

Like, that voice!

Hmm... are you sure that it's not excitement? It could just be butterflies beating their wings! Does it matter what you wear when you look so cute? It's a serious philosophical question hehe~

Lola, can we go somewhere else? I-I'm getting a knot in my stomach! And couldn't we have gotten clothes before coming here?

S-stop it Lola I'm not fishing for compliments!

Katy, I thought you said you've never been to a salon?

Like, hey you came back! Yoo-hoo!

Sigh Gosh darn it, when can I just catch a break?

I believed that my 'liberator' had left me like in some tragic movie. No disrespect, but you totally seemed like a user, but now you're back I guess you wanted to see me...

"Liberator"? Katy, could you please explain to me who this woman is and why she is so comfortable reaching for your breasts?

Y'know... I'd get the boot from work for doing it openly, sooo if you want some more free service we'll hafta just take a quick 'down payment' and we'll settle the debt later-

hover

L-like, who are you?

S-spooky!

This is Lola, she's my girlfriend, we're in a serious girlfriend/ boy- er, girlfriend relationship. This is as she's my girlfriend, and I'm happy Lola is my girlfriend. Also, If my girlfriend is happy then I'm happy. Girlfriend.

blush

Aw... Hehe~ That's really sweet of you Katy... you didn't have to! I'll be happy as long as you continue being confident enough to be open with your feelings.

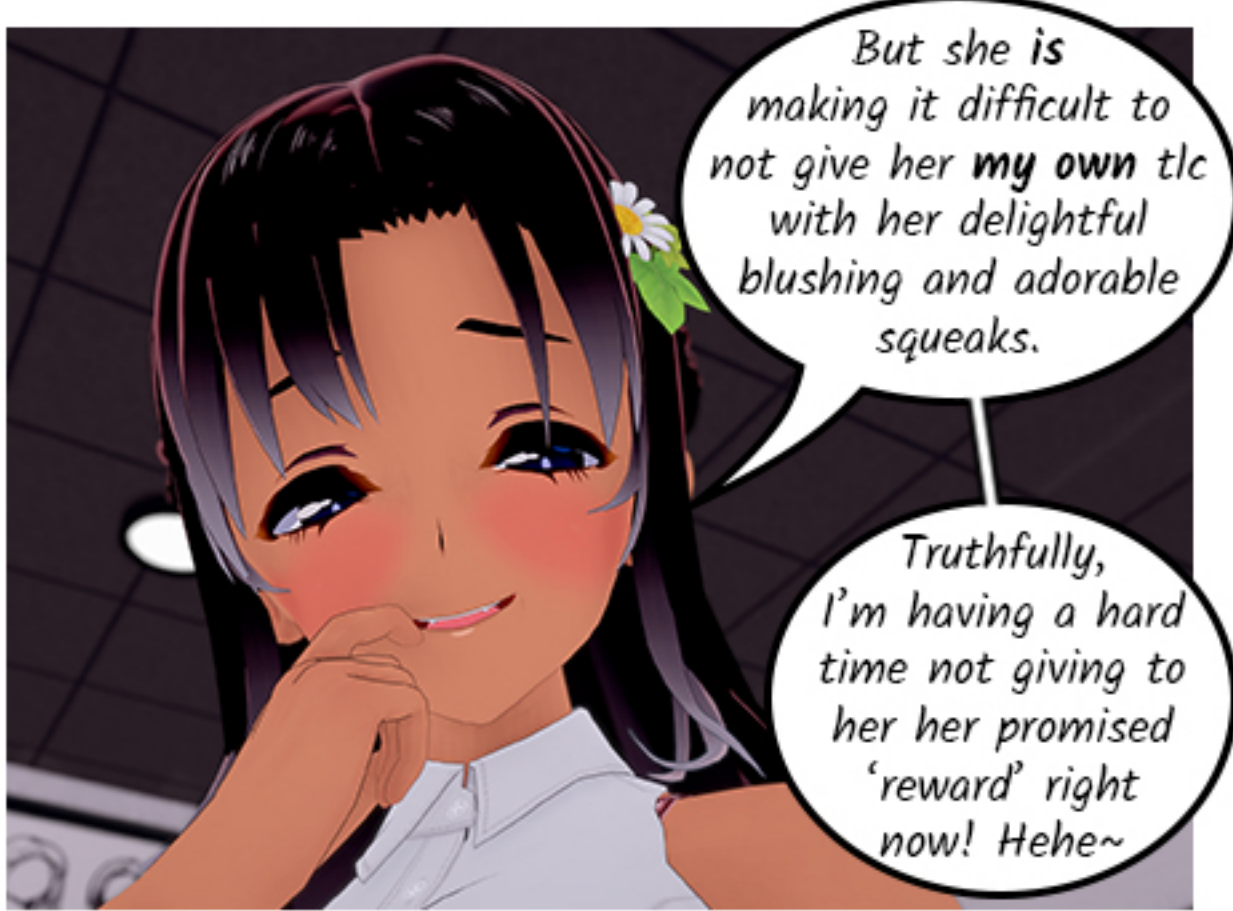

Would you like to tell her Katy? Please? I insist.

Er, yeah, r-right away Lola.

Wow, I guess today I learned that Lola has a green-eyed monster. Actually, this is a blessing...

