

The Shores of Namek

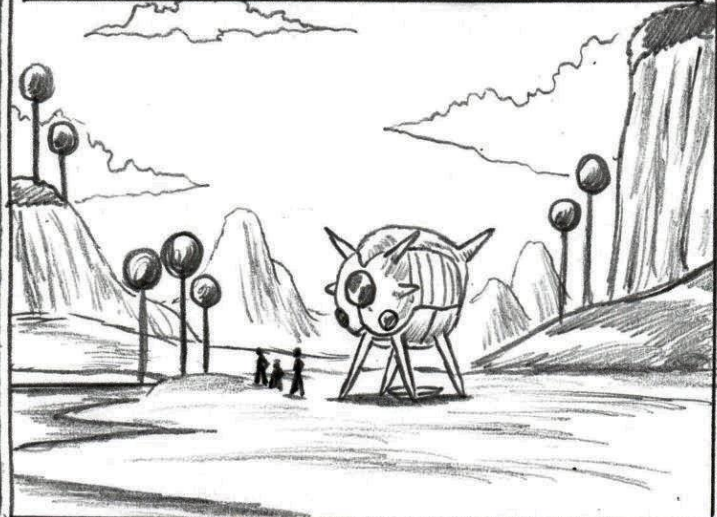

With no dangers bogging down their mission, the trio get straight into their adventure.

While Krillin volunteered to go locate the dragon balls first and flew off...

In this timeline, Bulma, Gohan and Krillin arrive on Namek, in which the Frieza Force and Vegeta are absent due to a series of multiple extenuating circumstances.

Thanks a lot, Gohan-kun. No. You don't need to do anything more.

BOING!

BOING!

Suf!

...let's take a break.

Since it took us forever to get here, and because you helped me out so much...

Gohan and Bulma stayed at the landing site on the beach, setting up base camp.

Ngh

Um, Bulma. I've finished unloading those boxes you wanted.

KEEK!

KEEK!

Is there anything else you would like me to do?

Oh. Okay. Sure. So... uhm... should I get some chairs out for us to rest on, or...

What are you...

Uhm... Bulma...?

No need. I'm just going to go for a swim.

