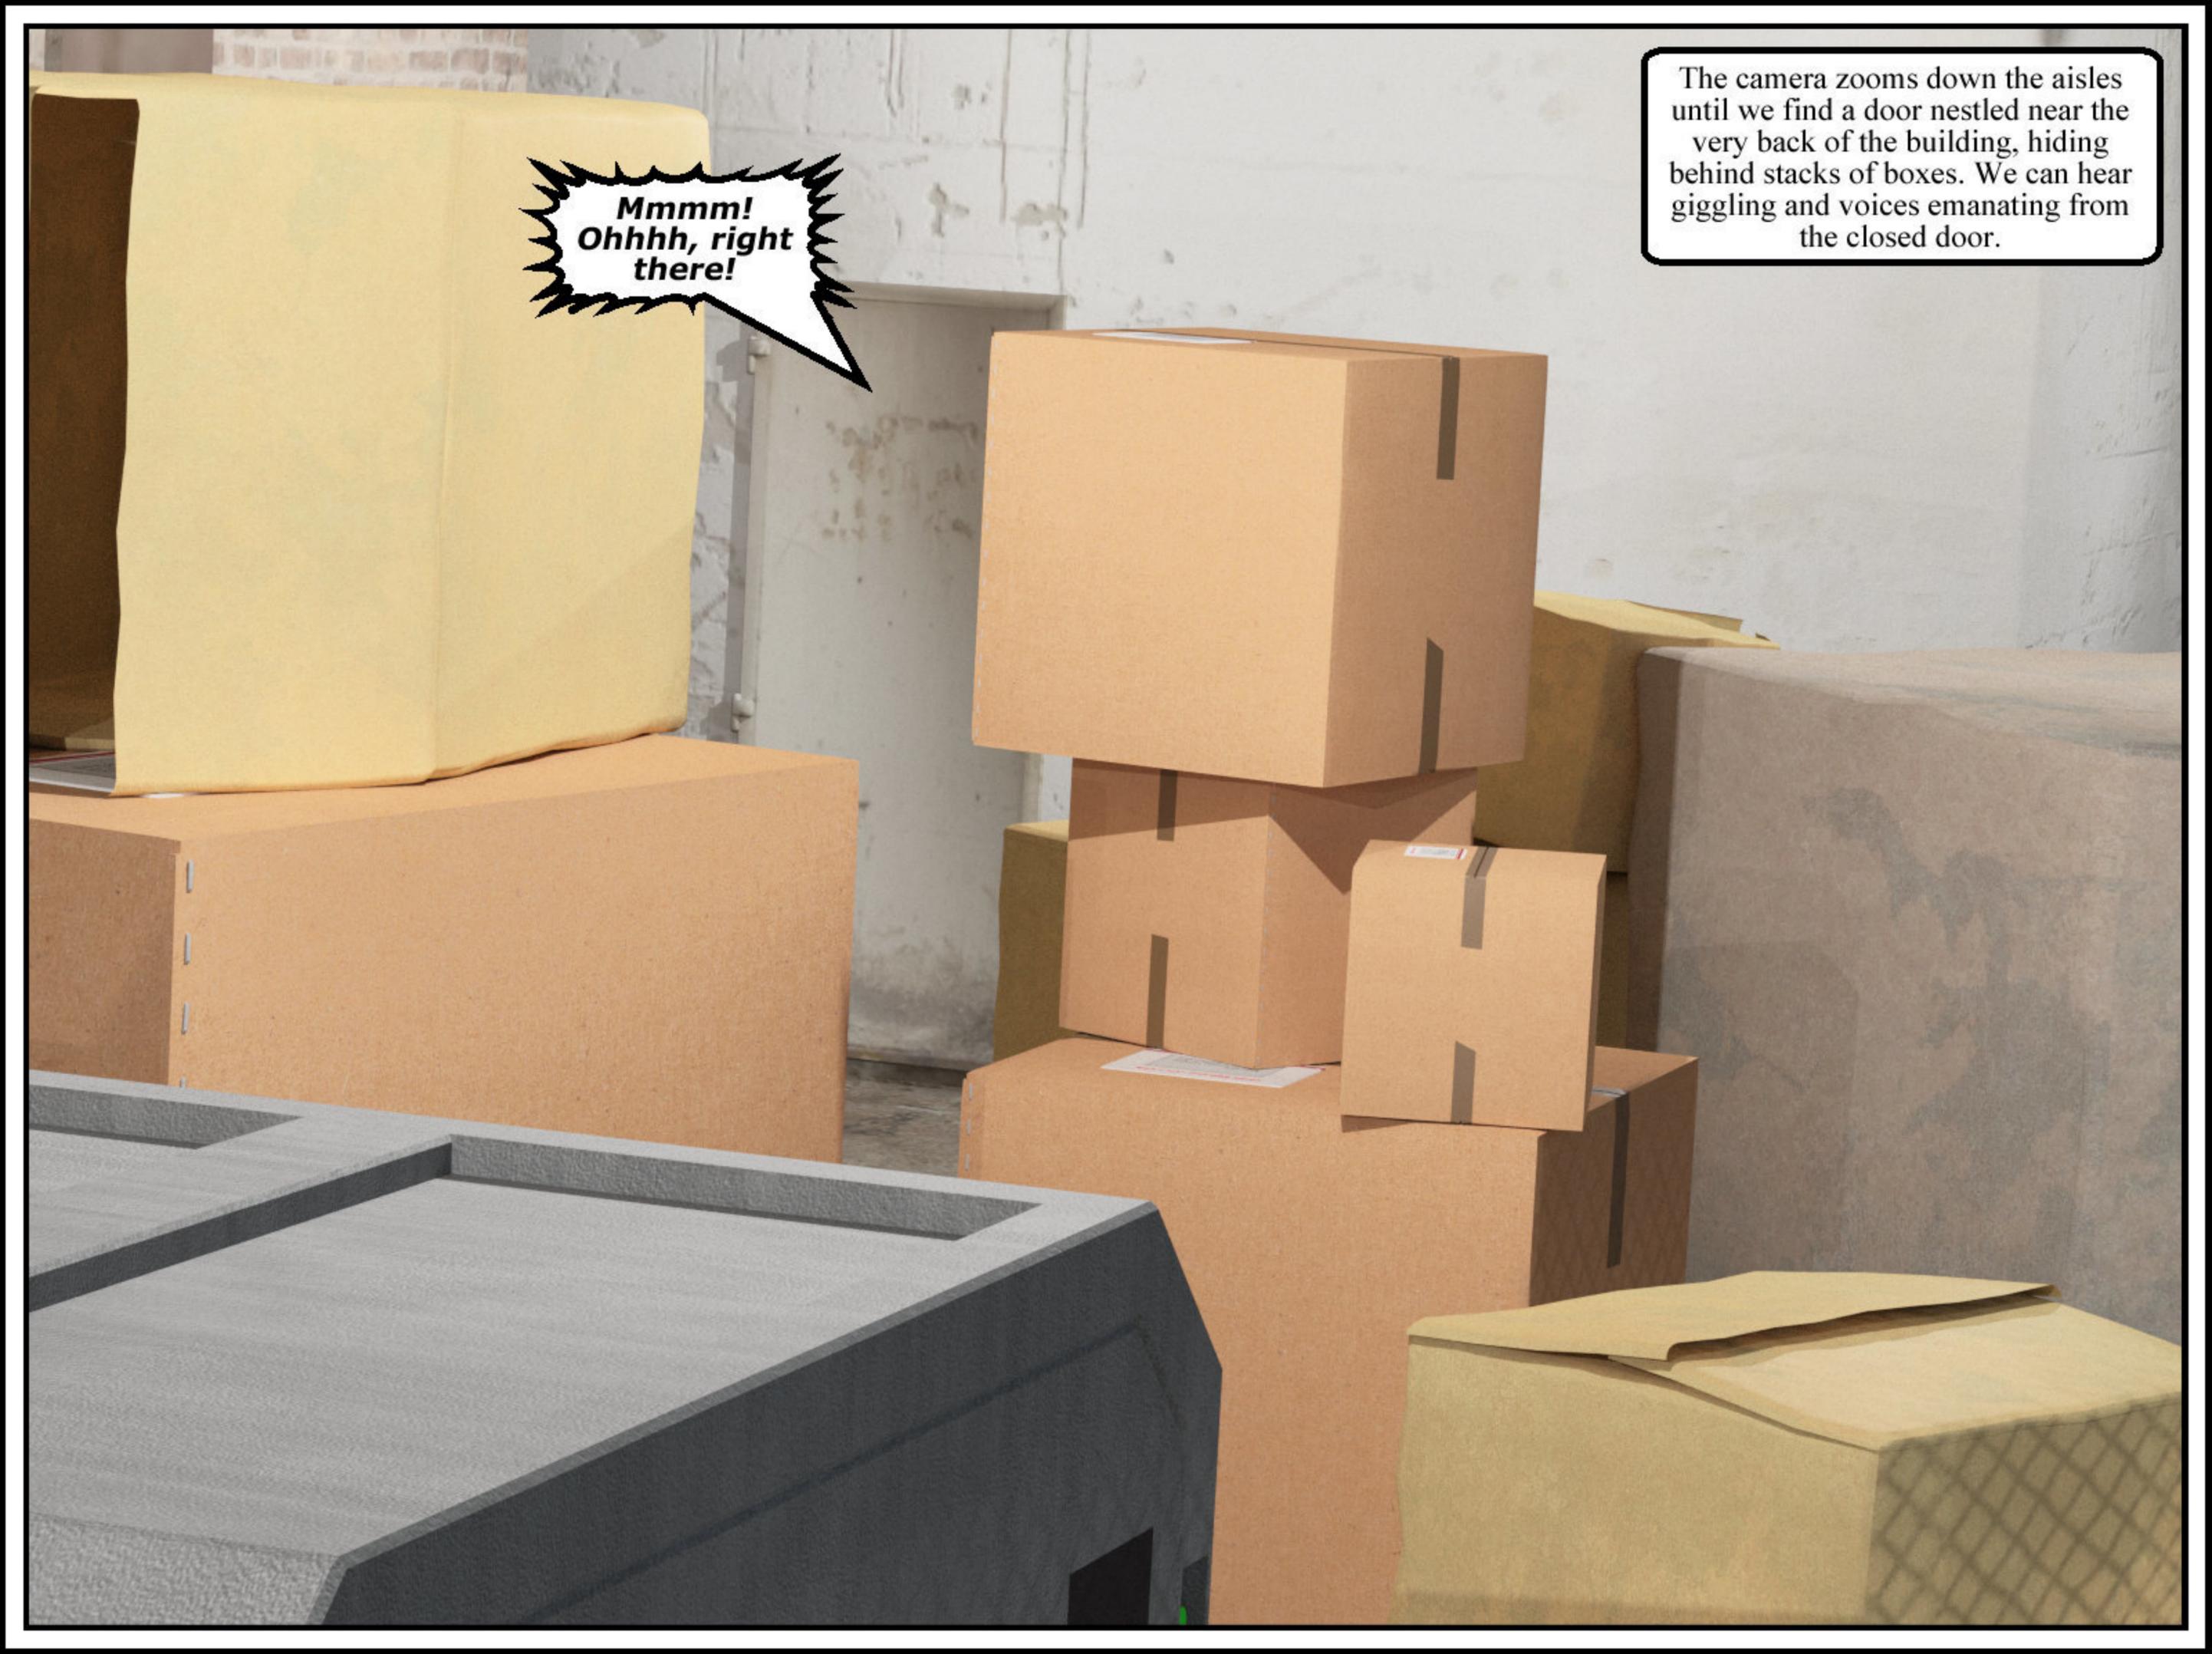

Art by Mr Phoenyx

Mmmmm!

Continuing from the naughty cliffhanger of Chapter 21, we start with a wide shot of the warehouse. We can see various items strewn across the floor: a pen, scanner, and the clipboard. We can hear interesting noises in the distance.