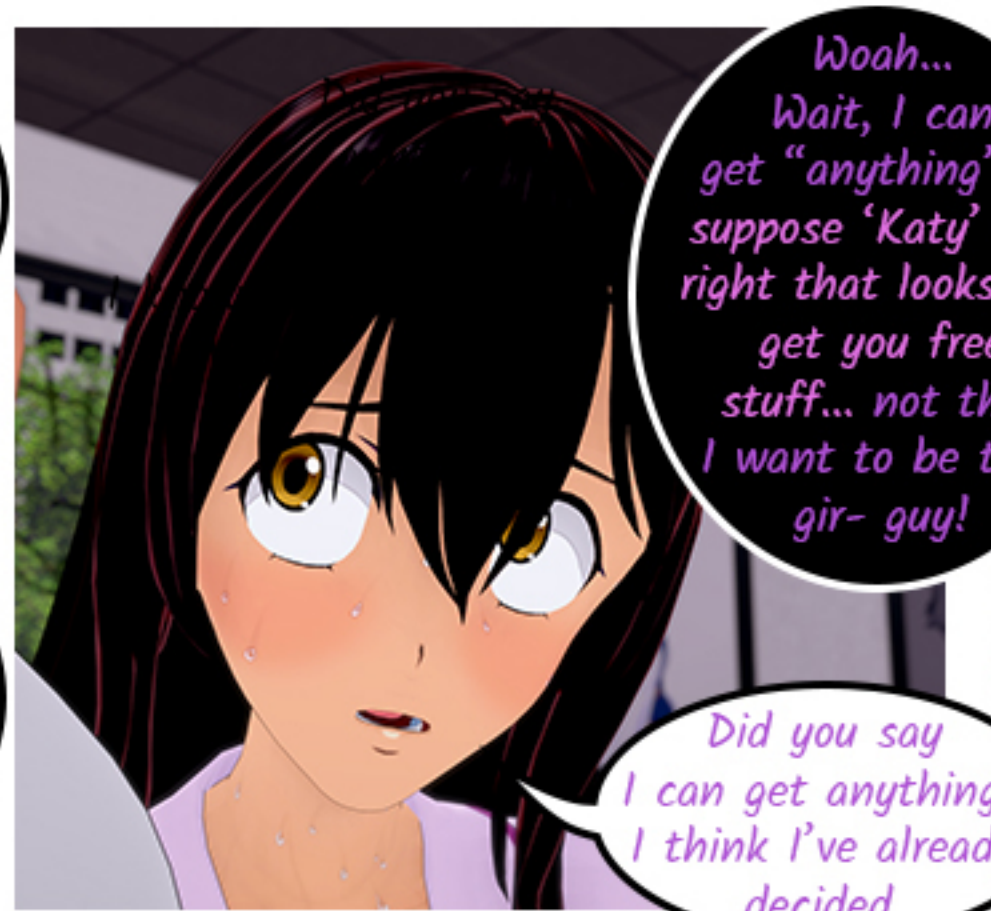

I think I did need to say that. It's kinda nice and scary simultaneously that she's so possessive, but we'll work on that. What was important about this was that I got across that I'm taken. Thanks for this 'Katy'...

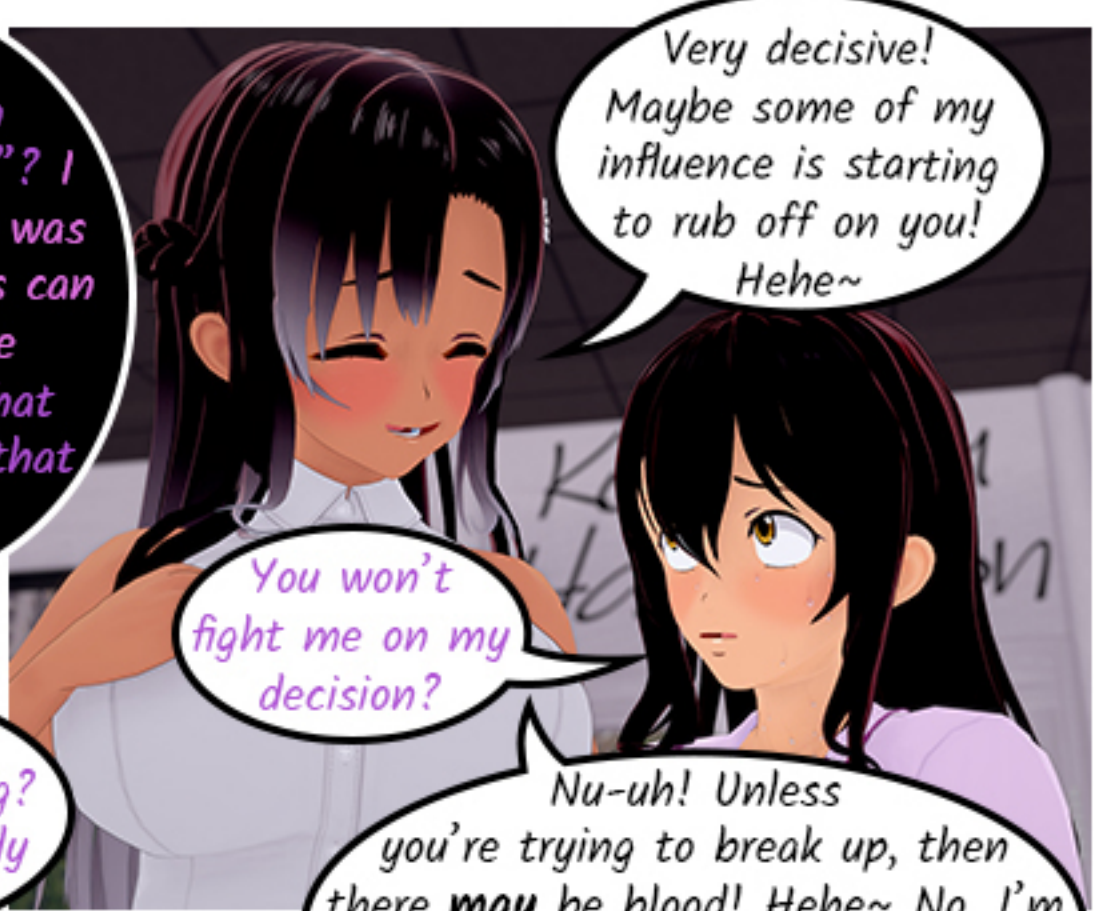

But she is making it difficult to not give her **my own** tlc with her delightful blushing and adorable squeaks.

Truthfully, I'm having a hard time not giving to her her promised 'reward' right now! Hehe~

Woah... Wait, I can get "anything"? I suppose 'Katy' was right that looks can get you free stuff... not that I want to be that gir- guy!

Did you say I can get anything? I think I've already decided.

Very decisive! Maybe some of my influence is starting to rub off on you! Hehe~

You won't fight me on my decision?

Nu-uh! Unless you're trying to break up, then there **may** be blood! Hehe~ No, I'm trying to push you to be a bit more secure, but I know you need comfort too.

Thanks... I want to cut my hair short...

That's a shame, it's so lovely and silky...

It makes me wonder why she let it grow so long... does she just want a style change? She's acting as though it spontaneously grew overnight...

Yeah, but it's a pain to wash and it gets in the way on the toilet!

It really is a nuisance, no matter how nice it is to run my hands through it. This'll probably stop my compulsion to play with my hair and be a step back into masculinity.

So, 'Katy'.
What style are you
going for?

Style?

Well, yeah!
"short" is way
too general. And
I'm not takin' any
abuse if I don't get
the style down to
what you want.
It happens
too often.

Being a
hairstylist for
women is
war...

Haha!
Yeah! You're
right! We... 'girls'
can be real
monsters,
can't we?

Oh gosh, I've
no clue about any of
this! I'm trespassing in
a woman's temple and a
head priestess is about
to uncover me!

