Cooking lessons with too  
many fingers and ass

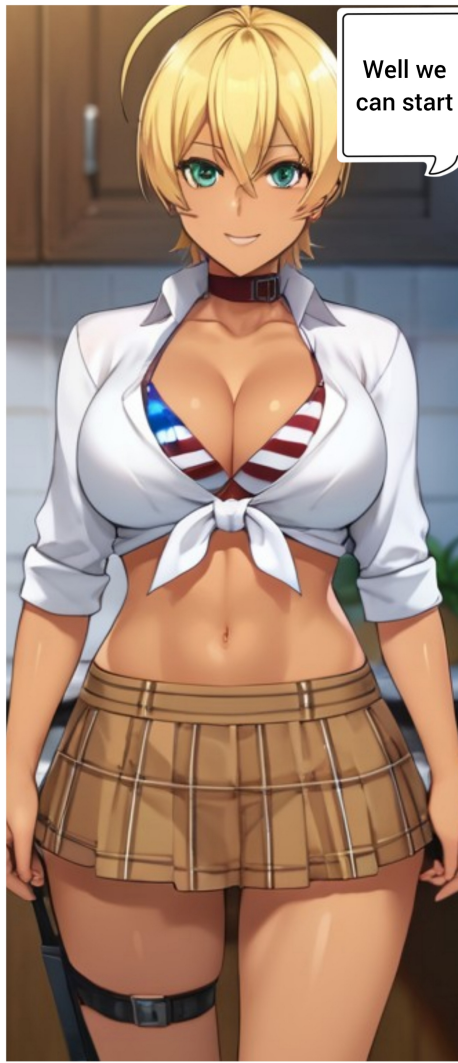

Welcome to our cooking class!  
My name is Ikumi Mito and I will be your teacher

Nice to meet you,  
my name is Satora Gojo

Well we can start

Do you have any cooking basics or....

Let's not waste time talking,  
where do you keep that finger?

Finger?  
What is he talking about?

Can you cooperate and tell me or should I use strong measures?

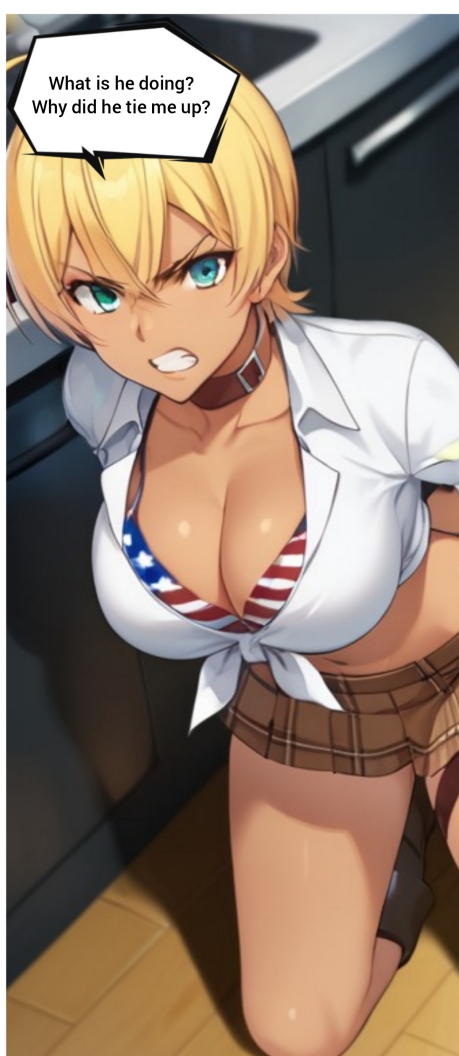

Listen!... I'm a cooking teacher and I don't know what you're talking about

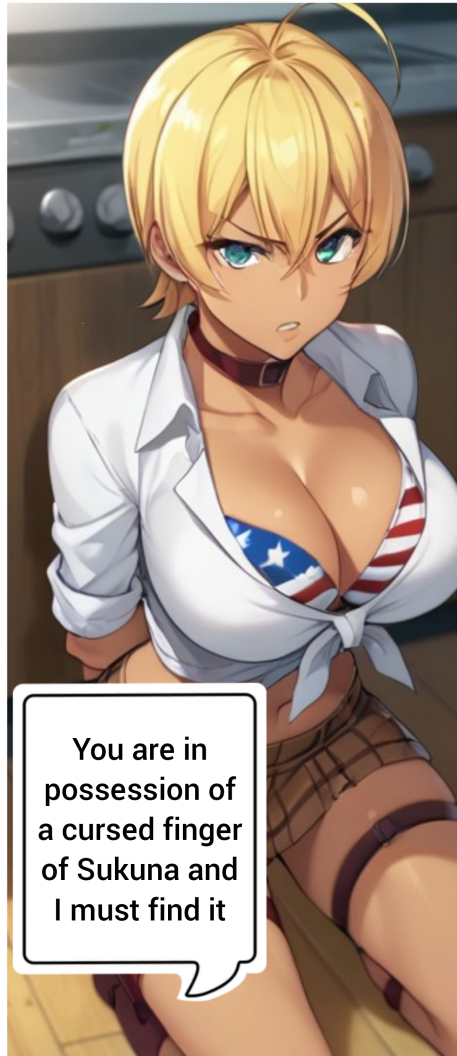

So, either we start the course or I have to ask her to leave.