**Mmmm!
Ohhhh, right
there!**

The camera zooms down the aisles until we find a door nestled near the very back of the building, hiding behind stacks of boxes. We can hear giggling and voices emanating from the closed door.

Oh
yes! This
feels so
good!

The camera passes through the closed door, and we can see Alex with his pants down. He seems to be thrusting into something or someone over a desk. We can't see who however, as the view is blocked by more boxes.

Mmmph!
Dana you are
so hot!

Don't
stop!

The camera changes angle for a better view, we reveal our two employees: Alex and the recently sexified Dana. The two of them are enjoying a very naughty break. Alex has her bent over the Stock Manager's desk and is happily thrusting into her.

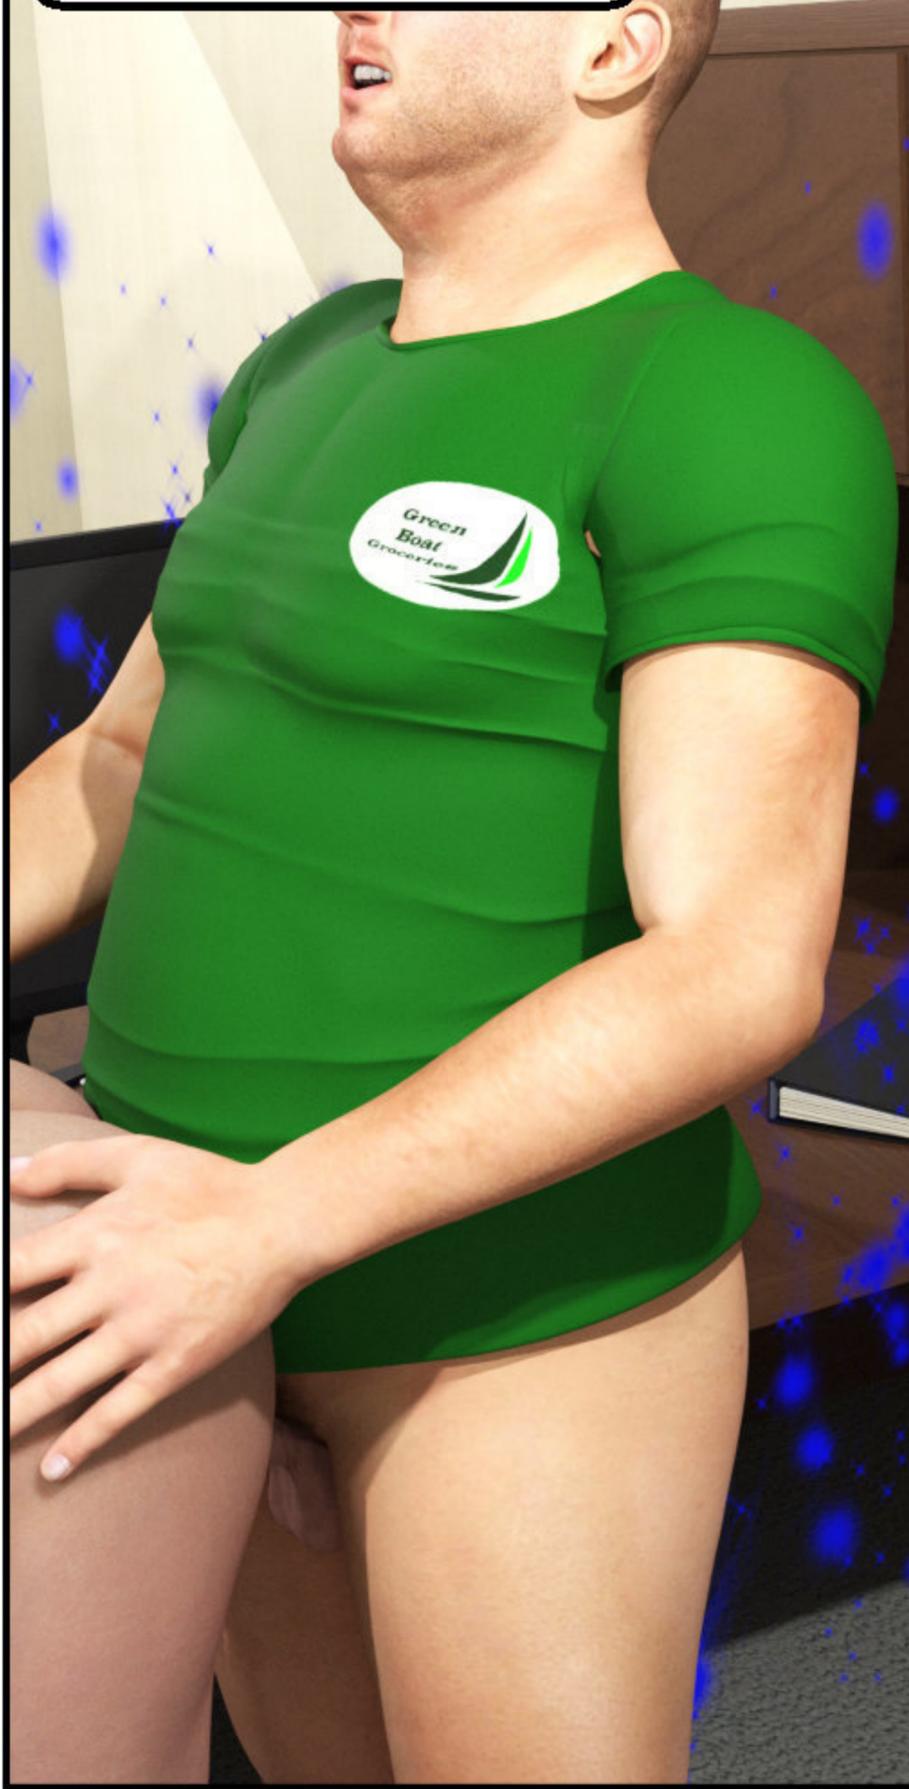

Both are clearly under heavy arousal, as Alex keeps fucking her and not caring if he gets caught. However, he does not seem to notice the lingering blue sparklies hovering behind him.

Oh Dana! I never knew you were so... S000--

Mmm, keep on coming baby. I want you!

Finally reality begins to shift a bit and Alex begins to lose some of his excess weight. He starts to feel more energetic as he gets a lovely comment from Dana about the sudden increase of "power".

Oh wow. I feel more energetic and less heavy for some strange reason?

Oh Alex! Your cock is still heavy and I love it!

Mmm!
Now that is
what I call a "work
load"... in me
that is.