Katy!

My tall
beautiful, caring
girlfriend had a 'fun'
idea; she can decide
on my behalf.

I know I told
Lola that I haven't
really been in a salon so
she wouldn't expect me
to know, but this raises
less suspicion all
around.

You really mean it?
That's a lot of trust, are you
sure? You don't have to, I
was only half-serious!

Wait, Lola can save me
here, this won't seem odd as it
was her suggestion!

Which part
do I mean?
That you're tall
and beautiful? I do
trust you. Don't
make me regret
it!

I hope
that came off as
smooth, but please
don't pick something
rediculous
Lola!

Wow, must be totally nice to have a close relationship-

You!

Listen to me: it isn't in my girlfriend's nature to want attention, so don't be overbearing. As she's relying on me for guidance in the world of women I want to make sure this is a positive experience!

That includes no groping, do we understand one another?

N-No undermining your efforts, got it!

Like oh my god, there's totally zero tolerance towards abuse of staff!

Uh-huh. Yeah, that'd totally compliment her face shape.

Katy not wanting attention? Her nature before was far from that. Weird.

Whisper

Whisper

In the hot seat that's about to get hotter...

I've been throwing the word around a lot, but it's bizarre being in one of these chairs again with what occurred prior with 'Katy'.

I wonder how the haircut shall be? I doubt it'll surprise me as much as my last styling.

Katy?

KATY!

I didn't think until this exact moment: my hair can't be too masculine, what if I look too much like my old self and Lola realizes? Maybe it was for the best letting Lola decide after all; a true 'accidental genius' moment.

Huh?

It's like you don't know your own name!

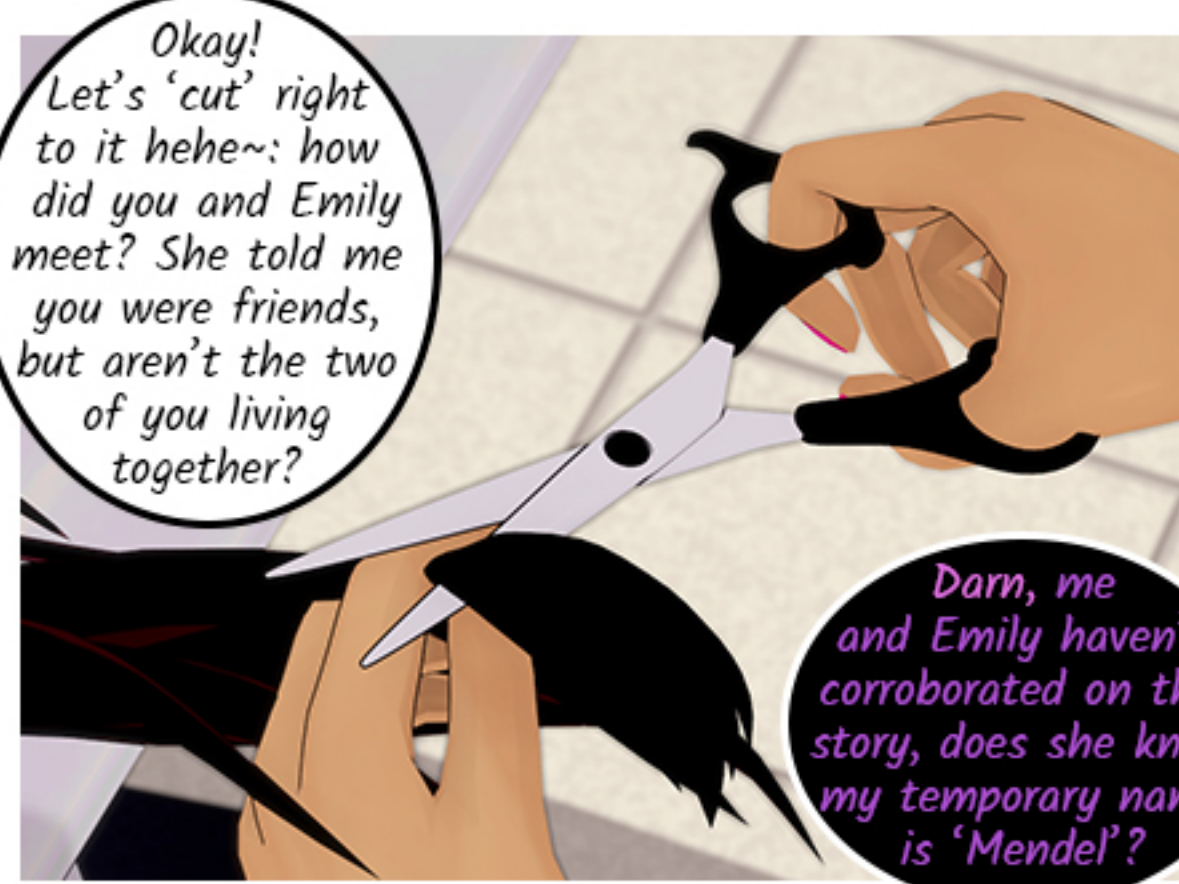

No, I was just lost in thought...

Don't worry too much, you'll wrinkle! Hehe~ Your gf has got us the deluxe hair treatment, so it'll be super relaxing for those nerves!

I said that we wouldn't be partaking in girl talk, but there's so much I want to know about my enigmatic girlfriend! So let's get to know each other a bit better, okay?

