# THE FUTURE IN-LAW

By The Write Fiction

Months after the defeat of Majin Buu, the world has returned to a time of peace. With everything back to relative normal, the Z-fighters picked up where they left off.

On this day, Videl is flying over to her boyfriend's place for a study date and a hang out. It is during this particular visit she hopes they'll be able to move their relationship to the next level.

Is anyone home?!

Hello?!  
Gohan?  
Goten?! Chi-Chi?  
Chi-Chi?!

CREAK!

KNOCK!

KNOCK!

Woo!  
Finally! ♡

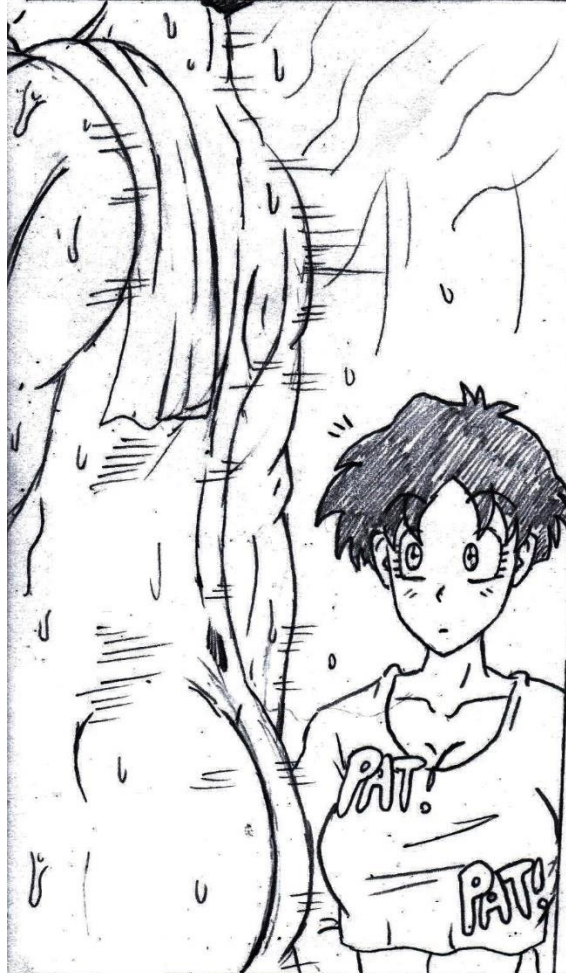

CREAK!

....?

Silence~

Where is everybody?

Huh? That's weird. Gohan said he'd be home today.

PAT!

PAT!