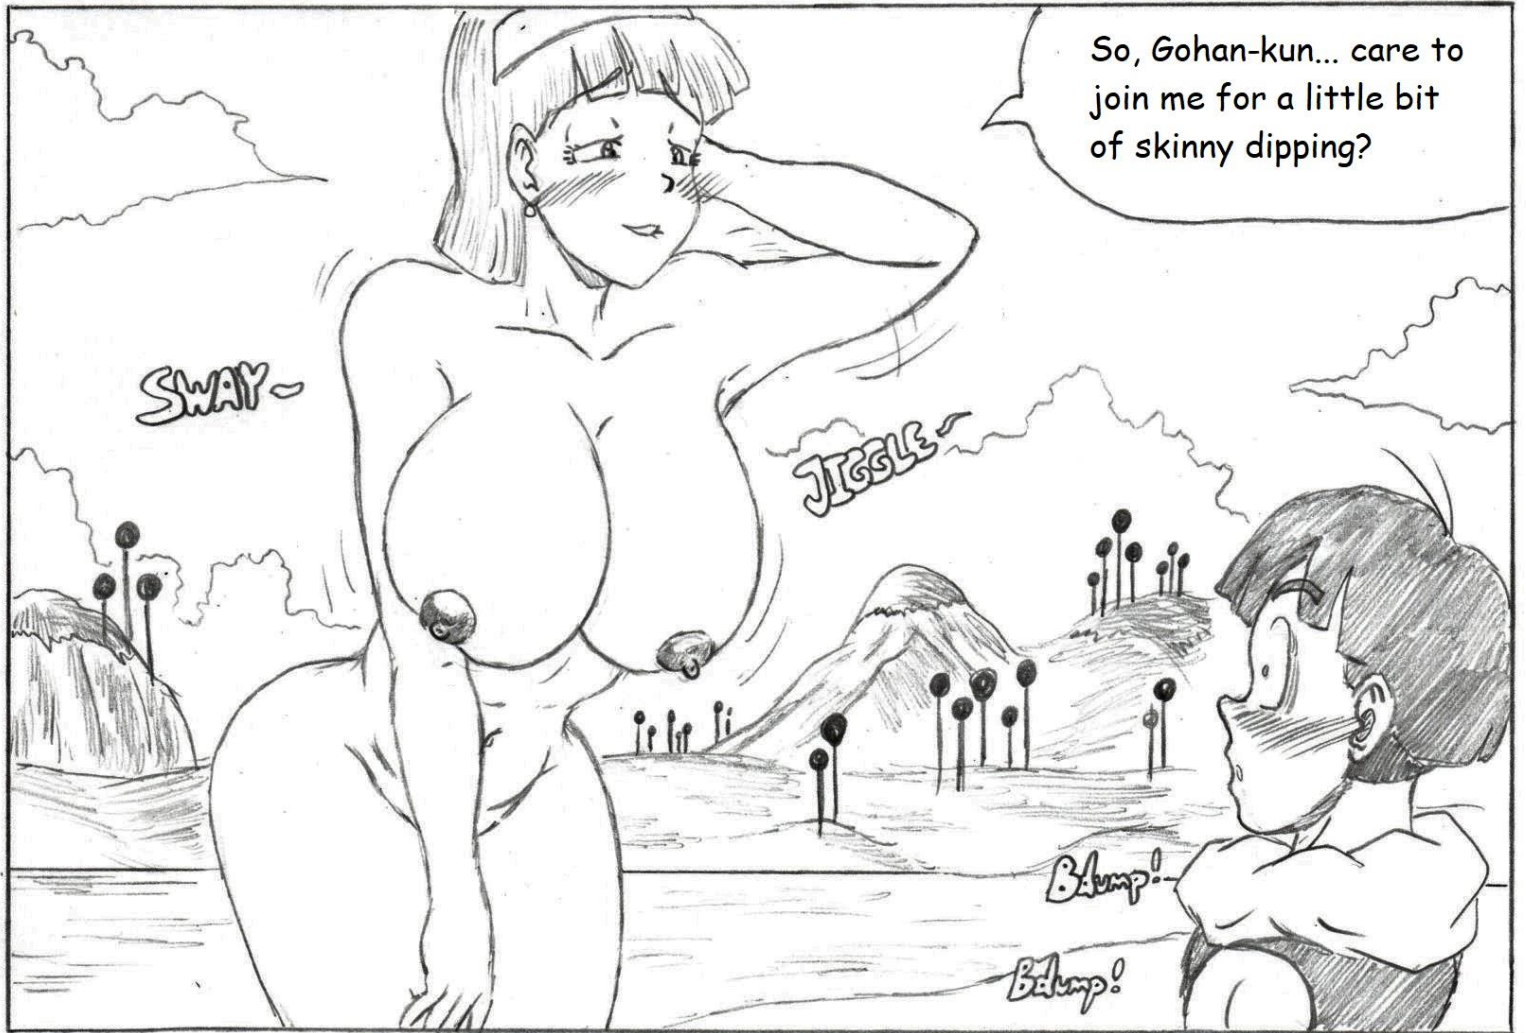

Fufu... what does it look like, cutie?

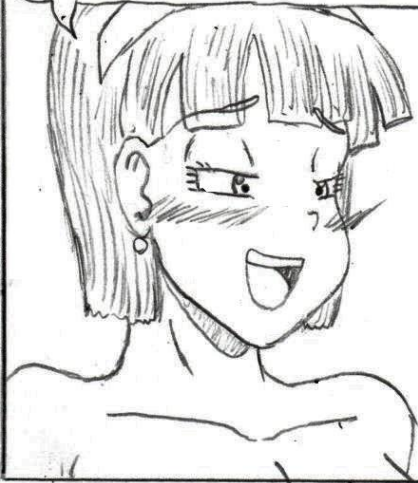

I'm getting ready to take a dip in the water.

Ooh... it's so warm on this planet.

So... do you want to come with me and mess around?

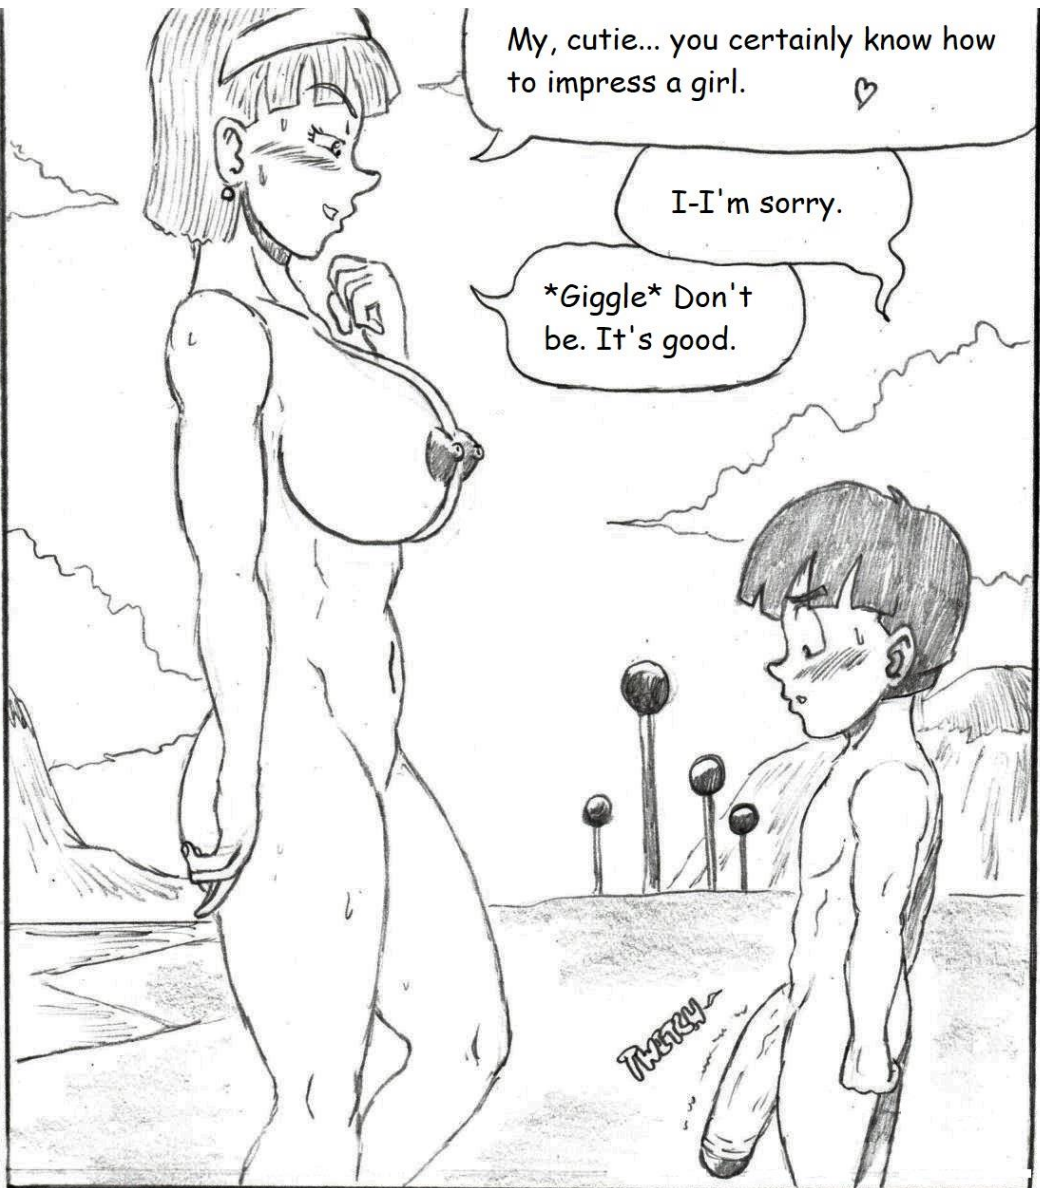

Y-Yeah.