Hehe!

Gosh!
That was
incredible Dana -
just incredible
really.

Alex feels a tingle as he finishes and steps back from Dana. She, for her part, is happy to have been satisfied with a good work fuck. The two take a moment to catch their breath and both wonder if they're ready for round two.

Oh my!
Sweetie you
look even cuter!
It's turning
me on.

Huh?
What do
you mean? I
look cuter?
How?

A smile spreads across Dana's face as she notices the slightly hotter Alex. His clothes look just a bit looser on his fitter body. Alex looks a bit confused at her comment, having not yet realized he's lost weight.

Dana's expression changes to something more flirtatious as she gives the slimmer Alex a very meaningful look. She approaches him slowly, almost sauntering, as Alex notices the changes.

Mmm!
So much
yummier
now.

Woah!
I'm thinner?
How did
this--

Wasting no time, Dana quickly gets down on her knees and looks up at Alex hungrily. She reaches out her hand to cradle his dick and guide it to her mouth. A dick which does not seem to have lost weight like the rest of him.

I totally have to taste it now!

Huh? D-dana!? Taste what?

A blowjob in the open! How kinky! Alex is taken off guard by his co-worker's suddenly extra slutty nature. Dana slowly licks Alex's cock, which hasn't actually gone flacid since he pulled out.

Oh!
Oooh Dana.
That feels so
good!

Lick!

Taste!

Mmm.
You're making
my hands
tingle.

CHANGE!

Swallow!