And let there be strong ways

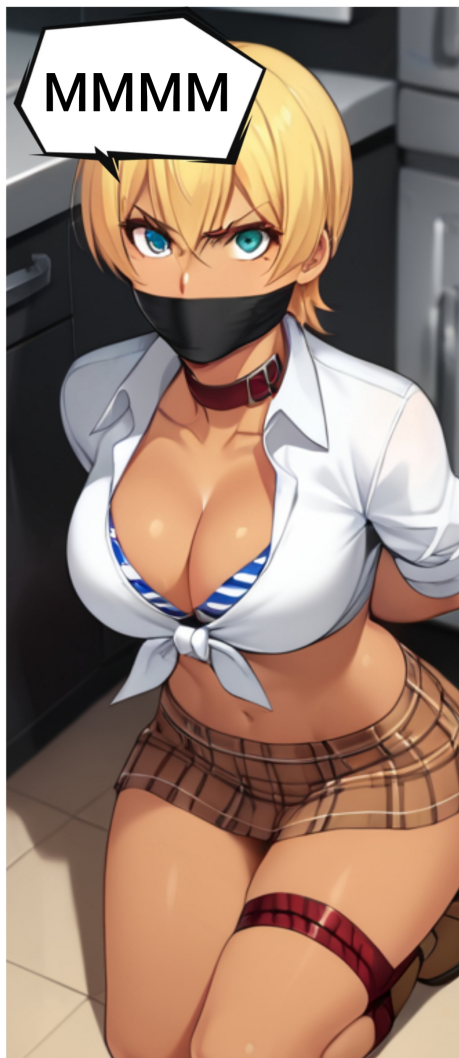

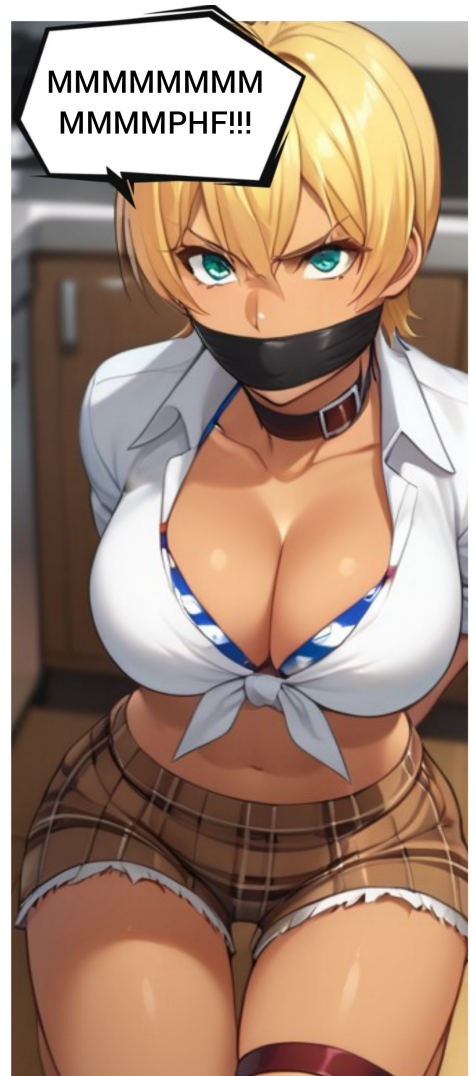

What is he doing? Why did he tie me up?