My, cutie... you certainly know how to impress a girl. ♡

I-I'm sorry.

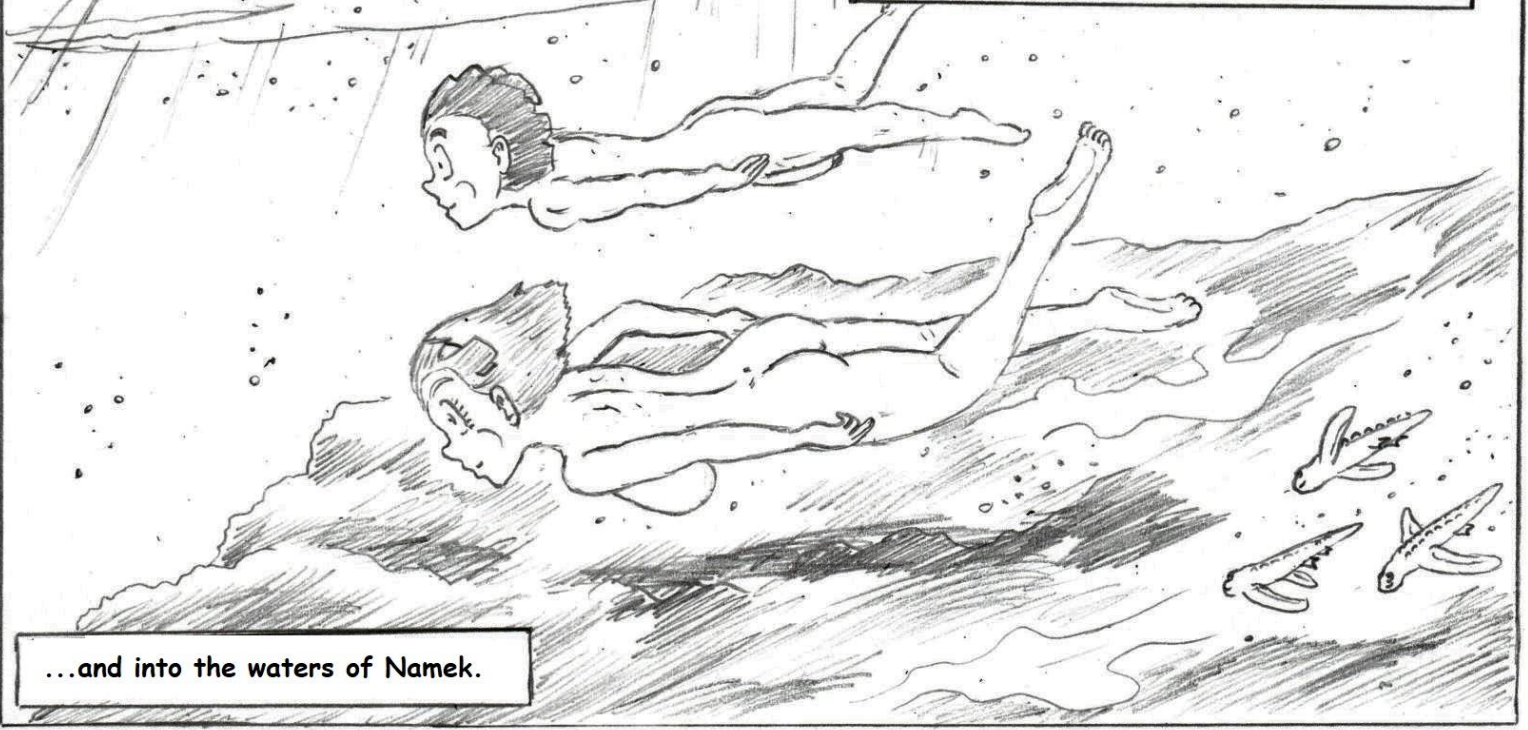

Giggle Don't be. It's good.