Alex is in heaven as the pace and intensity is picked up by Dana, who ceases her teasing and goes right to full cock sucking. Alex places his hands on her head to help the motion a little bit. However, his hands begin to slowly change. They shrink and slim, becoming more feminine, even as the nails grow longer.

SLIM!

Grow!

Gurghk!

FEMININE!

Longer!

Choke!

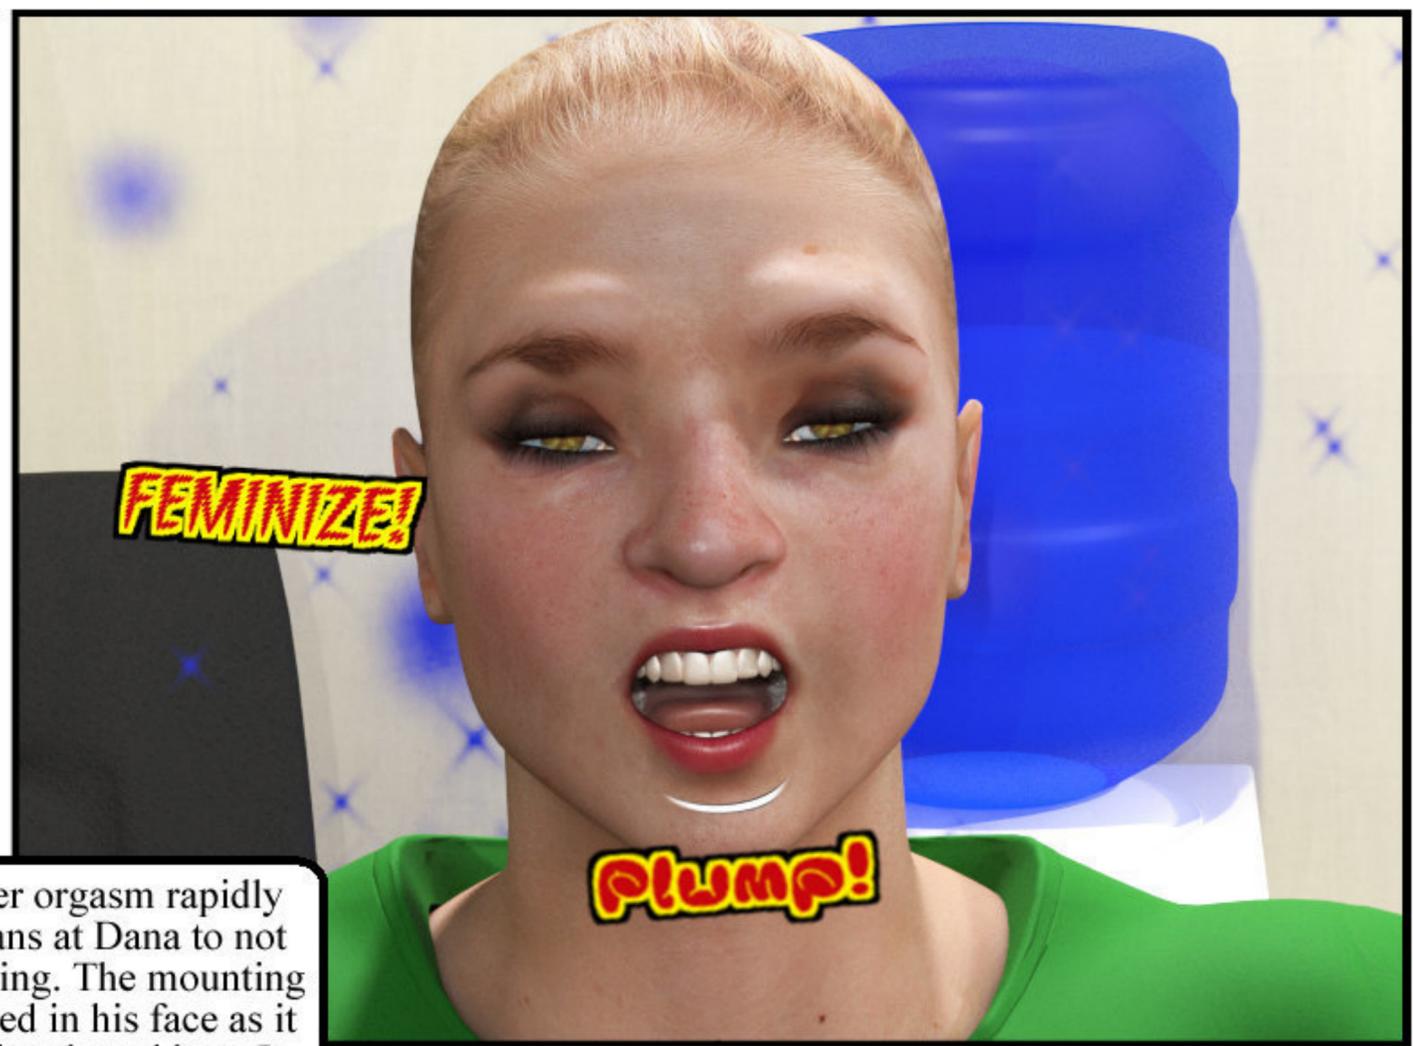

We continue to hear the blissful sounds of Dana blowing Alex, as some other changes begin to occur behind him. The blue sparklies, which have surrounded Alex this whole time, go to work on his ass. They give it a much more appealing shape, inflating it out into a sexier and more bulbous appearance.

Oh Dana!
Don't stop!

FEMINIZE!