You are in possession of a cursed finger of Sukuna and I must find it

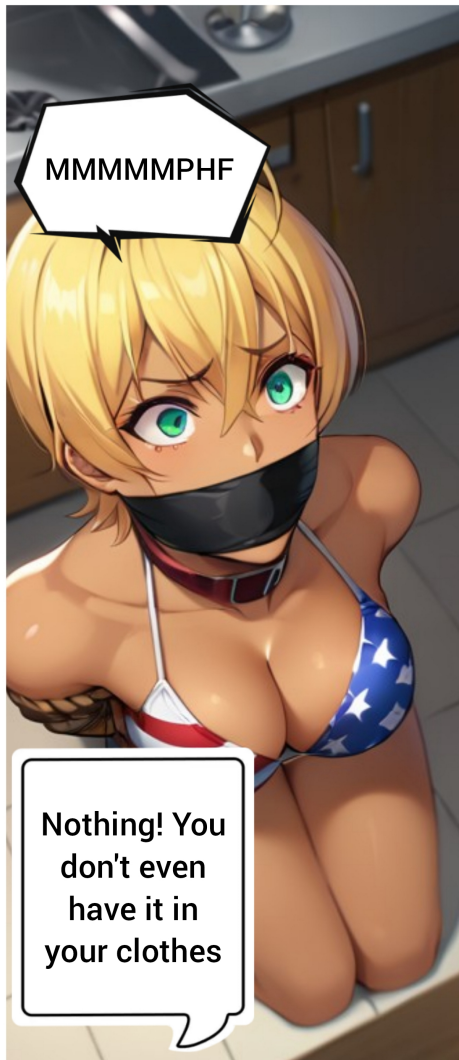

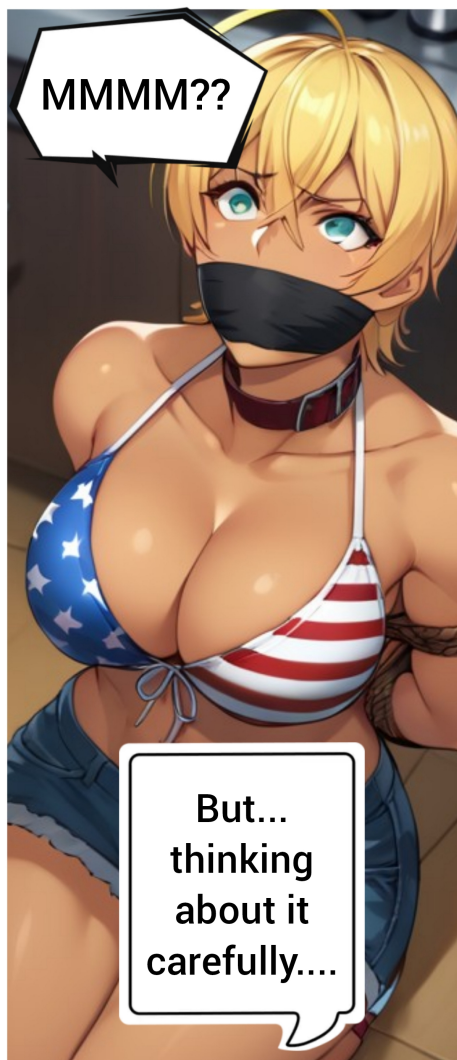

Wait a minute... maybe you're wearing it!

MMM?

MMMMMPHF

Nothing! You don't even have it in your clothes

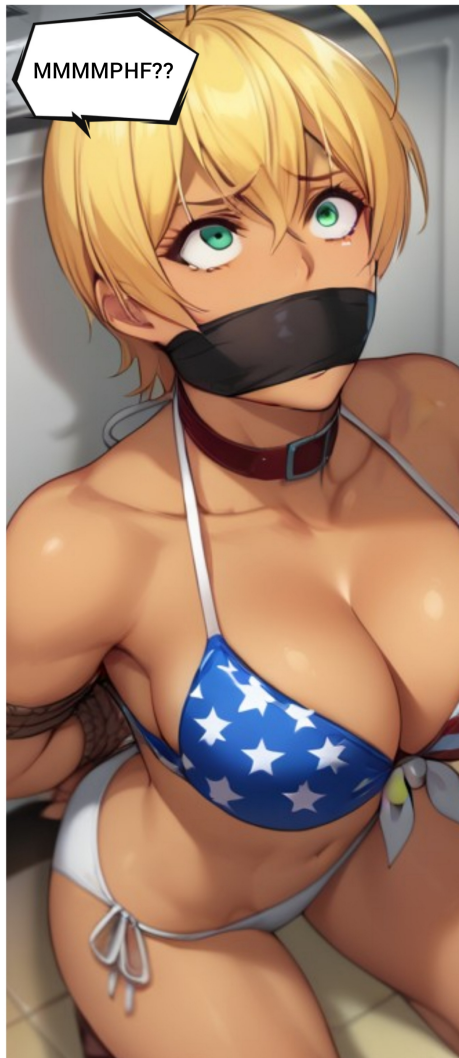

MMMMM??