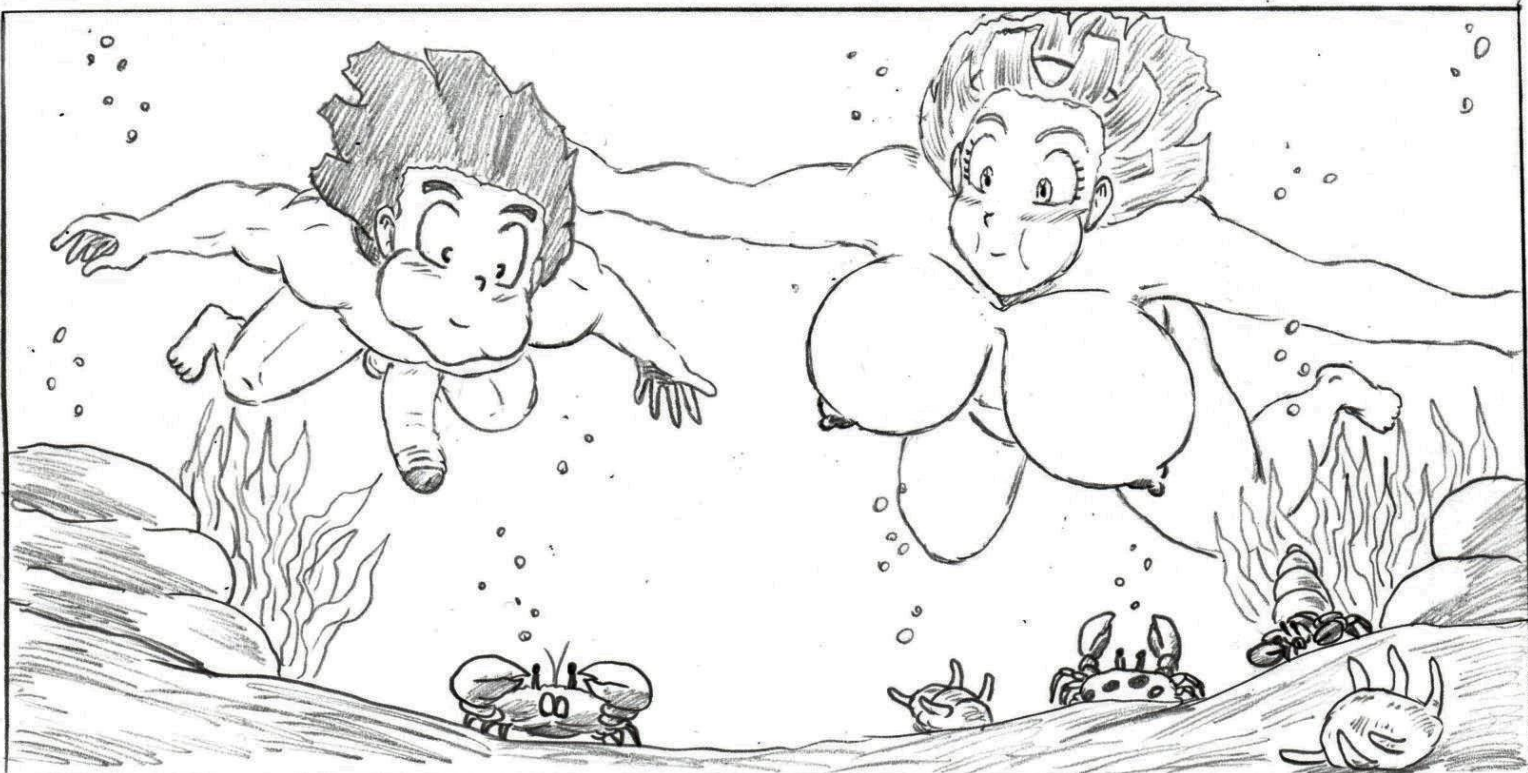

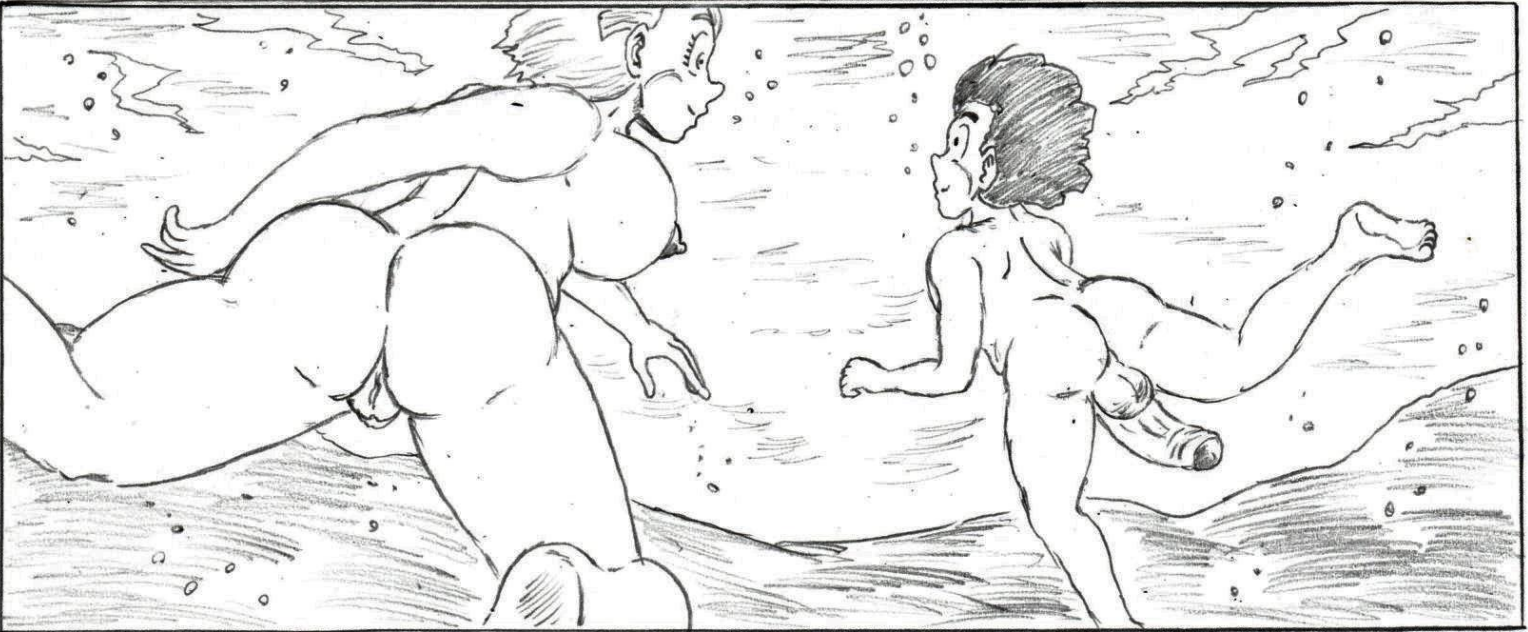

Come. Let's go have some fun.

