Am I fat?

**NO! I
worked so hard to build
that muscle.**

Oh god, Erica.
I'm so sorry.

We'll try to help you.

If we can.

Can you?

Not
sure how yet, but first

Not sure?

I don't want to stay like this.

You better figure this out nerd, or else.

Yeah, I will, but first...

No. Nothing
first. You gotta change

Yeah,
please do.

I'm trying to,
but we have to...

We have to

Just because

SHUT UP
YOU MORON!

GET THE
FUKING LENS BEFORE IT