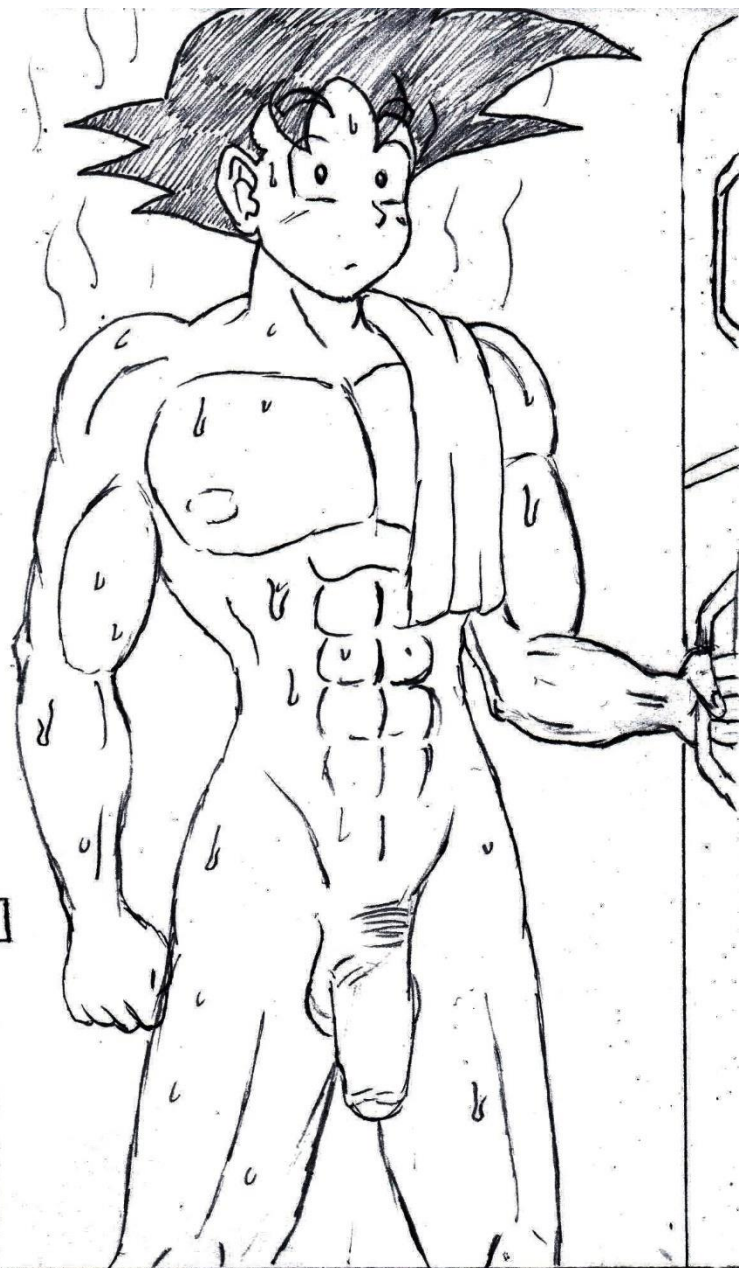

Oh! Hey there, Videl. I didn't hear you come in.

How are you?!

Such a conservative woman? Really?

EEKI!

Anyway... what's up?

What brings you round today?

Huh? I just finished taking a bath. I mean... you can't wear clothes when you wash yourself.

GAAAHH! GOKU?! W-WHY THE HECK ARE YOU NAKED!

Plus, Chi-Chi doesn't mind if I walk around the house without clothes after a wash.

Are all boys that big? Or is it only grown ups?

GULP!

I wonder what Gohan-kun's looks like.

Really? Boy, you highschoolers sure do study a lot. I feel sorry for you and Gohan.

Wow...

FLAP!

It's so big! I've never seen one for real before.

W-Well... you see... Gohan-kun and I have a big exam in Math coming up, so I decided to drop by to study with him for the evening.

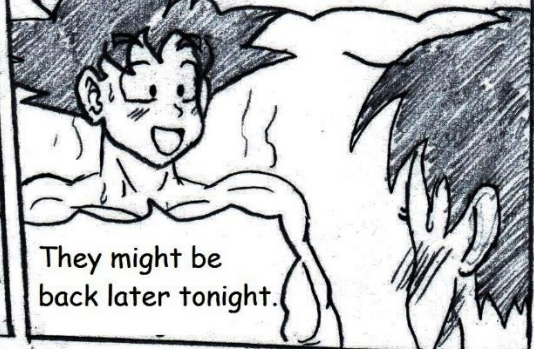

Foo~♥

Anyway, Chi-Chi, Gohan and Goten are all out for the day.