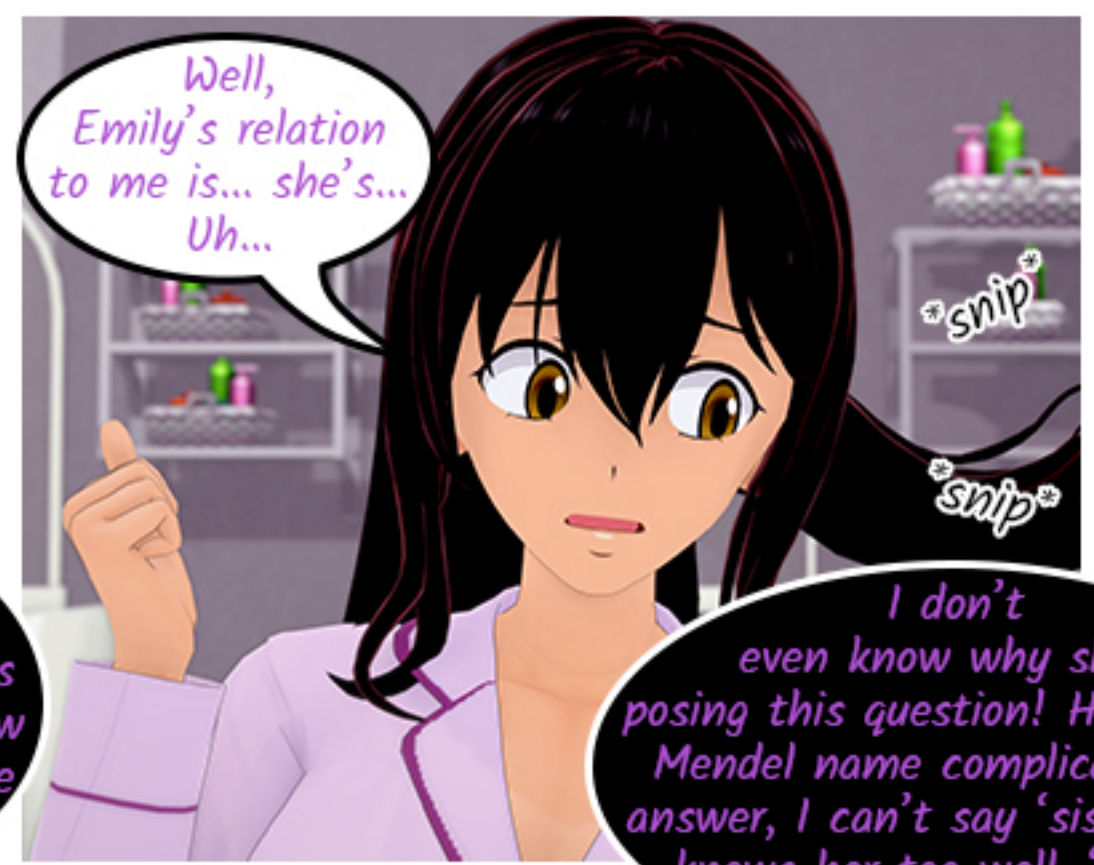

Haha... Sounds like a blast...

I really am growing to hate lying to those close to me...

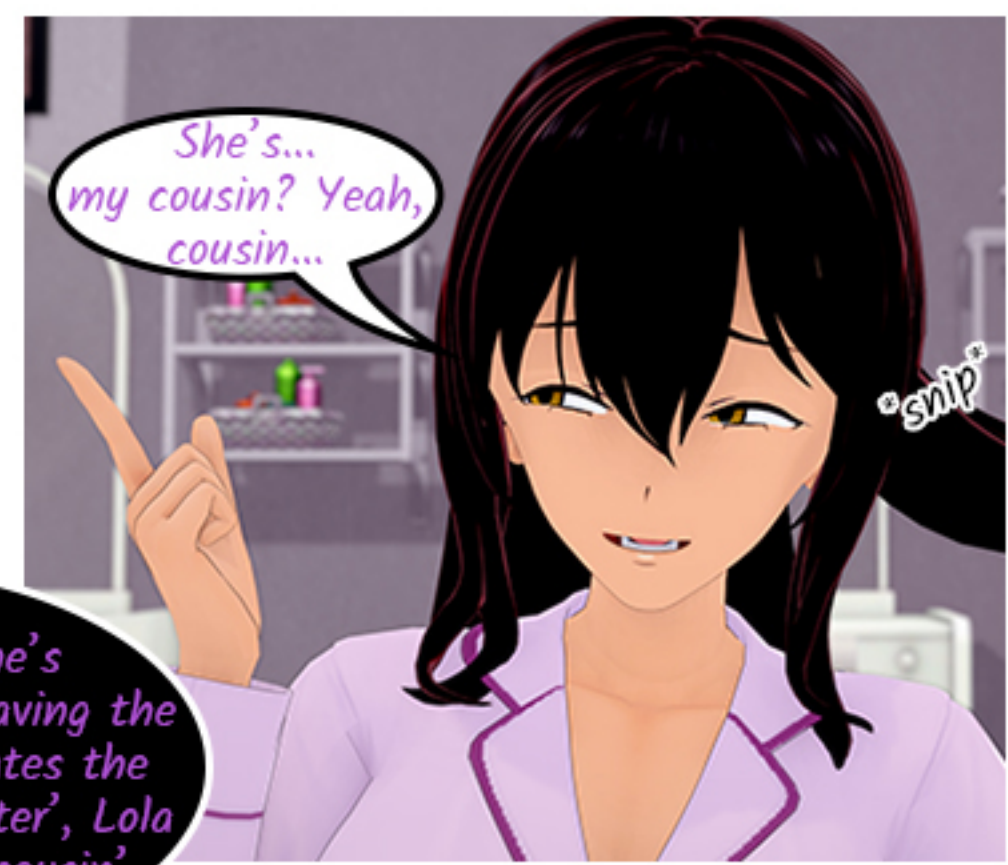

Okay!
Let's 'cut' right
to it hehe~: how
did you and Emily
meet? She told me
you were friends,
but aren't the two
of you living
together?

Darn, me
and Emily haven't
corroborated on this
story, does she know
my temporary name
is 'Mendel'?

Well,
Emily's relation
to me is... she's...
Uh...

I don't
even know why she's
posing this question! Having the
Mendel name complicates the
answer, I can't say 'sister', Lola
knows her too well, 'cousin'
maybe?

She's...
my cousin? Yeah,
cousin...

She's your
cousin?!

Thank goodness...

"Thank goodness"?

Not to be crude..
But your proportions
aren't... well... they don't
scream 'Mendel' hehe~.
Are you distantly related
or first cousins?

"Not be
crude"? Didn't you
pinch my plush ass
not five minutes
ago?

Uh, yeah, sure
we're, like, second
or third cousins or
something...

Why is she so
upset by that response?
I didn't mess up my
answer, did I?

Oh...

The cross-examination continues...

Did Emily tell you what the surprise was before you had a little disagreement?

It wasn't litt-
No. In all the drama I didn't give her the chance to. What is it?

Hehe~ You can ask her when the two of you make up. I won't ask what caused the argument, but it can't be unforgiveable, right?

Sigh
You're too good Lola... Even after having this time away from Emily to think of things I'm still unsure as to what her motivations were with the milk.