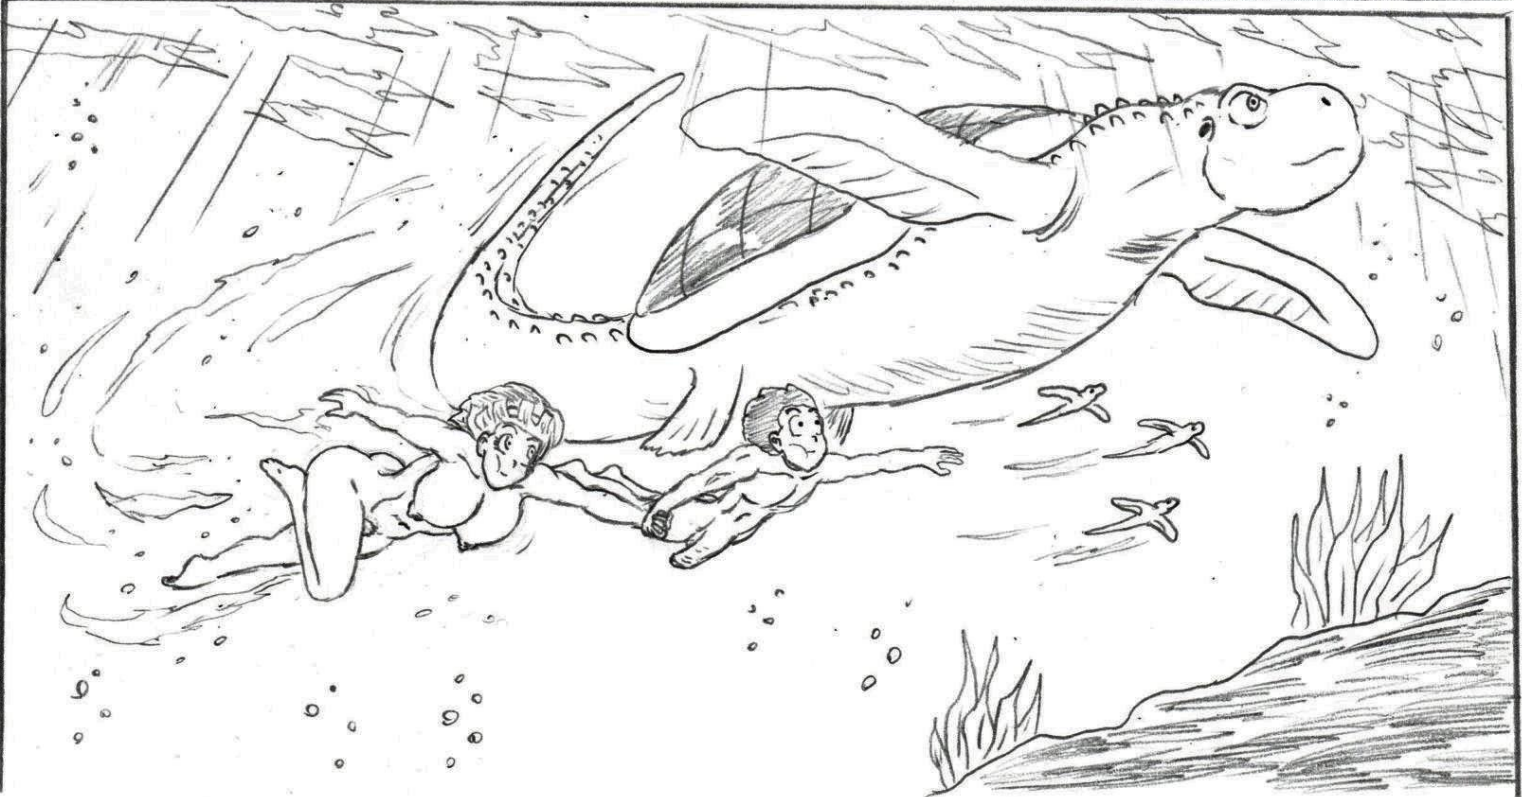

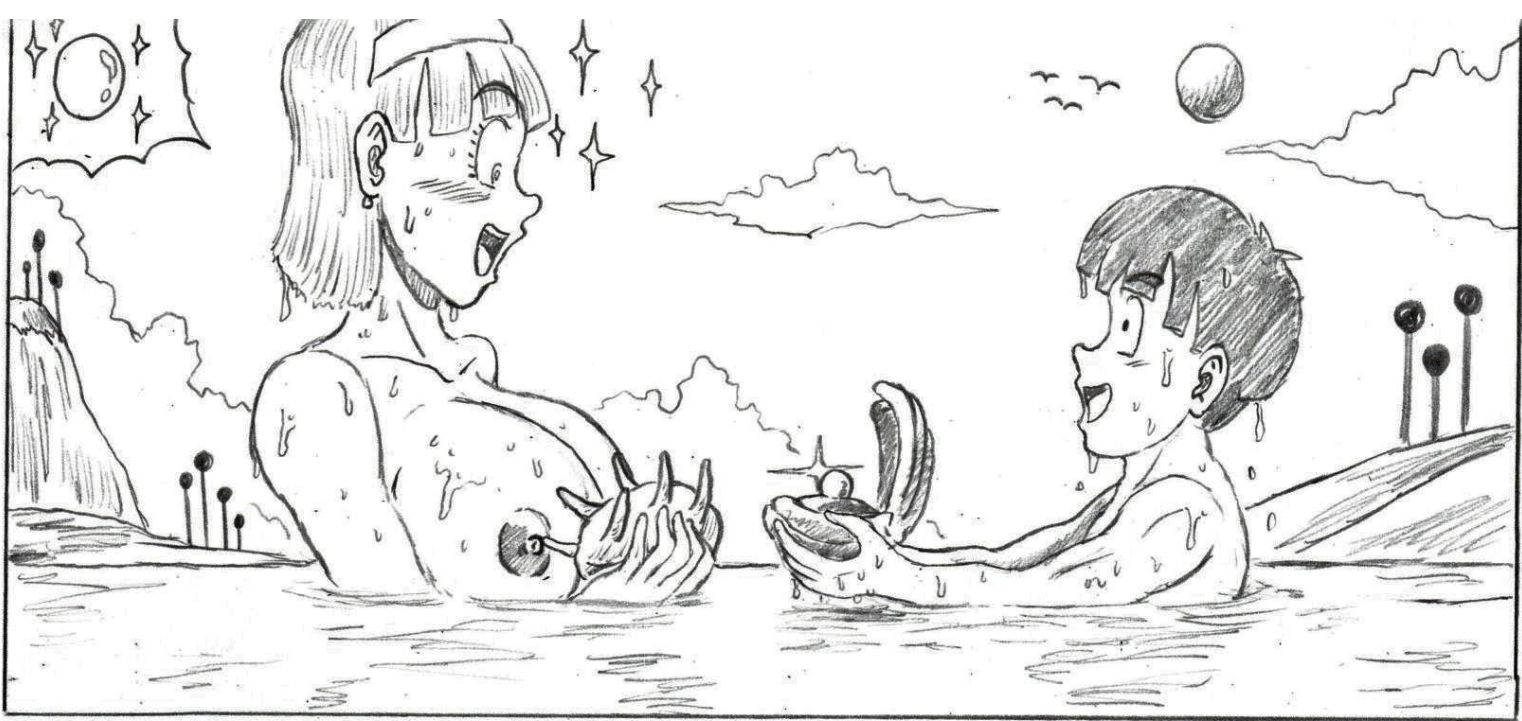