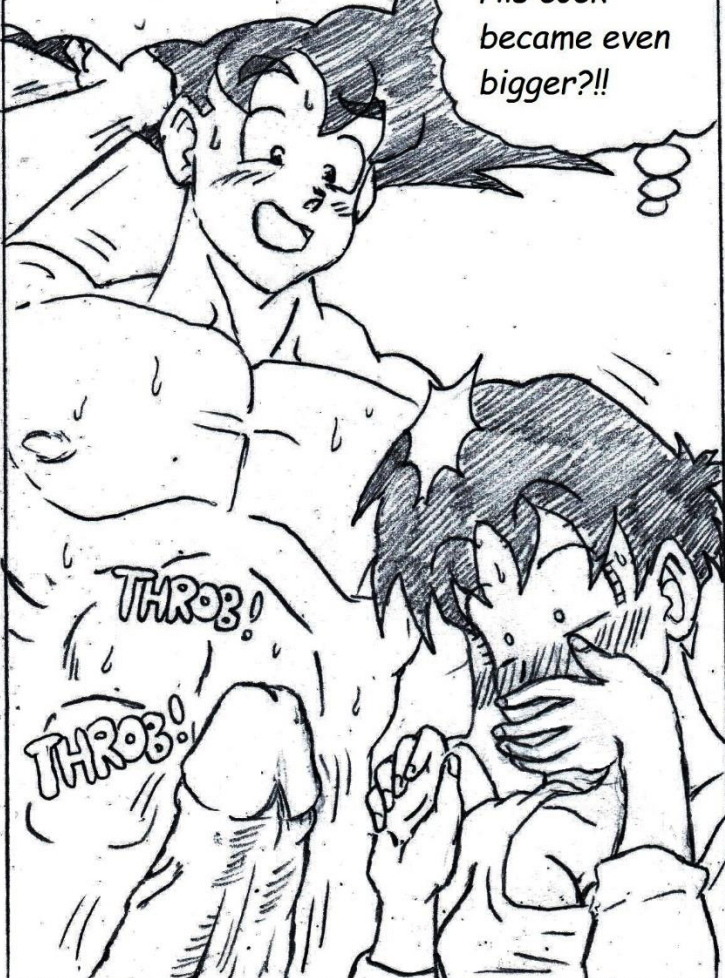

They might be back later tonight.

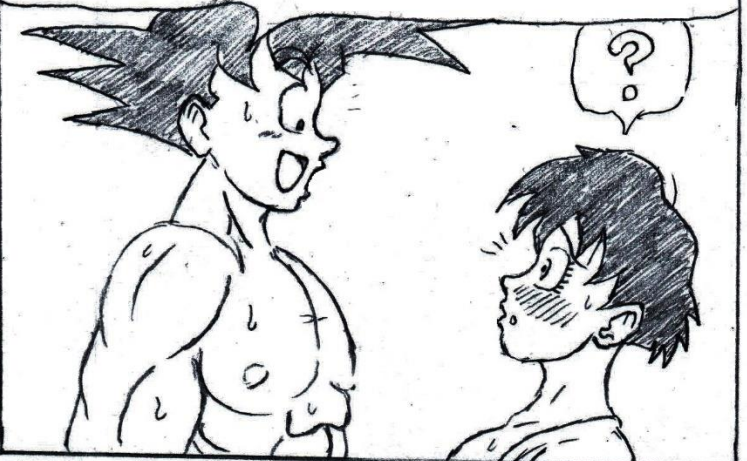

Oops. My dick got hard on its own again. Sorry.

Oh my God! His cock became even bigger?!!

Wow. You know... you look really, really nice today, Videll. All dressed up to see my son? Very fetching.

THROB!  
THROB!

BOOM!

Please, Vidal. I-

B-But Goku-

EH! W-What do you mean? Settle it back down?!

I know you're Gohan's girlfriend, but... since Chi-Chi isn't here, do you think... you could help me settle it back down?

-don't know how to fix it by myself.

Ahh. I've never done anything like this before. What do I do? I was saving my first time for Gohan-kun.

W-Well...

Brdmp! Brdmp!

But...

Well... Chi-Chi told me women are good at fixing something like this. And you're a woman, aren't you?

SURE!

Ahhh, I can't believe it. I'm... jerking off a man's penis for the first time... and it's Gohan's dad's. Oohhh... my body is getting hot...

Ohh... Vidal. Yeah. That... feels nice. Keep going...

The moment I've been waiting for...

My first time...

I'm going to lose my virginity... on this bed... in this room. B-But even though I promised to give my first time to Gohan-kun... the man who I'm going to give it to...