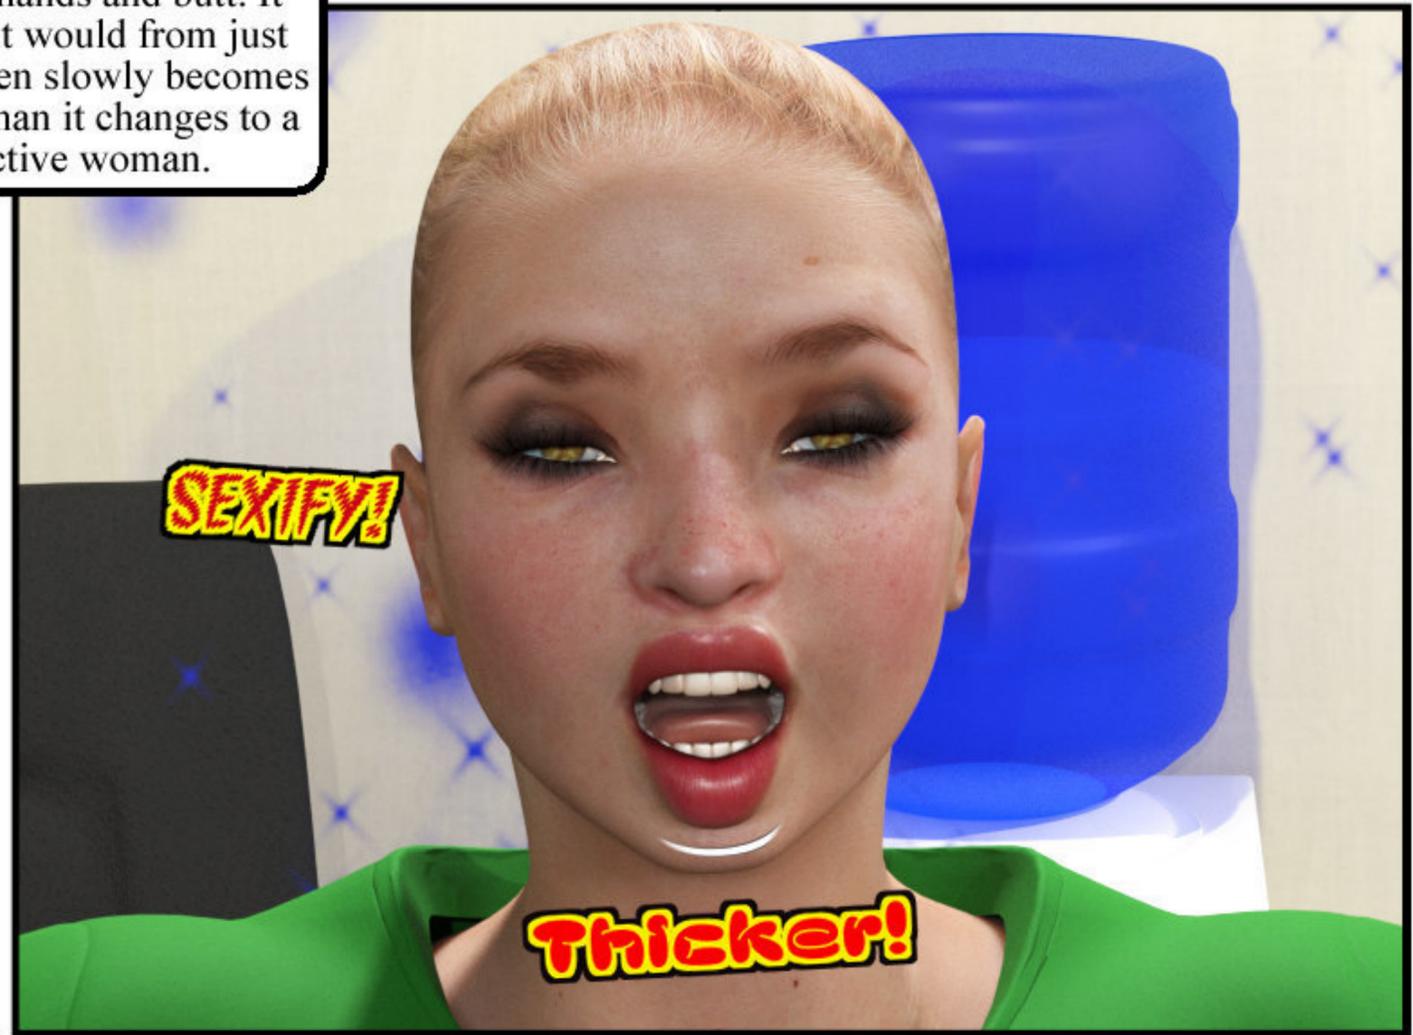

Plump!

Alex feels another orgasm rapidly building and moans at Dana to not stop what she's doing. The mounting pleasure is reflected in his face as it changes like his hands and butt. It slims more than it would from just weight loss and then slowly becomes more feminine. Than it changes to a clearly attractive woman.

ALTER!

Fuller!

SEXIFY!

Thicker!

Enjoying her fun, Dana is unaware that Alex's juicy cock is growing smaller in her hands. At first she just leans in a little further and grips a little tighter. She soon discovers though that there is nothing at all in her hands. Even worse is that there is nothing in her mouth, and her face reflects her disappointment.

Meanwhile, Alex is still enjoying some wonderful sensations that are coursing through his body. His, or should we be saying her at this point, face has already been altered, and now Alex's hair begins to change as well. It grows out longer, thicker, fuller. It tumbles down her face as it takes on a more feminine style.

The camera pans out for a wider shot and changes to x-ray mode, so that we can see through Alex's shirt. As we watch, Alex's body slowly curves out into a perfect, womanly, curvaceous shape.

Oh Dana that tickles. Mmm, I am feeling like totally... mmmm... heavier again.

Curvier!

Mmm
Dana, your
tongue feels so good!
Oh yeah. You're like
making my chest
tickle and get
heavier.

We now come to the end of the
change as Dana refuses to be
deterred by the missing penis and
licks what is now a womanly slit.
Alex's chest begins to swell out to
equal her fellow bestie's bust size
and better match her new body.

Bigger!

Expand!!

Englarge!!

A lovely focus shot of Dana finishing her fun and licking her lips. She looks up expectantly at Alexa, Alex no more, hoping that she enjoyed their private break as much as she did.

Like how was that... Alexa?

Like that was...

We reveal the second store model that has now been transformed to match her poster. She looks completely satisfied from the climaxes her friend has provided. A slight moan escapes her lips, as she looks down between her large breasts at her bestie who just gave Alexa the best break ever!

...totally
hot!

The story will
continue in the
next part.