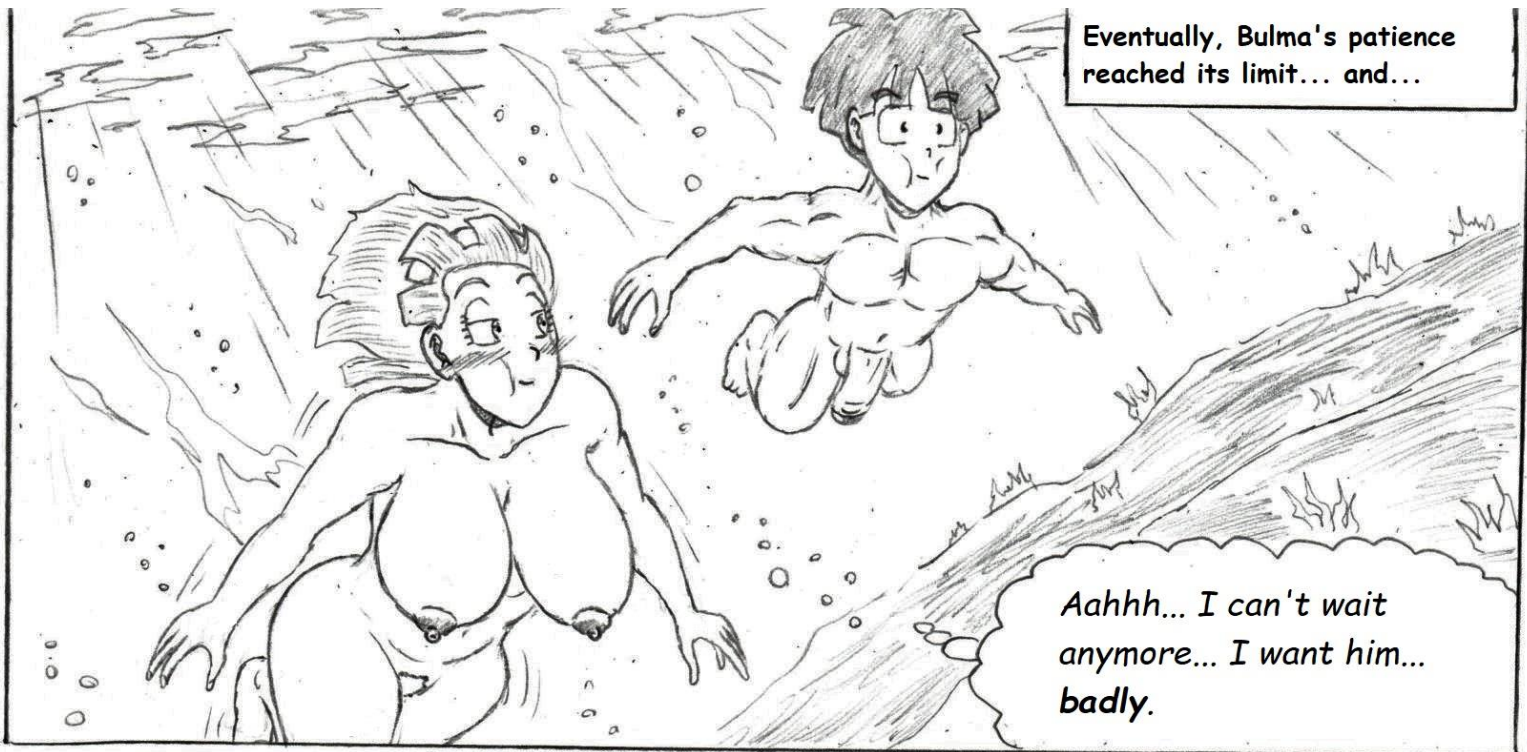

And so, the unlikely couple left the shore...