You look good, Videl. Though I always thought you looked great ever since we first met at the tournament. (100% sincerity)

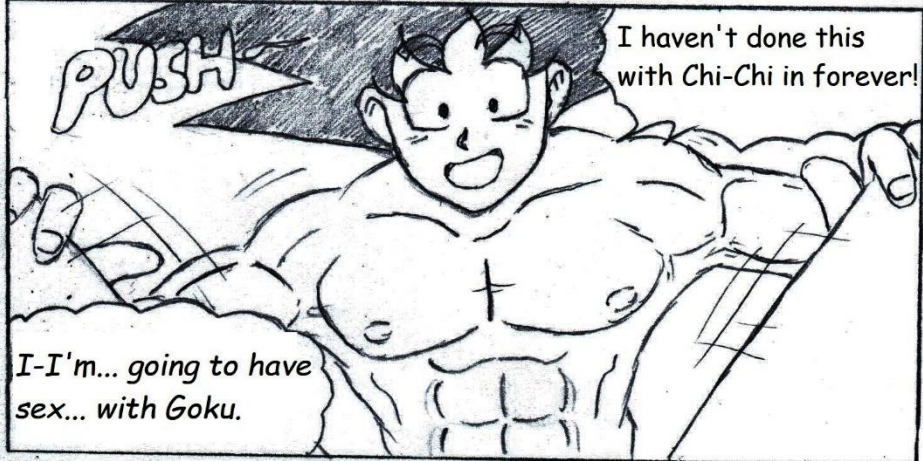

Belump!

His semen is sloshing around inside my belly... swimming towards my eggs...

Oooh... he did it! Goku mated with me... and made me into his woman. He took the first time I was saving for Gohan-kun... and filled my pussy with his sperm...

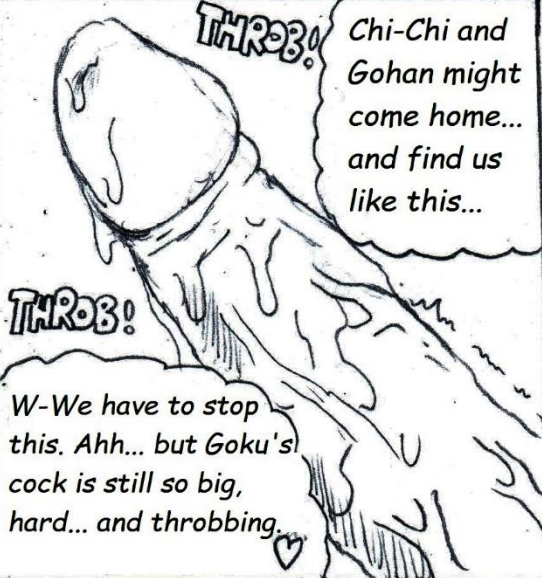

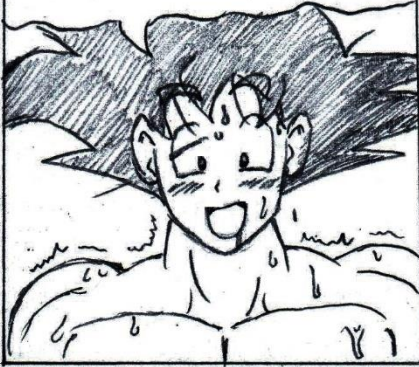

...and merging with one of them... ahhh... I did it...

I made a baby with Goku.

Ha... hah... th-that was incredible, Vidal. I can't remember ever erupting that hard and that much before. Even with Chi-Chi. I'm really grateful, but...

Chi-Chi and Gohan might come home... and find us like this...

W-We have to stop this. Ahh... but Goku's cock is still so big, hard... and throbbing.

G-Goku wants to keep going? N-No way. I... I mean... we can't. If this goes on any longer...

M-My penis still hasn't calmed down yet. Heh. I... think it needs another spurt...

Ahh... aah... H-Here... Goku-kun...

Y-You can even do me from behind, if you like...

I have to be strong... and resist Goku's cock...

N-No. I can't. I have to end this now... before anything else happens.

Hey there, Gohan-kun. Hey, Chi-Chi. You guys were out for a while.

Hey, guys. Welcome home!

Hello, Goku! Are you here, sweetheart?

7:00PM. Mt. Paozu.

Hey, dad! We're back!

Yeah. Videl and I worked up a real sweat together. Not only did she show me what she could do, but she even taught me a few things and helped me out. Your girlfriend really is amazing, Gohan.