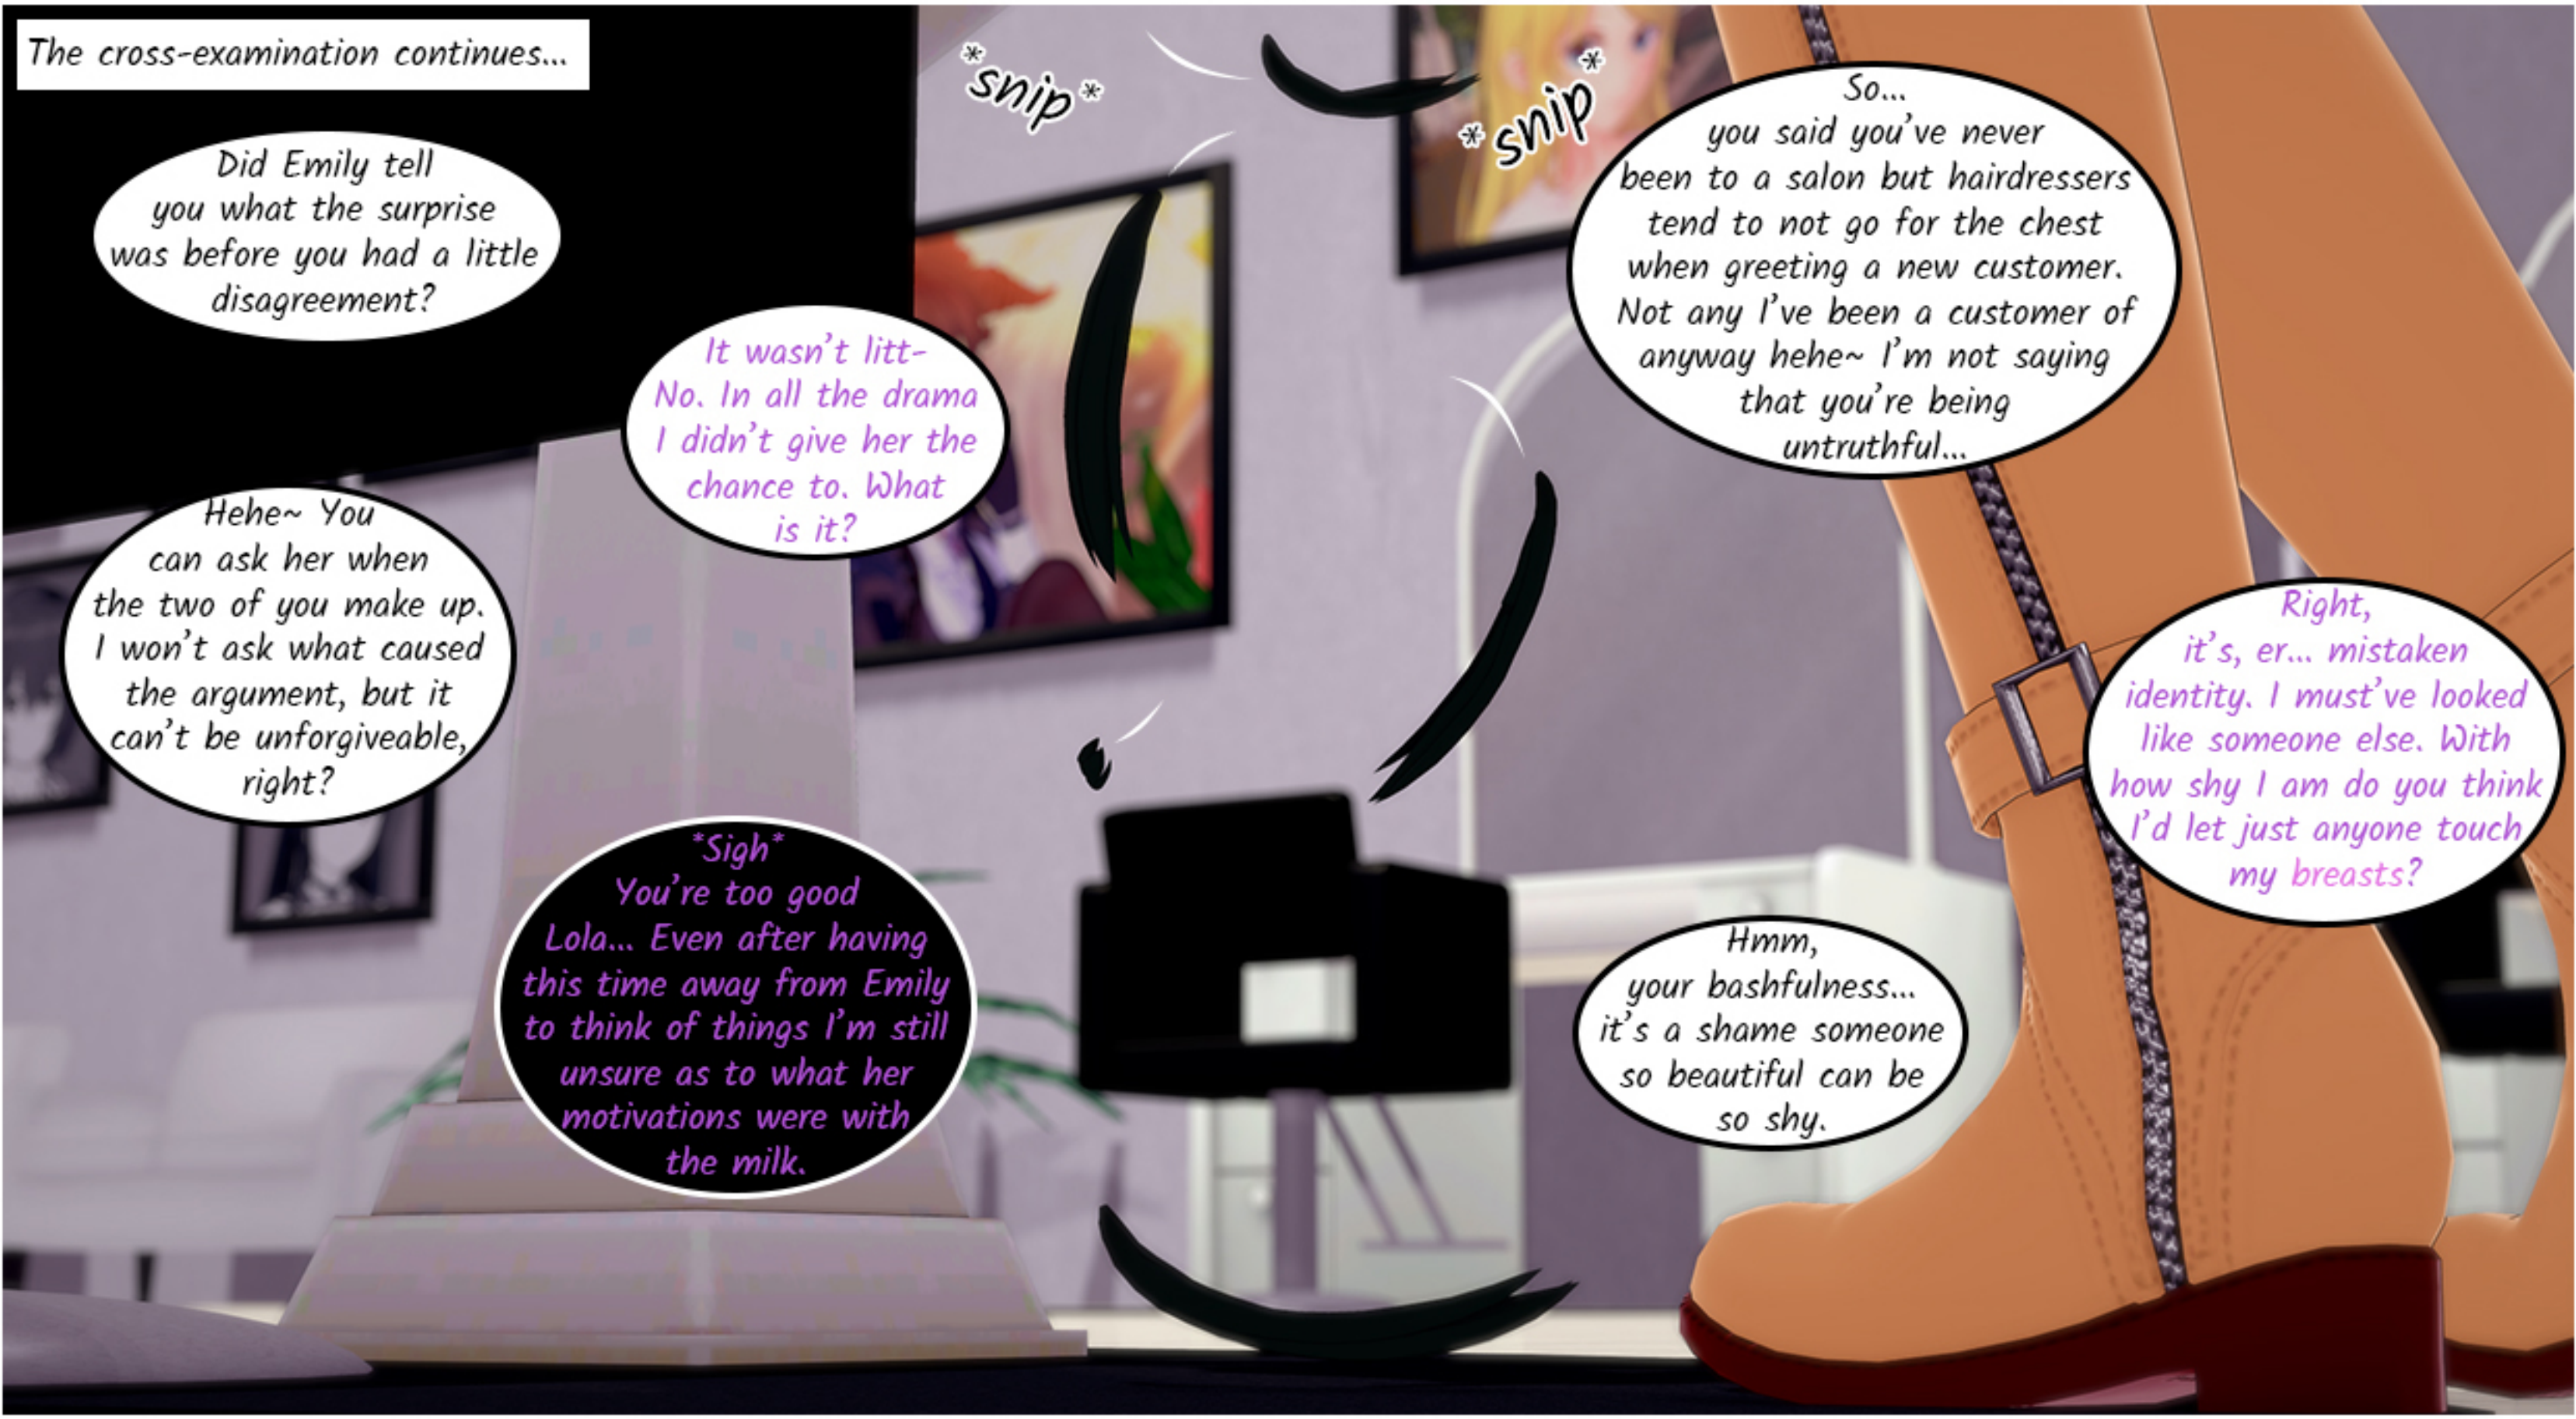

snip

snip

So... you said you've never been to a salon but hairdressers tend to not go for the chest when greeting a new customer. Not any I've been a customer of anyway hehe~ I'm not saying that you're being untruthful...

Right, it's, er... mistaken identity. I must've looked like someone else. With how shy I am do you think I'd let just anyone touch my breasts?

Hmm, your bashfulness... it's a shame someone so beautiful can be so shy.

After some more chopping...

Lola,
how many times
do I have to tell you
I'm not cute or
b-beautiful...

Glow

Katy,
how many times
have I told you that isn't
the truth, there's not a
chance I'll stop telling you
until you realize, and
even then-

'Kay,
we're done. So...
what do ya
think?

A preetty
killer job if
I say so
myself!

...

Sigh
She really is beautiful,
huh?

I even got a
dildo and named
it 'The Liberator'
totally in your
honor.

Is it her,
my liberator? She
totally doesn't have the
same energy, she's a bit
shorter too. I swearsies
that this is her
though...

When I overheard Lola describing the haircut I didn't- she was right, the haircut makes so much difference- I look like a model now!

I genuinely expected a shorter haircut would cause me to look more butch! But this-! Every cut made me more of a woman!

I guess my focus now is only on improving my mannerisms for my act, I can't think I could increase my feminine looks! Not that I wanted to... much.

If Lola's aim was to make me feel less conscious about myself this hasn't done it!

No way...

Pretty good going eh? I totally thought I had my work cut out for me trying to improve on what was there, but I managed to do it!

K-Katy?! You looks so different! I, wow, that haircut really suits you!

I thought it would, but your features bring out the-

I don't need to tell you how great you look, you can probably notice how cool your gf is, being a teensy bit tongue-tied ehehe~

Trying not to be rude but your hair was a bit messy, clearing it up really helped your beauty radiate out.