...and into the waters of Namek.

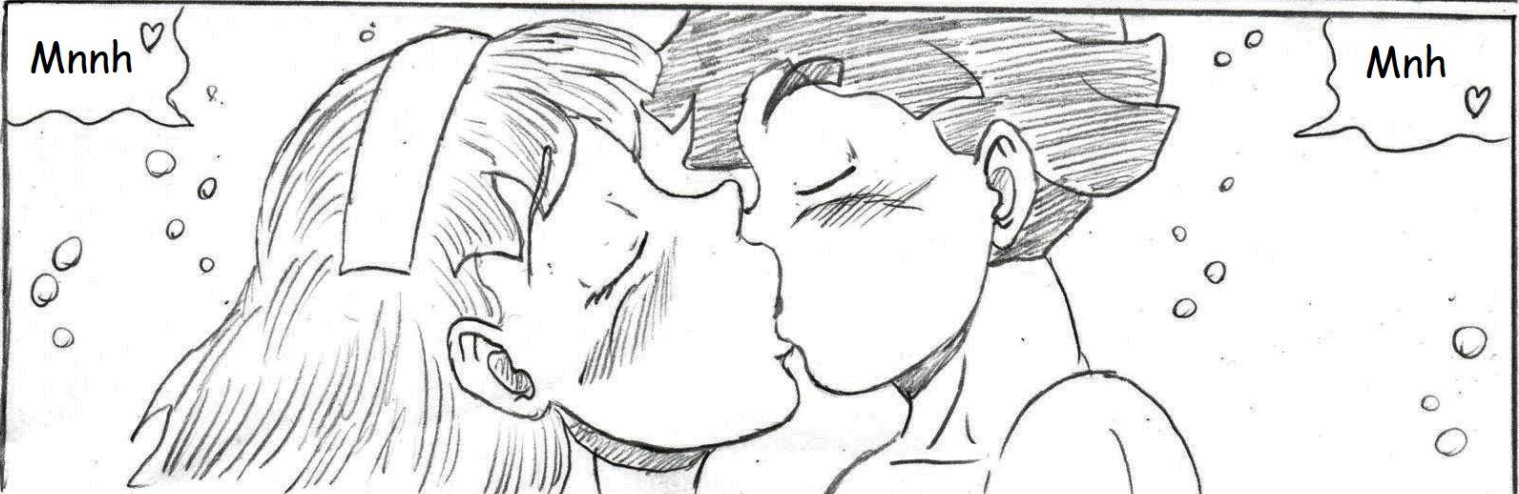

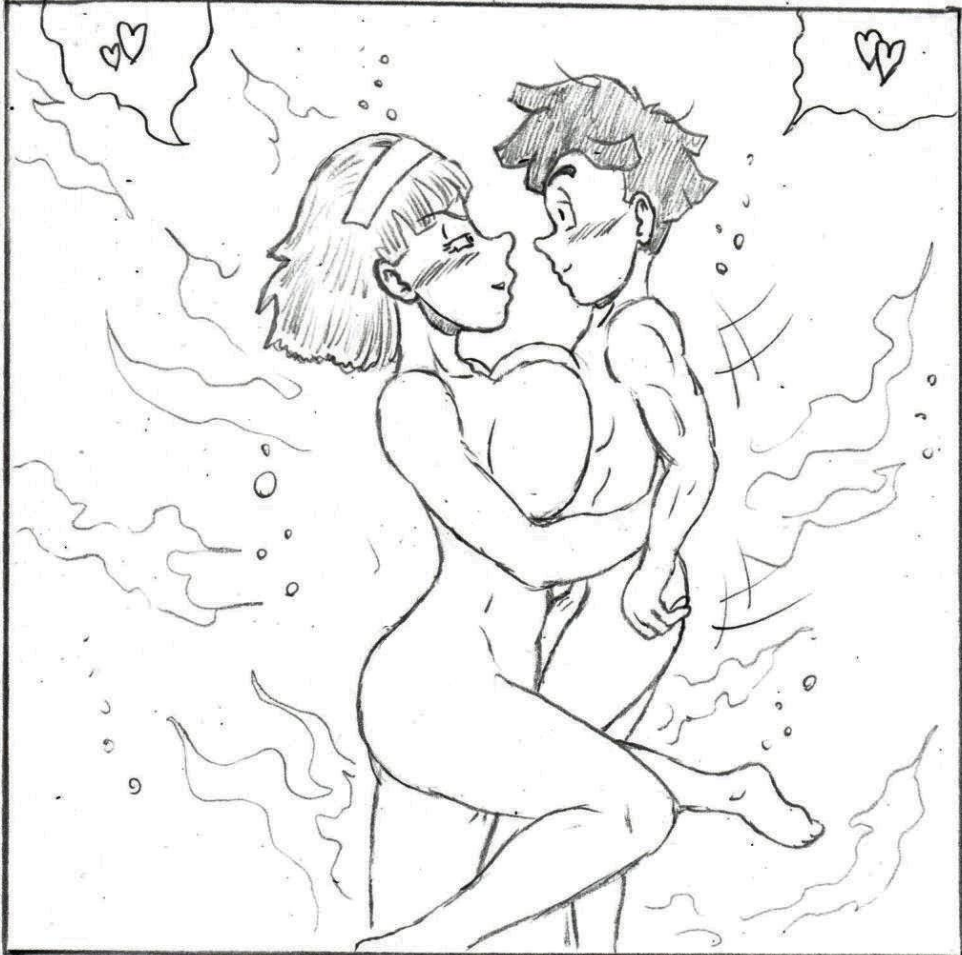

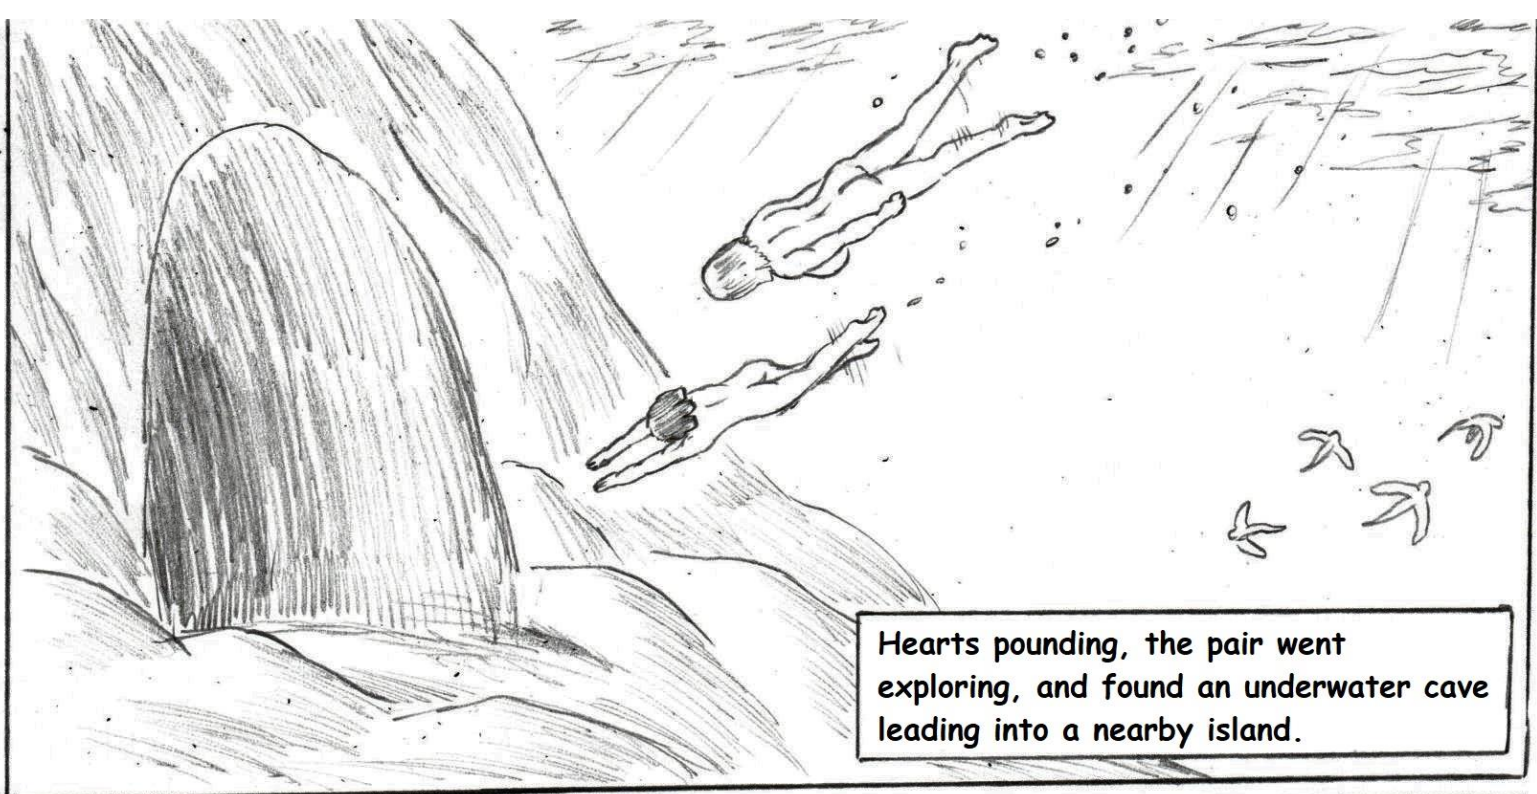

Eventually, Bulma's patience reached its limit... and...

Aahhh... I can't wait anymore... I want him... badly.

Hearts pounding, the pair went exploring, and found an underwater cave leading into a nearby island.