I was hoping to catch up and study with you. But since you weren't here, I spent the whole day training with Goku instead. It was fun.

Yeah. Sorry. I should've texted you this morning, but I wanted to surprise you.

Oh? Videl? I didn't know you were coming over today.

By the way, Chi-Chi. I'm starving. What's for dinner?  
(Goku)

Sure. ☺

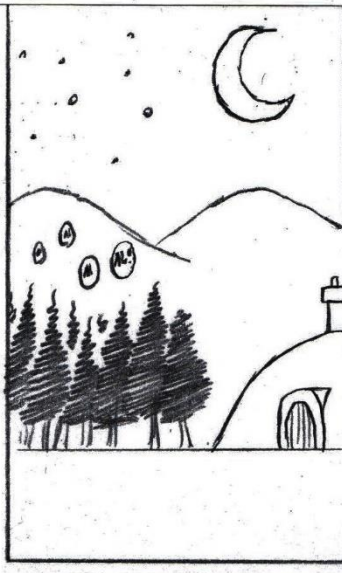

That's okay, Gohan. I had a pretty busy day with your dad. He wiped me out. We can study later. (Videl)

Yeah. She sure is. Sorry I was out for so long, Videl. I was over at Erasa's place helping her with her homework.  
(Gohan)

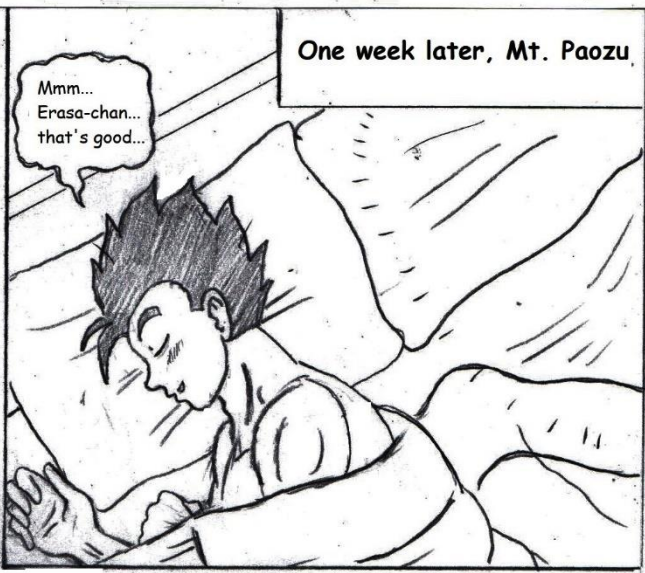

I'm making us all some fried rice. I'll get started as soon as the shopping is put away.

End...?

Ooohh...  
Vegeta...  
yes...

Mmm...  
Erasa-chan...  
that's good...

I'M CUMMING!!

SPLURT!

Goku and Videl continued to make love all night until the sun rose. After that, they would meet up over the next several months and mate repeatedly with each other.

Though Gohan and Videl went out on many happy dates, Videl continued her passionate affair with Goku, in which the two would meet up and fuck every chance they got behind their loved ones' backs.

Oooh! Erasa! Angela!  
Here it comes! AAHH!!! ♡

Unbeknownst to Videl, on the same day she and Goku had sex, Gohan had started an affair with Erasa AND Angela, both of whom had fallen in love with the hero.

OOH!  
YES,  
GOHAN  
-KUN!  
AAAH!

KYAAAA! YOU'RE  
CUMMING INSIDE  
ME AND ERASA  
WITH ONE  
ORGASM?! AH!  
YOU'RE AMAZING,  
GOHAN-KUN!

From that day on, Gohan continued his affair with both girls, having baby-making sex every night until, a couple months later, both Erasa and Angela proposed to Gohan. Gohan agreed, and married the two of them in secret.

They confessed to him during their study date and did it in Erasa's room. As a consequence, the reason why Gohan had been unable to perform for Videl on their first night, was because he'd spent the entire day fucking both Erasa and Angela- to the point he'd been completely drained.