So let's get professional!

Stick with me kid, your gf shall make a killing if she becomes an image consultant! Hehe~

This style is very chic, very 'Katy'! Hehe, I sound just like Madame Belmoi!

She wears that haircut well, I feel as though I should have changed my hair too.

In our united goal to improve 'ze' feminine confidence I ordered you a shorter, less flashy style. Short doesn't always mean more masculine, 'non'! But I'd classify you as a 'gentle tomboy', hence the haircut hehe~.

'Gentle tomboy'? That's not just my looks she's basing that on, and it's not a title I'll wear with pride. Better than 'gender changed best friend' I guess... Have I become more 'gentle' or is it just the act convincing her? Would she describe 'Ken' as that?

Katy, not to be patronizing, but I really am proud of you, it's obvious you are uncomfortable, but you are still fighting to improve yourself. Don't forget; you don't have to aim for perfection, just aim for greatness and improve from there! P.S. I've already said it, but you're pretty great already!

Like ohmigod, I nearly wet myself!

There's another part to the deluxe treatment?

Mh-Hm!
This part of the package consists of a scalp massage and hair wash to get rid of all of those ticklish loose hairs!

If you aren't sold on the salon experience, this shall teach you why they're so popular with women! If it becomes a habit we could date here 'on the regular' hehe~

That... doesn't sound awful, I used to get my limbs massaged after I swam. I haven't had anyone wash my hair since I was young though. I had hoped that Lola would do that for me one day...

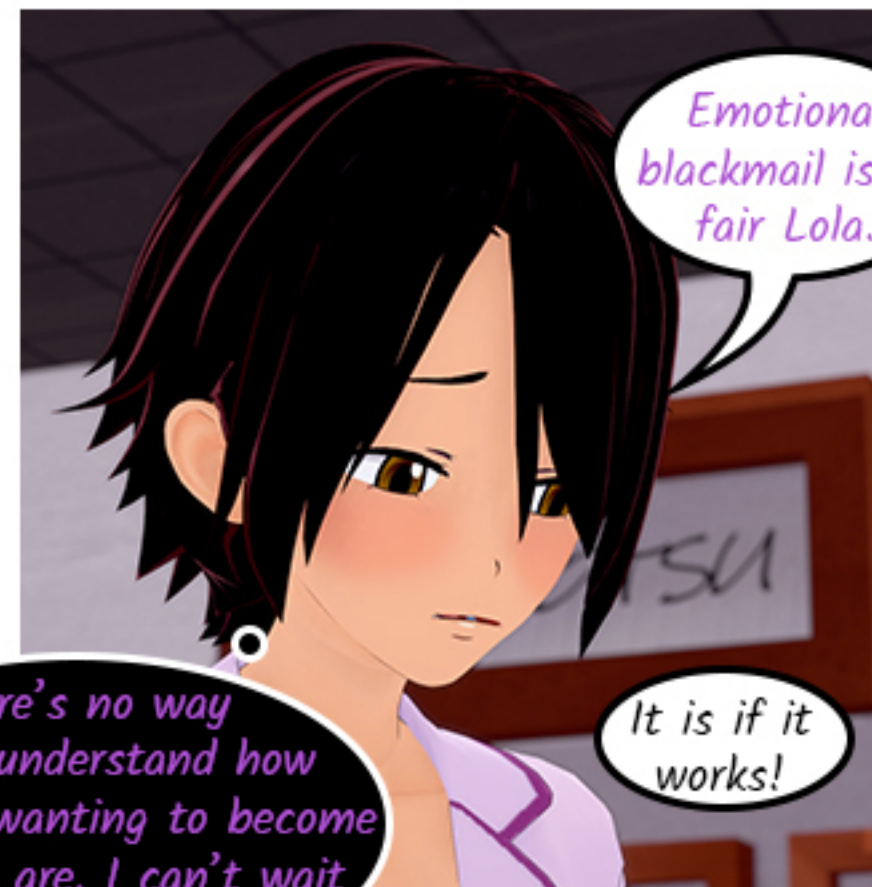

Katy, there's a... request. This can or can't be included in the 'deluxe pack'... we can dye our hair...

I know, to spring this on you is unfair. But since you helped me come out I've wanted to do more. Become who I am, not who everyone sees me as... become the 'true' Lola. Expressing how I feel into words is...

Dye-!
Lola, you know I'm not going to- I've yet to get accustomed to this haircut!