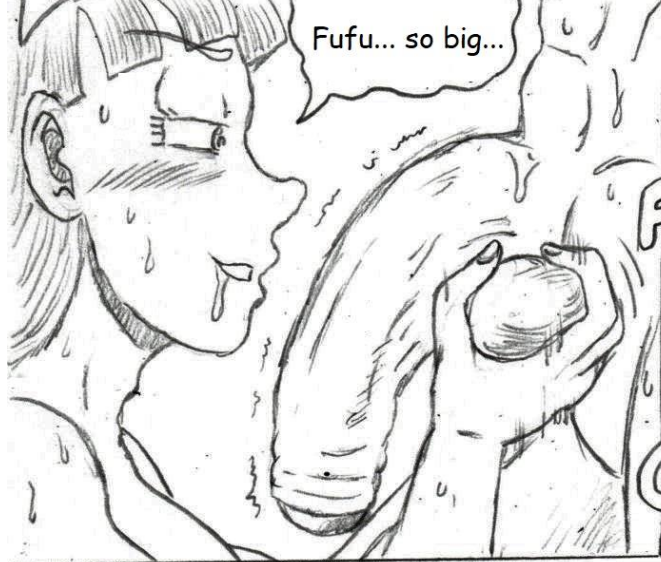

...the pair discover a secret haven... an air pocket.

This space would serve as one of many love nests the pair would discover and escape to, to share with one another for the next many years to come.

It is here...

Fufu... so big...