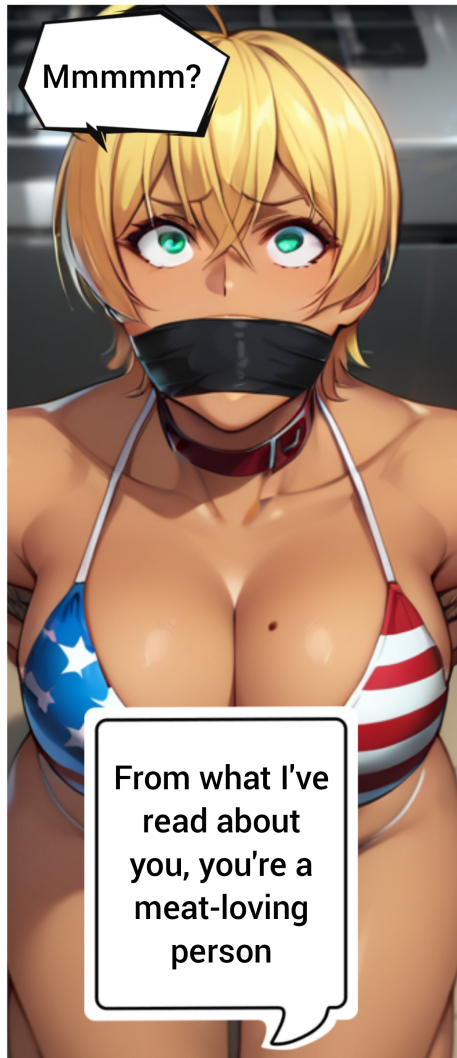

But... thinking about it carefully....

There would be a way to make you talk hahahahah

MMMMPHF??

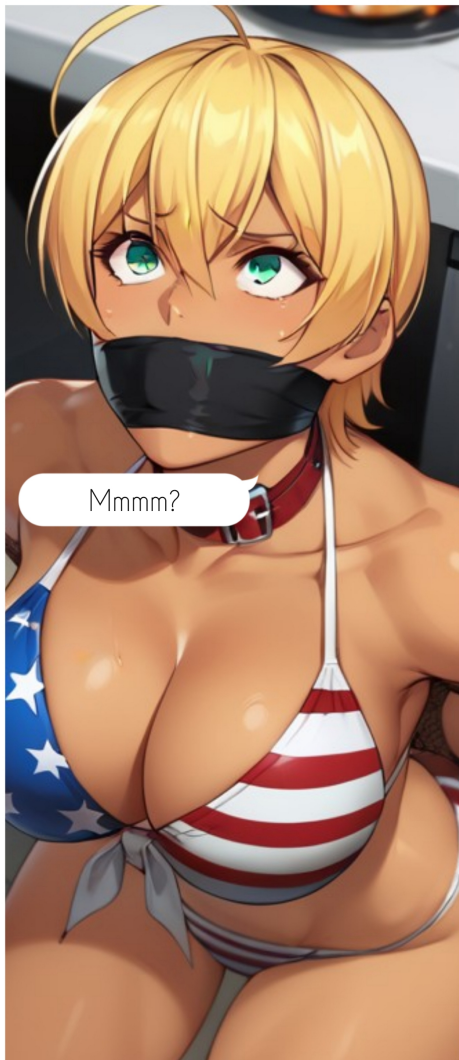

Mmmmm?

From what I've read about you, you're a meat-loving person

So it would be a good idea to...

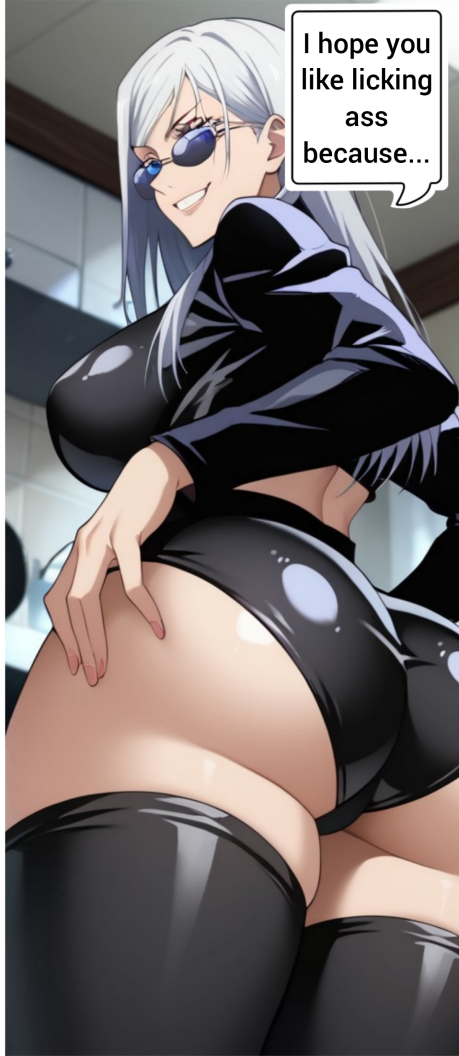

Mmmm?

I'll offer you something that will change your mind

MMMMMMMM

I hope you like licking ass because...

MMMMMMMM  
MMMPFH!!!

I'll make you choke in my ass until you tell me everything I want to know

The End