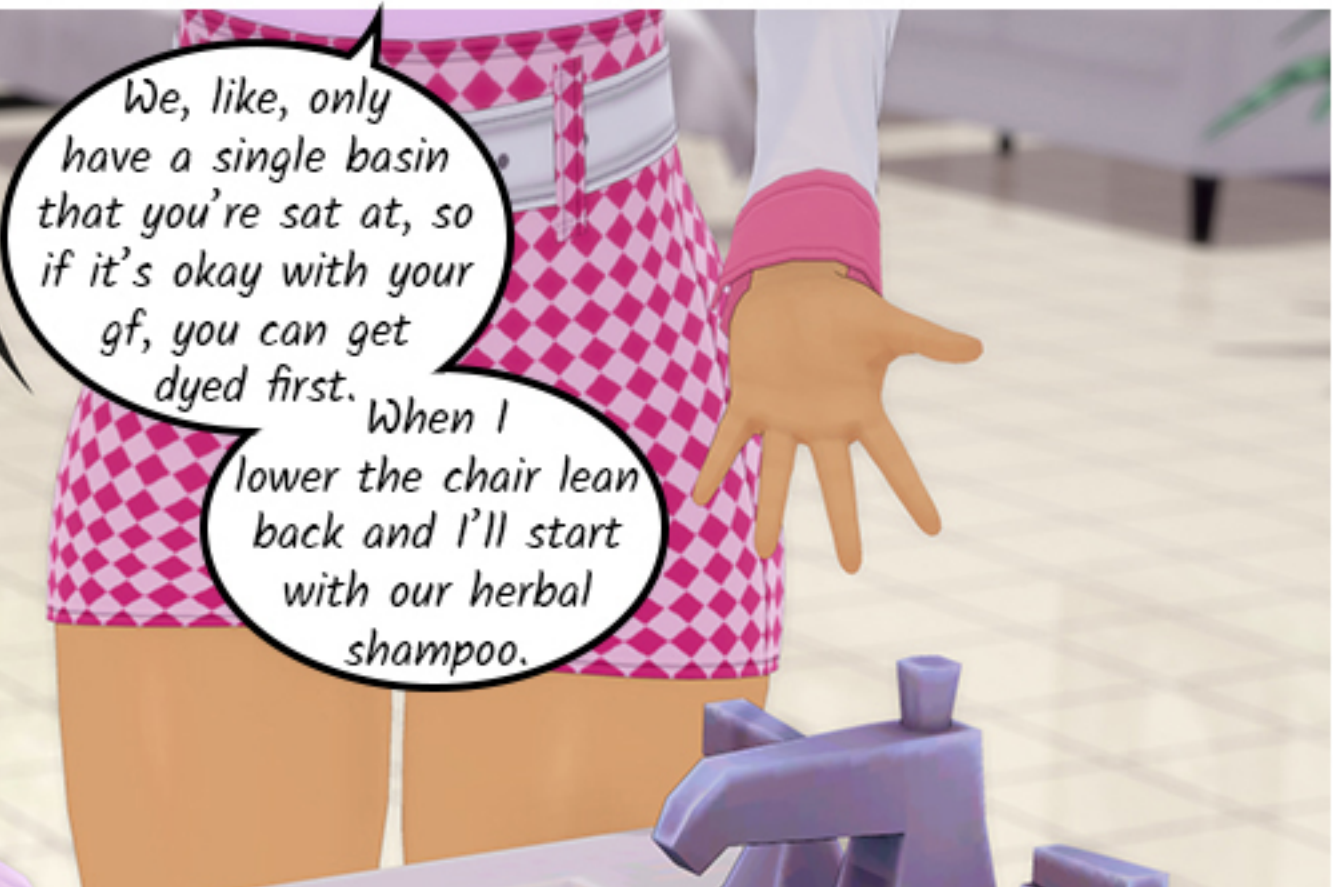

I suppose it seems a bit silly to someone as shy as you...

Really?! You mean it Katy? You can back out or choose your own colour-

As long as it isn't a crazy colour I'm fine with it.

We, like, only have a single basin that you're sat at, so if it's okay with your gf, you can get dyed first.

When I lower the chair lean back and I'll start with our herbal shampoo.

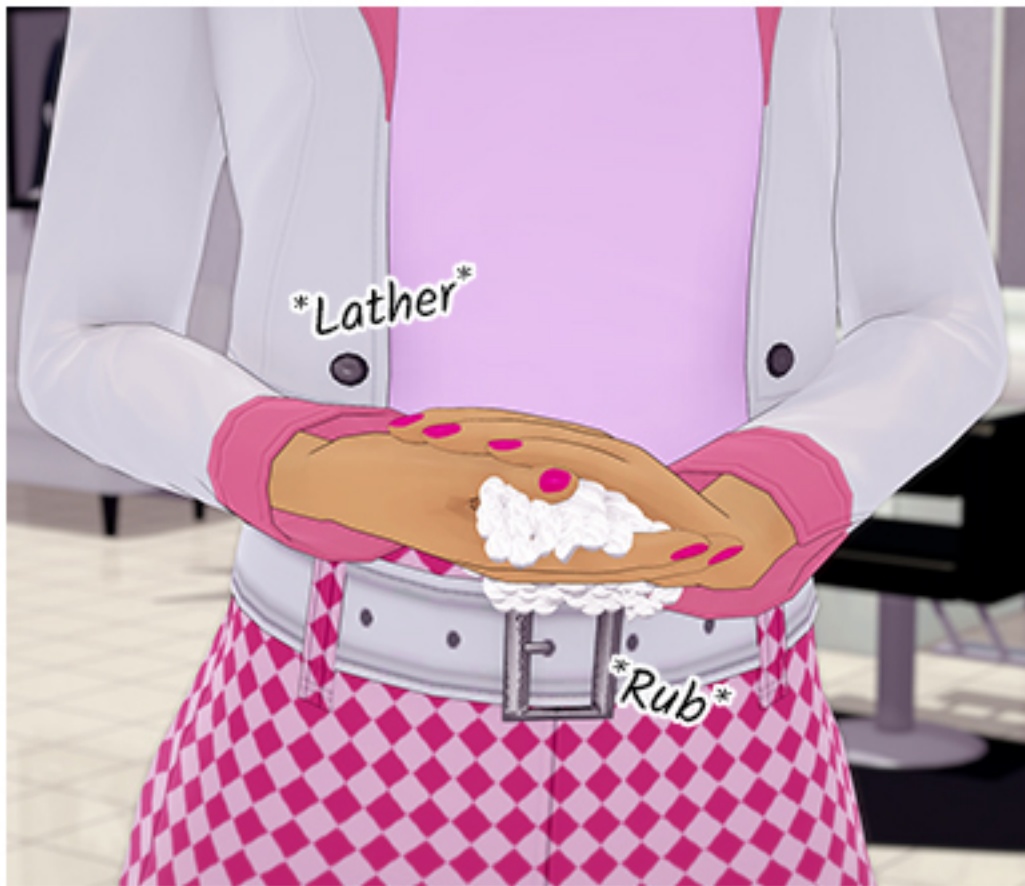

Don't worry! I only want it blonde. You could say I've been 'dye-ing' to have that colour after meeting you. Hehe~

Blonde... I am going from 'Ken' to 'Barbie' after all.

Right, so I'm going to look and smell more like a girl, as if Emily's soaps weren't enough. Part of me is going to dye before I leave this place and it's not gonna be my hair...

Hahh..
this is so
great....

Lola was right.
This is so relaxing...
I could get used
to this.

I've got tingles
running up nd down
my spine... It's kind of
turning me on... do other
girls feel this way
at the tips of these
magic fingers?

I never knew
I needed this...
I've been so tense
recently, this is
melting it all
away...

Praise be!
The baptism
was a success!
Welcome
sister!
You can pick
up your habit on
the way out. I'm sure
this shall become a habit
too, one that you'll
return to religiously.
Hehe~

A few minutes later.

'Kay, I think that's enough for the first part sweetie. Gonna grab the second shampoo, after that we'll dye your soft, silky hair, alright?

Haaah... There's a second one?

Do you want to stop at the one shampoo?

Hmm... N-no, it's alright... you can keep going... If the deluxe package requires it...

This is heaven, I had no clue had easy access to this! The other massages I've had pale in comparison!

I'm getting a chub... and my nipples are so sold they're trying to cut through my top. Are they leaking? *Sigh* I'm too relaxed to care...

Righto, I'll grab the 'essence of rose' in a mo...

Sigh I should've totally been more aggressive chasing Katy last time we met, this was one I guess I didn't love to watch leave even though she has a killer ass. I let a total stunner get away...
