I'm a little embarrassed.

It looks good on you, Haru.

She is a former trainer, Rei Aoki.

If you don't understand something, ask her.

# 『アイドル♡ぷちっこメイドパーティ』

あとがき

Hey there, I'm Kuma-QM! First of all, thank you all so much for purchasing this doujinshi! I am very sorry to say that this is a second erotic work, but this time I tried to be faithful to my own squeamish soul and just enjoy it. I am also very embarrassed to admit that I am a big fan of threesomes and orgies in porn, so I decided to make it an orgy. I would be very happy if you could put it to practical use. I changed the tone of voice of the trainer's four sisters to make them more individualistic. The digital version has also been corrected in the drawing areas that were bothering me. I am still in my infancy, but I will continue to do my best to create something that can be enjoyed by secondary Lolita lovers.
